This video is considered (by someone) a hoax, yet this is the very same ufo I saw at Rye Park – being chased by eleven silver orbs

SEE THE CARAVAN – THIS IS THE PART OF THE "CAMP" WHICH INCLUDED A TRAIN CARRIAGE

THE ELEVEN SILVER ORBS ARE IN A VEE FORMATION, THE CRAFT THEY WERE CHASING JUST BEAT ME TO IT, EXITING SHOOTING STAGE RIGHT AT THE VERY EDGE OF THE SHOT AND OUT OF SIGHT

HAVING THE CAMERA ALREADY IN HAND DID NOT HELP A GREAT DEAL, YET I HAD NOT SEEN THE SILVER ORBS UNTIL THE PHOTO WAS DEVELOPED

I THOUGHT I WAS TAKING A PHOTO OF A LARGE PELICAN, WHICH WAS BELOW THE HORIZON AT THE TIME

THIS WAS MARCH OF 2000

 At least one was a *shape shifter*.
 And each have their own alliances with two others – not mentioned in any of the 'treaties'. Making the 'treaties' contracted by three triads. Nine Other Worlders.
 The treaties last 9 years. Treaty 9, due in 2014, includes the "trade in men" clause.

 By deduction this is the loss of electricity – so have your memory drives updated and stored accordingly

Dr Greer caught this in one frame of his video. The group of watchers here were "calling in" their Off World visitors, and the craft which arrived had "shot" this rod down in 1/58th of a second. As you can see it is substantial in size having illuminated the audience.

In former forums we have been told these rods belong to those from Chertan and or Ophiuchus. Is Dr Greer being led to believe what they want him to? Keep in mind Phil Schneider's episode when you listen to Dr. Greer's message.

<https://www.youtube.com/watch?v=eTAJpm91eII>

THIS IS AN OPHIUCHAN/CHERTAN CRAFT

also note his reverence for SIRIUS, his negation of tall Nordics (see Earthfiles Intervue with William/Tau Cetians) and GREER frequently states "THE ORION TRANSMISSIONS".

It is the *Orion Group* which fooled FDR in the first Off World treaty

Sadly, it is my opinion that the Greer group are being fooled by very clever Other Worlders.

Has Dr Greer yet described these visitors?

Even if he did, these are the shape shifters going by their craft.

□ [Helen Parks](#) I did watch all of this video. Much is grounded in fact. So much so that I began to disbelieve what has been taught to me in the last few years (in the texts). THEN Greer proudly shows a probe craft - which only very recently, last week, I learned is an Ophiuchan craft in alliance with the ultimate shape shifters, those from Chertan (formerly "Carpenter" then part of "Norma" now the 'rib' or 'hip' of Leo) which are MANAGERS OF ALL - including THOSE FROM SIRIUS... according to the texts.

For 2 hours there I began to really doubt that the information coming to me was rigidij, Kosher, fair dinkum or worse, was it possibly *misdirection*. Now I understand WHY I was taught to study the different craft. This being the only means of knowing with whom or what we really interact. These same entities from Chertan are the shape shifting jellyfish craft as well. It is all very well for him to say we live in a Manachean paradigm, which he says is not for real. That reptiloids are not real and so on is what he implies.

Ask the murdered Phil Schneider this question or ask yourself after reading his experience.

The first comment made by many people regarding an interaction with certain Off Worlders is how the mind can be manipulated into believing in great joy and sense of peace in their presence.

Greer does not seem to be aware of white gold powder abilities, therefore its value to those Off Worlders who do know its properties.

We did NOT go to the moon as a political "race" - it was a joint project, basically to fool the public into paying for the space programs, that is, to send voluminous amounts of money in one direction.

Greer does not seem to realise that the Military Industrial complex ARE Off worlder projects

If Greer comments: "they" have been coming here for "thousands of years" ... he needs to discover why?

Greer does not seem to be aware of WHY wars have been invented, and the method of division of the peoples of Earth (using religions)

Greer is saying that negative aliens are a complete hoax - so what is the baby-eating reptilian shield of Visconti about? What was the Pied Piper of Hamelin? Where are the missing thousands of children currently unaccounted?

What about Phil Schneider's underground entities: what are they about?

"Even humans have the United NATIONS" - He is not aware about them either, who really arranged them and the E.U. - the same who edited the bible in 325AD.

He is saying implants are done by the military to keep us all under control... true the military complex is guided by the Orion Group with new technologies - none of which do any good to Mother Earth

So how does he explain Napoleon's implant?

The Norway spiral he says was a scalar warning to Obama - so what were five other ones over Catherine Fields NSW, Gatton in Qld and Woomera in S. Australia about? These five were over Australia in the ensuing five months from December 9 2009. Who were THEY warning?

Manichian – a word used by Greer frequently.

Manichaeism was a major Gnostic religion that was founded by the Iranian prophet Mani in the Sasanian Persian Empire. While most of Mani's original writings have been lost, numerous translations and fragmentary texts have survived. ..

Manichaeism – dualistic – 'black' or 'white', 'good' or 'bad'

VIRGINIA BASES – GREER. From Bill Ryan and Kerry Cassidy of Project Camelot

“[Project Camelot | Steven Greer transcript](#)

http://projectcamelot.org/lang/en/steven_greer_interview_transcript_en.html

Now, in the early days it could be argued that, well, **there were** religious issues, The eschatological axis within Majestic is a **very powerful one**. **Some of them were living, and I have a witness who actually handled one of the living ones as late as 1950-'51 here in Virginia not far from where I live, at Camp Peary [spells] ...**

But that was in the '40s. So there were very advanced electronics that were already being used. And by the time the extraterrestrials showed up when we were detonating nuclear weapons, we were able, at Roswell, at our only nuclear bomb squadron, to have one of these weapons and a radar dome, or configuration, that caused the two of those to crash. KC: Right.

SG: There were bodies on that. Some of them were living, and I have a witness who actually handled one of the living ones as late as 1950-'51 here in Virginia not far from where I live, at Camp Peary *[spells]* P-E-A-R-R-Y, a very top secret facility.

[Ed note: Greer means Camp Peary, Army experimental training center near Williamsburg]

Now, what's interesting is that that genetic material from some of those bodies has subsequently been cloned, *from a number of different species*.

Now, you know, I have a daughter with a Ph.D. in neuroscience and genetics from the most prestigious university in the world.

What I've done is, I've looked at this, sort of... What the current state of neuroscience is in the non-classified world is that if they wished to, they could take cells from a human and clone them. Absolutely.

BR: Sure. KC: Yes.

SG: Now, imagine what has existed within the classified world, because these were the people who were the... These were the humans who were the *spiritual descendants of Mengele and the Nazis, Wernher von Braun and that whole cell*.

KC: You're talking about the scientists.

SG: The scientists who were brought into these classified projects, and who were at the foundation of the CIA and the early space program. So the highly compartmented programs that deal with this issue... KC: Yeah.

SG: And this is the thing: Everyone talks about antigravity and this and that, but what they forget are the enormous advances that have happened between the early '40s and now in genetics and bioengineering and neuroscience.

Those have gone into application where they now have created these creatures that people think:

Oh, that's an extraterrestrial. I say: It is NOT an extraterrestrial!

So the whole thing has deliberately become confused so that people will make an assessment *where there are the good aliens and the bad aliens*.

And if we step into that "cowboys and Indians" mindset, they can then divide the human race into another war footing that will fulfill the Majestic plan that was hatched in the '50s, that will take us, as Douglas McArthur said in his last address to the Congress, to interplanetary war, which is the World War III they want.

- Steen-McIntyre, Virginia, "Suppressed Evidence for Ancient Man in Mexico", NEXUS 5/05, 1998.

Approximately 7 years ago, I asked my father where he thought that we, humans, were from and after he pondered the thought for some time, in absolute silence, he indicated Mars. No joke and he was not laughing. Note that my mother is a Christian and my father is a Muslim and that both of my parents have held Top Secret Security Clearances, as they have traveled the world, extensively, and later retired after having worked for over 20 years each, for the U.S. government. My mother worked in Crypto and had received her military Signals (SIGINT) training somewhere near New Jersey and the Commonwealth of Virginia, on the East Coast of North America.

I don't know exactly what my father did, and I still know only a fraction of the work that my mother really conducted and carried out on behalf of an organization known as RedCom22.

Phil [Schneider](#), a builder of US underground bases, told the writer and researcher, Alex Christopher, that when children reached the point where they could not work anymore in the slave conditions underground, they were consumed by the reptilians. They prefer young children because they are not contaminated like adults. Hard to accept isn't it? I'm sure your mind is screaming 'nonsense' at you because who wants to face a truth like this? But unless we do, how is it ever going to be stopped? Thu Aug 25 2011 00:04

COLORADO, BLANCA PEAK - Mt. Blanca [Massif] is located in the mysterious San Luis Valley of Colorado, which has been a "hot spot" for UFO sightings and **animal mutilations**. Also Southwestern tribes have legends involving caverns below the Mt. Blanca, San Luis Lakes, and Great Sand Dunes National Monument region, through which their ancestors migrated during a time of surface natural disasters before emerging onto the surface once again. There have been some rumors of an attempted government attack upon an underground alien [Grey] base beneath Mt. Blanca, using a deadly nerve agent, which backfired or failed. Blanca peak is located between Alamosa and Walsenberg. source: [Steven Greer](#)

Let me tell you something about the alien threat.

For example, I have a lot of respect for what [Dr. Steven Greer](#) did, and is doing.

I mean, it is an outstanding job. Like yours! I am very surprised, because there are still people, you know, that despite all difficulties, you know - they are keeping their efforts. They don't give up.

But Dr. Steven Greer, which did a great job, particularly in May 2001, when he was the Chairman of the press conference at the National Press Club in Washington, DC. And there were more than 20 witnesses involved in the past on extraterrestrial affairs and UFOs. Even today, Steven Greer says he's convinced - because of his information - that there is *no alien threat*.

Okay, let me tell you something about this.

Here we have behind me [gesturing to photos]... We have some frames of a gentleman who is now dead. He died in 1996, January 1996. I am talking about Phil Schneider. Philip Schneider.

[photo of Schneider on screen] All right, this guy was an insider. His wife - former wife, Cynthia Drayer - she is still, now, trying to open a case about the death of her former husband, because of the mysterious circumstances in which he died.

And Schneider, for many years, for a couple of years, gave many lectures and said:

Yes! There are extraterrestrial races which are benevolent, at least two of them.

And: *But, I'm sorry, but there are other guys in the universe which are not, you know, nice people.*

WHY, until now, all, you know, the alternative source of energy, cannot find enough space in our society?

Because there is so much interest in, you know, "take advantage of the oil."

Question: Is it possible that there is something that **doesn't want that free energies**, you know, can become familiar?

Yes? Of course. And do you think that these people are acting by secrecy, or are acting in another way, in front of the public?

Of course not. If they do this...

KC: Didn't Steven Greer also say in his book...

LS: Yes.

KC: Something about the Jesuits? That he was approached by a person who said...

LS: Yes. He had a meeting in the past. He wrote this in one of his chapters, [Hidden Truth, Forbidden Knowledge](#), if I remember the title of the book.

And he said that in the first years of the '90s, last century, he had a meeting.

And one of the insiders of the "black world" said to him:

If I want to know something more, I have to talk to some Jesuits.

And, this came out AFTER Barbato's testimony.

So this is an indirect confirmation of what Barbato told us.

And, I am very surprised that Dr. Steven Greer didn't say anything about Barbato's testimony.

Another thing that I want to point out. It appears that this, you know, SVS possible structure, could be the famous *Shadow Government*, you know? How many people talk about: **There is a shadow government.**

BR: Okay. Let me summarize the reason for the question, very clearly.

He says... And he's worked on the inside for the American government for many years, and now he's a whistleblower.

He says that the Jesuits are at the top of the pyramid of all the intelligence agencies in the world.

He talks about "Project" Omega - that's what he says. And he says, as well, that the Jesuits are

running and controlling the South Pole telescope, which is in existence specifically to observe the incoming object.

Do you have any comment on record about any of that at all?

LS: There is one aspect of all this affair, on which Barbato didn't say anything.

And I am surprised that *all* the ufologists, *all* the presumed researchers, didn't want to investigate.

Because I can understand, you know. For example, I wrote many articles. But I didn't write anything about what I am talking about.

I'm talking about the three letters that you see in the introduction to the Jesuit Footage: **SVS**.

What the Jesuit told Barbato in the interview that the Jesuit granted to Barbato - because after the interview that Barbato granted to me in September 2006, if I remember well - Barbato, on his website, spread the interview that the Jesuit granted to him. And he said that the **kernel of all the secret societies now on our planet is SVS**. Nobody wrote a single line on the subject. Barbato didn't say anything more because of, maybe... I can understand him. If it is a sensitive...

KC: What can it be, though? If you know something about all of this - SVS?

LS: I don't know anything about this. But I can tell you something.

Think about [Dr. Steven Greer's](#) researches.

He said, many times, we are destroying our planet, because our technology is based on fuels, you know?

We *burn* our fuels.

Maybe there are extraterrestrial intelligence that found out other source of energy so we can stop the energy crisis. †

First of all, the strange three letters on the classification markings that you can see on the introduction to the Jesuit Footage, the first three letters, SVS, is a mystery, was a mystery years ago, is a mystery now, yet.

Barbato doesn't want to talk about this. Because, it is *his* choice.

In Letter 32 – Nostradamus writes to Lorenz Tubbe “the Pomeranian” who lives in Bourges. Indeed – this Lorenz is receiving such cryptic communication which includes “The Triple Method” – which is NOT a tripod! This Lorenz Tubbe must have been entirely cognisant of everything which was happening to Nostradamus, such as time travel. What a responsibility in times of Inquisition! Tubbe says:

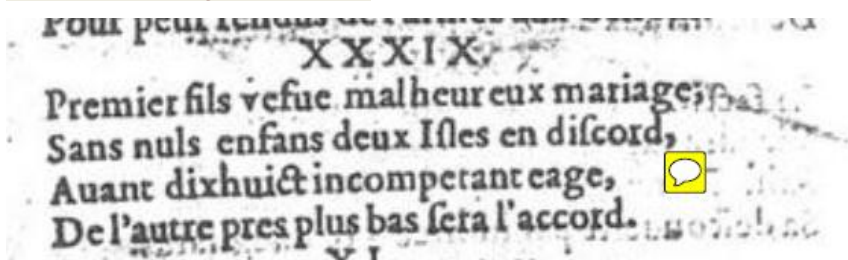

“I deeply regret *having been snatched* from France before we could meet and speak in person; I do not despair that it will happen one day, the gods willing.” “These, then, learned Berard, are the things that I have been able to glean from that good spirit according to the most profound judgment from the stars”

So who was this Tubbe? And later in these communications:

“Regarding the present years of 1560 and 1561 -- they do not have me being spared of calamities of all sorts.”

Adding the cipher of 458 years gives us 2018 and 2019 being “not spared of calamities of all sorts”.

† There is a forum being completed now titled *FREE ENERGY & FIPPLE* which derived from a line in *EARTH BEAST – HUMAN CREATURE* which is also being completed right now (MAY 26 2014)

The information seems to be parallel with the energy from the Giza pyramids and from Tesla, also explaining much that I have missed simply because I had not been aware that white powder gold is a transmutation agent – even though the word ORME has appeared frequently. This derives from the word ROME, so saying that within all the quatrains and presages, the word ROME and the quatrain it is in will need to be studied in some depth.
