### [Mega Tsunami To Hit USA Soon, Multiple Prophecies](#) Before It's News

SEE THE "ADRAIN interview Sean Paul Morton" & NOTE 10 92 4 "VERMONT towards CHILE"

FROM NOSTRADAMUS, NOW NOTE ALL THE PLACES "EAST OF BERMUDA" AS ADRAIN SAID TO SHAUN MORTON

1 26

*Le grand du fouldre tombe d'heure diurne  
Mal et predict par porteur postulaire  
Suivant presage tombe d'heure nocturne,  
Conflict Reims Londres Etrusque pestifere.*

The great thunderbolt will strike down in the daytime hours  
An evil deed, (*in the Epistle*) foretold by the bearer of a petition...  
(*Nostradamus petitioned King Henri*) "deed" is the aimed asteroid  
According to the prediction another falls at night time (asteroid)  
Collision at Reims, London, and pestilence in Tuscany

Falling separately, one asteroid before sunset and one after. "Pestifere" is plague stricken

1 30

*La nef estrange par le tourment marin  
Abourdera pres de port incogneu  
Nonobstant signes de rameau palmerin  
Apres mort pille bon avis tard venu.*

Because of ocean chaos the alien ships  
..... [is this the "Adrain" event? The Caribbean Tsunami]  
will approach an unknown port. [a mother ship?]  
Notwithstanding the signs of the palm branches,  
(signs of peace) indicates the Caribbean too  
afterwards there is death and pillage. Good advice comes too late.

Although 1 30 does not mention March or April – much of what it DOES say is foreboding. In essence it is another false rapture warning – the key words being "notwithstanding the signs of peace (palm branches)". The reason for this being simply that the Other Worlders who do the false rapture are shape shifters, and will appear to be the Nordic types. They will appear in 'hordes' of craft and will say they are from the Pleiades. There are other lines which point to the Caribbean event being in this time frame. It seems to be the "Vermont to Chile" asteroid ... the 'good advice' is here This is described in an interview with "Adrain" by Sean Morton. Consistently in my 'collection' of Adrain research is the date of the March equinox, then Easter (ten days later) then May through to June 9<sup>th</sup>.

*incogneu : is the clue – this means 'in disguise' and 'port' of course always means « gate way » or 'carried away'*

Ninth Century Contactees

The Comte recounts a series of unusual events that occurred in the Ninth Century, during the reign of Pépin and Charlemagne. A cabalist named Zedechias had convinced the Elementals to show themselves to humanity. "These beings were seen in the Air in human form, sometimes in battle array marching in good order, halting under arms, or encamped beneath magnificent tents. Sometimes on wonderfully constructed aerial ships, whose flying squadrons roved at the will of the winds." [Val Valerian](#) "Unfortunately, the superstitious populace perceived this as a trick of the devil. In an attempt to correct this perception, the Elementals abducted selected individuals from each community to bear witness to their idyllic republic. But when these contactees were returned, they were seen descending from the skies, and people took them to be evil sorcerers. Hundreds were captured, tortured, and killed.  
In this account we see similarities to the 1950s contactee phenomenon. Otherworldly beings abduct certain individuals and show them their world before returning them to testify what they have seen. This tends to backfire, the only difference being that modern contactees were treated with ridicule instead of physical flames.

FERDINAND “THE FAIR” is the key for this Tall Blond man of the Cassiopeian-~~AS~~-Andromeda Council mandate.

THE SYNTHETIC female comes in blonde as well.

She whose hair has been analysed for DNA to contain mongoloid-Basque-Asian origins.

Those of PROCYON (the “happy ones”) also perform tasks for the Andromeda Council

## ARE THE GERMANS DESCENDANTS OF NORDIC ALIENS?

(Nordic is generic – see following page)

A book written by a German American, Reinhold Schmidt, claims that the author was taken up in a UFO on several occasions. The crew spoke German and he was taken to the South Pole. The Americans forced him into silence. The UFO matched at least 2 German designs. The crew leader claimed he was **from Saturn**.

It could be that Germans along with the Nordic nations are descendants of Nordic ETs, as contactees have said that **Pleiadians** have confirmed this. There was also a story of a German woman who was getting abducted and the ETs spoke German\*, and they claimed that they had a space station outside our solar system and were the German gods as mentioned in German legends.

Blond blue eyed giants are spoken of in Nordic, Incan, Aztec and North American legends.

Perhaps the Germans did originate from Agartha as the Nazis believed and before that from another planetary system.

The Nordic Pleiadians are said to be blood type A- and apparently Hitler was attempting to eliminate all blood types except type A which is genetically Nordic.

## TECHNOREALITIES: The Fake Second Coming

By Christi Verismo. Part 13 of 16.

Dr. James Hurtak was involved in using ground penetrating radar to find a 15,000 year old subterranean complex under the pyramid at Giza, a legacy of Atlantis.

It's rumoured he encountered “**THOTH**” (OF THE ANU) down there.

There were massive chambers the size of our largest cathedrals. Paul White writes that hi-tech Flood survivors of the previous civilization arose "after the dust settled" to become the gods of ancient Sumer, Egypt and India.

Tunnels under the Mayan pyramids extend 800 km across the country.

Brotherhood' will 'Externalize' and appear as our 'Masters'.

**12** specially created artificial time portals have been created by aliens and human hyperdimensional physicists to enable the chosen few to escape the wrath coming to earth which will kill the masses, which according to him will be through **solar flares and diseases**.

The number 12 is a foundation numeral for what we call the Anun.nakim, possibly due to their six fingers & toes

From Linda Porter interview Linda Moulton Howe

The EBEN craft in Earth skies are called “bathtubs” by human agents because the EBEN craft are egg-shaped and put down “bent legs” that remind some people of antique bathtubs that rested on ornate, angled legs.

In contrast, the blond humanoids’ ships are shaped more like upside down pie plates with three “balls” placed in a triangle pattern on the bottom of the blond “Nordic, or Swede,” craft.

EBEN craft and technology are described as so advanced that the best human scientists at Los Alamos cannot grasp the technologies. Travel is inter-dimensional.

According to Ebe, there are at least fourteen different dimensions. Two of those dimensions, the human mind might be able to relate to, but humans would not be able to relate to the other twelve dimensions.

The December 1980 Cash-Landrum craft is supposed to be one set down at Hill AFB, Utah, in 1953 as a “gift” by EBENs.

The advanced craft was left powered up, but scientists have been trying to figure out how to make it work ever since.

The egg-shaped scout craft which produce flame and scorch plants.

The landing leg supports leave deep impressions of a triangle pattern in the soil.

# MAKING THESE THE ONLY CRAFT WE CAN TRUST? THERE ARE OTHERS WHICH ARE TRUSTWORTHY, BUT WHICH ARE THE SAME SHAPE AS THOSE WHICH ARE NOT

The tall blond humanoids from Procyon and the short gray humanoids from Rigel have been enemies for thousands of years. The tall Blonds from Procyon have a benign attitude toward humanity, except for their strong disapproval of our inhumanity to each other. This strong disapproval is further intensified by our government having made a secret alliance with their hereditary enemies, in order to obtain even more destructive weapons systems than those already in existence. Our 'government' is not interested in negotiating with the Procyonians, as they would not provide us with weapon systems...

In order to extricate ourselves from the covert alliance the CIA (Al Kaida – Ursa Major)  
(and their Nazi SS predecessors. - Branton)

had made with Rigel, without our knowledge or consent, we must first regain control of our government...

"Yes, you must try to regain control of your government, but if so much as one individual involved in this process has not first gained control of his or her selfhood, it will be for naught. One can never defeat or gain control of anything but oneself. Those destined to ouster the Rigelians must always keep track of the state of their selfhood, and learn first to defeat within themselves the essence of that which is tyranny"

To add to that, there will be series after series of 'natural' disasters, some genuinely natural, some human-induced through aberrant scientific activities such as underground nuclear testing, others deliberately induced by the *Grays* through the (Scaler-type? - Branton) technology they are in possession of. When approximately three-quarters of the planet's population has been eliminated in this fashion, the *Grays* can then make an overt appearance as saviours from the skies, distributing food and medicine to the survivors. As the survivors line up to receive their quotas of food and medicine, implants will be inserted, supposedly to aid in further food distribution, actually to guarantee complete Gray control with no possibility of rebellion ...One individual who worked on such a chip stated that the implant would decay after a certain period of time, at which point a toxic virus would be released into the bloodstream of those who had received it, eventually killing the person and effecting a type of automatic "population control" for the electronically-controlled society. – (Branton).

"The Nordics will not intervene in the fate of this planet".  
(see 9 35 below) See summary showing how many "Nordics" there are

"But a cleansing will take place which is absolutely essential to the health of Mother Earth and all its residents".

"This action is essential to the survival of the human race. I am just one of many messengers. Those people taken will cruise around the galaxy and 'time dilation' will figure into the equation. I do not see this as a negative event or doom and gloom. It is part of the infinite."

This may be the same message which Adrain (that is how it was spelled) of the Sean Morton Interview spoke.

The difference being that his tsunami comes from the Caribbean and travels over LA and up to the Great Lakes – so maybe it is another one.

A remote viewer says there is a big one due first week of June affecting Mt Kilimanjaro - which is a couple hundred miles inland. The same which goes over the road on the Sydney Harbour bridge (49 metres high).

### **Before Its News 1 Mile Wide Asteroid Heading Towards Earth**

[\(Before It's News\)](#)

My alien, online contacts, Hagel and Valugua have sent me an email confirming there is a 1 mile wide asteroid heading towards earth. The asteroid is traveling at 17% of the speed of light and Hagel and Valugua estimated the asteroid will hit the Yellowstone super volcano causing a massive eruption. They had said the asteroid should hit in a week or two. The last thing Hagel and Valugua mentioned is after Yellowstone erupts, the ash and debris will darken the sky causing an ice age.

#### HIDDENTEXTOR

Well – normally I do not buy into this kind of up front weirdness. Unfortunately I have experienced this type of strangeness myself in the last three years.

It would not surprise me if there are a very large number of people out there in the same position, but too much coward DNA prevents them from coming forward.

I am doing so because those mile sized space craft DID arrive last October...

They are parked around the sun right now – there is a huge bevy of videos for anyone who can spell to go and look at.

Just type into your computer these words STRANGE OBJECTS NEAR THE SUN.

That is a good start.

There are at least six different styled craft around the sun right now.

Four of them are here for more unpleasant reasons

Two are here to assist us

One of those two holds a trump card.

I guess you now want me to back up what I write.

I will do my best...

Try going to the free for all web site here

<http://www.hiddentextSofnostradamus.com>

then go to the pdf forum titled EVENTS PROVEN TRUE

where at least 26 events in the past three years which

WERE PUBLISHED PRIOR TO THAT EPISODE have come true.

and that does not include many personal occurrences to my own self – no doubt done for the DEMONSTRANCE

for the demonstration (I wonder why the word 'demon' is within that word)

then go for a troll and read what interests you

Then, after you have had a look at what is orbiting our sun, and after you have had a look at EVENTS PROVEN TRUE – to answer one of the questions here – an attempt anyway – drawing on the hidden texts and what remote viewers working for the army have

seen... dangerous times commence and continue from May 12/15, with the first week in June being a doozy tsunami-wise

There is slated an asteroid VERMONT towards CHILE (or Chile to Vermont, but the Adrain Interview says something big lands in the Caribbean area -)

and another to do some damage to the Sudan

No dates were given for the Iraq/Sudan to Rome one/s could be anytime up to 3797

Actually, no year was given for the May one either

---

Dear Dhabs (who doubts aliens would use a computer) First: we are made in THEIR image therefore THEY look like us (certain ones anyway)

Second: Might I suggest you research the CHANI PROJECT... an accidental event which lasted ten years;

or you can see a shorter version titled CHANI & Nostradamus (an abductee himself) Who do you think it was that gave us computers in the first place!

Where do you think transistor, teflon, fibre optics CDs and now invisibility suits derived from?

### 6 66 1: FATE: Woven on a loom:

The horizontal threads (the woof, can be changed) are woven (as “destiny”) in layers along the vertical threads (the warp, which can’t be changed).

The horizontal threads represent layers of future actions. They *become* the “pattern”.

The vertical threads (verticals are “fixed” as in fate) represent a time line, past and present to the end.

The colours of each horizontal thread as it is woven in, will be the experiences created by a decision to keep or to alter a destiny. . .

The heavy landing of this object has left a trail along the ground... on the Baltic sea floor

Professional diver Stefan Høgerborn, part of the Ocean X team which is exploring the anomaly, said some of the team's cameras and the team's satellite phone would refuse to work when directly above the object, and would only work once they had sailed away. He is quoted as saying: 'Anything electric out there - and the satellite phone as well - stopped working when we were above the object. 'And then we got away about 200 meters and it turned on again, and when we got back over the object it didn't work.'
