

ASCENSION AND FALSE RAPTURE?

Or should it be
FALSE ASCENSION?

"Ascension: - the transformation of earth spiritually, or entering heavenly chambers without actually dying... such as gaining a larger orbit ? "

www.hiddentextofnostradamus.com

February 2012

From the Hidden Texts of Nostradamus

Like many people that pass my way, I am extremely confused by the words "ascension" and "the rapture".
By definition they mean several different things:

1. Ascension –

- to rise up...to ascend...The act of rising to an important position or a higher (further) level.
- The ascent of Christ into heaven on the fortieth day after the Resurrection.
- Astronomy: the rising of a star above the horizon causing it to be "in ascension"
- "true ascension happens when someone manages to vibrate their frequency to what is the God Mind of the planet". www.newciv.org/nl/newslog.php/.../a000397-000084.htm
- "Ascension is a natural and normal part of the evolutionary process of the Universe."

www.lightascension.com/arts/ascension.htm

2. The Rapture –

- The mid-tribulation position espouses that the *rapture* will occur at some point in the middle of what is popularly called the tribulation period en.wikipedia.org/wiki/Rapture
- By Definition The Rapture is the 'catching away' of the true believer in Jesus, as described in 1Thes.4:16,17 thereby fulfilling His promise chn-net.com/teaching/endtimes/rapture.html
- The state of being transported by a lofty emotion; ecstasy. www.thefreedictionary.com/rapture
As in "he is (w)rapped in her" or "she is enraptured of him"
- An expression of ecstatic feeling. Often used in the plural. The transporting of a person (or animal) - (as a raptor eagle does) from one place to another, especially to heaven
- Although the term "rapture" is not found in the Bible, the theory is firmly based on Scripture christianity.about.com/od/faqhelpdesk/a/whatisrapture.htm
- What is the Rapture? ... Define Tribulation Saint ... left behind who come to faith in Jesus Christ as Lord after the rapture will to be known as Tribulation Saints.

tribulationsaints.com/definetribsaint.html

It is not the intention here to discourse on all the Biblical words relating to "ascension"...

1 Thessalonians 4:15–17 " For this we say unto you by the word of the Lord, that we which are **alive and remain** unto the coming of the Lord shall not prevent them which are asleep. For the Lord himself **shall descend from heaven with a shout**, with the voice of the **archangel**, and with the trumpet of God: and the **dead (in Christ) shall rise first**: Then we which are alive and remain **shall be caught up together** with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord.

**THE RAPTURE 1 48 4 Hidden Texts of Nostradamus
Omen & Seals**

Rapture: "to be caught up" see also 'raptor' 'captor'

"will be caught up"...and to couple these words with possible true intention, to question exactly *who* will be doing the "raptoring".

Following are a couple of lines from Nostradamus which were disguised within the quatrains:

How this works has been explained at the web site The Hidden Texts of Nostradamus. Suffice to say in the last two years several dates provided in the hidden texts have come absolutely true.

They are:

The Twin Towers Deceit

The April 2010 Gulf of Mexico Oil Spill

The March equinox 2011 (cat-hare-rabbit year) Japan earthquake and nuclear incident

The first C.M.E. first week of June 2011 (metal cat hare year) and much more to come

Etna August 5/6 2011 as a "primer" for much more to come...

Before going ahead with trying to absorb this difficult and personal forum – would you please take a note down to go back to the *NEBULA NOVA* forum on page 8 and to take a look at page 7 of the web site where a new forum has been slotted. The 'seas' here could also be referring to that area of the Milky Way from which all the nautical named constellations appear. Some of these in other lines are said to be coming – so this raises a question for me – are they involved in the 'sepsis' of Earth? Such as the chemtrails...except that it is very clear in numerous lines that those 'dark men' from Sirius are behind the chemtrail project.

In the forum *MODERN MEANING FOR QUATRAINS FOR FEB 2012* on page 7 of the web site I reminded everyone that not all angels are good angels. Nostradamus guided Allan UUebber to read *En Chiffre* (Agrippina) chapter 14 which states:

"Concerning the bodies of Angels, there is a great dissension betwixt the late Divines, and Philosophers; for *Thomas* affirms that all angels are incorporeal, **yea evil angels**, yet that they do assume bodies sometimes, which after awhile **they put off again...**"

this week a ‘channelled’ message from **SaLuSa** mentioned that Michael (the ‘channeller’) was being taken on a tour ‘TO NEPTUNE’ for a ‘conference’. Interesting that Nostradamus says the word TRITON which is a moon of Neptune!

AND I SEE THE SaLuSa messages exactly so, as a satyr, secretly ridiculing the gullible humans on Earth

Currently there are several web sites which are sending messages supposedly from a number of “heavenly” personages.

One such is named SaLuSa. I initially went with the words that were in the words of the first video.

The second video contained one short paragraph which changed all that:

“WHEN THE RIGHT NUMBER (of souls)” – first SaLuSa video

Yet didn’t God say – “for just one righteous man”? Lot and his family...

And more warning bells went off in my head when I read:

“WE WORK WITH YOUR GOVERNMENTS” – in the second SaLuSa video...

See last pages for contra-dictions and more

---	--	---

To determine the different times which give us either a 'rapture' or an 'ascension' event, we need to look at the clues. One definite clue regarding a 'rapture' event is the alliance between Sirius (Prince of Dark Men – or Dark Men of Prince. Prince being obsolete for Sirius), Orion and the Eridu. Eridanus is a constellation which sweeps across the Milky Way from the area of the "Sea" in which sits Aquarius, Pisces and the nautical constellations... to the foot of Orion, almost in supplication to Orion. So to say "from Eridanus" would therefore be a sweeping statement. The forum regarding the Anunnaki is going to be too large for this method of publication, but one thing learned from the lines for that forum is that there are a very large number of names which relate to the Anunnaki. They have alliances everywhere.

Eridanus has been compared to the River Jordan, and it is easy to see why. That saying 'as above, so below' comes to mind.

INCIDENTALLY: In *Asteroid Comet Meteor*, there are three certain events, the first and the third event seem to have been ameliorated by the Watchers, see a small collection of good news in the forum **“WATERWORLD”**

Sa Lu Sa & Hatton & other “channellers”

I dont know why I decided to go through all the emails from David Spear Catcher but I found one where he said the first SaLuSa video had a phrase
 “WHEN THE RIGHT NUMBER (of people/souls)”
 I had forgotten that ... My answer was
 God assisted for JUST ONE RIGHTEOUS PERSON
 (Lot and his family) so
 why would THE RIGHT NUMBER (of souls) even be mentioned?
And again December 16 2011...”if sufficient of you get together”
 Sa = Satan
 Lu = Lucifer
 Sa = saints

***QUERY RODS OVER**: meaning
 To question the motive of the hovering “rapture” greys...

This was the dream I had for three days –
 the very same craft that appear in the illustration here.

They were coming from the south and they were low and slow. They come from Nibiru.

Confusingly:
 the other warning is regarding CIGAR shaped craft...
 This “rapture” is by those from Ophiucus and Ursa Major
 which are part of the “unholy six” of the Corporate
