

THE SHROUD IS REAL

HIDDENEXTOR

The shroud is real - outlaid by points here:

1. "experts" are now 'forced' to use as a last resort to discredit the shroud; the fact that when material is wrapped around a head - the facial features appear distorted (in the same way that the gold face mask of the Mycenaean king is)

2. The eathfiles.com article URANDIR OLIVEIRA: when he was abducted and taken through the ceiling - the residual "illustration" is in two dimensions, in the same manner that the shroud "illustration" is.

The bodily residue after the cells have been divided at the molecular level

3. Currently the work I am doing is regarding the Cassiopeians who have a more or less permanent "lunar nursery" stated in the Hidden Texts as having a "FIVE DAY ELLIPTICAL ORBIT AROUND THE MOON" (3 25)
 There are three crop circles which clearly show this. 
 I actually caught a photo of it in October 25 2008.

The camera being used here was one of the first diabolical digital types which require some arranging to get the focus. For one thing, this was at night, and secondly time was running out because this object travelling south to north (from the right to the left) was not hanging around. I only got two shots before it was gone. The object was dark rusty colour.

There has been two other people who have videos of the same thing on youtube

Lucy Pringle June 1998

www.temporarytemples

Nick Nicholson July 2008

The moon orbiting Earth: with a planetoid (the Lunar Nursery) in its elliptical orbit around the moon

4. The earthfiles article LINDA PORTER: Linda was given information by those who abducted her, part of which was regarding our sun growing and the other part saying they were from Cassiopeia – this is exactly the same information from - ("SUN GONE BRONZE" in Preface Jan 3) in the Nostradamus work I am doing.

In particular the "SPADE SHAPED ICON" in the "lunar nursery" (quatrain 3 25 in "ICON"- a pdf forum at the free Hidden Texts website) which DAVID HUGGINS painted

5. Another subject I have been asked to research is that of "cymatics" - the use of sound waves ("SQUEEZING THE WAVES 1 63") - the surprising (for me, because of the steep learning curve) result becomes;

- a) it is by *sonics* that the cellular level is divided (for want of a better word)
- b) the "shape" the cymatics become is the "note" and "pitch" which obtain the (molecular) result. When people are abducted by being taken through a wall this is how it is done:

b)[i] from Centuries 12 – possibly the reason Centuries 11 & 12 were cached away by Nostradamus inside a wall of his home. Centuries 12 guided the collator to:

. RUN-OF-THE-MILL EXAMINES THE FIRST FLOOR (basic) UNICELLULAR
SECULARISATION REFLEX 1 43

. FURTHERS FINE [sine] MOLECULAR LEX (statute, uncommon law of)
TALIONIS (lesser retaliation, the path of least resistance) 1 43

(explanation for 'run of the mill' - a non scientist or even a mere human)

b) [ii]

“AND ONE TO FORM BY SEPARATION ~ ROD APPLICATION 2 29 4

(a "Rod" is a type of grey, but not a Grey. The Rod has two brains, 4 fingers.)

“† QUEEN (Cassiopeia) MANIPULATED... HENCE ENUMERATING 1 43 1

b)[iii]

“ CHIEF PREFACE: – COMPERE [host] CELLULAR 4 29 1

If [is] FREQUENCIES OPENED MOLECULAR 4 29 2

6) The residue seen (especially on the bed of URANDIR OLIVEIRA)

is the detritus of the human format minus the cells at the basic level

Hence the effect on the shroud after Jesus was "airlifted" through it

There is one last detail which is not made public - the reason is simple. **Money**
Radio Carbon dating operates on the core matter. This core matter is "attacked"
by bacteria from the moment of inception. This bacteria forms a "sheath"...

To simplify the explanation:

this "sheath" can protect against the radio carbonation to the extremes of
700 years¹ give and take

If this knowledge was made public, the radio dating labs, their staff and all their work
would go down the drain

It is my belief that the Shroud is real - and not only real

but Jesus was basically a "plant" of the Cassiopeians

These are the Other Worlders in the immense cube craft orbiting the sun right now

in charge of the Living Library

who also effect neutering missile nuclear warheads...

1. ¹The Pitfalls of Radiocarbon Dating - The Immanuel Velikovsky Archive

www.varchive.org/ce/c14.htm

Offering in 1952 his new radiocarbon method for calculating the age of organic ... diverge from the historical dates by several hundred years (often 500 to 700), the difference should have been nearly 500 years—1200 for Pylos ...

1. Radiocarbon dating - Wikipedia, the free encyclopedia

https://en.wikipedia.org/wiki/Radiocarbon_dating

Radiocarbon dating (or simply carbon dating) is a technique that uses the to increased accuracysince 1962, when they were accurate to 700 years at worst.

1. "Synchronising Radiocarbon Dating and the Egyptian Historical ...

www.questia.com › ... › [Sociology and Anthropology Journals](#) › [Antiquity](#)

Some high-profile examples include the radiocarbon dates obtained for Khufu's funerary boat (Stuckenrath & Ralph 1965, c. 600-700 years older than expected)

Also see: Guth, Steven - The Missing Dark Ages

Guth, Steven – Climate Change & Volcanoes – the Hidden Connection

Illig, Heribert - The Phantom time Hypothesis – The Early Middle Ages Did Not Exist

Niemitz, Dr. Hans-Ulrich – Did the Early Middle Ages Really Exist?

All three of these authors present a case which offers evidence that around three hundred years has been removed from the calendar of *Anno dommini*

Evidenced by the removal of 10 days from the current calendar by Pope Gregory.

On the basis that this should have been in fact 13 days removed

**THUS THE ERRORS OF THE 700 +/- YEARS TO BE ADDED TO THE RADIO CARBON DATING
PLUS THE 300 YEARS GIVE OR TAKE WHICH IS THE PUZZLE OF THE DARK MIDDLE AGES
MEANS THAT THE DATING OF THE SHROUD IS CORRECT**
