

NEGRO RICE ?

There are two negro Rice ladies in American politics currently (October 2012) – Susan and Condoleeza. All I have done here is to pluck out the word “elect/ed” from the Presages, the Quatrains and the Quatreins of the Hidden Texts. Allan Ueber extracted the English words from the Centuries of quatrains and I have been collating the words into the topics they represent. Politics is a thing I always try to avoid because of its transient nature. The exception here is due to the eschaton nature of the events. Susan Rice *might or might not be* excluded because of the words Nostradamus used in 8 51 3 OPPOSE NEGRO LONGER NAME.

Century 4 Quatrain 87

Your usage untangled Piraeus evil-funds for Persians gun.
Insane treason reigned uneasier as *gene and gender differ*.
A Ueber’s compiler finds person responsible for plague-war
Tehran fear herald heard in fatherland. Cyprian repair panic.

*Un filz du Roi tant de langues aprins
A son aisne au regne different
Son pere beau au plus grand filz comprins
Fera perir principal adherant*

The hidden message implies a link between Piraeus and Persia (Iran) with funds being used for armaments. The theme of the third line suggests Nostradamus’ method yields the name of the insane persons involved in bringing about a plague-war. The Cyprian anagram in the last line implies a wanton woman which is in keeping with the visible and hidden messages of verses who is yet to be presented. Allan Webber

Would this be Condoleezza Rice? (This is my question – Helen Parks)

SEER'S DESTINE ~ ETERNALISE MAP

It is very important here to point out the word **DESTINE (DESTINY)**

The Seer, of course, is Nostradamus. A destination is something that happens frequently throughout our lifetimes. The DESTINE of which Nostradamus speaks is a **TIMELINE** – and it is a given that timelines can be altered, merely by the fate of one person permanently affecting that which they might have once accomplished. The word **FATE** is that which occurs to everyone at the end, their end. We all suffer only one fate. When something is **FATED**, it is written in stone – it is **SEALED**. In one way we could liken **DESTINY** to **OMENS** – as sign posts along the way towards our **SEALED FATE**.

Therefore – what Nostradamus is saying here – that this particular end is only a **DESTINY**, a signpost, and we can all **CHANGE THIS DESTINY BECAUSE IT IS NOT SEALED**

Note the pun **SITED** – either as **CITED** (stated to us all) or that it is a **NUCLEAR POND** which will bring our **NEAR END**

To conclude: there is no guarantee given regarding dates in this forum of ideas from Nostradamus. However there are a couple of clues which do pinpoint possibilities; such as earthquakes and volcanoes and the tremulous environment around certain elections.
