

A KING OF FEAR from 1999 in 10 72

Great King of fear from the sky (Cepheus, see 1 10)
In 1999 those from Cepheus clone the Han (Hun) Genghis Khan (from 65 year old cells)
King of the Mongols (North Korea or China) who will be 12 going on 65 in 2013
Mars is in its orbit before and after (*bon* = good/normal *heur* = times)
this is a date, so it is when the orbits are not yet moved

10 72

L'an mil neuf cens nonante neuf sept mois (conception date)
Du ciel viendra un grand Roi deffraieur:
Resusciter le grand Roi d'Angolmois, Mongol is a roid
Avant que Mars regner par bon-heur.

Codes within codes **ROI D'ANGOLMOIS**
MONGOL'S DAI MONGOLIA'S ROI (king)~
was Genghis Khan

NOTE: CLONES WOULD NOT HAVE A SOUL!

This "boy" will be the third Antichrist

King is Cepheus constellation – by all accounts a reptilian race

In the quatrains, Roy (Roi) with a capital "R" is referring to Cepheus the King constellation. With a lower case "r" it is a local king. Notice the word "resusciter" with one "s" where it is spelt 'ressusciter' normally. To have had a "spare" "s" left over could have been disastrous, as that is a major date within the Hidden Texts – that of the Celtic Willow (and Owl) being April 15 – May 12. Commonly Easter falls within these dates and Easter is a date the Anun.nakim cannot resist. By not having the word spelt correctly, the date is not included and does not apply. **Bon (good/ normal) heur (luck/ hours)** regarding the cloning from DNA of a deceased adult (to keep in mind the word "adult" and not "child") – part of the cloned sheep Dolly's problem was that she was made from **adult** cells! So, while a cloned Genghis Khan may be only 12 years old in 2013, he was generated from **already mature** cells! SIXTY FIVE YEAR OLD CELLS

1 4 4 **Sera regie en plus grand detrimet**

Trigrams (the Chinese) DETRIMENT
REGERMINATES ERMINE EASTERNER
MEN TRIED EPIGENE (found underground?)
RAREST ARREST – TRIM (Earth) **PLUNGES DAN**

GOVERNED TO ITS GREATEST DETRIMENT (the Earth)
ERMINE EASTERNER: Chingis Ghan aka Genghis Khan 10 72
EPIGENE: could have both meanings here. Have the Chinese found the grave of Genghis Khan and cloned him?
DAN is in Scorpio

1 4 4 **Definition:** "1. An epigenetic trait is a stably heritable phenotype resulting from changes in a chromosome without alterations in the DNA sequence. 2. Formed, originating, or occurring on or just below the surface of the earth".

A **trigram** may also refer to Ba gua, a philosophical concept in ancient China. It may also refer to a three-letter acronym. (C.I.A.)?

6 54

Au point du jour au second chant du coq
Ceux de **Tunes**, de **Fez**, et de **Bugie**:
Par les **Arabes** captif le **Roi Maroq**
L'an mil six cens et sept, de **Liturgie**

At the timing of the second French journal (the hidden texts)
Those tunes (verses) "IS GIFT ENSUE ZEBU" (bos indicus*)
Moroccan king captive of Arabs (a line hiding a clue)
Liturgie=GUILTIER year 2065 (IT U_ranite **RIGEL** = Orion)
1607/2065 (add 458(AD) the year "O" first published. **)

2065 is the year of WORMWOOD in the Hidden Texts ("SEVENTH DECADE YEAR OF THE COQ" in another line)

**bos indicus* – Mantric mentor of Nostradamus from Taurus/Pleiades

In the quatrains it is 325(AD the year the Nicaean Council collated the Bible) to add, but in the **hidden texts it is **458AD**. Interesting; that it is 325 years that was removed by king Otto in 675AD. He wanted to be crowned in the year 1,000, so he simply made it the year 1,000. **Dr Hans Ulrich Niemitz is saying that in fact 1582 was really 1257AD**

6 54 Line 3 **ARABESROIMAROQ**

ARM: IO R Q BOREAS: Arm means the king Cepheus (reptilians) orbit the North, so they would be the 'dreaded Hanix of the north' (Aquilon being north) and seem to be responsible for genetic engineering the "king of fear" (Genghis Khan of 10 72)
IO (moon where they stay) **R** (means Draco) **Io** is mentioned many times as a camp or base.

1 10

A coffin is put into the vault of iron
where seven children of the King are held
The ancestors and forebears
will come forth from the depths of hell,
lamenting to see thus dead the fruit of their line
Erika Cheetham

A space craft into a mother ship or planetoid; or a hibernating
space traveller... *see Travis Walton*
Seven are the stars in Cepheus the King
Or the seven stars of Pleiades, the Queen
There were once seven stars in Orion-Odin the king
Depths of hell (Hades) is where the stage gates are
Ancestors: The origins of our DNA, we are 'the fruit'

H Parks
