For the Lord himself shall descend from heaven with a shout, with the voice of the archangel, and with the trumpet of God: and the dead in Christ shall rise first: Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord.

*Flee **to the mountains** and the dens to bog and forest and wild fens.*

For storms will rage and oceans roar when Gabriel stands on sea and shore,

*and as he blows his wondrous horn **old worlds die and new be born.***

A fiery dragon will cross the sky six times before the earth shall die.

Mankind will tremble and frightened be for the six heralds in this prophecy.

For seven days and seven nights man will watch this awesome sight.

The tides will rise beyond their ken. To bite away the shores and then

the mountains will begin to roar and earthquakes split the plain to shore.

And flooding waters rushing in, will flood the lands with such a din

that mankind covers in muddy fen and snarls about his fellow men.

He bares his teeth and fights and kills and bides his food in secret hills

and ugly in his fear, he lies to kill marauders, thieves and spies.

Man flees in terror from the floods and kills, and rapes and lies in blood

and spilling blood by mankind's hand will stain and bitter many lands.

And when the dragon's tail is gone man forgets and smiles and carries on.

To apply himself - too late, too late for mankind has earned deserved fate.

*His masked smile, **his false grandeur**, will serve the gods; their anger stir*

*and **they will send the dragon back to light the sky**--his tail will crack upon the earth*

*and **rend the earth** and man shall flee, king, lord and serf.*

But slowly they are routed out to seek diminishing water spout

and men will die of thirst before the oceans rise to mount to the shore.

And lands will crack and rend anew do you think it strange, it will come true.

And in some far--off distant land some men--oh such a tiny band

will have to leave their solid mount and span the earth, those few to count.

Who survives this (unreadable) and then begin the human race again.

But not on land already there, but on ocean beds, stark, dry and bare.

Not every soul on earth will die, as the dragon's tail goes sweeping by,

*not every land on earth will sink, but these will wallow in stench and stink,
of rotting bodies of beast and man, of vegetation crisped on land. (by coronal mass ejection)*

*But the land that rises from the sea will be dry and clean and soft and free.
Of mankind's dirt and therefore be, the source of man's new dynasty.
and those that live will ever fear the dragon's tail for many year
but time erases memory. You think it strange. but it will be.*

***And before the race is built anew, a silver serpent comes to view
and spew out men of like unknown to mingle with the earth now grown
cold from its heat- and these men can enlighten the minds of future man
to intermingle and show them how to live and love and thus
endow the children with the second sight.***

A natural thing so that they might grow graceful, humble and when they do the golden age will start anew.

*And murder foul and brutal deed: when man will only think of greed.
and man shall walk as if **asleep**; he does not look - he may not peep*

And iron men the tale shall do; and iron cart and carriage too.

yet greater sign there be to see; as man nears latter century.

three sleeping mountains gather breath, and spew out mud, ice and death.

and earthquake swallow town and town; in lands as yet to me unknown

And Christian one fights Christian two and nations sigh, yet nothing do. MOTHER SHIPTON

Also, HAARP has pulsed frequencies that trigger correlating frequencies in the human brain that can actually change the behavior of humans over a very broad geographic area! When radio frequencies are pulsed at the low end, say in the one to six Hertz range, people become very passive, relaxed and sluggish. On the opposite end, if the pulse rate was cranked up to between fifteen and thirty Hertz, people would be much more active, even agitated. Others would be really stressed, tense and intense with the people around them. Jose Delgado at Yale University demonstrated this using pulsed radio waves. He was able to move primates and humans from a state of lethargy, almost **asleep**, to the point of high agitation and anger, like turning on and off a light switch. That is a huge jump in technology. This is a big issue and should be a big issue!

Since the initiation of the Harmonic Convergence, there have been measurable increases in the energy of our planet Earth. After resonating at a base resonant frequency of 8 Hz per second for thousands of years, during which Earth has essentially been **asleep**, her frequency is now rising. She appears to be rising to a fundamental vibration of 13 cycles per second, as predicted by the Fibonacci series (mathematical proportions based on the Golden Mean, also called the harmonics of the universe). Accompanying this energy boost is a rapid decrease in the magnetic field that surrounds the planet.

That the lord Enki, asleep in his quarters, had a dream-vision.
 In the dream-vision there appeared the image of a man, bright and shining like the heavens;
 And as the man Enki approached, **Enki saw that the white-haired Galzu he was!**
 In his right hand an engraver's stylus he was holding,
 And in his left hand a tablet of lapis lazuli, shining smooth, he held.
 And as he approached near enough by Enki's bed to stand, Galzu spoke up and said:
 Unwarranted your accusations against Enlil were, for only the truth he spoke;
 And the decision that as Enlil's Decision will be known, not he but Destiny decreed.

Now into your hands Fate take, for the Earthlings the Earth will inherit

The first fruit they found, the vine that by Ninmah was brought it was;
 Of its juice, as the Anun.nakim's elixir renowned, **Ziusudra** took a sip.
 By one sip, then another and another, Ziusudra was overpowered, like a drunkard he fell **asleep!**
 Then a gift to Anunnaki and Earthlings Enki presented: The chest that Ninagal had carried he unveiled, its surprising contents to all he announced:
The life essences and life eggs, in the wombs of the four-legged animals from **Ziusudra's** boat can be combined,
 Sheep for wool and meat will multiply, cattle for milk and hides will all have,
 Then with other living creatures the Earth we shall replenish!
 To Dumuzi the shepherding tasks Enki gave, in the task was Ziusudra's middle son assisting.

ESAU

We've been living in the end-time or days of Christ's "*parousia*" [coming] since the Seven Seals were revealed in 1963. His Bride is making Herself ready by clothing Herself in the fullness of the Word. But II Peter 3:3-4 prophesied, "*There shall come in the last days scoffers, walking after their own imaginations, and saying, 'Where is the promise of His parousia?*

*for since the apostolic fathers **fell asleep**, all things continue as they were from the beginning of creation.'*"

Esau/Edom were likewise scoffers at the seed of the woman.

So were the spiritual Serpent seed in the days of His flesh, or "*erchomai*" Coming.

And denominational believers who scoff at His "*parousia*" - Coming today have the same carnal attributes.
