

NIBIRU CROP CIRCLE STONEHENGE, LEONARDO & NOSTRADAMUS

NIBIRU SOLAR SYSTEM AFFECTING EARTH AND VENUS

The biggest clues here are the two suns and the cross on the side of the huge planet. When creating a sun crop circle – they always appear with the brightness displayed in this manner – and there are four of them here. The second huge clue is the Cross (of Hendaye, the Templar cross) on the side of the huge planet straddling the road. There are four smaller planets with atmospheres, one with a tectonic ‘crust’ showing. The other is Venus. The top illustration was screen photographed from Facebook and the top comment is most certainly not mine – there is nothing “humorous” about this crop circle warning whatsoever!

July, 2005, certainly was one of the most humorous formations I have seen. As one can see the formation is on both sides of the road with one circle straddling the road itself. If viewing this on the main Timeline you will probably have to click on the photo to see the full image.

Expanded illustration follows

Helen Parks Looks to me that the road is the PATHWAY of the planet which it sits on. The Earth is right there with her atmosphere. See the big cross on the side of that big planet? That is the cross of the Anu which went on to become the Templars Cross. Now put this into perspective... at the top are TWO SUNS with what looks like Earth and Venus. At the bottom is a separate picture of the same event with the second sun smaller than the Nibiru planet... drawing our moon away, now look closely at the crust of the Earth in the bottom picturegram

This illustration shows the same event at two different stages – see the cross on the side of the big one?

In front of the red dwarf sun which is on the lower side of the road is what could be our moon – being separated. A tiny black dot.

The two separate events seem to show ‘before’ and ‘after’, since the top side of the road shows Venus still has her thick atmosphere and Earth still has her airy atmosphere.

Earth is in the bottom ‘after’ shot with parts of her tectonic plates being pulled towards the huge planet.

The cross of Hendaye is on the side of the large planet and could even be saying the PLANET OF CROSSING

One of these is Uriah ^{named by the texts}/Uri^{named by the Russians} the iron planet, and one is Saran named by Da Vinci.

The extra density of Earth’s atmosphere has been described in Genesis 1:6-8, also by Enki in the Lost Tablets

and by **da Vinci**: –

“The water fallen from the clouds will so change its nature as to remain for a long space of time upon the slopes of the mountains without making any movement.

(Glaciers? Or heavy clouds suspended)

And this will happen in many and divers regions:-

The snow that falls in flakes which is water.

“A great part of the sea will fly towards the sky, and for a long time it will not return:- That is - in clouds”.

“You will see plants continuing without leaves, (SUNLESS) and rivers standing still in their courses.
THE EARTH STANDS STILL – ONE SIDE IS DAY AND ONE IS NIGHT

PLANTS CONTINUING WITHOUT LEAVES MIGHT MEAN THAT *FUTURE GENERATIONS DISCONTINUE*

MINUS THE FEEDING FORCE OF PARENTS AND OTHER SUSTENANCE, TURNING INTO JUST THE RUDIMENTS OF HUMANS

“The water of the sea shall rise above the high summits of the mountains:

And many creatures of the earth and of the water will mount up among the stars:- THE ZOO-DIACS

AN ALTERNATE MEANING MIGHT BE THAT ALONG WITH THE WATER BEING FORCED INTO THE SKIES, THE CREATURES WITHIN THAT WATER

“And by reason of their boundless pride (HUMANS) they shall wish to rise towards heaven, but the excessive weight of their limbs shall hold them down.

There shall be nothing remaining on the earth **or under** the earth or in the waters that shall not be pursued and molested or destroyed, and that which is in one country taken away to another;

TAKEN AWAY TO THE “PIGSTY IN THE SKY” SAID NOSTRADAMUS In the CRONO VISOR forum

“Those living below will trust him:

THERE ARE TWO WAYS TO TAKE THIS, ONE OF THEM IS THE FALSE RAPTURE:

- 1) They will trust their president to look out for them when he says it is safe to go to the bunkers (living below)
- 2) They trust in those who say they are from Sirius (Ysus) to ‘catch them up’
- 3) (Revelation 4: 1-2. Read Jesus as Ysus)

Looking at the Greek words for “come up” and “caught up” will show that John’s being called up to heaven cannot be an image of the rapture. The word for “come up” in Revelation 4:1 is *anaba* (from *anabainō*) which means:

to rise up from the depths to the heights.” It is used for climbing aboard a ship, mounting a horse or climbing a mountain.¹⁶⁴

The word for “caught up” in 1 Thessalonians 4:16–17 is *harpagēsometha* (from *harpazō*) which means:

“To take something forcefully” (firmly, quickly or rapaciously). Thus a. “to steal.” b. “To capture in war.” c. With the thought of speed. d. “To take rapaciously.” e. “To take a man by force.”¹⁶⁵

Harpagēsometha has a sense of force that is nonexistent in the word *anaba*. Notice who is taking the action in the two events: In Revelation 4:1–2, John is called to ascend to heaven. The one taking the action is John. In 1 Thessalonians 4:16–17 Jesus takes us forcefully from the earth by His power.

Revelation 4:1–2, John is called to ascend to heaven. The one taking the action is John. In 1 Thessalonians 4:16–17 Jesus takes us forcefully from the earth by His power.

Revelation 4:1–2 is claimed to represent the rapture. However, not a single proponent of this view claims that when Paul was “caught up” to heaven in 2 Corinthians 12:2 this “caught up” represented the rapture! Paul uses the same word “caught up” (*harpagēnta*) as he uses in his rapture passage of 1 Thessalonians 4:16–17 (*harpagēsometha* – same word, different verb tense). The one performing the action is God in both 2 Corinthians 12:2 and 1 Thessalonians 4:16–17.

If Revelation 4:1–2 was intended to display the rapture, one would expect John to also have used *harpazō*. The word used in Revelation 4 does not fit the action of the rapture and must not be forced into the verses to prove the timing of the rapture.

One final comment that should seal the issue: If John intended to use the word *anabainō* to speak about the rapture, we would expect that he would use the same word for “caught up” in Revelation 12:

And she gave birth to a son, a male child, who is to rule all the nations with a rod of iron; and her child was caught up to God and to His throne.
(Revelation 12:5)

A thurifer is a cleric (priest/druid/paladin) who swings a thurible.

A thurible is a round metal crucible which emits smoke -- a censer.

"Island" always means "planet" – this is the "key" word in this quatrain, the word which "unlocks" the true meaning **sans nuls** double negative: "without no children" – saying "with some (plural) children" - with some smaller planets **eage** should be (is) saying **étage** which means "stage = level-floor-story but in this case "orbit" that is - incompetent orbit. This *implies* age in that a year depends on the orbit – as do the "ages" in the bigger picture Incompetent age can also be taken to mean that we are all non thinkers

IT IS ABOUT "TIDES" THEREFORE TIMING, BUT ALSO INDICATES "FLOW" OR "STATE OF BEING" OR "POSITION" - THIS INCLUDES BEING SUPINE OR BEING IN THE WRONG PLACE
