

A FILL-IN whilst working on ANDROGYNE, DOREAN, SMART SPACE SUIT Part Four

There were events which happened during September 2018, that matched lines being worked on in the pdf forum *ANDROGYNE, DOREAN, SMART SPACE SUIT Part Four* which still has weeks of work yet to be accomplished. So that the events which came true can be fresh in your mind, this filler collection will be your lot until **Part Four** of Androgyne arrives.

This is a cross cut section of DNA. it's the flower of life and it holds the golden ratio. Mathematics is the language of the universe.

Allan Webber is a prof. of mathematics, perhaps he can answer this as a puzzle†

DODECAHEDRON~ a Therses, sometimes known as the "flower of life" having references to it under floral names in these texts, such as "Agapanthus"... and see the outline is a cube. As to the validity of pi/6 or 6²/5 = Phi-6². = 72? Maths is my weakest point. (Numbers as a word does not mean maths nor numerology). The #72 appears under a **bridge/portal** in art by Da Vinci including hidden within **the iris** of the Mona Lisa. I took it to mean 72 natural stargates on Earth, since it IS Anakim based. **See a Therses in 3D in the Last Supper...** go to the pdf forum **EMPIRICAL PROOF OF TIME TRAVEL** also look up the **Schumann Resonance**

A huge "extraterrestrial object" interacted with the Sun to avoid a powerful "Solar Storm" directed to Earth!

About this website

THE EVENT AT LEFT IS THE VIEW THROUGH THIS WINDOW

This is someone's illustration depicting the reason for closing solar observatories. The large dark circular object is imaginary. The five stars as we all know, mean *Casseopea*. Thus we were saved Sept 18-19 2018 (the old equinox) by the Casseopean Angels (COINCIDES AMAZING PACIFIC ANGELICS IN GAP SIMULATED LIT UP CANDLE. DO NOT PANIC.) As seen by Nostradamus through his window. Even the placement of the bodies involved are in the same sequence, with Earth beginning her equatorial tilt. So ALL ARE INDEBTED ELOIM CUBE/ C+F+SPINDLE the name of a galaxy AND an object at the sun from Leonardo Da Vinci and his "Riddles"

come tu dicesti che accaderebbe nel bene, the English

meaning something like OPEN SESAME Da Vinci is speaking to Nostradamus here.

Abrahadabra = abrahadabra - An Arabic word meaning a magical opening = *the cyphers* so Leonardo is saying he likes the quatrain method better than the one he is using... (which is the division of a sentence using commas)

This is what happens to those who in life are solitary

*one would think it a bit of a Catch 22 that the directions to the decoders (Allan and Helen) would be from WITHIN the anagrammed Template. By reading through every quatrain was not going to do it either !

The quatrain words derived from the computer program all jumbled up, so they had to be placed into a context first. At this primary stage – a very large number of words are strange to modern ears and without meaning unless they are in context !

Taking my hat off , with a deep bend of the knee, to Allan who had programmed the Template with its vocabulary.

One good example of this word intention was with the word LUX which normally means "glowing" ~ as the Golden Cube certainly does. In very recent weeks (a full ten years after the Template was compiled by Allan Webber) it turns out the word LUX is also describing the fifth form of natural energy !

Now I am wondering if the number five as a base number used by the Elohim Alliances is not from five fingers, but from the Fifth Form of Universal Source Energy. It relates to Light as a force.

Taking this one tentative step further. Was THIS what Immanuel-Yeshua meant, when he said "I am the Light". ?

■ **The game of slings** (stargates) and reptilian shape shifting

A disputing and bragging about knowing how to make many different and beautiful games, another 'bystanders said:

"I can make a game that will draw people to me *parirà* slings."

The first boaster, finding himself without breeches, see 5 65 but this refers to Nostradamus turning up in the artists studio in his stockings

"What no," he said, "that I do not take! It should be a pair of stockings." (see 'hosiery')

The proposer of its game, accepted the 'consenting to come, more impromutò crepe pants and *ter trassele* drawing the face of the stockinged [man] in. And he won the pledge.

One said to another: "You have all eyes turned into *istran* color."

What they said: "He is my eyes because they see your face weird." [The country in which arose the strangest things]

One said that his country was born in the strangest things in the world. The other replied:

"You, if you 'born, confirming this to be true, by the strangeness of your ugly presence."

[Two wayfarers in the night]

Two walking at night for a doubtful way, that was a great *strepido* my ass before, and the other companion said:

"Now I see I am that I am loved by you". "How?" said the other.

That said, "You hand me the strap so I do not fall, nor that I lose you."

while I am on a join-the-dots roll here is something for you to digest

see the jellyfish craft and way up in the top right hand corner a black cube above the Lay person, an ungnowing person because they wear the white gloves of a leper and the word leper means "uneducated" in alchemye. The trees are Celtic zodiac dates, with Reed being Scorpio into Sagittarius but I digress. The land looks defoliated and the black cube shape shifts into the jellyfish craft....

have already shown this in the pdf forums in the Hidden Texts simply because they raised the subject of TENTACLED Craft (sharing the occupants' DNA) for me, this is also partial evidence that there were two of the Jesus - one who "was a carpenter" and the other who Immanuel Iscariot (who was a stone mason. Helen Parks here we have just one of many medieval artworks which depict the jellyfish craft. The hidden texts have much to say about the TENTACLED CRAFT. which come from what is now called Dividers and Sextant (of the Freemasons) but was called THE CARPENTER before that.

Helen Parks to conclude - California - jellyfish craft July 2015

Here is a translation of the text of **Ahmo's stele** – which when one reads and comprehends the effect received by Egypt – one comes to realize this speaks of the Passing Over of the Nemesis solar system which had set off the Santorini/Thera volcano:

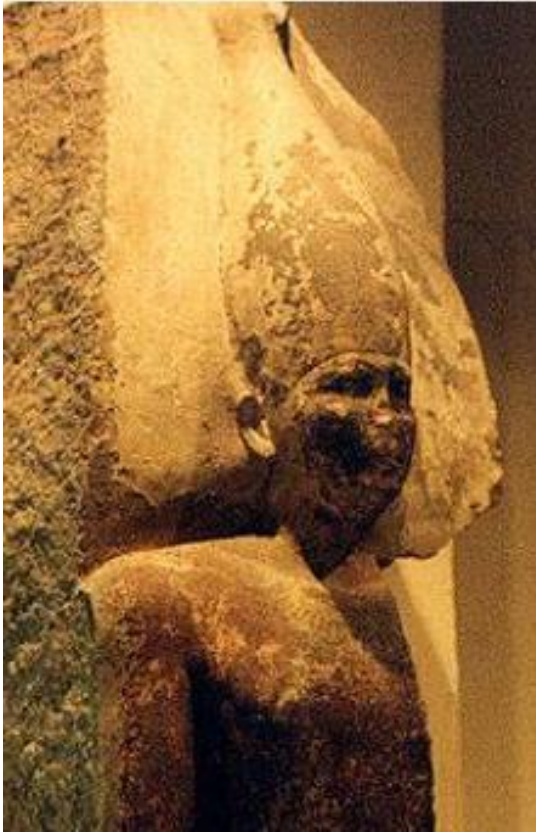

Long live (?) the Horus "Great of Manifestations," He of the] Two Ladies "Pleasing of Birth," the golden Horus "Who binds the Two Lands," King of Upper and Lower Egypt, Neb-pehty-Ra, son of Ra, **Ahmo**, living forever. Now, His Majesty dwelt in the town of Sedjefatawy ("Provisioner of the Two Lands") [in the district just to] the south of Dendera.

Now then, **Amon-Ra**, Lord of the **Thrones of the Two Lands**, was in Heliopolis of Upper Egypt (= Thebes). It was His Majesty who went south ("upstream") in order to [give to him bread, beer and everything good and] pure. Now after the offering, [. . .] their(?) [. . .]. Then attention was given in 33 [. . .] this [dis]trict. Now then, the cult image [of this god . . .] [. . .] as his body was installed in (lit. "united with") this temple while his limbs were in joy.

[. . . Now then,] this great god desired [. . .] His Majesty [. . .] while the gods complained of their discontent. [Then] the gods [caused] that the sky come in a tempest of r[ain], with [dark]ness in the condition of the West, and the sky being in storm without [cessation, louder than] the cries [lit., "voices"] of the masses, more powerful [than . . .], [while the rain howled] on the mountains louder than the sound of the underground source of the Nile that is in Elephantine.

Then every house, every quarter that they (scil. the storm and rain) reached [. . . their corpses(?)] floating on the water like skiffs of papyrus outside the palace audience chamber for a period of [. . .] days [. . .] while no torch could be lit in the Two Lands.*

***Ask yourself why could no torches be lit? Was this a description of a passing over of the Nemesis solar system?**

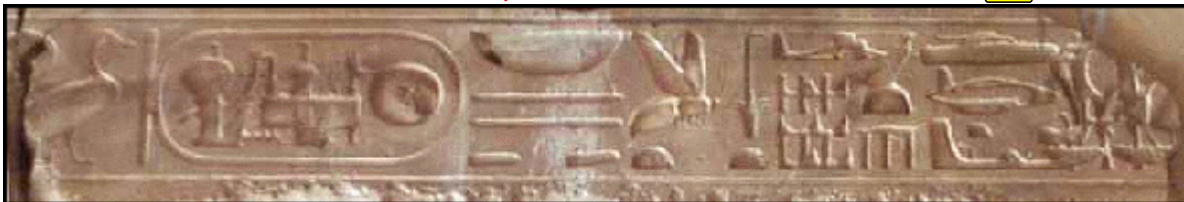

The texts say that Marduk was **Sneferu/Snefru** as well as Amon Ra. At left he wears the white Hedjet crown of UPPER EGYPT (south). Below he wears the red Deshret crown of LOWER EGYPT the delta. Combined the crown was called SEKHEMTI.

Helen Parks the one found in Ecuador. Noting how early it was - during the change over from 4th to 5th dynasty, one wearing the white crown of upper Egypt and the other the red crown of Lower Egypt. In my book, that meant that Marduk-Sneferu ruled over all of it, with the detail that the combining of the crowns, two into one had not quite happened yet. I am totally uncertain if Marduk as Sneferu was a reincarnation or a walk in but the Hidden texts are just as certain Marduk was Snefru-Sneferu, just as they say Obamba was Amenemhat.

<http://www.anonews.co/terrifying-slaughterbot-video-is-a-warning-against-autonomous-weapons/>

A slaughterbot is like one unit in a swarm of very tiny, very deadly drones that could be used in warfare in the future, and [in a video](#) released last year, published by the campaign to stop killer robots, they are depicted doing something to our world that we can only imagine in our worst nightmares.

Anybody can appreciate that at this point, it could be much worse when it comes to the mainstream culture and the support for autonomous, deadly weapons. However, people also don't really have to consciously support autonomous weapons, because at this point the military is able to use them on people in countries forgotten by the west and even take the lives of innocent people [every day for years](#) with them, without anybody batting an eyelash.

According to [Science Alert](#), usually a website with quite a mainstream slant:

"We're on the verge of creating autonomous weapons [that can kill without any help](#) from humans.

Thousands of experts are concerned about this – and the latest campaign effort against this tech is a chilling video demonstrating the kind of future we're heading for."

In the Slaughterbots clip, thousands of most likely innocent and totally unprepared victims lose their lives to menacing swarms of artificial intelligence guided drones, who attack with uncanny precision, being dumped out of planes in a scenario that is more plausible at this point than anyone can deny, an eventuality of the government program DARPA. In a realistic manner sure to emphasize how the real mainstream media would justify such a thing, the video begins with a press event in which the slaughterbot technology is revealed for the first time and promoted to the public, The video (below) emphasizes how in a scenario like this, the media would be sure to claim that the mini drones would just by taking out "the bad guys," without having to use troops on the ground, something as insane as nuclear weapons, etc.

However, you know just what time it is: when those slaughterbots need nothing but "a profile: age, sex, fitness, uniform, and ethnicity," it's time for innocent people to hit the dirt.

The video continues with a plot twist, in which it isn't the US government using the technology to take the lives of innocent people as drone strikes [go in real life](#), but some kind of unknown party who grabs hold of the technology and attacks the United States Capitol Building, with only one particular party of politicians targeted.

Then in the video, those slaughterbots are used to just massacre thousands of students all over the world who happened to share a human rights video on social media. *"The weapons took away the expense, the danger, and risk of waging war,"* said a figure in the clip, with claims that anyone can now carry out a drone strike with those things.

The video was shown late last year, 2017, at the UN Convention on Certain Conventional Weapons. While it seems like a humble and altruistic goal, though futile to ask the coalition of [people who are](#) the drone striking people, to ban such weapons, the organization asked the UN to ban those weapons that their member nations would love to **get their hands on.** **Continuing from [Science Alert](#):**

"The group wants the UN to pass legislation prohibiting the development of this kind of AI technology, and the large-scale manufacture of the associated hardware. Legislation could also be used to police anyone who tried to develop these kind of systems. Worryingly, these are all technologies we already have, according to one of the experts behind the video, computer scientist Stuart Russell from the University of California, Berkeley – the only step remaining is for someone to miniaturise and combine them."

"I've worked in AI for more than 35 years," Russell says [in the video](#). "Its potential to benefit humanity is enormous, even in defense, but allowing machines to choose to kill humans will be devastating to our security and freedom."

"Thousands of my fellow researchers agree. We have that opportunity to prevent the future you just saw, but the window to act is closing fast."

If you want to keep an eye on this technology, it just requires a daily dose of research. Type into a search engine "drone strike" every day, or "DARPA":

Normally, the number five applies to any of the Elohim Alliances. We have learned that the Aryans are from Atlas and Alcyone in the Pleiades and have been "eunuchized" by reptilian interests, invaded via breeding. These texts say "yet they still know Love". Which is the reason when visiting Billy Meier, much of their predictions did come true. Except when Billy received someone he did not know arriving to replace those he did know, had already met. Then, when that happened, there appears contradictions in their messages. In a similar manner to the contradictions in the images here.

Part of the reason for reproducing this little collection (out of EMPIRICAL PROOF OF TIME TRAVEL) is that I believe the little section enclosed in a purple window is describing the events within the following :

8 54 4 **D'Espaignois fait fecond banc maceliuz. D'Espaignois fait fecond banc maceliuz.** Second butcher's bench is made by the Spanish. the first "butcher's bench" being the decimation of the Mayans when their prophecy on the very date the Spanish arrived told them *QuetzalCoatl* would return. Although the Spanish Inquisition could be called a "butcher's bench", it was instigated by Rome. There is a coincidence here. In 9 44 3 the famous line regarding RAYPOZ will exterminate all of you. It has been taken to mean POZitron RAY Particle Collider. There is another possible meaning for RAYPOZ = ZOPYRA which means "living fire, flashes of light". That still could refer to a Particle Collider - yet Zopyra was the sigil for Philip II of

Spain (1527 – 1598) who used it in the sense of “faithful friends”. This was because the original Zopyros cut off his own nose and ears before being “caught” by the enemy (saying his own king did it) when he was actually loyal to his own king. In this trojan manner he was able to deliver Babylon to Darius. Zopyra was the nickname given to the Duke of Alba (became a duke) 1472 who was involved with the Spanish Inquisition beginning around 1478. The double entendre of “good friend” to his king Philip, and the man who put many thousands to the fire for believing in the wrong religion seems to also apply to right now. Christians are being persecuted, beheaded, for being Christian. In that way Line 3 of 9 44 could well refer to current Christam events.

USAF father's young son abducted by greys and praying mantis being

“I was constantly being visited by small Greys that sometimes used to float me all the way downstairs ... my legs draped over a table in front of an insectoid being.” - “Steve,” young son of USAF father who retrieved dead E.T.s from crash sites

November 24, 2016 Staten Island, New York - While USAF father was retrieving dead alien bodies from around the United States and Greenland, his young son Steve was being abducted by small Greys and a Praying Mantis being.

Interview:

Steve Bishop, age 50, father “Sgt. John Smith” retrieved dead non-humans at crash sites from 1947 Roswell and beyond for several years, from Staten Island, New York:

LMH: “DID YOUR FATHER PHYSICALLY HANDLE ANY INSECTOID BODIES?”

I don't know. He talked about a lot of different strange ones that didn't look anything like us. I would say it's a possibility.

LMH:I THOUGHT I UNDERSTOOD THAT YOU REFERENCED INSECTOIDS?

I saw the insectoids.

LMH:LET'S SWITCH GEARS TO YOUR OWN EXPERIENCES AS BEING THE CHILD BEING AWARE OF YOUR FATHER TALKING TO YOU ABOUT EXTRATERRESTRIALS — HOW DID ALL OF THIS BEGIN FOR YOU?

My dad used to get mad because I used to run into their bedroom most nights — screaming. Because I was constantly being visited by small Greys that sometimes used to float me all the way downstairs, but generally I remember them having me over their heads and I couldn't move. I never could move during any of these occasions. They used to walk down the stairs with me over the top and bring me into the living room and put me on a table. And I used to sit with my legs draped over the table in front of an insectoid being.

I don't know why they were doing it to me or what they were doing to me. But I do know it seems the damn thing was enjoying itself.

LMH:WHAT ARE YOU LOOKING AT, THIS INSECTOID BEING?

The height — I can tell you that thing had to be at least **8 to 10 feet**. I was a child. That thing's head would have hit the ceiling.

*I asked Steve to go through web images of UFO/abduction-related praying mantis sketches and pick out the one that was closest to the praying mantis being that came with small Greys to interact with him as a young child. But Steve thought the praying mantis being in his house had **more than two arms**.*

This illustration says © 2015 ken aines.

LMH:WHERE IS THE HEAD OF THIS PREYING MANTIS IN TERMS OF YOUR CEILING?

The thing wasn't standing up straight. Its legs were bent and it was sort of hunched over leaning towards me.

LMH:OK, AND WHAT COLORS ARE YOU SEEING IN THE EYES AND EVERYTHING?

The eyes I remember were huge and it just felt like they were looking right through me.

LMH:COLORS?

It was more of a creamy color.

LMH:THE WHOLE INSECT WAS CREAMY COLOR? (In the reptilian world the whiter they are the higher in order)

I was glued to the face, the eyes — mostly the eyes. The eyes, they were black. They were huge, much bigger than what is known for the size of the eyes for the Greys. They were huge. They were roundish and they kind of jutted out just like a bug.

LMH:COULD YOU SEE ANY PUPIL AT ALL?

Not that I recall. It was night time. **It had more than two arms**. I was terrified! It was like I was sitting in front of it and it was almost like a wave, like a break in the air that came from its head or its eyes into my body and all that I felt was pure unadulterated fear. And it seemed to almost like want to draw off that fear somehow.

It felt like it **was putting the fear in, but taking something out of me** that was very terrifying.

LMH:DID YOU SAY THAT SMALL GREYS WERE WORKING WITH THIS BIG PREYING MANTIS?

Yes, I used to like freak and used to run to my parents room and my dad was never happy about that.

LMH:WELL, WOULDN'T YOU HAVE SAID TO YOUR FATHER, WHO HAS BEEN TALKING TO YOU ABOUT GATHERING UP THE BODIES OF EXTRATERRESTRIALS AND **THE [E.T.] WAR IN GREENLAND** — THAT 'AN EXTRATERRESTRIAL IS COMING FOR ME — DAD, HELP ME! AND WOULDN'T YOU HAVE HAD A DIALOGUE WITH HIM ABOUT WHAT WAS HAPPENING AND COULDN'T HE GET UP FROM HIS BED AND COME AND SEE WHAT WAS HAPPENING?

I did, but he would shut down. He didn't want to talk about it. He didn't want to believe it. And he would get mad at me. My mom, on the other hand, knew something was going on and she tried to talk to him about it and he would shut her down. These things really scared him. And I as an adult looking back — I wouldn't react the way he did.

Was Praying Mantis Retaliating Against Father Who Retrieved Dead Alien Bodies?

LMH:

IT SOUNDS LIKE YOUR FATHER FELT THAT THE PREYING MANTIS WAS RETALIATING AGAINST HIM IN SOME WAY AND THAT MAY HAVE BEEN GOING ON THROUGHOUT OUR GOVERNMENT THAT IF WE WERE **IN FACT HAVING A SECRET WAR AND THAT WE WERE FIGHTING ON THE SIDE OF ONE E.T. VERSUS ANOTHER** AND THE PREYING MANTIS HAD THE ABILITY TO TRUMP THE CONTROL OF THE **EBENS**, THIS WOULD HAVE BEEN A SIGN OF ITS OWN FORCE THAT IT COULD REACH THE CHILD OF ONE OF THE MEN

WORKING IN THE UNITED STATES GOVERNMENT, WHO HAD A JOB TO COLLECT DEAD BODIES FROM THESE ALIEN WARS.

[the double front legged Mantis is a Copiest idea to bad image the good Mantids of the Elohim Alliances, much like the charade of three reptilians pretending to be Icke, Venture and a **non-gravelly** voiced Alex Jones (InfoWars host)]

That has been a thought that has crossed my mind. And it's the most logical thought that I can think of. Because I know that not only was I abducted, but I know my mom was, too.

(see Randy Cramer's account of the Mantid backing off as soon as Randy [Captain Kaye] put his weapon down. The reason for this is that Randy was working for the elite's negative soldiers – those *against* the Elohim Alliances, *which include the "good" Mantids*)

Steve's Abduction with His Mom

We went to her father's house in Brooklyn, New York. And we were driving home and we were not even two minutes from the house **when a cigar-shaped one came over**. This was the country back then. Nobody else on the road and it started getting closer and closer and my mom pulled over. The car died. I started freaking and at one point, I said we've got to call the police, we ought to call the Army, the Navy, the Marines.

Then, it just simply disappeared.

Now, when it was there, this large, long, cigar-shaped thing hovering in the air. **It also had windows**. We were able to see these Grey-like looking beings, as small as they were, we could still see the outline and we could see them looking at us — or looking out at least.

Now, as soon as I made the comments about calling the Army, that's when it just vanished — disappeared!

We were only two minutes from home and when we got there, we were missing somewhere around **four hours of time**. And it was almost morning.

LMH:DID YOUR MOTHER HAVE MEMORIES?

She remembers everything that I did — that it (UFO) was there, we were scared, we were beside the road, the car went off and then it (UFO) was gone. We didn't even look at time until we got home because my dad was freaking out.

LMH:'WHERE WERE YOU?' He was expecting us home.

WOULDN'T YOUR MOTHER HAVE SAID WE WERE PULLED OVER BY THE SIDE OF THE ROAD AND WE WERE WATCHING UFOS AND WE HAVE MISSING TIME AND SAID TO YOUR FATHER, 'WHAT DO YOU KNOW ABOUT THIS?'

And she did. All I remember was them fighting.

ANY OF THE WORDS?

No, it was a lot of screaming and fighting and it just didn't make any sense to me.

LMH:SHE WOULD HAVE BEEN SO EMOTIONALLY UPSET BECAUSE IT WAS A THREAT TO HER CHILD AND TO HERSELF. AND THE FATHER WOULD HAVE BEEN UPSET BECAUSE HIS FAMILY WAS NOW BEING THREATENED BY A PHENOMENA THAT WAS CLEARLY TIED DIRECTLY TO HIS WORK.

That's true.

Steve's Father Did Not Trust the Grey Non-Humans

LMH:YOUR FATHER HAD QUESTIONS ABOUT WHETHER HE COULD TRUST THE GREYS — **THAT THE UNITED STATES GOVERNMENT HAD MADE A TREATY WITH** AND WE WERE TREATING [them] AS BEING ALLIES AND OUR FRIENDS. WHAT DID YOUR FATHER INDICATE WAS THE REASON HE DID **NOT** TRUST THE SMALL GREYS?

I think it was in part the way the Greys themselves acted. The whole thing never sat right with him. There were way too many questions.

LMH:DID HE GIVE YOU AN EXAMPLE?

Once he told me they did actually ask what was going on? Why are we friends with one and not the other? And why is this a secret? And they were told that if they ever asked that again, that would be the last thing they would ever say. So, they never talked to anyone outside the group about it again. At least he did (talk) with his family.

He was very, very concerned. I know my father, who was a city boy, moved to the country to make a homestead. He had all this money, but he was busy out there farming, or having us do it, raising ducks and chickens and rabbits and stuff. **Because he was always worried about Something** coming in the future. And Something coming down with the government, something that they knew along with the aliens and he just didn't know what it was. So, he wanted to play it safe. And he **wanted to get away from the populated areas**.

LMH:DID HE EVER SAY ANYTHING ABOUT SPECIFIC CRAFT SHAPES?

He saw all the different types. There were the 'classic saucer' types. **Cigar ones. Ones that looked like cylinders. Some, he said, they just kept changing shapes.** The incredible speeds — how they would just be there out of the blink of an eye and then sometimes just disappear. And doing all those impossible maneuvers that we still can't do today — stop on a dime and turn 90 degrees and take off again. We still can't do that.

LMH:I JUST WONDERED IF CRAFT SHAPES COULD GIVE US ANY INDICATION TODAY OF WHO **WAS WARRING WITH WHO IN GREENLAND IN THE 1950S?**

Whatever was happening was not from this world because of the things that he said They (aliens) were doing — stopping on dimes and we couldn't hit a single craft with anything that we shot at them.

LMH:WHICH WOULD IMPLY THAT THEY HAD SOME KIND OF FORCE FIELD PROTECTION?

That and the fact that They moved so fast. There is not a country on this planet that had anything that we couldn't at least hit. Not even Russia because they were the old other powerhouse at the time. Out of all these hundreds of ships that were apparently fighting overhead, we were unable to make a single hit on any of them.

LMH:WHY WOULD HUMANS HAVE BEEN ALLOWED TO BE IN **THE ALEUTIAN ISLANDS** OR GREENLAND IN THE FIRST PLACE IF THERE WAS AN ALIEN WAR ONGOING FOR MONTHS IN BOTH OF THOSE LOCATIONS?

The way it looks is that we were allied with one side. And maybe They ([if they were] the enemy) were coming after us. I don't know. **We've been building up our military to fight them one day.**

LMH:BUT, STEVE, FIGHT WHICH ONES?

I don't know. That's just a scary thing — there's too much we don't know!

LMH:WE ARE SPEAKING IN NOVEMBER OF 2016. HAVE YOU HAD ANY VIVID DREAM OR ENCOUNTER WITH ANY KIND OF AN ALIEN PRESENCE THAT GIVES YOU ANY KIND OF A PICTURE OR GUT SENSE OF WHAT IS COMING?

I don't think I've been abducted since I was at least sixteen. And I think that if we don't see something in the next few years, then there is something very bad about these aliens that they (government and aliens) are keeping from us — and not just that they are keeping it from us so they (human insiders) **can continue to make money.**

Because that is kind of my hope. That would mean that there would be good things to disclosure. That if They (humans/E.T.s) are just keeping it in there **so they can continue to use the human race to increase their wealth.**

There are just too many nations around the world that believe in it (other life in the universe). There is too much out there now. I don't think they can get the genie back in the bag and I think it's time. We're to the point where it **HAS** to come out! We, the human race, need to know what's going on? **We've been lied to our whole history!"**

"You were built as food for the Anunna Gods" Direct Translation, Oxford, Sumerian Cuneiform Tablet

ETCSLtranslation : t.2.5.4.23

A hymn to Nibru and Išme-Dagan (Išme-Dagan W)

Segment A

1-19. City whose terrifying splendour extends over heaven and earth, whose towers are exceptionally grand, shrine Nibru! Your power reaches to the edges of the uttermost extent of heaven and earth. Of all the brick buildings erected in the Land, your brickwork is the most excellent. You have allowed all the foreign lands and as many cities as are built to receive excellent divine powers. Your name is as excellent as your excellent divine powers. Your soil is soil as good as your name. City, {your name towers} {(1 ms. has instead) your divine powers tower} over heaven and earth.

20-37. You are the pillar (?) in the south and the uplands, the mooring post of all people. Your divine powers are supreme divine powers with which no divine powers can compare. Your plans are as if rooted in the abzu, endowed with great terrifying splendour. As if it were the lovely earth itself, no one can comprehend your eminence. Your pre-eminent destiny surpasses all praise. You are a lofty hill that no one can reach. Outstanding, with head high, you reach to the heavens.

38-56. Your interior towers up, and your exterior is awesome. You were built as life-giving food for the Anuna gods; you were beautified for their eating and drinking. You are the sheepfold which is there for their life. Nothing escapes your grasp, as if caught in the threads of an outspread net. Shrine Nibru, your activities are quite excellent, quite surpassing all description. The divine powers that you allocate are a good fortune which cannot be overturned.

57-71. City, your interior is holy, your exterior is radiant. Your body exudes terrifying splendour. Your location is a well-chosen location. The lord of wisdom, Enlil, the Great Mountain, has built a sanctuary in your midst; that sanctuary is a lapis-lazuli sanctuary, a sanctuary that can decide destinies. It is the E-kur, the lapis-lazuli temple, the temple that can decide the destinies.

72-114. Your prince, Nunamnir, the steer who has engendered (?) the divine powers, and Mother Ninlil, the great lady of your Ki-ur, the lady who has borne the divine powers -- what god is there living in the Land like these two? They have cultically purified (?) They have settled and taken their seats upon the good, great and praiseworthy divine powers. The Anuna gaze at them as if at their own father and mother, listening attentively when they speak holy and most precious words in the correct manner. Enlil and Ninlil looked at the heavens, while on earth they set bounds (?); and then, once their intention became clear in the great heavens and on the broad earth, the Anuna gods of heaven and earth set to work. The mattock and the earth-basket, tools for founding cities,

Interjecting here a thought which comes to mind.

While working on The Hidden Texts of Nostradamus (and Da Vinci)

[having found the "triple method" which is NOT a tripod]

By now we should all be aware that there is a three ways star wars going on over our heads.

That is what Arm.Marg.Eddur (Armageddon) is really about.

With "Arm", being the King of kings Cepheus holding the Branches (DNA) in his Arm.

These from Cepheus are the Seraphim.

"Margid" being what was once called The Hind Leg of the Cow but we know as Ursa Major

(where negative aliens come, related and allied with the Orion Group)

MEGGIDO being the place on earth where they seem to have won the previous battle...

and the "Eddur -Atteir"-Elohim Alliances for the Living Library/Earth.

The texts warn us that those of the Orion Group :

(the unholy six from Alcyone, Algol, Lepus, Sirius Monoceros and Auriga =

the Big "G" in the skies of the Freemasons)...

Have been behind Big Pharma, EPA, CDC and U.N. and other alphabet group agendas.

The main "programs" seem to be vaccinating us with deadly heavy metals and other toxins, and Big Pharma with its genetically manipulated organisms, DDT and Glyphosate -

and now chemtrails = all to keep us very unwell, but alive.

The thought that came to mind is this:

"what if adulterating us as a farmed meat source is one of the aims of attacking those who bred us to be THEIR food source"?

Using US as a Trojan Horse, carrying hidden digestive problems to those who would eat us. Such as nano bots.

Not forgetting the translation of SU-MER

SU means in the south and MER means "sea".

Once again we have evidence that places in the northern hemisphere have not always been in the north.

In alkhemye language "southern sea" means that area of the skies in the CURRENT south where sit all the nautical named constellations, with Aquarius pouring out the "River Erid.anus" from its Urn.

this is what the Hidden Texts of Nostradamus have been repeatedly warning us.
It IS off worlders - BUT not all look like we do.

There are not just 9 off worlders that look at us as food, and these are all named in the texts too.

The WAY TO OBIVATE THE 'TREATIES' is provided BY the texts.

We at NOT in 2018.

The clauses in the treaties gave 2014 ratification TO BE CHANGED TO "TRADE IN CHILDREN" but we were not yet in 2014, not for another 676 years.

At 2018 we are actually in 1342 A.D.

here is something I need to say to someone who understands the possibilities (of this happening to me).

I watched the latest Simon Parkes video yesterday [Sept. 18 2018] and **something was not quite right.**

I did not want to convey my thoughts in a comment attached to the video because I have been in communication with Simon Parkes a while ago.

First - his cats were no where in sight.

Luckily he has stated many times that he "**never works without his favorite cat/s**".

(a bit like Trump saying he **always wears his power red tie and socks**).

THEN Simon was sitting in an office outlayed not much like the one he usually uses at all.

THEN I noticed how young looking he seemed... see where I am going with this?
NOW THE CRUNCHER - he was talking to the other walk-in of Project Camelot Kerry Cassidy.
He was saying the Black Knights are satellites of the adversary, the negative ones., **not true.**
They sasared the Mars Base to prevent elite stepping away from bombing Yellowstone.
This explosion can be seen in videos. October 2014/

SIMON PARKES : THE MANTID AGENDA MAY 3, 2018 UPDATE

“DUE TO YOUTUBE EITHER BEING HACKED OR DELIBERATELY TRIED TO PREVENT BROADCASTING LIVE VIA MY ALTERNATIVE CHANNEL PCTV NETWORK LLC. SO THIS SHOW WAS BROADCAST LIVE ON FACEBOOK. THURSDAY, MAY 3, 2018 @ 1PM PT – SIMON PARKES RE REMOTE VIEWING THE MANTID AGENDA For more info on Simon go to his website: www.simonparkes.org/ BRETT STUART – REMOTE VIEWER HAS THIS REPLY TO THE COMMENTS MADE BY SIMON PARKES ABOUT HIS VIEWING INFO

“From the sounds of it, Simon may be mixing my RV results with my video-end postulates/hypothesis where I include information from various reports and accounts that I researched following the RV project results. The YouTube video Simon talking about is an automatic reading of an article written by Christine Aprile, a well-known intuitive tarot reader from Los Angeles, called, Mantis Aliens: The Overseers. I wasn't aware of the video until someone sent it after Kerry's interview with Simon, but Aprile's article is one of the sources that I used to form my concluding thoughts, due to the many striking similarities in her article and the RV data. The mentioned delineation between “insectoid” & “mantid” is definitely interesting though, as I have never heard of them before. It could certainly be the case, as the RV data never said Mantid by name, but the drawing of the creature looked what I thought was a Mantid. Anything past the RV data, which is clear in the video since I cut away from the RV pages, is just my own personal postulates and analysis.”—BRETT STUART, TECHNICALINTUITION.COM BIO FROM SIMON'S WEBSITE: Simon Parkes is a life long experienter of aliens, shadow people, elementals and ufo's, these include Mantid (Mantis) beings, Draconis Reptilian, Feline, small and tall Grey creatures, Crystalline beings and other creatures that can't be identified. Refers to the cronus visor-treasure the Templars hid (from the manicheism of the Monsur of Mirepoix) under Oak Island, as a “partial fix”, with help from Anu Oannes from Eridanus (additional to the “vessel” they also hid under Birch Island), “Birch” meaning vessel. The hiding or removing of cronus visors from over-handed “authority” seems to be an ongoing theme planet-wide since very ancient times; this being the real reason for taking Iraq from Hussein. A case of from one form of manicheism to another. The taking of Saddam Hussein, description and actual day is in these texts too.

Right. Yes, it was four times Nostradamus arrived - twice in full body and twice via cronus visor. I had thought another Lord Ring visit was him too, but it turned out that was Da Vinci. * One other cronus visor visit was like a little telescope, looking through the wrong end, which hovered for many minutes close by my right cheek. THE GREAT SMITHSONIAN COVER-UP SUPPRESSING EVIDENCE OF THE GIANTS

In 1829, the Smithsonian Institution was established through funds from James Smithson, a British millionaire and Freemason. The Smithsonian, more than any organization, has defined our understanding of America's origins. Since its inception, Smithsonian has joined the powers in Washington in promoting the fiction that America was an untouched landscape before Columbus made his famous voyage. Any evidence that contradicted this isolationist model, such as giant skeletons and other out of place artifacts always wind up missing. Thus, Smithsonian has an agenda to keep Americans ignorant of true history!

This is why your doctor gets aggressive.

Blue Cross Blue Shield pays your doctor a \$40,000 bonus for fully vaccinating 100 patients under the age of 2. If your doctor manages to fully vaccinate 200 patients, that bonus jumps to \$80,000.

But here's the catch: Under Blue Cross Blue Shield's rules, pediatricians **lose the whole bonus** unless at least 63% of patients are fully vaccinated, and that includes the flu vaccine. So it's not just \$400 on your child's head—it could be the whole bonus. To your doctor, your decision to vaccinate your child might be worth \$40,000, or much more, depending on the size of his or her practice.

We now know that the weather can and does get manipulated.

There are patents which go back a hundred years for altering or enhancing the weather conditions.

You name it, "they" can do it.

Even to the point of signing an agreement in 1976 not to use weather as a weapon.

Thus: do you think the great drought of the Great Depression was natural?

Do you think Hurricanes Sandy, Katrina and all the other female named supercanes are natural?

Documentation for 2010 patent for space based power systems as a method for altering weather – “Laser Guided and Controlled”. Info begins around 7:50, but entire video provides updated invaluable information on the new kind of **weather control being deployed from “space.”** Two major players are from California — Lawrence Livermore Laboratory’s National Ignition Facility, and Solaren Corporation (whom Russia issued a Space Solar Power System **Patent in 2016** — <https://www.solarenspace.com/2016/08/12/russia-announces-issuance-of-space-solar-power-system-patent-to-solaren-corporation/>) based in Manhattan Beach, CA.

I have no questions as to why CA Governor Jerry Brown announced (“on short notice”) his intention to attend the EEF, and talk with Russia (after having first talked with China, where he signed agreements) — about “climate change.” I do question his very undiplomatic (bordering on treasonous) insertion of himself (a Jesuit priest) as spokesperson for the entire US, as well as coming from the bankrupt, scandalously corrupt, fascist, NWO West Coast hq, self-proclaimed “sanctuary state” (a current taxpayer lawsuit being heard 9/11/17 against San Francisco for its illegal and dangerous sanctuary city policies), whilst trotting out his agenda for “leading the charge” in decarbonizing the economy, amidst the flight of people from the once Golden State almost weekly due to its illegal, oppressive, dangerous legislative actions enacted against the will of the people, as the test tube for Agenda 21/30 and the NWO. **Link to Laser space-based weather control/modification system:**

No worries though the R&D expense (tax payer paid) and the dispensing of the product (tax payer paid) on the tax payers to boot, was probably a nice plus for the GDP.....!!!! A GDP that is as always power packed with debt items on the black side of the ledger..... You just can't make this crap up folks....

then there was this:

When people set themselves up as a "source of information" such as the original wingmakers web site. which Al Bielek told us back in the years of 2000 until his death 10/10/2011 ^{7 years to the day of writing} ... had become fully infiltrated – then those allied to that infiltrated web site are still carrying on the dis and mis-information directive.

A perfect example came my way via f b.

Since 2013 when the texts said the real Penre had left an airplane whilst it was flying, I have been waiting to see proof of the current Wes Penre dispensing untruths, the sort the average folk have not had the means to discern.

Finally that disinformation has arrived:

Wes Penre telling people that Marduk was Noah. C+F+LIAR

Can you imagine Ea whispering through the tent wall to Ziasudra * (who was NOT Noah)

"hey Marduk, go make a submarine of gopher wood and save my "seeds of all living things"

From what you understand of Enlil and his possible bastard son Marduk ** - what their opinion of Lulu was, How does that make Marduk as the "saviour of the seed of all living things"?

*Noah's flood was in the Genesis of Yasher and was caused by rain. The Genesis of the successful and viable Adam and Cain and Abel – who were NOT involved with the Leo Rising Flood. The flood during the passing of the Nemesis system in Leo Rising (about 10,500 BCE) was caused by released ice sheets & was what resulted in the sinking of the last of Atlantis via tremendous tectonic plates shifting.

Final Atlantis sank at least one shars prior to Genesis but more likely two shars (around 7,000 of our years)

Noah's father was Lamech, a hybrid Anu – human, thus a demi god. Marduk has never had time for these demi-gods with their impure bloodlines. This was where the words "jealous and wrathful" entered Genesis. The flood of Genesis seems to have been around 6,000+ years ago (allowing for correction of our calendars, but according to the establishment, about 7,000 years ago) - with evidence of a very wet Peru and the birth of Crater Lake.

**Part of the reason for hiding his portraits of the Anu family in the Last Supper, was for Da Vinci (a bastard himself) to have someone realize how much the family resemblance carried amongst itself, Why wouldn't it! They married their own sisters. The one exception being E'a who is faceless. Why show us E'a without features other than to show he did not actually look like the others? Marduk is well described in these texts as being derived from Peter in the Eucharist. Then one sees the others and the likenesses are dramatic. Was Marduk a "ring-in"? Ever since I was tasked with studying the Anu family and compiling all the names they made use of – I have commented that it was really strange that the "good man" E'a would father the "bad sons". Being the "good man" (and geneticist) that he was, he has kept mum about the true paternity of his "bad sons" – leading us to speculate about their conception.

Was there egg on E'as face? Did his wife get raped by Enlil and is Enlil Marduk's real father?

While researching the original name for Giza I came across verses from the Kolbrin's Annexed Scroll One which stated that : "four times the stars have moved to new positions, and twice the sun has changed the direction of his journey" - "in times the Destroyer appeared".

The sun rising in another direction is also mentioned by the 5th century BCE writer Herodotus and by the 1st century Latin author Pompono Mela who wrote that :

« "twice the sun has set in that part it rises today" »

Much sits with the calculation of the writing date of these words and their placement into the Kolbrin.

Hints are found in the description 'order was returned in the twelfth dynasty, with the third king of that dynasty Amenemhet II repairing the Sphynx placing his own face there'. Comparing a statuette sphinx wearing the head of 12th dynasty Amenemhet II bares a remarkable resemblance'. *The Kolbrin On Who Built The Great Sphynx And Why* Yvonne Whiteman

In her article she shows geological evidence the Sphinx has had its body altered from a dog to a lion. Hancock also posited long ago, that the Sphinx was once Anubis. In Clay Tablet #10, Ninghizzida is credited with arranging the Giza Pyramids with his own accomplishment distinguished by his features on a Sphinx. Was Ninghizzida a Jackal Headed genetically modified person ? When you are researching various Pharaohs – take note how many have had their noses removed. This is a sign of the greatest disrespect

12th DYNASTY DATE 1991BCE for 213 years to 1778BCE so that for around 520 years the Sphinx bore the features of Amenemhet II. Sometime during the reign of HatShepSut She had the features changed to hers, which did not take very much since she bore a close resemblance to Amenemhet – most differences being in the mouth.

& HATSHEPSUT'S (5th ruler 18th dynasty ruled 1479 died 1458BCE) ****although these dates are all seeing further enlightenment****

BECAUSE THESE TEXTS in 8 30 SAY THE CURRENT HEAD OF SPHYNX IS 'LEO BLURRED ZEE' the Queen Casseopea These [passages from the Kolbrin] back up these texts which told us we had a 'perfect flip' in the Age of Gemini evidenced by the end of the Denderah year being in Leo and the new Year of Spring beginning in Virgo. Which of course, happens in the southern hemisphere these days.

Leo [date] conjoined Virgo is the Sphinx, a female. **

From the Epistle to Henri (from Allan Webber)

“Et sera faite grande paix vnion et concorde entre vns des enfants des fronts égarés, et séparés par divers regnes -- sera faite telle paix que demeurera attaché au plus profond barathre le suscitateur et promoteur de la martiale faction par la diversité des religieux, et sera vny le royaume du Rabieux: qui contrefera le sage.

Et les contrées villes, cités, regnes, et prouinces qui auront laissé les premieres voyes pour le délivrer, se castiuant plus profondement seront secrettement laschés de leur liberté, et parfaite religion perdue, commenceront de frapper dans la partie gauche, pour retourner à la dextre, et remettant la saincteté profligee de long temps, avec leur pristin écrit.

Qu'après le grand chien sortira le plus gros mastin, qui fera destruction de tout, mesmes de ce qu'au parauât sera été perpetré, seront redressés les temples comme au premier temps, et sera restitué le cleric à son pristin état, et commencera à meretricquer et luxurier, faire et commettre mille forfaits.”

“Then there will come out of the stem which had remained barren for so long, **proceeding from the 50th parallel**, one who will renew the whole Christian Church.

And a great peace will be made, with union and concord between some of the children of opposite ideas, who have been separated by diverse realms. This peace is made as the great sweet-talker, the instigator and promoter of military factions, attaches it to the deepest abyss [found] in the diversity of religions. And this will unify the

kingdom of Rabieux [Montpellier , France], who counterfeit the sage.

And the countries, towns, cities, realms and provinces which will have abandoned their old ways to gain liberty, this entraps them more deeply as they will be secretly bound by their liberty while their perfect religion is lost. They start striking in the left only to return to the right thereby returning to the Holiness that for a long time was wasted. This is done in accordance with the earliest writings. **Thereafter the great dog, (Sirius) the biggest of curs, will go forth and destroy all with the same old crimes being perpetrated again. The temples will be returned to those in the earliest times and the priest will be restored to his original position while he begins to use harlots, and luxuriates and commits a thousand crimes.”**

Thought you might like to see this just for the heck of it. **This shadow creature has appeared before. C+F+SHADOWCREATURE**

December 08, 2014

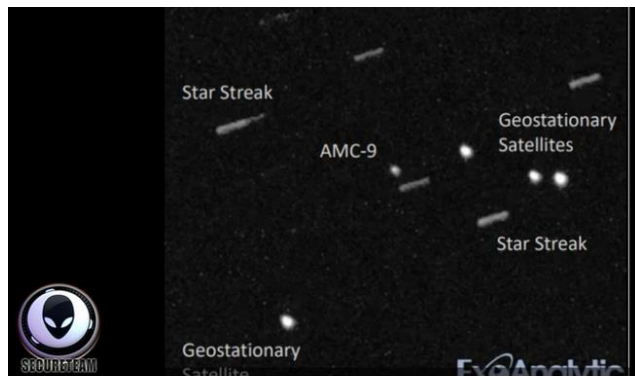

"First of all I would like to say that I do not agree with my mission assignments, but what soldier ever truly does? Several of us have considered bucking the ranks, and going AWOL from time to time. **We are kept in the dark when it comes to getting honest answers about what we are really spraying.** Should they discover that we or our families are actively enquiring about the so-called 'chemtrails' term, then automatic and swift disciplinary action would be taken.

HAARP and radar are two other non-allowed research subjects. Unless our children are learning about these in base schools, we cannot educate ourselves or our children through any public education system. **I would not intentionally spray my children or family with toxic aerosols, but as you must know, perhaps 80% of the pilots do not have any family or children.**

Indigo pilots are chosen from top ranks within the Air Force, Navy, and Coast Guard. Most of the pilots are 'hardened to humanity' and could care less killing off unwanted or leaching aspects of America and the world.

I swear to you, **the majority of the pilots are like machines, I call them "Tanker Terminators".**

I should not be telling you this, but nearly 1/3 of all flights are being orchestrated from small unnamed islands, where newly constructed bases are being built at a rate of 8 per year. On these extremely remote islands there are HAARP rays of every possible design, with many arrays surrounding these islands within the depths of the ocean itself. <https://geopolitics.co/2015/04/03/chemtrail-pilot-blows-the-lid-off-operation-indigo-skyfold/> ...

In all the mentions of false treaties in the hidden texts, I have avoided delving deeply into Dwight Eisenhower and his purported signing of the G.R.E.A.D.A. "treaty". I did this because his great grand daughter is highly thought of and I did not want to incur unpleasantness upon her.

Stated in this video "he refused to sign so they killed him and replaced him with a DNA enacted shape shifter". Noting the whistleblower states the "Nordics are allied". These are the fallen ones we have learned are NOT really allied.

EISENHOWER'S ALIEN MEETING. (The Fake Second Coming – Part 1, TechnoRealities By Christi Verismo)

In The Ultimate Deception by Commander X, Frank Stranges, a man who was friends with one of 3 **Venusians*** dealing with the Pentagon, has this to say of the meeting:

"During this meeting of Pres. Eisenhower with the aliens in 1954 3 UFO's landed on the runway.

The President had with him several members of the joint chiefs of staff, several members of the National Security Council, a representative from Rockefeller's office and a *representative from the Rothschilds*.

They viewed a UFO about 30 feet in diameter. The UFO dematerialized in front of their eyes.

They have pictures of this and apparently the UFO is still at Edwards Airforce Base in Ca. They say it was the direct cause of Pres. Eisenhower's first heart attack. To this day nobody has been able to crack into the UFO, lasers didn't even warm up on the surface.

Every President has been to see this spaceship.

For some reason I have had no internet since October 3rd '18, today is October 21st '18 and still there is no internet.

The technicians have been out twice and both times left scratching their brains.

Even the cell phone is giving me trouble with data usage. The research has been slowed down a good deal consequently and not just phone and internet, but dead solar batteries meaning no computer working at 3am. Additional to these is the computer dying in my car leaving me no transport to places where I could do research, like the library.

One might guess this was a Mercury retrograde period – but it is not. It is worse. Venus retrograde began sometime around October 2nd and is not due to go direct until November 14 or 16. Combined with Uranus in opposition to

Mercury (communications and travel) one might say caught between devil and the deep. Venus retrograde presents as *all those things you love*; being in a state of non co-operation. The things I love being research and working on the texts.

There are many videos in recent times all published as a form of propaganda against you the public.

A large number purporting to be either an “earth bound” off worlder of one form or another, Andromedans, Arcturan, Pleiadeian or channelling one. You KNOW what these texts say about channelling.

As always, the de_il sits in the details. One had the hide to say “your loving government”. This particular video was supposed to be providing the propulsion method of their craft, one of which was *die Glocken* – a Vrill craft.

If they think that disclosing a propulsion system now is going to help their cause they are several, almost ten, years too late. These texts have been doing so since 2009. And not just one energy system, but 21! Additional to which the ARV of the back engineered variety of anti gravity circular faster than light craft had its blueprint established May 1967.

This being over 2 years prior to the Moon Landing.*

ANYTHING derived from Venus, using the word Venus, is a full-on negative. The same for using the word Pleiades.

I have tried my best to point out to Linol Anderson that his “king Plachacha” of the Pleiadians is hoaxing him. That:

- a) the Pleiadian peoples need no king since they have telepathy and b) they turn up in Vrill craft!

One series of videos would have us believe Jimmy Carter is the original John F Kennedy despite Kennedy suffering from Addison’s disease which would make it impossible for the real Kennedy to perform pysical work which Jimmy Carter disregarding his advancing years, has actually been doing.

There are several videos about cars travelling uphill as if they had come into an anti gravity area.

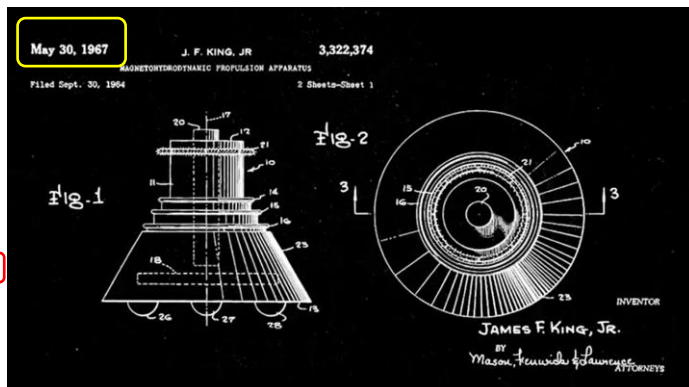

When you go for a look, find the video where grubberment are mining an area right next to one of these hills where cars flow uphill and bring to your mind the words of Bob Lazar when he stated that :

“the anti gravity element 115 is not found on earth”.

So, where then, DO they find it?

THE CUTAWAY ILLUSTRATION SHOWN HERE REPRESENTS DETAILS WITNESSED DIRECTLY BY THREE CIVILIANS AND CORROBORATED BY FOUR MILITARY OFFICIALS. A PHOTOGRAPH TAKEN IN 1967, AVAILABLE FROM RETIRED LT. COL. WENDELL STEVENS' UFO PHOTO ARCHIVES, MATCHES THE EXTERNAL DETAILS OF THIS CRAFT IN MOST RESPECTS EXCEPT IN THE SIZE OF THE CLEAR, HEMISPHERICAL COVERS FOR THE "SYNTHETIC VISION SYSTEM", WHICH APPEAR LARGER, (2-3 FEET IN DIAMETER IN THE 1967 PHOTO). A 1988 WITNESS, WHO PROVIDED THE GREATEST AMOUNT OF INFORMATION REGARDING THE INTERNAL DETAILS, STATED THAT MANY OF THE COMPONENTS USED WERE "OFF THE SHELF" ITEMS AND THAT THE CLOSED CIRCUIT CAMERAS AND THEIR CLEAR COVERS WERE "JUST LIKE THE KIND USED FOR SURVEILLANCE IN THE LAS VEGAS CASINOS". DURING A NOVEMBER 12th, 1988 NORTON AFB EXHIBIT, A FOUR-STAR GENERAL MAKING A PRESENTATION REGARDING THE A.R.V. STATED THAT THIS TYPE OF CRAFT WAS CAPABLE OF "LIGHT SPEED OR BETTER". THREE SUCH CRAFT WERE ON DISPLAY IN THE EXHIBIT, BEING 24, 60 AND 130 FEET IN DIAMETER. THE SMALLEST CRAFT WAS PARTIALLY DISASSEMBLED TO REVEAL SOME INTERNAL COMPONENTS. GENERAL PROPORTIONS OF THE THREE CRAFT WERE IDENTICAL.

DOES LUCIFER REIGN AT AGHARTI?

"Trevor Ravenscroft in the Spear of Destiny wrote that Agharti was regarded as a 'Luciferic' headquarters, concerned with astral projection and thought control. Nazi emissaries made contact with their governing orders, but only the Luciferic party of Tibetans were willing to support Nazism, along with 7 members of the Green Dragon Soc. of Japan. These were employed to teach occultism to the Nazi elite. A cone of searchlights were placed over Hitler and the masses, making emotion travel upwards to be directed to Hitler and then directed back to the crowd. This is called a 'cone of power' by witches. In the book The Lost World of Agharti - The Mystery of Vril Power by Alac Maclellan, there is a map of a huge worldwide underground tunnel that stretches from Tibet, Mongolia, Alaska, Vancouver, Mid West USA, Mexico, Equador, Brazil, the Atlantic where Atlantis was, to Ghana, Chad, Egypt, Iraq, Afghanistan and back to Tibet and called the Agharti tunnel system."

NAZI GEOMANCY

According to the book The Messianic Legacy, Heinrich Himmler spoke of geomancy 'earth magic' and leylines and fancied Wewelsburg as an occult power centre like Stonehenge. It was described as the **midpoint of the world.**

Articles in the Nazi associated research bureau were on these subjects. Runic inscriptions were on the uniform emblems - 2 jagged lightning flashes of the **storm god Thor** (or Donar/Odin/Wotan). Festivals of the Sun, of the year, of growth, of harvest and solstices were celebrated to revive ancient German paganism. They made a 20th century version of the old Sol Invictus cult. The swastika was known as the **Hammer of Thor** and to symbolize the ruler of the winds and rain. The Demonic Connection by Toyne Newton says the swastika is associated with the Celts, Buddhism and Japanese. As many as 1000 Tibetans in Nazi uniform were found as ritual suicides in Berlin, April 1945. Hitler was searching for occult power and its connection with the underground lost world of Agarti in central Asia. The left hand swastika as chosen by Hitler, was associated **with Kali of India** and the sun of the underground in its nightly course west to east. Karl Haushofer, the Nazi general believed the German people originated in central Asia and went to Japan and became initiated into a secret Buddhist society. he said it was the destiny of the German people to rule Europe and Asia, the homeland of the Aryans. He learned of a race of supermen beneath the Himalayas, Agarthi, with

its capital Shamballa. He'd read Lord Bulwer Lytton's book *Vril and the Coming Race*. (Approx. mid 19th cent) The people of Agharti had used vril power to become supermen and to control nature. Haushofer hoped to reawaken slumbering superhuman powers with vrilpower. They brought back Tibetan lamas with high occult powers.

GROUND PENETRATING RADAR FINDS THE ATLANTEAN TUNNELS.

Satellites, planes and the space shuttle can do remote sensing using radar imaging, radio waves, infrared and thermal infrared to see underground. It is believed HAARP does this too. Multispectral scanners are also used and even ice is penetrated. A tethered blimp attached to a jeep will also allow underground viewing. One can probably guess that this is a reason, the insects, frogs and birds are becoming extinct as X Rays do cause cancer. It has been used in Antarctica, Greenland, Mt. Ararat, Eastern Sahara, Egypt, Guatamala tunnels and for Mayan causeways. Microwave radar has been used to penetrate Saharan sand. It can use 500 MHz. NASA (**started by Nazi scientists**) uses this radar. Paul White wrote the declassification of ground penetrating radar has revealed a complex and labyrinthine underground system in various parts of the world. Dr. James Hurtak was involved in using this to find a 15,000 year old subterranean complex under the pyramid at Giza, a legacy of Atlantis. It's rumored **he encountered 'Thoth'** down there. There were massive chambers the size of our largest cathedrals. Paul White writes that hi-tech Flood survivors of the previous civilization arose "after the dust settled" to become the gods of ancient Sumer, Egypt and India. Tunnels under the Mayan pyramids extend 800 km across the country."

(see Peter Moon's videos *Giants Base Under Bucegi*) [Carpathia]

VRIL THE ULTIMATE POWER.

Alec Maclellan wrote that Hitler said the amazing force of Vril power, the people of Agharti used in possession would make certain his dream of a Thousand Year Reich. German scientist and soldiers were sent on one fruitless search after another in search of the lost world. What is Vril power? Bulwer Lytton wrote **it is electricity**, except that it comprehends in its manifold branches other forces of nature, such as **magnetism and galvanism**. The Aghartians **can influence the weather through Vril conductors and exercise influence over minds and bodies, animal and vege-table**. It can be used for expanding the consciousness of the mind and destroy like a flash of lightning. Again it can replenish, invigorate life, heal and preserve. The underground people used it to re-establish the due equilibrium of the natural power of the body to cure itself. It can also **cut through solid rock from a rod and be destructive against** enemies. Vril was seen as an enormous reservoir of universal power, some parts of which can be concentrated in the human body. Helena Blavatsky claimed that **Vril was used by the Atlanteans and Indians**, which may explain why in India cities were reduced to ashes by the ancients in their flying machines from ancient Indian texts.

One wonders if particle beam weapons compare, with more power than a hydrogen bomb can generate. "

Many people are beginning to parrot phrases which they purport to indicate "Lucifer is just misunderstood".

"by their actions you will know them"?

If you think those that call themselves Lucifarians while publicly letting us know they are torturing and eating babies; are just "misunderstood"... then it is you who is doing the "misunderstanding"!

Today I had a facebook person tell me that EnKi was Lucifer.

Again – I will draw your attention to **"deeds not words"**

and point out that it is well known EnKi (E'Ya) was the genetic scientist who not only made us in "our image" but also alerted Ziusudra to build a submarine vessel to save "the seeds of all living things".

EnLil/YHWH had the bibles edited to say that it was he who was credited with this loving act.

Following is how Da Vinci port-rayed these persons.

JESUS WAS A SHAPE SHIFTER

[February, 2014 - 21:22 [aprilholloway](#)

... in March last year when reports flooded the headlines about a newly deciphered Egyptian text, dating back almost 1,200 years, which controversially described Jesus as having the ability to change shape. But just as quickly as the story made its way through major news sites around the world, it disappeared and has hardly been mentioned since. Why has the study and research surrounding this text faded into oblivion? Why has there been virtually no scholarly debate on the subject?

Written in the Coptic language, the ancient text written in the name of St. Cyril of Jerusalem, a distinguished theologian who lived during the fourth century, tells part of the crucifixion story of Jesus with apocryphal plot twists, some of which have never been seen before. They have been revealed thanks to a translation carried out by Roelof Van den Broek of Utrecht University in the Netherlands, and published in the book ‘Pseudo-Cyril of Jerusalem On the Life and the Passion of Christ: A Coptic Apocryphon’.

The ancient text explains why Judas used a kiss, specifically, to betray Jesus. According to the canonical bible, the apostle Judas betrays Jesus in exchange for money by using a kiss to identify him leading to Jesus' arrest. This apocryphal tale explains that the reason Judas used a kiss, specifically, is because Jesus had the ability to change shape.

Then the Jews said to Judas: How shall we arrest him [Jesus], for he does not have a single shape but his appearance changes. Sometimes he is ruddy, sometimes he is white, sometimes he is red, sometimes he is wheat coloured, sometimes he is pallid like ascetics, sometimes he is a youth, sometimes an old man ...

This leads Judas to suggest using a kiss as a means to identify him. If Judas had given the arresters a description of Jesus he could have changed shape. By kissing Jesus Judas tells the people exactly who he is.

This understanding of Judas' kiss goes way back. According to Van den Broek, the explanation of Judas' kiss is first found in Origen, a theologian who lived 185-254 AD. In his work, *Contra Celsum*, the ancient writer, stated that "to those who saw him [Jesus] he did not appear alike to all."

Van den Broek is careful to note that he is not suggesting that Jesus was in fact shape changing but only that some people in early Christian times may have thought he was.

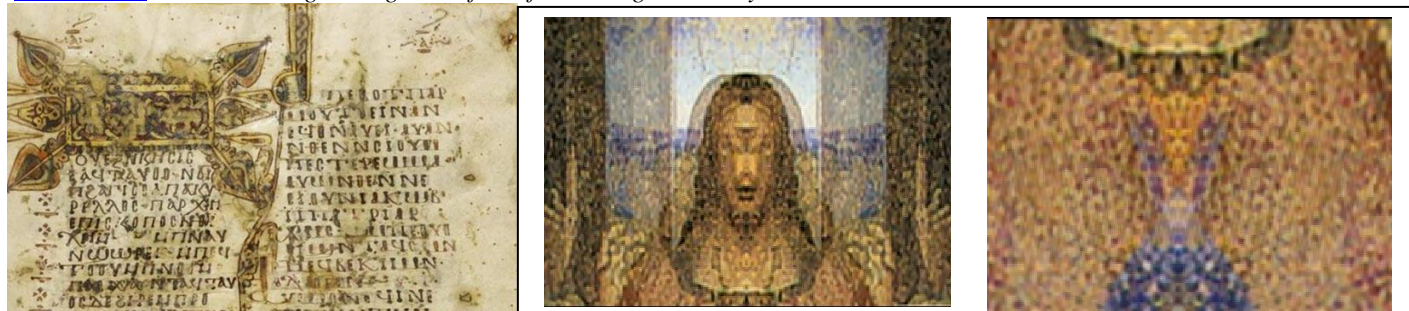

The text is one of fifty-five Coptic manuscripts that were found in 1910 by villagers digging for fertilizer at the site of the destroyed Monastery of Archangel Michael of the Desert near Al Hamuli in Egypt. Apparently, during the tenth century, monks had buried the monastery's manuscripts in a stone vat for safekeeping.

*bringing to your attention the daytime atmosphere seen thru the window, that which we no longer have.
Until the 1980s we could not see stars at night in the hazy~from~oxygen~content at the horizon area.*

The monastery ceased operations around the early 10th century, and the text was rediscovered in the spring of 1910. In December 1911, it was purchased, along with other texts, by American financier J.P. Morgan. His collections, and the text described, are now housed in the Morgan Library and Museum in New York City.

While headlines at the time of the announcement were quite sensationalist and described the text as containing Christianity-shattering information, the publishing scholar never claimed anything of the sort. It is also clear that the text is not a hoax but a genuine item published by a respected scholar by a notable academic press (E. J. Brill). So why hasn't such a fascinating text led to further research, interpretations, or discussion among scholars?

SOMEONE on fb castigated me yesterday (Oct. 29 2018) for spreading fear and hurting people's feelings regarding a false Jesus who shape shifted. I forgot to point out to this person that there are passages in the Bible doing the same thing!, and that Da Vinci thought we should know. But my basic answer was that people should know so they can be forewarned relating to the truth about Copiests who/which did not begin with the Jesus we read about and have not ended there either, but are still and continually copying people in order to mislead the folk. The reason people should know this right now is important, simply because by believing in the Jesus/savior they think they know, will incur a judgement of beheading by those who read the Koran and understand that the Jesus person in their Koran was only a prophet in the same way many men have been. These Koran readers believe that so called Christians think their Jesus is above Allah. This thought process is a death sentence – for both parties. **ALL OF THIS** is simply politics of control over demographics of population beginning with Yeshua/Immanuel overthrowing the usurer/banksters in the Temple, and ending with dividing and pre-occupying of humanity.

The same who are behind the *divide and conquer* of humanity are the same who would have us all controlled (governed) by a New World Order, a One World Order, run by the New International Version Bible. They are talking (via the actor-pope) of combining religion into one called Chrislam. Christos meaning "anointed with animal fat" ("axunge" in the Template) which is how these greys feed... and Islam with its halal tortured meat.

JUST IN CASE YOU THINK YOUR GUBBERMENT IS A FRIENDLY AND LOVING BODY OF HUMANS LOOKING OUT FOR YOUR EVERY NEED AND CONCERN:

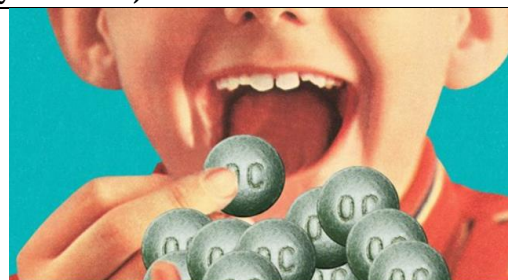

The following is a topic that should change that view (if you have it)

Most of you would have been aware of the immense influx of strangers, from down south via Mexico and refugees from everywhere else.

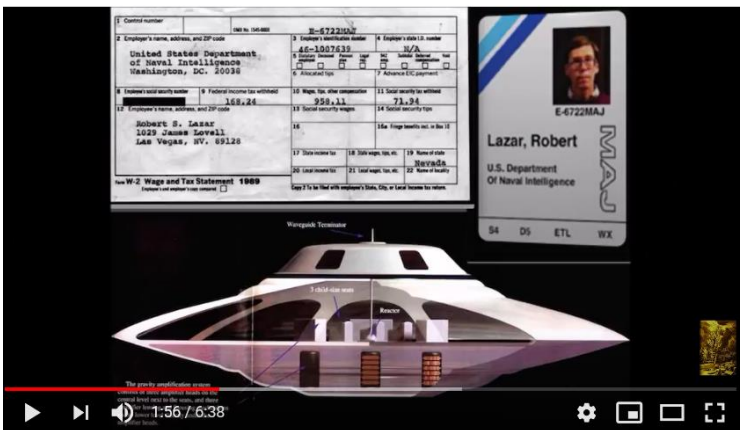

Do you know how your gubberment plans to deal with this?

They plan to chemically induce your loving friendship towards the incoming would-be beheaders!
 Things might be different if the plan included giving these chemicals to the influx of invading pretend refugees too.

Reminding you the comment you will hear more and more often from now on – as they usher in “free” energy; will be that “element 115 is not found on Earth”. ***
 Do not be fooled by this statement. It saved Bob Lazar from being murdered when he said it, and the plan is that you will still need to pay them for your “free” energy. So do study the list of 21 energies.

ORION P45 CUBE “PREDICTS THE FUTURE”
 where the “P” stands for Present time and the 45 means 45,000 years in our future.
 the earthfiles article *Interview with William* sees “William” speaking of falling into Amaru Maru and encountering a black cube which showed him events of a possible future.
 This is the Copiests form of the Cronor Visor which is the “ring” that “they do not know about” which NostraDamus said in 7 23 3 The Royal sceptre will be forced to take, that which his predecessors had pledged: the false ET treaty because they do not understand about the ring. Cronor Visor

.....in the early months of 2018 there was a quiet public mention of "element 115" – the mysterious element that Bob Lazar had spoken about when being questioned regarding his authenticity of working at Area 51 – many years ago – which he told everyone was the very power source for off world space craft.
 The propulsion for what we now know as the Negative E.T. Lazar had stated that this element "was not from Earth". Yet there is a video out now that says "scientists" ~ (you know the ones that mysteriously find technology out of thin air) ~ have just discovered a new element on the periodic table and named it element 115. While I was sitting there watching this video – the above information was flashing in my mind. The simple little word with two letters – Ha – which, due to the attempted obfuscation by the likes of Wikipedia – tells me "they" have had since the discovery of Ha/Db (another attempt at disguising & mis-representing stuff) back in 1968.

This one confuses me in the same manner that Billy Meier’s visitors became contradictory. Same for Valiant Thor, arriving with good ideas and plans; yet providing the bad. Bad for the planet and the honest folk. The craft here purportedly drawn by Tesla is a VRIL craft.
 What does that imply?
 Why provide Tesla with a craft knowing full well that he would never be allowed to utilize the knowledge?
 Having black cubes or cronor visors they would have been aware what would happen.

Using the information provided for us in the Hidden Texts, this engraved stone tells us about the Orion Group and their “haoma” “ring lord” – being just an additional detail for confusion since there is a wall relief showing Nostradamus using one of these, as well as King of kings, and Casseopea in the art titled Miracle Of the Snow.

On the left is the “Hind Leg Of The Cow” also known as The Plough, The Big Dipper and Ursa Major. This is exactly where the constellation sits in relation to Orion. On the right is either *Al Ghoul* of Perseus which sits behind Taurus, or Aldebaran, with The Pleiades erased off the relief at bottom right.

JUMP ROOM MIRACLE.

Is the Orion Man (Man.nuz) on the relief above in a coronor visor?

 Miracle
 Of The Snow.

The Golden Oblong means the ideal proportion (1.6:1) known as *phi* here refers to the distance between orbits, thus “orbiting”. Both the King of kings and Queen Casseopea are inside a Golden Ring, the Cronor Visor. The craft are coming up out of Earth. The pope hoes with the “lost hoe” (in the snow).

More recently the texts have been saying not just in Boötes, the “Lost Hoe”, but from Bufo which sits in Boötes. Bufo is the Toad – where the Wyvern (winged dragon) Pindar comes from – the winged draco that lives under the Vatican – that QEI is so afraid of. Boötes is a large constellation and part of Libra
 Since the pope is Reptilian (Pindar), he is hoeing with the “Lost Hoe”, an obsolete name for Boötes.
 LENTICULAR clouds disguise the craft of the Fallen Angles which are also the Vrill/
 The texts say that the Black Knights (there are two of them) did derive from Arcturus, and are the Watchers (Witnesses) and not as Wes Penre (of the former wingmakers.com now changed to illuminati.com) tries to make out that the SAAM are. He has been well and truly sucked in and the texts say that the Anak involved (Marduk et alia) are laughing at him.

The Golden Cubes are run by the Casseopeans, so the following vignette could be saying:
 “Golden Cube and Black Knight orbiting”

By the way; the Golden Cubes world wide seem to have aggregated together and were last seen entering our sun as one very big cube, one larger than Earth.
 Maybe the texts will let us know why they had to go

This vignette shows a similar theme
 darkness of outer space, or night time
 the two known as King Cepheus (King of kings) and
 Queen Casseopea [both seated in pictograms]
 (she always pictured wearing pink) they are orbiting
 the empire refers to Reptilians, see three fingers?
 the red means cardinal
 the seated ox is Taurus (which has no hind legs) but
 instead has the heap-pile under its tail which is the
 collection of 9 named stars of The Pleiades
 see how cowardly the ox is in seeking supplication?
 This represents the Fallen Angels under the sway of
 their reptilian masters – “eunuchized”...
and the entire image is IN REVERSE, be it shown that
way by the Vatican intentionally... or by the artist –
13 year old Cesar de Notredame. What does THAT say

Answer: Earth was upside down. The Vignettes were found in the Vatican

Although there are other people in the world who are aware of the problem with the pyramidal usury system of the economy we have all become accustomed to – such as Michael Ruppert (google Youtube Michael Ruppert), it seems it was only Michael Tellingner who is placing his foot in the political door to actually accomplish the changes which are needed to pull us safely out of the ensnarement of the so called "elite" and the Agenda 21 plans.

Perhaps far fetched if you've never been exposed to UFO research, but not at all far-fetched given much research, witness testimony and many whistleblowers have pointed to some ET crafts being cigar-shaped. It's not uncommon.

Those who feel ideas like this are 'weird and out there' are simply not seeing the facts that have been around for decades. Thankfully, research like this helps to shift that perspective amongst the public, and opens us up to truths that have been waiting to be explored en mass for a very long time.

These have been discussed in former articles, the round craft belonging to the Casseopeans, who in the Romanian church immage had left a copper plaque quoting from the original German bible Psalm 130.7 in relation to the "iniquities of Israel". Being an early medieval artwork, dating long before 1948 when Israel came into being.

Helen Parks When writing up "safer places" out of the Hidden Texts of Nostradamus - turns out those have been in quite the opposite places to where Zeta-Talk advises. Plus all the Zeta-Talk places seem to contradict each other over the years

Helen Parks For one thing NOWHERE in the Hidden Texts does it say we are going to have a pole shift. The planet will lay down by 6 to 8 degrees [more] a move of about 5,000 nautical miles - which agrees with what Isaiah said

Between these two comments was about a 30 minute gap while I collected my thoughts. Thinking to change tack away from being a critic of "ZetaTalk"; to the topic of simply diminishing their form of fear-mongering regarding shifting of Earth's poles.

There is a saying that goes something like this: "To find who it is ruling you (in a dictatorship), simply see who will censor you"...

Is face book ultimately run by the negative Zeta Reticulan *in charge of AskheNazi*? * Judging by information gained in the Betty and Barney Hill incident in 1961, seeing the SS Nazi Officer on board and being shown the Zeta star map trading routes - the answer must be "yes".

Immediately after posting this screenshot image to my fb wall - my posts received page stopped scrolling.

In case you are wondering what Isaiah said. In 24:20 *The earth shall reel to and fro like a drunkard, Equatorial wandering** and shall be re-moved like a tent; and its transgression shall be heavy upon it; and it shall fall, and not rise again. Meaning "and it shall lay down and not return to its former position".*

* Rarely will you see me refer to anyone as "Zionists" or "Jews". These are titles they hide behind. Like "Jesuits" do. The times you will see me publish these names is when *someone else* quotes them.

The mainstream media talk about gun control all the time but never like this. A new video has hit the internet, one designed to educate the masses about why more gun control is NOT the answer to curbing violence. Hopefully it isn't yanked off the internet before it has the chance to go viral!

“There Is More Terrorism and Tyranny and Threat Than Ever. We Can Not Let the Sheep Lead Us All to the Slaughter House. Protect yourself and your family,” said the gun control fact-filled video post to Facebook.

There are TWO types on this planet.
PREDATORS and PREY.

Nature gave PREY defensive tools such as sharp horns.

Take those sharp horns away and the PREDATORS will just keep pouncing.

That is the nature of the beast.

Give a potentially defenseless victim protection - such as a gun...

and the PREDATOR will rethink his attack.

SIMPLE AS THAT

Gun Violence In America Facts

1. According to the FBI, when states legalize concealed carry of firearms, violent crime immediately drops.
2. For every time one gun is used in a homicide, 79 guns are used in self defense.
3. Each year, 200,000 women use a gun to protect themselves from a rape or sexual assault.
4. Annually, a gun is legally used 2,500,000 times to prevent a crime.
5. Nearly ALL mass shootings have occurred *in a gun free zone*.
6. When Aurora, Colorado mass killer James Holmes slaughtered innocent people, he chose the only one of 8 area movie theaters showing the same film that also had a *“Gun Free Zone”* sign posted on the door.
7. There are an untold number of “assault” weapons. Each year, about almost 2,000 people in America are killed with knives or scissors, 584 are killed with clubs or hammers, 872 are killed with bare hands or feet, and more than 100 people are murdered by an attacker using either rope or wire.
