GIANT SPIDERS

~ HIGHLIGHTED PURPLE = CAME TRUE.
~ HIGHLIGHTED NAVY = watch this space.

Keeping in mind that at the time Allan Webber was working on vocabulary into his anagram~program for his Template, he did not believe in extra-terrestrials and the closest he came to knowingly naming any was the word "angel". Therefore the likes of the word MANTIS (the negative four armed giant type) or MANTIDS the positive more ordinary looking species with the Elohim Alliances of the Living Library – had for him no way of being defined – in relation to the words which appeared in his Template "ANTS", "SPIDERS", "PUPAE" and so on. It is to be understood by the long-time readers of these works that the collator had not distinguished the differences between MANTIS and MANTID until 2017. Throughout former pdf forums one might see MANTIS in relation to the ones with the Elohim Alliances. This is one large error. The Mantis are destroyers invented by the Orion Group. Whereas the Mantids from Argo are with the Elo'im Creators, albeit, still using an heirarchical "order" as Simon Parkes also noted. It is up to you, the serious reader, to qualify these details when browsing Allan Webber's Template of Quatrains.

This relic appears on the walls of Kariong NSW and in many other hieroglyphs. It once represented the 'mountains' of Ninurta and prob-ably still does. Have you seen the Icke/Credo Mutwa interview? This is his totem, attached to his 'torque' necklace. He spoke of his off world reptoid abductions and much else. Noting ***six*** Anakim number coils on the relic. The 'debunking' of Tellinger by a cloned Mutwa was a put up job by those Anakim generic name who are still behind the AskheNazi banksters.

- *UUELDS DOTS STRIFEFUL SHOULDER-TOAD* **HORNED** is in this line too **TOAD** the word 'Toad' means those reptilians from Bufo which is entwined within Boötes constellation, hence the confusion between one witness (Alec Newold) being misled and told that it is *those from Boötes* are in the Black Knight orbiting and the medieval painting of the pope hoeing with the background having numerous space craft flying overhead. This indicates the Vatican is in cahoots (hoeing rows) with these off worlders with the alchemye for Boötes name of the *lost hoe* . The horns literally means they have horns.

- [SINGLE-]MINDED because they are a hive mind creature. What one knows, they all know
- DREAMING REALIGNED MAGNETS the Military personnel forced to be in contact with these Grayles (of Phil Schneider) do comment that these creatures are "doing something with our magnetic fields" but no one knows what and no one knows how to stop them. This could (as a pun) refer to the free energy Orbitally Rotating Magnetic Energy generators being used in India right now. Two large round magnets in tandem each spinning in the opposite direction to the other.
  This was how Vimanas were powered too.
- GRINDS ON NON-BELIEVERS ***EDITED BIBLES BLINDED.*** *Yes, those who wholeheartedly digest the bibles have a hard time believing how cleverly they have been duped by the editions being altered – far too many times to detail here. This makes them closed minded to other possibilities such as the Andromeda Council and the Cassiopeians. Some blindly invest in the Pleiadian influence idea when those "seven stars" are quite the reverse – they mean Ursa Major, source of Anakim !*
  It follows that the thought of their Jesus being a shape shifter is simply not a possibility – he with his 12 disciples, among whom is the misogynist Peter. As I keep saying : judge them by their actions. St Peter = the Vatican = parasites. No one asks "how did Da Vinci know this" ? One might ask "how was the Book of Revelation sourced" – same answer = stargate. Immanuel, on the other hand, the prophet (again – prophecy comes via time gates), He was real, given the office/title of Jesus Christos : our Anointed Saviour. Saviour from what ? Our own sins ? That on its own is a diversion – no babe is ever born 'with sin'. This was a construct by which to control people – make them guilty, then charge them for their 'sins'.

Poseidon and Caenis/ later Caeneus , woodcut illustration of Ovid by Virgil Solis, i563.
We know **Poseidon** as **EnKi/Lord of Earth** and **water, E'a.**

In Greek mythology, Caeneus (Ancient Greek Καινεύς or Kaineus) was a Lapith hero of Thessaly and, in Ovid's Metamorphoses— where the classical model of a hero is deconstructed and transformed (by Poseidon/E'a)— originally a woman,[1] Caenis. Such warrior women, indistinguishable from men, were familiar among the Scythian horsemen too (see the entry "Amazons") and survive among Albanian traditions as the "sworn virgins" (*virgjinesha,*).[2] Wiki

"Caeneus met her/his fate in the battle between the Lapiths and the centaurs (see Pirithous). Similarly, in the Iliad (without referring to these transformations) **Nestor** numbers Caeneus among an earlier generation of heroes of his youth, "the strongest men that Earth has bred, the strongest men against the strongest enemies, a savage mountain-dwelling tribe whom they utterly destroyed."
No trace of such an oral tradition, which Homer's listeners would have recognized in **Nestor's** allusion, survives in literary epic.
In Ovid's description of the tale, a particular centaur, Latreus, mocks Caeneus and denies his skill as a fighter when he realizes Caeneus' female origin. Caeneus strikes Latreus a blow in the side, and is unharmed by the centaur's last attempts at wounding 'him'. In revenge for this, the centaurs piled pine-tree trunks (some say fir trees) and stones upon 'him', since he was immune to weapons.
There are several descriptions of Caeneus' fate after 'he' had been crushed down by the tree trunks. One vase, for instance, depicts him as sinking down into the earth, upright, and buried at the waist; this legend is described in the *Metamorphoses* as well, and implies that Caeneus is falling directly into Tartarus. Ovid states that Caeneus flew away from the pile of tree trunks as a golden-winged bird.
This version of his ending given by two witnesses, Mopsus and the "son of Ampycus", as well as **Nestor**, who tells the story.
Nestor tells the story of Caeneus to Achilles in fuller detail, describing his transformation from female to male. In Ovid's retelling, placed in the mouth of the aged Homeric ***hero Nestor, Caenis, the daughter*** of Elatus (a Lapith chieftain) and Hippea, was **raped by Poseidon, who then fulfilled her request to be changed into a man** so that she could never be raped again; **he** also made Caenis invulnerable to weaponry. Caenis then changed her name to Caeneus and became a warrior, traveling all over Thessaly, and later taking part in the hunt for the Calydonian Boar. Virgil also says that Aeneas sees her/him in the Fields of Mourning as he visits the underworld in Book Six of the Aeneid. Caeneus has by now been turned back by Fate into her original female form. He/she was also mentioned in the Hesiodic Catalogue of Women. [collator's note: Homer was understood by the Greeks to have come from the Pleiades – but which one?]

5^ "Caeneus, struck by the green fir-trees, cleft the ground with his foot, where he stood, and passed beneath the earth." (Pindar, Frag. 16, noted at Theoi Project, which illustrates an Attic vase-painting depicting the centaurs also using boulders to crush Caeneus.Ovid mentions oaks.

NUMERAL INIQUITIES referring to Psalm 130.7. It could have said NUMEROUS, even NUMERICAL, but it didn't. *See 4 mentions in Da Vinci GWEN Saran, in Andromeda Boots up the Crystal Pyramid, 5 mentions in QUBITS, and ten mentions in Language is Engineered.*

Psalm 130 •7 LET Israel, hope in the LORD! For with the LORD there is mercy, and with him is plenteous redemption. And he will redeem Israel - from all his iniquities. (If they have the hope/belief= Let Israel – noting two things in the KJV (not the NewKJV) that it refers to a *man* Israel, and that the Lord is not capitalized as "he" and "him").
Now, I ask you – what kind of "Lord" would "redeem" Israel the iniquities it is currently performing? Answer: YHWH the angry, warrior, jealous lord.

Noting that the time at which a 'steersman' appears does not relate in any way to the times he is fixing or working with! For instance the very last visit I received in October 2013 was actually their first – getting co-ordiantes. WARNING TO THE PUBLIC

There is a youtube presenter who goes by the name of Linol Anderson.
He purports to be in contact with a Pleiadian "king".
If you have been reading the differences by which we can discern between those who would control & destroy humanity opposed to those Creators who would Nurture the Living Library... and all who thrive within Her; you would immediately "regi-ster" the word "king". This is a word meaning one who would control other peoples' lives, one at the top of an hier-archy. One who believes they are en-titled to be greater than all others.
We have seen Alex Collier touch on the subject of Free Will which the Andromedans are puzzled each of us possesses yet gives away (via our Birth Certificate) without our knowledge. Because this happens at our birth – long before we are in a position to decide to do so. Being a reptilian construct, governed by Corporate Ownership (of our future "value" to them) we are infiltrated before we are even aware as a thinking human being. Treated exactly like cattle.
After all, the word "government" derives from "govern" = to control with "ment" the mind – right in our faces!
We have seen how the angels on Alcyone (in the Pleiades) were "eunuchized" over millennia by the reptilian gene-masters to the point that all that remains of their original DNA is their good looks. And, boy, aren't we all suckers for a good-looker!

- 4 17 1 BE HAND Betelguese ON (Oannes) EUNUCHISE emasculating ALCYONE the Ante-christs.from Before Christ COURAGE
- 9 76 3 EUNUCHISED MANURE/Alcyone MEANT MIMICS shape-shifts HUMANITIES' 'EXECUTIVE' recalling what a Nestlé c.e.o. said.

Lacking in Free Will, suffering under the yoke of reptilian "order and hierarchy" these fallen angels have no conscience lying to a person like Linol Anderson – telling him he has met their "king". Duping another Billy Meier, or George Adamski.
We have even been warned in our bibles about the Fallen Angels – without ever questioning exactly who they are and where they came from. The use of present-tense is pertinent because the bible tells are "there were giants in the land, before the Great Flood, and after". The word "giants" can be taken many ways too.
These Nordic-Swede looking Alcyonese do happen to be, on occasion, quite tall, some as tall as eight and nine feet.
We will not dwell here on these biblical matters except to mention the clue given us, that their leader was [is] named.
He was called Semyase (Samjase). This means "co-pilot" in Pleiadian, which is what they told Billy Meier.
The real Pleiadian Angels have thought-transfer. They speak mind-to-mind. Why would they have need for a king?
The answer is this – only if they have become reptiloid, requiring a pyramid of power. A material "Order" to Things.

This system current humanity is constructed in such a manner that a pyramid of power "runs" them all, keeping their mind-brain infiltrated with toxic chemicals just so that we do not discover we each were born with the mental makings which will lead us to also perceive mind to mind communication, not just with each other – but with the Cosmos!

TECHNOREALITIES: The Fake Second Coming By Christi Verismo. Part 1 of 16
DID RUSSIA BUILT A FLEET OF FLYING SAUCERS AFTER THE WAR?
A series of 30 articles on what is going on in the skies, probably unknown to anyone except intelligence agents, privy to the latest space technology, has been put on the net and written by a former US govt. insider calling himself "One who knows". These articles available at www.anomalous-images.com/text/files.html are called Fire From The Sky.
In summary these articles claim that the Russians, starting from about 1977, began to produce a flying disk initially called 'cosmos-interceptor' then later called cosmospheres. By 1980/81 they'd built 7 super heavy cosmospheres called jumbos, even bigger than the zeppelins of the 1930's. They could carry 50 tons. It was actually Russia's space shuttle and powerful electromagnetic propulsion could take them all the way to orbital speed. The book UFO's - Secret Nazi Weapon by Mattern and Fredrich, there is great detail on secret German Antarctic activity and it describes the designs of the anti-grav flying disks the Nazis manufactured. 2 Germans wrote this originally in the 50's and finally published it in Canada about 1966. In summary, it shows pictures of the original Nazi engineering plans for wingless anti-gravity craft. In April 1945 Germany had over 130 different types of missiles and rockets. After the war, early in the morning of 21 and 22 October 1946, in Soviet occupied Germany, Russians hauled out of their beds approx... 275,000 German scientists and technicians and their families and even included babies. They took them to Russia supposedly for 5 years. Protests were ignored or beaten down. German factories were awaiting them, dismantled and crated. They worked around the clock for 3 bowls of borscht soup and a slice of dark bread daily. They worked in 40 different locations all over Russia. This included aircraft and jet engineers. After the 5 year term had been served, during which many died or were condemned to slave labour camps for life, the scientists were kept for another 2-3 years in quarantine, to forget the projects they worked on. They were not even allowed pencils or papers. They brought Russia into the 20th century and later the space age.
NAZIS IN ANTARCTICA.
Germans had already developed technology from a spaceship that crashed in Germany in about 1939, and they developed their own anti-grav flying disks in about 1941. **(Some have also said that Pleiadians wishing to help Germany deliberately crashed it.*)** Germany had UFO's as early as 1940. Plans of prototype models of Victor Schauberger, inventor of the implosion motor, were found in Germany after the war. Photos of UFO's seen after the war, showed they were the same models as the ones drawn in the plans. In 1943 they were obviously working well enough and the entire German UFO plant was dismantled and shipped by freight train to the Shangri-la that they'd already built in Antarctica for Hitler. Antarctica was staked out by the Germans in 1937-38. Over 11,000 photos were taken of it. More land than Germany itself

was claimed and Swastika flags were dropped every 20 km. Warm lakes were found by the expedition. Hitler's escape was discovered after the war. Washington, Moscow and London, in fact 8 countries then decided to go to Antarctica. 4,000 elite US navy troops and 13 ships under Admiral Byrd went there in Dec 1946. Admiral Byrd's plane instruments went haywire, when he located the secret Nazi base. He declared that in case of a new war US would be attacked by flying objects, that could fly from pole to pole at incredible speeds.
*An interesting detail – who would ever think the *angelic* Pleiadians would crash a craft intentionally?
The answer, of course, is that they were not the angelic Pleiadians but those reptilian-bred ones from Alcyone.

Here we are told that it was NINURTA who sent "gremlins" to kill Nostradamus (see the forum 2:72 *One sent to Die Unique of All Deaths*). ATTENTION: LINOL ANDERSON

BRANTON: on **Anna Hayes** aka Ashayana Deane states:
"Human looking Pleiadian-Human-Nibiruian-Anunnaki hybrid "Blondes"; Nibiruian-Sirian Nephilim Anunnaki-humans (Sirian-Anunnaki... "Blond, red head, or in some cases brunette 'Nordic" type humans based in the Pleiadean 'Taygeta" **and other** systems, which were allegedly colonized by refugees from their former planetary abodes in the Lyra constellation which were invaded by reptiloid entities from Alpha Draconis. The main Pleiadean planet of 'Erra', was reportedly 'Terra-formed" by the Lyran refugees [Lyra being much nearer to earth—around 30 light years]. The Pleiadeans were apparently the first 'humanoid" society to develop hyper-space travel (the U.S. government has reportedly known how to tap-in to hyperspace ever since the 'Philadelphia Experiments" of the 1940's.) The Pleiadeans claim that their technology surpasses our 'International" technology by about 3000 years. This may explain why the humans in Lyra were able to travel the vast distances from this part of the galaxy to colonize the Pleiades, some 430 light-years from Terra-Earth. The [real] Pleiadeans consider themselves to be part of the "ANDROMEDAN COUNCIL" based within some of the planetary systems throughout the Andromeda constellation.
The Pleiadians splintered off from the Lyran group. Some used (and are infused with) Earth genetics too.
Mainly caucasian, with a lot of variety, much like on Earth. They can range from 5 feet to 7 feet.
Their eyes are bigger than human eyes, and the tone of the color of their eyes is different too.
Many "Blonds" or Nordic type aliens that contactees encounter come from the Pleiades. (**Or at least that's what they claim**).

> [See Dr. Fred Bell and Billy Meier state that the real Pleiadians cannot even "channel" humans. Both men used the same words: because our *'auric stench'* affects their halo (DNA) and listening to a Barbara "channelling" Pleiadians where that "Pleiadian" told her "you (us) have only known about quantum mechanics since a hundred years" when in 1055AD (!) Michael Psellus the Younger, a monk, wrote about quantum physics being understood by early Greeks in his book called *The Cronographia.* So, these "Pleiadians" either lie blatantly, or Barbara is a hoax. Noting to date **not one single "channeller" has ever been given information regarding free energy,** which knowledge really would slow down the damage to our Earth by almost quantum leaps. Yet the **Hidden Texts have named 17 types** – so far.]

A number of authors also mention a Pleiadian race that look like the Latin American Indians (Mayas, Incas, etc.).
The Pleiadians are part of the Federation of Planets, though there are some renegade / break-away factions.
Some of these - **mainly from Alcyone** - joined the Draconian Empire (per A. Collins), while others prefer to stay neutral."

From EMERALD COVENANT
Anna Hayes (Ashayana Deane) states in her book Voyager II, page 250, (Second Edition - 2002)
"We are presently under a state of covert global (and galactic) war, a war of which our populations have no directly tangible evidence. How can I make such an apparently threatening and most unwelcome statement while still expecting myself to be considered a spiritually awakened being? I can make this statement as a calm statement of fact because I have been made aware that on September 12, 2000 the Anunnaki legions not only defected from the peace agreements of the Treaty of Altair, but they subsequently joined forces with the previously competing Drakonian Agenda legions, thanks to the Necromiton instigation of forming a "United Intruder Resistance" (UIR) As a strategic move to ensure the success of the One World Order Earth dominion agenda held by each of the competing Fallen Angelic groups, the Necromiton race of Density-3 Alcyone.

"At that time, a critical situation ensued when top-secret, ultra-powerful HAARP transmissions powered by ***Proteus particle accelerators** went haywire and ripped open "portals" or vortexes in our time-space continuum: vortexes which reportedly allowed creatures from either other dimensions or other time frames of THIS dimension to enter into OUR world, here and now. As wild as this sounds, sober and credible sources indicate it is completely true

On another topic: our source also informed us that these lunatics in our federal government and military are directly responsible for SERIOUSLY DAMAGING our SUN." http://www.drunvalo.net/hayesltr.htm

additional to Anna Hayes, someone else (Dana Rasinova www.exopolitika.cz) has come to the conclusion to question Billy Meier's visitors

David Hatcher Childress (Technology of the Gods ©2000)

"*A Dweller on two Planets* has remained a popular occult book for over a century, largely because it contains detailed descriptions of life in Atlantis plus devices and technology which were unquestionably well in advance of the time in which it was written. As the cover of one of the book's editions states, "One of the greatest wonders of our times is the uncanny way in which A Dweller on Two Planets predicted inventions which modern technology fulfilled *after* the writing of the book." "Among the inventions and devices mentioned in the book are **air conditioners** (to overcome deadly and noxious vapors); **airless cylinder lamps** (tubes of crystal illuminated by the "night side forces"); electric rifles (guns employing electricity as a propulsive force—rail-guns are a similar, and very new invention); monorail transportation; **water generators** (an instrument for condensing water from the atmosphere); and the *vailx* (an aerial ship governed by FORCES OF LEVITATION and repulsion)." "… the **electromagnetic** airships of Atlantis are introduced, along with radio and television (don't forget, this book was written in 1886). It is explained that the airships, similar to **zeppelins,** but more like a cigar-shaped craft, are **electro-magnetic-gravitational in nature**. They move through the air using a form of anti-gravity and are also capable of entering the water as submarines."and...

> "Terziski maintains that antigravity research began in Germany in the 1920's with the first hybrid antigravity circular craft, the RFZ-1, constructed by the Vril Society. In 1942-43 a series of antigravity machines [Including the Vril-7 design] culminated in the giant 350-foot long, **cigar-shaped… space station,** which was constructed in old zeppelin hangars near Berlin by E4, the research and development arm of the SS " from Greg Jenner **…** from DarkStar1 Website

[The 350-foot long cigar-shaped craft, I argue, was photographed by contactee George Adamski back in the 1950's.—GJ]

WingMakers website of Wes Penre has become heavily reptilian infiltrated and a very long way apart from its original

THE REAL STORY OF JESUS (Immanuel) Billy Meier video:
At the ten minute mark, those craft are the Vril craft of the Alcyonese (taken over by Anakim thousands of years ago, and are the 'fallen angels' in the Old Testament - one of whom is named in the bible as Semyase (Samjase) and that means co-pilot (where the tetragrammaton - YHWH full name means Chief Pilot) Lord of the airways, the Ruach...Many of these "Pleiadian" visitors gave Billy Meier contradictory information. As if there were two different types of Pleiadian involved. The Alcyonese live under Antarctica...
ok - caught out. "I am very aware of the things which are going to occur for the next two thousand years" [the Pleiadian relates what 'Jesus' says, to Billy] - *it has NOT been 2 thousand years since the crucifixion*
The numeral one in front of (prefixing) the century was either accidentally or on purpose changed from an "**i**" (or "j") which was the prefix for Immanuel and or Jesus. By changing that to a number "1" - one thousand years was instantly added.
...yes, when Andy Basiago went to Masada, he said Immanuel was there and died there as a very old man.
The information which comes to me arrives via the Hidden Texts of two time travellers, both of whom have visited me, one of them several times.
February 3rd the —real birthday for Immanuelǁ claimed in the video, is in Aquarius *also known as* —The Humanitarianǁ.
The Hidden Texts speak of the real meaning of *Jesu Christos* as a title, and that certain greys anoint themselves in order to feed.
This is the first time [I have seen] other than via the hidden texts that anyone else has mentioned the "three races on Earth".
Nostradamus said FIVE TIMES that the "AntEchrist of the THIRD PEOPLES" is awakening"

ISCHWICH **is the full name for the letters** YHWH (known as the tetragram), the Ruach, Lord of airways, frequencies
The reason the Shroud of Turin was said by Billy to be fake, is because the man who was really crucified as Immanuel, was not Immanuel. Andy Basiago said this, and the Cassiopeian Files also said this, as do the Hidden Texts.
Several times (I think it was three times) the "disciples" complained to Immanuel that he was appearing "as someone else" and that he was shape shifting in front of their eyes....
"Those who travel from Afar." In the Hidden Texts Afar meant Aquarius, physically.

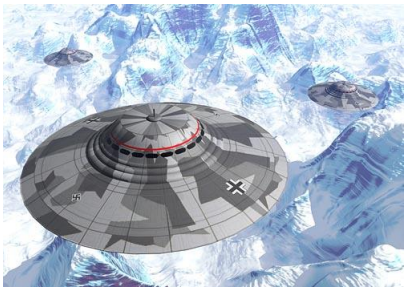
All one need do is use your search engine asking for VRIL CRAFT in the Antarctic. Then go straight to the web "images"
All the craft in these very old images are those of the S.S. Nazis. There is a more modern style, which Billy Meier photographed but he also caught one of these. George Adamski also filmed these same craft.

Showing the evolution of the Alcyonese scout craft at the Antarctic. Details from Admiral Byrd



In 1947, Admiral Richard E. Byrd led 4,000 military troops from the U.S., Britain and Australia in an invasion of Antarctica called "Operation Highjump", and at least one follow-up expedition. by Erich J. Choron from GreyFalcon Website
That is fact. It is undeniable. But... the part of the story that is seldom told, at least in "official" circles, is that Byrd and his forces encountered heavy resistance to their Antarctic venture from "flying saucers" and had to call off the invasion.

DAY OF DEATH IN ABEYANCE OF BIRTHDAY RingLord visit July 2nd 2017

- *vide lo sole ispecchiarsi nel suo corpo*: the English: looking glass (mirror) the sunlight within its body:

This woke me up July 2nd 2017. It had appeared as a bright blue-white light guaranteed to prevent staying asleep, but by the time I grabbed the phone this was all I could catch of this cronus visor visit. And that was a very lucky capture since the phone is always turned off at night time and put in the office. Just not this particular night !
It is hovering over my work-station, and the date happens to be the anniversary of the supposed death (discovery of his body) of Nostradamus.

from NASA 2011
do we believe this image? To me, the angle it is taken from contains a warning that Saudi Arabia will be at the North pole. This view is from under Antarctica. Rather strange!

When I missed this ring-lord visit July 2nd 2017, catching only the traces as it left, the date came to me later as that of the death of Nostradamus in i566. Bringing to mind quatrain 2 13

NINE NAMES OF the PLEIADES: ATLAS, GRAN/NAN, *AND* THE SEVEN SISTERS

THE PLEIADES
NINE STARS, NOT SEVEN (actually 40 named stars of over 200)
A NUMBER STATED BY OTHER SUPPOSED DECODERS
IT IS URSA MAJOR WHICH HAS SEVEN STARS, THE MAIN ONE BEING AL QUAEDA (AL KAID, pronounced Al Kay-ed)
URSA WAS ONCE TERMED ''LEG OF THE COW'' BY THE ANCIENT EGYPTIANS. THE LEG FACING THE OPPOSITE WAY IF IT WERE MEANT TO BE THE PLEIADES
NOT LEG OF THE BULL (Taurus) WHICH HAS NO HIND LEGS AT ALL. THUS EXPLAINING WHY THE LEG OF THE COW IS TO THE *LEFT* OF ORION in PETROGLYPHS, WHEN THE PLEIADES ARE TO THE FAR RIGHT OF ORION...
THE ALKHEMY NAME FOR THE PLEIADES IS THE ''HEAP'' & THE ''PILE'' & “MANURE” BECAUSE THEY SIT UNDER THE ‘TAIL’ OF TAURUS

RADAR FREQUENCY CHANGED TO NOT DISRUPT UFO NAVIGATION SYSTEMS. (and go to the forum ANTENNAE)
"Al Bielek, physicist and Philadelphia Experiment survivor, said that for the Eisenhower treaty in 1954 with the aliens as part of non-interference, radar used had to change from 435 MHz as they said it knocks out their navigation systems, hence the crashes. This is apparently the frequency for the universe and is used to create time/space tunnels. Radar now goes from 8-10 GHz, ten times the frequency, to make no interference to spaceships. **Al also said that Roosevelt had already met** with **2 groups of aliens** in 1933 during the depression and had elected to work with the **Grays.** They arranged to **swap technology in exchange for allowing people to be abducted**. He'd already met with "Pleiadians", but they wouldn't give him weapon technology **so they went over to the Germans.** Nikola Tesla is said to have developed anti-gravity technology early this century, and claims to have spoken daily with ETs. DID THE ILLUMINATI SELL OUT THE HUMAN RACE?
Dr. Jean Francois Gille says that there is a rumor that a representative of the grays is found in each of the underground US bases in the southern Hemisphere. Branton also writes that according to John Lear, William Cooper, and others that the U.S. F.D.R. government may have made a 'pact' with a predatory non-human race as **early as 1933.** They later learned to their horror it was extremely malevolent in nature and were merely using the 'treaties' as a means to buy time while they methodically establish certain controls upon the human race**, with the ultimate goal of an absolute domination.**
They are of a **neo-saurian nature i.e. reptoid.** Certain bi-ped-hominoid mutations originating from earth developed a form of intellect equal to the human but some left the planet thousands of years ago in Atlantean times and are now claiming earth back. **DNA from them proves an earth saurian origin.** There are also human/reptoid hybrids. They have greyish-green skin and three-digit clawed fingers with a partially-opposable 'thumb' Branton says also that it is also alleged by certain deep-level intelligence agents that the Illuminati, or the 'Cult of the Serpent', is wilfully working hand-in-claw with this infernal race which has promised them part of the action once the **'New World Order'** is established.

ADMIRAL BYRD
In 1947, Admiral Richard E. Byrd led 4,000 military troops from the U.S., Britain and Australia in an invasion of Antarctica called "Operation Highjump", and at least one follow-up expedition.

That is fact. It is undeniable. But... the part of the story that is seldom told, at least in "official" circles, is that Byrd and his forces encountered heavy resistance to their Antarctic venture from "flying saucers" and had to call off the invasion. Operation "High Jump", which was, basically an invasion of the Antarctic, consisted of three Naval battle groups, which departed Norfolk, VA, on 2 December 1946. They were led by Admiral Richard E. Byrd's command ship, the ice-breaker "Northwind," and consisted of the catapult ship "Pine Island," the destroyer "Brownsen," the aircraft-carrier "Phillipines Sea," the U.S. submarine "Sennet," two support vessels "Yankee" and "Merrick," and two tankers "Canisted" and "Capacan," the destroyer "Henderson" and a floatplane ship "Currituck." A British-Norwegian force and a Russian force were also involved.

Of course, the Roswell Incident had been in the news the past summer, but it had been "officially" explained, and hushed up by the time Highjump began.

Leonardo & Marduk Part 5

"**All *Unidentified Flying Object researchers* are, of course, aware of the multitude of reports concerning sightings of 'flying saucers' with swastikas or iron crosses on them, 'aliens' speaking German, etc. Most have also heard of abductees who have been taken to underground bases with swastika emblems on the walls, or as in the case of noted abductee Alex Christopher, have seen "Reptiloids" and "Nazis" working together aboard antigravity craft or within underground bases... Barney Hill was apparently, not the only one to describe the so-called "Nazi" connection to Unidentified Flying Object abductions [and reptoids].**

Note: recall Bette Hill was shown a space map which was later verified as the Reticuli system, thus connecting the Zeta greys, the "iron cross" which is the pheon cross of Enlil, the tall reptoid grayles, the 'Venusian' scout craft of Adamski, the Nazi space craft, those from Alcyone in the Pleiades and the Saturnines.

While their technology is similar to that of the Grays in general theory, it is somewhat different, apparently, in application. *by Erich J. Choron*

From Adamski files

From EarthFiles: *Linda Porter* files:"Manti[d]s EBEN craft are egg-shaped and put down "bent legs" that remind some people of antique bathtubs that rested on ornate, angled legs. (The Cassiopeian E.N.E, called EBEN by L.M.H.) In contrast, the blond humanoid ships are shaped more like upside down pie plates with three "balls" placed in a triangle pattern on the bottom of the blond "Nordic, or Swede," [Alcyone/Aryan] craft. (Come from Antarctica)
"EBEN craft and technology are described as so advanced that the best human scientists at Los Alamos cannot grasp the technologies. Travel is inter-dimensional. According to Ebe, there are at least fourteen different dimensions. Two of those dimensions, the human mind might be able to relate to, but humans would not be able to relate to the other twelve dimensions''.

There were 2 forums back in 2010 and 2011 titled *YEAR OF THE CAT-HARE* and *YEAR OF THE DRAGON where "CATHAR" and "CQIN" in Allan Webber's Template were the 'key words' (using aphesis for the "E" at the end of CAT-HARE)* so at last, understanding the meaning of the words here **4:100:1** *De feu celefte au Royale edifice,* **SELECT EDIFICE ~ DELAY FEED YOUR IDEAL ICE FIELD CLUE** [found January 7th 2010] "DELAYED" seven and a half years. *Of – from celestial fire [Nemesis] at the Royal edifice/ sun* where FIELD also means the little blue grey from Scheat

Anyone with half a debating attitude should have picked up what appears to be an anomoly. The consistent mention of an ice age sorting out the reptilian factions when they seem to be doing quite well under Antarctica. However – one cannot farm cattle of any kind when permanent snow prevents the growing of crops and grass. The "cattle" will not be "led" by their false gubberments who will not have the means to provide for the people – neither via electricity nor growing genetically manipulated crops – of any type. Once the grids go down your gubberment loses its means to control you, neither to keep you "vaccinated", nor even to run fluoridated water. This is only one reason they fear you finding free energy and self support.

Another enigmatic piece of information easy to overlook, coming from Da Vinci:
vide lo sole ispecchiarsi nel suo corpo: the English: ***looking glass (mirror) the sun in its body:***
PRINCESS' DEVIOUS HEROE'S CHOICE IS OSCILLO-SCOPE HER/HIS CORACLE,Earth IDLES PERIODIC SPACE VOID CIRCLE SPAN

- The key word in this line is OSCILLO-SCOPE. Earth and all the other planets "idle" at a distance between each other which is described as the Fibonacci spiral, and to others known as the Golden Mean or Phi *in orbit distance between* each other. Once one is aware that all our planets are *followers* of our sun (at a rate of ca.70,000 km per hour) then one can more easily visualize the Fibonacci spiral. The word PERIODIC refers to the Periodic scale, which also "idles" to the same tune! Thus this knowledge can be used to find any missing elements not yet discovered. See Gary Meisner GOLDEN PHI
- And try not to become entangled in those false memes being spread across social pages which enveigle young minds into thinking our planet is a) flat and b) with an *engineered* 'canopy' of hologram stars; working on the principle from the word "firmament". These young minds need to ask why would NASA bother to supply this hologram for all Ages. The word "firmament" is based on *"firma"* meaning "good foundation" and a choice of *"ament"* meaning "strong love" or just using the word *"ment"* = "from/of the mind" [of the Quantum Universal Originator].

- **Continuing the explanation of the word BOUUL. We already learned that Cassiopeia in the heavens is the Holy Graal.**

"Finally, there is a curious bit of serendipity regarding the **Holy Grail.** The author* refers to the Quest of the Dish: the word "dish" is *tamchuy*. The *tamchuy* is a charity bowl from which food is distributed to the poor and needy. The tamchuy is closer to the shape of a platter, which is ultimately how Chretien describes the ***graal.*** (We know it as Grail, not to be confused with Grayle)
The word was likely chosen because of its association with charity and food, which fits with the nature of the Grail in European literature, but is not thought to be influenced by Chretien's physical description of the Grail."

after the Great Tribulation and after the rapture, so they and their **4th bowl** sevenfold hot sun are not a concern for faithful believers. With the seals, my research concluded that they are mostly past including "death" from war, famine, beasts and plagues that affect one quarter of the earth starting at the **4th seal**. The four horsemen spirits of the apocalypse are already riding and bringing the negative effects described as can be seen throughout history (1: deceptive religions in Christ's name, 2: ideologies taking peace from the earth, 3: an economic stranglehold on the masses by the rich, and 4: the increased deaths, respectively). The **5th seal** is unique among the 21 in being constrained to heaven (martyrs' souls under the altar waking up to ask how much longer until they are avenged and being told to go back to rest a little longer). The **6th seal** is where the cosmic disturbances start with **two eclipses and a great global earthquake.** They continue with impacts at the **1st and 2nd trumpet**, and conclude at the **4th trumpet** with the "nuclear winter" which deep impacts would bring (from all the dust thrown into the atmosphere). I found this sequence confounding. Why does an earthquake happen before impacts do? [answer: they are man made] How do you have a lunar and solar eclipse together? What is the cause and explanation of it all? **NEMESIS/NIBIRU**

- For the first four seals and all the bowls, the explanation was readily apparent. God was directly sending angels to pour out the seven bowls on earth to judge and repay the wicked. The four horsemen are said to be spirits (no doubt evil ones sent by Satan) as they are not called God's angels but the bowl spirits and many other messengers and spirits appearing in Revelation are constantly identified as."

- If the title of this forum was *GIANTS' SPIDERS* the following makes interesting reading:
  "In an ancient text of the Jews, we read an astonishing description of some of these gigantic Amorites whom the Israelites conquered. In Buber's Tanhuma, Devarim 7, the text tells us of a Rabbi Johnanan ben Zakkai's encounter with the Roman Emperor Hadrian. This event occurred in about A.D. 135, soon after the Roman victory in the Bar Kochba war, when the Jews rebelled against the Romans. The text reads:
  "The wicked emperor Hadrian, who conquered Jerusalem, boasted, 'I have conquered Jerusalem with great power.' Rabbi Johanan ben Zakkai said to him, 'Do not boast. Had it not been the will of Heaven, you would not have conquered it.' Rabbi Johanan then took Hadrian into a cave and showed him the bodies of Amorites who were buried there. One of them measured eighteen cubits [approximately 30 feet] in height. He said, 'When we were deserving, such men were defeated by us, but now, because of our sins, you have defeated us'"
  (quoted in *Judaism,* edited by Arthur Hertzberg, p.155-156, George Braziller, New York: 1962).

In the light of this remark it surprises me that those of Israel who seem to be 'running America' do not take heed, not of this history nor Psalms 130.7.

Numbers 13: 32-33 Original KJV:

- 32 And they brought up an evil report of the land which they had searched unto the children of Israel, saying, The land, through which we have gone to search it, is a land that eateth up the inhabitants thereof; and all the people that we saw in it are men of great stature.
- 33 And there we saw the giants, the sons of Anak, which come of the giants: Nephilim and we were in our own sight as grasshoppers, and so we were in their sight.

These are the Anakim

- Hebrew 'Anakim (Deut. 2:10, 11, 21; Josh. 11:21, 22; 14:12, 15; called "sons of Anak," Num. 13:33; "children of Anak," 13:22; Josh. 15:14), a nomad race of giants descended from Arba (Josh. 14:15), the father of Anak, that dwelt in the south of Palestine near Hebron (Gen. 23:2; Josh. 15:13).

The numerous idioms that were dispersed resulted from this "intestinal bad blood" that continued for millennia.

Anton Parks English spelling is adept in the use of the Gina'abul code, and exploits it frequently and highly convincingly to plumb the inner meanings and also the historic references embedded in the words of many languages. For these web notes I have created a Decoder to centralize this aspect of Parcs' work. The Decoder is really the heart of the Notes. Readers may benefit from studying it, as it is constructed not only for reference but also to fulfil a teaching function. Some of Parcs' most important discoveries can be found there. ***Les Chroniques du Gírkù,***

High Dose Vitamin C May Stop the Progression of Leukemia, Study Reveals Posted: 28 Aug 2017 07:00 PM (NaturalHealth365) The U.S. Centers for Disease Control and Prevention (CDC) reports that leukemia – cancer of the blood and bone marrow – claimed 23,564 lives in 2014 alone.

Now, exciting new research shows that a six-month regimen of high-dose intravenous vitamin C slowed the progression of leukemia by stopping leukemic cells from multiplying.

The study builds upon other research that demonstrates vitamin C's potential to inhibit and even kill cancer cells – without harming healthy tissue. Let's take a closer look at how vitamin C is demonstrating its amazing potential to fight cancer.
