

# AT LAST – THE ANSWER TO "WHO ARE THE ELO(H)IM" ?

They include Nordics: **ĀS** of the Aettir, **RAN** and **VAN** of the Vanir  
 They are the Cassiopeians of the **ĒDDUR**, of the Living Library  
 This ties in with **THE SHROUD IS REAL**

The Hidden Texts of Nostradamus had this as one of the *EVENTS PROVEN TRUE*  
 (including the date).

3 45 1 *Les cinq estranges entrez dedans le temple.*

**EDDA REGENTS ENTERS PI**

ELM (Celtic zodiac: *Sep 2 – 29*) CQIN [2012]

 ZEE (Cassiopeia) LINCQS A.D. ENDS SINCE [after]

3 45 1 *The five strangers enter in the temple*

(Nibiru & four planets? Or the Five Anu factions enters Congress)

EDDA REGENTS are the **ĀS** (of the Aettir)

Zee means those from Cassiopeia, who are in league with **ĀS**

Pi or Phi appears in numerous crop circles – the COCHLEARY

The “winding down” of Anno Domini

CQIN means Year of the Dragon, in this case 2012, in September

**WHICH IS EXACTLY WHEN THIS HAPPENED – see video below**

3 45 Les cinq estranges entrés dedans le temple,

**ISON HAUL THOU O (orbit)**. Other lines have repeatedly said  
 an asteroid body, will cause the Earth to "roll" onto another  
 orbit, thus causing the "sack cloth" of the bible, which is two  
 things: a trip into outer space combined with the loss of the sun

3 45 1 Les cinq efranges dedans le temple  
 SMALLEST EQ FLAG INTERDEPENDENCE (hive greys)

Noph or Moph was the Hebrew name for the ancient Egyptian city of Memphis, which stood on the Nile near the site of modern-day Cairo. Six occurrences in the bible. So this is the same "Memphis Moses" of 10 79 2 (not published before)

UNEQUAL NEGATIVE SUFFIX REAPPEARED "Suffix" to be mentioned means it is unusual, not common. In the western world – the Chinese have their common name last, and their surname first. I think this is the matter of the cloned Chingiz Ghan of 10 72 "reappeared" ADVANTAGE ADEQUATE QUEEN (Cassiopeia of the Living Library). PREFIXES UP (YHWH. SemYase) FAILURE INFERNAL VAGUE PREFIXES UP. "Vague" because EyAh is pronounced very similar to the way people spell YHVH which is actually pronounced "IschVVisch" from its full name. EyAh (EA En.ki) is pronounced Ewe-YAH so has been mistaken to mean YHVH (En.lil the wrathful Lord of the air ways). The Lord of the Earth is YAH – E Ya, En.ki

2 81 4 Apres que **Libra** lairra fon **Phaeton**. PREPARATION FASHIONABLE QUARREL Well – doubtless the previous line with its information no doubt *will* require "PREPARATION" for debate!! LONER (that would be me) **PARAPHRASE QUANTIFIABLE RO: PARANEPHROS OF EQUILATERAL BRAIN** In *ICON* which was dealt with by quatrain 3 25 – it did state that the Living Library is not run by just the Cassiopeians alone. RO is a reference to the Andromeda Council, inter dimensionals who are allied with RO and the "paranephro[p]s"

You will recall this Cray being the animal with two strange "swirls" between its claws in one of the vignettes where many people mistakenly say it is a scorpion. Medieval vignettes of the zodiac of Cancer depict this cray. But the description here of "paranephro[p]s" fits the Cray with one exception – the further description of the EQUILATERAL BRAIN, which belongs to the head in the central picture. Combine the two and you have the insect painted by David Huggins and described by everyone who has been abducted by the synthetic ladies of Cassiopeia.

The sperm donor abductee David Huggins painted many pictures of his abduction experiences Note the mantid The constellation formation over the back of the Sphinx is Andromeda the Princess. Nostradamus says that the face of the Sphinx is the *crowned* Queen Hatshepsut (Cassiopeia was the 'crowned' queen, who was the mother of Andromeda and Virgo of the Branch)

See 3 25 4 above where the Hidden Texts mention both Andromeda and the "spade shaped Icon".

The abductee who painted the picture was in the hybrid babies "nursery". Another abductee Linda Porter also painted the mantids

The latter being in Halloween and in Scorpio/Dan. Notice the dates flow on: Libra, Halloween, Dan, Sagittarius, Apple  
† The date of "TRUE APPLE" is specified because there is the false apple of Hawthorn. **Apple is** December 23 to January 1  
You will notice that this is the same date as "Os", "Car" and in Capricorn, in Deer/Stag/doe/hind. And in Unicorn, also  
the date if Pillar/Wand/Amulet/Amber and Mistletoe.

See also EVENTS PROVEN TRUE at [www.hiddentextsofnostradamus.com](http://www.hiddentextsofnostradamus.com)

At the time EVENTS PROVEN TRUE was roughly put together in March 2013 there were 28 events  
at this date, (June 28 2013) now there are 36

The words were found by Allan Webber who designed a program to anagram (scrabble)  
all the quatrains of Nostradamus

I only collate them ...

My thoughts are – if this Californian video was taken anywhere near Fresno – it is time to leave

THUS HERE WE HAVE TWO MORE EVENTS PROVEN TRUE... PLUS

THEN THE DAY AFTER THIS WAS PUBLISHED ANOTHER EVENT CAME TRUE, MAKING #36 ~  
WHICH DO NOT INCLUDE A LARGE NUMBER OF PERSONAL EVENTS

THE HIDDEN TEXT WHICH CAME TRUE WAS THE LINE FIRST PUBLISHED IN LATE 2009 REGARDING MR RUDD, OF WHICH  
THERE ARE SEVERAL LINES, SO MR RUDD MUST BE A FIGURE OF SOME IMPORTANCE IN THE BIG PICTURE  
Here you will see how these texts work. I was about to put the Rudd line which came true – then I see in other  
Rudd lines' references to the above subject & also in the word "ORPHAN"!

**SUPERNAL:** adjective. 1. being in or belonging to the heaven of divine beings; heavenly, celestial, or divine. 2. Lofty

**AROPH:** medical 'remedies' in the sky = chemtrails

**CRAZE:** pun, what they look like **SECULARNESS** worldliness

SCARRED: damaged PROP the normal and natural order of things

Not so many orphans **NORSE RUNES** (those of the Eddur-Nordic)

**BUT HERE IS THE LINE WHICH HAS COME TRUE,**

**NOT SAYING THE OTHER RUDD LINES HAVE NOT COME TRUE TOO**

**SIMPLY BECAUSE WE CAN NEVER REALLY KNOW IF HE WAS TAKEN AND "READ THE RIOT ACT" SO TO SPEAK**

The "AUSTRALIA 2" forum is rather an interesting one. The original had to be worked

again because the Triple Method of codes did not arrive until late 2011

(meaning I did not find them until the later date)
