

theMatriarchal, & Glenn Bogue in the HIDDEN TEXTS of the ABDUCTEE TIME TRAVELLER NOSTRADAMUS

Glenn Bogue was introduced via the web site *ENKI SPEAKS*, which is run by the Lessins, and we will see their name here as well. Glenn is the author of several books which will be listed at the end. His 'task', it seems, is to spread the word within these texts – but first is a small collection of the texts relating to an upcoming matriarchal society ...

("This is in spite of all the ambiguous opinions surpassing all natural reason, expressed by Mahomet; which is why the Creator God, through the ministry of his fiery agents with their flames, (the Seraphina/Seraphim^{HP}) will come to propose to our perceptions as well as our eyes the reasons for future predictions." Preface to his son Cesar)

followed by a few lines which are placed here for the purposes of verification [of the texts] simply because they have been happening to me, and I will not dispute the veracity of them nor can anyone else.

The "direction" to Mr. Bogue follows from the 'verifying' lines and it is up to him to comprehend in what an important position he has been placed. This goes for the Drs. Lessin, for Michael Tellingner and for students of the bible with its around 4,500 various contra-dictions, stemming from "oh what a tangled web is weaved when those who have wished to have us deceived" ... leaving us all to research and learn all over again that which seems to be the true reality.

After all, Dolores said she was *channelling* Nostradamus in some parallel realm.

We have been told in these texts that he has been reincarnated, so he is *not currently* in another realm.

BLUE NAME MERLITIC

David Huggins has unwittingly painted the Elo'im, being a serial abductee himself for purposes of the Living Library. Ea/E.Yah/Enki/Ra the *green* Oannes is in the 'Aettir/Eddur compound' along with a Mantis, a Dwarf (of Whitley Strieber), four different greys including the blue one from Prgasus and the green one from Arcturus, -another is a Che-Rub he rod, a Dal Nordic and a Plejaren or a Synthetic Succubi. Not shown are the Leptorrhin from Bireo in Cygnus, but they live under Shambahla. ¶S who can be *see thru* may be the one right in the background behind the

Mantis. The "CAUTION" is a result of my description of the word 'cup' meaning those of the dice thrower Perseus. This cup is seen in many hieroglyphs and means the crucible – the holy Grail a possible reference to *en vitro* creation. So, do ask yourself – how did David Huggins know to paint these? He is not the only one who has done so – Linda Porter has too.

ENGINEER USAGE~ENERGIES USED IN LANGUAGES... Energies in language. What an interesting concept. Is this what the Tower of Babel was really about? Different cultures with different languages of different energies? Then there is another way to look at this sentence. In very recent times, the ability of the spoken word to affect molecules in water and also to affect our very DNA !

This comes under the auspices of sound waves which then takes us to sonic effect leading from quantum mechanics/physics. I do have the beginnings of a forum titled *SQUEEZING THE WAVES*, which stemmed from 1 63. I at first thought this was jet propulsion because that line was about "through the skies/heavens".

On further consideration, this is all about quantum mechanics.

We had a term in the 1960s and 1970s which directly relates to this – it was called "vibes". Yes, good vibrations – and how right we all were!

ENGINEERS LANGUAGE USE.

THIS IS SAYING that not only was the Template provided to Allan Webber and from him to me, but especially the *How To Use The Template* directions were "engineered" – and to each of us separately and in very differing modules.

RECENTLY IT HAS DIVULGED THAT AS IS THE "SECRETARY" TO THE ELOHIM & THAT THE ANDROMEDA COUNCIL WHO ARE EXTRA DIMENSIONALS ARE DIRECTLY INVOLVED WITH THE ELOHIM AND THE PRINCIPAL PRINCIPLE of "I AM THE WORD". IN THE QUATRAINS THEMSELVES "DIVINE WORD" MEANS "VOICE ACTIVATION"

ONCE AGAIN CHERTAN IN LEO ARE MENTIONED, THEY WHO HAVE THE JELLYFISH/BLUEBOTTLE SHAPE SHIFTING CRAFT

The idea that one man could have accomplished the words you have been reading, these words which have been made public now since 2010, these words derived by **anagram** and the thought that this one man living in medieval times writing with a quill and ink and for the last four years of his life unable to write being crippled in both hands - is an idea without common sense.

Even with a computer and the search and anagram engines, the collating is lagging!

So far - from the Template (the "RESUMÉ" in 4 97, codes within codes) there is still over forty percent of all of it regarding the Anakim Dagon Oannes which has not been fully approached.

Of those pdf forums already published - for each one there is one which has been collated, but not yet been shown.

This quatrain is here to show the reader that even after the great tsunamis caused by the asteroid over France, reference line four the great hardships "suffered at Cremona and Mantua" - which people think are going to wipe everyone off the face of the Earth, we can see that there are enough people remaining to "pardon the captives". Normally "captives" have no cause to be pardoned, but the "elite" will. It is they who have caused the "new city" (usually refers to New York) to have become "condemned".

For it to be "free thought" condemned, it would not be just in one city.

The texts have been saying that the Christ is an invention of those from Leo (which used to be called « Carpenter Constellation ») when upon research discovering there were no trees left at the time, - we know that Jesus the man was a stone mason. The entire scam to have people believe in the Christ figure is a lure to entrap people into the false rapture – where they will lose their very souls for ever.

This false rapture will culminate in huge holograms and audio that will seem very real to the faithful.
