"R.O." are the Andromeda Council who oversee the Elo'im

Monsanto genetically modified "foods" – Chemtrails - Fluoride - Mercury in light globes, vaccinations surround them with electrical pollution

They will see our products being used in film and will grow accustomed to them and will never know their true effect.

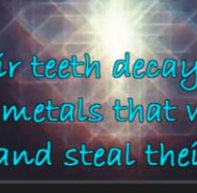

When they give birth we will inject poisons into the blood of their children and convince them its for their help.

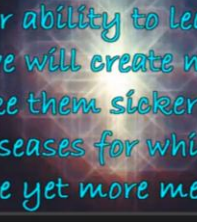

SPECIAL NOTE: The Living Library has existed since Genesis 1 without the need for money

We will start early on, when their minds are young, we will target their children with what children love most, sweet things.

When their teeth decay we will fill them with metals that will kill their mind and steal their future.

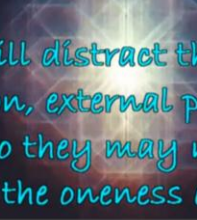

When their ability to learn has been affected, we will create medicine that will make them sicker and cause other diseases for which we will create yet more medicine.

They will grow depressed, slow and obese, and when they come to us for help, we will give them more poison.

We will focus their attention toward money and material goods so they many never connect with their inner self.

We will distract them with fornication, external pleasures and games so they may never be one with the oneness of it all.

Their minds will belong to us and they will do as we say. If they refuse we shall find ways to implement mind-altering technology into their lives. We will use fear as our weapon.

This especially includes the military minds belonging to the "Military Industrial E.T. Complex" who have been overtaken without them being aware

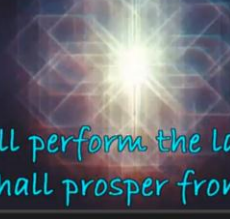

We will establish their governments and establish opposites within. We will own both sides.

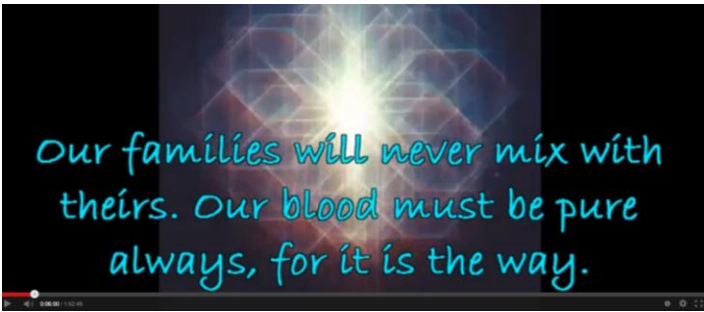

We will establish their governments and establish opposites within [those governments] We will own both sides

We will always hide our objective but carry out our plan.

They will perform the labor for us and we shall prosper from their toil.

We will use our media to control the flow of information and their sentiment in our favor.

They will be helpless to do anything for they will have no weapons.

We will recruit some of their own to carry out our plans, we will promise them eternal life, but eternal life they will never have for they are not of us.

The recruits will be called "initiates" and will be indoctrinated to believe false rites of passage to higher realms.

But if they ever find out they are our equal, we shall perish then. THIS THEY MUST NEVER KNOW.

This covenant is sealed by blood, our blood. We, the ones who from heaven to earth came.

It must NEVER, EVER be written or spoken of for if it is, the consciousness it will spawn will release the fury of the PRIME CREATOR upon us and we shall be cast to the depths from whence we came and remain there until the end time of infinity itself.

Dear America,

Your government is corrupt. Your bankers are holding you as collateral. Your military is being used to terrorize and occupy small, helpless countries. Their resistance is not "terrorism."

Your media sells you propaganda and lies. Your water is fluoridated. You're distracted by television.

Your wars are not about freedom. Your wars are about greed, resources, control, and ownership of central banks. You have more in common with us than you have with your billionaire politicians. We want peace. We want to live happily with our families.

The rest of us see these things. Why can't you?

You have the power to change things. Please, wake up.

Sincerely and lovingly,

The Rest of the World

As may, indeed, be trying to shake the common folk awake...

<http://www.westernjournalism.com/america-pronounces-judgment-on-itself/>

What the pundits haven't come around to understanding just yet is that "The Elite," through their infamous appetites for decadence, cruelty, avarice, wealth, and power, have already distinguished themselves in the eyes of lesser men and women as "The Ruling Elite."

This has already prompted the common fold to treat this emerging "class" in different terms and conditions as the gap between us grows ever wider. It is not a good thing to become prey in the eyes of those you have often plundered.

<http://spectator.org/articles/39326/americas-ruling-class-and-perils-revolution>

Yes, absolute power corrupts absolutely and it also spreads "terminal myopia" as practitioners of avarice rarely Marc DiGuiseppe

It's going to get ridiculous now as people will be trying to make money off of this regrettable activity.

<http://chemtraildisease.com/>

But, people have been raising the issue for quite some time as this news spot suggests.

<http://www.youtube.com/watch?v=okB-489l6MI>

So, a number of scientists are beginning to speak out against "geo-engineering." Here is an example:

[http://video.search.yahoo.com/play;\\_ylt=A2KLqIQRscpSwxMAcTX7w8QF;\\_ylu=X3oDMTB2aWFONmppBHNIYwNzcgRzbGsDdmlkBHZ0aWQDVjE0OQRncG9zAzU-](http://video.search.yahoo.com/play;_ylt=A2KLqIQRscpSwxMAcTX7w8QF;_ylu=X3oDMTB2aWFONmppBHNIYwNzcgRzbGsDdmlkBHZ0aWQDVjE0OQRncG9zAzU-)

He is warning everyone, as a scientist, that this activity is causing an unnatural release of methane gases which will ultimately kill everything on the planet in the "short term" as it creates conditions that stop normal weather patterns, poison life with chemical nucleation processes, and toxic substances that have created a climactic, global event that will rapidly terminate *all* life dependent upon normal planetary processes. He is explaining that the particulates in chemtrails *shred ozone*.

The sun's thermal energy is rapidly warming the atmosphere which alters ocean currents permitting warm water to travel the arctic releasing massive amounts of methane into the atmosphere. Humans—as well as other life—require oxygen not methane to breathe. You really need to listen to this guy, Nell.

Let's face it. Ra is right—the majority of our peoples will repeat the third density and now you can understand why the Cassiopeians want all of them "removed" before they begin to reconstruct The Living Library. Additionally, you can understand why they (the Cassiopeians) as well as As believe a "mini-ice age" is required. They've got to get the "methane" out of the atmosphere.

The "elite" are trying to stop the effects of their feckless causal event but can't! And so?

(Ra: "The majority of your peoples will repeat the Third Density.")

**This is why "the elite" is pressing for world war three.**

It is for "mis-direction" which keeps the population from focusing on the Chemtrails.

He speculates, that their psychopathy exposed *everyone* to radioactive poisoning (through over 1800 nuclear detonations) as well as this present poisoning of the planet. He believes that the only way for us to stop the madness is to go around the "ruling elite" and appeal the argument against geo-engineering to their drones who think they're doing something "noble" because they've been lied to.

My observation is telling me that the Cassiopeians have a much bigger problem to deal with now than Fukushima. They've poisoned the soil with this stuff allowing the rampant infestation of funguses. In time, the aluminum oxide particulate will corrupt the earth (the soil) on a global scale. Nothing will be able to grow! A barren spoiled planet. Can you begin to imagine why the Cassiopeians are *demanding* the schedule be moved up? It's nothing to do with the Orion Group's feckless mission. Their precious Living Library is being systematically destroyed!

### *Cut off the head to destroy the snake! (the "Ras"... and here's the reason why)*

As has been watching the drama and concurs that the time for action is *soon!*  
(Beginning *this* year.)
