

ALMANACH pour lan 1555 ADD 458 (cipher) = 2013

in the latest ciphers provided, the missing apostrophe was pointed out. It is to be taken as "or otherwise". This makes the word "lan" not as "the year", but as 'the An' – the Anu

[Why So Many Wildfires? Half The Country Is Turning Into An Intensely Hot, Bone Dry Burn Zone](#)

CONTRIBUTOR: Michael The Patriot Blogger. Did you know that 8 of the 9 worst years for wildfires ever recorded have all been since the year 2000? The western half of the United States just keeps getting hotter and drier, and this is creating ideal conditions for wildfires. The furious wildfire that took the lives of...
