

ONE SENT TO DIE ~ UNIQUE OF ALL DEATHS

FROM THE EPITAPH of NOSTRADAMUS, WRITTEN BY NOSTRADAMUS:
TRADAMI, UNIUS OMNIUM MORTA
ONE SENT TO DIE, UNIQUE OF ALL DEATHS

They saw fit to place me in a position at a time [of all times!] in order to ensure that I saw him die. A "space station" which was never in that area of the sky before – grew quite large, then imploded. It was September 19 2011 in *DIE* (dee-ay Virgo) in:

4 31 4 Yeux au midi, en seins mains corps au feu

Eyes to the south, hands on breast (and) bodies in the fire

YOU SAW ME UUAX, DIE LOOKING SOUTH E ("E" is the Celtic rune for the September equinox)

Quite so – the "space station" was in the south east, Sept. 19 (the equinox) 2011 grew big then gone it simply imploded – then two orbs shot out of it towards the east and two towards the west.

It was weird that I was even out there at that time of night

MICRONESIAN: is this what happened at Easter Island?

MASONIC SINS Jesus was a stone mason, often mistaken for a carpenter
these "Masonic sins" could mean the hologram of the false messiah

The upshot, if it is to be believed – and according to the high number of (over 36) events described within the Hidden Texts which have eventuated within the last four years – I see no reason not to believe it – then this is saying that Nostradamus died in reality during an episode of time portal. This might explain two things: first, how he knew he was going to be dead the following day when his assistant said "goodnight I will see you tomorrow" (words to that effect) and Nostradamus told him in reply "no, you will find me dead". Secondly, he was found dead standing up. In the "TREASURE" forum which is sub titled STAGE GATE – STARGATE, Nostradamus had an assistant who he named UUilliem52. of whom he was quite fond, albeit UUilliem was a He Rod grey. An accident within the time portal killed UUilliem leaving Nostradamus quite sad. He was not enamoured of the replacement assistant, who he called "Paul". Sometimes events in the last trimester of my life simply leave me gob-smacked. If my son in law had not been sitting next to me on the lounge the last time Nostradamus came using the "looking glass" – I would be all on my own with this. Nostradamus seems to prefer using women for his step by step approach to revealing what has been thoroughly hidden from all of us..

IS is a god of the Eddur, of the Aesir/Aettir, (who provided one Runic alphabet) the "ABLE FUEL" means the best manner of helping humanity., which is very likely the 'aiming' of comet Ison – which is fully explained in the "ISON" forum

IS Also represents the Elohim – a conglomerate of various races assisting the Living Library, explaining why the word is always in the plural. REBURIAL also a reference to those "risen from the dead" at the end times – FED is the FEDeration of Heavenly assistance. Or the D.E.F. of the Directed Energy Field of the M.E. (Medusa) weapon. BEES, Beetle [Scarab] and the "Beehive" are obsolete names for those from the direction of Ursa Major, one faction (possibly the Tall Whites, but they are not human) which are in a form of treaty with the American government

EBRILLADE: A bridle check; a jerk of **one rein**, given to a **horse** when he refuses to obey a turn. Rein means Auriga. Horse is 2014
The band of the bridle is a date too. The first ten days of Pisces, confirmed by 1 42 and 3 32 4 here as "pancake day" & "Shrove"
QUADRILLE: is a historic dance performed by **six** couples in a rectangular formation originating as a horse-ridden movement. Like a *square* dance. Here it has two hidden meanings. The quadrangle (rectangle/square) means **Pegasus**. The SIX reference is aimed at the Second Coming, the "unholy six" (see the Mazzaroth of Miss Frances Rolleston) It appears as SEX (Latin 'six) in 4 27
ISABELLE: as a name means "GOD'S PROMISE" and as a reference to a horse is the famous palomino colour which is not a breed of horse, just the *golden colour*. Hence it means the "golden host" Notice these are all Spanish terms related to horses?

SUMMARY: The 'GOLDEN HOST' of 2 5 (the first in the tables of the Second Coming) is arriving to "check" those of Pegasus (Marcabians who are the Tall Whites in league with the SA.AMe behind the shadow government) and cause them to 'turn away' – and those from AURIGA which are one of the 'REPULSIVE/UNHOLY SIX' of the Second Coming arriving for the "harvest" of humans, using the false messiah holograms. SPAIN is involved or at least the Catholic religion. The 'horse' references are also the months of Halloween through to Yule. These can be the "four horsemen"

Do you recall where the lines were saying to collect all the weaknesses of these "giants"? This is one of those weaknesses. The "tube" down which the spinal cord travels is quite large and quite vulnerable. Coupled with the other clue regarding the weakness of the vertical "lax: duodenum and under the "ventail" – the back part of the helmet, it makes sense.

"Tree of life" is a machine
2 70 3 "The tree in stone"
devilish species restored

<Illustration shows: the haoma Lord of rings being beamed up - above a mechanical engine which in later wall friezes appears as a "tree" with "flowers". This has come down to us to be translated as the "tree of life" which is only one very small part of the overall picture. This "tree of life" is DNA being "aggregated" apart as the hidden texts say. The quatrain 2 70 is speaking about these beings in this picture – being "restored".

The word "rendue" does not mean "worn out" as others have it.

On further research, these lines describe the "devilish species" returning. This is how the wording which people including me, have taken to say:
2 70

The dart from the sky will make its extension,

Speaking of deaths, great execution.

some say: Cut off mid speech, great execution

The tree in stone (wall frieze) (DNA) my rendition

proud nation worn out, turns out to say something else entirely

Human (they are human) monster rumour, purge expiation.

So, the way it is translated for literally centuries was never the intended meaning. "Mors" does not mean "death"

<Nostradamus with E.Yah, and Enlil, the Ring Lord of "the air ways"

MORS means "bit" or "jaws"
and in modern times "mouthpiece".

These pictures show how much like a
bridle with bit the modern microphone
does appear

2 70 This is *not* the spelling done by Nostradamus

*Le dard du ciel fera son estandue,
Mors en parlant ; grande execution:
La pierre en l'arbre la fiere gent rendue,
Bruit humain monstre, purge expiation.*

The dart from/of the sky will make its extension,
could mean anything – DEW/ME weapon, laser beam
Mouthpiece[microphone]speaking : great accomplishment.
The tree in stone (wall frieze) (DNA) devilish tribe restored,
Human monster rumoured, purge expiation. (making amends)
purge means to eliminate unwanted people.

« Stone in the DNA » a mutation ? « gent » in the sense of « gens » refers to 'generations' thus DNA.

The wall frieze tree (see illustration) the devilish species restored.

Mors = **mouthpiece**, bit. In this case a headphone which does look like a bridle these days. followed by the words "great accomplishment" speaks of a count down prior to launch or prior to having the "gens/DNA" disassembled for "beam me up" which *would* be a great accomplishment!. Or 'voice activation'

"Purge expiation" rumoured was more fully explained in *NOIR THE WICKED*

Bruit: rumour, talk with irrelevant results. Alternate media. Gent: species, tribe.

Fiere: devilish, proud. Let us say the meaning is "devilish" – the line would read like this:

The former idea of "cut off mid speech", some saying "death" in mid speech is not the story here.

UNELUCIDATED (unrealised by people) OFFENDER OF AN EXCEEDED DREADFUL INTERLUDE RELAXED. IS *DEALER* (of this) EXCLUDED in DAN (Scorpio) OF FOURTEEN 2014. Other lines say 5 46 4 EASIER OBAMA RELEASES PLANS RETIRE OS (in Capricorn) but he "disappears" before that in 2 15, The comet comes *before* he "disappears"! 2 70 1 confirms this - the *DEALER* refers to the shadow government of the Tall Whites (Grayles from Markab in Pegasus).

I need to add to this that December 1st at 3 50pm is supposed to be the date of L.A. going into the ocean, (*ALMANACH* 1555) followed by Japan two weeks later (in "Car" which is the *first ten days of Capricorn* but this is 2014 or 2015) See the word PLATE in 1 37 3 EFFICIENT RO TRANSFORMING PLATE IN COPPER FORMING PERFECT PARTICLES AFTER NOON I-P Dec 18 – 23 Efficient Andromeda Council reforming the theatre (or continental plates) or the orbits in Libra/October and *early Capricorn*

This explains Da Vinci's 'oceans rising to the heavens and will not return':-

OF COCKLES AND SEA-SNAILS CAST UP BY THE SEA WHICH ROT WITHIN THEIR SHELLS

"How many shall there be who after they are dead will lie rotting in their own houses, filling all the air around with their foul stench!

ONE NINTH BIT [Nostradamus] AFTER THE OCEANS ROLL OVER THE CONTINENTS

The dead will come forth from under the earth, and by their fierce movements will drive innumerable human creatures out of the world:- ANU & MIB

The greatest mountains, even though they are remote from the sea borders, **will drive the sea from its place:-**

That is by the rivers which carry down the soil they have taken from the mountains and deposit it upon the sea shores; and where the earth comes the sea retires.

The water fallen from the clouds will so change its nature as to remain for a long space of time upon the slopes of the mountains without making any movement. GLACIERS

And this will happen in many and divers regions:- The snow that falls in flakes which is water.

The wind from the east which will rush into the west.

The rays of the sun will kindle fire on the earth, (CME) whereby that which is beneath the sky will be set alight; and, beaten back by that which impedes them, they will return downwards:-

The burning-glass kindles the fire with which the oven is heated, and this has its base standing beneath its vaulted roof. (describes Directed Energy Weapon from satellites)

**A great part of the sea will fly towards the sky, and for a long time it will not return:-
That is, in clouds.**

THE GREAT TRANSLATION AGAIN

"Translation" is a geological term – meaning "moving earth"

IS PENALISES AN – EQUIPMENT QUALIFIER

So now we know that the SA.AMe/Anu did not get away with their lies, we also know the punishment, see 10. 8 pg 4

10 8 4 Three [planets] in seven days wounded to death.

The clue in 10 8 was the line regarding the "merry ones". The Procyons are the "happy ones" and it is they who perform tasks for the Andromeda Council who also oversee As.

DREADFUL QUARTERS UP ENDANGER [Earth]

This is speaking of the subject Alex Collier stated:

that the Anu (as we call them) approached the Andromeda Council for permission to return to Earth ostensibly to retrieve plant and equipment from their gold mining enterprises.

As Sitchin wrote, they need the gold and other minerals to make the SAFEGUARD MANTLE which they constructed around their entire planet as a solar power and safety unit. "SAFEGUARDED ENDANGERED QUARTERS UP" As we have seen throughout these forums, factions of the Anu have other agendas, and one would wonder why the Andromeda Council has allowed them to approach Earth which the Anu see as their own private "zoo". It seems the Council is waiting for them to "mature" and to see the consequences of their actions...

The Anu are not capable of learning. They are all about "service to self" ... with the exception of Ea-En.ki-E.Yah-Ra
