I'Orient mis en armes = **MENTIONS NEMESIS ALERT** *thinking about it, if we all had honest government, none of these texts would be needed*
MORTAL ATEN SIN: MEASLES, AILMENTS MONSTER IMMORTAL IMMENSE ALIEN LIONESSE (LEO MINOR) IN MANLIEST MOLESTERS, NO REMORSE MERIT. LISTENER MISNOMER STEEL-IRON INTERIM, RELATES SMEARIER LEMON SLIMMER NEATER MALE *Ninurta* **AIMS AT INNERMOST:RE: SINISTER MOLE MAN SIR** INTERS TIRELESS MINOR **STERNER REST IN TIERS SITE** *Ziggurat* **RISEN, REMAINS LIAR** IN SEMINAR *The Last Supper* **IS RIOT RANSOMER IN S.S.RITES - RESISTER : RESIST ENTIRE**
NAILS MORE SENILE STORMIER *YHWH* (STREAMS IN LINES) SEEMS NORMAL SAINT-ONE MASTERS NASTIER RESONANT M.E.

- **MORTAL ATEN SIN** – being a « SIN » means man-made/artificial and ATEN is a class of asteroid
- **MEASLES, MEASLIER nano AILMENTS MONSTER** also says the same – man made
- **LIONESSE (LEO MINOR)** this is telling us that what we now call Leo Minor was known as the « Lioness »
- **IN MANLIEST MOLESTERS,** means homosexuality or pedophilia
- **LISTENER MISNOMER** – not sure, but the “listener” could mean the one doing these collations – saying that something has been “misnamed”. In this case the STEEL IRON INTERIM that period of time Uriah/Urri’ is having an effect on Earth – or meaning the gap in distance between us – also discussed in the forum PLANAR~PLANISPHERE AND the FUSE EVENT which appeared in the original web site They asked me to delete – because none of it had been worked using the Triple method. If anyone wants these two forums just ask – but the dates will not be correct in them. Chani speaks of the fuse event and it would profit the reader more to read the Chani Project.
- **It is Ninurta behind the division of religions and races, creating their much desired riots – damned if you do [riot] and damned if you don’t, which is what the word RANSOM is about**
- **AIMS AT INNERMOST** meaning aiming at our DNA – OR the electrical affects from Uriah (iron steel planet) direct themselves at our core, altering our magnetic fields yet also seems to be AIMED – by the following :
- **TIRELESS MINOR (Ninurta) NAILS MORE SENILE STORMIER/ Enlil** *YHWH- SEEMS NORMAL SAINT* it’s that old family feud again
- **MOLE MAN** is Judas, with a mole on his cheek **IS SINISTER SIR = Marduk who seems to have had Ninurta interred (STERNER REST) in a granite sarcophagus under a ziggurat SITE**

IN SEMINAR could also mean ‘in congress’ or the “U.N.”
The main sigil for Ninurta is the **double headed eagle**.
His other sigils are the **bull** and the mountains. It seems to have been his cult at Saqqara at the Serapeum, where giant sepulchres holding mummified bulls have been found.
More recently a ten ton *or 100 ton* lid was discovered pushed aside, with no mummy to be seen. (At Saqqara)

“AT SMEARIER LEMON, SLIMMER NEATER MALE (Ninurta) ”
quite so – the very last one to the left of the table in the Last Supper is a lemon which seems to have already been opened, sitting on a plate and the revealed ‘person’ is the “slimmer one” – Ninurta, and we know this because he is described as the one with the red beard. There is no denying this beard has red!
The older they get, the broader their head becomes, being one of the “minors”, Ninurta has the “slimmer” “neater” appearance...

One might be wondering why Cassiopeia sports a beard in these cassettes from Da Vinci. They are confirmation of 8 30, one of the quatrains from Nostradamus.

For those who skipped the forum this illustration appeared in – Mary Magdalene in the Last Supper had been "forgotten" [by me] until almost too late, so she did not appear in the previous collections which dealt with the images disguised within the apostles and "Jesus" – in The Last Supper nor the forum *ASKED TO MIRROR MADONNA*. Then when I was suddenly reminded she had been omitted (no such thing as coincidence) – look who she turned into! She only got 'worked on' because a line stated that Putin was here as well – casting around the stage, Magdalene was the only one left, Remiss; shaking my head all the while

IF the Elohim or any of their member alliances do physically appear over the skies of America* - it will be worse than waving red flags at bulls. It will force those who have been busy shooting the "good guys" out of the skies since [at least] 1897 to show their trump card to the population, or to regroup. A win-win for the Elohim, because they possess the weapon the negative entities fear the most, and this would entail full explanation of disclosure.

well – this was the best I could do so far as a Putin look-alike in the Eucharist might be... this was obtained from the [young] disciple Mary in the Last Supper, taking the line from right at the tiny lemon in front of her (lemon at rear) One needs to imagine Putin with more hair... the proportions from the brows down look good especially the mouth. By making Putin younger...? She is looking down whereas he is not. Note the subtle effort of a manly beard pointing to a male.

Because of this, Selene was negligent in her duties, causing the chief god, Zeus, to offer Endymion an ultimatum: death or eternal sleep. Endymion chose the latter. Thus, Nostradamus seems to be describing a great ruler who/which emerges from a death-like trance and then proceeds to conquer the aforementioned city-states of Lombardy, Catalonia, the Rhone-Alps and dependent regions. The prophet Daniel mentions the subjugation of these three kingdoms in his seventh chapter" Encyclopaedia Britannica Endymion is also the name of an asteroid

Russian president Vladimir Putin says that Western governments are enslaving humanity through vaccines. 'When your children are barely human, psychologically-altered bots, their nerve cells and synapses failing to connect, and their neurodevelopmental processes dulled to the point of restricting them to sub-human level, repetitive grunts and gormless stares, what are you going to do then?'
 According to the [Russian] Ministry of Health insider, the report validates President Putin's suspicions. "There is a huge conflict of interests between the government agencies which regulate vaccines and the corporations that approve and implement [manufacture] the vaccines".

Of/from **navicare...** (from 'those who sail the most valued')

(Navarre: key word for *Those who orbit in Super Lunar Nurseries* says Nostradamus)

(although 'Navicare' could be a Da Vinci key word for E'a = who was/is “Lord of Earth and Waters” using ‘bi thesaural’)

"It will be great oriental (Easterly) winds to them such things will occ [identity: is it “occur”] and those at midheaven, such mostly mixed with the ongoing de 'v [en] (events) for you (Earth) long orbit will follow it."

Del **navicare**†

“Sarà gran venti per li quali le cose orientali si faranno occ[iden]tali e quelle di mezzo di, in gran parte miste col corso de' v[en]ti, seguiranno per lunghi paese.

Of/From **navicare**

"The trees of the great forests of Taurus [?] and of Sinai, the Apennines and Talas air flow being seen from east to west, from [the] kite's Meridian, /midheaven and bring a great multitude of air to men.

[sounds like a super-cell]

Or [count] how many votes,

[so during the counting of an election event]

or how many died, or how much separation of friends and relatives,

[like in the days of Hitler?]

or those who will not see hay anymore at/to their provinces, nor their homelands,

and the dead without burial, with their bones scattered in different sites of the world I

Del **navicare**

“Vedrassi li alberi delle gran selve di Taurus e di Sinai, Apennino e Talas scorrere per l'aria da oriente a occidente, da aquilone a meridie, e portarne per l'aria gran moltitudine d'omini. O quanti voti, o quanti morti, o quanta separazion d'amici e di parenti, o quanti fien quelli che non rivedranno più le lor provincie, né le lor patrie, e che morran senza sepoltura, colle loro ossa sparse in diversi siti del mondo!

(The hint about 'not seeing hay anymore' is also a reference to the soil not being able to grow it. As Mother Shipton also states, but her reasoning was due to “salt” damage, which can be either from the sea ingress or the Roman idea of salting the crop paddocks to prevent further growth in similar vein to their scorched earth policy. This can also be a reference to what Monsanto *et alia* are doing to the soil.) Noting that “hay” for Da Vinci is like “diesel” is for a truck driver delivering your food, or petrol is to you. Hay was a “fuel”.

- o MEAN BOLD NOBLEMEN, the 'elite' OGRE UNAGED the Anu, maybe the the Dero Nephilim
- o DEGRADED ^{mortal} 'RAGED' a pun. Eating meat cause the DNA to change, making people "angry" and this is what the murder of Abel the agronomist was all about, Caen being the livestock manager
- o **DARK DEMON** the reptilian (**BROKEN MANURE**) the Alcyone: bred using reptilian genes until all that is left is a human looking husk...described as "eunuchized" and "broken" by these texts. So - these texts have outlined what an outside source has already stated, and only just found by the collator.

Anna Hayes states: "Human looking **Pleiadian-Human-Nibiruian-Anunnaki hybrid "Blondes"; Nibiruian-Sirian Nephilim Anunnaki-humans (Sirian-Anunnaki)"** while another source:

- One source, B. Frissell, claims that they are part of the UFP,
- while others -like Branton, Matthew and cyberknight- claim they are part of the alternative 3 group.
- (Then again, Branton, Matthew and Cyberknight may very well be quoting each other). In the Omega-files, Branton claims that a group of "renegade Alcyone Pleiadians/Aldebarans" have joined the Draconian Empire. source: E.T. from A to Z

These PDFs are supposed to be limited in computer-size, which is why they weigh in under the 40 pages when possible, but images like this one really deserve very close attention. To do this, my suggestion is to copy and paste to a page where you can enlarge it to study more closely. The question here is: what is that long tubular thing and what is it doing to her?

Do take a good long hard look at this image Ask yourself "what prompted these sculptors to render a being in such a manner?"

What is with the fish head? Genetic species cross breeding...? This is what the pope's mitre replicates...

Here we have an Oannes. Those of over a hundred names. Exactly what is it doing?

Group Meditation Literally Changes The World

<http://alternativenewsproject.org/newsletter-rss/article/consciousness/science-group-meditation-literally-changes-the-world/>

“Not a lot is truly understood about quantum physics, but one thing science is at least a little bit sure of is that mass meditation has quantum results on both the meditator and the world.

In 1978, researchers discovered what they call the Maharishi Effect. They discovered it when a group meditation of 7,000 people took place and they all meditated with the intention of having a positive effect on the city. They did this for 3 weeks. The results of that group meditation transformed the city’s crime rates, acts of violence, and death. There was an average reduction in all three by 16%. Impressive!

Since then, more than 50 studies have been conducted on the Maharishi effect with varied results. Most studies indicate the clear power of meditation to transform global life and patterns.

When the study was repeated in Wales, they got amazing results. In 1987 Merseyside had the third highest crime rate of the eleven largest Metropolitan Areas in England and Wales; by 1992 it had the lowest crime rate. 40% below levels predicted by the previous behaviour of the series. There were 255,000 less crimes in Merseyside from 1988 to 1992 than would have been expected had Merseyside continued to follow the national crime trend.”

These results truly are incredible. It’s wonderful to see meditation have such a profound effect. To add to this thought, David Edwards, a Professor of Government at the University of Texas at Austin says:

“I think the claim can be plausibly made that the potential impact of this research exceeds that of any other ongoing social or psychological research program. It has survived a broader array of statistical tests than most research in the field of conflict resolution. This work and the theory that informs it the most serious consideration by academics and policy makers alike.”

In this video, Icke does not have his little spitting defect. Is the real David Icke still with us ?

The fluorescent lighting makes it very difficult for reptilians to maintain their format of illusion. In this case, it would be the glow from his screen which is causing the loss of his 'containment' of features. MEANT to RETAIN NITRATE ANGEL NAME & 9 75 1 the floorplan meant to retain the Benu Bird constellation's name

For two days past the search for a Ground Penetrating Radar view of "under Giza" has taken me many unexpected places (which is always the intention from above). The one I had seen some time ago eluded me, and shows us that deep under Giza is a very large cavern or pit, (aquifer?) but during this fruitless search the names Andrew Collins, Henry SALT and the BENU bird popped up. We have seen in past forums that the "stars of Orion" layout theory has been studied more closely by the likes of Philip Copen and come up slightly short. As much as the Anu would love to let us believe that the Giza floorplan was that of Orion's Belt stars, the larger view tells us otherwise. Many researchers have overlaid the constellation of Cygnus (aka the *Goose Returning*) and found 'perfection' in the 'fit' of the third smaller pyramid, which had always been very slightly off as Orion's Belt. From these texts we have been told about the Leptorrhin from Bireo in the 'beak' of Cygnus, we have found an ancient city named *Oxyrhinchus* which means 'sharp beak in fish' & we have also seen where the tail (Deneb) should be there was not much to see above ground. The Benu/Bennu [Grus] Caves lead the rest of the floorplan underground all the way to Carpathia. Here is a link to a video well worth watching, two remote viewers given a 'blind' task...

The Great Pyramid of Giza: The Mystery Solved (Complete Version)

<https://www.youtube.com/watch?v=OJz0mm8cSt4> Nostradamus (1 40 3 "assigned to study Egyptian history") says the Pyre-amids are placed world wide as an Earth defensive plan. They are computers which power up using resonant frequencies, but he says they are like "out of tune pianos" due to magical rites performed in them over time... they were built ca 9,500BC-and that date is an astronomical star pattern found in the ceiling of one of the "air shafts" ... so impossible to hoax... The mantis he describes "with a nurturing" feel is one of the Elohim alliances - so this is telling me what I was trying to find out - because there WAS a regime change (when 4th/5th dynasty Snefru-Marduk got involved during the building of the causeways, a RE-construction) and things went negative... noting he drew FOUR pyramids on Giza - same as the Chinese floor plans. The pyramids are all situated the same way in reference to each other, like a mother board if looking down from above. Frederick Borden in 1770 wrote about the fourth black pyramid which was soon after pulled down for its masonry - hence they CANNOT be the form of Orion's Belt NOR Cygnus because Cygnus faces the wrong way. They are built on the design of Grus (Ibis-Bennu bird) layout. What caused the collapse of the (builder) "society" was a perfect flip of our planet, sending Giza from the south to the north in around 5,369BC. ^{7000yrs ago} The blocks were lifted in the same way Leedskalnin lifted his – magnetic sonic resonance. At 1:36 where personalities are being described - this is the Snefru advent - long after the pyramids were originally built, but just before Kufu-Chefren - when much reconstruction had to happen due to the Nile moving away. The water was needed for its movement - parallel to that below, creating the electricity – which was then distributed via obelisks. At 1:38 he backs up these personalities by saying "more other worlders turned up", that is: Marduk/Snefru.

4 17 4 Verra la quee: porte sera serree. Will see the tail : (tail of Benu/Grus) the gate will be locked ^(which Hawass did)

The other detail which ties in was the cartouche of Psusennes I which has a central icon of the Goose Returning.

For a few moments I am going to be quite annoying (to myself mostly) because when Andrew Collins found entrances to caves and tunnels leading towards under the Pyramids and the Sphinx, this entrance being where *Deneb* should be, it was also known as the place of the BENU bird. **Zahi Hawass locked the gate.** The difference between the Benu bird & the Goose Returning is this: The Benu is a Crane-Heron or Ibis. This is a long legged, necked & long beaked bird and happens to be the constellation of Heron Grus-Grux-Crane in the Southern hemisphere, not to be confused with the Southern Cross which is Crux constellation. Cygnus is called the Northern Cross. The main difference lays in the timing. The Benu bird culture is as old as the Giza Plateau foundations ca 9,500BC, whereas the *Goose Returning aka Cygnus* is of the times of Psusennes I, ca 1,000BC. They are night and day for us. See 9 75 1 last pages here

UPDATED ALECED, [Cygnus] IS LAMB'S THREAD (and not Nitrate 'Angel'/Sirius thread 3 12 2) but those from Heron-Crane are the "stealthier" "able echo desires" "basal chimera spun in Heron" ^{8 40 4} and others

All the time holding one thought, one image – that of the bust Petrie found on Giza, the LyRan grey pharaoh minus a nose. So, now you understand why the correct constellation is to be attributed to Giza! One heavy hint sits in the word "chimera" which is more than one animal-entity within:- such as the Ibis headed, the Crocodile headed, Anubis, Hawk headed etc. It is easy enough for shape shifters or real chimera to present themselves as 'gods' in these formats.

- o **ok this is answering a question I just asked when writing up the caption for the “Great Pyramid of Giza, the Mystery Solved”. My question had been placed on another word page where the argument [for me] is this :**
 - o if the Grus connection are negative which the texts are telling us –
 - o then why were the Elohim involved in the construction at Giza ??
 - o Why then did they use Benu/Grus constellation for the format? (Even though it was in the skies at the time)
 - o Was there an alliance then between the Elohim and Grus?
- o (IN FREQUENT RAVEN ALARM) quite so – this was being ‘worked on’ during the time the Raven/Yuletide lines had been found. Still shaking my head in astonishment – since the « *work page* » is not intended for publication.

- At the end of March 2016 the Islamic Council “agrees women are mammals, but are “not human”. Begs the question why then do Muslim women give birth to human males, does it not? It seems that Islamic so-called authorities have not learned the lesson that once upon a time the negro nations were thought to be animals too – and how many beautiful people of that description are some of the greats in brain surgery & singing ?
- CUES “NUCLEAR ON ARABIAN IS MAN’S UWIN-UWIN” KILLS GOLDEN GOOSE, UWHO LAYS[the]EGGS (SINGS IN NUCLEUS) MILLIONS YOUR YOUNG BOXED IN BULLNOSED LEO CIGAR : MONOXIDE GASEOUS DEAD, AS BOLONEY SAUSAGES
- Exactly what Da Vinci said, except he said *cruelly torn apart into sausage casings*, but we did see that in “torn asunder”
- IS MAN’S UWIN-UWIN if this refers to radioactivity (and not a nuclear winter) – then the radioactivity of the particular peoples mentioned would mean they can no longer breed – thus defeating the Islamic idea of « we will outbreed you » which I would call shooting oneself in both feet. The male of the human species, when they decide the female is ‘lesser’ such as China did – find to their horror that as a race, they actually do need the female of the species! Just as E’YA SAYS ‘BONELESS GONADS’ (a triple pun) meant in every which way the reader’s imagination can envisage. MAN’S/Mankind.

○ SINGS IN NUCLEUS, is also NUCLEUS IN these SONGS. But sings here may mean sonic vibrations into the egg nucleus
 ME *commenting*: The way they treat the animals such as in the torture halal* killing still does not bode well for their women.
The question I have is this: these same women who are just now elevated to 'mammals' - when they produce their sons - does that make the sons half animal too?

"Scholars from Saudi Arabia have made a "surprising" and unprecedented discovery – turns out women are in fact mammals and therefore should have "*equal rights" with animals.

A Saudi panel of "scientists" concluded that women aren't just household items as it was previously thought in the Kingdom, but are mammals and therefore should have same rights as camels and goats, the [Islaminsesi](#) news portal said. What a "historic" social discovery on the behalf of Saudi "scientists" — women are indeed a little better than a sofa or kitchen utensils and should be granted the same rights as other mammal species, except humans of course."

IF you have not opened the forum WHY THE HAMMERED BRACELET COULD NOT BE FLOWN OVER which shows that we are all in a vortex design solar system following our sun on its trajectory...

then here is further proof that

a) we are on a forward trajectory and

b) that Uluru is the fulcrum point, the axis of our planet, which is why the likes of Marduk are domiciled under Pine Gap, in the Uluru area, and also why Australia will be "inert" compared to other countries in the ensuing "lying down" of Earth.

Now we know another reason the Chinese are buying up Australian land

There are six lines with the word Argyle in them. This is a secret area in Western Australia adjunct to Pine Gap militarily. Argyle is also the word "Grayle" - Phil Schneider's reptoids

One of the huge hard stone boxes, with lid moved, in the Serapeum at Saqqara in Egypt. Estimated weight 100 tons.

"Let us consider what *Whitley Strieber* was told by a paranormal visitor in 1999 (excerpted from his book "The Key"):

"Who are you?"

"*Michael, or should I say Legion? I represent the good.*"

"Who are the good?"

"*Those who seek mankind's (spiritual) ascension.*"

"You were meant to have the capability to leave your planet by now, since it will soon cease to support you. But something happened to change all that: **a Jewish couple died in the Holocaust, and it was their child who would have solved the secret of gravity.**"

(This is exactly how timelines can change as told by Nostradamus¹)

"Who are the ones who do not mean us well?"

"**You already met them in 1985 (the greys).**"

"Crop circles are not hoaxes?"

"**No, they are real.**"

(We can find another message similar to Crabwood 2002 in the Old Testament Book of Daniel (Babylon, 570 BC):

*Gabriel, the man whom I had seen earlier, came to me in swift flight. "The prince of Persia withstood me for 21 days. Then **Michael**, one of the chief princes, came to help. Now I have come to explain what will happen to your people in the (distant) future:*

*"The **king*** will do as he pleases, for what has been (pre)-determined must take place. He will honour a (military) "god of fortresses", unknown to his ancestors. He will attack mighty fortresses with the help of that **foreign (alien?) god**, and will honour those who acknowledge him (them).*

***He will make them rulers over many people, and will distribute the land for a price (reward).**" Fascisim*

*"At that time, **Michael, the great prince who protects your people, will arise. There will be a time of distress, such as has not happened from the beginnings of nations.**"*

che nella a sé sottoposta strada collocate erano.
"Nell: that the direction */way/manner of lines her* *Nell's/Cassiopeian* subjects/topics were collated."
Da Vinci later questions that "Nel does find these cues?" Working on the direction from Nostradamus to use the hints
seen at first glance in the other language - in this case the word 'nel' - and to do it "by thesaural"
which came from the word *collocate* - co-locate - to find all of them, and of course, to collate them.

It is just as well I had those thirty eight pages of direction, which derived from the template of hidden texts Allan
Webber had programmed - I would never have thought of all of this on my own! It was only this week (of May 10
2015) that I discovered one of the 'ring lord' visits was from Da Vinci (the visit of the handsome well trimmed one)
and had not been Nostradamus "at a younger age" which is what I had assumed beforehand.

When the Leo Rising Sphinx was constructed in the image of Ninghizzida/Thoth,(the Ibis headed) to commemorate the design of the Giza Plateau in the formation of GRUS/BENU, this was representing those who came from the constellation Grus in league with ('spun by') one of the Ursa Anu factions. The missing fourth pyre-amid which was still in situ at 1770, is testament to the form of the bent winged bird whose tail goes from the Benu caves all the way under-ground north east to Buceggi and whose long head and beak go all the way south by south west to Al Faiyoum. This is only seen from a height of 150 kilometres up. The **RAJ** connection refers to the British 'Empire' which has always been the primer of more modern worldly events – in order to gain wealth and power for a minority.

- NOTE TO ALL AUSTRALIANS
- The last week in February 2016 the prime minister of Australia announced that several billion dollars
- (of the people's money)
- had been spent on buying war planes and other armament paraphernalia including submarines...
- yet those who constructed these weapons are fully aware that the supposed "enemy"
- (the *enemy invention to be* of the Chinese-Russian)
- have in their possession off world technology which can simply "turn off" all computerization on board!
- Recall the event in the Mediterranean where a Russian craft hovered high over an American battle ship
- and simply turned her off ? – with not one person injured in any way!
- Thus rendering all those billions of the public purse a complete waste of expenditure.

The real reason western hemisphere govern-ments are afraid of full disclosure is this comment from this video:
 "THE ONES HERE [affecting the shadow government] ARE RESOURCE EXPLORERS"
 "what are the names of the extra terrestrials?" ANSWER – "that is not relevant and might be confusing"
 "WE DO NOT HAVE THE INSIGHT TO DISCERN, ONE WOULD LITERALLY NEED TO BE A *SEER*
 IN THE BACK GROUND THEY ARE TAKING PEOPLE AND NEVER RETURNING THEM"

https://www.youtube.com/watch?v=nOzj_XipWDY
 AND at 21:38: THE ONES HERE ARE RESOURCE EXPLORERS
 "TRADE RULES EVERYTHING"

"IF IT APPEARS TO OTHERS THAT THEY ARE NOT RESISTED NOR DENOUNCED THEN THEY - ACCORDING TO THE RULES OF ENGAGEMENT- THEY CAN BE HERE...
 THERE ARE NO GOVERNMENTS RULING THE UNIVERSE, BUT THERE ARE GOVERNMENTS RULING TRADE...
 THE **CONTROL** IS DEMONSTRATED VIA TRADE!
 So – now think about the T.P.P. and its other two companion secret agreements.
 What have these texts been repeatedly warning us about? **TRADE IN MEN**

The following excerpt recently appeared on an alternative news website — Veterans Today — under the subtitle “Too Classified to Publish”. Essentially this unprecedented release of ultra-secret and highly classified information illustrates Putin’s new tack toward Western intractability. Simply put, Russia will no longer stand by idly while the Anglo-American Juggernaut projects its power wherever it so chooses.

According to a retired FXX agent specializing in Israeli counter intel: The type of nuclear devices used on 911 were a modified version of the W-54 nuclear artillery shells that were covertly provided to the Israelis between 1988 and 1998 from US surplus stockpiles illegally exported during the Bush/Clinton era.

Chemical analysis done by DOE Sandi was able to identify the chemical/radiation footprint or fingerprint of the warheads based on samples taken after 911 of the fallout at ground zero. (Editor’s note: Nuclear weapon use at ground zero is confirmed from multiple sources) plutonium based warheads have a chemical fingerprint that can identify the type of design and where the PU was made and how old it is. This was the 911 blackmail on Bush 1 and 2, the illegal transfer of surplus US nuclear weapons to the Israelis and why the continued cover up, along with the stolen gold and stock fraud that was going on Wall Street etc. According to file ENW57.pdf on page 66. (Editor’s note: Document received and confirmed)

"Only one of them, however, provides a close approximate date in Babylonian chronology. This synchronism shows that the two-year reign of the Assyrian king Ashared-apil-Ekur (c. 1076–c. 1075 BC) is entirely comprised within the 13-year reign of the Babylonian king Marduk-shapik-zeri. The Assyrian's dates are probably correct to within one year. Thus, if Marduk-shapik-zeri is dated so that equal proportions of his reign fall before and after that of Ashared-apil-Ekur, a date is obtained for the former that should not be in error more than six years.

This synchronism constitutes a key to the structure of Babylonian chronology by providing the base date for all the reigns in the interval c.1400–943 BC for which the Babylonian king list gives figures. All the dates thus obtained are subject to the six-year margin of error. These synchronisms between Assyrian and Babylonian kings continue throughout the period that corresponds to the second gap in the Babylonian king list—from c. 943–747 BC."

"From the northern edge of the Evil Wind's side swath, from Babylon, a worried Marduk sent his father, Enki, an urgent message as the cloud of death neared his city. "What am I to do?" he asked. Enki's advice, which Marduk then related to his followers, was that those who could should leave the city - but go only north; and in line with the advice given by the two emissaries to Lot, the people fleeing Babylon were warned "neither to turn nor to look back...."

If escape was not possible, Enki advised hiding underground:

"Get thee into a chamber below the earth, into a darkness," until the Evil Wind was gone.

It was seven years before life began to stir again in this area."

ARE YOU INTERESTED IN WORKING WITH SOME OF THESE LINES FOR YOURSELF?

There is no monopoly nor is there a competiton in knowing how to do it.

You can start with your own name. This will then tell you events around you.

FIRST: download the two original Centuries Publication and Propheties Edition on the header page

THEN: troll through every quatrain line finding letters of the alphabet which make up your name

USING a program called Anagram Genius (downloading gives you about thirty free 'goes')

MAKING sure and certain that the exact letters which appear in the quatrain line are copied into the anagram genius, deduct those letters which are your name. Remove them, they are now "the issue".

Anagram what is left. If you see a medieval 'f' the program will not recognise it, so change that to a modern 'F' - which happens to also BE an 's' as well. If you need a "w" you need to remove two "u"s and replace with a "w". So if your name has a W the quatrain line will need to have two "u"s in it.

Other letters: 'j' can be 'i', 'c' can be 'k' and so can 'q'. This is but the beginning: - continued

Having removed the letters from a quatrain (or Presage) line which are your name (or the "issue) - anagram the remainder. Much of the result will appear senseless. It is now time to make sense of the senseless. If it is an animal's name (such as 'ass' or 'salmon' or 'dog') which is the odd word out - you will find the meaning in one of several pdfs. Either the ALKHEMYE LIST where "ass" is a date as well as a place (Auriga in the heavens) and with "salmon" in the CELTIC CLUES which is the date of 'salmon run' in August. "Dog" means a date as well as Sirius. "Princess" means Andromeda, "Prince" also means Sirius, and "Thorn" is a rune = Thurisaz which means 'King of kings' Cepheus. 'Throne' is a date of Libra but also means Cepheus. Also see the TRIPLE METHOD. Yes, it takes some time to absorb. If a person held classes to teach others - this would be a nine year course, maybe not, it just took me nine years to understand since for me there was no one but the template of Allan Webber to educate.
