

I was woken this morning with these words EARTH BEAST:

1 80 3 Puis naistra monstre de tres hideuse beste.(from the English spelling of the French, such as Cheetham)

- 1) IS E.D. DETERMINE EARTH SESSIONS: MURDERED ENTITIES UP
- 2) RESUMES NUMEROUS EARTH TIMES UP, SITE SERIOUSNESS.
- 3) SUPREMACY DISORIENTED EARTH SUITE SUSPENDED, OPTIMISE ERUDITENESS
- 4) UNDRRESSED EARTH, INSERTED SPEEDS, DESTINED TO NEPTUNIUM SERIES DEEPER TIMES
- 5) ENSURE DISMISSED PRETENTIOUSNESS, *INSTRUMENTS MERIT - SENSUOUS RESIDUE EPISODES (reincarnation)*
- 6) STUPID EMPIRE'S TEDIOUSNESS BEAST SPURIOUSNESS DETERMINES ...

- 15) U.S. PRESIDENT IS TREMENDOUS BEAST ISSUES EARTH'S MURDER, ISSUES PITEOUSNESS, RUIN DENSITIES

>EXPLANATIONS

- 1) The Extra Dimensionals arrange different natural "sessions" such as a volcanic event and ice age to murder intruding entities
- 2) Resumes Earth timelines starting from 00000 which is an extremely serious matter
- 3) The four and a half inner orbits (Earth suite) have their current orientation altered with alacrity.
- 4) Removing pollution from Earth including the radioactive oceans, which is seen in the Dresden Codex sometimes called the Popol Vuh – where the oceans are being sent up... using extreme winds, fixing rotation and orbit inclination then sent out to the gas giants with longer orbits, which means longer years and different climate rotations
- 5) Removing service to self interests... creating merit in lives relating to others and the Earth using their senses/sensibilities with the words "residue episodes" meaning left over lives returning, as in reincarnating
- 6) Empire is always the reptilian influence, which is stupid in its thinking and actions lacking in being genuine (spurious)
- 6) Inserting non related biogens such as spider mites' DNA, spider web DNA into food products such as potatoes citing "shelf life" which is a money-making "corporate" ideology which money-making bequiles equally stupid humans
- 7) Sold a rosy future story to the U.N. amongst whom are already various Off World people. The "ROSE-TINTED" is also a pun on star gates – the word 'rose' is an alchemical key word (think Ross.Lyn church–Rose Lane) for a time portal and the attached word "tainted" is a sly hint at the tainted use of time portals – especially if one is counting on the information gained from them (7 73 is a quatrain found behind the fireplace of Nostradamus. This is what the quatrain speaks of, changing time lines. Forum soon)
- 8) The beasts ("creatures" Da Vinci calls them) come to Earth uninvited issuing promises (of technology) which go unfulfilled not letting any human realize their true intent
- 9) Many times the texts detail the "serious-minded" intruder having no sense of humour nor emotions but with great guile and their need for minerals from Earth without which their entire "civilization" would perish
- 10) **DEEPER INDUSTRIOUSNESS ITEMS** is a pun on the underground bases, and utilising corporate industry to engage in creating many types of dangerous pollution (fracking, chemical "spills", radioactivity and nuclear waste, fluoride agenda etc) using their "walk-in" cloned president to obtain the laws required to protect their interests
- 11) Creating the main agenda episode which continues for decades. The chemical residues in the chemtrails agenda arrive "suspended" in the air. It is in vaccines also that unregulated biogens and heavy metals arrive in a "suspension" liquid with the intention of disrupting the health of residents and shortening their lives. The words "die underneath" can be taken to mean underneath the chemtrails, or those who went "underneath" into deep underground bases to save their own skins
- 12) IN NUT has several dates

>CHESTNUT **May 15 to May 24** Nov 12 to Nov 21

>HAZELNUT Mar 22 to Mar 31 Aug 5 – Sep 1 Sep 24 to Oct 03 Yellowstone: **Elm Sept 2 – 29, so Sept 24 - 29**

>WALNUT Apr 21 to Apr 30 **Oct 24 to Nov 11**

13) REMINDING YOU these beasts need a dimmer Earth, and that is what they plan to accomplish

14) Preventing rainfall, creating deserts

USED PROMISES (recall the line about the elite expecting "entitlement" for payment for their deeds)

>2 58 4. Silene luit,petit grand emmene.

> LARGE INTELLIGENT IMMUNE U.N. ENTITIES IMPLEMENT DETAINEE

>RESULTING IN ENGINEER UNLIMITED TEMPLATES REPEAT.ING

>(clones) ELITE IMAGINES PRELUDE to *ADMINISTER ENTITLEMENT*, MEANTIME– ANGRIEST

>ELITE RE *UN-IMPLEMENTED DEED*; (promise) RESULTED ANU RETAINING [their] ELEMENTS [DNA]:

>ANU IMPINGEMENT ELITE, DUMP DESPERATE ELITE.

>[ALL OF YOU] IMPLEMENT "RETAINED GUNS"

15) U.S. PRESIDENT IS TREMENDOUS BEAST is saying two things – first that he is not a human being and second that his is not a human agenda "issuing Earth murder" including Earth and human densities – which encompasses the natural magnetic ley lines

>ADDITIONALLY in 1 80 3:

IT IS THE "MONSTRE D'ABUS" ENTITIES ISSUE RISES- PERSUADES PRESSURES THE DETAINEES, HESITATED USE "I" THIRTEEN ENTERPRISE - THIS ENTIRE ISSUE REPEATED.

IS DESPERATE RESIDENT M'ABUS (Ophiuchus) ENTITIES HESITATE USES PRESSURE SUPERHEATED, REHEARSE ISSUE

The "I thirteen" is thirteen days after Halloween – November 11/12 Since October 11 is supposed to be the supervolcano, then a month later would be the reptilian round-up of humans for the cannibal harvest – eating "feet first". Other lines say the same thing regarding Rio de Janeiro suddenly appearing near the South pole and the reptilians taking advantage of herding humans in dire straits.

REPEAT is alchemy for the date of Gemini

From 1 80 in SOLAR FLIP Part Two

sixth bright celestial light can mean either a planet or a star. The sixth planet inwards is Mars, not so bright until recently due to Ison. Sixth planet outwards is Saturn – but if an asteroid is coming from the direction of a planet, one would need to know when to see where that planet is. Nostradamus did say "by fixed stars" so the direction of this asteroid is from the sixth brightest star in the heavens. Trouble is there are several opinions on this too. Vega/Capella/RIGEL/Canopus (the latter belongs to Argo)

Then a monster will be born of a very hideous beast: this is saying that an asteroid is carried (moved) by Nibiru.

The months mentioned are the "passing over" of Nibiru and are the same as those in the "letters in F.I.S.H." in 2 5
