

# LEONARDO & ENKI

## Part Five

What have we learned from the previous collections of script hidden within the quatrains and presages from Nostradamus? Well, for one thing at this stage it is probably best to assume the 'alerts' are real. Therefore it seems that Da Vinci was also taken by the same off world people (the Cassiopeians/Eloim) which abducted Nostradamus, and handed works in the same manner and for the same reason, hidden from the ungnowing 'lepers' over the centuries to be 'found' in this one.

### We have also found that Ea/Enki Incarnated as Leonardo Da Vinci

This is a truly loving thing to do ~ return to Earth, in the form of a child with social setbacks before he was even born... It is true that Leonardo was a man of peace, this was shown us when he purposefully engineered a "tank" for war, the wheels of which contradicted each other's movement.

If we sit back and look over the social scheme of things throughout the times, we see there is always a "left hand" such as the Inquisition and other 'religions' forcing their 'ideals' on the public – and a "right hand" in the form of the people oppressed by the "left hand". This is where the word "sinister" came from, it means at *the left*. And we have seen that it is Enlil/YHWH E.Yah's brother who has been lurking behind the scenes scheming to cause the plans of Enki/E.Yah to fail! It was Enlil's idea of giving the money system to the AskheNazi who are also known as "Jews" (but there are a few others given this same title) – so that we the ordinary folk would be bound and imprisoned by our own avarice and sloth; this was pure genius.

Both Nostradamus and Da Vinci suffered under these extremes, as did Mother Shipton – murdered as a witch. Therefore the warnings given to them were done so in secret in order to keep them safe from the Left hand. Part of that secret was the lack of education provided to the ordinary folk by those of the left hand! The gnnowledge of the alkhemye keys was seen a deadly induction, and it is amazing that they were still around to even be found these days. As you know, the texts hidden in the quatrains returned us that knowledge. No wonder Hitler was "hocussed" despite all the best brains at his command. It came to me, what would Hitler have learned anyway? He would have learned that he was working for the Left hand of the Off World people and that this ideology was on a path to failure.

Are you seeing the bigger picture? That the Grand Puppeteers are in turmoil. That Enlil/YHWH/Ruach the destroyer, the warrior and the money hungry ones are destroying not only Enki's creation of Earth humans, but as a by product, the Earth herself! What hubris does that tell us! He thinks Nibiru is indestructible, when we have been told in 6 17 *Those of Saturn (Saturnines) burned by the millers...* Plus, sad as it is to say this, the diverse religions "given" to the people were done so with evil intended. To keep us divided & to keep us from seeing the bigger picture, and as a form of revenue. We all do know how wealthy in assets the Vatican 'religion' has become – money created by their swirling masses providing them with the power to create more money and more power. They never once spreading any of those assets amongst the poor people who really need it – those who could do with something as simple as fresh water. Judge them by what they ACCOMPLISH. If they accomplish only warfare to create more money for a handful of them – are they doing good? If they are not doing good – judge them accordingly.

These, the most wealthy in assets but the poorest in heart – now have rivals themselves. They being so busy dividing each other, have Other World peoples invading their territory. These Other Worlders have been living underground for many centuries, under Giza, under South America, under Area 51 and many other places, such as the Solomon Islands. These have infiltrated the divided Left hand and the United Nations and done so with ease. The texts say they are shape shifters.

The Off Worlders are large in number with at least eighty four differing nations among them, say the texts. But the main problem are the three triads involved in the "treaties" commenced by F.D.R in 1933. Six of which no one has been aware.

The ensuing collections of hidden texts will include *J-ROD45 & TREATY 9* and *STAGE GATE ~ STARGATE*.

People have been asking me "why would someone from nearly 500 years ago visit [me] several times by stargate?"

"What is so special about you" has been the main question. The answer is of course – nothing. Just like anyone else, there is absolutely nothing special about me. I am and have always been "just the collator". Very likely the only thing which I have been born 'good at'. Analysing and collecting words. What are you good at? Have *you* used your talents wisely?

I still can’t get over how I had titled the FREE ENERGY folder as “EUREKA”- and here they are using the same word to mean free energy. Energy is created by radio frequencies run through salt or sea water.

Footnote to 4:67

SUMMARY of SODIUM BENZOATE (E211) FOUND IN ALL SOFT DRINKS, AS IS ARTIFICIAL VITAMIN C

1) The FDA says it’s safe because the amount used to preserve foods is very low but **don’t ever combine it with vitamin C or E**, as this causes **benzene** to be formed. This is dangerous. Benzene is a known carcinogen, which means it causes cancer. Cancer is all about the cumulative effect. When the human body is exposed repeatedly to any level of this carcinogen, which rears its ugly head in **thousands of products**, the immune system, over time, is depleted

2) The agency points out, however, that the tests were limited and that it's still **not known how much** benzene consumers could be exposed to safely. (Begging the question why have it at all?)

**How you find it on the label**

E211 Sodium benzoate is listed among the ingredients on a product label. **The allowable dose is .1% PPM**

3) **Benzene Formation**

Benzene is a chemical that has been linked to **increased risk of leukemia** and other blood cancers.

While sodium benzoate doesn't contain benzene, it can form benzene **when combined with ascorbic acid/vitamin C & vitamin E.**

4) The real sodium benzoate dangers come **from the unknown.** What are the long term effects?

That's a giant question that no one can presently answer.

How much **mitochondrial DNA damage is** caused by sodium benzoate? That is another unknown.

5) Other uses

Sodium benzoate is also used in **fireworks as a fuel** in whistle mix, a powder that emits a whistling noise when compressed into a tube and ignited. The fuel is one of the **fastest-burning rocket fuels, and in various paint stripper products**

6) It has been associated with a vast array of health problems, **including all of our major epidemics.**

Sodium benzoate is considerably **more toxic than either processed sugar or high fructose corn syrup**, yet it gets very little media coverage.

**It is a bona fide poison.**

Outside of our foods, benzene is the main ingredient of Liquid Wrench, various paint stripper products, rubber cements, and spot removers, due to its highly destructive and solvent qualities.

It was discontinued in rubber manufacture in the U.S. **because it caused a large percentage of workers to get leukemia.**

Sep 8, 2011 - What is sodium benzoate; is it bad? ... What is sodium benzoate, and should you be worried about ingesting it?

If you are scratching your head wondering why the Foods & Drugs Administration allows known toxic carcinogens into our food (and into our "medicine") ~ then reading these texts should be supplying you with the answers. Those who are currently acting within "authority" bodies, are doing so under the directives from Other Worlders. This is why vaccines once were the answer to many horrible illnesses, but are now merely a method of injecting whatever the "authorities" think they can fool us into receiving, by way of the Trojan horse... At the moment via Agenda 21, there are *no* safe vaccines. When one sees the "F.D.A." banning such foods as walnuts - stating they are a 'drug', when all the time they are known to be high enough in selenium to help ward off cancer ... then we know that the F.D.A. is acting *against* our best interests! ALWAYS KEEP IN MIND THIS PHRASE "LET US MAKE THEM IN OUR OWN IMAGE" what chance do YOU have of knowing?

**There are multiple 'suggestions' here to the Lessins to announce the details regarding Michael Tellingier, the banksters depositing a sum of money into his account and setting him up, framing him using of all people Credo Mutwa (who in real life would never discredit Ubuntu)...and also that they let the world know that those from Sirius and those in the shape shifting craft are far from benign.**

Here is my letter to Janet Lessin regarding the **frame up of Michael Tellingier** - bandied around all those ego-building 'celebrities', the likes of Alfred Lebremon, David Wilcox, Jean Haines *et alia*

"Hi Janet Lessin; Because of this line I need to get the following information out:

I have been in deep discussion with a journo friend of mine in N.Y. after he had suggested that the defamation could be true and I answered this way:

- 1) There have been several warnings TO Tellingier that one cannot stir up the banksters and expect nothing to happen
- 2) Who are the banksters? Why the elite of course! And what have the elite been doing for a generation? Why cloning, synthesizing and generally tampering with genetics...
- 3) who was it began the fracas against Tellingier? Why [supposedly] Credo Mutwa of course
- 4) BUT - WAS IT really Credo Mutwa?

My journo friend went back to the Mutwa interviews ...

(and in the original videos Mutwa was speaking about shape shifting and skin walkers and *the future of Ubuntu!*)

with his conclusion being : "THAT WAS NOT THE REAL MUTWA! [In the video where Mutwa Credo is blaming Tellingier]

Which is what I wanted him to discover for *himself, because he* (my friend) is a journalist!

Here is what has happened:

- a) The banksters have deposited a sum of money into Tellingier's account without his knowledge, at a time when Tellingier was receiving donations. Right back to the first *Tellingier the Peacemaker* forum, the word "fraud" was used against him to prevent people's votes from counting
- b) They began the slur campaign using first the **imitation Mutwa**, then Icke, Alfred Lebremon, Jean Haines, David Wilcox, Kerry Cassidy/Bill Ryan *et alia* - have carried that banner forward, standing on that band-wagon **none of whome has questioned if it was Mutwa in fact or not, nor questioned why this Mutwa would suddenly speak against Ubuntu as a consequence**
- c) Now the world thinks Tellingier is a liar, a fraud and so on, **discrediting Ubuntu** all over the place
- e) WHY did the Banksters do it?

## UBUNTU IS THE GREATEST THREAT TO THE BANKSTERS THAT THEY HAVE EVER FACED

f) Finally - WE ALL NEED TO QUESTION DEEPLY ANY PUBLIC FIGURE when we see:

- 1) almost wrinkle free, and quite pink complexion
- 2) angry words (FURIOUS VERBIAGE) or wording in opposition to what they would normally say
- 3) bottom row of teeth cant stay in place in a human format
- 4) eyes either not blinking at all, or blinking all the time, often orange eyes
- 5) the outline of the top of the head has trouble remaining true, ears can move up
- 6) they cannot do 'gravelly' voices or the 'spit' thing Icke does when he talks (and many people do as they get older including, myself). This was pointed out in 3:10:3 here, meanwhile the *real* personage is *not aware* that there is a döppelgänger somewhere else in the world

Janet and Sasha Lessin: I do not know if you want to do a show about REPTILIAN AWARENESS but + *someone* has to start this ball rolling...

After becoming pharaoh, Amenophis II\_Amenhotep II married a woman of uncertain parentage named Tiaa. As many as ten sons and one daughter have been attributed to him. Amenhotep's most important son was **Thutmose IV**, who succeeded him; however, there is significant evidence for him having many more children. Princes Amenhotep, Webensenu, Amenemopet, and Nedjem are all clearly attested, and **Amenemhat**, Khaemwaset, and Aakheperure as well as a daughter, Iaret, are also possible children. **Amenhotep II** was the son of **Thutmose III** and a minor wife of the king: Merytre-**Hatshepsut**, she whose face is now that on the Sphinx of Giza, which has an entrance near the left ear into 'hades'.

A pictogram of a sentence in this writing appeared in more than one crop circle but the main point here is that these Oannes appeared to Jim Sparks as good looking humans. He then asked them to show him what they really looked like, and with hesitation (empathy) they did.

This is shape shifting and David Icke is one hundred percent correct, with it being a short step to comprehending how easily the red Oannes are infiltrating the United Nations and the 'top elite'.

EISENHOWER'S ALIEN MEETING. (The Fake Second Coming – Part 1, TechnoRealities By Christi Verismo)

In The Ultimate Deception by Commander X, Frank Strange, a man who was friends with one of 3 **Venusians** dealing with the Pentagon, has this to say of the meeting:

During this meeting of Pres. Eisenhower with the aliens in 1954 3 UFO's landed on the runway.

The President had with him several members of the joint chiefs of staff, several members of the National Security Council, a representative from Rockefeller's office and a *representative from the Rothschilds*.

They viewed a UFO about 30 feet in diameter. The UFO dematerialized in front of their eyes.

They have pictures of this and apparently the UFO is still at Edwards Airforce Base in Ca. They say it was the direct cause of Pres.

Eisenhower's first heart attack. To this day nobody has been able to crack into the UFO, lasers didn't even warm up on the surface.

**Every President has been to see this spaceship.**

One of the **Venusians** at the Pentagon called **Val Thor**, apparently still on earth and not even aged, looks exactly like a human. (He is an Anu)

This story is covered in the *Ultimate Deception* where there is a photo of Val Thor, "Nordic" aliens from the Pleiades (Alcyone) and other places also look exactly like us, and claim that the Scandinavians are their descendants. It has been said that the Nazis down in Antarctica are in league with renegade Pleiadians (Alcyones). Hitler has also said to have been in touch with these Pleiadians. Al Bielek also writes of this. (These Venusians are Anakim. The name Valiant Thor tells us this, since Thor (god of storms) is also Enlil/YHWH Lord of the air ways.

- **VENUSIANS** There are other cases of genuine people receiving visits from Other Worlders who *say* they are from Venus and act in accordance – but their **scout craft give them away** as those Oannes shape shifter/Plejaren from the Antarctic in league with or running the Nazi program, the **very same craft** which sent Admiral Byrd packing when he came too close to the truth.

**ADMIRAL BYRD**  
 In 1947, Admiral [Richard E. Byrd](#) led 4,000 military troops from the U.S., Britain and Australia in an invasion of Antarctica called "Operation Highjump", and at least one follow-up expedition.

That is fact. It is undeniable. But... the part of the story that is seldom told, at least in "official" circles, is that Byrd and his forces encountered heavy resistance to their Antarctic venture from "flying saucers" and had to call off the invasion. Operation "High Jump", which was, basically an invasion of the Antarctic, consisted of three Naval battle groups, which departed Norfolk, VA, on 2 December 1946. They were led by Admiral Richard E. Byrd's command ship, the ice-breaker "Northwind," and consisted of the catapult ship "Pine Island," the destroyer "Brownson," the aircraft-carrier "Phillipines Sea," the U.S. submarine "Sennet," two support vessels "Yankee" and "Merrick," and two tankers "Canisted" and "Capacan," the destroyer "Henderson" and a floatplane ship "Currituck." A British-Norwegian force and a Russian force were also involved.

Of course, the Roswell Incident had been in the news the past summer, but ... it had been "officially" explained, and hushed up by the time Highjump began.

**"All Unidentified Flying Object researchers are, of course, aware of the multitude of reports concerning sightings of 'flying saucers' with swastikas or iron crosses on them, 'aliens' speaking German, etc. Most have also heard of abductees who have been taken to underground bases with swastika emblems on the walls, or as in the case of noted abductee Alex Christopher, have seen "Reptiloids" and "Nazis" working together aboard antigravity craft or within underground bases... Barney Hill was apparently, not the only one to describe the so-called "Nazi" connection to Unidentified Flying Object abductions [and reptoids].**

Note: recall Bette Hill was shown a space map which was later verified as the Reticuli system, thus connecting the Zeta greys, the "iron cross" which is the pheon cross of Enlil, the tall reptoid grayles, the 'Venusian' scout craft of Adamski, the Nazi space craft, those from Alcyone in the Pleiades and the Saturnines.

**"These are not the "Grey Aliens" of Roswell. These beings, biologically, [appear] completely human, [Alcyone 'front men'] are described as "Aryan" in appearance, and completely human, although at least two to three [hundred] generations more advanced, technologically than Earth born Human Beings. While their technology is similar to that of the Grays in general theory, it is somewhat different, apparently, in application. by Erich J. Choron from [GreyFalcon](#) Website**

Travel is inter-dimensional. According to Ebe, there are at least fourteen different dimensions. Two of those dimensions, the human mind might be able to relate to, but humans would not be able to relate to the other twelve dimensions".

"The December 1980 Cash-Landrum craft is supposed to be one set down at Hill AFB, Utah, in 1953 as a "gift" by EBENs. The advanced craft was left powered up, but scientists have been trying to figure out how to make it work ever since".

Can you imagine the negative extra terrestrials leaving a craft as a gift?

We can see that there seems to have been a pull of influence between the Mantis-Elohim on [American] humanity and those techno creeps in their opposition around these years. The techno creeps won out because money was involved

Further to this:

“My unit associated the lens-shaped discs and the domed discs that have three balls underneath with the Blond types\* that are usually between 6 to 7 feet tall and human enough to walk crowded city streets without detection. But when you are up close to those types, the irises of their eyes are bigger than humans - more like the diameter of a nickel instead of a dime. The ones I know about were pale blue, almost like clear aquamarines. There were no black dots and lines like human eyes have. I know there are some Blonds that have gold eyes, like the Greeks. Have you ever seen the statue of Apollo in Athens? You can see those gold eyes staring at you from a long way. Eerie! Greek civilization was E. T. hybridization, I guess, by the Blonds. “14. Finally, the greatest surprises in Hoagland's book are in the last ninety pages. These last few pages contain the explosive description of Lunar ruins, mechanical artifacts, and even an (I kid you not) ancient robot head not unlike the one shown in the Star Trek: The Next Generation Mark Twain episode of "Time's Arrow" when Data discovers his death lies in the past of San Francisco. The colour photographs Apollo 17 Astronauts Eugene Cernan (1934-) and Harrison Schmitt (1936-) took of the robot head in Crater Shorty have recently been released to Italian websites by NASA. Italy? Hey, the Catholic Church is headquartered in that nation ... just another coincidence. Hoagland postulates that the mechanical head could have easily been transported back to Earth. was really for, and unable to do anything about it... I did wonder what was going to happen when these Mabus Grayles

Late February 2015 there was the sound of a sheep/goats hooves on bare wood floor, at my bedroom door, there are a couple of the greys which have hooves or at least hard clubbed toes for a foot. That floor is an unfinished room, so I did think it was one of my sheep! Problem being, my sheep were locked away at the time.

Here is the full and uncut painting by Leonardo Da Vinci – I am very grateful to G.U. who wishes to remain unnamed, for pointing out the man to the right of Yeshua appears to be Nostradamus pointing up and looking at Yeshua in a peculiar manner. We know that Da Vinci died in 1519 and that Nostradamus was not born until 1503. With time travel this minor detail can be ignored. Does it mean that Leonardo himself actually *met* the good doctor? Why not? *I have!*

In the forum Da Vinci asked to "MIRROR MADONNA" this eucharist was only worked on prefunctionally, and it is to be noted that all those pointing hands do have an intention – so today this painting received some closer scrutiny

Nostradamus: Prophet, seer... UFO investigator? -

A report from the Files of the River Journal's Surrealist Research Bureau Most people know the name of Michel de Nostradamus through his famous book of murky "predictions" of coming events "*The Centuries*," first published in 1555 with only the first 453 quatrains, followed in 1562 by the more complete Centuries minus the last quatrains in Centuries Seven from number 52. The other Two Centuries, 11 and 12 were hidden behind his fireplace with the remainder of Centuries 7 "after having read them".

There's one relatively unknown aspect of his life and correspondence that is interesting that of Michel de Nostradamus, UFO Investigator.

On the evening of February 1, 1554 Dr. Nostradamus and a thousand other citizens of Salon de Provence, France witnessed a "bright, burning rod" that flew leisurely over their town and the surrounding area, approximately 200 yards in the air, changing course twice and throwing off countless silver sparks and sometimes changing to a crescent shape before disappearing slowly over the Atlantic.

The object remained in view for some two hours.

The nominal ruler of that region, the Duke of Tende, heard many hysterical accounts of this new wonder in the skies and wrote to Nostradamus himself, as a noted physician and astronomer, asking him to investigate the matter and to send him a full report, a fortunate request since Nostradamus himself had a ringside seat to the strange procession in the heavens.

Nostradamus, in preparing his report, interviewed over 100 witnesses before sending in his observations on the 19th of March, stating the sighting began approximately 7 pm on February 1 and that the object was in full view for some two hours (apparently ruling out a slow-moving meteor) and a local curate had said that if the object were any lower to the ground it would surely have set the entire region ablaze due to the many silvery sparks it emitted.

#### AND JUST LIKE DA VINCI - IT SAYS THE SAME THING

Excerpts as well can also be found at the Sandpoint Library in "Wonders in the Sky" by Jacques Vallee and Chris Aubeck. "As long as we're on the subject of medieval sightings you might be interested to learn of another celebrated UFO witness, the famous sculptor/artist [Michelangelo \(1475-1564\)](#) who reported a large, triangle-shaped flying object with three bright lights shining from its rear. This was on an otherwise calm and tranquil night and according to the Benedictine chronicler Lushino, Michelangelo actually painted a picture of the sighting. Regrettably it has become lost to us in the mists of time. It'd be cool if it was rediscovered someday hanging on a monastery wall somewhere. I'm reminded of the Russian artist Nicholas Roerich who traveled in 1930s Tibet and painted what he described as a metal flying saucer. When he asked his guides what the strange object in the sky was they replied it was what they called a vimana, a conveyance used to transport monks and lamas long distances".

Nostradamus: Prophet, seer... UFO investigator? -

A report from the Files of the River Journal's Surrealist Research Bureau Most people know the name of Michel de Nostradamus through his famous book of murky "predictions" of coming events "*The Centuries*," first published in 1555.

There's more than one relatively unknown aspect of his life and correspondences that is interesting... that of Michel de Nostradamus, UFO Investigator, and Egyptologist.

On the evening of February 1, 1554 Dr. Nostradamus and a thousand other citizens of Salon de Provence, France witnessed a "bright, burning rod" that flew leisurely over their town and the surrounding area, approximately 200 yards in the air, changing course twice and throwing off countless silver sparks and sometimes changing to a crescent shape before disappearing slowly over the Atlantic.

The object remained in view for some two hours.

The nominal ruler of that region, the Duke of Tende, heard many hysterical accounts of this new wonder in the skies and wrote to Nostradamus himself, as a noted physician and astronomer, asking him to investigate the matter and to send him a full report, a fortunate request since Nostradamus himself had a ringside seat to the strange procession in the heavens.

Nostradamus, in preparing his report, interviewed over 100 witnesses before sending in his observations on the 19th of March, stating the sighting began approximately 7 pm on February 1 and that the object was in full view for some two hours (apparently ruling out a slow-moving meteor) and a local curate had said that if the object were any lower to the ground it would surely have set the entire region ablaze due to the many silvery sparks it emitted.

Shortly before changing direction and heading out over the Atlantic the **bright rod** took on a rainbow-crescent shape, still emitting innumerable silver mercurial sparks before slowly disappearing.

Make me some statues in a rustic place,  
In gold a magic image and a wand  
Carved round with mice that in these vast abodes  
Have dwelling: this shall be our offering.  
And mix with styrax, myrrh and purest blood  
Incense, and add to sacred thymiamata,  
Laurel-entwined, within a bough of green.  
Night shall it be when He Who Thee Rewards  
Opens the age of gold, swan-quill in hand,  
Stroking thy beard, though strangely hairless thou.  
Then shall descend on thee, sprinkling its dew,  
Rose-fingered dawn, granting the ring-empowered  
Aglaias' grace by him whose spirit wild  
Dwells in pyropes. Free from demons foul  
And pure that solar ring! And as dread Saturn  
'Midst Libra walks, soon shall the sprites attain  
Unto thy blissful brow; then pullet's entrails,  
Spring's fair burnt-offering, roast o'er steady flame.

And he, in my dreams, seemed to me to reply:  
Not Amaltheus' horn raised at the door:  
Olenus' goats let thou not prance within.  
So let the twin-born blow the fires alight.  
Turbid the wind hydraulic that thee gives  
Rare gold; the dewy moonstuff pour in t' cup.  
Aesgynum press, lest aught of it escape.  
Do thou add cadmia, some pompholix  
All fresh; of summer myrtle add the oils.  
Mix in, with sulphur, scraped molybdenum,  
Upon this, burn cucii and ciphii stalks.  
So shall thy fleece catch Tagus' precious lees.

Joining the dots provided in the Hidden Texts to arrive at a point regarding Enlil on the left and Ea-En.ki on the right hand:

1. Sitchin unwittingly (without realizing) had proven the clay tablets of Enki and the information presented within them is true...
2. Simply via the reference to "having to fly *through* the Hammered Bracelet" because there was then and is now no manner of avoiding it, due to the vortex formation of our own solar system. Sitchin would not have known that, because this revelation is only very recent
3. Therefore other references within these texts are also true, such as Enlil being the "chief pilot, Lord of the airways". This includes storms (as Thor) and smoke (sacrifices) as QuetzalCoatl (cement spirit) and then as YHWH who does so love his sacrifices.
4. Making Ea-E.Yah/En.ki "Lord of Earth and Water". Yet neither brother Created the Earth and the Heavens, the Elohim [alliances] did. (Much of this information came, fittingly, from the very first line of all of the quatrains).
5. When the brothers agreed to create the miner-slaves, they said to each other in Gen:26 "Let us make man[kind] in our image, after our likeness and let them have dominion...K.J.V. In our image he will be". The interesting word here is the plural of "God". In Genesis 1 the Elohim [alliances] created all living things and their habitat. The Anakim did not appear until Gen:2. The words "after our likeness" have been altered in other bible versions to say "to be like us". Not quite the same. "After our likeness" implies "similar to but not identical" (the DNA). So saying "to be" indicates identical, which we are not. We lack the 12 strand DNA of immortality.
6. Since both Enki and Enlil were brothers, they did share the same DNA. The main donor towards the creating of the current human being on Earth was En.ki, yet his progeny are so diverse in all their aspects – both bad people and good people:- one wonders why. The answer lies in the shared DNA/branch source between the two brothers. Enlil the "wrathful" and "jealous" one inclined to strike you with his 'rod' expects humankind to "fear" him. The word 'fear' here does not indicate "respect", which is something earned. En.lil (YHWH) is quite happy to simply frighten people into fearing him – this does not create respect. En.ki/E.Yah on the other hand, *does* understand it is Love & Caring which engenders respect. Along with the Ten Commandments which he gave to Moses – and for which YHWH has been trying to take credit – and the combination of Love, En.ki-E.Yah was laying down the foundations for a righteous human being. Sometimes called the elect but otherwise known as the "meek". Meek does not mean mild or without courage, it means "righteous".
7. Enlil has never appreciated the methods Enki uses. Enlil as YHWH invented the money system giving it to the AskheNazi Berbers (called the "Barb" in the hidden texts). This was done to enslave those of us who are greedy, and ambitious with avarice via our own propensity (in general) towards worshipping money as a 'god'. There are very few of us who are quite happy with "enough". Destructive Enlil was very quick to spot those humans who own all or most of the 'seven sins' as normal. We call them the "elite" and not always in a respectful manner. There is good reason to dislike the "elite" since they are destroying the Earth with their greed, be it the need for more money or the need for more 'power'.
8. To summarize: here we have a divided Earth and a divided "heaven". Invented religions instilled in humans by the negative psyche of Enlil/YHWH in order to keep humanity controlled. This kind of points to a nebulous form of fear or insecurity coming *from* Enlil! Fear of humanity, most of whom are so much like him! Enlil has *no comprehension* of how tight the bonds of Love can be. Enki-E.Yah on the other hand, having become allied with the Elohim-Cassiopeian-Andromeda Council, has full understanding of Love and Caring. His psyche is one of Creating. By becoming an incarnation of great artists such as Leonardo da Vinci, and leaving hidden "alerts" for those of us who wish to know, who wish to progress using our Curiosity, he has offered us that "Hand" <sup>1:1:1</sup>

**Putin Just Brought The Rothschilds To Their Knees (Video)**

(N.Morgan) Has Vladimir Putin managed to bring the Rothschild Dynasty to its knees? Has someone finally destroyed the monopoly known as the Rothschild Empire. In the video below, [Lucia Costants](#) explains just how Putin has destroyed the Power Elite. The illuminated Cabal are desperate to start a world war, not only to white wash their scams worldwide so that Wall Street can keep the \$40 trillion they have stolen.

**Freedom**

"Also, I remember several sources proven that the Rothschilds money hold on Russia and other countries have been removed. Russia spend 80 years and finally got them out, and now other countries like China beheaded his clones there, and Iceland and other countries kicked them out and can not do business anymore... So saying Russia is bad, is wrong. They still have Christian values, no gay marriage, etc, yet the US is moving forward. As a ex old War Vet, I see Russia moving like the US use to; and the US moving as Russia use to. Anyone not seeing it with a open mind is on the wrong path... If Russia was still under Rothschilds control, why does the US only target countries he DOES NOT CONTROL?

Monster of Abuse: "C" is Ophiuchus

https://www.youtube.com/watch?v=... Tru5nu

In the forum *EARTH BEAST HUMAN CREATURE* this comparison may not have been made clear, since the vignette was on a very early page and this video screen shot on a very late page. It is to be commented that both of these creatures have a sexual gender. The video relates to recent sightings throughout Europe, which video has been pulled. You have all no doubt heard about the infamous MABUS – this is Mabvs. I found the vignette in a document from a private collection and it is titled *Monftre d'Abvs* which refers to 2 62. Mabus was never a person, it is a creature from Ophiuchus.

### How to deactivate an RFID Chip/Implant

*"I have found that rare earth magnets called Neodymium magnets will nullify chips. I bought some Neodymium magnets online from a retailer, the kind that can lift 10lbs of steel and run about .70 cents apiece and I used band aides to hold them in place. I put magnets on the back of each ear lobe, on the side of each arm where I have received shots, on both sides of my jaws where I had wisdom teeth removed, and under each heel where I had been purposely implanted by my mother's doctor shortly after I was born. Also on my stomach where I had a cesarean. I am finding that most people are implanted by their navels as well. If you have had any type of surgery put a magnet near the scar for about 24 hours."*

WHEN YOU GET A MOMENT, DO LOOK UP DOCTOR FRED BELL, (WHO WAS ANOTHER TESLA) IN HIS VIDEOS HE SPEAKS OF THE ANDROMEDANS IN A MORE HANDS ON FASHION, INCLUDING AN EXCELLENT DESCRIPTION OF TIME TRAVEL ... SAYING ALMOST WHAT NOSTRADAMUS SAID OF IT AS "CHILLED HORROR" BUT ALSO STATING THAT: "ALL SO-CALLED CHANNELLERS OF SO-CALLED PLEIADEIANS ARE FRAUDS". THE REASON HE GIVES IS LOUD AND CLEAR. WE WITH OUR CONGLOMERATE OF [22] DIFFERENT COMBINATIONS OF DNA HAVE WHAT THEY CALL AN "AURAL STENCH" WHICH THE PLEIADEIANS CANNOT ABIDE. THAT IS: OUR PERSONAL AURA US NOT ACCEPTABLE FOR THEM TO BE INVOLVED WITH. THUS VINDICATING THESE TEXTS WHICH TELL US THE SAME THING, THAT ALL CHANNELLERS ARE FALSE. PERIOD.
