RECALL THOSE LINES ABOUT JESSE VENTURA BECOMING PRESIDENT – « PREMIER BILL IN APRIL » ?

<http://www.inforum.com/news/3932581-former-minn-gov-jesse-ventura-considers-presidential-run>

ST. PAUL – Former Minnesota Gov. Jesse Ventura is doing what he appears to enjoy: teasing that he may run for president. Ventura said he will make his decision about running in April. (2016)

copied patriotic Jesse Ventura they made an error in that his old attitudes of love for his country were not expelled,

becoming 'vexatious' to the ruling elite, who thought they owned him. This explains those lines which say Ventura is the

Many of you are going to be thoroughly confused by this last advice from E.Yah, having watched the supposed attack on David Icke by what we all are led to believe was Jesse Ventura. It just came to me that the PROOF that was not Jesse, but a clone or reptilian shape shifter (the latter I am certain of due to the shape of its head changing), followed by that part being edited, deleted in later versions). Recall how the *real* Jesse is ALWAYS SAYING HE CAN'T TRAVEL?

Avulsion in general refers to a tearing away. Specifically, it can refer to: A form of amputation where the extremity is pulled off rather than cut off. This is referring to the problem the J-Rod52 had which Dr Dan Burisch was brought in to medicate
ARES = genocide, could also read as IN ARIES or LEO. CAMEL means the Camelopardalis (Giraffe nova) but it is my thinking this is related to the 'camel passing thru the eye of a needle' too

ARES was the obsolete name for Leo.

Da Vinci later questions that "Nel does find these cues?" Working on the direction from Nostradamus to use the hints **seen at first glance** in the other language – **in this case the word 'nel'** - and to **"by thesaural"** **which came from the word collocare – co-locate** – to find all of them, and of course, to collate them.

It is just as well I had those thirty eight pages of direction, which derived from the template of hidden texts Allan Webber had programmed – I would never have thought of all of this on my own! It was only this week (of May 10 2015) that I discovered one of the 'ring lord' visits was from Da Vinci (the visit of the handsome well trimmed one) and had not been Nostradamus "at a younger age" which is what I had assumed beforehand.

Explanations:

INTELLECT with RECALLED TALENT. Yes, it does require a good memory to do this work

ACCENT ON "ROLLED". Meaning Earth (the 'tent') simply lies down (after she does the "Isaiah dance")

DNA CORONA, our halo. The needle injections alter our DNA abilities

IRON-STEEL SEND ELECTRICAL. Could mean GWEN towers and the Iron planet Urri' passing over

COAL IN AIR DRONE. Coal ash has been showing up in chemtrails tests

ROTS DECENT CELLS, ERECT ACCENTED the genetic manipulation of food and animals

COLLECT COLLARDS, green vegetables TEND, STORE AS OLDEN DID in a root cellar, set in damp drained sand

STONE fruits **TENDERED** preserved. The word was actually 'stoned' fruits – but I could visualise some readers response to that

○ **JABIRU-RAJ** now we begin to see why we had to learn about the Benu-Crane-Grus-Heron-Ibis. When the Leo Rising Sphinx was constructed in the image of Ninghizzida/Thoth,(the Ibis headed) to commemorate the design of the Giza Plateau in the formation of GRUS/BENU, this was representing those who came *from* the constellation Grus in league with ('spun by') one of the Ursa Anu factions. The missing *fourth* pyre-amid which was still in situ at 1770, is testament to the form of the bent winged bird whose tail goes from the Benu caves all the way under-ground north east to Buceggi and whose long head and beak go all the way south by south west to Al Faiyoum. This is only seen from a height of 150 kilometres up. The **RAJ** connection refers to the British 'Empire' which has always been the primer of more modern worldly events – in order to gain wealth and power for a minority.
