### 1.1.

Sitting nightly, of secret education extant  
On one's own, placed on the bronze-aerial turntable\*  
Exit flaming in turn, outgoing emptiness  
Makes favourable that which is not to be disbelieved

\*turntable – pedestal – platform – saddle

### 1.2.

The disk in hand, enacting through the See-er connection  
(looking glass – 'stage gate')  
The wave-pulse forms a shape on the platform  
(hologram on pedestal\*)  
Fear and a voice; shimmering, returns by the tunnels  
Divine splendour – the god sits close  
(in time)

\*Using the word platform, when it probably really should be "pedestal" since the word "le pied"; was given in the quatrain

**WILL COME TO DELIVER FALSE HELP** (does this line also refer to Enoch ? Or Sirius of the false rapture)

**CRONUS VISA PRELUDE: REMINDER SEALED; EMPIRE SURRENDER, SINE** (Anu) **PRE-RELEASED MURDER ERASES**  
**SEALED: EMPIRE SURRENDER**

"Seal" always means – "it is written", not like an omen - which is just a sign

"Sine" here means the "numerators" which are the Anu Corporate. The "pre-released murder" seems to me to indicate the problem with our DNA – that of mortality. This ties in well with the English translation of the line

**RE-RELEASED SPERM RUIN** (explaining how murder was 'pre released')

SEE GREAT ONES SUSPENDED (in the air) - BY FEET (Pisces) AND NECK (Taurus)

“and nothing ambiguous or amphibological inserted” says Nostradamus to king Henri in the Epistle

Yet here is a perfect example of both or all. Originally readers in past decades have always thought this line referred to the public hanging of Mussolini and his mistress – which is quite true. For the Hidden Texts however, the ciphers of “feet” and “neck” for the zodiac signs, being dates – is in full view for those who are “initiated”. The ‘great ones’ “suspended in the air” then becomes visitors from the heavens flying in full view, “suspended” as space craft do. Interesting also that Taurus does follow Pisces as a date. Those from Pisces area (there are several which include **Tau Cetians** and those “spun in Crane”) and those from Taurus area are the Plejarens (the **Pleiades** (‘GRANS’) are in Taurus) those from Algol (Perseus) and those from Aldebaren (“caudex [thick trunk] sexual rogues”). We can presume nothing when it comes to the warnings from Nostradamus. We certainly cannot disagree regarding the words “great ones”. A more full explanation follows in the codes within codes:

**GYPSY PRESERVING LEO CHARLATAN (as) COURIERS... USING LEO CHARLATAN VERY PRICEY (costly) PROGRESS RO PRINCESS SURVEY LEO CHARLATAN PIGGERY**

RO is cipher for the Andromeda Council and so is the word PRINCESS. This piggery is where humans have been “caught up” in the false rapture and abducted to be stored away in space. Auriga comes to assist them in this matter.

From Da Vinci:

“Those living *below* will trust him”:

THERE ARE TWO WAYS TO TAKE THIS, ONE OF THEM IS THE FALSE RAPTURE:

- 1) They will trust their president to look out for them when he says it is safe to go to the bunkers (living below)
- 2) They trust in those who say they are from Sirius (Ysus) to ‘catch them up’ (Revelation 4: 1-2. Read Jesus as Ysus)

Looking at the Greek words for “come up” and “caught up” will show that John’s being called up to heaven cannot be an image of the rapture. The word for “come up” in Revelation 4:1 is *anaba* (from *anabainō*) which means:

to rise up from the depths to the heights.” It is used for climbing aboard a ship, mounting a horse or climbing a mountain.<sup>164</sup>

The word for “caught up” in 1 Thessalonians 4:16–17 is *harpagēsometha* (from *harpazō*) which means:

“To take something forcefully” (firmly, quickly or rapaciously). Thus a. “to steal.” b. “To capture in war.” c. With the thought of speed. d. “To take rapaciously.” e. “To take a man by force.”<sup>165</sup>

*Harpagēsometha* has a sense of force that is nonexistent in the word *anaba*. Notice who is taking the action in the two events: In Revelation 4:1–2, John is called to ascend to heaven. The one taking the action is John. In 1 Thessalonians 4:16–17 Jesus takes us forcefully from the earth by His power.

Revelation 4:1–2, John is called to ascend to heaven. The one taking the action is John. In 1 Thessalonians 4:16–17 Jesus takes us forcefully from the earth by His power.

Revelation 4:1–2 is claimed to represent the rapture. However, not a single proponent of this view claims that when Paul was “caught up” to heaven in 2 Corinthians 12:2 this “caught up” represented the rapture! Paul uses the same word “caught up” (*harpagēnta*) as he uses in the his rapture passage of 1 Thessalonians 4:16–17 (*harpagēsometha* – same word, different verb tense). The one performing the action is God in both 2 Corinthians 12:2 and 1 Thessalonians 4:16–17.

If Revelation 4:1–2 was intended to display the rapture, one would expect John to also have used *harpazō*. The word used in Revelation 4 does not fit the action of the rapture and must not be forced into the verses to prove the timing of the rapture.

One final comment that should seal the issue: If John intended to use the word *anabainō* to speak about the rapture, we would expect that he would use the same word for “caught up” in Revelation 12:

And she gave birth to a son, a male child, who is to rule all the nations with a rod of iron; and her child was caught up to God and to His throne.  
(Revelation 12:5)

Looking at the Greek words for “come up” and “caught up” will show that John’s being called up to heaven cannot be an image of the rapture. The word for “come up” in Revelation 4:1 is *anaba* (from *anabainō*) which means: to rise up from the the depths to a height...
