

EARTH BEAST ~ HUMAN CREATURE

GUISEPPE:

When a person's actual name appears in the texts it cannot be ignored. As a reader who really does read the hidden texts in these quatrains, this forum includes some of his (Marc DiGuiseppe) comments:

1 27 3 *Qui par longs fiecles auoit efte grappe*

that which for a long time had been contained = knowledge, the 'gold' of Psellus/free energy/the stage gates

SELF APPRECIATION If [is] *GROTESQUE AGE PLAGUE*. This speaks of *Service To Self* ("elite")

[SELF APPRECIATION If...] GREATEST QUALIFIER OPPOSING PEACEFUL.

IS PARCS USE QUOTE OF POET'S OPAQUE hidden text PAGES. IS ALSO A QUOTE OF GUISEPPE. (Ra's Law of One reference)

saying to reiterate the details of the *Law of One* which essentially means the interconnection of everything due to quantum physics, as opposed to the "hive mind". In the "opaque" pages this appeared as 6 81 (in *ISON*) and the forum *The Law of One* as well as quatrain 1576 *Octobre* here plus 1 42 the *gold of Psellus*

This is the very reason the "Pleiadian channeller" known as Barbara cannot be a true channeller. She stated in a lecture: "*quantum mechanics, found about a hundred years ago by your scientists*". If she was a *real* channeller, she *would know* such history as Michael Psellus the Younger who wrote in 1055 AD "*The Cronographia*" ch.39 which topic is quantum physics. Named by Nostradamus in 1 42 (the 'gold' of Nostradamus and Psellus) with 'gold' being on the surface of it an alchemy name for *knowledge* and underneath the surface the Egyptian ormus named in other forums, that is; white powder gold – the means by which travel into other dimensions is made possible. APES (Ah-pees) of Sirius which I just realised are shape shifters too. This is the only explanation for the "Aiwazz" (aka *Abus*) which visited Crowley in the guise of Ehwasz... It was Aleister Crowley who termed the word "Ape" in his cult, and it was this "Ape" (Arpu) to which he was referring. It must have been his own little secret *POSING AUUE* refers to the upcoming false rapture. The word *OUUE* refers to Treaty 9 signed by F.D.R. in 1932/3. It was Treaty 1 at that time, but it is the ninth treaty which "calls in" the "trade in men" clause. This is why the "FEMA" camps have been built

The *J-ROD45* & *TREATY 9* forum has not yet been published. At this stage for 'my eyes only' it seems plus when it was collated the 'triple method' had not yet been found. I can see now why the y told me not to publish it yet, as well as *STAGE GATE - STARGATE*. I had to take a deep breath when the name Guiseppe appeared, this is Marc diGuiseppe who has had much good advice. EQUIPOISE: to offset/balance treat equally

 Nostradamus said in 10 75 *long awaited he will not return* BE E happens to be the date of an event like Yellowstone

It is here that an interjection is needed. The following lines speak of a clone which happens to be in the format of a beloved former politician who, because of his high profile has been -or seems to have been pirated by an Off World faction who are going to use his high profile *without his own knowledge*. LARGE IS-BE This term has only been used once in the quatrens before now. Small words with a big meaning.

3 1 2 *Le grand Neptune à son plus haut befrei: (from IS, CAN BE, SEVEN CONDUITS – SOME USED)* NOT FULL [all] HANDS (Leo) UP+
 IS BE; OANNES GRAILE RE-PUT [replace] i.e. *shape shift*. The reason we do not see these two words in the qutrens is
 simple. IS BE is a date. This line could be a pun in that case. It seems these "IS-BE" grayles are those of M'Abus, run by the red
 Oannes of Chertan. The same which "run" the Vatican. The shape shifting can create anything – including Marduk himself
 "Beams" can mean a few things. *Beams* everyone up (being "caught up" says the Bible) or M.E. beams, a directed
 energy which is said to start the supervolcano event/s. Here we have "pre face" again | see "*UNDER 2017*" |
 Pre Face is "before the second decan in Scorpio". the Halloween date. Other lines say October 11, which *is* 'pre face'

the great secret (that we are all one) is speaking of quantum physics, a subject covered by Michael Psellus the Younger in 1:42 publishing "*Cronographia*" in 1055AD. So, if anyone tells you we only made these discoveries "a hundred years ago" then that person has not done their homework. Nostradamus as we can see, clearly was aware of this topic. This leads to the Templars also having this knowledge, having buried the proof (a mechanical time gate) in Oak Island.

Largely forgotten at the moment, being blamed squarely on the elite here. Naturally there is no proof about the earthquake being created in order for the elite to warn Japan to stay out of their way. There is some evidence that Japan was becoming involved with sending crude substance to Iran at the time. CHANI had also said that Japan was secretly involved.

When found she had many attachments to her face mouth and brain. These have been removed to show us the "Madonna of the Moon". You will notice her "Asian" appearance. The enigma for me is the word 'asian'. As is the 'god of the Aesir/Aett. Was she an Elohim? Or Anakim?

Then: **ELITE ARTEFACT COOL FIRE** The "elite" have had the Anu (U.N.) behind them, so there is no reason to think they do not have technology which is capable of "cooling" a volcano. Question is, is it capable of dealing with a super volcano – or three? Here is one answer **LEO, ELITE ARTIFACT FORCE**. 15) U.S. PRESIDENT IS TREMENDOUS BEAST ISSUES EARTH'S MURDER , ISSUES PITEOUSNESS, RUIN DENSITIES

many text lines say the president is a clone, as well as his "relatives" Go to *NOIRE THE WICKED*

What is this "BEAST?" is it not a single persona ?

Nell's take on this: there is no argument on this idea, the "beast" is the creature entities named already so what Marc says here is correct. These entities have a hive-intellect which was shown in *THE LAW OF ONE* and the hive intellect is in direct opposition to the manner the Noetic Entities operate. These are the *hero*.

and from Marc These passages are referring to a *collective* of what we can both logically, ethically, and morally refer to as "The Beast."

Nell: " **It Is the Monstre D'Abvs – those underground shadow government of the Phil Schneider ^{1 footnote} incident and it is also the HUMAN LION with the question hovering "shape shifted" and or "perception"?**

"The scientists who work in synthetic biology often take a perfunctory, reductionist view of what they do.

"I decided to take what we understand in computing and apply that to [programming biology](#).

To me, that's really the essence of synthetic biology." [Emphasis Marc diGuiseppe]

So, what's so important about splicing spider-mite DNA into the DNA of goats, anyway?

Well, based on the information gathered from the above article, further research reveals that the chemical Tetrahydroxystilbene-Glucoside is produced by spider-mite genetics and as we delve into this seemingly unimportant piece of trivia we learn of connections to connections to connections.

HAZELNUT Mar 22 to Mar 31 Aug 5 – Sep 1 Sep 24 to Oct 03

WALNUT Apr 21 to Apr 30 Oct 24 to Nov 11

What are these passages telling us?

11) **INSTRUMENTS EPISODE: MISDEED RUNS REPETITIOUSNESS RESIDUES SUSPENSE**

One interpretation:

<http://www.theguardian.com/film/2012/nov/06/seal-team-six-osama-bin-laden-review>

"This film is the point at which [Harvey Weinstein](#), exploitation-movie impresario extraordinaire, meets [Harvey Weinstein](#), Democratic big-money donor and activist."

<http://www.bioportfolio.com/resources/pmarticle/130762/Tetrahydroxystilbene-Glucoside-A-Plant-derived-Cognitive-Enhancer-Promotes-Hippocampal-Synaptic-Plasticity.html>

Another interpretation:

The word SUSPENSE – being suspended – this speaks of 'repetitiousness' of this episode, be it suspended in chemtrails or within a vaccine solution

11) **DISRUPTION INTENDED SPEEDS UP NUMEROUS RESIDENTS UNDERNEATH DIE**

("die" dee-ay also means in Virgo)

Another interpretation: "disruption of the numerous residents under chemtrails"

or: those clones "super soldiers" grown in vitro under S4 (Dan Burisch) are known to have a short life, sometimes only weeks, like a fly

<http://writing.wikinut.com/Dulce-New-Mexico-Top-Secret-Military-Base/38ofz1--/>

and from Marc "The second reason being:

The elite humans that have chosen to collaborate with The Greys now have their own disposable slave-race.

Like the alien Greys, the US Government secretly impregnated females, then removed the hybrid fetus after a three month time period, before accelerating their growth in laboratories.

Biogenetic (DNA Manipulation) programming is then instilled - they are implanted and controlled at a distance through RF (Radio Frequency) transmissions."

Oh my! Now we know what the/another reason for the "spider mite" DNA experiment was, don't we ...

The DULCE papers

We [should all] now know that synthetic humans are being mass-produced here in a plan that will eventually replace inspired Third Density humans with Second Density human-like animals... "The Beast."

12) **IT IS DEEPEST MURDEROUSNESS IN NUT (F.E.M.A. camps)**

Another interpretation: "deepest murder" meaning the greatest effect by murder can mean the "millions" who are given carbon monoxide in "boxes" in other lines, or it could mean the "Trojan deceit of the president" which seems to refer to the bombing of a supervolcano in the "nut dates" of Oct 24 – Nov 21

and from Marc August 5th to September 1st (Hazel NUT)

<http://www.usnews.com/news/articles/2013/05/09/obama-put-a-target-on-their-backs-seal-team-6-family-members-say>

Marc's take on this passage:

"From Nell's citations, we can determine that these passages are referencing a "confirmation" and not an event. That is, they are accurately predicting or identifying *events* to suggest to the reader the he/she should be looking in the direction of the *subject matter* and not looking for an event to "happen" on a specific date.

Knowing this, together with the guidance offered in The Hidden Texts and their "earthly" phenomenon (as posted above), we can determine that the Doc is talking about HAZEL NUT date. We have confirmation in the date that Seal Team Six was "assassinated." Seal Team Six was instrumental in carrying out the ruse of Osama Bin Laden's assassination which has since then been subject to all manner of scrutiny in both the alternative press *and* the main stream press.

An example of main stream media 'scrutiny':

<http://www.usnews.com/news/articles/2013/05/09/obama-put-a-target-on-their-backs-seal-team-6-family-members-say> **An example of alternative press scrutiny:**

<http://beforeitsnews.com/alternative/2013/05/seal-team-6-families-to-blame-government-for-deaths-641666.html>

Remember, The Hidden Texts say:

IT IS DEEPEST MURDEROUSNESS IN NUT IN NUT has several dates: (over several years, this could be the 'rapture' too) suggesting that the most "heinous" deed of the President was to order the "assassination" of a group of "men" who, apparently, *knew too much*. **That occurred on August 6th, 2011.**

>CHESTNUT May 15 to May 24 Nov 12 to Nov 21

>**HAZELNUT** Mar 22 to Mar 31 **Aug 5 – Sep 1 Sep 24** to Oct 03 Yellowstone: Elm Sept 2 – 29, so Sept 24 - 29

>WALNUT Apr 21 to Apr 30 Oct 24 to Nov 11

and from Marc "In all, 17 members of the SEAL Team 6 counterterrorist force were on board the CH-47 Chinook transport helicopter, along with its Army National Guard aircrew, several support personnel and seven Afghan

commandos. In all 38 troops died after the helicopter was shot down by what a review determined to be a Taliban RPG over Wardak Province, Afghanistan, on Aug. 6, 2011.”

(August 6 same date as Hiroshima)

In the moral and traditional *Socratic* world of human ethos, you don't kill heroes, do you?

and from Marc Yeah! Tell it like it is Doc! No mistake here! He's *identified* the bastards hasn't he?

Remember when I sent you that I Ching reading I got that said a "small detail" has been overlooked?

Well, notice the small detail ... August 6th in the Illuminati's favorite year 2011.

(The other small detail: the word PRIESTESSES who are the Andromeda Council)

6) Empire is always the reptilian influence, which is stupid in its thinking and actions lacking in being genuine (spurious) (Nostradamus got *that* right!)

Now, why is that? Why would the Illuminati-controlled main stream press participate in such scrutiny and castigation of the present administration?

In the moral and traditional *Socratic* world of human ethos, you don't kill heroes, do you?

Next clue

8) **BEAST INTRUDED EARTH, DESPISEMENT UNISSUED PROMISES, SERIOUS EARTH EDITS** (chemtrails, G.M.O. HAARP)

Nell's take on this passage (...and I agree but it's just "part of it."):

8) The beasts ("creatures" Da Vinci calls them) come to Earth uninvited issuing promises (of technology) which go unfulfilled not letting any human realize their true intent. (See *ALIENS LIE*)

10) **NEED DEEPER INDUSTRIOUSNESS, (need to work harder against) PRESIDENT, RESUMES DISSENTIOUS ITEM (martial law)**

Nell's take on this passage:

10) DEEPER INDUSTRIOUSNESS ITEMS is a pun on the underground bases, and utilising corporate industry to engage in creating many types of dangerous pollution (fracking, chemical "spills", radioactivity and nuclear waste, fluoride agenda etc) using their "walk-in" cloned president to obtain the laws required to protect their interests

11) **DISRUPTION INTENDED SPEEDS UP - NUMEROUS RESIDENTS DIE UNDERNEATH**

Nell's take on this passage:

11) Creating the main agenda episode which continues for decades. The chemical residues in the chemtrails agenda arrive "suspended" in the air. It is in vaccines also that unregulated biogens and heavy metals arrive in a "suspension" liquid with the intention of disrupting the health of residents and shortening their lives.

The words "die underneath" can be taken to mean underneath the chemtrails, or those who went "underneath" into deep underground bases to save their own skins – and/or those in the basements of 9/11

13) **REMINDS IOU (you) BEAST INTERESTED IN DIMMER EARTH DEED: SERIOUSNESS UP** (chemtrails)

Nell's take on this passage:

13) REMINDING YOU these beasts need a dimmer Earth, and that is what they plan to accomplish, or "dimmer Earth deed" could be *nuclearisation* of everything

14) ENTRIES SUSPENDED MOISTURE – PRESENTED DUST ODE DISTRESS, USED PROMISES

14) Preventing rainfall, creating deserts (or asteroid entries send radioactive ocean suspended in space) USED PROMISES (recall the line about the elite expecting "entitlement" for payment for their deeds)

Ω2 58 4. Silene luit,petit grand emmene.

> LARGE INTELLIGENT IMMUNE U.N. ENTITIES IMPLEMENT DETAINEE (Meme, concept, ideation)

The U.N. (via Agenda 21) "attempts" to implement the concept of *Detention without Habeas Corpus*.

>RESULTING IN ENGINEER UNLIMITED TEMPLATES REPEAT.ING (clones) ("repeat" is in Gemini and "ing" is harvest)

This program of subterfuge and oppression is implemented at the "Local Level" as well as the "National Level" resulting in the meme (template) being established from the bottom—up.

<http://www.scribd.com/doc/7892639/Implementing-Agenda-21-in-Local-Government-The-Swedish-Experience>

<http://www.teapartytribune.com/2011/07/02/agenda-21-conspiracy-theory-or-real-threat/>

<http://americanpolicy.org/agenda21/>

The reason for this is that "Local" politicians, having a smaller demography to influence, can be "bought off" much easier than politicians of "National" significance who are subject to greater scrutiny.

[a "small detail" which has been "overlooked".]

>2 58 4. Silene luit, petit grand emmene.

>ELITE IMAGINES PRELUDE to ADMINISTER ENTITLEMENT, MEANTIME – ANGRIEST

They're just cranking 'em out over at DULCE! They have to generate enough of these Second Density animals (clones) to pose as "leaders" and social demigods in order to implement their "New World Order"—which is a return to feudalism and *corporate collectivism* or—as we see the Doc categorize as "ENTITLEMENT."

(Which such cognition is, of course!)

>ELITE RE UN-IMPLEMENTED DEED; (promise) RESULTED ANU RETAINING [their] ELEMENTS [DNA]:

The ANU refused to participate in this "plan" nor would they contribute their DNA as a foundation resource for the development of these Second Density animals (which have very short life spans).

>ANU IMPINGEMENT ELITE, DUMP DESPERATE ELITE.

and from Marc Here, we get a glimpse of the "Truth" behind the reality of which we have become aware.

The ANU tweaked a humanoid to create us as a self-sufficient, self-governing slave race which would mine gold for them. They use this gold to save *their* planet (and for white powder gold) This is an ethical argument. Our Third Density, 3-Dimensional persona was created and subsequently "inspired" through the intervention of the Elders (Elohim) to "check" the imposition of biogenetic programming upon a naturally created Second Density being developed (tweaked) to eventually become "Self-Aware" as it progressed through its Second Density. (They think the Ormus will do this ^{HP})

What does this tell us?

Well, I think the most important thing that it says is that "creating" sentient (thinking feeling conscious) beings in this, the Third Density is the province of the Elders and their purpose can *only* be for the reasons of exploring the realms of "Self-Awareness" as part of the Living Library scheme.

The ANU *know* the Elders and have communicated with them from time-to-time.

They *know* that these beings while just, forgiving, and patient, are also very, very powerful.

This passage tells us that the ANU have made a public statement "We don't want to have *anything* to do with this!"

They are saying. They want to ensure that the "wrath of the Elders" doesn't fall upon *their* heads; a feckless and irresponsible attitude, yes, but one that will, at least for the time being, help them to avoid the consequences of the

STUPID EMPIRE'S TEDIOUSNESS *ponderous immature thinking.*

>[ALL OF YOU] IMPLEMENT "RETAINED GUNS"

As with all of the Agenda 21 Legislation being established at the local level, the public is refusing to comply.

<http://youviewed.com/2013/12/04/connecticut-authorities-amazed-at-non-compliance-to-draconian-gun-laws/>

<http://www.wgrz.com/news/article/215660/37/Compliance-With-SAFE-ACT-is-Elusive-in-NY-/>

This growing resistance to "out-worlder" intervention is the result of our having long ago been "inspired" and so, our "minds" are connected to "The Source" from which we can both draw our ethos (way of thinking) and *wisdom*.

This is why the planetary ruling elite have decided to "replace us." We cannot be trained to suit them...

15) U.S. PRESIDENT IS TREMENDOUS BEAST ISSUES EARTH'S MURDER, ISSUES PITEOUSNESS, RUINS DENSITIES

Nell's take on this passage:

15) U.S. PRESIDENT IS TREMENDOUS BEAST is saying two things – first that he is not a human being and second that his is not a human agenda "issuing Earth murder" including Earth and human densities – which encompasses the natural magnetic ley lines and tectonic plates. **ISSUES PITEOUSNESS such as fining people for feeding the homeless, and even themselves from their own backyards**

>ADDITIONALLY in 1 80 3:

IT IS THE "MONSTRE D'ABUS" ENTITIES ISSUE RISES - PERSUADES PRESSURES THE DETAINEES, HESITATED USE "I"

THIRTEEN Thirteen "I" is a date. Either Halloween or December 18-20 in 2013 or thirteenth day of Halloween.

ENTERPRISE - **THIS ENTIRE ISSUE REPEATED.** IS DESPERATE RESIDENT M'ABUS (Ophiuchus) ENTITIES HESITATE USES

PRESSURE SUPERHEATED, (because they live underground!) REHEARSE ISSUE (the March 2014 Yellowstone "eruption"?)

The "I thirteen" is thirteen days after Halloween – November 11/12 Since October 11 is meant to be the supervolcano, then a month later would be the reptilian round-up of humans for the cannibal harvest – the eating "feet first".

Other lines say the same thing regarding Rio de Janeiro suddenly appearing near the South pole and the reptilians taking advantage of herding humans in dire straits. They can not tarry, they do not like the cold

REPEAT is also alchemy for the date of Gemini

If we pause to reflect upon our circumstances, we will understand that despite horrific programs of senseless, unethical, and immoral war, insidious culling of the planetary population through Chemtrailing, vaccination programs, genetic engineering of our food supplies, the imposition of murderous police state tactics upon the innocent, brutal assassinations, and systematic pollution and poisoning of the biosphere, humankind continues to cling to life. This is because of "Mother's continued intervention." She washes away the pollution and continues to produce nutrition in abundance and we continue to thrive. This gives us time to think things through and as *that* happens more of us are waking up to the reality of everything that's going on.

For her intervention, the out-worlders are attempting to *kill* our Great Mother—remember, Zeena (Eric Newold) said that Mother's spirit is in her atmosphere. Because we're not dying fast enough, the out-worlders are attempting to terraform the Earth into a desert planet that would naturally deny the human population sustenance. To hurry things along, they've invited the clowns from Epsilon Eridanus, who have infiltrated the United Nations, ("footstool" for Orion) *et alia* to feast on pork!

The R.O. are the Regency Order of the Extra Dimensional Andromeda Council, aka "princess" in the Alchemy list

Here, our Elders are making a point and it is a very BIG one indeed! They are identifying an "inner circle" of the Andromeda Council, the *PRIESTESSES* who have accepted responsibility for making *final decisions*.

From 1 80 in *SOLAR FLIP* Part Two

"sixth bright celestial light can mean either a planet or a star. The sixth planet inwards is Mars, not so bright until recently due to Ison. Sixth planet outwards is Saturn – **but if an asteroid is coming from the direction of a planet, one would need to know when to see where that planet is.** Nostradamus did say "by fixed stars" so the direction of this asteroid is from the sixth brightest star in the heavens. Trouble is there are several opinions on this too.

Vega/Capella/RIGEL/Canopus (the latter belongs to Argo)

Then a monster will be born of a very hideous beast:

this is saying either: that an asteroid is carried (moved) by Nibiru. Or that the Abus has cloned a human monster. The months mentioned are the "passing over" of Nibiru and are the same as those in the "letters in F.I.S.H." in 2: 5

One of these "hideous beasts" has been dragging an insufferably long and wide influence.

A cluster of asteroids and meteorites along behind it in its wake. Or the alterations to the Constitution.

We're starting to see the effects of this now.

INDEBTED As SUSPENDS SERIOUSNESS THIS TEMPERATURE THEREABOUTS goes with 1 8 4

Father As suspends the "extreme" temperatures because the guardians, overseeing [the Earth] are complaining about the activity of the planetary ruling elite! The corporations who are destroying the Living Library.

Who might the GUARDIANS be? **see 8 10 2** The Cassiopeians with the Elohim. The real WATCHERS 1 8 4. GUARDIAN has OVERSEEN; [you] DELVE INTER AIR RAID SHELTER: A DANGEROUS HAIR RAISER IN OS in Capricorn [this is one Capricorn time to fear]

THE WORD "HAIR" is also a key word for those of Cassiopeia (the vain queen), the Watchers/Guardians (Elohim).

and from Marc This seems to be saying "The Guardians have been watching the planetary ruling elite and have noticed that the elite simply head for their shelters while at the same time ordering their clones to do much damage (DANGEROUS HAIR RAISER) to Earth!

and from Nell Yes, and that the OS incident is a *planetary shift*

1 80 4 **Mars, apuril, May, Iuig** grad charpi & rogne.

REGULAR IRIS ARMY [greys] AGONIC DIAPHRAGM UP, (LyRans) HAIR RAISING MAGIC IN DAPPLE-GREY [horse = fourteen]

and from Marc March, April, and May play host to unseasonably cold and frigid weather. "ENLARGED TEMPERATURE" AGONIC DIAPHRAGM UP Here, we are presented with the word "UP" which when seen in The Hidden Texts means "above" as in *Heaven above*. Might this phrase be saying: "The Elohm have a "gut feeling"—a premonitory ideation, a rationalization? Well, if we can say that then what might that "gut feeling" be telling them?

and from Nell: The vertical duodenum represents two Other Worlders. One is the 'giant' Anu and the other means those from LyRa ("testudines" tortoise being an alchemy name for them in 1 1 1 – which does say they do not fare well in the atmosphere of Earth) the difference seen in the hieroglyphs where the "nefer" of the duodenum has one chantarelle it means the Anu, and if it is representing a "lyre" and has two chantarelles, it means the Elders of LyRa. The word "nefer" has at least 17 meanings (Wallis Budge)

and from Marc

1 80 4 In March April May and June much wounding and worry

This seems to be telling them that, perhaps they should intervene in all of the "out-worlder's" shenanigans as their first response (the arctic night) has given the Guardians (here I think it is referring to the Cassiopeians, **see 8 10 2** who by now are making petitions with elevated concern, "much wounding and worry." As though the Cassiopeians are saying:

“Beloved R.O. (Regency Order)! You *promised* us that we would have title of occupancy for our dear Earth! Yet, your program to stop the reptilian invasion is killing everything we hope to preserve! (Hence, feeling the hurt to Earth ... the extreme temperature is both wounding mother *and* the sensibilities of the Cassiopeians who are concerned for her welfare (or *worrying* for her welfare.).

and from Nell: "much wounding and worry" throughout the months of Pisces Aries Taurus and Halloween (25 "letters in f.i.s.h.") mostly means for humanity – in 2015 according to two vignettes (year of the sheep)

An Opinion offered as a determination... Marc has not seen 8 10 2 yet

and from Nell We are going to see, witness, experience, a direct and very *final* intervention By the Elohim into the “goings on” of the planetary ruling elite and their out-worlder henchmen and overlords. The passing Nibiru and planet Nemesis and its orbiting satellites along with its debris field has and *is* doing its job—it is towing Earth to a new orbit and disrupting the alien agenda to the effect that they cannot continue destroying the planet’s biosphere (and hence Mother’s mind/body/spirit complex). As usual, these low lifes have not thought their agenda right through.

and from Marc I have this notion that we are going to begin to see strange, dimensional anomalies that give [the elect] pause to wonder. This is why I think that our previous e-mail delved into the discussion topic of inter-dimensional congress—Elder CHANI’s description of what it would look like...people seeing “two worlds in one” and you’ve also given me examples of this phenomenon taking place aside from that of the “two suns.”

and from Nell There are four videos doing the rounds which could illustrate the "converging timelines" of Chani.

Additional to the examples of "shadow people" above, is a streetcam of a man running right thru a queue of people at a bus stop
This is a new and recent phenomenon possibly due to the large number of security cameras world wide, and thanks to "YouTube" ... "Shadow" people seem to include shadow animals as well.

and from Marc We’re going to start seeing a more definitive declaration of this “decision” in The Hidden Texts shortly (and this is *my* “gut feeling”) expressed as a cue to the elect to begin preparing for a *transition*.

The Cassiopeians mean business and aren’t really concerned with the either the alien agenda or their final disposition. They only want to regain “The Living Library” project. They’ve been given the “Elect” as a willing, hard-working crew. They’ve been painstakingly gathering flora and fauna for decades in preparation. They’ve dutifully created alternative “containers” for those who will be repeating the Third Density on another planet.

Everything is set and everyone is ready to begin work in earnest and the Cassiopeians want all of this “tinkering” from the Orion Group elements to come to a conclusion.

It would seem that the Regency Order of The Priestesses of the Andromeda Council have intervened on behalf of the Cassiopeians to instruct the Elohim, of our beloved Mother Earth, and to us (via the Hidden Texts) to conclude all activities originally intended by The Orion Group and begin preparations for CHANI'S "15 May".

If only we all were to understand this to be a monumental decision on the part of our Elders and one that will one day become the stuff of legends, just as Genesis 1 is.

Monster of Abuse: "C" is Ophiuchus

https://www.youtube.com/watch?v=m6k_TgrjSgw

Reported May 15 2014

Thus we now know these "rod" craft belong to those from Ophiuchus/Ursa Minor

Monstre d'Abus?

Dr Greer caught this in one frame of his video. The group of watchers here were "calling in" their Off World visitors, and the craft which arrived had "shot" this rod down in 1/58th of a second.

As you can see it is substantial in size having illuminated the audience.

In former forums we have been told these rods belong to those from Chertan and or Ophiuchus.

Is Dr Greer being led to believe what they want him to? Keep in mind Phil Schneider's episode when you listen to Dr. Greer's message.

Origin

Meaning "dedicated to Mars"

Region of origin [Ancient Rome](#)

Other names

Related names Markus, Markos, Marcas, Marcellus, Marquis

Marcus (abbreviated **M.**) is a [masculine given name](#) of [Ancient Roman pre-Christian](#) origin derived either from [Etruscan Marce](#) of unknown meaning, or referring to the god [Mars](#). Because Mars was identified as the [Roman god](#) of War, the name 'Marcus' can by extension be taken to refer to [Ares](#) in the [Greek pantheon](#).

Ares means "manslaughter" and was the obsolete name for *Leo*

The name is popular in Europe, particularly in Sweden, Norway,^[1] Italy and Germany, and increasingly, in the Netherlands. It is also popular in [English language](#) countries, although less common than the shortened variation '[Mark](#)', associated with the [Gospel](#) writer [Mark the Evangelist](#) (*Μάρκος*). There are other variants. Marcus ranks in the top 100 most popular boy names in Australia, Canada, England, Scotland, Sweden, and Wales since the 1990s, as well as, the top 200 most popular boy names in the US since the 1960s.^[2]

Marcus developed as a [patronymic](#) or [toponymic surname](#) in Italy, southern France, and Spain around **1000 A.D.**, attributable to religious monasteries and sanctuaries named Sanctus Marcus (or its many variants).

The surname was used as an identifier for area of origin.

Mars is also French for in March

"These wombs were 2 feet vertically and 3 to 4 feet horizontally. These creatures... if you take them out of this womb...

Here's what it would look like if they placed them in your hands. [reading] They have three fingers, two toes.

They're not human. The color is wrong. Looks blue-gray. They have a very thin skin and they're about 6 inches high.

These are what the test tubes look like. The room light was pink/purple, bright in some areas.

Hundreds of these various stages of growth.

In other words these tubes, these things that grow in here, are in various stages of growth.

Wispy hair, not quite a nose. The mouth looks sealed. The womb looks gray. Veins look dark gray.

Creature white, pale eyes, dark lids.

Can't find a gender. Two toes, three fingers. Liquid amber color, not completely clear.

Looks like the glass tube is about 5-foot high"

CREATURES from Da Vinci

Creatures shall be seen upon the earth who will always be fighting one with another, with very great losses and frequent deaths on either side. These shall set no bounds to their malice. ... O Earth! what delays thee to open and hurl them headlong into the deep fissures of thy huge abysses and caverns, and no longer to display in the sight of heaven so savage and ruthless a monster?'
