IF YOU CAN ALLOW A PERSON A RIGHT TO DEFEND THEMSELVES AND THEIR YEARS OF DILIGENT STUDY ALBERT COMBINED WITH ERRORS ~ THEREBY LEARNING THE HARD WAY; IN ORDER TO CLARIFY THE VERY MUDDIED IDEAS OF SOME SO CALLED "EXPERTS" NO MATTER HOW MUCH THEY THINK THEY ARE LIKE THE GOOD DOCTEUR TO LOOK AT: C+F PANSY with me secretly chuckling about exactly where and who Nostradamus is these days! C.F. 9 46 3, 4 17- and not just that, but David Huggins *accidentally* painted Our Gift/We convey! I do believe David was *t'asked* to *media* his contactee status. As we all are. To be fair to some Nostradamus scholars, if they never had the astrological, astronomical, & the other hands-on experiences* under their belt - then how can they gnove where to start? The Answer is this: To be successful in comprehending the works of Our Gift NostraDamus, one really needs to have *done* the groundwork. Read *The Preface*, Read *The Epistle*, go thru the Latin correspondences translating for *oneself*, and other manuscripts, and try not to second guess such things as the "expert" quoting in 1 81 "oh the number nine was just a slip up, when we know it was seven who went up in the Challenger"... all taken on the "hint" in line four within 1 81 as "thiacol", from what publication I cannot say he was using, because in all three "AUTHENTIC"***c/f.5 98 1 editions of mine, none had it the way the "expert" in his own explanation did. The Quatrains quoted may have merit in light of them *each having at least two meanings*. Plus there is a need to remember that I am not the "denial people, or the faulty scholar whisperer". Including here, while on the subject of "experts" (def. of 'expert' - a drip under pressure) and watching my favorite historian dissect megaliths when she gave me a tremendous red hot jolt of disappointment. She introduced Nostradamus (in the middle of a discourse on weathering of megaliths at Petra) that he could only describe things from "a Catholic point of view" therefore his perceptions could only be from that perspective. She, making this statement shortly after saying "we cannot think the same way that previous civilisations did". I had no idea she was so narrow minded. Especially after she produced such videos as the *Medieval Knights Armour as EXOSKELETON* https://www.youtube.com/watch?v=m_Qthy_p0nc

Her Nostradamus comment is a perfect example of "a little knowledge being dangerous..." to her reputation. She, of all people, gnoving the docteur was born 840 years ago, viz: 1343 (now) minus 503 his real birth year.

*other hands on experiences, such as the need to have been a jillaroo, a proof reader, a contactee, receiving time gate visits and being supplied with the "Triple Method". No one noticing that it (his works) only ever used the word "tripod" once, and that was in the smoke screen called *The Epistle to Henri II*. One such unintentional smoke screen, because everyone took it in the uneducated way, was the description, mentioned seven times, regarding the "SECOND & THIRD PEOPLES FROM ANTE CHRIST" and NOT antchrist, the correct spelling and intention are reiterated in quatrains 8 77 and 10 66. Anyone with the tenacity to translate the Latin correspondences for themselves, was more likely to find some answers. Such as Lettre #32 in which not only the "triple method" was cued, but the name Parks appears, too. I.E. the Latin referring to not just one gender of Parks, but, meaning at least four or five of them named world wide - all named in the Quatrains.

EPISTLE ORIGINAL From Salon this **27th of June, 1558.**

Done by **Michel Nostradamus at Salon-de-Crau in Provence .**

TO TAKE NOTE DETAILS

when using Ante-christ it is the **Christ** part which is rarely capitalised

When using ANTÉ it is *accentuated* that it has no "i" but is using the "é" word is "Ante = before"

and in the Epistle, stated five times, it is the ante-christ 'second peoples', and 'third peoples' meaning

in the Epistle, naming them the "second" (peoples) with the 'second' and 'third' peoples on our planet from before the times of Christ ... saying not humanity ~ i.e: the left over Nephilim

advieindra, mesmes de l'année 1585. & de l'année 1606. accommençant depuis ce temps present qui est le 14. de Mars 1557. & passant outre bien loin jusques à l'advenement qui sera après au commencement du septiesme millenaire profondement sup-

written 1557= 25 years before pope Gregori altered the prefix from "i/g" to a number "1" in late 1582 changing calendars to fiscal

I want you to notice that the prefix of a capital "i" is not a number one. That the words "seventh millenium" relate to the understanding of dating prior to 1583, January, when pope Gregorius added the number one and removed the prefix so he could place the A.D. suffix - which I believe to mean *ante-dium* (before the day - of return) and not "year of our lord". Simply because of the illustration which does show both the prefix and the suffix. Why would they say "in the year of our lord 527 in the year of our lord"?

the lower case "i" prefix is quite clear it stands for Iesus, the Greek form of Ysus followed by the A.D. that only makes sense if used in the context of "Before the Day" - of his [unknown] return thus speaking of the Messssiah Just below the screenshot showing the years with a capital 'I' are the words from the Epistle::

"Third peoples from ante/before christ" - the product of the nephal = "elite" is a no show in the Preface to Cesar ... in the light of various 'disguised history' studies by a few brave video makers - the "second" peoples would be the fallen angels from The Pleiades, currently under Antarctica - and the "third" peoples the long skull very tall Aryan which seem to have been almost world wide including pre history America. Also known as Tartarian, & "the elite". My view is that there is a running hint connecting the banners/flags of ancient China, Tartaria also seen in the lower strip of the Bayeux tapestry!

The craft to the top right appeared over my place May 2000 – chased by at least eleven silver orbs, that we could count. This was the event in 2 44 "the Eagle circles the encampment, is chased off by other birds". How do I know this refers to these craft and my camp? Because of lines three and four. Some would point to a lack of humility... but the event was six years before I began slogging through the Centuries just out of curiosity, and there was never for a moment any thought the craft related to me. Not until I saw the ships in the video frame, when I recognised them as the same that swooped across my hills.

and here was an interesting little snippet from an Indian Elder stuck in among the images in the above video – by the way – if you watch this video – take note of the telegraph poles in 1881 – up the public streets – I could not see any connecting wires. "Folks, the Indians were Russians/Rus'Aryans from Tartary, its pretty simple whats going on. We have been colonized and our history rewritten. I know most won't believe this but these 'Things' aren't from this planet. Watch 'The Thing' from John Carpenter. They infect, and take the shape of other humans and/or breed with them and cause fighting and wars amongst humans. Everyone on this planet were called Aryans at one time before the invaders set foot here."

AND THE ELECTRICAL CHAOS, NASA CHARLATANS AIM : METEOR COERCION TRAINED AT ADRIATIC RIM.

In 4 44 there were two quite different meanings between the 1555 and the 1562 publications from the originals – plus a third meaning taken by Erika Cheetham. She had "Doux" as "Deux" (two) but Doux and Lous are paired, they belong to each
Doux *subdued* gros de Mende, de Rouds et Milhau Subdued one at Mende, at Rodez and Milhau the NASA 'meteor'
Lous *much lauded* gros de Mende, de Roudes & Milhau and the same meteor, only much advertised, just as NASA want when they are in the process of deceiving us. This belongs with all the ADRIATIC lines and the hoax NASA 'asteroid' onto the "Adriatic rim". This area is above the "Eruptive Serbian Basin Alive 6 59 3" When it says Doux (softened or subdued) it means it has been made less damaging by the Elohim, which they have shown us in many other lines.

We have seen warnings to the people of Rome and to those of the "Isle de France", plus this seems to be a night time event.

7 8 2 Au Fefulan fera conflict donne:

At Fesulan attack will be made : (recall the tsunami goes over Mt. Fesulan – indicating this one is man made, add to that the hoax meteor sent by NASA to the 'ADRIATIC RIM')

pairs 8 16 4 the wave mounting Olympic Fesulan.

There is a need to point out that the sphenoid craft are run by the EnLilites. They do attempt to meddle, but our friends are aware !

above: Sphenoid bone

[Helen Parks](#) Here is why I continue – addicted C+F+1 81 4 to the hidden texts. I will put the photo of the Sphenoid bone - and immediately I saw it the entire meaning was freed up. THIS is the huge craft, white centrally with black at each "wing tip" end - that swooped into my valley chased by several silver orbs in V formation. And wouldn't you know it - I had a camera in my hand (I was on my way to the stables to photo a colt I was selling). May 2000. My valley was just north of Yass NSW.

An entire article came out of that photo because it (the event) was named in the texts... the silver orbs as it turned out were guardians - this was six years before I began work on the hidden texts, so I for sure had NO idea this was about me being in danger - hence that craft is a NEGATIVE. Will get the link for the article - which has a video frame of the same craft that someone else had witnessed. I was a tad slow in catching the protagonist, but I did catch the orbs.

- The very first thing you will see on the front page of this pdf is the image of two of these craft

Going Home
David Huggins
Oil on canvas, 2008

Ask yourself - why would David Huggins have been tasked with painting not just one, but two, views of our round "alluring blue ball" planet, some decades before the divisional memes purporting our planet to be flat?

By David Huggins
back row: MANTID, ENKI/RA, PROCYON lady, VALGRIND, HREIDMAR, SCHEATT, SILVER, CHANI, ARCTURAN, high background: Aromatic QUANTUM SAPIENCY

By Betty Andreasson and her husband
Craft in high background was seen from ISS, and landed craft behind is seen on coins and in other art. The very tall robed ones are Elders from Cygnus, girl in pink a synthetic. You can make up your own mind who is who among the rest.

If you have been reading these alerts, you will have seen a few referencing the Black Knight craft. There are two of them, and the one enclosed in red above; is the one in this frame from a video from the I.S.S. The craft which is parked behind the crew is the same that appears in the Roman woodcut defeating a reptilian cylinder ship, the same that appears on several coins and the same that was painted hovering over a Romanian Church.

PARSHOLT AUGUST 2002

ALEC NEWALD'S ELDER

To add to the above Elders, Chani himself...

to the right is an image of a so called Elder doing the internet rounds
 You can see for yourself there is something quite "plastic" about it,
 different eyes and nose.
 The Copiests Version.

These Elders are not to be confused with the robed ones under Altai
 who are Leptorrhin from Cygnus – the true Guardians of mother Earth
 aligned with the Arcturan Seraphim orbiting, the real Watchers ...
 and not the pretend guardians of Goode and Wilcock and company.

Go back to previous page and see the two giants wearing pink (always an indication of Casseopea)
 Behind them hovers a craft, the 'pair' to the Black Knight, in that it is there for the same purpose – Guarding. While one is on this side of Earth the other is on the opposite side
 They are from Arcturus in Boötes (say these texts)

THE ELOHIM. This information all comes from the Template of The Hidden Texts *supplied by Chani* to Allan Webber.
 The number ten is their base number along with seven and five. I noticed 16 appears regularly too (=7)
 (Reptilian number base is 60, 24, 12, 9 & 6)

the hybrid elite have **11** – as in 9/11 and too many others to mention, and **29** (as in August 29, Katrina Sandy, etc)

The Elohim is a positive multi-density alliance of ten human type races and ten that are (and this includes the Quantum Sapiency seen as the background to Huggin's illustrations) charged (by the Andromeda Council and the Casseopean) with keeping 'The Living Libraries' of our world in BALANCE – the t'ask WE were meant to do!

1. ARCTURAN- clubfooted greenish 'Grey' from Arcturus in Boötes Constellation (joins Libra to Virgo).

2. ARGO constellation – so large it has been divided into Carina the Keel, The Oars, Malus the mast, Vela the sails, Puppis the Poopdeck (aka Cockerel), Lochium Funis the Log Line, Pyxis the compass, with the Lantern out front called Canopus – **Mantids**. 4-6 ft. 2 arms greenish. scientists. DNA work etc. Appear in alchemeye as the Cockerel and the Oars, come from Puppis (the Poopdeck) in Argo. Argo travels in reverse (precessionally) through time. Original Mantids are with the Elohim. There are warrior Mantis that belong to the Copiests (the Orion Group), the Giant four armed Mantis.

Remember all higher densities have positive and negative beings creating balance in the "grand Cycle" (GOD).

3. PEGASUS. SHEATT (the Seat) a star in the "Leg" of Pegasus. Blue Greys Liason beings to humanity to translate to contactees. Convert higher vibrational information into a format human contactees can absorb. One stayed for a week with Whitley Strieber. The same who has been at my side
 4. SASQUATCH. aka YETI Fringe of the Hairy Free living. Task is to nurture nature 5 fingered. HUMANOID^{1st of 10}
 5. CEPHEUS. *King of kings* The ARM in Arm Marg Eddon. - the EDDON part is the Eddur – Casseopean ELEURIAN Seraphim (the Fiery Ones – around 40 feet tall caught on camera by cosmonauts) The Seraphim hibernate in the two "black Knights" – which were brought here from Arcturus around the times of the first Great Deluge. Also known as ELEURIAN Seraphim Light beings. radioactively harm humans. 6th D "GRACE". For all we know Could also be the Violet Aromatics which the LEPSARIA (four winged gate guides) are
 6. CHANI. Younger Elder. Prophecy singer. light being in this density. Gave Nostradamus the Centuries. Not always visible in our spectrum .  9. DWARF HREIDMAR ELDERS wear hooded robes. calculators. Balancers of everything.
 10. QUINATE - fragrant Violet (or blue) beings, can be invisible – Quantum Sentient Entities
 11. PROCYON Nordic the "merry ones" do the hands on work such as sasaring reptilian bases on Earth HUMAN^{4th}
 12. E.YAH Enki RA Formally of the Anakim. (Annunakim). "Loving Lord whom gave Moses the 10 Commandments."
 13. He-Rod J-Rod 52. Three genders. Us from 52000 years in the future. Che-rubim. Noetic Entities 2 brained grey type humanoid from Gliese 876C near Musca/Apis Constellation. Autonomous thinkers, also called "steersman " of time gates Nostradamus had an assistant J Rod52 which he named Uuilliem52, who was killed in a stargate accident saving him. The Zeta HeRod45 of Nancy Lieder are the hive mind Orion Group negatives that frequently contradict themselves.
 14. LYRAN Grey: no nosed grey. They breathe rare (noble) gases thru their skin. Alchemye name is "testudines" because LyRa was once called The Tortoise. The 'god' named Ran in the Viking Eddur is a LyRan.
 15. PLEJARANS. The most misunderstood humans of all. Called angels by the medieval scholars (such as John Dee, who everyone thought was calling on demons, but his 40 angels were Plerajen) Nordic human type from one of nine stars in the Pleiades. Atlas the King, Pleione, "Gran" or "the queen" and the Seven Sisters, Alcyone "Nan, " Maia, Taygeta ,Asterope Merope, Electra and Celeano. Those from Atlas, Alcyone and Maia have been invaded by the use of reptilian DNA. We call them the Third peoples from Ante christ. They dwell under Antarctica and were George Adamski and Billy Meier's visitors. The same girl with Valiant Thor (Jillian) also went to Tesla. Valiant Thor was really one of these. The other "sisters" are warrior races, despite how we have been led to believe otherwise. The true Pleidian cannot be in any sort of contact with we humans – not even by channelling, because our DNA "halo" affects theirs. (Fred Bell, Billy Meier and The Hidden Texts) The TELOSIAN are remnants of true angelics from the Pleiades, but are named after their underground city in LeMuria. HUMAN^{5th}
 16. SUCCUBUS/ and INCUBUS. HUMAN^{9th & 10th} Synthetic Mantids assistants for gathering DNA to improve carbon based beings. Their pubic hairs were tested (Dec 9 2009, results were overwhelmed in the public eye due to Obama receiving the Nobel "peace" prize) and found to contain Mongolian genes.
 17. ORIENTALS HUMAN^{6th} Dark skinned, the Tans, from Vega – the Moon Madonna (not the Ummo, one of the 29 Nordics, who are on the fence)
 18. (SILVER) Argential Greys. Generally females need elements that seaweed has. From Centaurus, warriors, wear suits.
 19. TAU-CETIAN Dorean Swede human type. The "police department" have been using an enemy cigar craft after losing their own in a battle , with this battle being described by Ileana of the S.S.P. and with this craft described separately by "William" in an earthfiles interview. HUMAN^{7th}
 20. Andromeda Council, AYSE and the Casseopean whose ARK planetoid orbits our moon HUMAN^{8th}

Again – I am left almost speechless. The Elohim list *did* need updating, and was done because I had come across Betty Andreasson's art, hers being the same "*peoples*" as David Huggins, Linda Porter AND Steve Boucher, both of the latter *named in* the Template. That body of work I did not do! Allan Webber did it.

What really jerked my strings was the completing of the updated "pragmatic" list followed immediately by 1 81 4 – which was in the very first place the very reason for doing this pdf forum!
 To explain the difference between *Hogue's version* from I dont know what edition, to the 3 authentic publications I use that were written while the good docteur was still alive. So here we have the *First Peoples* from *Ante*christ – which were followed by the *Second* and the *Third peoples* stated in the *Epistle to Henri*, and in 8 77 & 10 66. The numbers of these two quatrains have their own meaning and pdf forums have already shown that 1066 was NOT the date for Hastings, along with the Bayeux Tapestry leaving us all a hint about the "Third peoples" with the Cetus Cecrops insignia embroidered. ^{page 3} Keeping in Mind that Cetus was once the northern pointer and will be again.

 There are two details here to notice. The first is the beardless person far left. Recall the detail that SAAM-E'A-EnKi-RA was beardless, & seen that way by Da Vinci.
 And the second detail. top right hand corner, a Saran crocodilian biped Messssssiah with its grey minion.
That figures: since Sarru is a fellow planet to the one we call Nibiru.

what we have begun to call "THE ANU" do not call their own planet Nibiru/ They call it ZHAAMI. Interesting that Anton Parcs says E'a was named SAAME before he was E'Ya. More intriguing that Marduk uses SAAME.

What I am about to say is obscure and clutching at wet paper bags. In the image of EnKi at the table – with his fuzzy face; and often mentioned from all sorts of sources including this cartoon that E'Ya/EnKi was beardless – I then point to the person produced from Magdalene in The Last Supper. First: we can actually see a fuzz on her features, second she becomes a man = Putin – and third; the texts declared that Da Vinci was making a joke about her little beard! My point is this. *Are we being told that Putin is in fact experiencing what Anton Parcs did? EnKi /E'Yah living within?*

From Jacques Vallee book "Wonders in the Sky"

Dr. Nostradamus and a thousand other witnesses have seen a big "bright burning rod" that changed its flight path, between 7 and 8 P.M. It was in the sky for two hours, displaying a swinging motion. Here is the actual report:

TO THE ILLUSTRIOUS, HIGH-BORN AND ALMIGHTY LORD CLAUDE, DUKE
OF TENDE,

Knight of the order of Regents and of the King and Honorary Citizen of Provence,
Michael de Nostre Dame, his humble and obedient Servant bids greeting and good
fortune.

"Gracious Lord,

"According to reports received, on the first day of February in this year of 1554, a most terrifying and horrible sight was seen on [...] towards evening, apparently between 7 and 8, which I am told was seen as far as Marseille. Then it was also seen at nearby St. Chamas by the sea, such that near the moon (which at that time was near its first quarter) a great fire did come from the east and make its way towards the west. This fire, being very great, did by all accounts look like a great burning staff or torch, gave out from itself a wondrous brightness, and flames did spurt from it like a glowing iron being worked by a smith. And such fire did sparkle greatly, glowing aloft like silver over an immense distance like Jacob's road in the sky, known as the 'Galaxy' [i.e., the Milky Way], and raced overhead very fast like an arrow with a great roaring and crackling thunderous din' and as though it were being blown hither and thither by the [raging and roaring?] of a mighty wind.

"Then slowly, over the course of 20 minutes, it turned until we saw it passing over the region of Aries via that we call the 'stony road' which the poets do call immensum

fragorem [i.e. the Crau]. Then it turned towards the south, high over the sea, and the fiery stream that it created retained its fiery color for a long time, and cast fiery sparks all around it, like rain falling from heaven.

"This sight was much more terrifying than human tongue could say or describe. And I thought that it might have come from a mountain known as a volcano. But on the 14th of this month I was called to [Bry?], where I asked diligently of many people whether they also had seen it, but not all of them had experienced it. But it did appear only seven miles from there, and the Lord of that same place had seen it, and desired that I should be his witness that he had seen and wished to record it. Two days after the fire had been seen, the Prefect of St. Chamas came to me and indicated that he and other townspeople had seen the same thing, and that it had taken the shape of a half-rainbow stretching as far as the Spanish Main. And if it had been low down rather than high up, it would have burnt up everything and reduced it to ashes as it went by.

A Duke in the day of Nostradamus was the Lord Mayor
Lord Tende is mentioned in 9 22, and 10 11

T A G French syntax changes the placement of words, where we call DNA they call it ADN, so, meaning TAG should be read G T A in English. Go to the Alchemy list and see the Runic Sky runes to check on me. The Runic "G" refers to Boötes in which sits Arcturus! Confirming that the black knights (from Arcturus) do have the Seraphim of the ARM of Cepheus King of kings, the "UUarlike Seraphim" hibernating. The "T" IS Ursa Major in the Alkhemye List =the Marg.id [obs.] – and the "A" as always is the Casseopeans with the Elohim Alliances – the Aettir, aka the Eddur.

He/it will come to go within the corner of Lune/moon,
Which will be captured and made put strange place:
The *unripe fruits* will be the subject of great scandal,^{pedophilia}
Great blame to one greatly praised. Obama who ratified Treaty 9

Speaks about the underground moon slaves which are children... and not just under the moon, but under the military bases such as Dulce – where Phil Schneider was attacked yet bravely told the world about the stolen children, when Jimmy Carter, horrified at having to ratify the 1978 "treaty" – arranged for Commander Richards* to rescue over four thousand of them. This was nicknamed the "Battle for Dulce". Commander Richard's son great praise for one great blame = the likes of Obamba ratifying the off world 1933 "treaties" where children became termed as CARGO in 1933.

The fact that there exists a 1967 blueprint for antigravity space craft lends weight to any moon trips.

Since this was a full two years before landing on the moon in a free energy assisted tin can.

Not forgetting the evidence that Hitler had the means to do so in 1939.

Being a time viewer, Nostradamus would have been fully aware of these details. The words "made captured" are a hint that this was more than just getting there. The "unripe fruits" refers to the children.

The "great blame" seems to me to be laid fairly at the feet of F.D.R. in 1933. Ratified by Harry Truman

“Edited by CAPTAIN MARK RICHARDS Published by – Earth Defense Headquarters <http://www.edhca.org/>

Government scientists (the secret government) purportedly labored alongside an alien force to work out the sundry ways the general population could be brought under an ultimate totalitarian control that would leave humanity as little more than farm animals to be used for breeding. All of which began with a 1947¹⁹⁴² treaty signed by President Harry Truman, that set in motion a plan where THE ELITE OBTAINED ALIEN TECHNOLOGICAL SECRETS IN EXCHANGE FOR PERMITTING THE ALIENS TO ABDUCT HUMAN SUBJECTS FOR THEIR DIABOLICAL RESEARCH. In time, the elite would be allowed to survive to become the overlords of the human sheep, under ultimate control of the aliens – like the dogs that watch the sheep lambs on a human farm.....”

Le grand Empire fera roit defole,

Et tranſlate pres d'arduer ne filue:

Les deux baſtardz par l'aifne decollé,

Et regnera Aenodarbe nay de milue.

5 45 The great Empire will be defoliated standing,

(the Fr. *roit* from *droit*? upright? trees standing defoliated)

And translated as near enthuthiastic, not wicked: chemtrails

The two bastards by the oldest one executed,

And Bronzebeard not from middle-ground reigning. deepstate

Mr Hogue in the Rex Bear interview cast aspersions on ("she is just wrong, the other Nostradamus person") how many went up in the space shuttle (as far as we all were told there were seven). On the strength of line four having, he said, THKL. For one thing, as you can see for yourself in the three publications while the docteur was still alive, none of them have it as THKL.

1 81 about the **Challenger**, says Hogue –

no, the clue sits in the word "neuf" which not only means "new, novel, innovate"

but also the number nine – of which the Pleiades are composed:

The King (Atlas) The Queen (Plione) and the Seven Sisters - which HAVE been "divided".

They are the Second or Third peoples from Ante Christ,[Epistle To Henri II] the 200 led by Semyase [in the Bible] from Atlas and Alcyone thus dividing up the (angelic) peoples from Pleiades

The word "mors" does not necessarily mean "death". It refers to "microphone", a maw being a bit in the bridle which is what modern microphones look like. But this refers to directed energy fields in this quatrain.

The Pleiades invaded by those from Centauri KAPPA (greys of the Military Industrial Complex), those from Chertan once part of Carpenter constellation, now THETA in Leo (shape shifters "managers of all", 6 59 3, including Sirius), and those from Aldebaran LAMBDA (sexual rogues MK Ultra etc 3 81 1 in the Hidden Texts)

In the Preface Nostradamus warns us how to understand the Quatrains by ALWAYS LOOKING TO ASTRONOMY FIRST

We shall see how Quatrains 8 77 & 10 66 tie in with the one misused: numbered 1 81

8 77 1 The third ant~~o~~christ very soon annihilated ,
(reptilian hybreds, due to ice age, even tho they dwell under Antarctica)

10 66 3 King Reb [rabbi] will face an ant~~o~~christ so false,
the reptilian-bred nephilim, Alcyonese – Atlas –Maia and Aldebaran under Antarctica

Here, we can see why "scholars" have taken the meaning of "antichrist" to be one person. We have seen there is the "second peoples" from ante christ, and there is also the "third peoples" from before christ. The words "face an" in 10 66 3 makes it look like a person – but it is to choose from either those of the second peoples or the third. When John the Greek wrote the word *antichrist*, upon which all scholars hang their hat, he was not incorrect. Simply because *those from before christ WERE anti (AGAINST) his principles – having never actually heard of him yet!*

One other thing Mr Hogue stated regarding "other translators". That they were not "taking into account the Medieval French words".

I am not picking on Mr Hogue, he is not the only one with this mind set regarding the various publications. In fact – some well meaning Nostradamophiles have actually *corrected* all the "medieval spelling" thinking they Knew Better than the Docteur himself. To repeat the words of CHANI, he who gave us the *Chani Project* which prophecies became predictions and most having come true since he first appeared "in the machine" in 1995:*

RECLAIM AUTHENTIC MDLV (1555) METRICAL/poetry line AND EDIT UURECKAGE repeated as follows:

 DISHONOURED that edition AS UUELL AS MDLUMDLV/1555 DESIGNED ROUGH DIAMOND UERSION MUGS IGNORED.

to find anything such as the quatrain reference number in my works one only needs an unusual word: C+F+ "UURECKAGE" or "MALUSED" or "HUMDRUM" or "DIAMOND"

(recall 1 42 4 "seeking the gold of the Ornament (d'Amant - diamonte, a form of false diamond) and Psellus." The Ornament is Nostradamus himself (3 94 2) and Psellus is Michael Psellus The Younger, his *Cronographia* which speaks of many things, including quantum mechanics/physics & divorce – published 1055 A.D. (y 379)

Cherchant les or du d'Amant & Pielyn.

1555 d'Amant - diamonte/Ornament is Capitalized (Amant also means 'lover')

I ask – why would we? Why would we need to take into account the Medieval French words?

Many are hybridized Latin, not capitalized when they should be and *vice versa*, with everything else "wrong" in between – for those translators who are not aware of the Triple Method; and the need for certain spelling to remain that wordway in order to facilitate the anagrams. It is by the Knowledge of the Triple Method one can tell which of the "authors" (such as Philippe de Nostredame) are genuine!

I felt so sorry for Chevigny/Chavigney because *he had the Triple Method*. For him to be using it and STILL KEEPING IT A SECRET meant he was very much trusted by the Good Docteur, and badly maligned by modern know-it-alls. Allan Webber discovered that the anagrams *work no matter what language one translates them into!* Hence the pdf forum *LANGUAGE IS ENGINEERED*

Keeping in mind that at all times over the years from April 10 1980 until I met Allan - I was the MOST CONFIRMED NON BELIEVER in anagrams. I only met Allan (by email) after reading a tinyurl tongue in cheek collection of a few famous people by name. Such as William Shakespeare and Michael Jackson. The "coincidences" were just too neat. from names MICHAELJACKSON and WILLIAMSHAKESPEARE

THIS was why I was so impressed when working with Corey Goode's name. No matter what line his name was in – not one of the lines had a good thing to say about the veracity of Corey Goode. Same for Dr Greer, De Long, Wilcock etc. They are all adept at repeating OTHERS' WORK.

***CHANI PROJECT.**

I have no idea why the date for Chani's interventions has been changed by the likes of Wikipedia etc. The first place I read about Chani was in the Nexus Magazine sometime around 2006. Stating he arrived 1995 and was gone 2005. Yet the likes of Wikipedia have changed it to read several years later. My only reasoning is to quote what Jim Penniston's experience "gave us" – WHEN Linda Moulton Howe asked Jim Penniston:

WHAT ARE THE INTELLIGENCE AGENTS GOING TO DO WITH YOU?

They tell me when I was at the East Gate with John, they have five different stories to tell. It's important to scramble dates (which confuses and undermines consistency of eyewitness testimonies so no credibility with public and media.)

(This is what happened with the testimony of Dan Burisch and most of history)

"Here already it has been some time that my dear Brotot was delighted by **Parks**, who took hold [of our mandate] those things amongst which must be done by herself (being) as a priority the more important [thing/mandate] among us."

THE ENGLISH SHOULD BE SAYING 'HER' – BUT DOES NOT BECAUSE THE TRANSLATOR/S DID NOT KNOW WHAT THE SUBJECT REALLY WAS ABOUT – THE HANDING OF THE 'LITERARY WORKS' TO A FEMALE PERSON IN THE FUTURE – THIS GENDER ISSUE IS REITERATED BY THE LATIN WORDS WHICH FOLLOWED IN LETTER 32 after the word 'jasper', YET WERE NOT TRANSLATED INTO THE ENGLISH; THEY WERE JUST LEFT 'HANGING' ie:

Moreover indication is (in evidence) she is unharmed by infection in the pelvis because of her bad decision (caused by the Dalkon shield in 1972)

AND of course, while I was fetching the "jasper" find, I spotted this: Lettre #36 too

"This is truly what happened: I am not basing what I say on mere empty arguments or oracles. Those who have hitherto looked into it are certainly wrong as far as the true location is concerned. As for me, you will see that I am not inventing anything: I am going to tell you the place, without any error -- and without using involved language, either. It is located toward the west of the site in question, in the part of it where one can still see pieces of marble adorned with remarkable sculptures representing animals, and especially oxen and bulls; there are also urns and other earthenware vases, as well as a beautiful frieze of porphyry and jasper depicting the effigy of a lion bearing a sword -- i.e. carrying a sword in its mouth.

I have underlined the ciphered words - which I point out he states:

"I am not inventing anything.... and without using involved language, either."

"I am not basing what I say on mere empty arguments or oracles."

So he is basing the information on what he has seen. What he knows.

Even Though I am using someone else's translation, it is still clear that he speaks of a mysterious "place" such as Giza (or a place with a stage gate, like, Rennes Le Chateau) - so we have:

Crikey it took me a long time to work out who this is. Wilcock refers to having been Edgar Cayce once. After 'famous' people become cloned they tend to change tack & direction thereby. *Nothing new arrives. BUT ONE THING IS CERTAIN - WILCOCK, NOR ANYONE ELSE, DOES NOT HAVE THE 'FIEFDOM' OF TRUTH INFORMATION!* Not until the last hint HALL OF RECORDS did it come to me. The *main person*, however, who HAS been "fudging" the Centuries has been Lemesurier. Easy to remember the name = the messier one. ANYONE who is trying to FEED LARGE HARM & be paid for it, is, in my book, quite culpable. Changing the spelling of quatrains and mis-interpreting them (apparently on purpose) ; or any other information sent from the *Elohim Alliances* to help us (you & me) thereby, is robbing the public of the truth. Placing us in real danger. Should ANYONE take me to court for whatever reason – it would only do the Hidden Texts a world of good... [publicity-wise], since the **Texts only speak the blunt truth** – and much of it *easily* provable, coming true hand-over-fist fast as the works have been doing!

How to deactivate an RFID Chip / Implant

"" "The implantable microchip can be removed from the body – but it's not like removing a splinter. This image is from a French documentary showing a VeriChip being surgically removed from the arm of a journalist. Source: News of the world – RFID CNN reporter Robyn Curnow confirms that chip removal is difficult. She was implanted with a VeriChip in a Spanish night club in 2004 and had the device removed later that year. She reports that the surgery was a challenge for the doctors involved, a far cry from "removing a splinter." Here is her report: Once back home in London, I begin to feel uncomfortable and unsure about my microchip implant. The Baja Beach Club Web site assures that getting rid of the microchip is a simple and harmless procedure, something like removing a splinter. But the two doctors I consulted in London's Harley Street disagreed. Getting the microchip removed became serious business."

The following is from a reader who had an unbearable ringing in their ears and suspected they had an implant. This is an excerpt from part of their letter.

"That night, taking the advice on your website, 3/4" Neodymium magnets were now placed on the top arch of the ear, one in front, and one behind. But the ear had been cut, and the force of the magnets became so painful, they were not able to sleep with them on more than 2 hours before having to remove them."

Only days have gone by... but the sound has not returned.

(Referring to the ringing and beeping noises.)"

Magnets can also be found inside old hard drives. They will be encased in a silver (or gold) overlay because they are more brittle than other magnets. But you will not mistake them, because the moment you try to put them together you will pinch your fingers.

They are very powerful magnets, derived from a rare earth mineral.

Trump orders U.S. Marine Corps Reserve units into active duty

Posted on October 7, 2019 by Dr. Eowyn

Yesterday, Mike Adams of Natural News alerted us to a directive signed four days ago on Oct. 3, 2019, by Marine Corps Brigadier General Daniel L. Shipley, ordering Marine Corps Reserve units to active duty "in support of" the United States' civil authorities.

On January 16, 2019, then-Colonel Daniel Shipley was nominated by President Trump for appointment to the rank of brigadier general. Gen. Shipley is now the Director of the Marine Corps' Manpower Plans and Policy — a division within the Department of Manpower and Reserve Affairs (M&RA), the largest department within the Marine Corps Headquarters.

LIST OF TWENTYTWO TYPES OF FREE ENERGY

When people quiz me regarding the "honesty" or true benevolence of the source of these works (despite so many alerts coming true), with some even suggesting Archons are behind the works because "Nostradamus was a Jew and a satanist" ...! my answer is always this:

You show me ANY other so called 'prophecies' from ANY OTHER source, including so called 'channellers' - (hate that word 'prophecies', I am only a collator) that have provided the constructive information that is to follow;

You might ask "why do They (Them Up There) bother?"

IF you did have that thought – then you are part of the problem. The dis-ease our lovely planet is suffering. Pollution, deforestation, death of the oceans rivers and waterways. And for what? For the love of money, for greed, and for only the few. This is one area Allan Webber's Programmed Template shows its *reason to Be*.

In order that you yourself can go and check

In former pdf files, each new free energy line was published as it was found – so that list of 21 types as it was begins here with additional lines found today, and they are about HEMP

This is saying that Hemp was brought to Earth by those from Theta – at a guess, from Aquarius. So here we can hark back to Hogue's "explanation" of line 4 that he has as Thiakol. But actually says 1 81 4 Kappa, Thita, Lambda mors, bannis efgares. 1 81 Challenger? – no, the clue sits in the word “neuf” which not only means “new, novel, innovate” but also the number nine – of which the Pleiades are composed: The King (Atlas) The Queen (Plione) AND THE Seven Sisters - which HAVE been “divided”! They are the Third peoples from Ante Christ, [Epistle To Henri II] the 200 led by Semyase [the Bible] from Atlas, Alcyone and Maia ~ thus dividing up the (angelic) peoples from Pleiades – ergo: "the NINE SET APART FROM HUMAN FLOCK" are the Pleiadians (nine stars in Pleiades). The last line, line 4 in all three of my original ("authentic") publications does not say what Hogue is saying at all. The words are in actual Greek 1 81 4. The word “mors” does not necessarily mean “death”. It refers to “microphone”, a maw being a bit in the bridle which is what modern microphones do look like. But it also hints at directed energy fields in this quatrain.**
- ❖ **The Pleiades invaded by those from Centauri KAPPA (greys of the Military Industrial Complex), those from Chertan, once part of Carpenter constellation, now THETA in Leo (shape shifters “managers of all”, 6 59 3, including Sirius), and those from Aldebaran LAMBDA (sexual rogues MK Ultra etc in Antarctica. 3 81 1 in the Hidden Texts) In the Preface Nostradamus warns us how to understand the Quatrains by ALWAYS LOOKING TO ASTRONOMY FIRST**

	D . E . F	1 63 is the quatrain which spoke of "squeezing the air water waves" and in the 1 63 3 quatrain telling of the HARRIER CARRIER Eldridge of the 9 100 "new trick" – adding here this topic of directed energy fields may or may not be a part of the free energy systems which are running air craft, if these are not using ununpentium
	noting	the free energy needs for EVERYONE from home to hamlet to village to business and right up to space travel including the GoldenCubes bending light LUX propulsion is covered in this table, using Earthly technology

The fact that one very talented man can blindly program anagrams from the Quatrain lines written by Nostradamus and have 22 different types of Free Energy appear, defined via those lines ~ is plain and simply painful to the brain. This accomplishment of CO-INCIDENCES matches those that appear in WHAT ARE THE CHANCES? Just how many does it take for an unbeliever to capitulate. To me, 22 of them is plenty. it needs to be stated here that even though the works of Nostradamus had me asking a little prayer April 10 1980, it was not until 2006 when I was in the local library and saw his book smack on top of a pile of other books, that I picked it up, for it to fall open at 1 63 (top right hand page) and the FIRST word I saw was "serre"; "squeezing the waves" which hit me in the forehead as "jet power" in the moment. Since that time it also means Medusine Device: directed energy fields when "squeezing sonic air waves".

He also mentioned soldiers going through the time portal at Montauk to fight in a 'future war' 50 years ahead!

From EMERALD COVENANT

Anna Hayes (Ashayana Deane) states in her book [Voyager II](#), page 250, (Second Edition - 2002)

"We are presently under a state of covert global (and galactic) war, a war of which our populations have no directly tangible evidence. How can I make such an apparently threatening and most unwelcome statement while still expecting myself to be considered a spiritually awakened being? I can make this statement as a calm statement of fact because I have been made aware that on September 12, 2000 the Anunnaki legions not only defected from the peace agreements of the Treaty of Altair, but they subsequently joined forces with the previously competing Drakonian Agenda legions, thanks to the Necromiton instigation of forming a "United Intruder Resistance" (UIR) As a strategic move to ensure the success of the One World Order Earth dominion agenda held by each of the competing Fallen Angelic groups, the Necromiton race of Density-3 Andromeda, "the beloved Andromies" who have been in contact with several prominent people in the UFO Movement, opened negotiations between the competing Fallen Angelic collectives, successfully bringing most of team together to take a united stance against the Emerald Covenant peace treaty and freedom agenda.

THIS EXPLAINS THE CONTRADICTIONS I/WE HAVE BEEN FINDING REGARDING THE ANDROMEDA COUNCIL ON THE ONE HAND IT IS THEY WHO ORGANISED THE PROCYONS TO ELIMINATE DRACO BASES ON EARTH, ON THE OTHER HAND NOSTRADAMUS DOES SPEAK QUESTIONABLY REGARDING THE "O" (ANDROMEDANS) AND THE "R" (DRACO). FREQUENTLY IN THE HIDDEN TEXTS THE Q AND THE R ARE TOGETHER AND CANNOT BE SEPARATED USING THE CONTEXT OF THE LINE. IT DOES NOT MEAN "OR" EITHER. IT MEANS R.O. REGENCY ORDER OF THE ANDROMEDA COUNCIL.

An explanation is needed regarding RO and Ra. The Name "RO" was provided in a small number of lines as direction to the collator with what to do with "LETTERR LETTERO" There is no runic sky rune for O. As a rune it means "natural inheritance" and "orbit"

10 1 3 where it says to use the letters "R" & "O" for the "PRIME" and the number one 'Prime' are the Andromeda council (who also "primed" the hidden texts indirectly) 10 1 3 **RESET ENCIPHERMENTS LETTERS HENCE LETTERR LETTERO IS PRIME** (R.O premise). The original problem being (apart from the word "OR", a word which should not be seen in a prophecy) is that the sky rune for "R" is Draco, so if one sees R. O in the lines it would read *Draco orbits*. In most cases this would be out of context.

U.I.R. = N.W.O. To read the rest of this Go to page 36 Da Vinci, G.W.E.N – SARAN on Folio 8 in the website

"If the First Mass Contact drama does take place, as the UIR/NWO presently intends - they will have already gained full control of Earth's portal systems, and will be able to initiate pole shift precisely when desired via the Nibiruan Battlestar, the crystalline installation beneath Stonehenge, England, and their global network of subterranean bases located across the planet. Prevention is the only way to solve this drama peacefully before it goes any further.

If the UIR/NWO movement has its way, the illusion of peace on Earth will be maintained until they have their photo-sonic beam-ship fleets in position, cloaked within the lower dimension-4 frequency bands (as many are already).

The fleets will be positioned over numerous secondary Target Sites and 24 Primary Target Sites, Earth's 12 Primary Star Gate "Signet Sites" and their corresponding 12 "Templar Sites," the activation sites for the corresponded Star Gates.

DA VINCI SAYS THERE ARE 72 STARGATES

Once fleets are positioned, progressive *instigation and amplification of conflict and regional wars among human nations* will be further implemented via psychotronic technology, a process of scalar impulsing that has already begun.

Bosnia was the first mass experimental test run and several other tests have been already initiated in China, the Middle East, Russia and the USA.

As 'ETS' remain a hidden potentiality to the masses, instances of 'Mother Mary', "Jesus," Buddha" "Crucifixes" and "Holy Figure" holographic inserts, associate "Crying Statues and Paintings" and related pseudo-Divine phenomena will progressively appear to groups of humans who are mentally ensnared in both Traditional and **New Age** religious dogmas, promoting reassurance that "God"s Chosen Ones" will be SAVED in the 'Great Cleansing' or 'Tribulation'.

The other reason that POTUS had to let all these people spin and do their deeds, while White Hats were recording it and getting it all documented is because the last 4 Presidents when they left office the last thing they did, is signed documents pardoning everybody! you may not know about that and that pardons Hold... so that's one reason why they had to wait a couple years and get them for plenty of more current crimes and corruption. It is just hard to really grasp that it has been lifted, because we still are paying so many taxes, fees, and getting pulled over by cops for speeding, etc. Who is going to tell these judges, mortgage companies and State treasurers that we are not under their thumb any longer? Lol. It just seems like a fictional movie still and not the reality of freedom.
