

HOW ENKI OPERATES

Lord of Earth and all Waters

Yeshua said 'from their actions you will know them'

this collection includes the finding of the year the "i,l,t,y & χ" prefix was changed to a number "1" adding 1000 years 

By the end of the first part of the **GUNS** collection frustration and partial despair were beginning to win their insidious woven way around my id. At the time the last pages were approaching: the culling of lines and images removed due to the pdf being too large, taking up too much room, knowing numerous more days were going to be needed to approach them properly; postponed, because my inner self was plain worn out ... leaving me without clear thought.

So, in this frame of lack of mind, the real comments that should have been shown, failed me.

Once more my lack of present wit had flown the coop.

I speak of the references made very briefly and printed without full explanation, that relate to this article:

MESSENGERS OF "CREATOR ENKI" article at endnotes

The reason for my knee-jerk reaction, *one of anger and frustration at the contradictions of those who were confronted by the visitors:*

"First, they looked exactly like the Sumerians describe the Anunnaki"

Devil's Advocate Detail: and see the pdf forum 29 NORDICS

What does "looks" have anything to do with the true perception?

No one ever questions "would he/they have by any chance been other than they "appeared to be?" Just because of what they looked like? Keep in mind what the Anunnaki really are. They are from the invaded Pleiades star systems of Atlas and Alcyone

"Second, the Nordics arrived rather fast, almost out of nowhere".

Devil's Advocate Detail: this is done using space-time. Beamed down.

*I admit, the "goodies" have been forced to manipulate space-time when visiting contacts (examples are Jim Sparks and myself) in order to avoid detection by the "baddies" of the Western Hemisphere – yet the **craft** was described in the article.*

Jim never saw any craft and I saw no craft at the moment/s of pick up. The same applied to Nostradamus on the numerous occasions he was picked up - other than the ufo flap of Feb. 1st i554 which had lasted for so long, over an hour - He described to us his method of visits in many of the quatrain and hidden quatrain lines, for instance:

in 4 45 4 All dissolved, ^[Nostradamus] one ^[??] will be witness here. 1 29 Materialising in alienating docking bell † [continues](#)

"Their meeting was not scheduled: it was abrupt."

Devil's Advocate Detail:

"was attended by a "Wise Men" group of four members of civil society, that is, those who were not politicians".

If the meeting "was abrupt and not scheduled", how come the representative 'wise men' were in attendance?"

"What this clearly demonstrates is that they came not from deep in outer space, like the Grays did, but from within the Solar System." (February 20th 1954)

Devil's Advocate Detail: Huh?

What a presumption! Those from LyRa can "get to Earth in 20 Earth minutes" – from LyRa. This is what I was told.

The Extra Dimensional (outside space-time) Andromeda Council can do the same. Jumping, they call it.

Refer to early Alex Collier videos.

" We know that the Anunnaki are present on the Moon, Mars, Jupiter's moon Ganymede, and Saturn's moon Titan."

Devil's Advocate Detail: WHO do they think Valiant Thor, from **Venus**, is? See in this forum that he c+f+LEAVES 5 26 3

The article may have been written prior to Valiant Thor's visits from Venus. Yet they were aware of inhabited solar system planets in 1954. Including the moon? What did they think was going to happen in the July 1967 landing?

Did no one relate this occasion at Muroc Airfield, along with Dwight Eisenhower, (1953 – 1961 tenure) and later correlate the visits by Valiant Thor in March 1957, as being the same source visitors. Simply because one looked more human?

Answer: because of the manner of arrival. Valiant Thor arrived by various types of Vril craft – with no danger to themselves of being shot down. Naturally the one thought that should have entered someone's head never did.

*The Question of shape shifting and one lot of visitors *being the same* as the other. Good Cop – Bad Cop.*

At first Valiant Thor offered all the better things, such as the food we should eat in order to live longer.

" They could have scrambled from one of these locations at Enki's electromagnetically relayed signal and with their superluminal spacecraft would have been on Earth in no time."

Devil's Advocate Detail:

"superluminal spacecraft" ? how did they know this as a fact, arriving "out of nowhere"?

This description does fit those in the GoldenCubes as their scout craft. The only problem we have learned about that – is that it is these very craft which are being shot down by the Negatives of the Industrial Military Complex already underneath. These 'Nordics' actually come from under Antarctica and are the Aryan of Hitler. Their craft were not molested on arrival BECAUSE they are with the Negatives; which have been successful from 1864 bringing down craft.

"The Nordics were certainly messengers of Enki because they came in peace and were pro-mankind."

Devil's Advocate Detail: As did Valiant Thor. (Commander, lord of airways, frequencies, storms, & sacrificial smoke) – who was actually EnLil. *While writing this, I received an email from a person whose name appeared spontaneously in these texts saying to research NIMROD, that Valiant Thor is the same as Nimrod! Meaning as Moloch, verifying sacrifice as HIS, EnLil's purvue. This paradigm on its own tells us Those of YHWH/EnLil are the destroyers of life on our planet! Appearing to be pro-mankind – offering to share "safe" nuclear power, and showing WHERE the plants can be placed. By happenstance – all on tectonic fault lines. Since EnKi is "lord of Earth & Waters" this was a direct snub of tectonic warfare in the making. It is via frequencies that the Fukushima earthquake was conspired: one of the charges laid by Q Not forgetting the huge tsunami (of water) thereby using EnKi's own tools against him in their duel. EnKi can play this game too, in the YELLOUUSTONE collection, there was advice that a strange easterly wind would be blowing during the eruption of Yellowstone, (FIRE/Moloch) sending much of the danger out to seaward.^{C+F+ 7 21 2 and 2 35 2} (FIRE/Moloch) Fire at an Extinction Level Event has been used before – think Toba ca70,000 years ago*

Yet there are other deeper reasons for knowing none of these were really visitors related to EnKi.

Devil's Advocate Detail:

EnKi was aware of the 1933 and earlier off world "treaties" – exchanging technology for men, or rather, DNA from 'men' and we (you and I) would have a fair idea of what EnKi would really have said and offered, (being the Geneticist who designed us as we are today), as a result of this knowledge, had it really been him or his emissaries.

EnKi –E'Yah/Ra is part & parcel of the Hidden Texts giving us many alerts, hints & warnings. The very first pointer was the same directive Jesus provided: "you will know Them by Their actions" ... *Facta non verba. The deeds, not the words.*

Another of the hints was in the forum **FIX THE CALENDARS** where it was actually a reminder of the position EnKi holds in all of this duel for Earth. He, being "lord of Waters" is also "lord of maritime law, the marines,^{C+F+10 67 3} and the Navy".

The unexpected line telling us that the Navy would do something about the calendars (or the reason for the alterations) sits in the last words of that line 1 68 2 (something YHWH is not interested in) **NAVY ORDERS ENQUIRY:**

the question mark/s are placed following the 'one' ... "will be witness".

Yes, I was witness to several visits via the Ring including two full body conduits – all up a total of nine so far.

But so was Da Vinci! He who clearly states;

"he just appeared in the artist's studio, my mentor, wearing his stockings, so I painted him in..."

In this visit, which was a full body 'landing' – something that was not a good idea for one travelling from the sixth century (the 500s) to our day so full of chemicals and dangerous atmosphere: – Nostradamus seems to have stayed there long enough to be painted into the Last Supper. In the day of Da Vinci during painting the Euchariste, around the latter half of i480s it would have been perfectly safe for a 36 year old Nostradamus in i539 to have landed back in, say, i486 or so. Both periods within ca 53 years, being in the same mini ice age.

In the light of the next hidden texts line, this may have been one of the four trips named...

One of the flying trips for certain was to the Twin Towers event. So, when he says "flew four times" I think he means flying inside a craft and not one of the time gate conduits – albeit, the craft would have used space-time.

AT THE TIME I WROTE THIS THE ENTIRE NINE VISITS HAD NOT ALL HAPPENED

Right. Yes, it was four times Nostradamus arrived - twice in full body and twice via cronus visor. "This obligation, to teach all the peoples of the earth about the Laws of Noah, is incumbent upon every individual in every era" -- (Mishnah Torah, Law of Kings 8:10).

"Seven commandments were the sons of Noah commanded:

- (1) concerning adjudication,**
- (2) and concerning idolatry,**
- (3) and concerning blasphemy,**
- (4) and concerning sexual immorality,**
- (5) and concerning bloodshed,**
- (6) and concerning robbery,**
- (7) and concerning a limb torn from a living animal"...**

-- (Talmud Sanh.56a).

So - how is this attitude different from the Muslim? "To 'teach' ALL the peoples of the earth ... including "goyim"?"

" For this purpose, this Public Law designated March 26, 1991 as Education Day, U.S.A.

but this is not quite true – this date was only for the date of *recognition of the holiday for Noahide Laws/*

"God spoke to Noah, and to his sons with him, saying, 'As for me, behold, I establish my covenant with you, and with your offspring after you The rainbow will be in the cloud. I will look at it, that I may remember the everlasting covenant between God and every living creature of all flesh that is on the earth.'" -- (Genesis 9:8-9, 16)

"Therefore my judgment is that we don't trouble those from among the Gentiles who turn to God For it seemed good to the Holy Spirit, and to us, to lay no greater burden on you than these necessary things: **that you abstain from things sacrificed to idols, from blood, from things strangled, and from sexual immorality, from which if you keep yourselves, it will be well with you. Farewell!** (this was EnKi speaking) -- (Acts 15:19, 28-29).

Just absorb those last words and cast your mind back to Bohemian Grove, the Owl and the ritual blood slaughter,

DO YOU RECALL WHICH GOD IT WAS that "spoke to Noah"? Certainly not EnLil/YHWH whom E'Ya was forced to deceive by sending a "dream" to Noah to build the Ark and save Noah and his family, and "the seed of all living things" who were "pure in their generation". It would be interesting to see the original words here – if the word *generation* is singular or plural. If it was *singular* it means *pure in their making*, but if *plural* refers to *having never bred outside their own bloodline*. This when referred to "seed" means never having been altered in purity as in *not genetically manipulated/* If referring to one's "house" (family bloodlines) means never having bred to outside DNA. The one person/god that this detail would be of interest is E'Ya/EnKi. For EnLil – all humans were "Lulu". So, here you can see how it was never YHWH the Ruach, Chief Pilot, EnLil who gave the 10 Commandments to Moses! EnLil simply *did and does not* care enough to provide a Covenant of Heavenly Guidance to humanity on Earth. Thus, when the bible says it was Jehovah/YHWH that handed the tablets of Ten Commandments to Moses, we know this was *an edited lie*, done by the Nicene Council when they edited the entire books of the bible in 325AD. Further backed up by the tiny detail that the base number for EnLil is 12 and for EnKi is 10.

There are many who state the importance of "pure blood" to the reptilians. As David Icke said (and I have seen it elsewhere as well) that the word "Messiah" is a *reptilian* word. Here is an excerpt from:

Apologists, both Jewish and Christian, claim that the Holy Spirit inspired men to write down God's words

The Holy Spirit cannot contradict itself if it is real, for God does not contradict himself. (Itself)

The problem? The Holy Spirit contradicts itself in numerous passages in both the Old and New Testaments.

The Holy Spirit inspired Moses to write that:

" no Moabite shall ever enter into God's Assembly, not even to the 10th generation. "

That is to say this ban is forever, for all time. This prohibition also applies to anyone of mixed Moabite descent, that is to say of Israelite or Jewish and Moabite blood as is quite clear from the Holy Spirit speaking through Ezra and Nehemiah in the books of Ezra and Nehemiah.

The Holy Spirit has CONTRADICTED ITSELF in proclaiming that David and Jesus Christ are God's anointed Messiahs because both of these individuals claim descent from Ruth the **Moabite** who married Boaz of Judah.
Nehemiah 13:1-3 Revised Standard Version (RSV)

"On that day they read from the book of Moses in the hearing of the people; and in it was found written that **NO AMMONITE OR _MOABITE_ SHOULD _EVER_ ENTER THE ASSEMBLY OF GOD**; for they did not meet the children of Israel ^(Jacob) with bread and water, but hired Balaam against them to curse them - yet 'God' turned the curse into a blessing.

WHEN THE PEOPLE HEARD THE LAW, **_THEY SEPARATED FROM ISRAEL _ALL_ THOSE OF FOREIGN DESCENT.**" Nehemiah 13:1-3 is apparently getting its notion that Ammon and Moab hired Balaam from Deuteronomy 23:3 allegedly written by Moses: Deuteronomy 23:3

"No Ammonite or Moabite shall enter the assembly of the Lord, even to the tenth generation none belonging to them shall enter the assembly of the Lord **for ever**, because they did not meet you with bread and with water on the way, when you came forth from Egypt, and because they hired against you Balaam the son of Beor from Pethor of Mesopotamia, to curse you."

Technically speaking Deuteronomy 23:3 and Nehemiah 13:1-3 are wrong Ammon did not hire Balaam to curse Israel, it was **the elders of Moab and THE ELDERS OF _MIDIAN_** who carried money with them to induce him to curse Israel/house of Jacob. Apparently the author of Deuteronomy 23:3 "forgot" that in Numbers 22:7 it was Midian and not Ammon who with Moab, hired Balaam to curse Israel.

How can the Holy Spirit be "real" if it allowed Moses to _err_ and write in Deuteronomy 23:3 that it was Ammon instead of Midian who with Moab hired Balaam to curse Israel?

The Holy Spirit is not supposed to contradict itself and make mistakes yet it did here...

Ezra 10:1-44 reveals that Israel (the returning exiles from the Babylonian Captivity) have sinned and married foreign women (some of whom are Ammonites and Moabites), they agree to put away or send away their foreign wives and their mixed blood children. In other words "half breeds" or mixed blood children (**Jewish-Ammonite blood or Jewish-Moabite blood**) are an abomination to Jesus

(in the Old Testament in his role as the Logos or Word, cf. John 1:1-18).

Ezra the priest...said to them,

"You have trespassed and married foreign women, and so increased the guilt of Israel. Now then make confession to the Lord the God of your fathers, and do his will; separate yourselves from the peoples of the land and from the foreign wives." Then all the assembly answered with a loud voice, "It is so; we must do as you have said..."

All these had married foreign women, **AND THEY PUT THEM AWAY WITH THEIR CHILDREN."**

(Herbert G. May & Bruce M. Metzger. Editors. *The New Oxford Annotated Bible With Apocrypha*.)

The problem?

If, in Ezra's days, the 5th century BC, **NO ONE OF MIXED JEWISH AND MOABITE DESCENT IS TO BE ADMITTED IN TO THE ASSEMBLY OF GOD**, then how can Christ be the Messiah?

Christ's genealogy is traced back to King David, who was himself **OF MIXED JEWISH AND MOABITE DESCENT**.

That is to say **both David and Christ ARE ACCURSED BY GOD** because of their Moabite ancestry via Ruth the Moabite who married Boaz, cf. Ruth 4:13-22 and 1 Chronicles 2:1-15 enumerating King David's descent from Ruth the Moabite. In David's case, he is a "3rd generation Moabite" **in descent, he should NEVER had been allowed to be Israel's king or Messiah.**

Ruth 4:13-22 RSV 1 Chronicles 2:12-15 RSV Matthew 1:5-6 RSV

Clearly the Holy Spirit is very muddled in declaring no one of Moabite descent is EVER to enter the Holy Assembly of God

much less be God's Messiah according to Nehemiah 13:1-3, and yet both David and Jesus are of Moabite descent. The Holy Spirit has quite clearly **CONTRADICTED ITSELF** in allowing men of Moabite descent to be God's Messiah or "Anointed" and members of God's Holy Assembly.

Nehemiah, inspired by the Holy Spirit, is quite adamant about the marriage of foreign women, **including Moabites**, being a "treacherous sin" against God: Nehemiah 13:23-27 RSV

" Shall we do all this great evil and act treacherously against our God by marrying foreign women?"

1 Samuel 16:1,12-13 RSV

"The Lord said to Samuel...I will send you to Jesse the Bethlehemite, for I have provided for myself a king among his sons..."

And the Lord said, "Arise, anoint him, for this is he." Then Samuel took the horn of oil, and anointed him... and the Spirit of the Lord came mightily upon David from that day forward."

So, 'god' CONTRADICTED HIMSELF, he swore no Moabite should ever enter the Holy Assembly (De 23:3) and God or his Holy Spirit inspired Ezra and Nehemiah to repudiate and **CURSE** those of mixed Moabite and Jewish blood (Ne 13:23-27). **A house divided against itself cannot stand.**

We have seen quite recently, actually, here, in this pdf collection in 3 37 3 the description of the Quantum "G-D" that even the Anakim are wary of. The One which they refer to is in charge of their destinies and their fate. The Hidden Text line which fully describes the Omnipotent "G-d" and it is not a living walking extra terrestrial, it is: **SALIENT-URANITE-SENTIENT-QUANTUM-OMNIPRESENT-SAPIENCE - is the ONE GREAT GOD** see *Can CONSCIOUS CONCIUSNESS SURVIVE*

The debate defining "destinies" (the "weaving") and "fate" (the "result") rests in the word "fatal". At death.

"Great god who decrees the Fates, let Ur and its people *be spared*, your praises *to continue!*" Nannar appealed. Nannar here is praying to the "Great G-d", the Ominpresent, asking for the *end result* of "sparing the people", CONSEQUENTLY "Fates" is plural – one for each person. It would be pointless asking the great G_D to spare their destinies, since they are the journey towards each fate. Yes, the final destination is your fate.

- **TO QUESTION VACCINE EFFICIENCY: CENSORED EVERYWHERE – IF THERE WAS NOTHING WRONG WITH THE VACCINE INFORMATION AGENDA – IT WOULD NOT NEED CENSORING!**
it has become necessary to disguise the cue words such as "vaccine" and "immunity" etc so that the censorial search engines have trouble finding them – a precursor to removing the entire article in which they are named, Some examples of disguising words from search bots are here in this article, altered by the collator. This is the reason I write "grubberment" or "govern ment".

" A bombshell video snippet from **Del Bigtree** dares to ask the all-important question:

Why have the number of vaccines given to children skyrocketed over the last three decades?

The answer may shock you. In 1986, Congress passed a law granting legal immunity to vaccine manufacturers, but **only for vaccines on the childhood immunization schedule.**

Since then, v.a.c.c.i.n.e. makers have worked to push as many as possible onto that schedule for the sole purpose of enjoying **legal immunity from lawsuits for faulty products** and **vaccine damage.**

Thus, children have become a "dumping ground" for faulty vaccines that are manufactured with near-zero quality control measures because forcing those vaccines onto the childhood immunization schedule grants

Big Pharma corporations **legal immunity** from **lawsuits.**

The skyrocketing number of vaccines now given to children, in other words, has **nothing to do with science or medicine. It has everything to do with maximizing profits** and shielding vaccine manufacturers from lawsuits for all the millions of children their products continue to maim and kill.

Del Bigtree explains more in this Brighteon video that has **been banned** across all the tech giants and social media sites:

- o VINCI Da Vinci REPORTING NICAEAN COUNCIL RIVER/Erid.anus ANCIENTS PROVEN NOT ARCHANGELIC. This is telling us (and not for the first time) that the Anakim who infiltrated/ran the Nicean/Nicene Council to edit the bible in 325CE to suit their needs are not the angels one would imagine. Followed by the reason: ORGAN PERVERSION can be taken two ways, they have problems with their vertical duodenum and they need to harvest organs. This is the purpose for cattle and other mammal mutilations. We can guess what they need from the actual harvesting event because they do it while the "donor" is well and truly still alive, this way they harvest their adrenochrome too.
- o **HORRIFIC PRENATAL RAPTURE OF VIRGINAL** a bit more of the above excepting the detail of "virginal" meaning uncorrupted by chemicals, gmo, etc. Pre multiple vaccinations too. One wonders how the attempts by "doctors" to ensure the pregnant mother has her "flu shot" would affect the foetus – and if that means it is no longer "virginal"?
- o **THORN** is both the date of Libra and refers by runic Thurisaz to Bufo in Boötes here, from where the winged Drago under the Vatican originated, **ARCHON** is what it is **APPLE/Yule this could be Yule of PIG – 2019**
- o ERUPTION INTERFERING ARCHAIC AREA can only mean the Adriatic Serbian Basin. ARCHAIC usually means ancient Greece
- o **COPPER = also means in Libra – Sept 22 – Oct 21 which matches all the other root cellar date warnings**
- o **ELEVENTH TENTH October 11th. We have seen this date too**
- o **CROP CIRCLES INNOVATOR ALERTS CONSTRAINING** this refers to the Elder holding not just one round disc with binary but a scroll also with a message. No one has come forward saying they had interpreted either of these warnings because they were all too busy being shown the other crop square message that arrived the same day – from the Orion opposition! Here it is hinting at not allowing the false flag invasion to happen. ^{C+F+UURINKLED, INNOVATOR a qualifier for the Elders!}
- o VALIANT THOR who many have tried to debunk without success. Arrived March 1957 (to public eyes anyway) and it seems – has decided to leave sometime around now having been resided in the Pentagon. The interesting detail relating to him are the words CORRUPTING TRAP AS IN REINCARNATION. Now this is interesting! No doubt you have heard about the memes doing the rounds that reincarnation is a trap. Edgar Cayce never said so. (Laughing to self :- although looking at Wilcock and his assertions he is a reincarnation of Cayce in my eyes is one giant leap backwards, at least in the end consequence. Wilcock may have once been on a path to higher thinking. These days, as Linda Moulton-Howe stated, the first half of an interview she was trying to produce from him, he was interested only in her payment to him and how much it would be. Type in LINDA MOULTON-HOWE EXPOSES DAVID WILCOCK-video), yet, if one goes to the pdf forum **LETTER #32 & REINCARNATION** it almost fully describes this topic as the Buddhists do. :followed by **PROCRASTINATION** of the false alien invasion – why has he been putting that off? What are they waiting for?
- o **AGAINST PROPER NATURE'S RAT.**²⁰²⁰ against the Living Library plans for 2020, where "PROP" means "natural".

- o **VAST ASTRA CHANGES, those spoken of in WHAT ARE THE CHANCES? Includes the IRON PLANET URIAH**
- o **ALTERS APPLICANT TREATIES CONCEPT: depending on who is the "applicant". It was the false extra terrestrials that went to FDR. FALSE because they came from under Antarctica, and that two of them were shapeshifters. The entire idea was to have the humans agree to deals allowing the negatives to have their way with human and animal DNA – which the humans have never been able to police anyway! The carrot on the stick was technology and one wonders why an intelligence would even bother to approach a lower life form (humans) and offer technology for a product they had no need to "trade" for when they had already been simply just taking at their leisure. So, leading to such questions as "why did they need to approach FDR?" Was it really all about Artificial Intelligence? Was it because EnKi (lord of Earth & Waters) was totally against the deals and in HIS case, thoroughly able to police those things? see Can CONSCIOUS CONCIIOUSNESS SURVIVE?**

MANIC CLOUD [Project] COULDN'T SQUARE SONIC SINE (not without the satellites)

- FAIR SQUARE I love the way 'They' qualify a noun. There are two from Pegasus the Square (also known as the Field) which affect Earth: those from Scheat in the Leg (the little bluish grey in the Elohim Alliances) and those from Markab in the Shoulder. FAIR Square thus means the good ones. Others who have an alternate in real life [clone] are qualified thus; such as Adore Libran Putin, Utopian Tellingier, Lame Ventura, Londoner Icke and so on. Consistently so.
- TRANQUIL SIRIAN defining the country of Syria opposed to the constellation of Sirius. Also telling us that this Syria is not the demon the Americans would have us believe, unlike those others from Sirius.
- Nemesis/Nibiru has been squatted behind our sun MADE METEOR and yes, the Nemesis system is expected to 'make meteors'
- SQUARE SINE if I did not live with stand-alone solar power, I would not have understood this. Sine waves need 'smoothing'

MOST IMPORTANT is the detail of the lack of full beard for EnKi. “nearly beardless”: **Rex Bear take note, when you plan your playing card images.** See also all the portals. Seven including the window. You will hear many hoaxers or just *plain lepers* saying they had ‘met Enki and survived’ accusing him of being Lucifer or Satan, and describing him with a full beard ‘just like the Sumerian stone glyphs’.

They may well have had a visit from a 'bearded one' saying he is EnKi.

Who has the most vested interest in pretending to be EnKi? The same who did so when handing the Ten Commandments to Moses – YHWH, editing the detail and taking credit.

As you may have noticed the d-vil is always in the detail. <https://youtu.be/kdbJA5tkvs8>

The link here is for a video by Rex Bear interviewing Joshua Louis who has perfected Voice Phenomenom recording. I take my hat off to Rex Bear for his intelligent questions when they asked to contact lord EnKi, and for the answers they received.

At first, knowing EnKi is now a Ra,^{Rae} I was expecting them to discover great difficulty in making contact. Of course it should have been apparent to me that that is exactly what the RA MATERIAL is all about! Contact and Answers. Rex asked "are you interested in peace" and the answer was quite clear "ohhh yeah!" with Joshua correcting the 'yeah' to a 'yes'. Sounded like Yeah to me You decide for yourself. This was about half way thru the video.

endnote MESSENGERS OF "CREATOR ENKI"

"The titbits we have about the **Muroc Airfield** meeting do not expressly state that the **Nordic Aliens** were Anunnaki probably because this was obvious. See the pdf forum 29 NORDICS

But it is clear they were Anunnaki and were emissaries of Enki. * See the pdf THE 29 NORDICS, C+F+ENVOY

There are several pointers in this direction.

First, they looked exactly like the Sumerians describe the Anunnaki in thousands of cuneiform clay tablets. In any case, the Anunnaki belong to an extraterrestrial race classified as Nordics – towering, albino-white, blue-eyed, blonde-or white-haired in the main (some Anunnaki are red-haired and green-eyed.) *This is how Da Vinci painted Enki*

Second, the Nordics arrived rather fast, almost out of nowhere.

Their meeting was not scheduled: it was abrupt. What this **clearly demonstrates is that they came not from deep** in outer space, like the Grays did, but from within the Solar System.

We know that the Anunnaki **are present on the Moon, Mars, Jupiter's moon Ganymede, and Saturn's moon Titan.**

They could have scrambled from one of these locations at Enki's electromagnetically **relayed signal and with their superluminal** spacecraft would have been on Earth in no time. *They actually come from under Antarctica and are the Aryan of Hitler.*

The Nordics were certainly messengers of Enki **because they came in peace and were pro-mankind.**

* **"and were emissaries of Enki."** Did anyone even ask? Even so, they would have received a lie for an answer.

It is obvious to readers of these works that they were most certainly NOT emissaries of Enki. How easily we are deceived! Why would Enki go to an airfield base in the same area that Valiant Thor was already targeting with his sweet words?? Even though Valiant Thor arrived 3 years later – these peoples DO have cronor visors!

When the Anunnaki were directly ruling earth 4000 years ago, they were in two factions. One faction was led by Enlil, the Bible's Jehovah/Yahweh, and his clan, and the other was led by Enki and his clan. Enlil treated mankind as serfs or slaves and even wanted us to disappear from the face of the Earth. On the other hand, Enki, who created us, tried his best to elevate us to his equals and to do things that served mankind's best interests. Needless to say, the Anunnaki team that met with **Ike** must have come from Enki. Area 51 and President Eisenhower: http://www.youtube.com/watch?v=kZk_Sa3AO2E

On another topic altogether – where grubberment insists certain archaeology finds are a hoax so they can take over and introduce fracking :-

If you think I am overly protective of the Bambara Hieroglyphs at Kariong N.S.W., it is because there is proof they are real. Proving their veracity has far reaching consequences.

The very same consequences of realizing that Orion's Belt is NOT the design of Giza. Bennu Bird is.

All these details show there WAS an Earth flip after the Great Flood caused by Nemesis in Leo Rising. The texts say in Gemini – ca 5,400 BC, so imagine then, where was Antarctica before 5,400BC? You will hear “historians” speak of many Earth events as “around 7,000 yrs ago”. With our REAL year being 1343 right now, we can deduct a few centuries from that 7.000 years.

For instance: dating of Crater Lake (a volcanic Caldera), the tremendous rains in Peru – now the driest place on Earth, and so on. Not a coincidence that ca 7,000 years/orbits equals two passages of the Nemesis system – which is what the diagonal pheon cross means. Additionally, making Antarctica ice-free NOT “millions of years ago”.

Above, 5th Dynasty tomb relief with a desert hunting scene. BSAe 1092.

The 5th dynasty stele named “The Hunting Scene” in the British museum. You can see the aerial refueller doing its job. This refueller contained gas according to Edgar Cayce, and was made from elephant skin. In a red square on the right the same appears, in China.

Drawing your attention to the lower yellow box, a glyph that looks like a boomerang gone wrong. This symbol in Egyptian means “stranger” or as we would call it, “alien”. This appears in one of the Vignettes (pg 60 of the manuscript) along with a pheon cross (Pheonicians?) and the white hedjet crown of upper (southern) Egypt. Thus dating it prior to the junction of both the Lower Egypt red deshret (northern) and the white crowns. Ever wondered why the terms “upper” (current south) and “lower” (current northern) applied? The excuse from historians being: “lower” was the Delta, and “upper” was the mountain region.

The large blue square surrounds a frequency wave – a very broad band. When “experts” say that the huge statue of the two giant pharaohs in CHINA is a “theme park hoax”. Just direct them to the “small print”. Especially the 5th dynasty refueller.

Circled in red is the aerial re-fueller which you can see in the following illustration is upside down doing its task. Circled in green on the left above is a Tesla coil. Within the yellow circle is a chick, facing to the right – everything is facing to the right which seems to be opposite to the norm. Some say it means to be read from the right, others say it means there are secrets within.

The chick in the alphabet represents the "W" and the "U" sound. The "U" has always meant "Uranite" or "Urania" of the heavens, and the "W" in the heavens has been the constellation of Lyra/Vega. The Wasp is explained later.

here is a clear image caught before the obfuscation of the Chick by Hawass

Is there anyone out there who can read the words written as they are and dating to *around* 2,550 BC. Emphasising 'around'. The early 5th dynasty of Snefru/Marduk. Say these hidden texts. A thought just came to me. IF we are really in 1343 A.D. that would make the previous passing over of the Nemesis system at *around* 2,317 BC.

Considering that the Exodus happened during the Nemesis Passover of the theoretical date of 2317 BC (give or take a century or so, because 3660 years is the mean-average orbit for the Nemesis system) then the Thera-Santorini event was much earlier than "experts" have said. It was Thera that sent Hyksos (Hebrew?) herds into Egypt.

The Chick represents the heavenly "gods" sitting on an upside down Casseopea also known as the Graal, the Cup in alkhemye. Now – why would the Cup be upside down? There are two reasons that come to mind. First that the cup/graal is empty – meaning a techno society. Second that the planet is upside down. This is backed up by the "Goose Returning" which we know as Cygnus, currently in the north. Returning from where? The other hemisphere.

OK – here Nostradamus ties in both dates, themes, and who is involved.

The "stranger danger" boomerang sigil. Means "E.T." in this case, those "more from the lithosphere", underground. The pheon (equal sided) cross of the biblical Anakim and the white hedjet crown of "upper" Egypt. The word "upper" (the mountains) cannot be right, because *pharaonic* Egypt began in Memphis/Cairo. The word Cairo means Mars. Cairo would be "lower" Egypt if we follow the "experts". The question really is, why did the Docteur exclude the deshret red crown, when most "experts" say the red crown was the earlier? We have seen a red crowned pharaoh in Guatamala suggesting they too, had great travel experiences.

Under "what, who and when" the top line of images: is a reference to ormus and the Lily of a stargate. Followed by a Vulture which is what LyRa was once called. In the times of Nostradamus, LyRa was also the Testudine-tortoise. Holding the branch of the Olive tree – three branches. I wonder if this relates to the "third peoples from antechrist" inclusive? Behind Vulture is Columbine the Dove – looks like she is having trouble finding food.

Is there anyone out there who can read the words written as they are on the door lintel - and dating to *around* 2,550 BC. Emphasising 'around'. The early 5th dynasty of Snefru/Marduk. Say these hidden texts. Historians have him as early 4th. I did watch short video which purported to be quoting a translation – one which did not ring true to me. Will try to find it

Here is why I throw my own spanner into "the workings".

These texts have stated that Marduk was Snefru – father of the builder of the Giza causeways. Late 4th dynasty early 5th dynasty depending on which expert you are studyiung.

Marduk was supposed to have ushered in the "Age of Aries", being ca 1440 years in length. Pisces follows Aries (precessionally) therefore

IF we call Pisces the Age of the Fish that represents the papal Jesus – then common-sense says Marduk reigned from around 1440 BC.

BUT

IF we are really in 1343@2019 – at which point we can see the Nemesis solar system literally on our horizon - then the previous passing over of Nemesis must have been around 2300BC...

(and THAT is if Sitchin was telling the truth about its lengthy orbit)

IF Marduk was Snefru – late 4th dynasty-early 5th – then either the Causeways were constructed sometime in the cusp of the 1440s BC - which would be nearly nine hundred years after the previous Passing over of the Nemesis system in the 2300s – this is important because of the Earth changes involved, such as Lake Moeris drying up, and the Nile moving away from Giza. The very reason for building the causeways by a son of Snefru:

OR

These texts are wrong. YET:

there IS the matter of CONCURRENT ruling pharaohs which no one wants to take on. Instead of lining pharaohs up one after the other – thus lengthening the age periods – have them aligned ruling in some cases – at or during the same time periods. This would telescope the length of dynasties measurably.

HOWEVER –

As the Docteur states: the only method of obtaining true dates is by using the fixed stars.

So, I guess, that would exclude Nemesis, since although it is a star, it is not fixed.

As always – it harks back to *we will know them by their actions:*

Nostradamus was abducted by those from Cassiopeia, which includes the Elo'im [Alliances].

These are *not* the Anakim, which is now at least five separate factions we are warned about (say these texts).

Yet currently En.ki aka E.Yah-ra *is an Elo'im...*

Here is my quandary.

Twelve Centuries in which the majority of the hidden information (60%) relates to these Other World people.

Twelve being a reptilian based number, the problem for me became "is the entire body of works *dis-information*"?

Am I being used to spread *false* words?

The only place one can find comfort is within these HIDDEN texts. They have stated that En.ki is now a Ra .

Things and People do change, albeit we have been told En.ki/E.Yah is the "Loving Lord" when once upon a time he was Poseiden the rapist...

Does this mean En.ki has defected away from his family group?

Yes. His family do not understand the properties of Love.

We have also been told that much information is delivered to us via *colour*.

We have lost this ability, but it is obvious En.ki is *green*, not red.

ENDUBSAR WROTE

Endubsar wrote on behalf of Ea/E.Yah En.ki:

"And in the end there will be a New Earth and a New Heaven, and for prophets there will be no more need".

Why would there be a need for prophecy in the first place?

The so-called prophecies in REVELATION often appear to me as a doctrine of screaming "let *it be* fulfilled" – despite changing time lines. John seems to me to be a "prophet" of disinformation, beginning with the word "antichrist". It was John after all – who turned the crucified version of Jesus into a martyr in John 3:16 "For God so loved the world that he gave his only begotten son..."

Yet there have been at least sixteen previous versions of this tale throughout history. Were there sixteen, or seventeen, "only begotten sons"?

Do you know why I ask these questions?

Because 3 37 3 tells us WHO the One and Only G_D is! And there is simply NO ONE who can interpret IT. All the other "would-be-gods" such as Allah etc, are not even *gods* in G_d's world! They are, like all other living creatures; *a product* of the Quantum Sapiency over which they have no control at all.

What is prophecy actually for?

Answer:

It is for a warning, Guidance to be prepared

Who would want to warn us to be prepared?

Enlil? Marduk? Ninurta? Allah-Lu?

Or E'Ya – EnKi? He who 'Fathered' the 22nd version called *homo sapiens sapiens*.

Who PROVIDED these prophecies? Along with Chani the Younger Elder.

Who WARNED Noah?

Wes Penre would have us believe EnKi is Lucifer. EnKi is lord of the Earth. Lucifer is from Venus! If anyone at all should be Lucifer it would be EnLil/Valiant Thor. It is not, it is the secretive predator known as Ala-Lu/Allah, the Living Dead, former father in law of EnKi. Raising the question of which of EnKi's wives was he the father of? The wife that produced a viable baby boy?

Is it THIS that Allah-Lu lays claim to – being the *patriarchal* grandfather of the Adamu?

Is it THIS which is causing all the troubles, jealousy? Not receiving the credit?

Why would Lucifer want to provide us with prophecies and warn us of negative effects for humanity?

The answer: Lucifer doesn't want to warn us. Neither does EnLil, nor Marduk.

We see babies being tortured and sacrificed alive by those who would represent Lucifer which some call a Satan and seems to relate to Moloch.

They are after cheating old age, indulging in unnatural sexuality, and fulfilling ego-trips.

Was this not the reason for the Great Floods in the first place?

The same which EnKi warned Noah about...

There is a *Post Scriptum* here:

So far as seeking on any of the search engines for the truth about the family problems of the Anu including the possibility of Marduk NOT being really fathered by EnKi – which search will be in vain.

There was a good reason for Da Vinci to have hidden portraits of the Anu family in the Last Supper.

Da Vinci did not do that to prove nothing.

He did it because this painting was the **Main Stream Media** of his time! It was left for us here and now to first discover them. And second – for us to draw conclusions from what we see.

So far I have seen no other person concentrating on the genetic features of this family.

What it is that I see, primarily first and foremost – that Marduk looks *very little like* EnKi, and *a lot* like EnLIL! Also, that Allah-Lu has very similar features to Ninurta. All of whom have been described in these hidden texts, such as the red beard of Ninurta and the mole on the cheek of Judas.

In this same manner of providing information – received by the Observer – did NostraDamas appear standing behind my rocking arm chair: dressed in *fifthe* or *sixthe* century clothing! Since nothing else transpired from that visit, other than appearing in full color unlike the previous visit – I can only presume he did not go to all the trouble to arrive via time gate with no message at all!

It was absolutely a case of "look at me". "What do you *see*?"

The task of Collating the works of Allan Webber entailed being Observant. This task also included studying the Original Published Quatrains and other manuscripts which would be a total waste of time if one is not going to Notice Things. Such as "Virgo" (*Dragon en Virgo*) written in the English language.

Or "*de xv. ans, puis a-*" = *from* [20]15, *then after...* in *Adriatique~AnteChrist~Charles* ⁰³⁰⁷¹⁶

Example of What NostraDamas was wearing on his second visit appears in the pdf forum, page 32 of "10 72 KING of FEAR Does NOT Say In The Year 1999 Seventh Month..." (Feb. 2018).

Both defunt and decedé mean "deceased" or "died". Like saying "died, dead". The official date for his death was July 2nd 1566. Yet there is a quatrain which said "you saw me die" and another which speaks of "Birthday for day of death" - when he did die by the hands of certain grays which overloaded the moonship engines - explaining at the time that "souls are an indulgence for human beings". See the pdf forum ONE SENT TO DIE, UNIQUE OF ALL DEATHS. Noting the word "sent", which he was full aware of the night before the morning when he was found dead standing up.

His "millenium" being "under 1000, even though the publishers used the "M" it should have been the Roman symbol **CI** for "under 1000" i.e. "†500", ("500" sometimes appeared as a "D" like "ID" but the number "1" made it 1,583, Gothic Calendar. So, here we are being told WHEN the "1" for Ieusus was changed to a #1. The date the calculations were made was in October †582, and it was the December that lost the 10 days, not the October - therefore 1583 is correct, since it (the Gregorian Calendar) was not known before 1583!

URGENT ● Congress to Be Arrested After Trump Announces Gold-Backed US Note?

would something happen to make sure that President Trump couldn't give his address to the nation. In his State of the Union President Trump was expected to announce the (freedom from debt to the Cabal) GESARA Law and a return of US currency to a gold/asset-backed standard. Trump indicated in a Jan. 29 tweet that our global economy was already gold backed. His State of the Union Address would likely contain an official announcement of a new gold/asset-backed US Treasury Note. There was good reason for Trump to be blocked from giving the State of the Union. The Address to the nation required that Congress vote itself in recess, making it legal for members under indictment to be arrested. There have been over 71,000 sealed federal indictments filed in federal courts across the nation since President Trump took office. An estimated 80 to 140 Congress people were said named on those indictments (85% to 95% of whom were estimated to be Democrats and thought to include House Speaker Nancy Pelosi for her part in the crooked Uranium One Deal). Charges included High Treason, Election Fraud, Child Sex Trafficking, Murder, Pornography, Money Laundering, Bribery, Perjury, US Taxpayer funds misappropriation, plus crimes of Uranium One, 9/11, Fukushima Nuclear Disaster and Benghazi Massacres.

"People were reporting 'comets.' But they were clearly **not** comets from the descriptions.

People were reporting bright flying objects and said:

the aerial objects were spraying gas,

which they called 'mists' that caused the Black Death." - William Bramley, Atty., *The Gods of Eden*

The classic sign of the 14th Century bubonic plague was the appearance of buboes shown in illustration, which are swollen lymph nodes in the groin, the neck and armpits that oozed pus and bled. Most victims died within four to seven days after infection.

Illustration of the Black Death from the Toggenburg Bible in 1311.
