

CENTURY SEVEN THE MISSING QUATRAINS AFTER NUMBER 42
copy also in SIXAINES PART THREE

Of all the twelve centuries which we are aware of, the first ten were published in March 1555, with Century seven having only 42 quatrains published. It seems the rest were hidden within the walls of the home of Nostradamus. Various counts as 51 or 58 found, with only a very small number remaining legible. If the translations made here are the correct ones, then it is easy to see why these were hidden away.

6 100 IN LATIN appeared amongst these “lost” quatrains Qui legent hosce versus, maturé censunte : Prophanum vulgus & inscium ne attractato : Omnesque Astrologi, Blenni, Barbari procul sunt, Qui aliter faxit, is rité sacer esto.	This quatrain appeared in the French in the Centuries and now here in the Latin Who may read these lines, to make active [activate] the centuries Profane vulgar and ignorant not to handle [not to touch]: And all astrologers, the addled, the barbarians[eg Hitler] be kept far away Grant who otherwise advances it to [use the] sacred rite. (triple method)
--	---

“triple method” a cipher which appeared in Letter 32 to Hans Rosenberger. The cipher was indicating the three different ways of finding the keys to unlock the real meaning hidden in the words. These keys are the same which are shown in many vignettes – as a set of keys on a banner indicating to the decoder which key to use when deciphering that vignette or topic. The keys are the Vinca Runes, which include the runic skies; the Celtic Tree zodiac which includes colours and the Alchemye List which includes the decanates. The “*codes within codes*” which is to anagram the Capitalised words found in the quatrains, comes under the entire umbrella of anagrams. This is the reason many town names or personal names appear without a capital letter – because they are not to be coded. See the pdf forum *TRIPLE METHOD* which describes how to interpret the quatrains. It is *NOT* a tripod!

septiesme: the seventh. Here, without the four lines to give indications, it can be taken to mean either Century 7 out of 12 centuries (which there were) with Century 7 being moved/hidden (where these were found, in the wall of the home) With Century 8 once having been there but having been re-moved. Or it can mean the 12 (the Anu with other Off Worlders mentioned in the hidden texts) moving the 7th planet (Earth) of which 8 planets were also previously moved. These would have included Pluto, because Nostradamus speaks of the “demotion” of Pluto using the words DISCREDIT OLD RULE PLUTO in 5 72 1. Currently there are considered to be eight true planets orbiting the sun. This does not include the four of the Nibiru solar system (with their “moons”) supposedly composed of seven all together. So this could also mean that the 12 (Anu) “propel” their “7” too! The last line fits in because of information from Jno Cook (guided there by Nostradamus) saying that the eighth planet (if including Pluto – of which Nostradamus does speak) would be Venus – a planet which was not always where it is according to Jno Cook... In our solar system currently there seems to be twelve true planets including those of Nibiru ~ excluding Pluto.

UNICORN: To many New Agers, it means power, purification, healing, wisdom, self-knowledge, renewal and eternal life. Origin: In the 4th century BC, Greek historian Ctesias told about a wild animal with healing powers and a spiral horn on its forehead. Medieval myths suggested it could only be caught with help from a virgin who would befriend it.

 1) The Bride of Christ or bride, the Lamb's wife is a term used in reference to a group of related verses in the Bible—in the Gospels, Revelation, the Epistles and
 related verses in the Old Testament. Sometimes the Bride is implied through calling Jesus a Bridegroom. For over fifteen hundred years the Church was
 identified as the bride betrothed to Christ. However, there are instances where the interpretation of the usage of bride varies from Church to Church.
 The majority believe it always refers to the Church. Other beliefs include a “Heavenly Mother”[1] or The 144,000 anointed elect OR Bride of Christ is another
 God hidden in the parables of Jesus Christ, not to be revealed until the last day. Pointing to the fact the Bride gives the water of life in Revelation 22:17 and that
 because John 4:10-14 explains that water of life is eternal life, only God can give eternal life. Also, in Jeremiah 2:13 and Revelation 21:6, it is written that God said
 that he is the source of living water. Wiki

2) It has been ingrained in the people, perhaps from birth, that the “bride is the church” or that “we (Christians) are the bride.” Christians hold to the “bride is the church” so strongly that even when they are shown evidence through the Bible that the bride in Revelation is not the church, they fail to believe it.

Let’s take a look at the Bible to see what it says concerning the bride. (Revelation 22:17). When we read this verse we see that the bride is calling someone to “come” and receive water of life. Let’s look at this verse from an objective point of view, as though we are reading it for the first time. Let’s see if the bride that gives water of life is the church. (Revelation 21:9-10). The bride is the wife of the Lamb, the Holy City Jerusalem, coming down out of heaven from God. After reading these two verses do you still think that the bride is the church? The Bible clearly says that the bride is coming down out of heaven. Do you think the church is coming down out of heaven? Are we coming down out of heaven to give ourselves the water of life? Please understand. Who is the Holy City Jerusalem that is coming down out of Heaven? (Galatians 4:26). Our Mother is coming down out of heaven. Our Father’s Bride is Our Mother! Our Father and Mother give us water of life! If we hold to the “bride is the church” or “we are the bride” too strongly, then we will fail to meet God who is calling the people to “come.”

- "Psys" come from another galaxy beyond the Milky Way Galaxy. USAF source doesn't know much about them physically or otherwise, except they landed in Ellicott, Colorado, on October 8, 1983. What happened?
- No details.
- The Psys also landed at Wamaru, (Woomera) Australia. And the Psys might have been involved with Bentwaters, England, events in December 1980?
- MJ-12 does not trust the Psys.
- "EBENs" (extraterrestrial biological entities), also referred to as "Miecon." The EBENs were involved with Ezekiel, Fatima, Christ and other religious events on Earth in an effort to reduce human violence and homogenize human thinking where religious events occurred. (So they say)
- "Bowlas," are 2-foot-tall with pointed ears and big eyes. Scary-looking, but actually mean no harm. From a planet relatively close to our solar system - Alpha Centauri? These were involved in the Hopkinsville, Kentucky, encounter on August 21, 1955.

[Editor's Note: *Wikipedia* - "Alpha Centauri is the closest star system to the Solar System, being only 1.34 parsecs, or 4.37 light years away from our Sun. It's the brightest star in the southern constellation of Centaurus and an established binary star system, Alpha Centauri A and B." Linda Moulton Howe]

"Terains" and "Mongols," are the Oriental-looking Men In Black (MIBs) from another galaxy that have some kind of alliance with the Psys.

- "Cliys," mechanical, skeletal, tall, 6 - 7 feet, from about 60 light-years from our solar system, more intelligent and more powerful than Iconlas? There is a pecking order Out There.

- "Decons," involved in the Betty and Barney case, 1961, White Mountains of New Hampshire.

Ebe 2 said the EBENs knew about fifty* other non-human types in this particular universe, implying the EBENs have knowledge of other universes and other intelligences in those other universes. Strangely, the USAF officer did not know anything about tall humanoid reptilian types that have been encountered by many eyewitnesses, even at noon outdoors on a sunny day.

Bhutan is a land-locked country in the eastern Himalaya Mountains. China is to the north and India to the south.

MJ-12 sent investigators to Bhutan because the country's human blood line is linked to EBEN manipulation of DNA in the Himalayas. Bhutan covers about 16,000 square miles in the eastern Himalaya Mountains between Tibet and India. Its capital is Thimphu. It was one of the most isolated countries on Earth until the early 1960s because the best road into Bhutan was through the Chumbi Valley and the Natu La pass in Tibet. It required several days of difficult travel. As late as the middle of the 20th Century, most Bhutanese (Druk Yul or Land of the Thunder Dragon) lived and worked as they had for centuries.

According to the USAF officer, the Bhutanese DNA experimentation by the EBENs produced the Mayan culture that was transported by aerial craft to the what is known in the modern world as the Yucatan Peninsula region (and beyond in Guatemala, Belize and Mexico, El Salvador and western Honduras.) Recent discoveries of Maya occupation at Cuello in Belize have been carbon dated to around 2600 BC. This level of occupation included monumental structures. The Maya calendar, which is based around the so-called Mesoamerican Long Count calendar, commences on a date equivalent to 11 August, 3114 BC., or nearly 5,125 years ago.

According to the USAF officer, the EBENs removed most of the Mayan "experiment" around 850 A. D. But to where? Another planet? Another galaxy? Another time line? Another dimension? And why?

Few races today have actually remained as pure genetic stock, with the exception of two races which the **Andromedans** say are really genetically clean. That is the **Reptilians from Alpha Draconis**, and the other is what we call, or know as the **Elohim**, which are a very ancient race of humans who survived Lyra.

All other races are a varied degree of hybrid or mixture of races of different genetic stock.

According to the Andromedans, the Greys are training us to fight their war against the Draconians. Just like when our military sends in the infantry and marines, those implanted will be the first ones on the beach. At the same time they are still going about preparing the earth for its new owners. Apparently, the Greys are going to make this attempt, but the inevitable truth is that the Reptilians from Alpha Draconis are on their way here now. And this has very serious implications for us. We have boxed ourselves into a corner and the only way we can change the outcome is that we have to consciously become aware of what our world is really about, what's really going on here.

In the next 10 years, these are the changes we'll be witness to:

1. We will all become telepathic.
2. The Andromedan Council has ordered all extraterrestrial presences on the planet, in the planet, and on the moon to be completely out of our space. They want everything that's ET, benevolent or not, off the planet. This will be very interesting since there are over 1,833 reptilians living in our planet and over 18,000 greys living underground and on the moon. The council would like to see how we will live with each other when we are not being manipulated by ETs, as we have been for the last 5,723+ years.

The following article describes how Jim Sparks asked the Dagon to reveal to him their real countenances... thus displaying that they do have compassion or empathy...

Higher intelligence takes advantage of, and uses, lower intelligence sort of the way we humans use cattle. And with the privilege of use, comes the responsibility of caring. A farmer tends to his animals by feeding them and taking care of their medical needs. If the pasture became contaminated, the farmer would be the first to protect his investments.

- Jim Sparks, Abductee, 1996 Fort Myers Beach, Florida, USA

In 1995, I met a man named Jim Sparks who says he has had completely conscious encounters with "small, grey, drone worker types; taller true aliens or supervisors; and tall reptoids with big, human shaped bodies covered with scaly, reptile skin". Sparks sees himself as an interpreter or translator or at least an elementary grade student in an alien "school". He says he has been forced to learn English letter and number equivalents to alien symbols.

Jim Sparks permitted me to tape record hours of our discussions about his experiences. This chapter emerged from those conversations and his efforts to visualise and write down what has happened for his own book manuscript.¹

After eight years "of being close enough to breathe their rotten egg smelling skin", Sparks thinks he has some insights into the alien agenda, but admits he has "a thousand more questions than answers". He is frustrated that he cannot prove his contacts with alien beings.

Sparks was born to Italian parents on November 15, 1954. The formal name on his birth certificate is Vincent Sparacino. He grew up in southern Florida, graduated from high school and spent a couple of years in a local college studying real estate. He moved on to Houston, Texas, in 1979, and then to North Carolina where he purchased raw land and divided lots for housing construction, but always felt a strong need to preserve the trees at his developments. Happy, married and thriving, by 1988 at age thirty four, Sparks suddenly came face to face with other beings from other worlds.

Sparks at first thought he had lost his mind. He says he was kept totally conscious through most of the interactions, including the agony of being "pulled" from his bed at night to a craft.

"I'm usually pulled the same way, which I call the 'hard way', and it's completely physical. My whole body is taken. The first thing I hear is a low pitched, whirling sound in my head, like a whip going around in the air. This is usually after I go to bed and am asleep. Normally for me, it's 3.30 am in the early morning. I don't know why. I wake up from my natural sleep, and then there's the whirling sensation in the pit of my stomach and it feels like it's coming up into my chest. When it gets up to my heart area, my heart starts beating fast, just racing in my head and the whirling sound starts picking up rpm and is tremendously loud. It starts low and rises in pitch and screams in your head. The fear is like you're going to die.

Your heart is racing a million miles an hour and then you get this acceleration feeling, but I always feel like I'm being pulled down; I never feel like I'm being pulled up. It's like I go down a rollercoaster, only a hundred times faster and whom, you black out and you're there, wherever it is you're going to be, usually on board a craft."

Sparks told me why he thinks that most of the time he is actually "pulled" physically from bed and literally moved through the walls or ceiling as other abductees have also described.

"It's their technology. I know the aliens rely heavily on a created field. This field produces several things: the ability to be invisible, the ability to work in one dimension and be partially in another and the ability to move us poor humans through solid matter.

"How exactly it works, I don't know. But I know it's a field. When the field is in action, you can feel it, you can sense it; you almost feel like you are a magnet or static electricity. It takes a wall as you would normally see it and makes it transparent. You walk right through it. So, it's a field that somehow separates molecules, changes your physiology when you're in it."

I asked Sparks if he has been awake and conscious while actually seeing doors and walls become transparent.

"Only rarely. And it freaked me out. Most of the time I black out before that moment and then I'm on board the craft. I know this all sounds weird as hell, but I'm doing the best I can under very bizarre circumstances not to be scared to death, not to be intimidated, and to figure out what these bastards are up to. And I know that their technology renders different ways of transport and one is the 'hard way' and I'm there in the flesh, not out of body!"

In early 1995, Jim Sparks had an abduction experience that changed him forever, he says and left him obsessed with saving the rainforests and stopping the human slashing and burning by fire that is destroying them. This experience, excerpted here with Jim's permission, is puzzling because yet another alien type is introduced. These reptilian entities also provoke questions about a possible connection to viper references in Enoch of the Dead Sea Scrolls and the Book of Genesis in the Bible.

Jim Sparks' encounter with reptilian humanoids, their warning and possible agenda, follows:

"The pulling started the usual way with a low pitched, whirling sound only this time, it didn't speed up as fast or get as loud and it was more gentle. I was paralyzed again, but I momentarily regained consciousness before the final transport sequence was complete and I could see where I was going. That was a first!

"As my eyes opened, I saw that I was at least a thousand feet above the ground and slowly descending. Below me was an abandoned carnival park. I was floating over a large, old fashioned wooden rollercoaster and I wasn't scared! I was calm and relaxed, and the ride was so gentle I was actually enjoying it.

"When I was twenty or thirty feet from the ground, I started to slowly rock back and forth several times like a pendulum almost like I was being guided to a target and this was the final adjustment. Then I saw the profiles of about a dozen large creatures standing in a semi circle. Although it was night, I could make out the shapes of their body size and they were large, even by human standards. A few inches from the ground, I blacked out.

"As I began to regain consciousness, I was standing and heard telepathically, loud and clear:

'We would have given it to you, but we knew it wouldn't have meant anything unless you earned it. It was the only way you could possibly understand what you have been a part of and what you have to do.'

"I now know the 'it' was knowledge. I was clear headed and wide awake conscious. There were twelve large, humanoid creatures standing in almost a complete circle in which I was a part. The creatures appeared to be at least six feet tall. All of them had their heads turned towards the alien who was standing to my immediate left.

"The only apparent light source was on the face of this creature, like a hologram of a human face superimposed and glowing over the alien's face [Howe's emphasis]. It was radiating light and this was done to disguise his true appearance. He had done this to make me feel less apprehensive. The creatures didn't take into consideration that as this holographic face spoke and moved its lips, there was no audible sound.

"The voice being communicated telepathically was out of sync with the lips! Plus, the face was obviously a hologram because it was slightly off centre from the body. But it worked, nonetheless, because I wasn't scared.

"As the reptoids transmitted telepathically, I noticed that each alien seemed to be concentrating its thoughts to the creature on my left. One thing for sure: they were of one mind and it said:

'There are some things you need to understand. Yes, it's true that we have been in contact with your government leaders and heads of power. It is also true that agreements have been made and kept secret from your people. It is also true that, in the past, some of your people have lost their lives or have been badly hurt to protect this secret. Our hands had no part in this.

'We contacted your leaders because your planet is in grave trouble. Your leaders said the vast majority of your population wasn't ready for anything like us yet, so we made time agreements with your leaders as to when your people would be made aware of our presence. This part of the agreement has not at all been kept.

'It was also agreed that, in the meantime, steps would be taken to correct the environmental condition of your planet with our advice and technology. We say advice, because we respect the fact that this is your planet, not ours. Your government also broke this agreement.'

"I felt an awful emotion of abandonment from these aliens. They are different. I never sensed true emotion from the other aliens before. But the feeling wasn't at all good. It felt like great loss. I couldn't help asking, 'You aren't giving up on us, are you?'

"There was a long pause of silence and I had a strong feeling of tremendous loss. So I asked again, 'Well, are you?' There was another long pause.

"Then finally:

'No. We are now concentrating our energy on the average person. Your air and your water are contaminated. Your forests, jungles, trees and plant life are dying. There are several breaks in your food chain. You have an amount of nuclear and biological weapons which include nuclear and biological contamination. Your planet is overpopulated. Warning: It is almost to the point of being too late unless your people act now. There are better ways of deriving your energy and food needs without causing your planet any damage. Those in power are aware of this and have the capability to put these methods into worldwide use.'

"I asked, 'Why aren't we doing it now?' There was silence and the whole thing was so strange because I could see that the whole group was thinking and speaking its mind at one time. It felt good because I was a participant in an honest to goodness meeting! The best part was that for the first time I was getting direct answers to my questions. 'Why aren't we putting these new methods into use now?'

'Those in power view it [technology for clean energy and abundant food] as a military and security threat.'

"Then I got angry as hell and said, 'You mean to tell me our people in power have the ability to save and better this planet and they aren't doing it?' The thought that technology was being held back from the public because of paranoia and greed outraged me and the aliens saw my anger. But was it true! 'Amnesty.'

"What do you mean?"

'Complete amnesty. To those in power, the governments and the leaders who have been suppressing the truth. They can't be held liable for any past wrong deeds. It is the only way these leaders can come forward with the truth. It is necessary that you do this in order to work together and survive.'

"There was silence for a while, as if they wanted me to think about what was just said. This was a hard truth to swallow. If anybody had a good reason to hate their government for covering up this information, it was me and others like me. Most abductees still consider themselves victims who constantly suffer ridicule. When your own government's policy is to say 'You're just plain crazy', it only deepens the pain.

"But this is a time when intelligence should rule over emotions. So I asked, 'How do I fit in all this? What can I possibly do?'

'What you are doing already. We will share much more knowledge with you in the future. Although you understand a lot, we will show you much more. Continue to work with people that come to you. We are aware of the small groups that are forming around the world. These are people who are prepared to learn and we consider them the core. Most important is the condition of your planet. The first step in solving this serious problem is amnesty. We have advice. You will receive more knowledge in the near future.'

"As this was going on, it started to rain. I mean, it was pouring! The creatures didn't even budge or try to get out from under it. They didn't have to: we weren't getting wet. Although we were standing completely outdoors with no roof, not one drop of rain touched us. I guess we were being protected by some sort of electric field. I could

hear drops as they fell, but there was a clear, detectable line [around us] between rainfall and no rainfall. Then they said:

'It's time to go.'

"A thought flashed into my mind. 'Wait, please! I have a request. I want to see what you look like.' I'll never forget their response as long as I live:

'It will strike fear in your heart.'

"I answered, 'It won't scare me so much if you don't stand there and stare at me. It would help if you would just wave at me. Just don't stare. Promise me you'll wave.'

"Now I can't believe how stupid that request was. I had, in the flesh, face to face, probably some of the most intelligent creatures from the far reaches of the galaxy, with answers that have been plaguing mankind since the dawn of time. And what did I say? 'Could you wave at me?'

"The strangest thing started to take place. A spinning white light with a hint of green began to radiate over their faces and upper bodies, all dozen of them. The intensity of the light slowly got brighter and it was radiating from no direct or detectable source. I could see they were huge. Their upper torso was strong, with huge shoulders and a thick, strong neck like football linebackers.

As the light became brighter and details clearer, fear and shock zapped through me.

"I said, 'You have scales!' Their faces looked like a cross between a lizard and a snake nothing at all like the little grey guys. Their eyes were small like ours, only diamond shaped and the pupils were a red colour. Their heads were in normal proportion with their bodies, but bigger than ours. The skull looked like their brains stuck out over their foreheads, covered by skin. This feature was slightly different among all dozen of them.

"I said in a scared whimper, 'You promised to wave.' And each and every one of them slowly lifted their arms and waved in front of their faces. Their hands were huge with thick, club like fingers, too thick to work fine instruments. But you have to keep in mind that their technology is thought activated.

"I stood there and stared at them for a while in silence, absorbing this spectacular sight. Their message kept running through my mind. I was sure that my country has been involved with aliens. Most Americans believe there's been a cover up. But what really got to me was the message about the poor condition of our planet! Then I felt the acceleration pull and blacked out.

"I understood better their nature and agenda. They are neither benevolent nor evil. They have been among us in secret for thousands of years, maybe longer. But the length of time isn't as much the issue as why they have been among us. I believe they have been farming us for raw materials.

"We humans have been a self perpetuating crop, a crop that doesn't need much tending and continues to reproduce, at least up to now and all the Earth problems. Thank goodness they don't kill us; they just use us. This system has worked well for the aliens for a long time. But now there's a problem and their investment is in trouble. They have spent a lot of time, travel and effort to farm us. But we are on an almost irreversible path of self destruction.

Nuclear and biological weapons and their waste have polluted the air, land and water. Forests, jungles and trees are being cut down or are dying. Now there are breakdowns in the food chain and the rest of the food chain is contaminated. Over population, disease and viruses beyond our grasp, with new and more complicated illnesses cropping up every day. These are just a few of the problems we humans have created.

"Most of us are blind or numb to this reality because we can still go to the grocer and buy food. We can go to work and back and not see this death and dying. All seems almost normal. But if we environmentally destroy ourselves, the aliens still have an excellent insurance policy. They've been collecting seeds from plants, animals and humans. Through semen and ova extraction, the aliens can start us or other Earth life, all over again, here or somewhere else."

Echoing the Jim Sparks experience, the major concern expressed by abductee Anna Hayes in Voyagers, The Sleeping Abductees ² was competition and conflict among non human intelligences over Earth life and their employment of the same sophisticated technologies to manipulate, deceive and inspire.

"Just as the original creators of the human prototype desired to see the fulfilment of our species as guardians of the Earth, there also exist forces of great power that do not wish this plan to succeed. If humans are able to fulfil their evolutionary blueprint, the Earth and many other reality fields will no longer be free for exploitation."

Hayes stressed that if humans had truth about their extra-terrestrial genetic connection and understood how many outsiders have taken advantage of human ignorance and used sophisticated technologies to manipulate and deceive for their gain, the human family could change and evolve in strength, not weakness.

In conversation, she told me: "Both negative and positive agendas are producing hybrids and androids and both sides are emphasising the need to save the Earth's environment for their various vested interests. Guardian aliens are promoting healing the planet, but the negative groups are also trying to 'help the planet' by offering new technologies so they can have a clean place to take over. I understand the negative ones have had time agreements with the US Government about introducing their species to humans.

"Lately, I think the negative ones have told the government they will introduce themselves to the public if the government does not. So, the government is supposedly setting the stage to introduce the negative ones, and

the negative aliens are planning to help the government 'clear its reputation' by staging false events with holographic inserts. Human minds won't be able to tell what's real and what's not."

Whatever we ultimately learn about the truth in these highly strange cases in which dire warnings are given to humans about the Earth's future, the fact is that, by the fall of 1997, Jim Sparks was still pretty much in the same place he had been after the carnival park meeting. He had no specific instructions about how to carry out his "mission" to save the environment and to move the US Government towards amnesty for all military and intelligence people who had signed oaths of secrecy about UFO related matters.

However, Sparks had a night time visitation by one of the little grey "drones". He said he woke up and was conscious of "the little guy" standing at the foot of his bed. Then he got a clear mental picture of Rome burning and then a rainforest burning, along with the strong telepathic communication, "You must put out the fire!"

Jim is confused about the association between Rome burning and the rainforest destruction, but says he wants to do something to save trees:

"Linda, I need to get better known in order to have influence. I want to get to a situation where I can speak publicly so I can talk about the rainforest problems and other issues facing the Earth's environment."

But meanwhile, Jim, every second of every day, the forests are on fire.

"That's right."

So what is being accomplished? Have you contacted groups that are already trying to save the rainforests and joined up with them?

"No. I have always cared about what happens to the Earth, but I've never got myself involved with any groups. This is something new to me. What am I going to say? I'm being advised by ETs?"

What details did the reptoids give about air and water damage?

"They didn't give me exact details. They told me that we've got problems with the air and water and food chain. I was told [in March 1995] that we've got about a decade to turn this thing around. Not that the world will end. But there will be problems in reversing all the damage. And the reptoids said someone in political power already has this knowledge and technology and [they] are hoarding it for security and defence reasons. And probably for greed, too.

"Those Black Budget Boys aren't coming forth with the truth because their asses are on the line. They've got all the secret organisations out there who have taken advantage of this knowledge while everything else goes to hell. That's why the amnesty thing makes sense. Then the BBB guys can tell the truth finally about alien contact, getting alien technology, making money from it and even maiming and killing people to protect that secret. With amnesty, they can come forward with the truth and won't be prosecuted."

Jim, if there is urgency, why would the aliens go to you when you have no resources to make radical changes?

"Maybe it isn't just Jim Sparks. It could be a million other abductees, too, for all I know. Maybe all of us are going to do something at the same time. It's a very complicated thing. I wish I had the power today to go down to South America and Malaysia and snuff the fires out. I don't. I know there are organisations like Greenpeace and the Sierra Club and Save the Rainforests, but have they stopped things, either?"

Jim, what happens if there's no change in the status quo?

"I think the aliens want to do this with our help. But if that doesn't work, I think they are going to intervene. They use a minimal amount of energy to get the most work done. I think that if they can interact with individuals on this planet, give advice, give technology, show ways of doing things that are better for survival, they'll do that first."

But why? What's in it for the aliens?

"The same thing they've been doing with us for the past several thousand years.

Which is?

"They farm us. They clone us. They make organs from us and all kinds of stuff. I'm not saying they are wonderful, benevolent beings coming down here to save the Earth. Bullshit! They have their own self interests."

So, Jim, they want to preserve the Earth so they can continue to harvest DNA from certain bloodlines?

"Yeah. I think the Earth will be fine, eventually. But humans might not be able to live on it.
You need a certain percentage of oxygen to breathe."

You mean the aliens are trying to get their 'crop' to stop self destructing, so they can keep harvesting what they need.

"That's right. And remember, Linda, when this stuff started happening, I didn't ask for it. And not only did I not ask for it, I didn't want anything to do with it."

SUMMARY OF ZETA PROPHECIES WHICH HAVE FAILED

"THIS IS NOT ABOUT EGO, THIS IS ABOUT TRUTH" Dr Martin Elvis –
who advocates the ZETAS

The so called ZETA TALK forum that they are always saying on Facebook
"everything they (ZETAS) said has come true"
is utter and absolute bullcrap – here is a collection of their "predictions"
NONE OF WHICH HAS COME TRUE!!!

POLE SHIFT FEB 6 2010. 2012 or 2017
ZETATALK ALIENSHIFT believes that coming Pole Shift on Feb- 6-2010
will be the best thing for our planet at this time.
Alienshift believes the Professor Sitchin theory of every 3657 years
[give and take] of returning of planet X and Pole Shift is wrong
and incorrect – the number is every 12500 years.
The last Pole Shifts were during Atlantis and Noah.
SEVERAL POSTINGS AND MANY TIMES THIS STATEMENT WAS REVERSED
TO READ THE AVERAGE mean of 3,600 YEARS

"Many scientists believe The Flood occurred, 11,000 BC. Most Biblical
scholars place the great flood around 5200 BC, another passing of Nibiru.
(Hereby contradicting what they said earlier about the cycle of Nibiru)

ZETATALK ALIENSHIFT Believes:
Pole Shift will start on Feb 6-2012

Here is why:

1-Mayan calendar ends at 2012
QUITE SO – THE DAYS HAVE BEEN CUT SHORT BY 40 MINUTES,
SO NEW CALENDARS WILL BE NEEDED

2-Al Bielak Survival of many Shadow GOV projects mentions about 2012
in his 1990 Vegas Speech.
DID NOT HAPPEN

3-Nostradamus prediction pole shift that it will be at the time of the
Anti Christ World Movement and how the Shift will destroy him with a
Tidal Wave in Italy. IN WHAT QUATRAIN?

ALIENSHIFT believes that we all will shift to fourth Dimension.
That is why Al Bielak could not see any one on the earth in 3rd Dimension.
Nibiru was said to be slightly smaller than Jupiter, which would be a
massive and visible object as it passed earth.
SAID BY WHOM?

Assuming that 2012 AD will be the Passing of The Comet Planet (which Nostradamus wrote of), we now see an Amazing pattern emerge.
NOSTRADAMUS *NEVER* WROTE THIS

It is possible that these gods were actually Extra-Terrestrials.
Whether Aliens or Demonic Spirits, they had advanced knowledge of our universe and 2012 AD is probably the DATE when NIBIRU, the Comet Planet again will pass earth.

Saddam would have acquired Nuclear Weapons before the year 2012 AD.
At a time of global chaos and panic, Saddam could have taken advantage of the situation to hit the USA and Israel with nuclear missiles.
YET THEY NEVER PREDICTED THE CAPTURE AND HANGING OF HUSSEIN IN 2006

“Australia has been affected even before the eating away of the coastline started, as the entire western half appears to be under water.”

*THEREFORE PERTH IS NOT SAFE, BUT SEE THEIR CHART LAST PARAGRAPHS
WHERE IT SAYS BOTH PERTH AND WESTERN AUSTRALIA ARE SAFE*

The first pass will occur, by our calculations, early in the year 2003.
All the cataclysms expected will occur during this pass - tidal waves, earthquakes of a magnitude 15 Richter point, and a cloud of volcanic dust that will make the atmosphere dense as dusk for decades.

A second pass will occur some 7 or more years later, approximately 2011.

“We have stated that Planet X will be visible in the daytime sky, 7 weeks before passage. Given that we have stated that passage is shortly after May 15, 2003, as at this time those wanting to survive should be AT their safe locations, this is putting the visibility into the last week of March at the earliest. We have stated that the Planet X complex, the planet body itself and its immediate cloud of dust and moons, will appear not larger than the Moon upon passage. As can be seen from the recent imaging, starting with Dec. 13-14 images and quite obvious in the Dec. 27-28 images, the swirls of moons are far outside of the immediate area of the Planet X body. Thus, upon passage the object seen as not larger than the moon is the Planet X body and close hugging dust cloud and moons, but the swirls trail back, some 5 million miles behind the Planet X body, in individual swirls that dance around each other. As this is still coming dead on, during this time, it will appear to be wafting to one side or the other, or overlapping as was seen on the Dec. 28th images, with the motion taking the form of a fire dragon in the skies, to the ancients. Now, what will this look like *early* in the 7 week period? Certainly not like the Moon, nor a fire dragon.

THIS INFORMATION FROM THE ZETAS IS QUITE MISLEADING

“2004 - the same year that a cargo plane bound for Anchorage, Alaska, had a UFO as an escort for several hours. Data relating to the episode, in the form of a transcript and air-to-tower recording, was freely available for 10 or 20 bucks.

It was on the back of this story that there appeared the weirdest newspaper ad I’d ever seen.

On page three of the Los Angeles Times was the face of an alien with what looked like light blasting out of its mouth. One penetrating eye was visible.

The caption read “I am not of this world – listen to me!”

There was a post box address to which one could write for more information.

A package arrived within days. It concerned the ‘**Elohim**’, aliens said to resemble the subjects of the Santilli ‘alien autopsy’ footage*. Curiously, there was no mention of the Raelians, (Ray El) whose leader Rael claimed to have actually met these Elohim. Instead, there was Eugenio Siragusa, an obscure contactee from the slopes of Mt Etna, with his quips from beyond. There were bizarre photographs, supposedly taken by aliens when Jesus was still alive. And there was an invitation to a lecture. Eris Andys

‘alien autopsy’ footage. Of the J-Rods killed in the Roswell crash, described by Nostradamus to be the same which was his assistant in the stage gate

When I see this type of parallel information to that which appears in the Hidden Texts, I have to accept it as fact

Here, the article is speaking about the J-Rod/He Rod of Dan Burisch and notice the way Elohim is spelt, the same way Nostradamus spells it. Also the omission of “Lord” Ray El is quite telling too...

It goes on to say:

“Upstairs in an industrial park rent-a-building in Silverlake, California, an event occurred which must have changed some lives. Not many, admittedly, as the mysterious ad had attracted perhaps 50 people. What made the whole thing so very odd was the fact that the one-off ‘indoctrination’ which the lecture turned out to be was conducted by a serving US Air Force Colonel named McKenna. He conducted the talk in uniform, telling us that the Earth was being visited by some dozen different species of extra-terrestrial life – one of which, apparently, regards us as food.

The Elohim, according to thousands who believe in them, [can] look just like us; to pass for high street shoppers, all they would need is a hat, a long coat, mittens and glasses to conceal their eyes.

Later that year I was strolling down just such a high street, a world away from Silverlake, when I suddenly felt I should stop. I turned, and there, directly behind me, was one of them – an Elohim.

It just stood there, with no “excuse me”, no attempt to get around me. Its skin was a waxy grey, with no pores and no hair. It looked damp. The mouth was small, the nose tiny, and the chin pointed.

I was stunned. For years, I debated with myself whether to tell anyone about the incident. And then, going over the Siragusa materials, I spotted something:

“And those who, on your planet, *represent us*, are scrupulously followed and protected.”
