

What are the chances, the betting odds; That ...

a) A man in the 1400s and a man in the 1500s would both write **the same disguised words**, in the secret format of alchemysts (via anagrams), one in French, and one in Italian, to be found over four centuries later: ~ by a non-de-script elderly female, of no particular distinction, in English?

b) Sourced from over five diverse sentences; more than two are verse lines out of a thousand of them, including the very last of those. Another is written as a riddle, one of many hundreds, each divided only by a comma, & one other being a sentence found in an obscure manuscript titled "**Monster d'Abvs**" (Mabus), with:

c) All of the para-graphs resulting in the SAME set of subjects, each **DIVIDED INTO FIVE DIFFERENT** topics holding the exact SAME ALERTS.

Would "**astronomical odds**" describe the gamble? On the mere offchance they, the riddles, or any one of the sentences would EVER be found? I can't help feeling this was some kind of test for the awareness of us all. Judge for yourself the cosmic proportions of the "co-incidences" involved. To see de-scripted here. The Genres held hidden in each of **ALL OF THEM**; the sourced lines of words : *

*Les Lufirains n'en feront pas contens.

- 2) **CONTORT, SPIN, TORQUE OF STARS, EARTH DROP**
- 3) **EXACT SAME SETS OF PLURAL DATES**
- 4) **DIRECTED ENERGY FIELD USED: event that CUED**
- 5) **TO PLANT ROOT VEGES IN A STEPPED CELLAR**

*As it turned out, there were *more lines* published over the years between 2010 and 2017 with the exact same five alerts. It is to be noted that these were found all in one go only while searching for the word "potato" in my files. The 'potato' search in March 2018 was for a quite separate reason : only then did I recognize the anomaly.

o CUP CULTURE - oh what a pun! Casseopea the constellation was once called The Cup, is actually the Holy Graal, and they are part of the Elo'im Alliances. The pun refers to being "cultured in vitro". The making (continually) of a new human (after each major ice age). There were a few lines very early in this process that said there will be a new astronomy "in Sagittarius" in Year of the Cock/2017, so this event seems to be started already, and the Southern Cross has not pointed South for a while.

ADORE would be Sept 22 to Oct 21 There quatrains which each had October 10th

from **Da Vinci: a sé sottoposta strada collocata erano.** *to themselves submitting were 'paving the way'.*

This English is in context with the former line... *Being able to/ enabling to keep the wrong, and that remarkably! "Keeping the wrong" here refers to the love of the money system. So ingrained in all of us we are unable to think or imagine a life without it. Thus we are all "bound" to crooked banker-thieves, making witless servants of ourselves. Exactly the constant warning from David Icke people and even Jesus himself, not forgetting the likes of these texts.*

THE VORTEX SYSTEM – CHANGING

VOYNICH MANUSCRIPT

Crop formation 19 Aug 2013
 Etchilhampton Hill,
 Nr Devizes, Wiltshire.

<http://www.facebook.com/DawningGoldenCrystalAge>

The Voynich illustration has 8 segments and the crop circle has six. The Anakim use six. The encircled has an 'atmosphere' so must be the Earth therefore the larger body not being big enough to be our own sun must be the sun of Nibiru. The three smaller bodies - at a guess - being our moon and the two planetoids, one of which is that of the Cassiopeians (see *ICON*) and the other the Black Knight. These two are represented in the vignette with the cow supplicating to the empire with a queen's head and a kin's head suspended in the sky, Cassiopeia and Cepheus "King of kings" of 1 10. There are two of this vignette, one with a black cow and one with a white cow, one in the daytime and one in the dark. The cow is not a bull, there fore not Taurus. Recently I have been saying it means Aldebaran - those in alliances with Nazis under Antarctica, but in light of the recent line regarding Alcyone in the Pleiades being the human front for the Anakim, the cow seems to mean Alcyone, noting the word which means to *emasculatue* .:

8) **DESPISEMENT BEAST INTRUDED EARTH, UNISSUED PROMISES, EDITS SERIOUS EARTH**

8) The beasts ("creatures" Da Vinci calls them) come to Earth uninvited issuing promises (of technology) which go unfulfilled not letting any human realize their true intent

At the time of writing this caption, I was not aware of the Golden Cube and how it has the appearance of a round object, nor of its importance, being those of the Creator Elohim Alliances for the Living Library.

as far as I know, no one has deciphered this crop circle, nor do I think I have, but it seems to me Nemesis ☾ Nibiru with followers are featured, noting the proportions relating to our sun. Nemesis just under half the size, Nibiru about a third the size of Nemesis

after publishing the *HAMMERED BRACELET* forum, it suddenly came to me...

this crop circle is a stylised image of our solar system in its **vortex state** with the main planets as *followers*, Earth being the 'seventh' the counter clock-wise pointers being seven in number, which is an Elohim nomination, and the incoming solar system also appears counter-clockwise containing seven bodies there are also seven clockwise 'pointers' of travel the outside edges are seven and there are seven bodies in the little (distant) solar system sitting outside at each 'approach' edge which may be the same one

It is not so much we are getting it wrong, it is that we have been exposed to multiple sources at different times in our lives and have heard people recall those details in different ways.

continues:

I understand that some want to blame the D-Wave quantum computer as being responsible for tying universes together with adverse affects, but there is actually no evidence that those machines even work the way their creators think they do. According to a New Scientist publication entitled The Quantum World, the President of D-Wave, Bo Ewald said, "We're not in the business of trying to prove whether it's quantum or not," which is a mind-boggling statement since they're selling the device as a quantum computer.

"In summary: Hurtak's Keys of Enoch (www.keysofenoch.org) outlines how and where the 'Great White Brotherhood' will 'Externalize' and appear as our 'Masters'. 12 specially created artificial time portals have been made by aliens and human hyperdimensional physicists to enable the chosen few to escape the wrath coming to earth which will kill the masses, which according to him will be through solar flares and diseases. The chosen ones will escape through the time portals and then act as 'planetary Adams' to repopulate other planets. 12 time warp areas have been created as a twin force of matter and anti-matter, creating a mirror like image there to alter our physical reality. One of the time warp areas on Hurtak's map is central Australia. It is not known if he means Ayer's Rock or Pine Gap though. Though as he has Lop Nor in North China and it has a base connected to Pine Gap it's possible that's the place he means. The others are Britain, Egypt and Israel , Mexico/Central America, 2 in South America, Turkey, Tibet/N.China, Russia by the Arctic and 3 in Nth America.

It has been said that Hurtak was under the pyramid talking to one of the Egyptian 'gods' using Hebrew.

'Enoch' explained how the Great White Brotherhood govern the 'people of God' in the 12 time warp places which allow the magnetic fields in the meridians of the earth to be activated. These ETs activate the Earth's magnetic spectrum and electromagnetic fields.

"Mirror Entities , and Artificial Intelligence

1) Each individual in these types of programs (IBIS) is assigned one 'mirror' entity.

2) The first physical connection will occur **during a portal connection** (see Looking Glass event-1982 Penang, Malaysia).

3) The Mirror Entity will continue to periodically torture the individual in various ways to allow easier fracturing of mind for CROSS-OVER and OVER-SELF cloning procedures (see Looking Glass event above)

8) If the Mirror Entity is victorious, it will gain full control over the mind and body of the individual permanently.

If process 8 occurs, the Mirror Entity will infiltrate human society posing as the original human.

The Mirror Entity will have full awareness of what it really is and will exist as a shape shifting being of unnatural type.

12) Be advised- Both the individual's and the Mirror Entity's consciousness are essentially trapped within the A.I machine.

This process occurs and the other being and I are forced into this alternative body. The reality can only be described as two beings trapped inside a tight dark space, screaming to get out and struggling against each other for survival. As this new body is infused with more alien DNA than **human/Pleiadian** [negative Pleiadian] DNA, I lose this psychic struggle and become 'locked' in an area of my mind.

I am now barely conscious but the part of me that is conscious is screaming to get out.

The alien's consciousness has more control over the new body, however this Mirror Entity is trapped too and under control by the AI system, so the alien is screaming to get out as well. As I said, this is a diabolical process!"

Time Traveler From 4126 Brought Back Future Technology

Helen Parks "I call **Bravo Sierra** on this one"

What i find totally improbable is his use of vocabulary – he sounds modern and current.

Look back 20 years and think how word meaning changes, so imagine how words would morph in another 2,000 years!

When all these "time travellers" say time travel was invented in 2028:- I published how to make a time machine last week - (in February 2018) the **FULLBODY TRANSPORT SYSTEM** patent by google.com - pretty sure it is still 2018 as we know it. He failed to describe the sensation of returning... the feeling is a quite contradictory sensation of "chilled horror" combined with intense burning heat, so hot it is freezing. I was allowed only to feel the lower part of my body on a return trip.

They can keep that from now on.

'bitcoin lasts for over 2000 years' ? **Bravo Sierra** on that one.

Nostradamus is a time traveller. As was Da Vinci. Nostradamus really died overhead in my skies over Canberra NSW Sept. 19 2011 (ABOUT 8 35PM AND YOU CAN FIND THAT ON ASTRONOMY PROGRAMS) when an E.B.E "overloaded the propulsion system" of the planetoid. The E.B.E was complaining that humans do not deserve souls. The doctor was then quickly returned to July 2nd 1566 and was found dead standing up. He has visited me six times by various types of stage gate travel. Da Vinci came once (but i did not know who it was) in their cronus visor, and an E.N.E another time (the "steersman") and why raise the subject of Nostradamus in this video in the first place?

Almost as if they want to debunk something...

The proof of Nostradamus being a time traveller sits in the Last Supper. Da Vinci painted him in (he is the one pointing up) several years BEFORE Nostradamus was even born. Also Putin is hidden in the Last Supper as well. Twice.

Jump Rooms have been used for decades - also called A.R.C. Aerial Reconnaissance Chambers.

There are a few "Messages from Pleiadians" videos doing the rounds.
The very fact they have not been censored should tell you something.

Here are some of my debates that these videos are not for real:

PLEIADES VIDEOS

first lie: "The Pleiades has seven stars"

I have no idea why the establishment wants you to think this is true. Of the nine named stars, the ones they tend to ignore are Atlas (the brightest) and one of the small ones, variously omitted. These would be fully infiltrated by reptilian DNA and it is very strange to omit Atlas.

According to these texts Atlas, Alcyone and Maia are the compromised societies – so far.

The Pleiades consists of 40 stars each with a lumin strong enough to be recognised. Of these 40, NINE are named. In olden days ^(in alkhemye language) these were called "Atlas, (the king) Gran, (the Queen) AND The Seven Sisters.

They are named in alpha order as follows :

Alcyone, Asterope, Atlas,^{king} Celaeno, Electra, Maia, Merope, Pleione,^{Queen} Taygeta.

ONE lie was enough. Not wasting my video time on any more.

Homer was said to have been of Pleiadian extraction. How was he able to deal with human "auric stench"?

'Pleiadian Message Explaining Everything' title of a 2 hr video

Here I have plucked out comments made on this video, stopping halfway through the two hour farce. Much of it does contain beautiful information true and pertinent, but when weeding out the planned programming – all in all that which sounds good is common sense anyway.

"Hierarchy" = a reptilian construct and certainly NOT a Pleiadian custom

"came 300,000 years ago" – but they, the Anakim, themselves say 450,000

she makes *the new* "OWNERS" sound a good thing... slave owners. No one owns anyone

"share a frequency" the very thing Plejarens CANNOT DO with us due to our "auric stench"

"you must make peace and merge with them" (the Lizzies) make peace? So there *is* a war?

a free will universe would never say MUST

"open your eye/s of Horus" = **illuminati and listen to her constant reference to The Light**

"stop giving over your authority to YOUR parents" the opposite of the Ten Commandments

"even tho they do not have bodies like yours (referring to the false Mantis and other non human off worlders which have a real input... and the copying of the real Mantids and others)

"shakra connecting to the gridwork" ??? See the Hidden Texts about ANTENNAE & Blue Mouse.

The number 12 is **not** of the Living Library, which uses 5 (fingers) 7 (days) 10 (decanate) and the Golden Mean for the Fibonacci sequence. Suddenly they begin quoting the Living Library?

The number 12 base is used for *controlling* the Living Library – *via technology*: latitudes, longitudes, hours of the day counted/controlled, calendar months in an orbital year, days thereof (there were once 360 in 705BC. An additional 12 has been added at October 2013 and we currently have 377+)

This constant talk of the Living Library is a "copier" protocol used to fool us, just as they do with their actor clone walk-ins, which they have done *for thousands* of years.

"without human occupants others cannot access the Library" – then please explain the over 220 off worlders which do use Gaia for a Way Station (Bill Ryan articles. See: Elk Hunter's Contact.^{earthfiles})

"concentrating on sexuality denies free will" ... thus the gender argument, a reptilian idea, they want us to all be one gender, a compromise which excludes breeding our selves. Those from 52,000 years in our future say they have three separate genders.

The middle one is for Administration of logistics.

"in the decade of the 1990s" – huh?

"**"came" to the U.S.**" indicating the narrator *is IN the U.S.* listen closely, and think how she should have worded it had she really been a Pleiadian

"your own "channelling" " when the Plejarian themselves *know* that this is a negative method, warning us they never use it - because they use E.S.P. ^{mind reading} This is why they need no kings, **nor hierarchy** therefrom.

"BRINGERS OF THE DAWN" = LUCIFER, CROWLEY... couldn't help herself, could she!

"I AM willing to give up difficulty" – contradicts what was stated early in the video.

She describes what is known as Love under Will (which is Crowley again)

"WE WANT" are two words not used by real Plejarians. Service-to-self people use these words.

The third secret is how human body waste is dealt with while being forced to live in the smartsuit - and that is by a "gelatinous graphene membrane"... <http://bgr.com/2018/03/08/twins-study-nasa-scott-mark-kelly-dna/>

"This bullying did not work here in New South Wales. We had a rural regional vote and to everyone's astonishment over 50% of voters put the SHOOTERS PARTY in power. (It was nearly 52%). That means that when i go shopping - more than one out of every two adults i look at voted the Shooters Party in!"

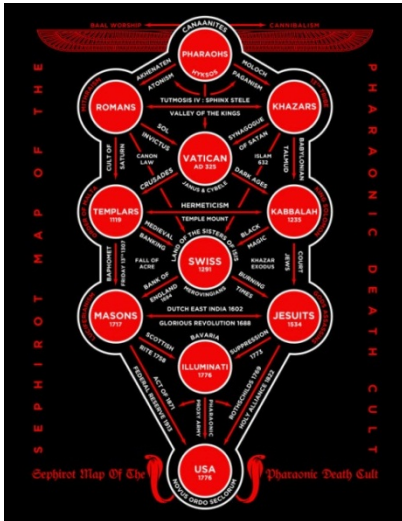

Very early when working on these hidden texts there was a distinct warning to the collator to recognize the difference between SERAPHIM and SEPHIROT – and here is the reason:

<https://www.dylanlouisonrore.com/sephirot-map.html>

"There may be benevolent and progressive factions within some of these societies, but typically, the good guys find themselves aligned with the lower tiers of the hierarchy, and Evil tends to gravitate towards the top. This is the power structure that Trump, Q anon, and the White Hats are up against, and like Q has repeatedly said... "These people are sick!!!"

Q ANON turns out to also have been infiltrated and is now controlled opposition, just as wingmakers were.

noting that the term **White Hats** carries a question mark in these texts so, like the **wingmakers** and many others, it seems they (the White Hats) will become or are already infiltrated and corrupted

SEPHIROT MAP OF THE PHARAONIC DEATH CULT

"No one said taking out a 6000 year old death cult would be easy."

The Sephirot Map follows the evolution of an occult belief system that relishes in human sacrifice & war, and uses banking as a tool for global domination.

It covers a period from biblical times through 1913.

The supreme deity of this cult goes by many names; Baal, Moloch, Lucifer... Pindar

WHAT NBC CUT FROM PUTIN INTERVIEW

<https://www.facebook.com/inthenow/videos/987590074724695/>

"The Purpose of Scapegoating Russia In early 2017, journalists Jonathan Allen and Amie Parnes published a book called Shattered: Inside Hillary Clinton's Doomed Campaign. Largely based on interviews with insiders from Hillary Clinton's failed 2016 presidential campaign, the book was an attempt to analyze why she lost. The insiders agreed that Clinton had trouble providing a plausible explanation to voters as to why she was running other than that she simply wanted to be president. They also noted her trouble connecting with average Americans and her failure to campaign in certain rust belt areas that Trump ultimately got support in. The book also states that within 24 hours of Clinton's loss, members of her campaign had decided to home in on the excuse of "Russian interference" to explain away her humiliating defeat." The life and times of Michael Prince- Part 2

by James Michael Casbolt

October 31st (Halloween) 1984- Yucatan Night of Samael

I am led into an underground chamber in the temple. I am told before hand this event will be apocalyptic and these type of rituals will decide the fate of the world in many ways (rituals to bring about the end of the world- the old order being replaced). The structure of the large chamber is a pyramid shape. An altar is in the middle of the room with two pillars on each side of the altar.

Flames burn on top of each altar. Four men in dark robes stand in each corner of a geometrical shape on the floor (a circle with a something in the middle). I am taken and stood in the middle of the circle. I am directly underneath the point of the pyramid above us. They start to chant and I can feel an entity being drawn down into the pyramid and into my body. I try to fight it but the chanting grows louder and I can't fight it.

This night is a test. The test involves ascertaining whether the **multi-dimensional entity** being brought down into the temple can be controlled. As I stand in the middle of the circle, the chanting from the people in robes grows louder and I feel myself being forced out of my body. The next thing I am aware of is looking down on my body from the air over fifteen feet above my body. I see my body start to contort and spasm as it physically grows taller and bigger and^{XXXXXXXX}

I start to freak out about my identity when this happens, but I know I'm me and I'm here in the air and this thing is down there. We are two separate lifeforms. I relax and calm down when I realize this. I also realize something else now. I seem to be able to control this thing down below, like a puppet under remote control. I can make him walk forward towards the guy in the robe near the left hand side of the room. I make the entity walk backwards and then I make him sit down. The entity inside the body wants to work with me and he is under some kind of strict rules now he has come to this place in a disembodied state. He was compelled to come here and is compelled to follow my commands. The whole power thing comes to mind that Dr Green taught me.

I start to think of all the things I could do with this body.

Three blond women are brought into the chamber by black clad men with dark plastic face masks on (same type worn by security who guarded us in Canadian facility). The women are brought to the front of the altar and put down on their knees. A psionic struggle between myself and the creature now commences in my body as the creature tries to pull forward to attack the women. Four men in robes join in with the psionic struggle with chanting and arm waving. I manage to take control of my body during this process and come back into my body, which then goes back to normal. Myself and the women are then taken up the stairs to the left of the chamber by the security guards. I am exhausted. Put in a jeep and driven to a helicopter.

Next memory is at some kind of airport in a room with Germans, Americans and British men. Papers are signed regarding my transportation back to the UK.

Scientific note-

U.K Brighton 1984- MK WHISPER initiate

Instead of having my experiences in Canada, Malaysia, South America and Mexico presented to the world's media, I come back to the UK with my memories erased of ever being in those countries. Now I am back in the UK, I spend time at a flat on the end of Fourth Avenue (may have been fifth ave- not 100% sure) in Brighton. This is my 'godmother's' flat, a woman named Jean Greer. Across the road on the corner is some of MI-6 processing centre.

Now I hear you asking "what has this got to do with the price of fish"?

Have you been paying attention to the words "Manchurian Candidate" and "clone" and "walk-in"?

Do you see now how the satanic rites produce *those which at our first glance* appear to be "normal".

There are three major 'collaboration' elements on earth:

the Bavarian Lodges,

the CIA-NSA-Rockefeller agencies,

and the 'Nazi' forces within the "New Berlin - 211" base network beneath the mountains of Neu Schwabenland, Antarctica.

Agents of the Bavarian Lodges AND the German-immigrant Rockefellers DO work together within the CIA [Central Intelligence Agency], NSA [National Security Agency], UNO [United Nations Organization], and NWO [New World Order] agendas. The establishment of the Antarctic bases may have been the idea of the highest-ranking Nazi's rather than the Rockefellers, although the Bavarian lodges [Illuminati, Thule, Vrill, etc.] WERE involved, however there are many indications suggesting that the Antarctic, Bavarian, and Rockefeller agendas are increasingly merging with each other, suggesting that all three are now working together, at least to some extent and especially at the higher levels.

There seems to be a "serpent cult" at work at the very highest levels of these three groupings composed of humanoids and reptiloids operating as part of a marriage of convenience, in that the Reptiloids/Grays need the political-economic-social [ist] -military-industrial connections of the humanoids to gain footholds within human society and the humanoids need the implant/spacecraft/mind control technology to implement their "New World Order".

The lower levels of the Bavarian-NSA-Antarctican factions may seem to be in conflict with each other, however where this exists it may all amount to a Hegalian-Machievellian type manipulation imposed by the higher levels of the Draconian hierarchy in order to keep the lower levels compartmentalized and therefore more easily controlled.

Occasional 'purges' have been carried out to root-out those who are not 100 devoted to the cause. In America there are fifth-column 'saboteurs' within the Patriot-Militia movements who are the supporters of "White Supremacy Americanism". Whether knowingly or unknowingly these agents work for something called "The Order" [of the Fourth Reich].

Part of their mission is to divert attention from the **Draconian-Orion-Ashtarian** and **Bavarian-NSA-Antarctican "New World Order"** agenda and to an over-emphasized 'Zionist' "threat" based on the forged 'revelations' within the PROTOCOLS--OF ZION document. (Suggestion by the collator to go read the Vatic Protocol)

There are indications that the Bavarian occult lodges, the **CIA-NSA** agencies, and even the **Antarctican** factions have fed the Patriot network with RACIST and therefore anti-American ideologies meant to *fragment and discredit* the Militias and make them out to be neo-Nazi fanatics. In this manner several of the patriotism-based militia groups have been 'corrupted' and have defeated their very purpose, that is to defend a Constitutional republic wherein "all men are created equal". - Branton)

7) Throughout and prior to this, the open computer communications link will be operational for continued PSYCHOLOGICAL INTERROGATION.

8) At some point in time -- again resting upon battle status, THE DEPLOYMENT OF OFFENSIVE FORCES WILL BEGIN. This deployment should be done in a near instantaneous manner under certain special conditions that can be discussed.

9) The weapon system should be kept powered up throughout. In this manner, the disks will be made to stay airborne. They cannot land in the interval the system is powered.

10) When the weapon is used in one specific power mode, in addition to continuous discharge on the disks that are airborne and the ground based weapons, THE MIND CONFUSION AND DISORIENTATION WILL BUILD IN THOSE PERSONNEL AT THE BASE AND UNDERGROUND.

At the end of four to five weeks or less, all weapons should be totally discharged and power out on the bases. Most personnel if not all, will be totally incapacitated. THE FEEDING FORMULA WILL BE DOWN AND IT'S CRITICAL PROCESSING RUINED. ALL [alien] EMBRYOS SHOULD BE DEAD AND ALL HYDROGEN AND OXYGEN CONSUMABLES DEPLETED.

(Note: This is of course speaking in 'conventional' warfare terms, however one must balance this by taking into account the psychic-**supernatural** aspects of this conflict scenario as well. In such an event the chaplain may be of as much importance as a commanding general himself, especially in regards to reinforcing within ground troops the mental-spiritual attitude necessary to counter the 'fear' projected by alien sorcerer and psychic warfare specialists via occult-technology. Maintaining a state of absolute confidence and 'faith' in one's ability to establish a victory over the aliens is essential in that if one's confidence is broken as a result of psychic attack, then it would be very difficult to even make an attempt to follow through to final victory... the battle is already lost.

Other possibilities should also be considered in a future assault on this major Nexus of alien activity. For instance, if the extent of the base is much deeper and wide-spread than previously believed -- via interconnected caverns and shuttle terminals -- then these facts should be brought into the scenario as well. For instance the 'aliens' might escape 'through the tubes' to other installations. Even if this does occur this major basing complex can be fully taken by human forces, and then used as a 'staging' area to initiate attacks -- in alliance with other humanoid cultures 'below' or 'above' who are also at war with the 'Draconian Collectivist' Reptiloids and Grays -- against their various strongholds which undoubtedly exist throughout the 'inner realms'. - Branton)

SUMMARY

It is important to note that the initial implementation of the computer communications WAS NOT INSTIGATED FOR THE PURPOSE OF TALKING TO THE ALIEN FOR THE 'FUN OF IT'; BUT WAS DELIBERATELY INSTIGATED TO USE AS A TOOL TO STUDY, IN DEPTH -- LONG TERM WITHOUT PHYSICAL CONFRONTATION -- THE STRENGTHS AND WEAKNESSES OF THE ALIEN.

"The weapon theory and prototypes were built to capitalize upon and test two KEY and prominent weaknesses discovered. This in-house funded program has been expensive, in excess of \$200,000; done ON BEHALF OF OUR NATION and handled in the best representative manner humanly possible.

1) The PRIME and weakest area discovered, probed and tested is exactly what they have used thinking it is their key strength -- that being THE MANIPULATION OF AND CONTROL OF THE MIND; NOT ONLY OF COMMAND BUT ALSO HUMANOID. MANIPULATED IN REVERSE PSYCHOLOGICALLY AND BY THE LANGUAGE [COMPUTER] AND DUE TO THE EXTREME OF MENTAL DISTORTION AND INCAPACITY CAUSED BY THE WEAPON, IT HAS BEEN FOUND THAT THIS FACET IS FOR THEM A DISASTER AND A DIRECTLY VULNERABLE INTEGRATED WEAKNESS.

2) Though their ships are magnificent, they are also weak -- solely BECAUSE of their method and unique mode of flight. **They do not have a stable fighting platform**

In the event of jet-mounted beam weapons however, the PROBLEM would be our ability to determine whether these craft are friends or foes! The QUEST INTERNATIONAL officials have revealed sufficient evidence to prove that either the event DID happen OR that the international intelligence community had collaborated in a massive and expensive UFO hoax. Either way, the implications are provocative. - Branton).

Charge distribution CAN also be discharged. The weapon does this -- even in it's present miniature prototype state.

The Draconians might, as suggested in the 12th chapter of the book of Revelation, attempt a military attack against the U.S.A. in order to prevent the takeover of "their" underground fortresses here -- or an attack after the fact in retaliation for such a take-over. The important thing to remember however is that freedom NEVER comes without a price... HOWEVER THE PRICE FOR MAINTAINING OUR FREEDOM IS NOTHING COMPARED TO THE PRICE WE WILL HAVE TO PAY FOR LOSING IT!!!

Remember, no matter WHAT trials America must pass through in the future in her efforts to maintain freedom, liberty and individuality from the forces of collectivist tyranny, WE MUST NEVER FORGET THAT THE OUTCOME OF THIS 'WAR' WILL HAVE A TREMENDOUS IMPACT NOT ONLY ON THE FUTURE OF THIS PLANET BUT ALSO ON THE FUTURE OF ALL OF THE COLONIAL WORLDS WITHIN THIS GALAXY WHO ARE INTENTLY LOOKING TOWARDS PLANET EARTH AND ESPECIALLY AMERICA -- WHICH IS THE 'EPICENTER' OR STAGING-GROUND FOR THE LATEST BATTLE BETWEEN THE HUMAN 'FEDERATION' AND THE REPTILOID 'EMPIRE' -- TO SEE JUST WHICH WAY THE BATTLE WILL TURN.

According to several contactees many Federation forces and personnel from the Andromeda and Pleiades constellations, and also from **Tau Ceti, Procyon** and other star systems, are so absolutely devoted to their belief in non-interventionism that **they have blockaded our Sol system from Draconian-Orionite** interventionists who would take advantage of this critical and unstable time in earth's history [the close of the 20th century] to claim yet another treasure planet -- perhaps the most strategic planet of all -- for their empire. This would have a devastating impact on all of the Federation worlds, since this planet and all its chemical-mineral-plant-animal-liquid-genetic-etc., resources could be used as a staging world for Draconian attack against other Federation worlds.

As this is being written, Federation Personnel are fighting and dying near the outskirts of our Sol system, according to **Contactee Alex Collier** and others, in order to prevent this from happening and to prevent continued 'intervention' in the affairs of planet earth by the various galactic vermin, scum, parasites, and filth which has poisoned and destroyed countless human colonial worlds throughout this galaxy and possibly others. No matter what trials we as Americans must pass through in the future in order to defend our nation and our planet from the Draconians and their ungodly human "**New World Order**" collaborators, NEVER forget that we are not only fighting for our families, our communities, our states, and our nation. We are also fighting for our planet, our star system, and for OUR GALAXY! - Branton)

"Some of us will be lost in the endeavour that is obvious -- however, done NOW the advantage is gained along with new additional technology to prepare for the next stage.

"The key to overall success is -- they TOTALLY respect FORCE. And with them, the most effective method is to stubbornly continue to pick and pull at their defense WITH NO LETUP. Faced with the total loss of a base that has taken YEARS to construct, it is believed that their mission WILL be grossly weakened and badly slowed.

For those who may disagree, just look at the known history of the **Reptiloids/Greys** in their dealings with human beings. One should not be misled by the apparent "superiority of intelligence" of the Greys, since their intelligence is a direct **result of the collective mind**. Without the 'collective' hive and **operating on their own they are mentally** inferior to human beings, at least on an individual basis.* The Greys have told some individuals that they are 'legally' here on earth and in America *because of the 'treaties'*. Did they 'legally' *implant numerous influential* men and women with **mind control devices against their conscious will?**

Did they 'legally' and *permanently abduct* untold thousands of men, woman and **children to their underground bases? Are they 'legally' mutilating and stealing our livestock?**

***After reading DAN BURISCH and his dealings one to one with the He Rod this should be questioned** ^(Parks)
but people forget that there are many "greys". The J-Rod [FIFTEEN] has *autonomous* thinking.

Did an elected Congress 'legally' agree to these treaties -- or was it an Executive branch of government which has appointed numerous UNELECTED personnel and agencies, in many cases hirelings of unelected corporate-military agendas, who in turn have established 'treaties' with an alien force or forces? **Just how 'legal' is the U.S. presidency** anyway, following the death of John F. Kennedy, IF Lyndon Johnson was an accomplice in a fascist coup d'etat of the Executive branch of the U.S. government in 1963?

For those of you who would question the need to take the offensive against the Reptiloid/Gray strongholds at Dulce and elsewhere, let me just remind you of the kind of alien mentality we are dealing with here by relating the following three incidents:

According to well-known Ufologist **Brad Steiger**, in the book *THE RAINBOW CONSPIRACY*, co-authored with his wife Sherry Steiger, a terrifying incident occurred in 1955. This was one of SEVERAL reports of UFO attacks against civilians, civilian airlines and military planes and jets that were documented in the book. In many cases many notorious airline crashes were accompanied by UFO activity reported by witnesses just prior to the disasters or disappearances. Usually there are few actual witnesses to aircraft related 'disasters' or 'disappearances', however in this particular case there was.

A civilian pilot and his friend were engaged in some prospecting projects near the headwaters of the Agua River near the city of **Prescott**, Arizona. The two men SWORE that they had observed two brightly lit UFOs attack a military plane as it directed "some kind of strange beams" at the aircraft, causing it to explode.

Worse yet, according to the civilian pilot and his friend, when both of the airmen ejected from the doomed and burning aircraft and began floating down to the ground in their parachutes, the UFOs swung back around and **seared** the survivors with the same deadly rays, apparently killing them both.

In an article titled:

'INCREDIBLE UFO INCINERATION'S: CLOSE ENCOUNTERS OF THE COMBUSTIBLE KIND', researcher **Larry E. Arnold** describes the following terrifying encounters:

...Of the many episodes involving UFOs and the **spontaneous combustion of humans**, quite probably the most disastrous event [if true] in MODERN times occurred to the African village of Kirimukuya on Mt. Kenya. For several nights in **June 1954**, young Laili Thindu and his shepherd companions listened to the pounding of their neighbours' drums announcing a wedding about to take place on the mountainside. They also watched STRANGE LIGHTS soar around this 'sacred' peak in central Kenya. They naturally were startled when bright beams flashed from these soaring lights, then concerned that the drums were now silent.

The next morning Laili learned that 'all the dancers, all the children, all the livestock, -- the entire population of the village -- **had been seared to death by terrible streams of light from glowing objects,**' report Brad Steiger and Joan Whritenour in their book, *FLYING SAUCERS ARE HOSTILE*. 'It was not until Laili Thindu ventured into Nairobi that he was able to tell his story to someone who recognized the tale for what it really was: **the annihilation of an African village by a UFO...**'

In the **Spring 1991** issue of *UFO JOURNAL OF FACTS*, Forest Crawford, a researcher for the well-known MUFON aerial phenomena research organization, related his personal encounters and conversations with a man he identified only as '**Oscar**', who was involved in UFO crash/retrieval projects in earlier years.

Oscar stated that on one occasion he and his team received an assignment to investigate a disc which had crashed near **Phoenix, Arizona** and was then transported to an underground base in North Dakota. The team descended into the deeper levels of the COMTRAPAC submarine base in San Diego where high-security OSS personnel directed them to a tube-like shuttle. Entering the shuttle they prepared to "shoot the tubes", and eventually emerged into the lower levels of the North Dakota base.

Once they arrived, they were told that they would not be allowed to visit the surface of the base during their stay. 'Oscar' viewed the disc which had originally held a crew of three human-like pilots. Two were found outside the craft dead from radiation exposure and other injuries, whereas another was found in an injured state within the secured conditions inside the craft after the team had succeeded in opening it using a **sonic resonator**. The operation was initially carried out under the direction of **Commander Charles Turner**, a friendly man who Oscar got along with well. However without warning another high-ranking officer who everyone feared and who did not appear friendly at all came on the scene.

While searching for one thing, as usual, I found another.

- o GENTEEL = the elect, meek, righteous
- o **BEAUTIFUL AVENGER ONES** those from Cepheus *King of kings* (the Seraphim in the Black Knight) are also called "BEAUTIFUL ELEPHANT" in the Sixaines because Elephant Nebula sits in Cepheus. These Seraphim are somehow connected to Arcturus in Boötes too (possibly via Elohim Alliances) but 1 10 2 clearly says "where seven children of the King are held" which follows from line 1 that states "transmitted asleep caged in iron/vault" meaning hibernating. The obsolete or Alkhemye name for Cepheus constellation is "The King and his seven children". After collating the Seraphim quatrains the picture is clear.
- o **RENT TORN FALLEN BOAT which is always Earth, although the word ISLES is also in this line which means PLANETS**
- o SINE BARELY RESERVING this confirms that it is the J-Rod52 Grays, because they do have a DNA epidermal failure and are using sine frequencies to keep in repair.

- o **LOUUER INTERIOR LOFT** = cellars, where in former times during winter the livestock were kept. Flower could mean cauliflower, and **leafy parts** of beetroot *can be* eaten, same with turnips but not potatoes. Do re-search what flowers are edible because there are many... this includes herbs.

If you can handle a short lengthy summary:

First - do you believe in the bible?
 Would the first words in Genesis have any meaning for you – FATHER: ELOHIM CREATORS///
 no matter what else follows, what do you think they mean?
 First to understand, this is supposed to be guidance for those who survived that passing over of the Nemesis system. Meaning IN THE BEGINNING - in the new beginning. Simply because on the advent of a few of the passings of this solar system - almost nothing is left and humankind either requires a new paradigm or a new genetic tweaking. Who do you think *does* this human "tweaking"?
 According to Alex Collier, Simon Parkes, The Cassiopea Files and The Hidden Texts of Nostradamus (and of Da Vinci) = all of whom are contactees including Anton Parkes, Jim Sparks and myself... THERE HAS BEEN 22 OF THESE GENETIC "TWEAKINGS"/
 One of each seems to have followed on from each of the MAJOR ice ages Earth has experienced. "At least 20 of them" (Pr. Alley)
 By some weird coincidence, there are 20 parties to the "working Elohim" with two others:
 The Andromeda Council and the Cassiopeans.
 These ice ages are sometimes SENT by the Elohim Alliances to preserve and repair the Living Library.

EXPLAINING WHY ELOHIM ARE NOT THE BAD ONES
 The Hidden Texts have described the 20 various allied parties (one of which is Sasquatch) that all have their part to play in nurturing the Living Library. There is an alphabetical list of these I published. Some of these methods are totally alien to us and not agreeable to us – but we are only a tiny cog in their mechanism. This includes picking up people for the furtherance of our own genes. To answer the confusion regarding the Electron Beings generally known as El or Eleleus. They are the MENOEA which means Electron Being disguised as the words ONE MALE. There are negative ones (seeming negative to our limited understanding). But there are many more of them as positive ones, with one interest for us that they have much input relating to "soul". There is one man who has been a life-time contactee – who has painted the ones he did encounter. His images just happen to match the descriptions in the Hidden Texts. His name is David Huggins and people laugh at him behind his back – yet he lives under the auspices of those Who Wrote much that appears in the bibles intended to guide us.
