Hi Helen

The TV Commercial for the Ubuntu party in the South African elections already has over 6000 views.

But we need to spread this message much wider than that. If you have not seen it yet, you can do so [here](#) and spread the word [here](#).

If we do not re-address the complete financial sector, we are merely rearranging the deckchairs on the Titanic.

MY FINAL PRESENTATION IN EUROPE

My six week European Tour is coming to its close in Rabenstein, Austria this weekend.

A full day conference with other amazing speakers on Saturday 12 April

And my final personal full-day workshop on Sunday 13 April 2014.

I deal with multi-dimensional physics, nature of reality, consciousness, enlightenment, ancient civilisations, advanced technology, DNA, UBUNTU, Contributionism, and the bright future we are creating for ourselves.

Full details are here

Email Peter Herrmann for bookings - herrmann.peter@email.de

Spread the word to those who are near.

Next stop - the South African parliament and injecting a virus of consciousness into the system.

Till later - in LIGHT & UNITY and pure truth

This is an "elite" agenda – one which the N.W.O. wants upheld. protecting the "EFFICIENT" D.N.A. of the giant Anak'im.

FOOTNOTE:

¹Ship, barque, Vessel, birch, boat, island etc all mean the *Earth* in the Alchemy List.

The word "island" throughout the quatrains means a planet, and the word "treasure" means the time gates.
This is what the ship buried near the Giza pyramid represents.

Thus leading any enquiring person to ask :

"What then is the significance of Birch Island planted on purpose to Birch trees?"
Oak Island nearby has been planted by the Templars with Oak only.

In the Alchemy List the word Oak, Acorn, Quercus is always a key word for the time gate.

The word "oak" appears in a few quatrains, as is the word "treasure".

Nostradamus calls his portal a "stage gate".

Michio Kaku also said star gates would be accomplished by "stages" –

The word "Ladder" also applies to the stage gate – and ladders can be seen worn as a sporran by occasional pharaohs. Senusret I – the caucasian Seti I and Thutmoses III seem to have been aware of stargate portals.

The stele of Thutmose III between the paws of the Sphinx is telling people there is a stage gate under. It matches the copper plaque of Senusret I. Many of the Hidden Texts do the same. The forum *SHARS OF NIBIRU & THE ZODIAC AGES* speaks clearly of the entrance to the stargate under Giza and where it is in relation to the Sphinx. The copper plaque of Senusret I clearly shows the star gate under Giza including "coils", batteries, electric light pole and the "sound vibration" required. People forget, or want to forget that Nostradamus was missing for six years.

Nostradamus himself said he had gone to Egypt to "study history".

These details are in the forum just mentioned.

Buried on Oak Island, by the Templars, is a mechanical portal. The same which is used by the American Military . Dan Burisch has published pictures of this mechanism.

This information is in the Hidden Texts. There is more work *not published* than there is which *has been* published much of which I have been told not to do so yet.

There was a documentary titled The Money Pit on Oak Island. The very first time it was on t.v. they used a medical instrument (laparoscope) with a camera to see what was down there.

Just for one brief moment I saw the same piece of equipment which Dan Burisch described.

The next time this documentary was aired – that scene was gone.

The next question is "how"? How did the Templars do it? They had help. Those who assisted in removing this double edged sword from history were what we call the Oannes, the Uan – the same who visited the Dogon.

This information is in the hidden texts so for the modern day archaeologist it means nothing.

Should any real archaeologist ever get to Birch Island and make the discovery of this Age – then and maybe only then, will the Hidden Texts be truly vindicated publicly.

Currently we are seeing great archaeological discoveries regarding ancient Egyptians visiting many parts of Earth. Thanks to people like Michael Tellinger, Steven Strong, Graham Hancock and many others who have stumbled onto the truth – we will all find the real history one day soon. As Nostradamus said:

Is Birch Island the repository of the Vessel of Soloman?

Or even the real burial place of the man Jesus?

Is this "vessel" the real holy grail?
