Then upside down the world shall be...  
And gold found at the root of tree...  
All England's sons that plough the land...  
Shall oft be seen with Book in hand...  
The poor shall now great wisdom know...  
Great houses stand in far-flung vale...  
All covered o'er with snow and hail...

"A carriage without horse will go, disaster fill the world with woe. In London, Primrose Hill shall be in centre hold a bishops sea. Around the world men's thoughts will fly, quick as the twinkling of an eye. And water shall great wonders do, **SEAWATER POWER 2 14 1 ~ 1 43 4** - How strange, and yet it shall come true.

Through towering hills proud men shall ride, no horse or ass move by his side. Beneath the water, men shall walk, shall ride, shall sleep, **shall even talk**. And in the air men shall be seen, In white and black and even green. 

A great man, **GHANDI**. shall come and go for prophecy declares it so.

In water, iron then shall float as easy as a wooden boat. Gold shall be seen in stream and stone, In land that is yet unknown. **AUSTRALIA & CALIFORNIA**. And England shall admit a Jew, **DISRAELI**. **5 72 1**. Do you think this strange, but it is true. The Jew that once was led in scorn, shall of a Christian then be born. 

A house of glass shall come to pass, **CRYSTAL PALACE**. In England but alas, alas, a war will follow with the work where dwells the pagan and the Turk. **ANZAC**. These states will lock in fiercest strife, and seek to take each other's life. When north shall thus divide the south **an eagle build in lion's mouth** then tax and blood and cruel war shall come to every humble door. 

Three times shall lovely sunny France be led to play a bloody dance. Before the people shall be free **three tyrant rulers** shall she see. **Three rulers in succession be, each springs from different dynasty. NAPOLEON, HITLER AND...** Then when the fiercest strife is done. England and France shall be as one. The British olive shall next then twine, in marriage with a German vine. Men walk beneath and over streams fulfilled shall be their wondrous dreams. 

For in those wondrous far off days, the women shall adopt a craze to dress like men, and trousers wear and to cut off their locks of hair. They'll ride astride with brazen brow, as witches do on broomsticks now. And roaring monsters with men atop, does seem to eat the verdant crop. And men shall fly as birds do now, and give away the horse and plow.

They'll be a sign for all to see be sure that it will certain be. **Then love shall die and marriage cease 5 9 2** and nations wane as **babes decrease. 5 10 2 ~ 8 96 3**. **And wives shall fondle cats and dogs 6 68 4** and men live much the same as hogs.

**ON THE OUTER WRAPPINGS OF THE SCROLLS**

I know I go, I know I'm free, I know that this will come to be, Secreted this, for this will be found by later dynasty. A dairy maid, a bonnie lass, shall kick this tome as she does pass And five generations she shall breed before one male child does learn to read.

This is then held year by year, till an iron monster trembling fear, eats parchment, words and quill and ink, and mankind is given time to think. And only when this comes to be will mankind read this prophecy. But one man sweets another's bane so I shall not have burned in vein.

**FOUND ON A SCROLL IN ANOTHER JAR**

The signs will be there for all to read; when man shall do most heinous deed man will ruin kinder lives; by taking them as to their wives. And murder foul and brutal deed: when man will only think of greed. and man shall walk as if asleep; he does not look - he may not peep And iron men the tail shall do; and iron cart and carriage too.

The king shall false promise make; and talk just for talking's sake. **PRESIDENTS**. And nations plan horrific war; the like as never seen before, and **taxes rise 1 83 2** and lively down; and nations wear perpetual frown. Yet greater sign there be to see; as man nears latter century.

**Three sleeping mountains gather breath**, and spew out mud, ice and death, and earthquake swallow town and town; in lands as yet to me unknown And Christian one fights Christian two and nations sigh, yet nothing do. And yellow men great power gain; from mighty bear with whom they've lain. 

These mighty tyrants will fail to do, they fail to split the world in two. But from their acts a danger bred; an ague, leaving many dead. **RADIATION & AIDS. 2 44 1 ~ 5 36 2 ~ 6 32 4**. And physics find no remedy; for this is worse than leprosy. Oh many signs for all to see; the truth of this true prophecy. 

## THE LAST PROPHECY

In nineteen hundred and twenty-six build houses light of straw and sticks. JAPAN  
For then shall mighty wars be planned and fire and swords shall sweep the land.  
When pictures seem alive with movements free, when boats like fishes swim beneath the sea  
When men like birds shall scour the sky.  
Then half the world, deep drenched in blood shall die.  
For those who live the century through in fear and trembling this shall do.  
Flee to the mountains and the dens to bog and forest and wild fens. 

For storms will rage and oceans roar when Gabriel stands on sea and shore, and as he blows his wondrous horn old  
worlds die and new be born. 4 55 3 ~ 8 20 3  
A fiery dragon will cross the sky six times before the earth shall die. 1 80. ~ 2 41 1  
Mankind will tremble and frightened be for the six heralds in this prophecy.

For seven days and seven nights man will watch this awesome sight. 3 10  
The tides will rise beyond their ken. 2 17 1 ~ 6 56 3 ~ 9 1 3 To bite away the shores and then the mountains will  
begin to roar and earthquakes split the plain to shore. And flooding waters rushing in, will flood the lands with such a  
din that mankind cowers in muddy fen and snarls about his fellow men. 1 67

He bares his teeth and fights and kills and secrets food in secret hills and ugly in his fear, he lies to kill marauders,  
thieves and spies. Man flees in terror from the floods and kills, and rapes and lies in blood and spilling blood by  
mankind's hand will stain and bitter many lands.

And when the dragon's tail is gone man forgets and smiles and carries on.  
To apply himself - too late, too late for mankind has earned deserved fate.  
His masked smile, his false grandeur, will serve the gods their anger stir and they will send the dragon back (2065AD)  
[Wormwood – see ASTEROID COMET METEOR] to light the sky--his tail will crack upon the earth and rend the earth  
and man shall flee, king, lord and serf.

But slowly they are routed out to seek diminishing water spout and men will die of thirst before the oceans rise to  
mount to the shore. And lands will crack and rend anew do you think it strange, it will come true. And in some far--off  
distant land some men--oh such a tiny band (“one ninth bit” 2 95 1 ~ 6 90 1) will have to leave their solid mount  
and span the earth, those few to count. 

Who survives this [unreadable] and then begin the human race again. But not on land already there, but on ocean beds,  
stark, dry and bare. Not every soul on earth will die, as the dragon's tail goes sweeping by, not every land on earth will  
sink, but these will wallow in stench and stink, of rotting bodies of beast and man, 8 10 1 of vegetation crisped on  
land.

But the land that rises from the sea will be dry and clean and soft and free. Of mankind's dirt and therefore be, the  
source of man's new dynasty, and those that live will ever fear the dragon's tail for many year but time erases memory  
You think it strange, but it will be.

And before the race is built anew, a silver serpent comes to view and spew out men of like unknown\* to mingle with  
the earth now grown cold from its heat and these men can enlighten the minds of future man to intermingle and show  
them how to live and love and thus endow.

The children with the second sight - a natural thing, so that they might grow graceful, humble and when they do the  
golden age will start anew. 

The dragon's tail is but a sign for mankind's fall and man's decline, and before this prophecy is done I shall be burned at  
the stake, at I. My body cinged and my soul set free- You think I utter blasphemy ~ you're wrong.

These things have come to me this prophecy will come to be.

*"The lily shall remain in a merry world; and he shall be moved against the seed of the lion, and shall stand on one side of the country with a number of ships. Then shall the Son of Man, having a fierce beast in his arms, whose Kingdom is the land of the moon, which is dreaded throughout the world. With a number shall he pass many waters and shall come to the land of the lion, looking for help from the beast of his country, and an eagle shall come out of the east, spread with the beams of the Son of Man, and shall destroy castles of the Thames. There shall be battles among many kingdoms. That year shall be the bloody field, and lily F.K shall lose his crown, and therewith be crowned the Son of Man K.W and the fourth year shall be preferred. And there shall be a universal peace over the whole world, and there shall be plenty of fruits; and then he shall go to the land of the Cross."*
