### **"THE FIRST GROUP TO CONTACT US WILL BE FROM SIRIUS B – THEY ARE FULL OF SHIT"**

Which is what all the ridiculous SaLuSa "channelling" via Michael Quinsey is all about dialect to suck you all in. See many Quinsey contradictions in *FALSE RAPTURE* forums forums, as are those stupid advertisements for Maccas and others where instead of saying "serious" the people are saying "Sirius" – as subliminal messages

This [Leading Edge Research Group](#) <sup>link</sup> video is 3 hours and worth watching until the very end.

**NOTHING** in this video contradicts the Hidden Texts, especially the *first* wave of "hordes".

Note what is said about the "rod" craft too, those which Steven Greer has been "summoning" ...

Also recall the final message from Verner von Braun where he tells us that we are not to invite the first wave of Other World people and not to expect them to be friendly:

**which is what the "governments" or at least, the pope, will be trying to have us believe...**

DR. FRED BELL (who died mysteriously immediately after a Jesse Ventura interview) said this about channellers:

NO ONE is channelling Pleiadians <sup>or Sirians</sup>. Real Pleiadians cannot contact us because of our mutated DNA. <sup>Aura</sup>

**"We have an aural stench which affects the aura of the Pleiadians, so any channelling you might hear of said to be from [the real] Pleiadians is not true".**

(It is possible that the Alcyonese -the front men for Anakim- mostly reptilian DNA themselves, do channel people and we have seen in the previous pages here that George Adamski was a "trial" program by the S.S. Alcyonese-Aldebaran group)

Recall a recent forum in which is mentioned that Barbara M. is not 'channelling' the real Pleiadian family?

That the information she is receiving is not entirely the truth? When she stated that [her audience] had only known about quantum physics "for about a hundred years" – there was the de\_il lurking in the detail... we have seen from 1 42 of the quatrains, line 4 "seeking the gold<sup>ormus</sup> of Nostradamus & Psellus" that the book Michael Psellus the Younger wrote <sup>Cronographia III</sup> in 1055 A.D described both quantum physics and ormus gold:

<sup>iii39.</sup> [Anaxagoras](#) of Clazomenae, the well-known Ionian philosopher of the fifth century B.C., thought that other kosmoi (universes) **contemporaneous with our own might and probably did exist ad infinitum**. Anaxagoras is famous for introducing the cosmological concept of **Nous** (mind), **as an ordering force**. He regarded material substance as an infinite multitude of imperishable primary elements, <sup>such as atoms, DNA, Parks</sup> referring all generation and disappearance to **mixture and separation**, respectively... (i.e: quantum physics, *ormus* is an entire book on its own)

Another 'channeller', the late Dolores Canon, sadly suffered the exact same problem, telling people she was in touch with Nostradamus. If she had really been in touch with the *real* Nostradamus he would have been loudly complaining and warning her about chemtrails – yet when someone in the audience said to her:

"but what about chemtrails" - what was her answer? This is what she said:

"Chemtrails are only your reality". Hardly something Nostradamus has been yelling at us throughout all of these forums since it is chemtrails which are killing the Earth – so NOT just a person's "reality"!

### **"The N.W.O. and alien invasion are one and the same thing". Phil Schneider.**

Verner von Braun with his dying breath warned us all of an alien invasion – and everyone will be looking up.

The N.W.O. elites also have us all looking up – pointing the finger at aliens arriving from above. When all along we have those tall chalky white grayles (Mâitre <sup>Russian name</sup>) from Ophiuchus ('Mabvs' <sup>says 2 62</sup>) below under Area 51 plus the Tall Whites of Tom Hall which are either the Marcabians, Alcyonese or Anakim. The fact that these will not describe where they are from cannot be a good sign. Even if they did say, it would not be true.

All we can go on is the evidence in front of us:

- 1) that there have been off worlders battling for positions, which we have seen in Medieval paintings
- 2) the same with a Roman woodcut, which was between the Elohim Cassiopeians and reptilians.
- 3) the results appear to be that western hemispheres became the residence of reptilians (the "Keepers" despite what Penre says, as in zoo-keepers) and the eastern that of the Elohim Leptorrhin the true biblical 'Watchers'.
- 4) the eastern Watchers are part of the Elohim alliances, & have been ensconsed under Altai at Shambahla and have been facing encroachment from those underground dwellers, which have been making sorties for child stealing for centuries, as in the Pied Piper of Hamelin (1274A.D).
- 5) One must question why these underground dwellers have not made use of, or taken advantage of places such as Cappodocia – in Turkey, which has Guardian Erid.anu statues above and giant rolling doors below.
- 6) There is verbal evidence of reptilians currently under Giza (many taxi drivers say they have seen them)
- 7) Ancient Carpathia and ancient Guatemala were once strongholds of the "thick lipped crocodilian" yet not now
- 8) We know ice ages were prevalent between now and ancient Carpathia-Bosnia (same dates), but not Ecuador which [position at the equator] has been this side of the great ice age including the Mini ice age and the Maunder Minimum through which both Nostradamus and Da Vinci lived...

CONSEQUENTLY: We will all be looking the wrong direction at a *false* premise.

We will all be bled of any funds that are remaining in order to "defend" ourselves. Too late people.

This enemy is already here & has been since the invention of the word 'pope' Please just keep in mind the words of :

2 96 ROFNEPERFEMACEDOINE—PREFERENCE OF ON (those behind the Vatican): [all] **MEDIA IS PERFORMANCE**, & holograms **E.N.E. FED, NEED FOE** in I (a solstice or Halloween) These E.N.E. are what people call EBEN/Zeta45 See Verner Von Braun line and see the forum « **ZetaTalk ~ THEY LIE** ». 4 73 4 the "**pantomime will be in the evening**" **FED can also mean just that** ➤ these Zeta45 ENE come from Serpo in Zeta reticuli. Also « search » the word « NICENE » in this collection/forum.

By now you will know what E.N.E. stands for. Extra-terrestrial Noetic Entity. One with two brains, which the Zeta45 and the Zeta52 both have. The difference being that the Zeta45 have no soul, they are artificial intelligence and a hive mind.

What this tells me is this: if the J-Rod52 are us, you and me fifty two thousand years in our future, and they emanated from the same constellation or source as the J-Rod45, (forty five thousand years into our future) but currently are based at Gliese 876C in former Apis the Bee constellation near Aries, does that mean that the near future step for us, you and me IS biotic/biobic artificial intelligence? In other words *trans-humanism*, an eon spent as slaves to Other World people? This is exactly what the Zeta45 greys are at the moment, a touch past trans humanoids - it is why they need to be given orders, direction in their acts and cannot apply themselves using personal initiative. Now we can partially understand what one element of the star wars is related to – the J-Rod52 (“Hero” the doctor calls them, and he was quite fond of UUilliem52) & the extremely brave act of one of them returning to appear at a crash site in Roswell 1947. He had done this to repair time At this juncture one might ask “no soul” ? How then, did the J-Rod52 acquire a soul, when the Zeta45 did not? It is a very simple answer: the J-Rod52 became part of the Elohim alliances, the ‘service to others’ League. Recall the *very reason* Nostradamus met his real death: 2 72 3 *Romains fuís, Gaule repousse* **ALIEN ARGUES SOULS POSE GLAMOUROUS LEISURE**.

At this juncture there is another topic which needs addressing. Yesterday I watched a video interview of Timothy Good. He seems a highly astute man, yet the comment he made regarding hybrid human breeding shows he lacks some understanding of the larger picture. Yes, there are two factions involved in human hybrid breeding. On the Left hand we have the Zeta45-Anakim/Marduk-Industrial military complex Montauk genetic manipulation towards trans-humanism. One cannot disagree with this being a negative (to us and the Earth) agenda. Yet the type of human hubrid breeding of which Brigitte Neilsen speaks is obviously [to you the reader] not of the same ilk, and is the Right hand path of the creative and caring ones of the Elohim alliances. Where Timothy Good has become confused in thinking the “bug eyed” breeding program (of the Elohim) is the same as that of the Industrial Military complex, not so.

Even Mother Shipton said:

*‘White shall be black, (president) then turn grey...These mighty tyrants will fail to do, they fail to split the world in two. But from their acts a danger bred; an ague, leaving many dead. radiation & nano bots 2 44 1 ~ 5 36 2 ~ 6 32 4. And physics find no remedy; for this is worse than leprosy. Oh many signs for all to see; the truth of this true prophecy... For storms will rage and oceans roar when Gabriel stands on sea and shore, and as he blows his wondrous horn old worlds die and new be born. 4 55 3 ~ 8 20 3 A fiery dragon will cross the sky six times before the earth shall die. 1 80. ~ 2 41 1*

*Mankind will tremble and frightened be for the six heralds in this prophecy. For seven days and seven nights man will watch this awesome sight 3 10 The tides will rise beyond their ken. 2 17 1 ~ 6 56 3 ~ 9 1 3 To bite away the shores and then ~ the mountains will begin to roar and earthquakes split the plain to shore. And flooding waters rushing in, will flood the lands with such a din that mankind cowers in muddy fen and snarls about his fellow men. 1 67 And when the dragon's tail is gone man forgets and smiles and carries on.*

*To apply himself - too late, too late for mankind has earned deserved fate. His masked smile, his false grandeur, will serve the gods their anger stir and they will send the dragon back to light the sky--his tail will crack upon the earth and rend the earth and man shall flee, king, lord and serf. But slowly they are routed out to seek diminishing water spout and men will die of thirst before the oceans rise to mount to the shore. And lands will crack and rend anew do you think it strange, it will come true. And in some far—off distant land some men--oh such a tiny band 'one ninth bit' 2 95 1 ~ 6 90 will have to leave their solid mount and span the earth, those too few to count.*

*But the land that rises from the sea will be dry and clean and soft and free Of mankind's dirt and therefore be, the source of man's new dynasty, and those that live will ever fear the dragon's tail for many year; but time erases memory ~ You think it strange, but it will be.*

the new age

*And before the race is built anew, a silver serpent comes to view and spew out men of like unknown to mingle with the earth now grown cold from its heat and these men enlighten the minds of future man, to intermingle and show them how to live and love and thus endow The children with the second sight - a natural thing, so that they might grow graceful, humble and when they do the golden age will start anew.*

this new age of Mother Shipton sounds a far cry from transhumanism in a blackened corporate Earth lacking in her atmosphere designed to mutate and suffocate current humanity. Noting the words “these mighty tyrants will fail to do..”

and from **DA VINCI: CREATURES**

“Creatures shall be seen upon the earth who will always be fighting one with another, with very great losses and frequent deaths on either side. (recall the medieval painting over Nuremburg showing many fighting ufo) These shall set no bounds to their malice ... (so Da Vinci is not talking about animals, who have no malice) O Earth! What delays thee to open and hurl them headlong into the deep fissures of thy huge abysses and caverns, and no longer to display in the sight of heaven so savage and ruthless a monster?”

So, Leonardo also suggests the way to be rid of these feuding creatures is to have the Earth herself cast them into her pits and we have seen in many of these scripts that it is via the volcanoes that the elite and their puppeteer masters exit our Earthly life.

A NOTE regarding the EBEN which is what the military industrial complex call their puppeteers in general, most of which in this instance are Zeta45 Serpo greys and greys from Caeneus (who float and walk ‘like Donald Duck’) Aldebaran and Alpha Centaurus. The acronym E.B.E.N stands for Extra-terrestrial Biological ENtity so as you can see, this covers many types of greys but only one has the two brains of a Noetic Entity, and they originated from Zeta Reticuli system, a rather fitting name since Reticuli means “net”. During the seven thousand years following 45,000 years in our future, something happened to cause a faction of these to not only branch off and leave Zeta Reticuli to camp at Gliese 876C, (near Apis) but also to have altered from a hive mind genderless entity to one which has a gender (three of them) and can breed. The He Rod of Dr Dan Burisch went home ‘to his son’, and the assistant to Nostradamus in the stage gate who he named UUilliem52 had sufficient empathy to heroically save the good doctor in a time trip event which resulted in UUilliem’s death and “saddened” Nostradamus a good deal. These details will be seen in the forum I have been asked to get on with – **STAGE GATE ~ STARGATE** which is huge being 52 pages of just the quatrain lines alone! A replacement assistant was found for the doctor, who he named Paul, and of whom he was not fond at all. This tells us that the J-Rod52 (who use the prefix “Che” as in Che-rub) have individual personalities.

One can completely understand the reason these people do not come forth and declare themselves as a race to we the heathens.

There is a medieval painting showing a pope hoeing in the main plaza while overhead are scores of scout craft arriving in the skies. The hoe is the symbol of Boötes ('the lost hoe' of the "herdsman" of Libra). - This is a pointer to the halal warnings in other forums, that eating adrenaline filled halal meat dampens the DNA 'fragrancy'. The additional information that this so offends our Creator God is partly because of the "aural stench" caused by the damaged DNA. I say "partly" because the other part is the unnecessary pain inflicted to the animal.

**Henry Salt** discovered the missing **Bennu Bird Caves** of the Giza Plateau layout, a series of caves which travel under the Sphinx and pyramids, (and all the way to under Carpathia) long forgotten but re-discovered by Andrew Collins in 2007-8. The entrance to the caves is exactly where the tail (Deneb) of the *Goose Returned* (Cygnus) should be if one were basing the foundation of Giza on Cygnus constellation. Oxyrhynchus, as Bireo the 'sharp' beak of the bird would be the other side of the Giza layout, but I have not heard Collins mention the long neck and long beak of the "Bennu bird", therefore he has not mentioned Oxyrhynchus. Now we have seen before that both Cygnus and Crane/Grux/Grus are "crosses" in the skies, one in the north and one in the south. There is a fourth pyramid that was once aligned along with the current three, and people are using the current three (which do fit perfectly as the 'wings' of Cygnus) without taking into consideration the missing fourth.

My concern is that the word BENU/Bennu *does* mean Crane/Heron/Ibis, and not a goose nor a swan. The reason for my concern? Those from Bireo in Cygnus are the Leptorhchin which are under Shambahla, they are light beings and are part of the Elohim alliances for the Living Library. **It is not they who constructed the pyre amids.** However - those "spun in Crane" are quite the opposite, with ties to the Antarctic Nazis, the Anakim, the Alcyone and the Aldebaran. We have already seen from Clay Tablet #10 of Enki that the Pyramids were designed by the Anakim (who are not averse to taking the credit from others) so it seems to me that a closer look at the layout of GRUX-CRANE - a.k.a the Heron needs to be eliminated from any connection first.

There has been other tenuous 'evidence' that there are reptilians under Giza, who are on quite the opposite agenda to the Leptorhchin under Shambahla. Yet it was to Tibet that Hitler concentrated his searches, another detail of great concern... Tying in something else which fits - at the Kariong N.S.W. hieroglyphs, it is a crane which is seen in the glyphs.

**Another link between Kariong and the Giza pyramids is the craft engraved at Kariong NSW are the same as those found in hieroglyphs at Giza and on the William Petrie find of the LyRan pharaoh headdress. The texts say it is a LyRan, which are with the Elohim alliances, so not the "grey spun in Heron/Crane" of 8:40 4 which came thousands of years prior ...**

For two days past the search for a Ground Penetrating Radar view of "under Giza" has taken me many unexpected places (which is always the intention from above). The one I had seen some time ago eluded me, and shows us that deep under Giza is a very large cavern or pit, (aquifer?) but during this fruitless search the names Andrew Collins, Henry SALT and the BENU bird popped up. We have seen in past forums that the "stars of Orion" layout theory has been studied more closely by the likes of Philip Coppen and come up slightly short. As much as the Anu would love to let us believe that the Giza floorplan was that of Orion's Belt stars, the larger view tells us otherwise. Many researchers have overlaid the constellation of Cygnus (aka the Goose Returning) and found perfection in the 'fit' of the third smaller pyramid, which had always been very slightly off as Orion's Belt. From these texts we have been told about the Leptorrhin from Bireo in the 'beak' of Cygnus, we have found an ancient city named Oxyrhynchus which means 'sharp beak' and we have also seen that where the tail (Deneb) should be there was not much to see.

4 17 4 *Verra la quee: porte sera serree. Will see the tail: (tail of Cygnus/Deneb) the gate will be locked* (which Hawass did)

The other detail which ties in was the cartouche of Psusennes I which has a central icon of the Goose Returning. For a few moments I am going to be quite annoying (to myself mostly) because when Andrew Collins found entrances to caves and tunnels leading towards under the Pyramids and the Sphinx, this entrance being where Deneb should be, it was also known as the place of the BENU bird. **Zahi Hawass locked the gate.** The difference between the Benu bird & the Goose Returning is this:

The Benu is a Crane-Heron or Ibis. This is a long legged long necked bird and happens to be the constellation of Heron Grus-Grux-Crane in the Southern hemisphere, not to be confused with the Southern Cross which is Crux constellation. Cygnus is called the Northern Cross. The main difference lays in the timing. The Benu bird culture is as old as the Giza Plateau foundations ca 9,500BC, whereas the *Goose Returning aka Cygnus* is of the times of Psusennes I, ca 1000BC. They are night and day for us. See 9 75 1 <sup>control+F</sup> **UPDATED ALECED, [Cygnus] IS LAMB'S THREAD (and not Nitrate 'Angel'/Sirius thread 3 12 2 <sup>control+F</sup>)** but those from Heron-Crane are the **"stealthier" "able echo desires" "basal chimera spun in Heron"** <sup>8 40 4 <sup>control+F</sup> and others</sup> So, now you understand *why* the correct constellation is to be attributed to Giza! One heavy hint sits in the word "chimera" which is more than one animal-entity within:- such as the Ibis headed, the Crocodile headed, Anubis, Hawk headed etc. It is easy enough for shape shifters or real chimera to present themselves as 'gods' in these formats.

The result of my searches took me interesting places. Moeris the lake which receded from the shores of the Giza Plateau currently lies some 100 miles south. When it was lapping at Giza it was fresh water. By the time of Khufu/Chefren the water had receded far enough to cause concern, because this water was needed for the free pyre-amid energy supply forcing Khufu to construct channels to reach the water's edge, which task according to Herodotus "took ten years and was almost equal to the construction of the pyramid itself" thus telling us the pyramid was already there. Recall that Herodotus also stated that "Khufu had made instructions for his sepulchre to be placed under a nearby island". The Sphinx could have been an island at this stage. From the date of construction of the pyramid complex around 9,500BC - 9,200BC to ca 2,500 BC Lake Moeris, now Al Faiyum, was on a steady and determined decline.

At or not far from Lake Moeris/Al Faiyom there are the remains of an ancient city town called Oxyrynchus, which it transpires means: *sharp beak in the fish* which people call these days "sharp beak of the fish". In a recent forum I took this to mean Bireo the beak of Cygnus lacking only the knowledge exactly where *in relation* to the "wings" and the "tail" of this *goose returning* are in connection to Oxyrynchus. It transpires that Grus the Benu constellation sits in the south *with its beak* in the *tail of Pisces the fish* constellation! This means we need to step back a little higher off the floorplan of Giza to see that the Benu Heron/Crane with its long neck & long beak, one lightly curved back wing and its short tail do have a fit as the floorplan for Giza. The word "Faiyum" means "the sea" - which the lake was once, an inland fresh water 'sea' reaching over a hundred more miles then. The key word "sea" means that area of the southern skies in which sit all of the nautical named constellations and these include Grus and Pisces, with the long beak of Grus seated at & in the fish's tail.

The final clue which is a steel pin in the cogs of *Cygnus* as the design (for Giza) is that there was once a *fourth* pyramid in the line up (not to mention the dating difference between the worship of the Benu and the Silver Pharaoh Psusennes I worship of the *Goose returning* aka Cygnus the swan, which dating gap is some millennia). The Benu worship seems to have always been right from the beginning, but Psusennes I reigned at the turn of the first Millenium BC ...

*and we know that it is the Leptorhin of Cygnus/ Bireo who are part of the Elohim. The cartouche of Psusennes I carries a Goose returning and there is another detail, which a reptilian race would not accept, that Psusennes I was a commoner - as was the Ramses family. Recalling Yussef (Joseph modern spelling) who was Yuya, the only commoner buried in the King's Valley (see The Hebrew Pharaohs of Egypt by Ahmed Osman) the book where I learnt that Amenophis II was the one who handed the "one god" principle. He who was grandfather to Akhenaten, and Yuya of course was "father to Pharaoh" - written not only in the bibles, but on his sarcophagus too. I find it amusing that the Elohim alliances of twenty should teach us of the one universal originator Creator God, yet the Anakim who did such a good job of editing the bible to suit their own agenda, actually have duelling 'brother' gods of which one family member was Ala.lu/ Allah, who blatantly lies when he says "there is but one god and it is Allah" - then arranges the "100 names of Allah"...*

*Hiding behind (many) new names is an Anakim speciality, such as the five nomen names of a Pharaoh, all part of the Babel program.....*

**The stars formation of Grus also have this fourth pyramid point, which forms the curve of one wing.**

I hear you asking "what has all of this got to do with the task at hand?"

These "creatures" of Da Vinci come from Grus - "spun in Heron[Crane]" says Nostradamus, they are the chimera created by the Oannes, which we know are also the "On" and the word "ON/AN" was once a very early name for Egypt, before Khemet. **Question: Was Grus IN the northern skies back then, 9,500BC? §** Instead of the south (this could also explain the abandonment of Gobekli Tepi as an astronomical calendar, although it was mud from the Great Flood which covered it in) thus begging one other question - if the Great Pyramid sits perfectly north and south etc, today... did we have a pole shift during Noah's Great flood and was it a **perfect flip??** The answer *in my mind* says 'no, we did not' §. For the Earth to re align on a perfect South North aspect after a shifting of the geographical poles seems a bit far fetched even to me. The reason this question came to me was that the Kariong NSW hieroglyphs are in the southern hemisphere, as is Grus. People working at the Giza plateau back in the days of Leo rising had scout craft, which we call unidentified flying objects - and they flew to Kariong. These craft are depicted not only on the walls at Kariong N.S.W., and the on the headdress of the LyRan pharaoh found by Petrie, but in a small number of wall hieroglyphs at Egypt too. We have all seen the 4<sup>th</sup>/5<sup>th</sup> dynasty door lintel at Abydos plastered over, of the tomb of the Caucasian Seti I with its aerial refueller, helicopter etc. So is this one other way they knew about Grus (?), especially if there was any involvement with those who *came* from there.

"Our knowledge of the succession of Egyptian kings is based on kinglists kept by the ancient Egyptians themselves. The most famous are the Palermo Stone, which covers the period from the earliest dynasties to the middle of Dynasty 5; the Abydos Kinglist, which Seti I had carved on his temple at Abydos; and the Turin Canon, a papyrus that covers the period from the earliest dynasties to the reign of Ramesses II. All are incomplete or fragmentary. We also rely on the *History of Egypt* written by Manetho in the third century B.C. A priest in the temple at Heliopolis, Manetho had access to many original sources and it was he who divided the kings into the thirty dynasties we use today" [http://www.metmuseum.org/toah/hd/phar/hd\\_phar](http://www.metmuseum.org/toah/hd/phar/hd_phar). Bucegi: pronounced Beu.cheggi or Boo.cheggi

If we only knew exactly where the 4<sup>th</sup> pyramid had been, yet the debate has merit on both sides with an exception or two. Grus has only three stars which fit, yet Cygnus/Goose has “extensions” to the central part of the “wing stars” which seems like sloppy architecture to me. The other pointer to the Goose not being the layout for Giza and Faiyum is that the “neck” and therefore the “sharp beak” go exactly in the wrong direction towards Oxyrhynchus. But my own caveat is the proportion of Grus’ wing size. The age of Cygnus is thousands of years too late also

Grus, and see how the “neck plus long beak” does go at the correct angle and direction towards Faiyum – but where was the fourth pyramid, no one really knows, plus we need to keep in mind that where we draw lines to join stars today, may not have been the same ‘animal’ of yesteryear... The extra additional length to the tail of Grus under becomes intriguing – just how far do those caves go towards the north east? We know a couple head under the middle pyramid. **And the answer came! They go to Bucegi/Carpathian mtns.**

On the left we see just how old the Ibis/Heron culture extends – not only do we see the pheon cross of the Anakim (the same appears on Mayan Codices and next to the foot of the “pilot” sepulchre stone), but we also see the old northern deshret crown of the Scorpion King **AHA-NARMER** aka **MENES** [seen in Ecuador too]. On the right, also not yet conjoined, the Ibis/Heron/Crane wears the white crown of the south, the hejmet.

GIZA PLATEAU altitude 150km images December 3 2014, so coming up to the northern hemisphere winter solstice, which would make the

shadows absolutely correct for a sinking sun this date (ie the west to the left) proving this is the true north to south view, and not what google earth

shows ... see how the North pointer is pointing the same way as the shadow? Since when did shadows point north? A good view of the eight sides

These mean Leo Minor, Norma/Chertan, the source, and see the “**thick lipped**” reptilian? <sup>7 38 3</sup> In front of which is the Auriga creature holding children (“victim kids” in the arms of the ‘charioteer’ Auriga) If you have read *I Darius* you will recognise the shape shifted female “god” of the very reptilian hierarchy, displayed in the picture, with Aiwaaz which visited Crowley.

7 38 3 *Gueulle, lipped, pied dans l'estrein pleignant Feet in thick lipped mouth* <sup>muzzle</sup> (est **rein** = Auriga reptilian) *hard* <sup>loud</sup> *complaint*  
 If the reader goes to the **ANCIENT CARPATHIAN**, forum one will see rocks and boulders carved as these creatures

other clues here: Peeping under the arms of Auriga are the dog-faced greys from Perseus, in the right hand image are the owl and the shape which represents the craft the Cassiopeians used when not in time gate travel and seen in medieval art. Then, of course we have the hands, (a cipher for Leo), a Right Hand and a Left Hand. The left means Betelguese of Orion. One will see the vestiges of a pharaonic beard worn by Cassiopea, this indicates the “crowned queen” which we have seen before is HatShepSut, she of the face of the Sphinx. The more one looks, the more one finds in Da Vinci’s art.

Above right are my finds, I never thought to centralize the *edges* of the pictures like Drago de Silver has. Disturbing image, isn’t it! This is what Leonardo was shown in the “looking glass” conduit of a stage gate. Just one of many Other World peoples he had seen. On the right is the evidence that the Anakim/Nicene were “behind” the Jesus icon as a myth *to be used* to control the masses. This does not mean that there was no such Jesu person (who was a prophet just as Mahomet was.) Yeshua was real, as is the Shroud of Turin. One party (the “Left” hand) is using this history *against* the other party (the “Right” hand). The “Left” hand/sinister party has been extremely clever – misleading the masses using deception & outright lies to fool the people and to lead them into a pathway of thought control. The first obvious contradiction is the iconry used.

**Saran** – *THOSE FROM THE PLANET Sarru* noting that the texts have already named the iron planet as **Uria[h]** and here is one named **Uri'**. Looking at it here, the title *The Iron Planet* seems to fit, bearing in mind it is likely similar in size to Earth.

(aka *Hind Leg of a Cow*) the ancient term for Ursa Major which the Egyptians used, aka the Boar (a male Bear/Ursa is a boar). This cow’s hind leg is nothing to do with that of the Bull/Taurus, who has no hind legs at all, but merely the “pile of dung” under his ‘tail’ which is the Pleiades. So how did the ancients know the Pleiades is a ‘pile’ or ‘heap’? This constellation does happen to be moving autonomous to all the others.

*YET We have learned from Wes Penre* that SA.AM is the council of Marduk. The depths of deception which Marduk possesses are extremely capable of using the alter-name of En.ki (if it was Sa'am) as his own alias, one of many – and this is exactly how Babel works!. Kerry Cassidy Interview Richard Hoagland

10. And, just in case you missed it, there is a connection between NASA's Werner Von Braun and the Disney World "Mission to the Moon" (later restaged as "Mission to Mars," and featured in the excellent Disney produced films "Forbidden Planet" and "Mission to Mars." The latter film's climax is the "Face On Mars." However, coincidences do not make conspiracies.

11. Hoagland does an excellent job detailing the "Operation Paper Clip" removal of Nazi Germany rocket scientists to Texas as detailed in the James Michener's book and 1985 mini-TV series "SPACE" - even including National Archives photographs of Von Braun in his black SS uniform alongside Reichsfuhrer Heinrich Himmler. The occult history of Hitler is well documented by other authors, but Hoagland claims the occult influence extended from the SS to Von Braun to even the selection of NASA Mission Patches.

12. Hoagland sees a connection between Freemasonry (33rd degree), Von Braun\Disney production film "Man in Space," and the "fiction" film's representation of an alien base on the farside of the Moon. It is just another coincidence that CIA Remote Viewer Ingo Swann saw an operational alien base in the same location prior to 1998.

There is a Da Vinci painting which has a numeral of "72" hidden under a bridge which is situated on the very right hand side of the picture. We all know by now that the word "bridge" means a stargate. According to interviews and transcripts from the Project Camelot crew and their whistle blowers:

there are 72 stargates of one kind or another on Earth.

Noting that "12" will divide into 72 six times. These numbers would be very satisfactory for the Anakim, who used these 'ladders' to the skies to transport the much needed gold

Two school boys witnessed this when unloading a truck. The Mayan glyphs also show this arrangement. Does this arrangement look familiar to you?

... **CUBE space craft CLUBFEET IS BLUE LUTE**. If we go to the painting of the « Ten » which David Huggins did for us, we will see a Mantid as tall as and next to Enki-E.Yah, then a tall female blond [synthetic] a male Dal, a dwarf (of Whitley Strieber), and four different greys. Of these four, the pale blue one does have clubby feet. In some lines this one is described as coming from Scheat in Pegasus too. The taller robed one is an Elder, the floating see thru one an inter-dimensional and the greenish one, which also has very clubbed feet, from Arcturus. Of all of the quatrains C1 :1 :1 the very first line has a huge detailed store of information regarding the LyRan. In David Huggins painting we can even see the brow ridges and no nose which are details on the pharaonic bust statue found by Petrie. These make up ten of the 20 Eloim

Lutein is a carotenoid pigment found in many fruits and vegetables. In August of 1996, lutein was also identified as having properties like a pterin derivative: 2-amino-4-hydroxy-6-formyl-7, 8-dihydropterin or more simply 7,8-dihydropterin-6-carboxaldehyde. **The pterin connection to autism** has been elucidated through research into PKU, a disorder of tetrahydrobiopterinhydrofolic acid **metabolism** which is listed as one of 5 conditions likely to precede **an autism diagnosis. Viral exposure and vaccine reactions** are additional factors associated with leading to an autism diagnosis. (This has been confirmed in courts of law)

Revelation 13:13-15 —

He doeth wonders, so that he maketh fire *come down from heaven* on the earth by the means of *those miracles* which he had power to do in the sight of the beast; saying to them that dwell on the earth, that they should make an image to the beast, which had the wound by a sword, and did live. And he had power to give life unto the image of the beast, (HOLOGRAM) that the image of the beast should both speak, [VOICE ACTIVATION] and cause that as many as would not worship the image of the beast should be killed.

Revelation 13:1-6 —

And I stood upon the sand of the sea, and saw a beast rise up out of the sea, [ACHING BEACHING - either Cetus the sea\* creature or Oannes/Dagon formerly named 'Nommo'] having seven heads and ten horns, and upon his horns ten crowns, and upon his heads the name of blasphemy. And I saw one of his heads as it were wounded to death; and his deadly wound was healed: and all the world wondered [wandered?] after the beast.

And they worshipped the dragon [**the Reptiloid - Draco**] which gave power unto the beast: and they worshipped the beast. And there was given unto him a mouth speaking great things and blasphemies; and power was given unto him to continue *forty and two months*. And he opened his mouth in blasphemy against God, to blaspheme his name, and his tabernacle, and *them that dwell in heaven*.

*\*The Sea is that area of the Milky Way in which all the marine names are. Cetus the whale according to the Hidden Texts is supposed to "wander" from the south pole to the north pole.  September 19, 1976, Tehran, Iran **Cylinder-Shaped UFO Interacts with Two F-4 Jets**

One of the best documented UFO-aircraft incidents, when a UFO was observed flying over the restricted airspace of Tehran, Iran. Two U.S.-made F-4 Phantom II jet fighters of the Imperial Iranian Air Force were scrambled, but as the pilots closed in on the target, their communications and weapons systems were suddenly jammed. The incident was confirmed by high ranking officers of the Iranian Air Force and later documented by several agencies of the U.S. military.

During the early morning hours of September 19, 1976, a cylinder-shaped unidentified aerial object that gave a radar return the size of "a 707 tanker," hovered over Tehran, the capital of Iran. The object was recorded on radar and seen by many eyewitnesses on the ground and by the pilots of two American-made F-4 Phantom II jet interceptors flown by Imperial Iranian Air Force. As the pilots approached the UFO, their instrumentation and communications failed. One of the jets prepared to fire a missile at the UFO, but its electronic weapons system suddenly jammed. The incident is documented in a now-declassified October 1976 U.S. Defense Intelligence Agency (DIA) message with a distribution list that included the White House, Secretary of State, Joint Chiefs of Staff, National Security Agency (NSA), and Central Intelligence Agency (CIA). Various high-ranking Iranian military officers directly involved with the events have also gone on public record stating their belief that the object was *not* terrestrial in origin.

MEANING UNDER THE SURFACE IS THE CONTROL, NOT OUT IN FRONT OF US?

Yes, exactly. And the way you do that is keep the inhabitants not knowing what's really going on and keeping humans so consumed with fighting **each other** and all the problems that brings, that all we have the time to think about mostly are our Earth problems. We're worried about paychecks and now we're worried about what Russia is going to do in Georgia and we're worried about whether Iran is going to be bombed by the United States or Israel and this dominates our thoughts **so we don't see the Big Picture.**

It baffles me that it is still going on. In the early history, there was the obvious benefit of the Custodians having a slave labor force. But now, they don't have that. (Or do they?) Now there is the abduction evidence and great interest in harvesting DNA and doing the hybrid experiments – maybe that's the key to what the agenda is. Our usefulness has changed, but we are still useful in a different way."

Marc DiGuissepe to the author/collator:

Do your best to view this interesting video I found, if you haven't already seen it.

<https://www.youtube.com/watch?v=YLRQyZZkVwE>

Disregard the religious implications. You and I both know that such references were made as premonitory suggestions and that Jesus' second coming was when Mary Magdalene saw him in the Garden.

DARIUS the Scythian: and the "other moonship" – appears in

First, we do need to discriminate the Source of prophetic messages.

Currently, 2014, there is a book *I AM DARIUS* purporting to be the true word of God and 'Lord Jesus'. To begin with, Darius is quoting from a New International Version of the Bible. The operative word here is "version".

This has been edited by the New World Order including the removal of sixteen books, do your own research on this, do not just take my word for it.

There is much in this Darius book which contradicts not only itself, but the Hidden Texts given to us from the much maligned Eloim and Nostradamus. I say '*much maligned*' because both have been edited over the centuries to suit others' plans.

from *I AM DARIUS*:

"Where do the people like the 'Great Sage', the greys and all the little visitors fit in? They are working from another realm

for yet another *Peer in Heaven...* [†s] Over the millennia they haven't revealed much, but only to few people, \*\* a policy that changed in 1947." [Roswell] from *'I AM DARIUS'* pp 249 [emphases by the collator] Here – Darius is speaking of the J-Rod which survived the Roswell crash (or just appeared there via time gate, since all the others died in that crash) in order to [almost] sacrifice himself to get a message to Dr. Dan Burisch (who had been 'abducted' by J-Rod Che-ilah as a boy) and try to have humankind made 'awake'. This J-Rod is one of the UUASP BRAINED, *biloba* two brained 'grey' of human origins highlighted in the line above. The *Great Sage* is, of course, †s.

Plus the texts tell us:

Nostradamus was 'assigned' to Egypt, (see 1 40 3) spending between six or eleven years away (depending on the biographer) - to study the source, discovering that 'prophecy' is gained by bending time and using it as a tool. The book of Darius keeps this detail a *secret*, albeit speaking of walking into one door out of it to another place. This is a good description of jump rooms. Darius does speak of the *stages* of the heavens, without realising the 'gates' are stage gates. Yet, this is what *all the wars* over the centuries have been about – ancient technology.

GRAPHIC AFFAIR sounds like the false messsssjah holograms, one can see why Allah might do that

The Loving God may *seem* meek and mild. With knowledge (educate yourself) comes understanding. With understanding comes power. With that power comes the need and the desire to repair and to *create*. It is so true that " *what you do to others, you do to yourself* "

Think of Mr. Emoto (what a great name) and his discoveries.

Now apply those findings to yourself, your surroundings (environment) and to your own actions.

A matured person has the *ability* to think of the "consequences of one's actions/one's deeds"...

where it is only hot headed *unthinking* teenagers or *immature* people who are unable to do so.

So, any of you who have been reading *'I AM DARIUS'* please think very carefully on those written words. They speak of destruction, power over others (the tiered system of hierarchy) and swiftly gloss over "that other ship" from which they "renew rainforests, the insect life and the animals". This, of course, is the "ship" in which Nostradamus received the Centuries, that of the Elohim and the Cassiopeians. Page 149 of the book commences with these words "others in Heaven Central were running the Civil war... the same with both World Wars... we were *here*, and *we brought you those wars*". (Then mentions Nostradamus and Hitler!) Including of course, the murder of six million Jews! One of whom was meant to discover anti gravity, a young boy.

"However, in certain places and at certain periods, especially in the calendar of Darius, the Iranian, recognized yet another New Year's Day, Mithragan, the festival of Mithra, which fell in the middle of summer. The Persian theologians, says Al-Biruni, 'consider Mithragan as a sign of resurrection and the end of the world, because a Mithragan that which grows reaches its perfection and has no more material for further growth, and because animals cease from sexual intercourse. In the same way, they make Nawroz a sign for the beginning of the world, because the contrary of all these things happens on Nawroz.'" [al-Biruni, quoted by [Eliade](#), 1954]

"What is important in the preceding idea is that the end of a past year and the beginning of a new year are predicated upon the idea of an exhaustion of biological resources on all cosmic planes, a veritable end of the world. In this view, the "end"

is of a particular historical cycle and is not always occasioned by a deluge, but can also occur through the effects of fire, heat and other causes..."  
Laura Knight-Jadczyk. The Cassiopeian Files.  
[The Grail Quest and The Destiny of Man: Part VIII: Oak Island and the Shepherds of Arcadia](#) Cassiopaea.org. Telling us exactly the same these texts did, that the "treasure" hidden under Oak Island was a time gate, a mechanical one. Still begs the question of what is hidden in Birch Island, replanted all to Birches, where the alchemye meaning for "Birch" is "vessel"

from "I AM DARIUS" R.R. GIROUX – A book of DIS-INFORMATION

This book of Giroux speaks of *warfare* and *reincarnations*. Consequently the God he speaks of is En.lil/YHWH

It is exactly in the same manner that Giroux is Darius/Antony, that Celtic Bran is Michael & becomes Chani the Elder

One of the other reasons *I AM DARIUS* is mis-information: stating Marduk is Ra, when quite the opposite to the truth.

Equate the following example in the way of *earning* one's title: Ea = En.ki = E.Yah = Ra. This is The Pilgrim's Progress

"9 44 Migrate, migrate from Geneva every one,

Saturn from gold<sup>Leo</sup> to iron<sup>Virgo</sup> will change,

The Saturnines will become the iron planet Uriah, plus Leo to Virgo means a sphinx

The contrary RAYPOZ will exterminate all, <sup>CERN</sup>

Before the advent the sky will show signs." (C.9:44)

"The inhabitants of Geneva will be wise to flee when the economy (Saturn) turns from banking (gold) to war (iron) against "RAYPOZ". This is Nostradamus' transposed spelling for Zopyra, who delivered Babylon into the hands of **Darius**. Another possible meaning suggest that a positive ray (ion beam) weapon will be used." The event will be portended by celestial omens.

Pages of various web sites quoted this same paragraph, consequently I do not know its origin, but the meaning is worth mulling on

"Great stench will come out of Lausanne,

Such that one will not know the origin of the fact,

**They will put out all the foreign people,**

But the "angel's" name was supposed to be Cygnus as a form of misdirection, i.e.- directing us away from Bucegi

There are two mountain ranges which would have been of interest to Hitler - the Bucegi/Carpathian in Romania  
 and the Altai, both of which have underground alien bases. Daring a person to suggest that the Altai-Shambahla  
 connection relates to the Elohim alliances & the Carpathian to the reptilian (see the forum ANCIENT CARPATHIAN)  
 and that Hitler would not have recognized the difference. The Bosnian pyramids are related to the Carpathians.

Since I wrote this, the discovery of the Caves of the Bennu Bird (Grus) at Giza having underground tunnels all the  
 way to the Bucegi Mountains with the protected base under has been made. Amerikans now have this base and in  
 late April 2015 a 7.8 earthquake broadcast (really an 8.8 'old scale') under Nepal seems an open warning, to whom?

It is quite important for the reader to understand the position which the Amerikans have placed themselves under (literally) &  
 this has been proven via the Nepal "7.8" quake which was really an 8.8, since this area is overhead of the Leptorrhin of Tibet. By  
 setting this quake off using a form of HAARP, the Amerikans under Bucegi are once again about to shoot themselves in both feet,  
 exactly the same as they did with their "warning" to the Japanese with the "9.0" Fukushima quake which was really a 10. And in  
 which Nostradamus said would "have consequences equal to an asteroid hit"<sup>See GULF OIL SPILL & JAPAN NUCLEAR ACCIDENT forums which had the exact day</sup>

#### DID THE ILLUMINATI SELL OUT THE HUMAN RACE?

Dr. Jean Francois Gille says that there is a rumor that a representative of the grays is found in each of the underground US bases in the southern Hemisphere. Branton also writes that according to John Lear, William Cooper, and others that the U.S. government may have made a 'pact' with a predatory non-human race as **early as 1933**. They later learned to their horror it was extremely malevolent in nature and were merely using the 'treaties' as a means to buy time while they methodically establish certain controls upon the human race, **with the ultimate goal of an absolute domination**.

They are of a **neo-saurian nature i.e. reptoid**. Certain bi-ped-hominoid mutations originating from earth developed a form of intellect equal to the human but some left the planet thousands of years ago in Atlantean times and are now claiming earth back. **DNA from them proves an earth saurian origin**. There are also human/reptoid hybrids. They have greyish-green skin and three-digit clawed fingers with a partially-opposable 'thumb' Branton says also that it is also alleged by certain deep-level intelligence agents that the Illuminati, or the 'Cult of the Serpent', is wilfully working hand-in-claw with this infernal race which has promised them part of the action once the '**New World Order**' is established. The Illuminati is allegedly in it for the power and 'technology' which this non-human race is supposed to give them in exchange for their cooperation.

Branton writes that according to John Lear and others, many of the deep underground bases like Dulce, New Mexico and Pine Gap, are actually 'joint' areas where the technology exchanges have been carried out, as well as battles between the humans and 'grays' sparked by disagreements. Is the Illuminati's plan for world domination backed by an 'alien' vanguard? There is an apparent connection between the Illuminati's 'Club of Rome' and the 'Grays'. There is much evidence that the 'Club of Rome' has 'sold out' the human race to such alien powers in exchange for certain promises, and that this sold-out power group is carrying out an agenda of **MASS GENOCIDE** against the human race as a whole, in obedience to their draconian (reptilian) masters. Dr. Gille writes there are a group of about a hundred people well-placed in high finance, politics, the judiciary branch and big business called the 'Club of ROME' pledged to a consortium which controls all international finance. The ones who want to set up a world government are about 15 families. They have infiltrated the top levels of the main religious establishments, making them virtually powerless.

According to an article on the net <http://watch.pair.com/priory.html> about the royal bloodlines (whom some believe are the supposed offspring of Jesus and Mary Magdalene called Merovingians) there are at least a dozen families in Britain and Europe today who are of this "Merovingian" lineage. This includes the Stewarts. The Stewarts and McDonalds are said to be a "Satanic" bloodline. Others say these bloodlines contain both the blood of Jesus and the devil/reptilians and yet others say they originate from Atlantis or of King David. Some say **these royal Merovingians have a gene to shapeshift**, and have been witnessed by multitudes of people now to transform into reptilian form during ritual bloodletting ceremonies. These families are powerful in many secret societies, including The Rosicrucians (AMORC), Freemasonry and the Grand Master of both the Knights of St John and Knights of Malta must originate from the Stewart dynasty. The book Dope Inc. by Lyndon La Rouche says that the **British PM must be a descendent of Robert the Bruce**. Its also been said one Irish PM, O'Neill was actually heir to the throne of Ireland. It is mandatory for any western leader now to **have royal blood**. The royal name Stewart appears constantly in the Club of Rome, Council of Foreign Relations and various impending one world global religious organizations and world unity organizations. Prince Michael Stewart, head of the European Council of Princes is involved with helping organize the new European gaia religion - one universal belief for all.

#### SELF APPOINTED HEIRS TO THE WORLD ANTI-CHRIST<sup>REPTILIAN</sup> THRONE OF POWER. (and see the CASSIOPEIAN TRANSCRIPTS)

In *Bloodline of the Holy Grail* by Laurence Gardner it says that the Stewarts are the protectors of the Stone of Destiny, called Jacobs Pillow. It was said to have arrived in Ireland during the Babylonian captivity, taken by King Zedekiah's daughter who arrived there, with the prophet Jeremiah. She married the High King of Ireland. The stone was last reported arriving in Dalriada in Argyll, Scotland when the brother of the Irish King moved there to start the Scottish Kings. It has also been reported that the 'real' Ark of the Covenant was in Scotland but has now been taken to America. Though other Arks are also claimed to be the genuine one. The Stone of Destiny is necessary to be the cornerstone of the rebuilt Solomon's Temple. Now in prefab form, able to be built in a week and paid for by Merovingian Lord Rothschild, Queen Elizabeth's advisor. So this stone and the Ark of the Covenant are essentials to herald the long awaited Jewish Messiah, when he arrives in Jerusalem. All European royals are descendants of King David now according to genealogists and many of these family lines comprise the Black Nobility of the Bilderberger Group.

#### **These Bilderbergers are said to own Pine Gap (where Marduk resides say these texts)**

and the interstellar space fleet interact with the alien group calling themselves The Council of Nine. The CIA also *channelled* information from these aliens through the contacts of CIA scientist Andrija Puharich, who was involved with many others in interacting with these ETs and they *claim* to be 'the' hierarchy [Elohim?] who run the universe and are portrayed in Genesis.

- ❖ **Note: these texts come from the Elohim, and they say that no channellers are for real. When I read that the Cassiopeian Transcripts were received via oegia board, I was highly skeptical, until learning the 'problem' with channellers and how they (channelling) would affect any real 'angel' if they were true.**

#### ARE THE ILLUMINATI GETTING GEARED UP TO GREET THE NEW MESSSSIAH?

The Bilderberger Group make the rules to run the planet amongst themselves. Various sources say it is 13 main families and include 75 families with lesser influence. They are generally Freemason or Knights of Malta, including middle eastern leaders. As the main power brokers of the world are from King David (of the tribe of Judah and in league with powerful Jews e.g. Lord Rothschild) the coming of the 'awaited' Messiah would be of great interest, especially if they are have not accepted Jesus as Messiah. Freemasons at the 33rd degree are told Lucifer is superior to Jesus, according to former Initiates of this degree. There is evidence that the Freemasons and various pagan societies are using the Kaballa to release the 'right' energies to hasten the return

of the expected "Messiah, determining scientifically the right vibrational frequencies **and magnetic field levels around the world** to create the perfect conditions for him to arrive, having been told by the Council of Nine what transmitters are necessary to put around the planet, and what gridlines must be activated where, to ensure the timelines match that which supposedly puts our 'reality' to the frequency of this entity.

The Nazis were followers of Theosophical Society teachings, especially where it says that the Aryan race came from Agartha, and were previously pioneers from Atlantis. The Council of Nine ET information is channelled and promoted by the followers of Alice Bailey and also Benjamin Creme, who promotes the entity, (**supposedly from Sirius according to one source**), as holding the "Office of Christ" for the Aquarian Age. Dr. Richard Boylan was told by one of the highest levels of informants in the US National Security Network called "Z" that the Bilderberg Council, comprised of European royalty, Heads of Govts., and multinational corporations are interacting with the Council of Nine, a group of ET representatives from a council of co-ordination for many Extraterrestrial super civilizations in contact with Earth. Again Dr. James Hurtak, who once worked for Dr. Andrija Puharich, speaks of the Council of Nine in his book *The Keys of Enoch* and the plans they have made for the technological future of the human race, after the 'fallen' races have been killed off.

In 1973 Hurtak was praying and a great being appeared calling himself Enoch, and he asked him if he was ready to go into 'the Father's midst'. A great field of light was placed upon his body and he sped upwards to the stars and heaven to **Arcturus**, the major programming centre of the galactic council serving "the Father" on this side of the galaxy- which is under the direction of the Council of Nine, the governing body of the local universe. "Enoch" took him up to heaven to meet the "Ancient of Days" face to face. He had flowing white hair and a face of overwhelming love and joy. No doubt this entity was very pleased to locate someone with scientific ability to arrange a technological takeover of the planet, by activating the gridlines controlling the consciousness/reality of all, to the exact specifications of the ET scientists. The timelines of this planet are changed by **activating specific gridlines**, depending on which route they take. They converge at various places including **Montauk**, the **Pyramid** and various power points, flowing in and out of vortexes and back out through the universe. Hurtak was praised to death and told not to let his seed marry with the fallen spiritual races of earth and 'the time was at hand' for the "Externalization of the Hierarchy". (An Alice Bailey term), so "his kingdom will come on earth as it is in heaven".

This Ancient of Days, as it were, indiscriminately said ALL religions/spiritual traditions **had to unite** for this. Hurtak then claimed to have been "Jacob". He claims 'The Office of the Christ' was established to overcome **the creations of the 'Ur'** which fell out of the Father's grace through a glorious Prince of Light - Lucifer- the Ur, whose creation extended itself to the regions of the outer universe. The glossary says that the "Priesthood of Ur" will dematerialize/transform the sciences at the end of the present time cycle. He claims there are 12 'Ur' centres throughout the earth using electro-medicine. As the Freemasons are said to be in touch with the same **aliens from Sirius** as the Theosophists, there may be a connection, especially if the Freemasons follow Lucifer at the 33rd degree initiation. (Are they too going through timeportals/dimensional doorways in their initiations to meet the King of the World at Agartha? They would be wanting to meet Lucifer no doubt, if he is top dog in Freemasonry) Hurtak gave a very detailed explanation in his book about how the universe operates and the preparation for the arrival en masse of the "Brotherhood of Light". He very disturbingly forgot to mention **any female ever existed**.

Hurtak claims that Jesus is said to have demonstrated the 'Collective Messiahship'. The 'Christ Overself' is the spiritual Garment of Light, one puts on to behold the mysteries of God's kingdom. We could dismiss this as another **channelled book**, which has smatterings of the other esoteric works available in 1973 e.g. *The Urantia Book*, Theosophy and Alice Bailey, but when the Dali Lama calls it the book of the century and writes similar type stuff in his book we have to ask if the Illuminati/Merovingian religious bigwigs are actually following these technological **plans to enact the "Second Coming"**. There is evidence that the Illuminati are following the plan for the 'Externalization of the Hierarchy', by **technologically creating time portals** where they will arrive to take over the planet, from reversing matter and anti-matter, and the creation of time-rifts by burning through the physical world with nuclear bombs and HAARP's high frequency radio waves. Hurtak claims his trip up to heaven was a Kabbalistic type of higher consciousness experience. There is much evidence that the Illuminati/Freemasons/Theosophists are using the Kabbala <sup>(tree in stone)</sup> to bring about the patterns of development they require for the stages of consciousness induced to herald and accept the Messiah. Pine Gap is one such example of a dimensional doorway, <sup>using jump rooms</sup> where communication with ETs does take place as mentioned in the *Fortress Australia* articles.

❖ **technologically which requires ormus. As you will probably know, Putin has check-mated the west by forcing payment to Russia in gold only. It is via gold that ormus is made, limiting the ability of the technocrat west to a certain point. Unfortunately, a large amphora containing white powder gold was found under Bucegi & this was the real reason the amerikans took control of the base.** See videos by Peter Moon and others.

In summary: Hurtak's *Keys of Enoch* ([www.keysofenoch.org](http://www.keysofenoch.org)) outlines how and where the 'Great White Brotherhood' will 'Externalize' and appear as our 'Masters'. **12 specially created artificial time portals** have been made by aliens and human hyperdimensional physicists to enable the chosen few to escape the wrath coming to earth which will kill the masses, which according to him will be through solar flares and diseases. The chosen ones will escape through the time portals and then act as 'planetary Adams' to repopulate other planets. **12 time warp** areas have been created as a twin force of matter and anti-matter, creating a mirror like image there to alter our physical reality. One of the time warp areas on Hurtak's map is central Australia. It is not known if he means Ayer's Rock or Pine Gap though. Though as he has **LoP Nor** in North China and it has a base connected to Pine Gap it's possible that's the place he means. The others are Britain, Egypt and Israel, Mexico/Central America, 2 in South America, Turkey, Tibet/N.China, Russia by the Arctic and 3 in Nth America.

It has been said that Hurtak was under the pyramid talking to one of the Egyptian 'gods' using Hebrew.

'Enoch' explained how the Great White Brotherhood govern the 'people of God' in the **12 time warp places** which allow the **magnetic fields in the meridians of the earth to be activated**. These ETs activate the **Earth's magnetic spectrum and**

**electromagnetic fields.** The new crystalline field of Light Codes will establish itself over the remnant seed who still remain in the flesh, (presumably after the world is zapped when HAARP and all the strategically placed transmitters are turned full blast) but if dead NO PROBLEM, one can still 'resurrect' Hurtak says! They'll experience the changing of the magnetic patterns of incarnation and recreation. Perhaps the Applewhite ET group were trial run? The 'chosen ones' will be gathered into the magnetic fields for 'deliverance'. Here the Merkabah spiritual body will be loosed in the 12 geophysical time warps, to spiral directly with the earth into another orbital frequency. He also claims the Bible is just a rehash of older texts. 'God's' alien scientists gave him all the technical data to 'ascend' using bilocation - a remodulation into the same physical form. **Teleportation can be done at Montauk with technology anyway.** After people dematerialized and materialized after the Philadelphia Experiment, they managed to duplicate this using portable briefcase sized dematerialization machines. They could disappear and park in another universe as they wished.

❖ **Earth's magnetic spectrum. It is Phil Schneider's Grayles under Groom Lake which are "fooling with our magnetic fields" said a military man, and "there is nothing we can do about it".**

44 Lous gros de Mende, de Roudés & Milhau Cahours, Limoges, Caftres malo, sepmano De nuech l'intrado, de Bourdeaux vncailhau	Nostradamus was alive in 1555 when this was published ~ so here is the evidence which tells us to anagram all the letters in each quatrain line. <u>One</u> hint to us – and no one took it in over four centuries! No one for <i>four hundred and fifty three</i> years.
To be precise for 453 years after 1555 publication:– it was 2008 in which Allan Webber finished what he had started... deciding to 'disprove' the idea...	... of anagramming the quatrains, only to accomplish the opposite! Allan did not have this original copy which would have given him this hint. It was the very same year I had approached him, and he gave me his template of works. And guess what else ~ the first publication <b>did contain only 453 quatrains!</b>

**\*\*Psychotronic Warfare and Radionics**

(from satellites, the reason for murdering those in the shuttles disasters)

Psychotronics or *psi warfare* is the use of electronic machines to send beams of energy or frequencies directly to people's brains and bodies through the air. This is the new stealth warfare.

It is inexpensive and simple, and often hard to detect and defeat.

The same method is used, at times, to brainwash people to believe certain information and not other information by making subtle suggestions to them via electronic beams or frequencies. For much more about brainwashing and hypnosis, please read Hypnosis And Brainwashing on this website.

The science of psychotronics was developed over 100 years ago on earth, but has probably been used for much longer than that. The basic principles that are used are sometimes referred to as radionics.

**Radionics.** Radionics is a method of transmitting energy, messages and even material items using mainly very high frequency currents at very low voltages. It is quite an amazing science that seems to defy the laws of physics. It can act at a distance, it can act almost instantaneously, and it affects the human brain, in particular, in unusual ways.

It is, in fact, an **etheric science**, which means it uses laws of physics that have not been fully discovered and researched at this time. The ether is the substance that fills all space and all time. Etheric sciences are discussed in a number of articles on this website that are listed under the heading of spiritual development.

This article, however, has to do with an abuse of etheric energy for negative purposes to harm others.

Radionics and psychotronics can be used for healing. This is quite important to know. The purpose of this article is not to say that radionics or even psychotronics are bad. However, the main uses of these sciences at this time are as weapons, often called **psi weapons**.

For example, one can broadcast frequencies that kill germs, stop cancers, calm the nervous system, reduce fear and so on. However, the same principles can and are being used to make people angry, incite violence, discourage people, sicken people, to oppose freedom and justice, and for many other negative purposes on planet earth.

They are used by governments, and by other rogue groups that seek to control us.

**RADIONIC METHODS ARE VERY POWERFUL AND CAN AFFECT AN ENTIRE NATION AT ONCE**

Unlike regular radio or television transmissions, radionic signals can affect millions of people all at once.

**They travel right through mountains, houses, and even bomb shelters.**

The high frequency waves travel through water easily, as well. For this reason, radionics is actually used, at times, to communicate with submarines because radio is not nearly as effective underwater.

The waves also travel around the world and **even through the earth from one side to the other.**

This is how penetrating these frequencies are.

They are not really radio waves at all, though we can refer to them as waves. They are ripples in the ether or base material from which all matter is made.

This is why they can penetrate anything material or physical, and do so almost instantaneously.

**HOW TO FIGHT BACK AGAINST PSI WEAPONS**

We are all exposed to psi weapons and psi warfare today. It is unavoidable. Understanding it better can help you to be less affected. Here are some principles to help this effort:

**1. Psi weapons work best on weak minds.**

This means it works best on people who are already somewhat confused, mixed up and not sure of their principles. Therefore, be careful with your thoughts and feelings. Becoming a Christian, for example, can help a lot to reduce the effects of some psi warfare. The reason is that Christianity gives you a set of beliefs and a positive direction in life to help others and not to resent or commit violence.

This can help you evaluate unwanted thoughts and let them go harmlessly.

**2. Psychotronics works best on sick bodies.**

It does not work nearly as well on healthy people. Perhaps for this reason, a properly designed **nutritional balancing** program is extremely helpful to overcome the effects of psychotronic warfare. This program will replenish hundreds of nutrients in the body, which enables the brain to function better. [First principle is to ensure no genetically manipulated foods are eaten: author/collator]

Largely forgotten at the moment, being blamed squarely on the elite here. Naturally there is no proof about the earthquake being created in order for the elite to warn Japan to stay out of their way. There is some evidence that Japan was becoming involved with sending crude substance to Iran at the time. CHANI had also said that Japan was secretly involved.

**recall numerous lines speaking of Putin receiving a DNA re-vamp. 9 43 pg 3**

Very Interesting!  
[http://www.youtube.com/watch?v=NiwQf0d0QMU&feature=youtube\\_gdata\\_player](http://www.youtube.com/watch?v=NiwQf0d0QMU&feature=youtube_gdata_player)  
 Cassidy explains that "Putin" looked a bit pale after his "return" [from when he 'went missing'] and she was told that he had met with "Off-world" races. [The Elohim] She explains that she's been told that Earth-bound humans get "sick" when they interface with [some] aliens on their craft. Parkes explains that's true and most of the time it's because the aliens are usually existing at a somewhat higher frequency of vibration which disrupts our metabolism.  
 [Keeping in mind the words of Nostradamus: PARDON VOMITING, NITRIDES DISORIENTATE]  
 I did think to remove all the Putin lines from here because they did comprise an entire forum on their own which is being published as soon as I can get reconnected. The matter of censorship in Australia is alive and hearty, when one is trying to warn others of those things the main stream "news" won't.

The grayle on the left is a depiction of a **Dracon**, very likely like those of Phil Schneider and called by Nostradamus the **Monstre D’Abvs (Mabus)**  
 There are 33 “grey” biobics, and gray EBENS and grayles (tall Whites), with the Graal being of the Holy Grail of the Cup of Cassiopeia.

2 62 1 **Mabus puis tor alors mourra, viendra.** appears on page 6 Bus (moving) Ma (October) In which case also so many dying quickly, arrive<sup>HP</sup>  
 Mabus will then soon die, arriving. *Cheetham.* Noting the full stop which does appear in the 1562 publication. OF PEOPLE AND ANIMALS A DREADFUL DESTRUCTION *Cheetham.*

« **mourra** » wounded, dying **tor** look closely at the word in the original, the ‘t’ has been altered to appear as an ‘r’, Nostradamus was still alive in 1562. The word « tor » is not French, nor Latin, so all we can say is that the « r » was needed for the meaning in the hidden text. Tor in English means ‘mountain’ or high promontory. ‘viendra’ from ‘venir’ (Fr.) to visit, coming, originate from, to join, arriving but in the Latin ‘veni’ also means to come, but also to « **be disposed of for gain** » lending new meaning to VENI VIDI VICI which seems really to mean ‘I saw, I conquered, I disposed of for personal gain’ which is *exactly* what Julius Caesar did ! The word ‘tôt’ is ‘soon’ or ‘quickly’ but if the word ‘tort’ as a hidden meaning, then amongst many it means ‘falsely’ & ‘cause harm’ & ‘rule against wrongfully’ & ‘injustice’. With ‘**defaite**’, the meaning is ‘defeat’. Whereas ‘**defaire**’ means ‘undoing’, ‘dismantle’, ‘remove’ ‘annihilate’ and ‘take to pieces’ *mutate*

**Mabus puis tôt alors mourra, viendra.**

2. *De gens & bestes une horrible defaire:*

... **Mabus puis toft alors mourra,viendra** 2 62 1 the 1555 publication **Mabus puis toft alors mourra, viendra** [no comma, so the word “arriving” belongs to the meaning of the next line in the 1555 publication:

<sup>1</sup> 4 41 1 Edited by CAPTAIN MARK RICHARDS Published by – Earth Defense Headquarters <http://www.edhca.org/> Condensed and re-edited by 'BRANTON' with the permission of E.D.H. 1947 TREATY\* SIGNED BY PRESIDENT HARRY TRUMAN Government scientists (the secret government) purportedly labored alongside an alien force to work out the sundry ways the general population could be brought under an ultimate totalitarian control that would leave humanity as little more than farm animals to be used for breeding. All of which began with a 1947 treaty signed by President Harry Truman, that set in motion a plan where THE ELITE OBTAINED ALIEN TECHNOLOGICAL SECRETS IN EXCHANGE FOR PERMITTING THE ALIENS TO ABDUCT HUMAN SUBJECTS FOR THEIR DIABOLICAL RESEARCH. In time, the elite would be allowed to survive to become the overlords of the human sheep, under ultimate control of the aliens – like the dogs that watch the sheep on a human farm.....

\*The treaties commenced in 1933 with F.D.R, and each treaty is for **nine years**, by the time the 1978 treaty was signed things had progressed beyond the acceptable for many in the military, in relation to the hundreds to thousands of sex slaves the Other Worlders were experimenting with under Groom Lake. Captain Richards led the unbelievable stealth attack on the base and managed to rescue a very large number of the sex slaves. Eisenhower signed his treaty in 1951, so the date of 1947 with Truman must be another and different "treaty". The most recent treaty renewal was for "trade in Men" dated November 8 2014. See Dan Burisch for more details regarding these "treaties".
