

This forum is a result of one of those “sleepyhead lepers” accusing *Our Gift* Nostradamus of sorcery and occultism. The latter we cannot argue since everything is already “hidden” within his works. Seems to me that those who do practise “sorcery” and all those other **dead-end dark** philosophies, do not have a comprehension of the power of **Loving**. They also lack a *sense of humour*, which is very important for our souls. There is no joyous laughter and true comradery within the power seeking control minded and soul damaging practitioners of the demonic forces of evil. Superstition seems to *engender* ignorance.

That ‘lady’ who accused Nostradamus of being one of these dark force creatures would, *on no account, even open* the Hidden Texts web site to actually research the matter (so blind – those that *will not look* [refuse to see]). She left me with a dark cloud through which the silver lining needed to be found.

Recall these texts have been saying to “judge them by what they are doing”? One simply cannot judge a person by what they are *saying* – since words are usually an invention anyway. How true it is, that the deeds, what one accomplishes, leave behind the solid evidence of the worth which is the sum of one’s entire make-up.

So, this ‘lady’, for “evidence” that Nostradamus was a sorcerer – produced some printed matter published by a **Catholic Society** which had set out to disprove the prophecies, beginning with those quatrains which did have what appears to be calendar years within them. Of all of the “cults” we have seen which is fond of yabbering on in order to perform some type of control over the public, without having actually performed any “good works”, this ‘lady’ had to pick **those critics from within the Vatican** as an example of source material trying to disprove the worthiness of our M. de Nostradamus! You, the reader, and I have been to those lines with those ‘unfulfilled dates’ and found them to be **quatrain references** which link other quatrains *in the Centuries* manuscripts!

**The one cult most fearful of the true information Nostradamus has inherited us with, is the Vatican!**

The same which sits on solid gold thrones, with a reptile coiled in embroidery on their epaulet, naming their astronomical telescope Lucifer – all while millions die of starvation world wide and they not only do nothing about this tragedy, but actually are involved in the causing of it. The same cult which has recently conjoined “Christianity” with “Islam” forming “**Chrislam**” of which members do include the modern times beheaders & halal torture killing for their sustenance – when these texts have been saying this creates damaged DNA and “angry” people. How can one be happy and Loving if one is always “angry”? C+F+CHRISLAM in footnotes

There are many incidences of guidance from the Hidden Texts and Disguised Script which relate to the true dangers we are facing, such as the Artificial Intelligence “**Qubits**” and even questions our “**CONSCIOUSNESS**”.

For some reason, it seems to me, that satanic forces would not want to raise that as a question.

Nor would they suggest to PURGE the advent of “Qubits” in order **to curb** their consequences.

These consequences are well described within the Hidden Texts, that **Artificial Intelligence** will overtake your children and produce in them a complete loss of their true humanity, an inability to Love or even recognize it as an emotion. Not understanding that Giving is Receiving. Being mass produced exactly like we have been doing with cattle and the other livestock upon which many of us like to think we cannot live without.

Needless to say, this ‘lady’ upset me no end. Not just because of her antipathy for the works of Nostradamus – but because she represents so many people we live amongst these days – who are **blind to all Opportunities**.

FAIR Square thus means the *good* ones. "It was a huge thing, black and cigar shaped. At first I thought it was a jet. I stopped the car and got out and thing just disappeared."

### Prophecies of the King of Agharti <http://www.dreamscape.com/morgana/helene.htm#KING>

"Agharti is believed by many in Tibet and Mongolia to be a real world existing under the high plateau in the mountains of Central Asia. It is said to be a series of huge caverns with secret entrances all over the earth. Ancient tribes sometimes entered and have maintained a hidden civilization to this very day. This underground version of Shangri-la still exists, according to belief, and, whenever the King of the World makes prophecies, the **birds and animals on the surface** suddenly become silent. Hundreds of years ago, the King of the World uttered a prophecy which, counting from the time it was purportedly given, falls, as do so many other predictions, within the latter part of the 20th Century.

### Prophecies of the King of Agharti

"Men will increasingly neglect their souls. The greatest corruption will reign on earth. Men will become like bloodthirsty animals, thirsting **for the blood of their brothers**. The crescent [Islam] will become obscured, and its followers will descend **into lies and perpetual warfare**.

There will be terrible war between all the earth's peoples; entire nations will die -- hunger, **crimes unknown to law**, formerly unthinkable to the world. The **persecuted will demand the attention** of the whole world. The ancient roads will be filled with **multitudes going from one place to another**. The greatest and most beautiful cities will perish **by fire**. Families will be dispersed; **faith and love** will disappear. The world will be emptied.

"Within fifty years there will be only three great nations. Then, within fifty years, there will be 18 years of war and cataclysms.

Then the peoples of Agharti will leave their subterranean caverns and will appear on the surface of the earth."

- o **crimes unknown to law = genetic manipulation of the food system, fracking the water systems, chemtrailing the biospheres, nano tech into needles and electro-magnetically altering our physical-spiritual balance, our own harmonic resonances which correlates with the ground we walk on. Artificial Intelligence is taking hold of our brains and nervous systems, and we love it.** <sup>H Mead-Parks</sup>  
**We and the natural are being severed from Nature, the Living Library.**

It bothers me somewhat that within all of the [other] prophecies we have received across our planet, within all of the so called 'channelling' people have made themselves famous from -- not one has yet revealed that our greatest loss (our children) will be a result of *calendars being altered* to create 'dark ages' to suit an off world agenda. That the Mayan megalithic construction is so much closer to our own times points to the same of others across Earth, that historians doggedly ignore blatant facts, such as the giant skeletons found, and the fourth pyramid in every ground plan, just to keep an Orion ideology rampant... When all along it is those from Orion (the 'Orion Group') who are the culpable Earth and Living Library murderers. No other prophet has ever named stage gate -- stargates or the Cronus visor ['the Ring'] as the method of obtaining prophecies, including the *altering* of time lines, which he did allude to in his Preface to his son Cesar and obliquely in his Epistle to king Henri II.

Was this *gnowledge* the reason Leonardo Da Vinci described Nostradamus as his "mentor" ?

- **CEMENTS-CONCRETE UNION.** Cement is just one ingredient in a mixture which becomes the concrete (set as stone) but cement is the glue in that concrete mix. A wonderful double or even triple pun when we realize how the genetic structure of the man Simon Parkes was created. How the “union” of the joint name of Parks (which appears in Latin Letter #32) refers to those “messengers” additional to Simon and Helen includes Anton Parcs and Jim Sparks. Albeit Jim has not yet made public if he is aware just Who it is trying to teach him various accomplishments.

For the retiring ‘ex’ president of 2016 that would be a grand plan *before* the inauguration of Donald Trump in order to raise his agenda of a military held state herding everyone into F.E.M.A. ‘camps’ for their “own safety”. This image appeared in a video which link is not to hand. I would recommend the reader search videos of the Last Supper and see all the finds various people have discovered. Nothing is what it seems, when it comes to Leonardo da Vinci.

There is a video doing the rounds, a supposed interview with a seven foot tall "Nephilim" named Daniel. The answers Daniel gave were all Nephilim related in that they withheld the real truth. Plausible as he did seem, he may not even know who the "Nordics" in Antarctica really are, and managed to avoid disclosing who lives on Sarru, the Saran reptilians. His type of "fallen one" genes was a result of human-hybrid Nibiruan and not the style of "fallen ones" genes that the Alcyonese suffered over thousands of years via direct interbreeding invasion from reptilians. Keeping in mind that you and I also possess a reptilian cortex 'foundation' within our own brains - that makes us "nephilim" too!

1 68 this is about the "treaties" which signed us all away  
O that dreadful and wretched torment  
Innocents' Troy that one is coming to deliver. (pope Innocent's three centuries)  
Poison suspected, turned in/traded badly protected  
Done in horror by drunken envoys. presidents

It was during the reign of pope Innocent that the Edict was made to bring the year 1000 forward in July 676AD, **added to which**, the addition of another one thousand years with the stroke of a pen, in order to ensure a much earlier 'harvest' in our real time. Thus we are all at least 1,324 years further ahead in calendars than in actual time. This also makes the Shroud of Turin *real* in date format. The Innocents are children, and Troy was deceived royally. So pope Innocent's *trojan deceit* relates to children. A good pun indeed. Speaking of puns. A reader suggested that ACE VENTURA (meant to be Jesse Ventura in its line) might have meant Donald Trump and his "Ace Ventura" flip back 'hairdo'. These texts usually say to take things "pedantically" meaning the literal intention., which would have meant 'the best one [ace] Jesse Ventura'... but it is hard to resist the comic pun.

While genetically manipulated 'food' and manipulated living beings are destroying the soil and the air of the western hemisphere. - **UUORM-HOLE LIKE ABHORRER** there could be a couple of events in this description. Added to which in a previous forum that it was Da Vinci's little joke Magdalene appeared with a fuzzy little beard when the image became Putin - to establish it was male. That Putin appears twice within the Last Supper shows how important he is to our planet...

well - this was the best I could do so far as a Putin look-alike in the Eucharist might be... this was obtained from the [young] disciple Mary in the Last Supper, taking the line from right at the tiny lemon in front of her (lemon at rear) One needs to imagine Putin with more hair... the proportions from the brows down look good especially the mouth. By making Putin younger...? She is looking down whereas he is not. Note the subtle effort of a manly beard pointing to a male.

There are interesting differences between the two "Putins" here. Even though both images are full face-on, in one the nostrils are visible and has a shallower chin (which the Da Vinci portrayal also has) including the angle of the eyes

Mysterious disappearances in Yosemite National Park ...

<https://crberryauthor.wordpress.com/.../mysterious-disappearances-in-yos...>

David Paulides, an ex-cop who used to work near Yosemite National Park, has been researching the recent spate of unexplained disappearances in America's national parks... [Article: The Secret Vanishings in America's National Parks](#)  
"In a few cases, *Green Berets* have surprisingly shown up to join and/or take over searches. This happened in [1969 and] 1971 in Newcomb, New York [state] when an 8 year-old boy vanished while walking back to a lodge to change his clothes. His scent was lost in a swamp and he was never found." [LA Times.com](#)

Author David Paulides has written the books *Missing 411-Western U.S.*, *Missing 411-Eastern U.S.* and *Missing 411-North America and Beyond* to tell the little known story of these disappearances dating back at least 125 years in this country. The year 2013 saw more national park disappearances than in the past 27 years combined. Paulides has hit several stone walls on his quest to solve the mystery of the disappearances, including the National Park Service (NPS) and the FBI. - See more at: <http://dcxposed.com/2014/04/27/secret-vanishings-americas-national-parks/#sthash.Gn39NNGI.dpuf>

  - **CRUEL CLAUSES FOR MINORS:** traded for technology in '2014' clause of 'Treaty 9' and herded into cylinder craft
  - **CODED FALSE CALENDAR MIDDLE ORDER** false "middle ages" that never were, done in order to bring forward their meal of "YUMMIER MINORS" – if there is anyone out there such as David Icke who can explain the urgency of repairing our calendars (to the public) and placing us at least 324 years back in time, in order to nullify the "trade in men", which is really "trade in children" clause of Treaty Nine of November "2014", which was NOT yet 2014. There is also the matter of 1000 years added due to "clerical error".

At this juncture it is time to introduce one wonderful historian. Her name is [Sylvie Ivanowa](#) (Ivanova). <sup>not a link</sup>  
Her videos are priceless. The web site is [MEGALITHS.ORG](#) and like myself and numerous others around our planet – is attempting to wake people up to the heinous lies and deceptions made in the past to fool us into thinking we are as far in the future as the 21<sup>st</sup> century, when we are not. Her work is copywrited, which means is not to be used in commercial applications but can be copied for educational purposes/ and if ever there was any "educational" web site – it would be *The Hidden Texts of Nostradamus (and Da Vinci – describing Nostradamus as his "mentor"!*). The only problem for those who seek the truth is the question of "WHY?"

Why go to all the trouble of establishing WHO it was built the megalithic structures world wide, and WHY did they do so? What affect do they have on us in the here and now? [Sylvie Ivanowa's videos](#) have many of the answers.

For those who have been following these texts which we have seen were sourced from the **Cassiopeians** and from certain Pleiadians "in the sky" and handed to "Our Gift" Nostradamus to be seeded down throughout his ensuing centuries; for just the purpose of keeping us educated and growing.

For our future in the here and now, it is the children who are suffering. Within these Hidden Texts have been so many warnings and guidance regarding WHO changed the calendars and now we have been reading WHY and HOW this was accomplished. All that needs to be done is to have the "2014" clause in Treaty Nine nullified. Just as it was the

presidents F.D. Roosevelt and Eisenhower who ratified earlier treaties in their greed for technology (almost always for a war making usage), so, in November 2014 – also ratified by the current Amerikan “president”.

This means that this president is fully aware of the “trade in children” clause.

Ever wondered what happened to all those Mexican children allowed (and sent by their parents) over the border?

It is to be stated clearly that an approach was made to [Sylvie Ivanowa](#) for permission to publish parts of her work such as her bibliography. Keeping in mind that my own research came up with a few of those which appear in her *bibliography of scholars*. These few have been mentioned in various forums going back to 2012, the most important of which was

*THE SHROUD IS REAL. Also, 1,324 years happens to be the number closest to the amount the Shroud's aging was out by.*

**My own researches** found GUTH St., NIEMITZ Hans U., ILLIG H., and referenced James A Marusek with his extensive *CHRONOLOGY OF WEATHER EVENTS*, because both dendochronology and ice cores\* have turned up as total failures to depend upon for counting the years. The Chinese have been the most reliable time keepers to date – so comparing world wide weather events (which Mr. Marusek agrees are often the *consequences* of major world eras such as passing comets and volcanic activity) against Chinese records - to date has been the best source, limited as they have been.

\*Ice cores have shown that demarcation can happen numerous times within one year and tree rings stop growing completely in ice ages.

But now we have the Russian [Sylvie Ivanowa](#) with her wonderful wit, clear descriptions and precise research.

Her answer to my request to publish her findings was a resounding NO. This left me puzzled, since her videos are free to watch! The work you are reading is free for all to read.

No money is passing hands, leaving me to place myself in her shoes with the question – what is giving her so much concern? The answer, it seems to me, is that when people partly publish other people’s hard earned work – almost always it is edited. This word ‘edit’ is a nasty little animal. It infers the word “change” and “alter” – something we have seen in these texts & within the bibles, and most prominently, in the very clerical “errors” which have been the cause of the alteration of our calendars!!

To obey her request is easily fixed. No excerpts will be taken from her work and transcribed here. Instead – the link for her recent video which is a MUST WATCH if anyone has little children they do not want “picked up” and taken to be “torn apart” and put into “sausage casings” as Da Vinci described. A couple of screenshots are included.

Should [Sylvie Ivanowa](#) get to view this – I would strongly recommend she read the *PUTIN FORUM* while she is here.

This non-permission is totally understandable – one of my pet horrors is that of the “cropping out” of information be it visual, (in images) or otherwise. To the best of my ability nothing of the work of [Sylvie Ivanowa](#) has been altered or edited in any way. There is a long list of names of people (scholars) in my files who have questioned the validity of the **times we are in**, some of the names are derived from various sources including & additional to this video. The **Battle at Dulce** to Stop an Alien Breeding Program. Using Thousands of Young Women. Government scientists (the secret government) purportedly labored ...

“Edited by **CAPTAIN MARK RICHARDS** Published by – Earth Defense Headquarters <http://www.edhca.org/>

Condensed and re-edited by ‘BRANTON’ with the permission of E.D.H. 1947

TREATY SIGNED BY PRESIDENT HARRY TRUMAN

Government scientists (the secret government) purportedly labored alongside an alien force to work out the sundry ways the general population could be brought under an ultimate totalitarian control that would leave humanity as little more than farm animals to be used for breeding. All of which began with a 1947<sup>1942?</sup> treaty signed by President Harry Truman, that set in motion a plan where THE ELITE OBTAINED ALIEN TECHNOLOGICAL SECRETS IN EXCHANGE FOR PERMITTING THE ALIENS TO ABDUCT HUMAN SUBJECTS FOR THEIR DIABOLICAL RESEARCH. In time, the elite would be allowed to survive to become the overlords of the human sheep, under ultimate control of the aliens – like the dogs that watch the sheep lambs on a human farm.....”

**(Collator’s note: the “Treaties” each span nine years and commenced with F.D.R in 1933 – hence Treaty Nine in “2014”, which was stated in the Computerised Template from Allan Webber. The fact that there are 81 years [9X9] between 1933 and 2014 is one proof) also many writers seem to have various differing dates for Treaty signing – when much is still kept from researchers and scholars. For instance the most important Roswell crash was 1941, not 1947. We never hear about the one in 1941, I wonder why that is? It follows that a ratification of the treaty after 1933 must have been 1942: making the next one 1951 when Eisenhower was the signing president. Noting the month is usually November, at years end. According to these texts the 2014 signing was November 8. There were other off world “agreements” prior to 1933, involving the “National Parks” and the denizens dwelling under them. Here is something else found in my old files... President F.D.R. was still the president in 1942!**

“Dr. Sasha and Janet Kira Lessin review the history of abductions, from the horrendous abductions of over 100,000 a year mostly young white women to a U.S./Grey-run base in New Mexico. Greys and other aliens, especially friends of the Greys, used the captives for breeding, experiments, organ banks and especially for sadistic gang rapes by aliens from all over the quadrant. The ETs ran a vast genetics lab two miles under Archuleta Mesa near Dulce, NM.

**The program of abductions was authorized in 1947 by President Truman in exchange for the Illuminati power elite’s access to the technology with which they now rule the world.**

When President Carter realized that the NSA X group was running this program, he enlisted a special Delta Force Group, financed by Ross Perot and assisted by a sympathetic Reptilian to close down the base and rescue as many of the abductees as possible. The force rescued some 3,600 women, but needed to bomb the facility, killing the thousands of ETs running the base and some 30,000 or more abductees they couldn’t get out before fleeing before the alien defenders.

The abduction program was curtailed until **President Bush Senior** let the ETs take a few hundred woman a year.

The Lessins also point out that Thoth/Kuluklan<sup>sic</sup> and eight other ET Homo Sapiens from Nibiru may have, as he told the Maya, returned to check Marduk/Allah as well as Enlil/Yahweh and the power elite that divide us and pit us against each other. There is speculation that President Obama, Ex-Presidents Clinton and Bush Jr. met Thoth in Tanzania a few weeks ago. **(The Mandela ‘funeral’)** The world may indeed have changed Dec 21, 2012, when Thoth returned. For more, see <http://www.enkispeaks.com>”

**The year we have of 2012 did indeed turn out to be the rise of a ‘new age’. The final week of December 2012 saw the Maelström reverse. This was a clear indication that the “Great Conveyor” ocean current has reversed. This is known to usher in an Ice Age.**

**CARTER TRIED TO STOP ABDUCTION PROGRAM** confirming my thoughts regarding Treaty timelines

“The turning point came when National Security Adviser Dr. Zbigniew Brzezinski met with President Jimmy Carter in the White House on June 14, 1977, with a number of other “intelligence operatives and leaders”, to bring the President up to speed on a number of top secret programs, including “Project Aquarius”, and the work being done at Dulce, Area 51, and other secret bases. Brzezinski, a member of the power elite that backed the “Grey” cause, never guessed that the President would be so shocked that he would soon turn to trusted military advisors in the military intelligence community for options of how to stop what had been going on.

**PROJECT AQUARIUS/GLEEM”DEEP COVER**

The National Security Agency (NSA) had been secretly fighting the alien cause, and the humans that worked for or with the aliens, since it was established in the mid-1950s’. Project Aquarius was originally established in 1953, by order of President Eisenhower, under control of NSC and MJ 12. In 1966, the Project’s name had been changed from Project Gleem to Project Aquarius, and portions of it went into DEEP COVER, hidden even from the CIA and the NSC. At that point, the NSA had opened “Department X” (to identify and study all alien or enemy operations that could be a threat to the United States or the Human Race in general), and “Department Z” (to “react” and “neutralize” any sort of threat to the United States or the Human Race).

Under secret Presidential Order, signed by President **Jimmy Carter**, the NSA’s Department Z, the newly established DELTA FORCE, and a specially hand-picked group of Air Force SOC, Navy SEAL, and Army Rangers were organized for a mission so secret that not even command officers were told what it was about until the night of the attack. The only ‘Attack Team’ leaders who knew what this would be about were the men involved in the NSA Department Z, who had been involved with fighting aliens for years. The commanding officer of the attack was none other than Captain Mark Richards, the son of the infamous “Dutchman”, Major Ellis Loyd Richards, who had been the commander of International Security (IS) since Admiral Chester W. Nimitz died in 1966...

By 1978, the NSA Department X was warning the human commanders of new programs starting at Dulce that were so frightening that even seasoned men of war were shocked. Thousands of young human females were being “created” in test tubes to be sex slaves for the aliens. But these clones were proving to be less than satisfying for the aliens’, because they didn’t “suffer” the same way that once free victims did. They could be engineered to provide better sexual tools for some of the stranger life forms, but they were proving to be nearly “mindless”, and thus couldn’t react with the “fear” that normal young women could. For that reason, while the clone program would continue, it had been decided that

THE ABDUCTION PROGRAM WOULD BE STEPPED UP – WITH THE FORCED “SHORT-TERM” ATTACKS TO INCREASE BY 1980 **TO OVER 100,000 A YEAR**, AND THE FACILITY TO BE ENLARGED FOR “LONG-TERM” VICTIMS (WHO WOULD STAY THERE FOR AS LONG AS THEY LIVED) WITH **NUMBERS OVER 75,000.**

The labs at Dulce started cloning human females by a process perfected in the world's largest and most advanced bio-genetic facility, Los Alamos. The elite humans who manipulated the world's governments from the shadows would soon have a disposable slave-race, for medical culling of body parts and their own perverted pleasures.

Like the alien Greys, the U.S. (secret) Government secretly kidnaped and impregnated young females, then removed the hybrid fetus after a three-month time period, before accelerating their growth in laboratories. Biogenetic (DNA Manipulation) programming was then instilled – many being implanted with all sorts of devices, some that allowed them to be controlled at a distance through RF (Radio Frequency) transmissions. From: EDH Archives: Dulce Interviews; WC-289487346–80...

“Level 7 is worse... It was like a whore house for pervert ETs’. Human females were brought there for ‘experiments’, but you can’t convince me that most of it wasn’t just sadistic pleasure for the Greys. They wouldn’t just impregnate the girls, they would sexually torture them for hours. Sure there were the scientific procedures, but there were also orgies where a few pretty human females would be given to a large number of Greys for nothing less than a brutal gang-rape. And this was constant. Hundreds of Greys, and other species that seemed to be friends to the Greys, would come and go every week, for no other clear reason than to take sexual pleasure with the provided human females.”

C+F+1 68 3 C+F+2 39 2

When the truth was evident that sub-humans and other creatures were being produced from abducted human females, **impregnated** against their will, a secret resistance group formed within the military and intelligence agencies of the U.S. Government that did not approve of the deals that had been made with the ‘Off-worlders’.

Many of these brave humans would be assassinated, or “died under mysterious circumstance,” or would be silenced in other ways. But in 1979, they would manage a victory that would cost the Greys, and **the humans that backed the Greys**, dearly...

The **Air Force Intelligence Officer** that reportedly was the man who met with the Aliens at Holloman (Air Force Base) in 1964, was the legendary ‘Dutchman,’ **Ellis Loyd Richards, Jr.** – the same man who would reportedly order the attack on Dulce in 1979, and whose son, Captain Mark Richards, would lead the human attack on the facility. Mark Richards is held in permanent detention. See ProjectCamelot

The Richards names come up time and time again when one looks into any of the mentioned Top Secret Projects that Military Intelligence, or the Eyes-Only, Top Secret agency known as International Security, were involved in from World War II through the ‘Cold War’ years. The in-house political argument that developed within MAJESTIC TWELVE in the late 1970s, when the military/intelligence men objected to the deals with some of the Aliens on the side for the selfish gain of such groups as the Illuminati of thousands or the “Club of Rome” at the expense of thousands of innocents, if not all of mankind, helped to cause the rift that would lead to the military action taken against the Dulce facility in 1979...

**A REPTOID BRIEFED THE ASSAULT ON DULCE** **this could have been J-Rod52**

“It would be one of the reptoids who taught several of the men involved in the attack on Dulce a number of the informative points that would first cause them to look more deeply into what was being done at the facility, and then helped them better understand the enemy, and how to defeat them. Indeed, it would be this Reptoid who communicated the factual basis for a number of the plots being organized against humanity by a number of off-world sources, and (some of them) had proven their willingness to aid the human cause in the Battle for Central Asia in 1976, and in the August 1979 space defense of Earth against alien invaders. It was also (they) who warned of the danger that such life forms as bacteria represented to both aliens and humans.

In 1979, there were 37 alien species represented at the Dulce facility. Only 6 of those had their own space or dimensional traveling ability, while the others were guests of the Greys. All of those species that had come as guests of the Greys were there for genetic and reproductive experiments with humans – and 8 of those were also interested in humans as A SOURCE OF FOOD. Of those interested in reproductive experiments, 25 could enjoy direct intercourse with human females (although several needed the female to be placed on special hormone treatments ahead of time), and the facility apparently got the reputation for being a sexual pleasure spot for the quadrant.”

Military forces from multiple countries have been engaged in such warfare with aliens, said Phil Schneider.”

#### TO SUMMARISE

- The Hidden Texts of both Nostradamus and Da Vinci are warning us about the **real** off world invasion.
- These alerts point to the **manipulation of calendars** in order to bring forward their agendas because...
- They have made **legal arrangements** (litigation is how they exact their hidden agendas) and these are called “Treaties”. These pacts were intended (by Earthling humans) to be a **“trade”** for extra-terrestrial technology (which included computers, designed intentionally to distract us) and **for humans as meat**.
- It is no coincidence that what we read in these texts is **seen to have been occurring**, albeit, completely and purposely denied **in the field of disclosure** of all of these events to the general public (who **are** the “meat”)
- Full disclosure **will never happen**, simply **because** we were all sold out. The leaders we think we “have” are not the original person and some have been “duplicated” numerous times by the off worlders whose technology is as “magical” to us as airplanes were to the Papua New Guinea tribes.
- The joke has been on us from the beginning. The word “shepherd” and “lamb” are sly hints. After all – what do shepherders *do* to lambs?
- The other three “Parties” to the “treaties” ARE the shepherders. ‘Managed’ by those from Chertan in Carpenter.

Laguz of Pisces is very clear here with Grus conjoining at the 'tail' of one of the 'fish' Being over the western hemisphere means these are the Grus showing off. But it could be a count-down too, due to a previous Aries event, this one (Pisces) another of Aquarius (a vertical oblong) and Capricorn - all in precession, backwards.

trying from memory to recall the date of this crop circle straddling Stone Henge, July 2008 or 2005? Interesting how the road has been used to represent an orbit (shar). Copy the image and blow it up to pinpoint which one of the planets with an atmosphere is ours, and which one is our moon (having been moved)

Noting the large vertical pheon cross on the side of one large body. There is always a good chance that none of these includes Earth. There are seven, eight if we include the tiny dot, which could be our own moon in front of the lower right hand body closest to Nibiru. If Earth is here, it will be the small one between two large ones at the top, and one of those large ones at the top might be our sun. Just working off the proportions. The GRAND CANION REPTILES are frequently named.

Looking carefully at the large body top right, one can see a **diagonal cross** across its expanse. Thus we have the vertical AND the diagonal crosses which appear on many flags across the world.

Predicting 2017: the rise of synthetic intelligence

By [Todd Jaquith](#)

**Cognitive Machinery**

"According to the big brains at Ovum, "machine learning will be the biggest disruptor for big data analytics in 2017." They've got a point, too — a damn good one. Deep learning and neural networks have shown remarkable promise, even holding out the hope that they might point the way toward achieving some sort of serviceable, human-like machine intelligence—not a terrible surprise, since their mechanism mimics the layered cognitive processing employed by the human brain."

At this juncture it needs to be highlighted that the word *aconile* is not a proper noun. It was given the capitalization for two reasons, one of which is for the *codes within codes* and the other to fool those who are not looking at it properly. The word *haufte* gives us one hint. Haute means 'high' or 'on high'. In Latin the word *aconile* is an adjective describing the shape of it, not only the shape, but what it is. From [William Whitaker's Latin Words](#)

Circled in red is the aerial re-fueller which you can see in the following illustration is upside down doing its task.

The square yellow enclosed wall relief item represents Apis the Bee also known as Vespa the Wasp and later as Musca the Fly. This constellation is partially absorbed by Aries when the more modern (ca 1500BC) zodiacs were documented. The 5th dynasty was that of Sneferu/Snefru, Amon Ra/Marduk supposedly around 2,500 BC. Yet we may need to remove a thousand years from these clocks due to our computers being coded/programmed incorrectly. It is near Musca in Gliese 876C that the J-Rod52 companion to Nostradamus is camped. 8 39 2 Sera tollu par Prince de Tholoze.

It would be a large coincidence if all constellations were the same degrees in passing across ! Leo for instance is easily seen to be twice as large as Aries, so how could it take the same 2,160 years for our sun to cross their degrees ? Just in case you have not seen this in other forum pdfs – which shows we have many centuries yet to climb our way out of the age of deceptive Pisces and into the Age of the Humanitarian Aquarius. It is my assumption that our golden age will not occur until we are out of the deceptive age of Pisces the fishes. Noting Grus (Oxyrhynchus) has its beak in the fish.

Although I did take the wheel to be an orbit, either the great *MillWheel* or our planets, because both Pavo-(formerly Phoenix but also known as Grus-Crane Heron-Ibis & Benu/Penu constellation) and Cockerel of Argo are currently in the southern skies. Penu *means* “land in the south”. This is telling us these constellations are going to be in the north! The *timer* between them means **orbit**. *Which is being altered by a change of gearing* **IN INCLÎNICAL inclined QUARTERS** (two sets). **Still shaking my head**. A good time to also point out the portrait of Nostradamus, almost identical to the one painted in the Last Supper. The black band of mourning is on his thigh, and the word ‘thigh’ refers to Sagittarius (which he was). He has bare feet, which means Boötes the shepherd in Libra – a date. The one cleaning up the planet has clogs, normally worn in muddy times. Noting this planet is round. Not flat.

Nostradamus in the Last Supper

**If there was ever a reliable witness – one who has been uplifted too many times to account for, since he was eight years old, it would be David Huggins who painted his experiences, including baby Sasquatch on board. Here he is being shown by a Graal – a view of the blue gem, the round Earth.**

**A comment made by Ala.Lu on seeing our planet for the first time and sending the message back to the king that he had found an “alluring ball” planet, one with much gold.**

“Alalu could but glimpse it: On its destined course from Alalu's path it was quickly moving. Then snow-hued Earth appeared, the seventh in the celestial count. Toward the planet Alalu set his course, to a destination most inviting. Smaller than Nibiru was **its alluring ball**, weaker than Nibiru's was *its attracting* net. Its atmosphere thinner than Nibiru's was, clouds were within it swirling. Below, the Earth to three regions was divided: Snow *white at the top and on the bottom, blue and brown* in between. Deftly Alalu spread the chariot's arresting wings around the **Earth's ball** to circle. In the middle region dry lands and watery oceans he could discern.”

Now come,  
 Write it on a sealed tablet,  
 as a book engrave it;  
 Let it be a witnessing until the

THE REAL STORY OF JESUS (Immanuel) Billy Meier video:

At the ten minute mark, those craft are the Vril craft of the Alcyonese (taken over by Anakim thousands of years ago, and are the 'fallen angels' in the Old Testament - one of whom is named in the bible as Semyase (Samjase) and that means co-pilot (where the tetragrammaton - YHWH full name means Chief Pilot) Lord of the airways, the Ruach... Many of these "Pleiadian" visitors gave Billy Meier contradictory information. As if there were two different types of Pleiadian involved. The Alcyonese live under Antarctica... ok - caught out. "I am very aware of the things which are going to occur for the next two thousand years" [the Pleiadian relates what 'Jesus' says, to Billy] - it has NOT been 2 thousand years since the crucifixion. The numeral one in front of (prefixing) the century was either accidentally or on purpose changed from an "i" (or "j") which was the prefix for Immanuel and or Jesus. By changing that to a number - one thousand years was instantly added.

...yes, when Andy Basagia went to Masada, he said Immanuel was there and died there as a very old man.

The information which comes to me arrives via the Hidden Texts of two time travellers, both of whom have visited me, one of them several times.

February 3rd the "real birthday for Immanuel" claimed in the video, is in Aquarius *alsoknownas* "The Humanitarian".

The Hidden Texts speak of the real meaning of *Jesu Christos* as a title, and that certain greys anoint themselves in order to feed.

This is the first time [I have seen] other than via the hidden texts that anyone else has mentioned the "three races on Earth".

Nostradamus said FIVE TIMES that the "AntEchrist of the THIRD PEOPLES" is awakening"

at 50:26 ISCHWICH is the full name for the letters YHWH (known as the tetragram)

The reason the Shroud of Turin was said by Billy to be fake, is because the man who was really crucified as Immanuel, was not Immanuel. Andy Basagio said this, and the Cassiopeian Files also said this, as do the Hidden Texts.

Several times (I think it was three times) the "disciples" complained to Immanuel that he was appearing "as someone else" and that he was shape shifting in front of their eyes....

"Those who travel from Afar." In the Hidden Texts Afar meant Aquarius, physically

I would question if they did "put themselves" into stasis. Recall the Bible saying "for one thousand years bound into the pit in iron/s? Now I wonder if the "iron" wasn't hibernation. Maybe that is why our calendars were made over to have two "phantom" "ages", the 324 years added by prince Otto (so he could be 'crowned in the millenium') via the edict sent to pope Innocent... plus the matter of the **1000 years added** (to bring the years closer) **by removing the "i"** for Immanuel prefix and replacing it with a "1"

<https://www.youtube.com/watch?v=l3IPBMWZg4&feature=em-sub&digest=vrecs>

yes, the Rephaim are the "third peoples of the AntEchrist" which Nostradamus wrote FIVE times in his Epistle to Henri II. Then in two quatrains he also spelled it ANTEchrist (BEFORE Christ) Q8 77 line 1 and in Q10 66 line 3.

The ONLY place in the bible it appears is when John spoke of it, spelling it AntIchrist.

Taken from the Greek. Meaning "against" or "**substituted**". Seems to me John in the bible was a *disinformer*.

They float at extremely high altitudes, and are usually observed using a telescope. While some sightings are only visible in full light spectrum, these zerooids can be seen with the naked eye. These fascinating alien creatures are poorly documented, although many researchers know and even acknowledge their existence.

On May 3, 2016, a video has surfaced revealing an impressive zerooid sighting floating above Guadalajara, Mexico. It strongly resembles a blue whale, but from another dimension, and it may also prove that Ruehl's theory regarding smaller zerooids being assimilated or eaten by the bigger ones is true. On a cosmic level, this could be a variation of the food chain defined by our earthly standards.

Islam was meant to cleanse North Africa and the Middle East of troublesome dissenters and then hand over Jerusalem to the Vatican.

"Muslims are livid"... can't wait for the day when the world finds out these religions were created by the same person and/or organization, social manipulation at its best. Yeah, stone of Gabriel, it says he's god of Israel, also known as the main angel in the Quran, and Jesus, the Destroyer in Revelations, ; see how it was all man-ipated? Some people are so invested emotionally (cough, cough "spiritually") that this news becomes lost to them, anger is usually the first response. And yet, these beliefs are intended to provoke conflict; they have done their job well.

Commenting on Asmodeus to the left. Is it a coincidence that the four faces which Ezekiel described are represented here? That they also represent the four which were involved in the F.D.R. Treaties? One of which was the technologically deceived Human (F.D.R) one from Aldebaran in Taurus (the eye of the Bull) One of which are the Aryan/Arien Aries Ram (those from Alcyone, the fallen ones) and the last being the Lion-headed Draco from Chertan the Rib of Leo formerly known as Norma/Roman & also known as The Carpenter constellation. It also appears in vignettes as Leo Minor the Lioness. In modern times this has become The Set Square and Dividers/Compass of the FreeMasons. Still think it all a coincidence? Some "experts" might be tempted to describe these as the four cardinal points of a zoödiac. The human being Aquarius, the bull being Taurus, the lion being Leo – but the ram? No, the ram is not Scorpio. See the coronet on the "human"? That means "the prince" which is always Sirius. Running this show of the Anakim factions. "because that fierce demon Asmodeus knew even the future"

Brief comment to the image of the 'handsome' 'most glorious' one ~ notice his **arm**? No, you didn't, neither did the person placing that caption on that particular image. Of all of the beautiful portraits of a Jesus there is available, the person who placed that caption chose one with the ARM message: "Satan was the most glorious creature God ever made" Ez 28:17 ~ does not belong with *this* illustration. Just so we do not think this artist did not know his artistic work – see another separate picture someone provided – with the same ARM message. Except in the ensuing artwork they ALL describe the SAME craft – that which we have learned belongs to the "fallen ones" of the Vrill-S.S. which are currently under Antarctica.

Carlo Crivelli's "Annunciation". although depicted at night time there are no shepherds  
 <-Would a person say this is a similar craft to the previous few? Recall the American George Adamski visits, that craft was the same as the following three. A Vril ship.

Just exactly what does "suffer the little children to come unto me" mean?

Comparing the previous attested medieval art, & recognising that we need to knock off 1,000 years in their dating ~ means that these events are 1,000 years closer to our own times.

**Cepheus is depicted as King of kings holding the branch (of our family tree DNA) IN HIS ARM and this is what the 'arm from the skies' means in medieval art.**

<- We have here three unattested illustrations showing very similar craft in each one. We have seen these ships in previous forums, along with their warning alerts.  
*Piloted by Alcyone*  
 These are/were the Vril craft of the Anakim – Nazi - Khazar-Vatican, & U.S.A. surely giving away their absolute deceit

Even the features worn by the man next to the giant seem to be those of He in the Shroud of Turin. He is looking away from the craft. And what is the giant doing? *Trying to convince Him.* He stands in the water, so is it actually E'a? Lord of Earth & water. See his **arm!**

ARM appears in many forms. In the Sixaines, it was described as "beautiful Elephant" – the nebula which appears in Cepheus (King of kings). Once one becomes aware that ARM means King of kings, one will begin to see the Arm in many vignettes and frontispieces, and those from Cepheus are part of the Elohim Group. Thus the word *Elephant* also became a *qualifier* noun within the texts. One will also see that an image with an ARM way out of proportion, meaning King of kings – does *not* apply to "Satan the most glorious"... In both pictures the arm is the left one, which was thought to mean the 'sinister' one. Perhaps *that* is the clue It may well mean *sinister*. See the ensuing images, one is holding the sword of Orion, wrapped in a ribbon or band, another holds a ribbon or band, and one of the two witnesses – Cepheus and Cassiopeia, his right arm is through a cronus visor above clouds telling us what? See the golden mean behind his right arm? This then makes me wonder if the two images with the enlarged left arm are not reversed?

Aztlan out of place object found 1955 Central Mexico. It is showing many things – Nemesis pulling us out to Saturn, or pulling Saturn towards us, space craft influencing objects, the 'winged god' Anu and the fanged dog Sirius and most important – **oceans being lifted off** – also seen in the Popol Vuh. Bottom left looks like a flat screen

Right hand arm, & golden mean (orbit)

Right handed arm, date of Yule

Right hand arm contains Orion

Is this how these images *should* appear? The RIGHT ARM of the King of kings. Recall where Immanuel/Yeshua went? He went to sit at the RIGHT HAND of God It is sooo easy for the negative ones, the schills, the gremlins who know not what they do when they at first begin to deceive and yet sooo hard for the looker to see!

“Band”, “Banner”, Ribbon” all mean the Milky Way. The upright Pillars refer to dimensions. The Fir Tree is a date of winter solstice and the Poplars is also a date of Feb 4 – Feb 8/Aquarius and also Beltane, the first week in May. The one wearing a coronet on the lower pylon refers to a prince, usually Sirius. The “layman” on the greater pylon means the “meek” or the “elect” – and the Arm belongs to the Elohim Alliances – handing the “milky Way” to him Top left are the **Two Witnesses**, the King of kings and Cassiopeia. In these texts these peoples are both orbiting one in the Black Knight which NASA like to say they know all about, recently trying to say it is theirs after having admitted humans have been unable to place a vehicle orbiting the north to south route. The others are in the “super Lunar Nurseries” orbiting our moon in a five day elliptical orbit. Century 3 Quatrain 25 in all four of its lines described this “Ark”. This is where the likes of David Huggins and Brigette Nielsen have been and where we can even see baby Sasquatch roaming according to paintings by David Huggins. Sasquatch are part of the Ally

Just in case one has doubts regarding the Two Witnesses orbiting... see above left with a golden mean behind the right arm. It is Cepheus (King of kings) and Cassiopeia. <~Here we have Cassiopeia and Cepheus hovering (in the dark of outer space) she is usually in pink Watching the Empire: (count his fingers) with Taurus/Aldebaran supplicating. Noting that the bull does not really have any hind legs – which is the case with Taurus the constellation. Where one hears of the “hind leg of the Cow” – does NOT refer to the Pleiades nor Taurus but is the obsolete term the Egyptians gave to Ursa Major, which sits on the OPPOSITE (left hand) side of Orion, with Taurus to the right hand side. There is a pile of dung at his feet – this is Alcyone.

There is a video on youtube with the word **ALCYONE** and **ARTEMIS (Orion)** in the title. This is a rough attempt to make the Alcyonese appear as the *angelic* Pleiadians. One dead give away (amongst other lies) are the words "Obama is a Christian". If you have been reading these texts you will immediately pick up on the other lies. Always keep in mind when they arrive in a craft, it is one from the S.S. Nazi Vril. Those who are into alternative news will see current attempts to make Hitler out to have been trying to *help* humanity. Keep in mind this one little agenda he did accomplish = Hitler Youth. Training children to hate their parents. As always - judge them by what they were doing. Their accomplished deeds and actions give them away.

The video the following transcript was taken from has been pulled, (due to 'copywrite problems') but refers to "PLAN 9" which is nothing less than TREATY IX

This movie won the Rotten Tomatoes award, appearing as a spoof – but for us in the here and now – looking back at the screenshots, and knowing what we know – this was no spoof.

January 12, 2015 ... PLAN 9 AND ED WOODS DIRECTOR

J-ROD45 & TREATY IX is to be a forum sometime soon and it does speak of the walking dead...

did Ed Woods the director travel to his future? Was he privy to the Off World "Treaties" with their "Trade in Men" clause?

Ed Woods gained the worst director award - but he WROTE the script too.

Where did he get the idea of "Plan Nine"/ It is Treaty 9 which includes the "trade in Men" clause, and the walking dead are what we call men in black...

Simon Parkes and his "mandate" cannot be compared to Greer and his misinformation mandate. Greer does it for money. Parkes was named in Letter32 which Nostradamus wrote in Latin "how pleased he was with Parcs [French spelling of Parkes] for picking up the [off world] agenda and running with it."

This is the same Letter which mentions The Triple Method for the ciphers

You are aware that his source, and that of Da Vinci and Nostradamus is the same source? As is Anton Parcs, Jim Sparks & me. Also Simon is quite evasive about the object buried under Oak Island. I do not understand why he was being elusive when it was only a part of a 'stargate', and a mechanical part at that. He did say it was only part of a larger and dangerous object. Since the **Cassiopeia Files** of Laura Knight Jadczyk describe it in full, **Dan Burisch** did the same, and these texts describe it, (in MEDICAL, CHEMTRAILS AND VACCINES FOOTNOTES) plus I saw it in one frame of an Oak Island 2012 mocumentary- with the remainder of the secret Templar Knights/Freemason being also fully aware of it, it surprised me why he did not want to be public about it.

Did you have any doubts about the **GREER** texts?  
That he (like Fulford, Goode and Wilcock) are run by the Illuminati? Puppets of misinformation. Be it via clones or mind bending, still quite sad...

Did you ever wonder why Linda Moulton Howe is still living following all her former discoveries?  
Seems to have altered her course, and changed tack?  
She is more clever about it (non true disclosure).

**US paying salaries for tens of thousands of non-existent Afghans**

Special Inspector General for Afghanistan Reconstruction (SIGAR) John Sopko is once again warning about the long-standing problems of corruption in Afghanistan, and the amount of US "reconstruction aid" disappearing down black holes over the course of the years. As always, the discussion came around to "ghost soldiers."

Ghost soldiers are a phenomenon in which Afghan military commanders fill their ranks with fictional names and just keep the salaries, which since the salaries are paid pretty much exclusively by NATO and overwhelmingly by the US, has been a known tactic that the Afghan government has done nothing to prevent.

Sopko warned that the "ghost soldier" problem has expanded to include **fictional police, teachers**, and other government officials, and that all told the US taxpayers are paying the salaries of "tens of thousands" of Afghans who don't actually exist, and will likely be doing so for years, potentially decades to come. Though exact figures are impossible to know, SIGAR said some \$300 million in salaries are paid to "unverified" employees."

Individual Afghan government employee salaries are pretty small, particularly for military recruits, which has been a big reason the nation has struggled to fill the ranks with actual people. That commanders can pocket the difference just adds to the incentive to make up names and "pay" them."

The dark ages with 324 years simply removed to enable clause 2014 to be brought forward, we were really in 1690 at 2014. The 2014 clause is for "trade in children"... *J-ROD45 & TREATY9* has not been published yet. Quite apart from the evidence put forward in *SHARS OF NIBIRU & The MISSING 324 YEARS* the other outside peripheral evidence is that the *SHROUD IS REAL* which can be shown when the C14 dating is found to be faulty by 700+ years due to bacterial encapsulation, adding the 324 missing years to this then gives us the absent millenium in the true aging of the Shroud. Added to which is the matter of one thousand extra years in our modern calendar – either way we have hundreds of years before the Age of Aquarius, and so does the Accuser who was meant to be "bound in irons for a thousand years". What a clever way to shorten his sentence! Change the calendars, literally moving the goal posts.

**WARNING - INTRAVENOUS USE**  
 Severe reactions, including fatalities, have occurred during and immediately after the parenteral administration of AquaMEPHYTON (Phytonadione). Typically these severe reactions have resembled hypersensitivity or anaphylaxis, including shock and cardiac and/or respiratory arrest. Some patients have exhibited these severe reactions on receiving AquaMEPHYTON for the first time. The majority of these reported events occurred following intravenous administration, even when precautions have been taken to dilute the AquaMEPHYTON and to avoid rapid infusion. Therefore, the INTRAVENOUS route should be restricted to those situations where another route is not feasible and the increased risk involved is considered justified.

**DESCRIPTION**  
 Phytonadione is a vitamin, which is a clear, yellow to amber, viscous, odorless or nearly odorless liquid. It is insoluble in water, soluble in chloroform and slightly soluble in ethanol. It has a molecular weight of 450.70.  
 Phytonadione is 2-methyl-3-phytyl-1, 4-naphthoquinone. Its empirical formula is C<sub>31</sub>H<sub>42</sub>O<sub>2</sub>.

"Putin sees these anti-Trump forces in the U.S. attempting to “bind hand and foot” the newly-elected leader, with the clear aim of these forces being to interfere with the domestic and international policies outlined by Trump during his presidential campaign.

These “western elites” attempting to dictate public policy from the shadows “severely harm US interests,” Putin said, adding “The media frenzy surrounding Trump speaks of the degradation of US political elites.”
