THE TRIPLE METHOD

DITROCHEE: some quatrain lines in the Very Originals have a fullstop/point smack in the middle of a line with the line flowing on, continuing as if the heavily marked full stop was not even there. Definition of a trochee is here, and we all know the quatrains are called "verses" or "songs" by Nostradamus. The full stop is there to tell the person working on the anagrams that that part of the "foot measure" of the line stops at that point – to anagram that phrase on its own. Then to do the same with the rest of that line **ditrochee** (plural **ditrochees**). (poetry) A double trochee; a metrical foot made up of two trochees.

That is: Argo in the Second Coming, coming to help, so not one of the "unholy six".

(N.Morgan) "This State Of The Union was much better than Obama's. Jesse gets what this regime is doing to our country and to the economy. He wants change, real change, just like the rest of us do..."

THIS IS NOT THE REAL JESSE

- 1) pushing for legalising marijuana- to ensure there is no resistance
- 2) abolishing government as it is- to make way for the new
- 3) has he had a face lift? – No, the eyebrows are still in place, yet the skin is young and smooth. Compare to photos from his fan club below. See the four reptilian teeth in the right hand photo-> and compare them to more pictures under neath caught here in the video

Note the really straight nose, orange eyes

"stay vigilant" is this a loosely disguised warning about what is in your face, what you see?

March 14 2014. Here is an irony – Ventura confronts David Icke regarding the shape shifting reptilians, mostly regarding the fact Icke is making money touring the country warning people. Ventura was in full bully mode, not presidential at all

Note the nose is not straight

Also see distinguishing features all over this lovely face which are not apparent in the video. It is true that Jesse Ventura "disappeared" from public view for a while. People have been giving excuses such as "he was fed up with the sheeple and has gone to Mexico on personal time" and things similar to that vein. Known to be a man of direct words I see it as unusual for him to not freely admit he has had a makeover . Yet there are signs this has not been a makover of the face lift kind. If there had been a face lift, the forehead in the video would not still be wrinkled.

In 1937 Joe Brandt saw an Earthquake sink Los Angeles around 3 50pm to 4.30pm

"I seemed way around the globe. More flooding. Is the world going to be drenched? Constantinople. Black Sea rising. Suez Canal, for some reason seemed to be drying up.

Sicily — she doesn't hold. I could see a map. Mt. Etna. Mt. Etna is shaking.

A lot of area seemed to go, but I wasn't sure of time, now. I wondered what year it was. It certainly was not 1937. I saw a newspaper on the corner with a picture of the President. It surely wasn't Mr. Roosevelt. He was bigger, heavier, big ears."

(Newspapers – are they extinct?) If this president was black he surely would have said – so not during a black president's lifetime and according to the texts, Rice is the "FINAL PRESIDENT" does this mean a largely built man in between Obama and Rice?

"If it wasn't 1937, I wondered what year it was.... More like early spring." The way climates are changing, trying to get a date from this description would be futile - see snow in Mexico in July 2013 for instance

When watching this, keep an eye on the profile of the crown of his head – it changes from conical to flat then to concave then back to conical There is some confusion for me regarding the following Ventura texts. On the one hand the advice from Nostradamus (and the Elo'im) to Mr Ventura is to "tour, courage, urge peace" and on the other hand that the messenger not to be a "Joan of Arc" and barge in on the situation waving the message as if it is an "absurd rumour". Fulfilling the mandate means for me to publish even though doing so creates a warning to the mole in their camp...

They should work together but Jessie always goes in attacking. Jessie also has jaw of reptilian and hard eyes. Don't think he's as smart as David.

17 hours ago · Unlike · 1

Helen Parks I agree - this was the worst move Jesse has made - and I only just found three quatrains which are about him, one is warnings regarding his bunker - repeated three times. I tried to let him know, but cannot do it via any of his people except his son because the warning is to do with one of his attaches, and I know EXACTLY which one too!

The Tall Whites of Tom Hall are from Markab in Pegasus. They are part of the shadow government.

To tie in the blood of the star wars on the hands of the bully is a reference to that bully *being part of the star wars scene!* In other words – a reptilian, just as Mr. Icke said.

Well! This line answers a question which was raised as a result of watching a supposed Jesse Ventura video in which Jesse seems to be bullying David Icke. I say "supposed" because the Jesse in this video was demonstrating reptilian traits. The former quatrains had only just been worked on and I was looking for ways to approach either Jesse or his son to give them these warnings – which it seems, will be treated as "absurd rumour". The hint is to subscribe these words (wpm: words per minute – or verbatim) in an unobtrusive manner, something which seemed to me to be a good idea on account of the mole in the camp. Now, *is it up to me* to work out a way to do this?.

INDECOROUS FOUL GERIATRIC MURDERER... RADIATES FAULTIER MENDACIOUS MAGIC

These geriatric would mainly mean the returned veteran soldiers

MENDACIOUS: Deception, beguilement, deceit, bluff, mystification and subterfuge are acts to propagate beliefs that are not true, or not the whole truth (as in half-truths or omission). Deception can involve dissimulation, propaganda, and sleight of hand, as well as distraction, camouflage, or concealment. There is also self-deception, as in bad faith.

FROM MARC DI GUISEPPE

http://articles.economicstimes.indiatimes.com/2014-01-27/news/46684781_1_bullion-coins-world-gold-council-bear-market

“NEW YORK: Austria's mint is running 24 hours a day to meet orders for gold coins, joining counterparts from the US to the UK to Australia in reporting accelerating demand boosted by the bear market in bullion.”

This is a lie. The major international banks have colluded to rig the price of gold by flooding the market with “gold shares” which drove the price of gold down creating what *seemed* to be a “bear” market in bullion but, as we can see, nothing of the sort ever really happened. The idiot-people just made gold more affordable for the little guy. So, there *was* a conspiracy and that is an “abuse.”

THANK YOU - WILL QUOTE THAT IF IT IS OK WITH YOU

Considering the sad Nightingale

Who with tears & laments renews her anguish,

By such means making her days shorter,

Six hundred and five, she will see the emanation

[of what SAMAROBIN means]

Of her torment, the cloth [destiny] already woven,

By means of small windows will she accomplish it

sad Nightingale:

the singer of sad tunes (the verses of quatrains)

renews her anguish

the key word here is "RENEWS" the anguish of the original quatrains when turned into their hidden texts - OR REFER TO:

"BECAME COMPERE COMMENCEMENT OF QUATREIN QUOTIENT [my portion] ~ QUIET PERFORMANCE | BE

COMPETENCE COME OF from *PRE-ACQUAINT, RE-COMMENCEMENT* - NICE PERFORMANCE

making her days shorter: quite so sitting at the computer for many years

the cloth already woven: also true -

the Destiny already set

and the options have been taken.

By means of small windows

One simply has to raise one's eyebrows at this - without Windows the computer program and its smaller windows the accomplishment would be nil - the research simply not possible and time of course - not long enough!

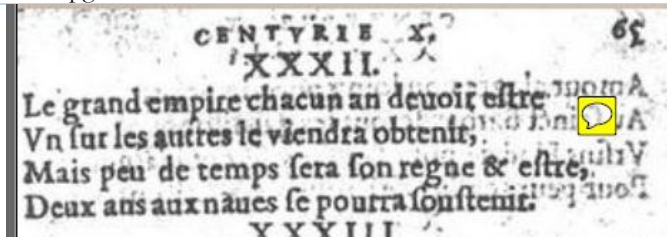

It is not my intention here to say anything about the collator, who happens to be me at the moment. It is with a type of regret for me that these sixains say such things, yet at the same time I must accept that they are guiding me for a reason - that is: to hurry up and get more done, since they have for the third time given me a date of not being able to do any more, the same date, naturally

can it be that (introduces question expecting negative answer/further question)

The great empire, can it be that everyone is in-debted [bound] by it
One will come to obtain/gain it over the others:
But its realm and state will be of short duration,
Able to maintain himself two years in his ships (craft)

There is always one word which needs close scrutiny
Since "an" as the word "year" does not make sense, then from the Latin we do find meaning. By asking this as a rhetorical question, implies that not everyone finds themselves bound to the principle, it seems some are to escape the bondage

Able to sustain himself two years in his ships (craft) – I wonder if this is the same small number of people who found themselves "crawling" in the cabin "vestry" and had forgotten to do up the "final baby" properly in his radiation suit...

I just noticed what looks like a crop circle depiction of Earth in this picture, always shown with an atmosphere (except in the WELLENSPIRALE pair). This is possibly showing us the proportion of the main planet in the Nibiru system, since 'cement-spirit' is Quetzal.coatl/YHVH. Ea was 7Macau (according to our texts). Names given for this illustration are the "Aztec Sunstone" or the Maya Long Count.

Project Camelot caught this photo of the one hundred acre crop "circle" just as the government was on its way to destroy the field. Either 2008, 2009

IF YOU LOOK CLOSELY, YOU WILL SEE THESE ARE NOT THE EXACT SAME ILLUSTRATION

YOU WILL ALSO SEE UNDER THE EARTH TWO MORE SHADOW EARTHS, AND THREE "X" SIGNS, IS THIS SAYING "THREE TIMES OUT"?

This crop circle seems to be saying the same – including the four turns

Entre profonde par la grand Roine faicte

Rendra le lieu puissant inaccessible:

L'armee des trois lions sera deffaite,

Faisant dedans cas hideux & terrible.

The deep entry made by the great Queen - Cassiopeia
will make the place powerful and inaccessible;

the army of the lions triad will be defeated

Chertan "managers of all" Sirius, Oannes, Anak'im

causing within [where?] a thing hideous and terrible.

The deep entry made by the great Queen causing within [where?] a thing hideous and terrible – a supervolcano?
