

## ANDROMEDA COUNCIL BOOTS UP THE PYRAMID UNDER MU

Nostradamus calls it "MU" near Mexico or rather "END of the U.S." - thus making *Antarctica* the former Atlantis? Someone wrote saying "watch this video, it shows an ancient rock map of Atlantis"... When researching if Antarctica was Atlantis all that happened was to prove it was not Atlantis, and that came about via DNA. [www.redicecreations.com/specialreports/2006/05may/atlantisDNA.html](http://www.redicecreations.com/specialreports/2006/05may/atlantisDNA.html)

My answer was sourced from the only place which seems to me to be trusted, that is – from the hidden texts... and the reason for placing trust in these texts is simply because I have lost count of the number which have come true, so on the basis of this line from 9 45 *MendosusEmpire*:

E.D. [extra dimensional] MENUS: USED DEUS [godlike] MEN, PROMISED ME NEEDS *MU SUN* END [of] U.S. (Bermuda) &

So my answer regarding the ancient rock map was this:

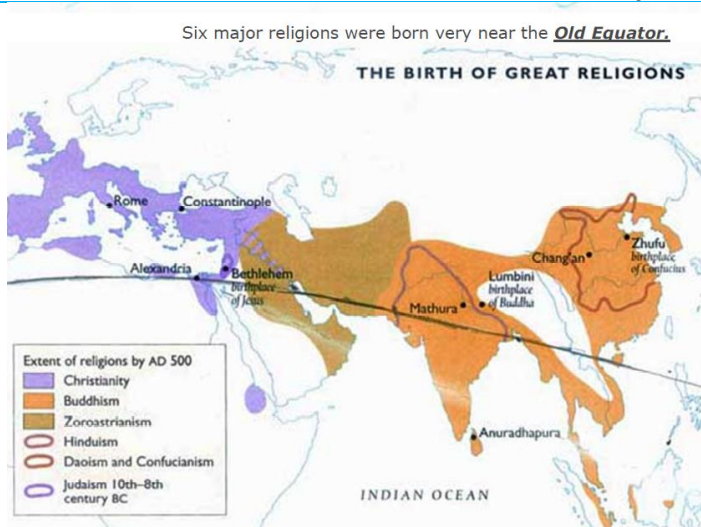

"Here is a thought - while I know that Plato said where Atlantis was 9,000 years before his time - who is to say that Earth was not tipped at that time? Regardless, on reading Timaeus – the lands of Libya coupled with a description in stadia of the sea port being "50 [Gk] stadia" about 900 metres inland backed by a mountain "not very high on all sides" seems to mean Antarctica cannot be Atlantis.

The lost island continent here could be any ancient "lost" civilization. Mu and Atlantis being the main "culprits".

INTERESTING that the Piri Reis projection on the left *needs to be tipped sideways* for our current view – one hint at the angle of Earth at that time

See the projection on the right – which has Alexandria as the centre of the map – see where North America is? It is at the north pole. That would place Antarctica somewhere other than where it is currently. ANYWHERE other than where it is now is warmer! People forget about HiBrasil and LeMuria. We simply cannot presume these days to know which of the tremendous undersea finds are those of the civilizations of these and any other un-named civilisations. Looking at the remains of Yonaguni, Bimini, Bay of Cambay [Harappa] India, Havana Cuba, Madeira, Loch Ness and Antarctica cannot distinguish which is which famous named civilization. Only *where* there were ancient drowned societies.

Robert Berringer's "OLD EQUATOR"

not the only one,  
not the first and not the last either.

See the forum *EARTH'S NEW EQUATOR* on page 13 of the web site  
[www.hiddentextsofNostradamus.com](http://www.hiddentextsofNostradamus.com)

Along the various former equators can be found consistently lines of pyramids.

(SOMETHING DID HAPPEN THEN) - that date happens to be the astronomical date within the great pyramid - 9,200BC - so why did they have to start building all over again in those years?

The answer is in *SHARS of NIBIRU & the ZODIAC AGES* on page 15 of the web site.

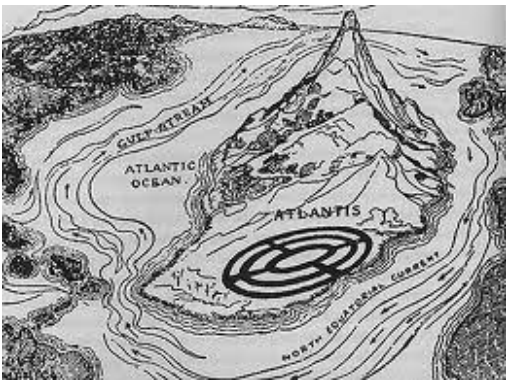

And the mud filled in Gobekli Tepi then too? In the age of Leo this was... including the sphinx being constructed then (which is Leo into [age of] Virgo, therefore the face must be a female)

Antarctica was at the equator in those days (Berringer).

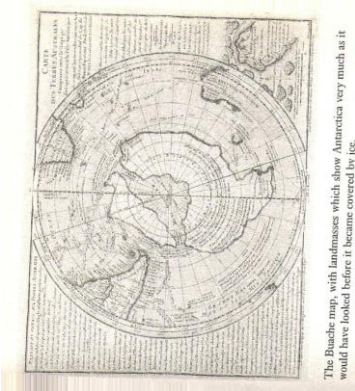

That stone map, the ancient one - where does it say "Atlantis" on it?

<http://www.spikesmind.com/the-hidden-history-of-the-human-race/>

How do we know it is not Mu? See also the Piri Reis map – above

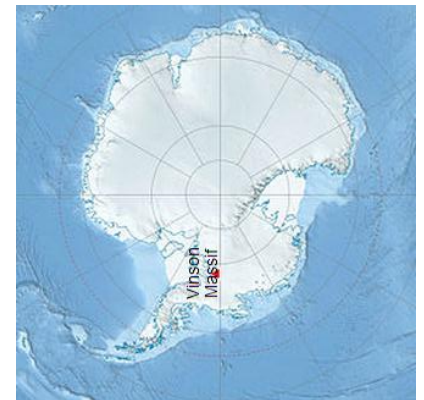

Plato's description of a city in Atlantis. The very large mountain fits nicely with the Vinson Massif in Antarctica. The illustration on the left is the artist's "impression" which would fit for Thera too apart from the "North Equatorial Current" which very likely was not even in existence then.

The Buache Map showing Antarctica minus the ice (from Fingerprints of the Gods/ Hancock G)

"Buache's mapping of the South Pole as two land masses is often cited by alternative history buffs as proof that he had secret knowledge of a pre-glacial Antarctica extracted from a lost civilization (Atlantis?)"

[www.geographicus.com/.../AntiqueMap/Antarctica-gentlemansmagazine-...](http://www.geographicus.com/.../AntiqueMap/Antarctica-gentlemansmagazine-...)

Why would the texts say 9 45 2 "MU at the END OF THE U.S" now that means the "United States" not the continent – and not the "end date" either.

Have you seen Antarctica without its ice and snow? It fits the description perfectly of Plato Not to mention the tropical flora found there. Yet, it cannot be the continent of *Atlantis* going on the results of DNA studies. Hy Brasil would fit and fulfil Plato's directions.

Thanks to [Paul Vigay](#) for this picture.

Being DUMPED in SUPREME WAYS sounds onerous, for the Anakim, being prevented (for any reason) from coming to Earth to mine gold and the other minerals they need to to make space craft, **will be** onerous indeed.

THE CONSTELLATIONS

Isaiah said, "This shall be the sign to you from the LORD, that the LORD will do the thing that He has spoken: shall the shadow go forward ten steps or go back ten steps?"

So Hezekiah answered, "It is easy for the shadow to decline ten steps; no, but let the shadow turn backward ten steps." Isaiah the prophet cried to the LORD, and He brought the shadow on the stairway back ten steps by which it had gone down on the stairway of Ahaz. — 2 Kings 20:9-11 NASB
