

## ORNAMENT OF HIS TIME

3.94

For five hundred years more one will keep count of him  
Who was the ornament of his time:  
Then suddenly great light will he give,  
throughout this century the very suppressed returns

From 1555 (the publication date) add 458\* = 2013  
ORNAMENT = 3<sup>rd</sup> decan Libra: "Dan" obs. Scorpio

**\*458AD is the year that mathematically "O" was published as a numeral. Nostradamus used that year as his code to be added to dates. Allan UUebber explains how he came to this conclusion in "Fossickers Guide to Nostradamus"**

By using the obsolete key words, (available to anyone from and without any fudging; other than not being certain to use the numeral "0" or the numeral "1" as the first 'count', near the end of October in the year 2013 is re-iterated here, as it is in the Hidden Texts in C1 Q7!

Here is the word "Ornament" meaning Nostradamus himself, which is also the "D'Ament" in 1 42

"seeking the gold of Nostradamus and Psellus". Michael Psellus *Chronographia* 976AD to 1077AD

In which he speaks of quantum physics (at #36) and their implications.

The Alchemye list key word "Ornament" also means in October

The "very suppressed return/s" is that of the Second Coming of the Mazzaroth – where we are told in 5 83

There are at least six different and very large objects orbiting our sun right now

The following is an update on a quatrain

\*A **dryad** (Δρυάδες, sing.: Δρυάς) is a **tree nymph**, that is a female spirit of a tree, in **Greek mythology**. In Greek *drys* signifies "oak". Thus, dryads are specifically the **nymphs** of **oak** trees.

Thus saying those who use stage gates (Oak) have been doing the informing. Not only that, but the information stems from *trees* – in this case *Celtic tree zodiacs*.

\*\* DAN is in Scorpio – here are references Friday to Monday. Since Thursday is the main event in many other lines and in the quatrains (Halloween in many Nostradamus lines followed by All Saints according to Da Vinci)

then it makes sense this is the first Friday in Scorpio, and the first Monday.

In 2014 Halloween Eve is Thursday with Friday as Halloween, All Saints and All Souls are Saturday and Sunday – then Monday

In 2015 Friday and Saturday are Halloween, with Sunday and Monday All Saints and All Souls.

In 2016 Sunday and Monday are Halloween so that does not fit.

\*\*\***In 2013 Halloween is on the Thursday, All Saints is November 1 on Friday, All Souls is November 2nd on Saturday**

DA VINCI:

**OF RE-MOVING ON ALL SAINTS' DAY**

THE GREAT TRANSLATION...FRIDAY NOVEMBER 1, (noting Apple tree day/Friday as Nostradamus said)  
& HALLOWEEN ON A THURSDAY "MANY SHALL LEAVE THEIR OWN DWELLINGS, AND SHALL CARRY  
WITH THEM ALL THEIR GOODS AND GO TO DWELL IN OTHER LANDS.

WHICH IS EXACTLY WHAT NOSTRADAMUS SAID IN THE EPISTLE TO HENRI  
"TRANSLATION IN OCTOBER"

BUT I TOOK THAT TO BE A GEOGRAPHICAL TRANSLATION, THE EARTH, IS IT THE GREAT [HUMAN] TRANSLATION?  
October 31st is Halloween

DA VINCI :

**AT ANY POINT ONE MAY MAKE THE DIVISION OF THE TWO HEMISPHERES**

**'All men will suddenly change their hemisphere.**

DA VINCI:

**OF ALL SOULS' DAY = NOVEMBER 2<sup>ND</sup> 2013**

**'How many will there be who will mourn for their dead ancestors, carrying lights for them!**

The Scorpio "turns" event is consistent for this date, but which year? 2013 or 2015?

There is a definite Scorpio date in "sheep" 2015, which seems to be in relation to the Golden Ratio of the orbits  
yet the clues from Da Vinci tie in with 2013, as does the clues in 3 94 Ornament of his time ...

INFORMED MNEMONIC (the collator): IN DIAMOND

DIAMOND is also a date JUNE 10 – JULY 7 – in Gemini, YET IT WAS IN GEMINI I WAS FINALLY INFORMED  
The GEMINI forum has not been started yet

When the "ALIENS – EXTRA TERRESTRIAL OTHER WORLDERS" forum is done,  
it will include a Hierarchy Tree  
because I finally do think I have the handle on it now.

"The Nordics will not intervene in the fate of this planet". (see 9 35 here)

NOW GO TO "SUMMARY OF THE [29] NORDICS" - SO - WHICH ONES?

"But a cleansing will take place which is absolutely essential to the health of Mother Earth and all its residents".

"This action is essential to the survival of the human race. I am just one of many messengers. Those people taken will cruise around the galaxy and 'time dilation' will figure into the equation. I do not see this as a negative event or doom and gloom."
