

The Esoteric Symbolism of the Viral Video “I, Pet Goat II”

Comments by HiddenTextor – using the Alchemye List of Nostradamus

I, Pet Goat II

A SUMMARY

Let us start with the title. **PET GOAT 11.1**, because that is what it is. First, because the alphabet blocks around the goat’s neck are like scrabble tiles, we will take into account the three blanks. These can be found on the blackboard around which GW Bush tries to create a smoke screen. The missing letters are “U” and “IO”. ‘U’ is Urania & ‘Io’ a moon. When added to the title, we will scrabble the blocks and this is the warning:

**GET ATOP 11. 1: TIP, EAU TO GO
PUT GATE OOI – A.U. GO TIPTOE,
IT UP AGE TOO**

Meaning:

“Get as high up as you can on Thursday November 1 2012. The Earth will tip (and a pun) – oceans to go. All Time Portals set to 0:001. The Astronomical Units to spread gently; that is: our orbit... This will make the calendars longer too”. Our year will be 1,260 days long. There are two well-known and beloved prophets who say the same thing:

1. Da Vinci:

OF RE-MOVING ON ALL SAINTS' DAY, the day after HALLOWEEN falls on Thursday, November 1, 2012

“Many shall leave their own dwellings, and shall carry with them all their goods and go to dwell in other lands.

OF ALL SOULS' DAY

All Souls Day falls on Friday, November 2, 2012

“How many will there be who will mourn for their dead ancestors, carrying lights for them!

Due to the great darkness

2.Nostradamus:

10, 71 <i>La terre & l'air gelleront si grand eau, Lors qu'on viendra pour jeudi venerer: Ce qui sera jamais ne feut si beau, Des quatre parts le viendront honorer.</i>	The air sea and earth will freeze very greatly (like <i>The Day after Tomorrow</i>) When they will come to venerate Thursday: (All Saints Day) That which is to come will never be as fair (as it once was) Will come to honour the four parts of it. (North East West South)
---	--

1, 50 <i>De l'aquatique triplicit naistra. D'un qui fera le jeudi pour sa feste: Son bruit, loz, regne, sa puissance croistra, Par terre & mer aux Oriens tempeste.</i>	Per the three water signs will it be borne (the direction of travel) One will celebrate Thursday as its birthday. (All Saints Day) ITS renown, then (that time), reign, her importance will increase (Earth/her Troubles by earth (quake) and sea to the East (of France)

Other clues in the Hidden Texts have been:

10 8 3 Pyramis: October 23 + 9 (Teth) = NOVEMBER 1ST

10 8 3 Sycamore Tree (Mulberry tree, flooding/October 23 (in Scorpio) plus Teth (9 days)

The opening scene shows a neutered wether goat... the type we eat.
There are six of everything: the lights, the strands of barbed wire, the boxes.
The 666 brand on its forehead.
The goat is “in Capricorn”
The boxes contain guillotines...
The very negative Other Worlder space craft are cubes and rectangular.
This is a clever but silly goat – he can spell and draw stick figures, but he did not see the dark coming. The dark of no sun and no atmosphere, a nuclear winter.
THE NUMBER 666
“The smallest reward for the Muslim in paradise is an abode where there are **72** virgins and 80,000 [divide by 12 = **666.666** repeater] servants”

When the planes struck the World Trade Center in September 11 2001, Bush was inside a classroom reading the book *My Pet Goat* to children.

And he had it upside down when he was “reading it to the class”

The Masonic checkerboard floor of the classroom might signify that this whole charade has a ritualistic component to it.

Not to mention the pentacle it is in, the FIVE ELEMENTS: Air Earth Metal Water and Wood

The Rider Waite deck and Aleister Crowley’s Thoth/Anu/Apes deck. (pron. Ah-pees is the obs. for Sirius-Anu.bis) here:
The Magus is a pentacle card. The Thoth deck calls this earth element "disks."
Other decks call them shields, coins—or even stones.

All represent the element "earth."

The *idea* of the disk encompasses the circle, the wheel, the cog, or the mill wheel of the universe.

The disc – is the “blank disc” prior to information being implanted. A good description of an empty “container” before cloning it to become G.W. Bush
In a SHIELD you have a symbol of protection, something you can place between yourself and the aggressor.

The SHIELD is the obsolete name for Saturn – Because it will shield the Earth

In quatrain 1. 2 - Nostradamus describes: *La vierge en*

Meaning: virgin, unfertilized, blank cassette, **disk**

⁶⁰Thoth Hermes Ningishzidda/Anu ...the 60th name the Anu use

In this sequence GW Bush morphed into Obama – basically a complete *segué*.

This was saying, of course, that there is no difference between them, even though they are of opposing parties.

The ‘sunburst’ on the human is a halo, meaning this is an Other Worlder – from Orion... who are ‘light beings’... “I am the Way, the Truth and the Light” (and: I am a wrathful god)

The graffiti on the board shows negative fertility (penis points to the left)

As well as indicating genetically controlled breeding

Is that a marine hanging, with part of the word EVOL_I with “YOU” (U) MISSING

Indicating this Bush is a clone. This explains the youthful features and the Asperger’s like social lack of connectivity. The “IO” is also absent. Io is where the Draco Oannes stay. These are the three letters to add to the title.

There is a clock on the wall – showing noon, in America. The Towers did not fall at noon. Another scene has Big Ben in London showing the same time. This tells us that NOON in the northern hemisphere (in Capricorn) will be very meaningful

The “F minus F” is the algebraic principle of the Frank Drake Equation. The answer... ? Is it “function minus function” or is it the power of “minus 1?”

DISJOINTED BRAIN: The problem “William” had (interview with Linda Moulton Howe) is that the Tau Cetians had to “fix” the division of his brain for him to see ‘clearly’.

This was quite traumatic for him, but highly effective. Dan Burisch received the same.

A **GREY three toed** dragon, (Draco) VERY LOW CLASS – indicates reptoids and the YEAR OF THE DRAGON... in which there are many homes burnt much loss of sea life and the return of marines (soldiers) BEING SACRIFICED... shown on the board

IN ORDER FOR MORE MONEY TO BE MADE FROM THE WAR MACHINE

CONDALEEZA RICE sits in the wings – a lady in waiting

(“FINAL PRESIDENT” Century 2 Quatrain 96 Line 2 of the Hidden Texts of Nostradamus)

The **Drake equation** is an equation used to estimate the number of detectable [extraterrestrial](#) civilizations in the [Milky Way galaxy](#). It is used in the field of [Search for Extra Terrestrial Intelligence](#) The equation was devised by [Frank Drake](#), Emeritus Professor of Astronomy and Astrophysics at the [University of California, Santa Cruz](#).

Mixing metaphors here, three of them.

Sleeping Beauty awakes...

The temptation of Eve...

Alice has landed – awoken - in Hades

“Hades” is where the star-gates need to be. In a stable geological environment.

Dr. Michio Kaku once said ;

“If time travel were possible – it would have to be done in stages”.

Later, we will see that is quite so.

The 12 deaf dumb and blind “apostles” behind her are “damaged” or mutated eggs...

Twelve always means the Anun.nakim are involved (and that includes our 12 months and so on)
 This is Alice in Wonderland - see the rabbit/hare?
 She is in the circle of “knowing” a toxic circle for those who know. This also represents the wages (price) of using the stage gate/ stargate...
 The leaping stag means two things: Orion and “in Capricorn”
 Lepus the hare is at the right foot of Orion, as is Eridanus at the left
 In the year of the Hare (2011) contaminated apple due to Fukushima...the radioactive oily ring in which she is caught

Obama is concerned by the awakening of this girl. (Barracuda)

Yes, she is the “initiated”, another word for “uninitiated” is “leper” in the alchemye list
She is also Alice who has stumbled through a time portal...hereafter called a stage gate
And here is the proof...

ANYONE EVER WONDERED WHY THE NAME “MJ12”? M = ORION. J/Y/I = SIRIUS/YSUS & 12 = THE ANU

We are then taken to the cold and snowy outside world around the school. (Barracuda)

This is the ice age caused by several things, three of which are:

- The Ocean Conveyor reversing**
- Our Earth being moved off her orbit**
- Vulcanism under the ice caps caused by passing Nibiru solar system – creating great floods which transpire into rain which freezes**

The abandoned school has 8 windows each with 6 panes.

This is 48 panes of glass. 4 + 8 = 12.

The Anu just can't help it.

My suspicion is that they were involved with the making of this video.

It is mid-day and it is the dark of 'sack cloth' –

On the school wall is a graffiti saying “**Psalm 23**”.

The Biblical verse that is referred to by the graffiti appears to foretell the journey viewers are about to embark on.

The Lord is my shepherd, I lack nothing. He makes me lie down in green pastures, he leads me beside quiet waters, he **refreshes my soul**. He guides me along the right paths for **his name's sake**. (In the **NAME OF Jesus**). Even though I walk through the **valley of the shadow** (the trip to our new orbit) of death I will fear no evil, for you are with me; **your rod and your staff (pun on 'workers')**

"Rod" is a pseudonym for a "Che-rub" which is a (J-Rod52) grey.

"Staff" (Thyrso) can mean 'branch' (which means in Virgo, but there are other meanings - here)

Or 'wand' which is Mistletoe Day, Pillar, shape shifting, December 23, Jupiter, Air and Fire

BRANCHES the mystery word in Cent.1 Q 2

de Branches

from *brancher* the Verb...connect up, to plug in

The same problem arises here that Erika Cheetham had –

... the entire word is in capitals

Branch in the obsolete tables HAS SEVERAL INTENTIONS:

BRANCH: held by Cepheus the crowned (reptilian) king. This is

Thurisaz the thorn sky rune, meaning standing at the gateway

BRANCH: of the whale's tail in Cetus Constellation in the south

(the Tau Cetian branch of humanity):

(said by Nostradamus to be the new North Pole constellation)

BRANCHUS: SEER by Apollo to be used here I believe as SEE-ER

ATHENE the branch who gives

VIRGO: the seed to be borne (carried) to fruition

ATUM: (Gemini) – Mercury/Thoth the Messenger

BRANCH: held by Boötes the guardian of the flock

PALM BRANCH: held by Hercules the hero (Utu of the Anu

GRACIOUS BRANCH: Lambadia, Mercy. Libra the balance

PROCYON: the branch, Redeemer be, then in Gemini

SERPHA the branch – He the Desired, Seriphot the fiery ones

BRANCHES – the Seer under Didymus the grammarian

BOUGH: the infant Branch was Coma –

thought to have been the Star of Bethlehem.

Is also ASTREA in Virgo (and an asteroid)

"they comfort me. You prepare a table before me in the presence of my enemies". Means "You are my host"

"Enemy" is an obsolete word for "in Capricorn, the first decan" and the second decan of Cancer (Ursa Major)

You anoint my head with oil;

Anoint: when crowning a king, this meaning is both Cepheus and in Libra

"my cup overflows".

Cup means the dice cup of Perseus aka Algol the ghoul. Other 'cups' are Ganymede (near Io) and Aquarius

"Surely your goodness and love will follow me all the days of my life, and I will dwell in the house of the Lord forever".

"House of the Lord" is one of the twelve houses of the zodiac, or the other twelve "houses" of constellations such as Orion, and this one does mean Orion

- Psalm 23, NIV

A World in Decay

The outside world is dark, radioactive, cold and literally in decay.

It is sad, corrupt and everything is shaking and crumbling down.

It is dark due to no atmosphere and due to being 'far out' from our sun, which is "hidden, eclipsed by Mercury" 4 29

At one point, two towers – reminiscent of the WTC – fall down.

We then learn that it was an inside job.

Bin Laden is wearing a CIA badge, hinting to the fact that he was a tool used by the American government to advance its agenda. (Barracuda) – **I agree, a patsy more like it.**

The moon crescent, a symbol associated with Islam, is reversed, which may be a way of saying that all this Al-Qaeda stuff is a perversion and an exploitation of Islam. (Barracuda)

Islam is closely related to the Anun.nakim and their agenda for 'humanity'. There was an Anu named Alla.Lu Al Qaida is the name of the main star in Ursa Major, and the American military have made treaties with them... The 72 virgins in paradise is the dead give-away that the Anu are involved ... FEAR is the key

The toxic waste of humanity swallows up the working man. The hammer and the sickle represent the honest every day folk who are swallowed up in other's plans. In this case: radioactive oil.

Going to the source of the symbol of Russia (the bear) would take us to the "hammered bracelet" which is a huge asteroid "cloud" and to the sickle/scythe of that part of Leo constellation which includes Denebola. The bear of course, is Ursa Major...in league with the Anu.

Controlling the Masses

The world is under the spell of an evil sorcerer named Drako.

According to the makers of the movie, Drako is:

"The Sorcerer, the unseen hand and spirit of madness seeking ever more control through trickery, lies, poisons, false-flag events, wars, and mountains of bureaucratic and legal framework to siphon off the energy of the inhabitants of the earth. He fears the light of day as he fears life itself, and operates in the shadows. His greatest power is his hold on the issuance of the currency."

Does this sound like what we call the Illuminati? Yes, yes it does.

The same way the Illuminati seeks to brainwash children since birth,

Drako (Draco) preys on this unborn child named Ludovic. (Barracuda: Before It's News)

Draco's reptilian eye awaits the seed of 'Ludovic'.

The single arm represents Cepheus (of the second coming) Where Sirius is the "Prince", Cepheus is the "king"

This is in vitro breeding – the electric cable is for the light, Keeping the correct temperature, the same as chickens.

Draco is a constellation situated behind Sagittarius and involved with Ophiucus which circles the north pole.

Draco is the "Dreaded Hanix of the North" of Nostradamus...

When the egg is hatched and the child is born, Drako literally takes control of his mind in a creepy, parasitic way.

Yes, Draco is fearful that the child man will discover he also is a god.

It is only by education can the child man avoid the traps of chemical pollution of the mind and remain a god.

Part of this education is to realize that he is "made in god's image". This god has one eye, again, it is from Orion.

The ring in his left ear must mean something – is he "Lord of the Rings" of the Haoma? Meaning he has access to a stage gate... Not an everyday event

Draco has the pyramid Pharaonic beard strapped on and one all-seeing eye ...The eye of Orion

In Alchemye the one eyed stag is Orion, and is also the first ten days in Capricorn.

Orion, Sirius and Draco are in league – currently (according to the hidden texts of Nostradamus).

Orion is the "I am the Light" bringer of Miss Frances Rolleston's Mazzaroth/Mizraim

Amid all this chaos, a figure emerges with the power to [seemingly] make everything right. (Barracuda)

Navigating on an Egyptian ceremonial barque, a Jesus Christ appears to be in trance.

The “barque” is an Alchemye List name for the Earth
And it is bar coded

Below: during the course of the breakdown of religion in the background, the crown of thorns disappears

THE KNOWLEDGE OF WHERE THE “CHRIST” REALLY COMES FROM WILL DESTROY CONTROLLED RELIGION

 GATES IN STAGES – TIME PORTALS TO ORION

 The Prince of Dark Men – A negro**

**The one warning here is that the second coming will be IN THE NAME of Jesus:
 this is an out and out warning from Nostradamus, where he sates “long awaited he will never come” 10 75
 The chemical world we are saturated in is working heavily against our ability to free the inner eye and the
 Chemical agenda is an Off World plan**

Aali, a little one eyed Dervish boy who appeared battered and dead with a scarab beetle scuttling across his face...rises back to life. This is intended to slot in with Revelation in the Bible, where the Men in Black are made “revenant” to be used by those of Orion...for the purpose of “swirling” the Earth outwards
 First: – that is not our moon – is it Io? No, I think it is meant to be nearby Ganymede (“cup holder”) not far from where Earth will be.
 Second:- the pointing to a “face” by the scarab means the first ten days in any zodiac sign.
 The Scarab did not just point – it scabbled all over his face.
 This indicates the first and the second decan in Scorpio!
 Following All Saints and All Souls days?

The scarab beetle represents the constellation of Cancer in which sits Ursa Major: obs. = MAR.GID.DA
 These (according to Nostradamus) are the Other Worlders which the American military became involved with.
 Interesting so far, that of the SIX of the Second coming, two which rate more than a mention are Cepheus (ARM) and the scarab of Ursa Major MAR.GID.DA. Placed together one gets ARM.MAR.GID.DA

CRONE:

A crone is a woman who never gets to have grandchildren.
 She represents time, the change of AGES, and is the alter ego of Cronus the cannibal of time.
 Cronus is also Saturn
 Here she wields a wand in an ORBIT around her (see BRANCHES)
 She is Saturn. It is either Earth or Jupiter which orbits

The **Saros moon cycle** is an eclipse cycle with a period of 223 synodic months (approximately 6585.3213 days, or nearly 18 years 11 1/3 days), which can be used to predict eclipses of the Sun and Moon

20 X 6585.3 days = 131706 days
