

## WHAT THE PYRAMIDS ARE FOR

The Hidden Texts of Nostradamus –  
Centuries 1 Quatrain 54 is all of it  
about the Pyramids – what they are for,  
who built them and how they work

54 Deux reuolts faits du malin falcigere,  
De regne & fiecles fait permutation:  
Le mobil signe a lon endroit fi ingere  
Aux deux egaux & d'inclination.

Here is the very original quatrain in which the texts are hidden

please note: the letter shown as "f" can be an "S" and is shown thus "f "

this is the illustration which came up for the word "Cunaxa" which was basically a place where a large battle was fought in the fifth century bc. This battle was fought for the control of Persia (Iran) – but was it really just for the boundaries?

see this picture above – it has the haoma of the Lord of Rings - he who used the stargates.

Battles are being fought there right now – for the same "treasure"

Events around February 8 2012

This brings to mind the strange happenings at Tunguska in which Nexus magazine had an article about a dormant "installation" in Siberia which protected the Earth  
*Mysteries of Siberia's "Valley of Death"* –

thousands of years ago, designed and built the Installation in the Valley of Death to use as a high-altitude first strike.

But now we know WHO constructed them, and possibly what the pyramids are really for. Just one more "EVENT PROVEN TRUE" ? from these hidden texts.

Maybe this is what 8 6 1 is about.

People are destroying pyramids in South America –

and I jokingly commented at one article that "they know not what they do"...

8 6 1 *Charte fulgure a` Lyon apparente*

4.ON ALLEGORY EARLY (UAN-Oannes)

(Added to the \*Nexus Magazine article about a secret "protective mechanism" against meteorites in Siberia near Tunguska )

is the matter of the "Black Knight" & even the pyramids firing mysterious beams

Other lines have "Ran" as "UGLY RAN" (of the Eddur) followed by "not to be influenced by looks".

This could be the Lyrans – those whose craft sit at the bottom of the Baltic, the same craft which "buzzed" the NASA installation of the space tethers (also called "space ties" which the Hidden Texts describe as "futile"

*Lighting and brightness are seen at Lyons shining (Etna-Vesuvius)*

**2. fulgurate** :- definition of fulgurate :

to come and go like a flash of lightning.

to destroy by contact with electric sparks generated by a high frequency current.

Medical - Sudden intense sharp pain

**PANOPLY:** something that covers all and protects – the "AGE RELATED COMPUTERS"

FLUTE: Celt cipher March 18 – April 14 F: Runic skies cipher: Pegasus (there are three)

LUTE: Lyre/Vega which are the sick "testudines" & "terrapin" of 1 1 1 (very first line)

ON ALLEGORY = March Equinox (Onn) or the Oannes

A.U. means astron. unit could also be U A = heavenly Cassiopeians, meaning a constellation 'moves' which really means the Earth has 'laid down'

(see Linda Porter) and in Alchemy it is Gold. Gold is a cipher word for "knowing"

The Lyra 'greys' become ill in contact with Earth bacteria.

One or two of their craft lay at the bottom of the Baltic – waiting? The sa,e craft which "buzzed" the space tether operation.

Are *THEY* the "FINE DEFENSIVE EXECUTION" ?

where the word "execution" means "doing the task"

1 13 EXECUTION DEFENSIVE fINE FIXTURES EXCITE EXTENSIVE DIFFUSION in FOURTEEN

The matter of destroying a pyramid in South America needs to be addressed.

There are various details mentioned in the texts which make this action one of concern – if the pyramids are really for the defense of Earth from celestial visitors

(of any kind).

BETWEEN 2013 (lower) & (higher ebb) 2018 –  
says 2014 in many lines

"Island" always means "planet" – this is the "key" word in this quatrain, the word which "unlocks" the true meaning  
*sans nuls*  
 double negative: "without no children" – no humans saying "with some (plural) children"- with some smaller planets  
*eage*  
 should be (is) saying *étage* which means 'stage' = level-floor-story but in this case "orbit" that is - incompetent orbit.  
 This *implies age* in that a year depends on the orbit – as do the "ages" in the bigger picture  
 Incompetent age can also be taken to mean that we are all non thinkers  
*l'accord. plus bas*

THE "OTHER ARRANGEMENT" "FURTHER DOWN" (2013) is the one quarter roll or *lying down* of earth  
*lower ebb*  
 Indicates more than one thing.

IT IS ABOUT "TIDES" THEREFORE TIMING, but also indicates "flow" or "STATE OF BEING" or "POSITION"-  
 THIS INCLUDES BEING SUPINE OR BEING IN THE WRONG PLACE AT A TIME WHICH IS NOT NORMAL

- 2) the date of construction of the great pyramid is ca 9,200BC according to the sky calendar on the ceiling of one of the "air shafts".
- 3) The pyramids were NEVER tombs as stated by Herodotus when he said that the "sepulchre" of Khufu was buried "in a nearby island" thus also telling us the Nile was close to Giza. At the same time saying the pyramid was ALREADY THERE when the causeways were constructed.
- 4) according to the hidden texts as follows:  
 they (the big pyramids) are for diverting celestial visitors : per Tunguska ( as one example )

To those who do not know how the words "came about" – the template was done by Allan Webber- completed 2008

in the following single page there is a strong suggestion timelines can be altered  
 The format of the following has not be "repaired" to exactly match that of Before It's News

"ADJUSTS NOVEL DOOMSDAY"  
 A SUGGESTION THAT TIMELINES CAN BE ALTERED?

## NOSTRADAMUS & THE NIBIRU SOLAR SYSTEM DRAGON EN VIRGO

Planet of the crossing: hot sun and two 'moons', that same theme again, the real "passover" & I just this moment noticed two initials showing an "A" for Cassiopeia and a "C" for Ophiucus. These letters are runes, special runes of the skies. The shape of the constellation which they represent. One might say they indicate "good" and "evil".

The very same which the bible describes – Satan and its "angels" and God with his 'angels'.

Those from Cassiopeia with their various forms of life (life forms) which include the Mantis and those from Ophiucus which include the negative Zeta grey types as described in the recent forum *Excerpt Monstre d'ABUS*. The coronet means the Prince which is Sirius, and the cross of the chief Pilot YHWH/En.lil Lord of the air ways, the Ruach is evident. The surveyor's tools on the table show the degrees of movement Earth will find herself after the passing over. He holds map calipers. The date is 1572 which is six years after the death of Nostradamus, with the clothing in the fashion of the seventeenth century.

Does the title on the wall say :- NOSTRADAMVS ASTROLGVED DV RJOY ?

VENDS MY VAST RO GOD - VAST RAJ (RAI) LORD...VERY GRAND MAJOR VOLTS, VAST ODDS, VENDS MAJOR GODS

Hidden Texts tells everyone about the RO Andromeda Council, & the Electron being Ray Lord. (Not Ray El) Great electrical "fuse" event and tells about the other main gods of the Ennead, the Eddur the Cassiopeians VARY VOLTS DARTS. MAJOR DOGS DRY VAN (UAN) ADVERTS VOLTS. MAJOR GODS SURVEY STANDARD VOLTS

who are in control of the electrical darts. Canis Major (Sirius) and Uannes (Oannes) spreads these, being watched by the Watchers. Hopefully, the word STANDARD means "standardize" Advertises means 'spreads' so this could be saying the Oannes are *diffusing* the volts But it is those from Sirius who spread chemtrails (under direction from those of Leo Chertan) MAJOR RO JURY MOVES VAST GOLD STANDARD, ADVERTS VAST GODLY ROUNDS, **ADJUSTS NOVEL DOOMSDAY**

Andromeda Council uses the *golden ratio* when spreading the new [novel] "rounds" – orbits.

Andromeda Council mollifies the new unusual doomsday.

VAST GOLD STANDARD could also be a reference to Nibiru itself, which has a gold canopy.

Could even mean the upcoming Golden Age.

**ADJUST VAST GRAND VERY OLD ROOMS**

UNDERSTOOD [collator] MY GOD – UNDERSTOOD VAST ARRIVALS: (the Second Coming)

MODERNS START SURVIVAL – A GOOD DAY. ODDLY MASS STARVATION OVER DRUG

The hidden text produces the understanding regarding Eloim ("my god" which is Ās) and the hordes.

"Moderns" are the preppers.

. **"NORMAL" SURVIVED, START GOOD DAYS. GLAD ALERT: ADVISORY MONSTER** (Nibiru?)

People become hooked on strange drugs which they prefer over food.

Maybe this is speaking of genetically altered food chemicals...

To conclude: Nostradamus is glad that the Hidden Texts alert readers regarding the "Monster"

(of Abus, a name to be researched). The word "NORMAL" could relate to one of two things:

The "elect" (and not the "elite") and it could also mean "organic" food.

**WHERE THE PYRAMIDS ARE PROVIDING A CLEAN COST FREE POWER SUPPLY ~ THE FOLLOWING QUATRAIN TELLS US JUST THE OPPOSITE**

from the research which is a requirement for collating these texts – it is obvious that those who have been placed in authority over the rest of us which we call "government" are aware of the free power. To the point of eliminating inventors who have also discovered it. I will reiterate that it is extremely rare for all four lines in these quatrains to all relate to each other. The pyramid power quatrain, this nuclear power quatrain of 1 46, also 3 26 "ICON" about the planetoid orbiting our moon and 6 66 regarding the Twin Tower Deceit were also of prime importance. Not going to even discuss the impact of the number 6 66 in relation to what happened at the Twin Towers

Then of course – additionally there is 9 44 but first after the "Good" in 1 54 we have the "Bad" in 1 46:

So this entire quatrain was hiding information regarding power at the molecular level, including the positron particle scatter accumulates

Many of Da Vinci's quotes *seem* like observations, applicable to any time, much as the quatrains of Nostradamus do. I have found most of the quatrains are good for more than one positive truth. The best example to give is Century 9 quatrain 44 – which warns against RAYPOZ. This quatrain is equally applicable to the following:

It was ZOPYRA under the guise of the slaughter of The Inquisition in 1567, *exactly one year after Nostradamus died* and for modern times it is the Pozitron Ray Particle Collider - RAYPOZ for CERN when it comes to "flee, flee Geneva all of you"

**Migrate, leave the seventh example – all of you**  
Saturn will change to golden inferno – a new sun

9 44 **Genesve...codes within codes** : SEVENTH EG : this is referring to "the seventh rock" of 1 43 which is the Earth.

Nostradamus counted from outwards in just as any space traveller would.

9 44 3 – this is in the 'RAYPOZ' quatrain
