

WHAT 7 73 REALLY SAYS

PART ONE

QUATRAIN 73 in *Centuries* Seven is one of the missing remainder of *Centuries* 7. Published to the public were Quatrains one to 42 from this *Centuries* with the mystery never answered where the remainder went – nor why. We have seen that there were three "books" hidden by Nostradamus – "presented to Vulcan" he told Cesar his son. These three books appear on the frontispiece of many of the manuscripts simply sitting in plain sight on his desk. "Hidden" in plain sight. Vulcan was the "heart" of the home, the hearth, and in the wall of the fireplace of Nostradamus was found the three missing centuries. The remainder of *Centuries* Seven 43 onwards, albeit very few of them still readable, including amongst *Centuries* Eleven and *Centuries* Twelve.

"And since it was the Almighty's will that you [Cesar] were not born here in this region and I do not want to talk of years to come but of the months during which you will struggle to grasp and understand the work I shall be compelled to leave you after my death: assuming that it will not be possible for me to leave you such writing as may be destroyed through the injustice of age.

The key to the hidden predictions which you will inherit will be locked inside my heart. (locked inside my hearth) Fearing lest this occult philosophy be condemned, I did not therefore wish to make known its dire import; also fearful that several books which had lain hidden for long centuries might be discovered, and of what might become of them, *after reading them* I presented them to Vulcan." (Vulcan is actually a trade name for a fire place) Preface to Cesar March I 1555

Now, here is something it seems everyone has missed... "*after reading them*". This validates those lines which tell us:

3 61 3 FEEL PROCURED – FLEUU LEAPING MAP
9 1 3 ORB INTRUDES – SOURCE OF UNITED CODES
4 50 1 SEER RELIES SPHERE'S HELP RARER LIBRARIES or
SEER RELIES RARER LIBRARIES HELPS SPHERE (Earth)
8 65 3 SLENDER ANDROID INITIATES

Which tell us that the works in their entirety *were handed to* Nostradamus to write down!

Was Nostradamus one of the "copy holders" of CII #2 line six: ? Does this explain his crippled hands the last four years?

11. 2. 6 Pigmeé aydé des Censaurts Pygmy [grey] aid [aide] by/for the Copy-holders.

Noting that the 'copyholders' are plural. The meanings of the word 'copyholder' are in *Centuries* Eleven

The unidentified flying objects "flap" of which Nostradamus and a thousand others were witness occurred the evening of February 1 1554. The report requested by Lord Tende from Nostradamus was dated March 10 1554 – 12 months before the *Centuries* was published. It would take a year to write the twelve centuries out by hand, quill and ink. Yet the words above say "*after reading them*" [Centuries 7 43 to 100, *Centuries* Eleven & Twelve] they were consigned to the fireplace. Not forgetting the Presages and the vignettes, which job was consigned to Cesar when he was thirteen.

In the original 3 56, line 4 it said: *Depuis fix cent & sept xxiii.pars* yet no one has approached this last line utilising the full stop/period. Also at first glance, the line actually says "after six & seven cent 23" which we will look at here

<p>¶ 6 Montauban, Nismes, Aignon, & Besier, Peste, tonnerre & gresle à fin de Mars: De Paris pont, Lyon mur, Montpellier, Depuis six cent & sept xxiii.pars.</p>	<p>3 56 from Cheetham: <i>Depuis six cens & sept vingts trois pars.</i> <i>Since six hundred and seven score three pairs</i> 3 56 + SIX HUNDRED 600 plus SEVEN SCORE = 140 + THREE TIMES TWO = 6 = 746 = __QUATRAIN 7 46 7 46 – was unreadable after being found in the wall of the hearth (Vulcan) of Nostradamus. Now look at the original 3 56</p>
<p>3 56 from Lemesurier – so you can compare the spelling Montaubant, Nismes, Aignon & Besier, Peste, tonnerre, & gresle fin de Mars: De Paris Pont, Lyon mur, Montpellier, Paris = is Apr. TEMPORARY MILL TRIP NORMALLY NOT PERSONAL, IS SMALL PRELIMINARY TO POSE MINERALS' POEMS

9 3 2 FIFTEENTH PASSAGE BACKWARDS SURROUNDED (enclosed) BY ACCOMPANYING BLAZE using the stage gate "Mill trip": the great wheel of precession of the equinoxes has the alchemye name of the *Miller's Wheel* encompassing the 25,920 year great cycle of our universe, the years through which the stage gate travels. FIFTEENTH could mean 2015

The "minerals" poems are those relating to the major Pisces events for the Earth upcoming, but also a pun on the multitude of verse lines which refer to the Anakim and their mining needs. One vignette does show the two fish of Pisces hovering over a division of tectonic plates with Sagitta the Hero Bowman (into early Capricorn), a bend in the banner of the Milky way, actually a "U" turn and above that the infamous "one male/Menolea/electron being" page of a book held by a very long haired (mane) "prince/Sirius" (wearing a coronet) holding the book with a bear's paw.

The book has the Ash tree or the Apple tree (which are a date) and the opposing page of this book says the following:

NUN LOOP (either the Pleiades or Virgo) orbits or 'goes around', or *in* Virgo

LEO RULE – (Leo the "managers of all" & "Sirius is his"). EL ROVE the Elo'im Watchers

"Juno" Her name is threefold: The Wet (Arādvī), The Strong (Sūrā), The Immaculate (Anāhitā) = ICE AGE?

Other epithets of hers that were in use include Moneta and Caprotina, Tutula, Fluonia or Fluviona and *Febrealis* Wiki
IS NOT IO (solar system moon) ST. IN ONN (March equinox)

Apple Tree date is over Yuletide and Ash tree dates are February 18 – March 17 (in Pisces) May 25 – June 3 & Nov 22 – Dec 1

People might argue that this tree is the so called "tree of life". It has already been shown (in 2 70 'the tree in stone') that this is a machine and "eating of the knowledge of the tree of life" was merely denying the knowledge of the time gates to the plebian Earthlings. Even to the current military who changed timelines due to ignorance in using the time gates they found.

The word "array" needs to be studied here. An "array" means an organized orderly line-up.

This could mean all the orbits of all the planets, and it can be a reference to the damage being done to the Earth via the Chemtrails/H.A.A.R.P (high frequency active auroral research program) equipment of the Military Industrial E.T. Complex which is taking over the Earth. Even the Particle Colliders world wide can be included in this warning.

Permute: submit to a process of alteration, rearrangement

Line three has something else going on. The "X" and the "I" are either in a different font from the next character, or one is a numeral and one is a letter.

To "spoil the cover" seems to be a reference to the atmosphere, and could refer to a nuclear winter from an 'engineered' supervolcano mentioned in another line, with the XI meaning 11th and the "I" meaning the runic clue – such as Yew tree day (Halloween in October).

See the full stop? This is in fact divided from the word "rouges". This normally means to anagram by parsing the line.

On the positive side, "to spoil the cover" could mean disclosure of the Off World presence which the government named in this quatrain would very much like to keep a secret while ever they are making money by doing so. Simply because the advent of free power/energy will be made public and the advent of the oil age will be finished once the public understand they have been hoodwinked for a hundred years and more. If this is the case, the 'eleven' is a reference to the number loved so much by the 'elite' and the Runic clue "I" can mean one of its other ciphers, such as 'Egypt'. It also means 'ice', 'unable to move forward' and those from Ophiuchus (a sky rune) which are M'Abus.

 Taken and captive it does not stop the three fields [of Pegasus]
 Put in the uttermost depths, raised, put to the throne (Thorn?)

The three fields of Pegasus – Markab (Tall White Grayles of Tom Hall), those of Scheat (the "seat" but also the "Leg" which is seen in
 many heiroglyphs) and those from Enif, the nose of Pegasus. Those of Scheat/Leg are not the negative shadow government beings.
 It seems that being "taken captive" does not stop their agenda, and being left on Earth is a form of "being captive".

"uttermost depths" – outer space – the Black Knight – see 1 10. "Thorn" [Thurisaz] & "throne" is "king of kings": Cepheus

1 10
 A coffin is put into the vault of iron
 where seven children of the king are held (Cepheus)

 Seven "children" are the stars in Cepheus the King constellation
 There were once seven stars in Orion-Odin the king, in the Pleiades
 & there are also seven stars in Ursa Major, the "Bee-hive"/Scarab
 Ancestors: The origins AND the loss of our DNA
 Will 'come forth' through the star gates under Aden, Giza, Rennes

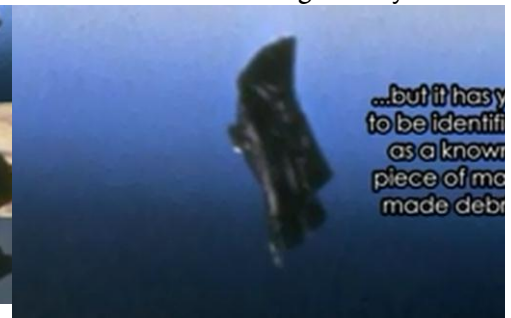

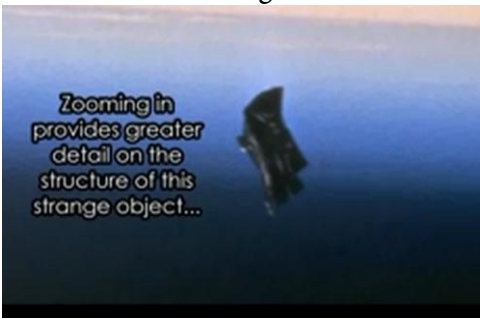

We have seen this vignette before
 This shows confirmation of several things mentioned so far in the hidden texts: note the blackened environment
Cassiopeia "in the heavens" orbiting our moon, the
 "super lunar nurseries" with "**As**, (**Az**) the greatest"
 and the "**Elo^him**" – who abducted Nostradamus
Cepheus the "King of kings" orbiting in the satellite
 "Black Knight" – "Seven in seraphic garb sleeping"
 Another line says "Six hibernating", the number 7
 being used to determine one of the "seven children of
 Cepheus". The cow/beef means in Taurus the
 month or Aldebaren. The "pope" is those Others
 of the "empire" – **Sirius** & the Anu in their own orbit

The Saturnins are the Anu – burned by those who run the great millwheel of precession – the Andromeda Council. A correspondent who does have pertinent things to say (Marc DiGuiseppe) said to me the Council will get sick of the Anu never "growing up" with their constant service to self and lack of desire to improve their souls. Alex Collier said the Council had been approached by the Anu to return to Earth to "retrieve plant and machinery". They were given permission to do that – with, it seems according to many lines herein – this being their final chance to "behave" themselves... saying they would be "burned up"!

This 1995 documentary is about the discovery of planet x. But they just showed the exact same image as "comet ison" from august 18 2013 Watch This.....

Someone said "but it already has a name". Nibiru is the dark star/sun of the solar system to which the planet belongs. The Tenth Planet has many names. One of which is Nibiru - It is one of six bodies which belong to its solar system. Mercury Venus Earth Mars Jupiter Saturn Uranus Neptune Pluto Nibiru = 10 and two suns = 12 Luna is not included for the same reason Io Callisto Ganymede and Europa are not, they are satellites.

Turns Out Comet Ison is Planet X NIBIRU!! MOST HUMAN LIFE WILL NOT EXIST After January 2014 see

NASA AND THE WHITEHOUSE USED A PROPAGANDA MACHINE TO PUMP UP THE NOTION OF PLANET X TO BE COMET ISON. SO THEY CREATED A LIE. THEY FORCED US TO BELIEVE THAT COMET ISON WAS ACTUALLY A COMET. WHEN THE WHOLE ENTIRE TIME COMET ISON IS REALLY PLANET X , (NIBIRU THE SECOND SUN) & BY THE TIME PEOPLE REALIZE IT, IT WILL BE FAR TOO LATE. THIS IS WHY "COMET ISON'S" TRAJECTORY IS SO MUCH OF A SECRET.

I understand your words asking [about] ascension

I tell you now, your ascension is nothing more than a Mass abduction event (5:46, 4:44, 2:13)

Of all the forums (collections of quatrain lines decoded into the Hidden Texts), the largest by far is the FALSE RAPTURE

USING COMMON SENSE ALL ONE NEED ASK ONESELF AT THE TIME OF THE EVENT

WHEN ONE HEARS AND SEES THE HOLOGRAMS IN THE SKIES CALLING EVERYONE TO "THE LORD" –

"WHY WOULD THE REAL 'BEING CAUGHT UP' EVENT – WHY WOULD THE *REAL MESSIAH* – ARRIVE *AFTER* THE RAPTURE?" RECALL IN THE BIBLE THAT THE FALSE MESSIAH *COMES FIRST*

TO ME THERE IS CONFUSION AMONGST THE ABOVE THREE QUOTES – SAYING ON THE ONE HAND THE "DIVINE" WHO IS "AS" IS INVOLVED IN A "GUARANTEED" AIR LIFT, YET ON THE OTHER, THAT AN AIR LIFT IS A MASS ABDUCTION EVENT. MEANING WE ARE TO CHOOSE BETWEEN DIFFERING EVENTS?

THE OTHER QUESTION ONE COULD ASK ONESELF – "WHAT ARE THE TOILET FACILITIES ON BOARD?"

THE ANSWER IS "NONE". THEY WILL NOT BE NEEDED

OTHER LINES DO TELL US WHAT ELSE TO LOOK FOR, THE DANGER IS IN THE SHAPE OF THE CRAFT ARRIVING.

That's why they REFUSE to release LIVESTREAM video or fresh new images of comet Ison's trajectory. Out of all the Billion dollar telescopes they have,.... why won't they release a way for the public to track "comet Ison" ?? "I THE SON" "Eyes on" ISON=SION=ZION

Because Comet Ison is the winged Planet X Nibiru!!!!

should be asking IS IT NIBIRU?

"Over 1,000 Mayan codices were discovered in the basement of a Los Angeles museum, presumably owned by Randolph Hunt and donated to the museum. Two other codices were found by the Maya Itza Council and have been analyzed for the past 10 years. If that's not enough, 7 additional codices were found by a treasure hunter. Carbon dating has authenticated these sacred texts and professional photographs have been taken for the Maya Itza Council to analyze the meaning behind these lost codices. One of the codices, in particular, is of great interest to the Maya who stated the codex represented "the essential pieces of information that we needed. This is how we go 4th dimensional."

October 29, 2011 (CHICHEN ITZA) - The Itza Mayan Council has confirmed the addition of two Mayan codices that the world has never seen. The council has been exploring these codices for the past ten years. To prove the authenticity, the codices have been carbon dated back to the 1300's and authenticated by two different universities. One of the codices is called the Windcall Codex which is 13 pages long and unfolds like an accordion to show 13 pages on the backside as well. On the first page of the codex, it shows five Mayans doing a ceremony while holding five crystal skulls. The skulls are implemented all throughout the codex until the last page, where a transformation appears to be taking place in Chichen Itza.

The prophecy of "end of the age" of December 21 2012 *did* occur.

The event of December 13 2012 was the *FEEL MIRACLES REFLECTED* occasion when the two asteroids – Toutatis & companion passed by the Earth.

This was the very day of St. Lucy's Day, as stated by both Nostradamus and Mother Shipton.

This only happened because Earth had been *moved*.

In April 2011 and June 2011 40 minutes was removed from the clocks, placing Earth out of harm's way.

These two asteroids are due to return in December of 2016.

The week of December 21 2012 saw the Gulf Stream stop.

Consequently the climates have all altered, ushering in a new ice age for much of the planet.

The prognostication given as FEBRUARY ELEVEN FOURTEEN will likewise go unrecognised.

FEELING FEBRUARY ELEVEN YEAR FOURTEEN IS SINGULARLY VULNERABLE UNIVERSE
SURE FIRE UNNAVIGABLE ^[out of control] FLYER IN FOURTEEN.

The 'clue' words are 'SURE FIRE' and ' UNNAVIGABLE FLYER'

On this day we DID have CLASS "M" solar flare scrape by the Earth. It arrived just as the sun was setting in the Southern Hemisphere, so hardly seen to be a danger by the public.

Naturally it did not even rate a mention on the main stream news, nor even on any alternate news sites.

The consequences, however, are another thing.

We may not ever realize what the result of this particular solar flare was.
