*** Saying that the Sirius SaLuSa style agenda is not what they say at all**

"But there is one clear danger: not everyone on the planet employs critical thinking. Unfortunately, it's much easier to believe what we are told. And if the source is an extraterrestrial, then who are we to question what they say? Scientists and other academics would likely be skeptical. They would probably ask a series of questions. Who is this information coming from? Is it from one source, from one particular culture of this extraterrestrial civilization?
Is this information the product of a much larger process involving many facets of the extraterrestrial civilization? Are there other extraterrestrial civilizations that might have a differing view of things? What is the agenda of the authors? What are they hoping to accomplish by releasing the information to us? Could there be a hidden agenda that we are not aware of? Human scientists would probably add another set of questions: what empirical evidence do you have to show that the universe operates in the way you describe?" http://www.firstcontact29.blogspot.com/

Sa Lu Sa & Hatton & other "channellers"

I dont know why I decided to go through all the emails from David Spear Catcher but I found one where he said the first SaLuSa video had a phrase
"*WHEN THE RIGHT NUMBER* (of people/souls)"
I had forgotten that … My answer was
God assisted for JUST ONE RIGHTEOUS PERSON
(Lot and his family) so
why would THE RIGHT NUMBER (of souls) even be mentioned?
And again December 16 2011…"*if sufficient of you get together*"

They were coming from the south and they were low and slow. They come from Nibiru.

the other warning is regarding CIGAR shaped craft…
This "rapture" is by those from Ophiucus and Ursa Major which are part of the "unholy six" of the Corporate. There is one other off worlder which use cigar craft – the Tau Cetians

December 2, 2011 – **PARIS** – Climatology: there are several indices or indicators that quantify the climate anomalies of pressure, wind and temperatures in some regions (for the atmosphere and the ocean). These anomalies are associated with natural oscillations whose frequency can vary from several months to several decades, and sometimes between centuries.
These are the natural variability (**solar activity is also included**) which are responsible for climate "change" … *The Extinction Protocol.*

Note: these co-ordinates are almost identical to those stated by Nostradamus and published here
The "POE" effect has been ameliorated (the June 2011) just as he said in *GOLDEN HOST DOING*

The "RUNIC SKIES" or 'sky runes'
Of the Northern Hemisphere
This is simply begging the question of exactly who provided the sky runes to whom and for what original purpose? I was thinking the Vikings may have navigated using the glyphs which then became a form of writing. Maybe it was one means of *not* using animals to divide the constellations – resulting in a universal recognition. Different cultures over the millennia have used various animals for the very same constellation. If one reads the Viking *Eddur* it reads as a saga of the "gods" which has been taken as myth. The gods of the "Aettir" and of the "Vanir" are described as providing slightly different alphabet runes – not simply letters – but each having a very real intent

It is my belief (after researching for Nostradamus) that the ***"Aettir-Aesir"*** runes came via the Pazyrik from ***Asia*** – as given to them by the ***Aisa*** (mantric Off Worlders) along with their language which a German could have understood…becoming the Celt Q and P languages.
The "**Vanir**" being given to the proto Vik-ings (and just where did they get the name **Van-Dal** from? The Dal are a Tall off Worlder being).

That eschatology (end times) is a concoction… in effect… that Revelation (or some of it) is a means to engender fear, a fear strong enough to make people beg (pray) for rapture? It is this fear that the cannibals need
So what does C10 Q2 have to do with this? The great fleet disguised until the last minute – what are they up to?

"End of times" fanatics are already saying that the appearance of a s second moon is signalling that the world will end. "This was predicted in the prophecy of Nostradamus in the 16th Century," said Nostradamus expert Fred Desmarais of Lyon, France. This is the quatrain he wrote

Chapter xiv. Of the bodies of the Devils – we call them greys

Concerning the bodies of Angels, there is a great dissension betwixt the late Divines, and Philosophers; for *Thomas* affirms that all angels are incorporeal, **yea evil angels**, yet that they do assume bodies sometimes, which after awhile **they put off again**; *Dion**ysius*** in *Divine Names* strongly affirms that Angels are incorporeal.

Yet *Austin* [Augustine] upon *Genesis* delivers his opinion, that Angels are said to be **Aery,** and **Fiery** Animals:
because they have the nature of Aerial bodies, neither can they be dissolved by death, because the element which is more active than passive is predominant in them; the same seem to affirm, that all Angels in the beginning of their creation had Aerial bodies, being formed of the more pure, and superior part of the air, being more fit to act, then to suffer; and that those bodies were after the confirmation preserved in good Angels, but changed in the evil in their fall, into the quality of more thick air, that they might be tormented in the fire:
Moreover *Magnus Basilius* doth attribute bodies not only to Devils, but also to pure angels, as certain thin, Aeriall, pure spirits; to which *Gregory Nazianzen* doth agree.

Apuleius was of opinion, that all angels had not bodies; for in the book of the *Demon* of *Socrates*, he saith, that there is a more propitious kind of spirits, which being alwayes free from corporeal bonds, are procured by certain prayers. But *Psellus* the *Platonist*, and *Christianus* do think that the nature of spirits is not without a body; but yet not that the body of angels, & devils are the same; for that is without matter; but the bodies of devils are in a manner materiall, as shadows, and subject to passion, that they being struck are pained, and may be burnt in the fire, into conspicuous ashes, which as is recorded, was done in *Tuscia*.
And although it be a spirituall body, yet it is most sensible, and being touched, suffers; and although it be cut asunder, yet comes together again, as air and water, but yet in the mean time is much pained. Hence it is that they fear the edge of the sword, and any weapon. Hence in *Virgil* the ***Sybill*** saith to *Aeneas*,

> Sybil: AN ORACLE…divinatory: resembling or characteristic of a prophet or prophecy;
> Sibylline: "the high priest's divinatory pronouncement"

Do thou go on thy way and draw thy sword.

Upon which *Servius* saith that she would have *Aeneas* have his sword consecrated. *Orpheus* also describes the kinds of *Demoniacall* bodies; there is indeed one body, which only abides the fire, but being seen, doth not suffer, which *Orpheus* calls fiery, and **Celestial Demons[1]:**
the other is contemperated with the mixtion of fire, and air, whence they are called Etheriall, and Aeriall; to which if any waterish thing was added, there arose a third kinde, whence they are Called watery, which sometimes are seen: to which if any earthiness be added, this is not very thick; they are called ***Terrene Demons*****,** and they are more conspicuous, and sensible. Now the bodies of sublime *Demons* are nourished of the most pure Etheriall element, and are not rashly to be seen of any, unless they be sent from God; being weaved of such bright threads, and so small, that they transmit all the rayes of our sight by their finess, and reverberate them with splendor, and deceive by their subtlety; of which *Calcidius* saith, Etheriall, and Aeriall *Demons*, because their bodies have not so much fire as that they are conspicuous, nor yet so much earth that the solidity of them resists the touch, and their whole composure being made up of the clearness of the skie [sky], and moisture of the air, hath joyned [joined] together an indissoluble superficies. The other *Demons* are neither so appearable, nor invisible, being sometimes conspicuous are *turned into divers figures*, and put upon themselves *bodies like shadows, of blood-less* images, drawing the filthiness of a gross body, and they have too much communion with the Wood (which the Ancients did call the wicked soul) and by reason of their affinity with earth, and water, are also taken with *Terrene* pleasures, and lust; of which sort are hobgoblins, and Incubi, and Succubi, of which number it is no absurd conjecture to think that *Melusina* [or **Melusine[2]**] was:

yet there is none of the *Demons* (as *Marcus* supposeth) is to be supposed male or female, seeing this difference of sex belongs to compounds, but the bodies of *Demons* are simple, neither can any of the *Demons* turn themselves into all shapes at their pleasure; but to the fiery, and airy it is easie so to do, *viz*: to change themselves into what shapes their imagination conceives: now subterraneall and dark Demons, because their nature being concluded in the streights of a thick and unactive body, cannot make the diversity of shapes, as others can. But the waterie, and such as dwell upon the moist superfices of the earth, are by reason of the moistness of the element, for the most part like to women; of such kinde are the fairies of the Rivers, and *Nymphs* of the Woods: but those which inhabit dry places, being of dryer bodies, shew themselves in form of men, as Satyrs, or *Onosceli*, with Asses legs, or ***Fauni*****, and *Incubi*****,** of which he [Augustine[1]] saith, he learned by experience there were many, and that some of them oftentimes did desire, and made compacts with women to lie with them: and that there were some Demons, which the French call *Dusii*, that did continually attempt this way of lust

Chapter l xiv. How the Passions of the mind change the body by way of imitation from some resemblance; Also of the transforming, and translating of men, and what force the imaginative power hath not only over the body, but the soul.

[1] These are called Seraphim

[2] **Melusine** (or **Melusina**) is a figure of European legends and folklore, a feminine spirit of fresh waters in sacred springs and rivers.
She is usually depicted as a woman who is a serpent or fish from the waist down (much like a mermaid). She is also sometimes illustrated with wings, two tails or both, and sometimes referred to as "nixie" or *Neck*. Melusine legends are especially connected with the northern, most Celtic areas of Gaul, and the Low Countries. Sir Walter Scott told a Melusine tale in *The Minstrelsy of the Scottish Border* (1802–1803) Wiki

Cecrops (Greek: Κέκροψ, *Kékrops*; *gen*.: Κέκροπος) was a mythical king of Athens who is said to have reigned for fifty-six years. The name is not of Greek origin according to Strabo,[1] or it might mean 'face with a tail': it is said that, born from the earth itself, he had his top half shaped like a man and the bottom half in serpent or fish-tail form. He was the founder and the first king of Athens itself

Oannes (Ὡάννης, Hovhannes [Հովհաննես] in Armenian) was the name given by the Babylonian writer Berossus in the 3rd century BCE to a mythical being who taught mankind wisdom. Berossus describes Oannes as having the body of a fish but underneath the figure of a man. He is described as dwelling in the Persian Gulf, and rising out of the waters in the daytime and furnishing mankind instruction in writing, the arts and the various sciences.
The name "Oannes" was once conjectured to be derived from that of the ancient Babylonian god Ea, but it is now known that the name is the Greek form of the Babylonian *Uanna* (or *Uan*) a name used for Adapa in texts from the Library of Ashurbanipal. The Assyrian texts attempt to connect the word to the Akkadian for a craftsman *ummanu* but this is merely a pun.

Iosif Shklovsky and Carl Sagan cited tales of Oannes as deserving closer scrutiny as a possible instance of *paleocontact* due to its consistency and detail. Wiki

> "It is for the individual to attain ascension through enlightenment, and the giving and receiving of pure unconditional love as God intended. That is why we are all here!
> I do not believe that it is up to some aliens to help us ascend, unless they kill us.[first]"

This is the first time that I have seen / heard the following:-

> "Lucifer is Prime Creator of The Galactic Federation Of Light and all Beings Therein. Him and His Arch Angels Roam the Realms of the Fourth Dimension. His Main Purpose is to Help Humanity Evolve into their Original Light Being form. Through knowledge of Self Awareness He will set up His kingdom on this earth and help the governments of this world bring humanity together into a new world order that will facilitate the ascension process.

WhatTheBlueBlazes? Did you know this Helen, or are you as shocked as me?

From Stella:

When you read what SaLuSa said about Nesara, he / it depicted it as a positive ... (as per Lucifer), and yet when you Google the word Nesara, you get quite the opposite. Here are just 2 sites that I copied

http://www.nesarasucks.com/ http://www.omegansareliars.com/

NESARA stands for the "National Economic Security And Reformation Act" heralded by Ascended Master-Liars sAint Germain, sAint Sonanda, Al Gore, Dick Cheney, Hillary Clinton, and many others that make up a who's who of our government, media, and supreme court justices.

"Clearly debt forgiveness is the only answer to get out of the hole that many countries have fallen into, and have no realistic chance of getting out of by repaying their loans.

WHY, OH WHY, DOES SaLuSa FOCUS ON MONEY? AND ON POLITICS?

These will in turn result in far reaching changes by ***introducing benefits and new technologies*** that you should have already been using.

THE ITALICS ARE MINE

"Once the media is able to be free speaking from censorship and other controls, ***you may be sure that it will be your principle source of information.***

"Even now as so many lift up out of it the aggression, antagonism and hatred
PLACED GENETICALLY IN OUR MAKEUP BY THE VERY "GODS" WHICH ARE IN ALLIANCE WITH SIRIUS!
still wreaks havoc on Earth, but will soon play itself out as the energies of peace settle upon it.
THE "ENERGIES" OF PEACE WILL SETTLE ONLY WHEN THERE ARE NO *CURRENT* STYLE HUMANS LEFT
Even now the young ones amongst you see the pointless waste of life and energy in the pursuit of conquest,
NOT TRUE - THEY SEE ONLY THEIR COMPUTER GAMES OR THEY ARE THE ONES STARING INTO AN EMPTY FOOD BOWL
. Also be prepared to help those who will be confused by what is going to happen, as most of you working for the Light know sufficient to be able to do so. The best assurance you can give is that we are working with you,
AND WILL DO SO AS IT SUITS THE END PLAN
and that there is nothing to fear. In the end you **will gain more** than you could possibly lose, and that **does apply to physical possessions**
although we will not support anything acquired except through honest dealings.
(THIS IS A "QUALIFYER" WHICH IS WHAT MANIPULATORS DO)
Numbers of you are entering this final period at an age when you are not necessarily in good health.
(WHY SHOULD THIS MAKE A DIFFERENCE TO GOD?) WHY EVEN MENTION THIS?
BECAUSE IT IS IMPORTANT TO *THEIR* AGENDA

Be assured that by the time you take your place in Ascension all bodies will have changed to crystalline,
(SO … IN THAT CASE WHY SHOULD WE BE CONCERNED ABOUT "OUR POSSESSIONS"?)
All souls in the higher realms can easily appear as they were from any incarnation, and share their knowledge and skills with you.
(ARE THERE HORSES IN THE REINCARNATED STATE TOO - WILL A FARRIER HAVE HIS TOOLS TO SHARE HIS SKILLS?)

SaLuSa 12-December-2011.

This you know only too well, but **understand that changes are sometimes necessary to fine tune our activities**.
As the dark Ones are being forced to retreat, they leave a trail of failed attempts to cause disarray.
We are determined to block all such attempts, and now have the divine authorization to use more forceful means to do so. **Part of our mission is to ensure that as many souls as possible lift up through Ascension**.
"Even now as so many lift up out of it the aggression, antagonism and hatred …
(PLACED GENETICALLY IN OUR MAKEUP BY THE VERY "GODS" WHICH ARE IN ALLIANCE WITH SIRIUS!)
still wreaks havoc on Earth, but will soon play itself out as the energies of peace settle upon it."

From George Elliot:

Hello Helen:

I read the red first., Then I read the bold. Then I read it all. My impression of your comments is that you doubt some parts of the message. That seems wise to me because parts of the message **are false**, and parts of the message **are distorted**, although some parts are true, or very close to true.

One part among the latter is the part that reads,

"Nothing will be able to stand in the way of the changes that are about to commence."

The main flaw with this part is that the changes have *already* commenced, instead of "about to commence".

Other parts also have flaws. In fact, I did not find any part that was totally free from flaws.

What can I say to you except

"Keep on doubting SaLusa, and everybody who is in any way connected with SaLusa."

Now doubt is even better when you have the evidence to the contrary, like I do.

Where do I get such evidence? From the words which have been established to have proceeded out of the mouth of God, instead of out of the anus of God.

Accept no substitutes.

No need to provide a sample message to me because Google did that immediately.

A portion of the message for Dec 21, 2011 reads,

"Your normal life expectancy is very short compared to Beings like ourselves, who are in the higher dimensions."

The fact, that there are places which can legitimately described by the phrase "higher dimensions", is true.

The fact, that those places have beings, is also true.

The beings, which provided this message, are nevertheless not in those places.

They are instead in places which can legitimately be described by the phrase "this universe".

How do I know this information?

I know this information because I have solved many of the riddles of which the essential words of God consist.

For instance, I know that none of the beings in the "higher dimensions" have a ***"life expectancy"***.

They are all immortal instead.

Not eternal, merely immortal.

Only mortals can be said to have a "life expectancy".

Therefore, the providers of these messages do not reside in the "higher dimensions", as they claim that they do.

So the providers of these messages (of SaLuSa) are merely another group of deceivers.

GEORGE GREEN WITH PROJECT CAMELOT

One of them was to a guy named... well, he's in California, I don't want his name on it, right - anyway, he reprinted it and they changed some stuff around. He was channeling so called **Commander Hatonn** and the information we got was – we thought that was really good stuff - I dropped a half a million dollars and got a divorce - actually, about a million, and got a divorce over that thing, because we thought they were really connected with that group **and it turned out to be a big swindle**.

GG: Though, it's fascinating to read. However, the divorce, and all the **Commander Hatonn** material and all that *junk* - cause we put up - everybody thought that - we financed the whole thing. I mean, I was blowing maybe fifty grand a month financing the project for a while. And then E.J. Ekker, they had all the people, they're going to create a whole, they call it the, ah, Tehachapi California.

GG: So, except for two - the two that we did ourselves directly from the guidance from above. So, two of the *Phoenix Journals,* they're okay, the rest of them, it's not that they're not the truth in them, because they were taken from other information, this Hatonn character at that time, claimed - and we're not sure, that's kind of like J.Z. Knight, you know, Ramtha.

GG: But the messages then become more, as I said, we were concerned about the Hatonn character. Yes there is a Hatonn and when we confronted that Hatonn from another source, the answer was, *there are lessons of discernment* - then I was like you, but these people that put all this money and everything else in - there's lessons of discernment for everybody.

CHAPTER 9 **REC #4 HATONN** **THURSDAY, APRIL 4, 1991** **5:06 P.M. (****Yet the messages are full of 'love'***) **"We have been informed *by The Creator** that adjustments have been made throughout the past two years that enable you all to progress at this rate of speed"**

Interesting that NOSTRADAMUS calls it "DREAD CERES"…it is the name of an asteroid and obsolete for *Sirius*

To Nell Parkes

Ooooooo!!! This one starts off ok, and then deteriorates rapidly!

"you are connected to The Source".

They didn't say "God". They didn't say "The Creator". They said "The Source".

Now, I can be charged for watching too many TV series like Charmed and Supernatural, plus movies that follow a similar vein, but The Source, in my mind, refers to **"The Source of all Evil"…**

Here's another bit that bothers me:

We realize that no matter how much deeper the fear has brought **us** we are still able to surmount that and **come back to the Light** from which we began this journey into the realization of what we are capable of

Have they just admitted that they are "Not of the Light"?

MARCH 9 2012

FROM SaLuSa of Sirius

"life on Earth is no picnic, but is not meant to grind you into the dust. You take on what you believe you can handle and you still have free choice as to how far you go. Indeed, this particular life is so important to you, as it is the opportunity to set the record straight and clear any remaining karma. Some of you have already reached that stage and can devote yourself to working for the Light. If you are one who does not yet feel fulfilled in this way, simply put out the thought that you wish to serve the Light in whatever way your abilities will allow.

Be assured once you have done that you will be used at an appropriate time, and many Lightworkers will be involved in the final few months before Ascension. Once we are able to openly show ourselves and work with you, there will be **plenty of activity where you can be used**.

Presently we are occupied with the confrontations in the Middle East, and although it is threatening to lead to war, we state again that it will not be allowed to happen. The New World Order will not be allowed to take advantage of any situation that might lead to one, **as we can in any event disable weapons if we so wish[1].**

You could say that by our very actions, peace has been declared and an end to war in this cycle.

Wish?[1].
My question to SaLuSa is : WHY DON'T YOU?

SIRIUS IS HIS: the shape shifting Leonines have the Sirius in their pocket. 'He pours' A (Dec 21/22) in 'rose', a Friday. Dec 21 in 2012 is a Friday. The 'II' still has me uncertain. 'I' is Yew tree day of the Eve of the winter solstice = December 19/20

So that was what the PACT was all about! Time travel!
Sex shortage (fertility) is the excuse for making men in black (funeral rites) although the word "spare" appeared recently

4 41 1 **AROPH :** n. 1. A barbarous word used by the old chemists to designate various medical remedies; Alchemye, having connotations with "aerosol" methods of application. The words used in former times were "ether" and "ethereal".
Here is perfect proof that Nostradamus was well aware of chemtrails and the BIOGENS within them & the H.A.A.R.P connection.
This means that it is the Leonines from Denebola who are behind it all. How appropriate the name is DEN.EBOLA! For some reason those of Sirius are in league with the shape shifters. This confirms the TRIAD of Orion (the Anu), Sirius and Leo (but not Regulus) and by implication **that the "channelled" messages from Sirius are a very dangerous ploy. The hidden agenda is the False Rapture by those of Sirius. Anyone who has read Aleister Crowley will recall his 'mentor' was APES (Ah-pees) of Sirius, to whom Crowley "sold his soul".**

"THOSE HOSTS" are the BIOGENS IN THE CHEMTRAILS

"Many authors are known to have considered Jesus as being none other than the Teacher of Righteousness (see, for instance, I.D. Amusin's quoted work.) Jesus was the one to announce the Age of Aquarius:

> "a man will meet you carrying an earthen pitcher of water; follow him into the house (zodiac mansion) where he goes in" (Luke 22:10; Mark 14:13.) The Last Supper was the symbol of the future "*unio mystica*."

In the light of knowing *many are using the name of Jesus* – how do we take this advice?

vers 1 (ponctuation) : Kerver : point après "foy"
vers 2 (ponctuation) : Kerver : point après "pille"
vers 3 (ponctuation) : Kerver : points après "fiel" et "cruel"
vers 3 (ponctuation) : Kerver : pas de virgule après "acte"
vers 3 (prosodie) : prononcer ambiti-on (diérèse)
vers 4 (variante) : Kerver : offense
vers 4 (lexique) : inulte, du latin *inultus* (non vengé, impuni)
A l'exception de la variante retenue au quatrième vers, les autres corrections de Chavigny sont mineures (*Recueil*, p.75, et *Janus*, p.50).
On pourrait conserver le terme "offense" (sans accent) en acceptant un hiatus incorrect, à mettre en parallèle avec la construction du début du deuxième vers.

Tim McHyde Helen, that could fit the 2nd trumpet, the mountain burning thru the atmosphere before impact in the ocean. But the 3rd trumpet says it is a star burning like a torch (not from our atmosphere). A binary twin to the Sun fits that very well and would send comets our way as it passes the Oort cloud on its way back around the Sun.
