Big dude..

C+F+'Giant' on page 36. **The GOGs' elite = MaGog** where Penre describes "Giants coming down". Also see where Putin's army has been fighting Anakim that **"turn them to stone"**.

OK
There are TWO giants here. We already know we cannot go on looks or appearances - because those are things the Anak can change at will.
The only way we have left to our resources is by watching what they do. Since they have telepathy how would Trump know if they lie to him? If wishes were horses, I would wish the ten footer is actually EnKi – who is supposed to be a RÃ these days. Albeit, the Anak have an IQ in the 1200s, so certainly able to plan the deep underground raids. Are these two colleagues?

The **GOG**

CONCLUSION here is the ten footer is NINGISHZIDDA

8 26 3 Le grand qui tient ne tient voui ira l'amplonne. The great one who holds (the amperes) but does not hold! BUT l'amplonne does not say Pamplon. "ampli"= amp, "ampleur" = breadth, fetch. "l'amplonne"= frequency waves, and who is Lord of the airways?

Sometimes working with the actual English translation can provide the last clue

8 26 3 The great one who holds Pamplon, but does not hold. gives us this:

TRUMPS HOT BLOODED PENTAGON HOTHED HELL HOLLOWNESS >>> the military industrial media complex

HE AGED HANDSOME, DEMONSTRATES LONG DETESTED BLOWN UP>>>the fulcrum word here is "demonstrates"

NOBLE TOP-DOG IS HOPELESS NO-HALO ANGEL PLANTS PATHOGEN>>> Valiant Thor (The Storm)

HUGE THOR-GOD PLANNED PLENTEOUS DEATHBLOW TO ENTOMB>>> so not just pathogens

AT UNWHOLESOME D.U.M.B. THOUGHT HOTBEDS WELL PUT DOWN>>> "unwholesome" breeding babies to trade...

- * the military industrial media complex in the Pentagon: the residue of the Nazi Aryan/ Vril agendæ
- * the fulcrum word here is "demonstrates". When Valiant Thor was said to have first arrived (1957), he did pretend that nuclear was not a good way to go – then goes on to show them where to put the nuclear plants – all on fault lines! Since he does not really age at all, he is still a very handsome man. He was here ten years before he gave them blueprints to anti gravity, May 1967, two years before the moon landing. Being from Venus we can assume he helped them get to the moon. He had actually already helped Hitler in 1939 get to the moon. Why did he wait ten years? Was he busy re-installing the Aryan-Vril
- * Valiant Thor (The Storm) who has always hated the Lulu, since we were "made in their/ his image"
- * so not just pathogens; but biogens in chemtrails and our food, and not just against humanity, but nature too
- * "unwholesome" = breeding babies to ... treat them in any of the most cruel ways that might come to your imagination – taking organs without anathestic for instance, torturing them to raise their adrenochrome (also known as halal killing), sex trading with off worlders, shooting the kids up with by products from cattle mutilations to "sex them up" and selling to the psychotic "elite" who are far from elite
- * **THOUGHT WELL PLACED** – who "thought" – the builders is who. Is it related to: he who "holds, but does not hold." (EnLil)?

April 20 2020 **C+F+'detectors'** of "BS"

Last night I was told the ten footer is the new King Ningishzidda. Not known yet if he will use that name. Most unlikely.

The person skulking in the crowd is, at 7' 11", Val Thor, said, or thought, or led to believe to have left some years ago.

When one has time gates, he could just as easily have left then and returned ten minutes before he left.

Question is this: What is he doing in the crowd? Spying is my guess – because he can read minds.

While calculating the dates from the ciphers in this quatrain there was a sudden electric shock of "Oh No"! First thoughts were – after all these years of working with Miss Frances Rolleston's Mazzaroth and Allan Webber's Decans calculations, only to find when raising the date for Raven/Corvus, that they have had it wrong. Indeed back to front. These days precession of the zodiac astronomical signs works in reverse. Therefore Raven should have been by rights the *first* decan of Leo, because it sits directly next to Virgo – *followed* by Leo, had it been a matter of *precession* of the Equinoxes.

Qualified by the words "in our times".

Miss Rolleston was working from the King James [Version] in which the Precession WOULD HAVE BEEN in the forward progression and not the reverse of Precession, as it is now.

The King James Bible was compiled/written up around the y601 – y611 period.

These dates are BEFORE the astronomical RESET which followed y611 during the decades of y670s to y690s Notice that even though pope Gregorius altered calendars January y583, how the public refused to comply in the seventh century. Indeed, the Gregorian calendar was not accepted world-wide until y922 (1922)^{Enc. Britannica}.

If you have read the pdf forum **RESETS, THEN YOU WOULD KNOW WHERE I AM GOING WITH THIS** (thank you Dan Green for sending me the Ison Image which you were puzzling over the *shadows portrayed*, and with the secret clue of the side-saddle's reversed stirrup iron, which only a lady horse-rider would have spotted). THAT in the day of Da Vinci, Nostradamus, the Bayeux Tapestry's zodiac date of **y495** hidden within, (hoping the person who came to that conclusion, or myself, has not made an error about the dates shown on the Tapestry) because the one in full view clearly says DVCI = D=500. VC = 95 and +1 = **y596**. Have I added this incorrectly? Was there another way for Roman numerals to work in those centuries? If it were to read 400, that would appear as C *before* D, (400) then where should the V/5 and the 1 be placed? Would that make it y406? It read DVCI & 'interpreters' have blithely called that "duke". Even though William was an actual duke & could never be a prince, he always signed his name *William The Bastard*.

Without any title of Duke as a prefix or suffix. Take note of the fashions- they are turn of the sixth century.

As shown in the pdf forum RESETS, the vignette/s in reverse (The Queen *Casseopea* and Cepheus *King of kings* depicted on the wrong side of Orion, and a Chavigny illustration also showing Pleiades on the wrong side of Taurus. These being pictures in the former, by young Cesar when he was only 10, a year prior to his father's death in y566, and the latter in y603.

3 5 6 PARSE SEVENTH CENTURY

pass /parse After sixth [500s] and seventh [600s] century twenty third.

Filippo said: "In the year settecentotre (703) the skies will be/made witnessed, ""as long as everything is not expert. (6 100) The future tense is characterized by the dates of the **Mills precesses** (Millers Precession is The Great Millwheel of Ages) - **And [Earth] moved closer to great Blazing Silvio/Saturn ...**" and the Millers are those who created Earth & her Living Library

SUMMARY: during the years of Roman times to **Da Vinci**, then **Nostradamus**, **pope Gregory** in y583, the Bayeux Tapestry and its **comet depiction-prediction** in y596, then **King James'** y611 up to **prince Otto** in y676 **Giovanni Cassini** in y672 – (seventh century) the heavens showed the *Procession* of Equinoxes, and not the *Precession* of those Zodiacs. So when Miss Frances Rolleston in the late 1800s and Allan Webber in the 1999 time-frame described their Decans of Zodiac Constellations, they were working with the times *previous to the current* reset!

In theoretical terms; the *Alkemye List of Decanates* should really be repaired to have the decans appear in an opposite depiction. These are the prophesied dates after all! Yet, the prophecies, being made in the period they were, were made to fit what was then with what is now. The Texts are proving themselves true after all! To conclude among these details is Bill Gates' dirty little attempt to hid our night skies from us just exactly as we are about to see the biblical "heavens scroll back". Between **deceptive Elon Musk** and his obscuring the stars from our view with his spider web of satellites, (which these texts have said will not be allowed to rain down death onto the Living Library,) & Bill Gates with his "*dimming the sun*" agendas – we are all as it seems stuck lierally between the d'evil and the "deep".

May 7th 2020 – The Surgeon General has decided not to approve the Fauci-Gates Paradigm (of making ketrillions of dollars for themselves) because their future design is faulty. And not just because Gates holds the patent for the current biogen, in 2016...

Add to that a couple of details asking- "why did Gates visit Epstein AFTER Epstein had been convicted"...

and why was Gates laughing and giggling in an interview about his needles helping to depopulate? – answer is this:

Gates is in phase one of Kuru, the "laughing disease" which killed Hillary Clinton in September 2016.

The Gates you are seeing in public is a well tanned clone.

Do you see what this says? Speaks of the lost 324½ yrs.

It is the silversmith's date engraved in a silver cup. A photo I shot while watching an Antiques Roadshow documentary. Just a mere curiosity at the time, 2011. Yet. Why would anyone use their media format only to have the year displayed in such an *ad hoc* manner?

There is something serious behind this with its quite large "J" like a great big fishing hook and 690 June – the year of our lord Jesus 690 and a half!

The silversmith artist here was either being OCD or trying to send a warning, that the years had been halved in calendar.

And they had been! Prince Otto had changed July 676 into the year of 1,000 "at Yule", meaning winter in the middle of a year, the first of a fiscal year where he was.

Had summer suddenly become winter?*

Following suit of Gregory's actions in y583, January, and for the same result – a fiscal year. [July/Julian] It is not known for how long the Vatican really has had the cronor visor. Did Gregory see the reset coming & decide to remove the J prefix exchanging it for a number one (adding 1,000 years)? Did J stand for Julian?

The year Cassini saw the intruder planet at our sun was 1672, four years prior to Otto changing the calendar.

"In May 1672, the drought lowered the water in the l'Yssel [sometimes called Gelderse l'Jssel River in eastern Netherlands] and the Rhine River [in Germany]. The river was fordable on one arm of the river at several locations. This allowed the army of Louis XIV, to cross the river on June 5.⁷⁹

One last detail. It is only a question, but one that warrants an answer.

By rights, since there was an ongoing ice age with a hundred years still to go – how did the navigators know it was an island? At what stage did it connect to main land, and why?

A map in y660~California is an island. All maps until then said so

California was an island until Ferdinand declared it was not in 1492. Obviously this is not the 1499 Ferdinand of Columbus.

Much of my work is based on exactly that principle. I learned that when they t'asked me to find all the names those Anakim have used. At the 120 names mark I realized why. And the texts themselves explained it too.

PFC Paper #1: The Marduk Issue and the Earth-Bound Anunnaki
by Wes Penre, Thursday, May 5, 2011
[\[http://wespenre.com\]](http://wespenre.com)

1. Abstract

"I want to start the first **PFC** (Present and Future Challenges) Paper with a reflection of the far past hitting us in present time.

First of all I need to make the reader aware of that it's best to read the "[Anunnaki Papers](#)" before you read this one, or you will most probably be lost in the logic.

Some 4000+ years ago, the majority of the Anunnaki left Earth after had nuked the Sinai Spaceport and Sodom and Gomorrah. Marduk, however, who was Ea's* eldest son, stayed on Earth with some of his loyal Lords.

* THE HIDDEN TEXTS HAVE STATED THAT MARDUK IS NOT THE NATURAL SON OF AN.KUR-E'A, THAT MARDUK'S BIOLOGICAL FATHER IS ONE OF HIS HALF BROTHER-COUSINS UTI or AINU. TO FIND; THESE LINES IN THE HIDDEN TEXTS THEY ALL CARRY THE KEY WORD "OEDIPEAN" FOR MARDUK, OR "SIR" one of his fifty plus names (C+F+'OEDIP' or '1 87 4')

Marduk, in the past, married a human female (a crossbreed between Anunnaki and homo erectus), and was therefore forbidden to return to Nibiru; no human was allowed in "Heaven" (although some exceptions were made on occasion, such as Enoch, but otherwise, they were only short visits).

So, Marduk had to choose to either keep his hybrid wife and give up his royal status on Nibiru, or abandon his wife and keep his status. Marduk, whom already was angry with his own King Anu and his Council, due to them putting Nammur's bloodline before his own, more or less said, "screw it!" and kept his wife.

However, he never forgot or forgave his own relatives, whom he thought had betrayed him, and he declared war against the Enlilites (the RAM* clan), and now Marduk wanted to be the Ruler of Earth. At least, that was better than being no king at all, he thought.

*RAM CLAN. DURING MARDUK/SNEFRU REIGN THE RAM HEADED SPHINX IN THE AGE OF ARIES (1440 BC TO C.E. endnotes) WAS HIS EGYPTIAN SIGIL. WAS HE STICKING IT TO ENLIL? HIDDEN IN THE LAST SUPPER ARE THE FAMILY OF ANU - WITH MARDUK LOOKING MUCH MORE LIKE EN.LIL AND NOTHING LIKE THE RED HAIRED ALMOST CLEAN FACED EN.KI. HE WHO IS OFTEN NAMED WITH A QUALIFYER ~ "BARE-FACED" & "CLEAN-FACED". 3 49 1, 5 5 1, 6 68 1, 8 11 1, 1 7 2, 9 52 2. 8 96 3, 1 38 4

So he fought a raging war against Inanna, the female Enlilite; a war which involved using humans as soldiers, dying in the thousands for the cause of two power-hungry Anunnaki. When the Anunnaki left the planet, Marduk's human wife was since long dead (she did not enjoy the longevity of the gods), but King Anu and the Council did not want Marduk back on Nibiru, due to his rebellious nature. Instead, they left him here on Earth to do whatever he wanted. If he wanted to be the King of Earth, he could "be their guest".

But first, the gods nuked the Sinai Spaceport to prevent Marduk access from it, due to his threats to take it over.

Since then, Marduk has been in charge of this planet; or at least a majority of it. He is the force behind quite a substantial faction of what we call "The Global Elite", "The Illuminati", or the "Powers That Be". It needs to be pointed out, though, that he is not the only one in charge. There are other inter-dimensional and dimensional forces, steering parts of the Global Elite in other directions as well, so the situation is complex (we will go into this in more details soon).

Left on our planet since the gods abandoned it are both Enkiites (Serpent Clan) and Enlilites

(RAM Clan), and some of them are still loyal to the Kingdom (the Nibiru ^[Zha.am.i] Kingdom), while Marduk obviously is not. So, the war between the two Nibiruan blood-lines is still going on here on Earth, and as usual, we humans, are the soldiers. Not very uplifting reading for the young, courageous soldiers, who go to Iraq and other places to fight for freedom, when in fact, they fight the War of the Gods, as almost always has been the case. This paper will cover the current [2011] Anunnaki situation on Earth as we know it.

DURING 2011 – in August 2011 the actual start of WW3 the Procyon sasared the base under the China Sea and under Virginia This was the beginning of the WW3 ArmMargEddan starwars.

2. The Anunnaki and Their Human Hybrids -- The Global Elite

The reader, who has followed me this far may wonder; if Marduk and his Anunnaki stayed here on Earth and Marduk is still, after thousands of years, King of Earth (in that sense could perhaps been seen as the Biblical Satan), left here to rule for another 3,600 years by "God" (Anu/Enlil) after been cast him down from "Heaven", why all those wars? Can't he just rule all the Nations with an iron fist and thus bring peace, although it's an oppressive peace? It's not that simple. Humans, also called *Lulus*, breed uncontrollably, and we are soon reaching the 7 billion mark. That's a lot of people to control; especially if you want to do it in secret. The decision to have 7 billion people on the planet at the same time is a divine decision, and nothing Marduk could do much about. What he does with the 7 billion, on the other hand, is another thing.

('DIVINE' = QUANTUM UNIVERSAL OMNIPRESENT DIVINE = QUOD. The one mentioned in Clay Tablet #1 that the Anakim (using the biblical name for these Anunnaki) referred to with great respect (if not fear) as being in control of their final fates: the debate over destinies (which can be changed by the owner of that destination) and fatal fates (which is out of anyone's control) and was termed the reverse of this in their discussion written down by Endubsar at the behest of E'a- EnKi. It is a circular argument because one will without doubt choose ones final destination which is set in stone as "fatal".

When we look upon the power structure on Planet Earth today as average human beings, we may feel small, insignificant and helpless. Even if we don't like how we live our lives, we may feel we are "stuck within the system" with no power to change it. Still, the Anunnaki who are still on Earth do not exceed the amount of 300+ individuals, compared with almost seven billion humans. We know that these Anunnaki beings are highly intelligent and advanced (at least technologically and intellectually), and they use a few thousand human hybrids (the Global Elite) to be their CEOs over Marduk's global Empire. They are still in great minority, so they need to control us by some kind of very clever master plan. This is how it's done in general:

1. The Anunnaki keep themselves hidden and pull the strings from behind the scenes. The Ša.A.M.i. have always ruled from within councils, and the Council of 12 was the superior council while the Anunnaki were here on Earth in larger quantities thousands of years ago. The original Council of 12 is no longer, according to a Ša.A.M.i. informant during LINK meetings, the ruling council on Earth. However, in old Nibiruan tradition, Marduk, here on Earth, has set up his own Council of 12, which is now his own Royal Council.

(INTERESTING that (according to Anton Parcs) EnKi's birth name was AnKur but his first name on Zha.am.i was SAAME, in the days when EnLil was EnKur chief pilot of a Kur (cargo planetoid) and noting that Pharaohs also retained at least five names.

2. They use the purest hybrids on Earth; some of them being direct descendents of the old Anunnaki Lords in the ancient past. The purer your bloodline, the more power you are delegated. These hybrids are put in charge of politics, business, education, media, entertainment, banking & think tanks, to name a few. In other words, they are positioned where they can control the most people.

**1:40:4 OTHERS NOT ANALYSING: TO DETACH ECONOMY AS ANCIENT AN [AskheNazi/MaGog] ONCE STYLED
10:8:1 PERUSAL PRESIDENTS AND U.N. LEADERS ARE DRAGONRY REASSIGNED: AS DANGERS, DEPOPULATES, EXPLOITED**

With their money scam (the banking system) they are able to keep whole nations under their thumbs, and make people in general dependent on money for their survival.

They use their ancient method of "divide and conquer" by something we call "*Problem-Reaction-Solution*". When the Global Elite, through their alien masters, want a change in their structure; whether it's local or global; and they know people in general wouldn't agree to the changes, they create a problem big and traumatic enough for the population in general to cry for a solution (this is the "reaction"), and then the same people who created the problem in the first place now present the solution they wanted all the time. Out of fear and terror, people are now willing to accept the solution they wouldn't even consider before. A typical example is 9/11.

The attack is the "problem"; they get a "reaction" from the people to do something about such horrible terrorist attacks, and the U.S. government tightens the belts on us with harsher national security; allowing people to be monitored, stripped, controlled, restricted, creating new laws where it's easier to control the masses, and so on. This is happening on an almost daily bases.

3. They are using fear as a weapon, and unfortunately, we humans fall for it almost every time.
4. Of the 300+ Anunnaki who stayed on Earth, the majority of them (around 200*) are loyal to Marduk and some are still loyal to the Kingdom (Nibiru). So right there we have the same conflict again between the Enlilites--the RAM Clan (the Kingdom) and a faction of the Enkiites--the Serpent Clan (Marduk's loyal Lords). So they are still using human soldiers as cannon fodder in their petty wars against each other in an attempt to win power over to their own side. Both sides are using the Global Elite members as their puppets. Wars are also a great way to keep the population from increasing in numbers too much, as well as manmade fatal diseases, viruses, vaccinations, prescription drugs, food and sweets that are poisonous to your body svstem. to name a few.

***The 200 biblical fallen ones under SemYase (Co Pilot) from Atlas and Alcvone who sent emissaries to Billy Meier, George Adamski and many others because. as the Hidden Texts tell us, "they still know Love". However, they arrived in Vrill craft.**

5. The whole power structure on Earth is built like a pyramid, with the Council on the top; the Global Elite purer hybrid power bloodlines right underneath; less pure hybrids under them; and under them, hand-picked humans who have the brains to be able to do the job and can be manipulated easily enough by promises of power and wealth. Most of the latter have no idea whom they are actually working for; everything is on a need-to-know basis to keep the truth away from people. With those "regular" people, or those of watered-down bloodlines put in important positions, blackmail is often a common way to keep them loyal to the cause. **Very commonly, they are offered young, beautiful women** (often underage girls or boys) to have sex with, without their wives knowing about it, and in the future, if they refuse to cooperate, their dirty laundry is hung out in public. Hence, the many [real] suicides in high places, and high level officials with their crimes being exposed in the media.

The situation is further complicated, because factions of the Global Elite have signed contracts with other alien species, like the Grays/Reptilians and the Verdants (more about these later), creating more civil unrest, conflicts and wars, making this whole planet a giant war zones, with the great majority of people having no idea what is going on. Most of these bonds were made through TTPs (**Technological Transfer Programs**), where **'we' got technology in exchange for what they wanted from us.**

In charge of the human Global Elite (the human hybrid parts of it), are the Rockefeller* and the Rothschild banking families.^[1] They have been the visible rulers for a couple of millennia, but under different names. The Rothschild's were previously called the Bauer's, for example. Both families are royal and go back to old Sumer, and further. There are 11 other ruling Elite families as well, whom also go back to the Anunnaki. They are, according to researcher and writer, Fritz Springmeier^[2]:

"So what is the difference between "regular people" and those who are of the ruling Elite, or connected to them by blood?

First of all, many of them are descendents of the old Hebrews, and are therefore the Enlil's (YHVH's/YeHoVaH,s) 'chosen people' in the Bible. They have been put near the top of the pyramid to rule over the rest of mankind. According to Sitchin's translations, they were not meant to rule us with an iron fist like they have over the last millennia, and kill us off and treat us like slaves and cannon fodder. The intention was apparently to govern us until we could manage by our own as a human species. We know that this never happened; they were immediately, under Marduk's command, drunk by power and wealth, and became the Ruling Elite we see today. They have no intention to set us free. But like I insinuated before, I don't think the intention ever was to let us rule the planet. The Hebrews, *who were the Enlil's chosen people*, were taken advantaged of by Marduk, and bribed. So they simply changed side. This is my belief.

What I find notable is that king Anu and the Enlil got these strange epiphanies from Galzu, the mysterious person, and right there realized that we are all ONE and humans need to get Earth to rule over themselves. So why, then, did they leave Marduk here, too rebel-lious to come back to Nibiru, knowing he would make a mess down on Earth? If they loved their "children", as they apparently call us, would parents leave their kids with mass murderers?

" Anu visited Earth 400,000 years ago to set up the Expedition, visited again 300,000 years ago to settle the Nibiran miners' strike Enki staged to justify mine slaves adapted from the Nibiran Homo Sapien genome with genetic material from *Homo Erectus*. When Anu visited again in 3,800 B.C., he took Inanna, his great granddaughter, as concubine.

He divided Earth among his descendants.

Anu believed that the Creator of All, through Galzu, got the Anunnaki to create and save the adapted Earthling race. " Prof. Sasha Lessin... continues...

Galzu said he spoke for King Anu *and lied to keep Enki, Enlil, Ninmah and their kids on Earth when they'd have left.*

Galzu gave Enki a build-a-sub program which Enki put into Ziasudra's computer. Ziasudra built the sub and Enki's son Ninagal guided it through the Deluge to Mt. Ararat. On Ararat, as per Galzu's plan, the Nibirans decided to breed Earthlings to support them as gods. As gods, they'd rule through Ziasudra's sons, would oversee the Earthlings, who would serve the Nibiran royalty as their gods.

Anu uncovered Galzu's ruses to keep the anunnaki fostering nibiran-earthling hybrids. Enki told Anu the dream he had of Galzu. In the dream, Galzu described an submarine for Ziasudra, Ziasudra's clan and the villagers who would help build it. Enki related how, on waking, he found plans for the boat engraved on a stone tablet beside his bed.

"By that was Anu greatly puzzled. 'I never sent a secret plenipotentiary to Earth'" said the Nibiran King.

Enki and Enlil exclaimed, "On account of Galzu Ziasudra and the seed of life were saved. On account of **GALZU** on Earth we remained. 'The day you to Nibiru you return, you shall die', so did **Galzu** to us say.'

"Incredulous of that was Anu; 'the change in cycles [between Earth and Nibiru] indeed havoc did cause, but with elixirs cured it was.'

" 'Whose emissary, if not yours was **Galzu**?' Enki and Enlil in unison said. 'Who the Earthlings to save wanted, who on Earth made us stay?'

"For the **Creator of All did Galzu** appear. To fashion Earthlings the Creator of All directed us. To help us preserve them did **Galzu to Earth come**," said Ninmah.

"While fates we decreed, the hand of destiny at every step directed," Anu said. "The will of the Creator of All is: on Earth and for Earthlings, only emissaries are we. The **Earth to the Earthlings belong**, to preserve and advance them we were intended." [zs, Enki:271]. **Galzu** sent Enlil a dream **Marduk** would get Mesopotamia. **Galzu**, in the dream, told **Enlil to order Nibirans on Earth, to let the Earthlings evolve**. **Galzu** said the Creator wanted Abraham to block Nabu, **Marduk's son, who agitated against Enlil in Canaan and the Mediterranean ports**. **Galzu** told Enlil that Abraham must also block **Marduk's advances on the Sinai Spaceport**. **Enlil kept his vision secret, but, as Galzu wished, chose Abraham to rule "all the lands from the border of Egypt to the border of Mesopotamia."** [ZS, Wars:289-297]

Anton Parks' *Le Secret des Etoiles Sombres* (Volume One of the series)

Before reading his books, one needs to know what they are. The best way to begin to understand is through Parks' own description of how he acquired his information. For this we turn to a penetrating interview of Parks conducted by **Alain Gossens** of [Karmapolis.be](http://www.karmapolis.be) [K1].

[PREFACE to *Adam Genisiš*](#)

Anton Parks Describes his Experiences

(See http://www.karmapolis.be/pipeline/anton_parks.htm [K1])

Parks' experiences began at the age of 14, in 1981

Anton Parks also began to consider aspects of reincarnation theory in trying to comprehend what was happening to him.

The personage whose identity Parks assumed in his visions bore the name of "**Sa'am**," and it was Sa'am's "destiny" that Parks was retracing.

Sa'am belonged to a group of "reptilian" races known as the **Gina'Abul**, and these are the divinities who are written about on the Mesopotamian tablets.

Sa'am had a certain crystal that was called "**Gírkù**."

Enki is sometimes named MUŠDA [Mazuda] in Sumerian.

Comparison with the Work of Other Researchers

Parks has examined the translations of Samuel Kramer, Jean Bottéro, Marie-Joseph Seux, Thorkild Jacobsen, René Labat, and André Caquot. While they differ from one another, *their core information is the same*, and Parks and his associates couldn't help noticing a surprising similarity between his flashes and the basic story written down on the ancient clay tablets - certainly more than 5000 to 6000 years old!

It was all Parks could do to refrain from plunging too deeply into these translations, so as to continue to preserve intact the history as he had received it, which contained numerous elements that were totally absent from the tablets.

"He found striking similarities on concepts having to do with **cloning, well detailed on the tablets**, ...and then the rabbis **fabricated the story of Yahve-Elohim** making Ish fall into a torpor at which time Ishsha was fashioned from his side etc.

Anton Parks (private communication) reports that this image is the closest we have to depicting the Abgal race of the **Gagsisá (Sirius)** system.

This wooden statuette from the Dogons of Africa represents the widely-discussed Nommo, who they claim brought the first language to humans (see Decoder). It is identical to Sumerian representations of the amphibian Abgal "sages" (said to be advisors to Enki) and the Akkadian Apkallú."

The Abgal of Gagsisá (Sirius) [see [Worlds](#)] are occupied in large part with the marine fauna and above all with the Šim-Kúšu (whales) and the Kíg-Ku (dolphins) whose principal role was to re-equilibrate the vibratory rate of the KI that was extremely low at the epoch when the Kingú had filled Uraš with gigantic Hušmuš (savage reptiles).

2000+ years have passed since they were here last and nuked the Sinai Spaceport and Sodom and Gomorrah before they left. This means that they left between two Nibiru crossings, which is of some importance, because if they did, they can come back before 2060-2095.

THE HIDDEN TEXTS TELL US THAT ORBITAL "RESETS" OCCUR EVERY TIME THE MINI SOLAR SYSTEM ARRIVES, WHICH IS AROUND 700 YEAR GAPS, NOT 3600. IT SEEMS THAT THE 3600 (give and take a decade or two) HOLDS THE "DESTROYER" TITLE and THAT SITCHIN FUDGED THIS BECAUSE OF THE IMMEDIATE PASSING OVER, SINCE WE ARE REALLY IN 1344 at 2020.

See *RESETS* and *FIX THE CALENDARS*. AND *HOST CAME HAS SHOT COMET, MAE*

Their return doesn't have to exactly coincide with Nibiru. They know interstellar travel and can come through stargates and Einstein-Rosen Bridges as they please. Still, it's probably in their interest to come after the cataclysm that will follow around the time for the crossing. However, one may think that if they have had 2,000 years to evolve, they potentially could have come a long way. But keep in mind that 2,000 years, ~ 2/3 šar, which is 2/3 of a year in their terms. They don't count time as we do. We may argue that they are also inter-dimensional and multi-dimensional, which would perhaps speed up their progress, but if we look back on their history, they haven't developed hardly at all the last 500,000 years. They have always been the same warrior race with bloodlines fighting against bloodlines (as above, so below). It's hard to believe that they suddenly, in no time at all (in their terms) have developed so amazingly fast, relatively speaking, that they are now mature enough to govern us peacefully. Dr. A.R. Bordon is telling us they use nano-technology to develop their biominds until they now have almost reached Oneness. This is hypothetically possible, I assume, but it concerns me when I listen to Dr. Bordon, and by the same token read the following from his essay, "The Link":

"It is reported by members who have attended the conferences that they are near the completion of their cycle on oneness, wherein all knowledge and mind resources are used in service to the common. "

This, it was said, can only be possible when the diversity of biominds of each member remains an individuality while simultaneously being interconnected to the Ša.A.Mi. all-one by low-powered, low-energetic means that utilizes the planet's life belt energetics – something akin to what Earth enjoys in the form of Schumann resonance. There is yet much we don't quite understand about their system of oneness, as there are technologies used to enhance the common biomind that are beyond our level of technology at this time [*emphasis not in original*]. However, we do now possess a theoretical understanding of how it all works.^[3]

Here he says there is much we still don't understand, but should we then accept that we don't understand and take the Ša.A.M.i. suggestions to heart? How can we trust them? Let's pretend that you and I were a team and traveled around the world ten years ago and killed people left and right and played silly, but vicious power games which we thought appropriate, raped women and minors, plundered and dedicated ourselves to the worst criminal acts, and then disappeared for ten years. Suddenly, we come back and tell people that what happened ten years ago was in the past, and we are "clean" now! Would anyone believe us? Would they have a reason to? No. They would need so much more proof than our words.

The ETs can tell us anything they want us to believe. A.R. Bordon told me their science group has developed "BS detectors" over the last 20 odd years, and that the ETs could maybe fool one or two of them, but not the whole group. I'd say: "why not?" It's easy to be arrogant about our own brilliance and think we can compare even our most brilliant minds with those of the more developed ETs. I believe that if they want to, these ETs can pass any BS detector we may be able to develop at this time, with the ease of a thought (and perhaps a laugh). I also have reason to believe that the other alien species that show **up on the LINK meetings are from the same confederation, just pretending they are not*** working together. You don't think aliens can be that sophisticated? We can, so *of course* they can.

***THIS IS WHAT I THINK VAL THOR/^{EnLil} WAS REALLY DOING ^{18.4.20} LURKING AMONG THE CROWD AT AIRFORCE ONE WHEN THE NEW KING NINGISHZIDDA WAS GIVING PHOTO OPS**

3. ET Disclosure Projects and Their Two Major Advocates

The situation may seem totally hopeless, but believe it or not, there is still hope, and not all aliens are here to conquer and destroy. In fact, the large majority of ETs in near space are not hostile to humans, and many of them are here to help us in one way or the other. They are not here to interfere with armed forces, or to put themselves in charge; most of them are working in the background and are observing.

"MOST OF THEM WORKING IN THE BACKGROUND" INCLUDE THE ELOHIM ALLIANCES, THREE OF WHOM "HELP" BY PROVIDING THE HIDDEN TEXTS – AND OF COURSE, WITH THE "DOCKING BELL" ...

Sometimes I get emails from people saying that these peaceful ETs are not to much help if they just sit up there in spaceships somewhere without doing anything. First of all, that's not true; they *are* doing something, and we're getting into that soon, but most importantly; it's not for them to interfere or intervene. Most species are accustomed to following the "Law of One", which includes "non-interference policies" (more about the Law of One later).

We are living in a Free Will Zone, and it's up to us as a biokind/biomind to work out our own problems. It's a part of learning; to go from adolescence to adulthood as a species, **and we can't have things given to us on silver plates.** We are the ones who need to consciously unite on a subquantum level (thought level) and find out what it is that we want as a humanity. **This can't be done in institutions like the United Nations or others,** presently existing on Earth, because these organizations are already controlled by those who are not working in our best interests. Under the "Soulution" section we will discuss different options we have as a species.

One thing I want to emphasize already here is the dangerous mindset of people like Dr. Steven Greer^[4] (and his team) and Dr. Richard Boylan^[5].

The latter is more dangerous than the former. Both of them are embracing all ETs in Earth near space and tell us there are no "bad" ETs; they are all star-brother and star-sisters and should immediately be integrated with us, or we with them. They say the Government knows about the aliens (which is true), and now it's time for a disclosure, meaning that the Government should disclose the ET issue to the people.

WHILE THE CAENEUS ARE IN CHARGE, THE "GOVERN-MENT" WONT DISCLOSE THE TRUTH THE HIDDEN TEXTS TELL US OF EXACTLY THIS. NAMING DELONGE, GOODE, GREER, L.M.H, MUSK, WILCOCK AND MANY OTHER FALSE FRONT MEN FOR ILLUMINATI MISINFORMATION

goode, fulford, delonge, musk, wilcock et alia right. *WHEN you ever hear any of them mention ANY of the Elohim Alliances for the nurturing of the Living Library, please let me know. NONE of the nurturers (nor EnLil) names ever cross their lips. Only those who would deceive us (and they all seem to dwell under the Antarctic at the moment), apart from Phil Schneiders Grayles, allied with the Industrial Military Media Complex*

- nor do we hear them outline the Semitic Grayles (from Altair) and the Caeneus Alpha Centauran which are part of a triad of Kontrol along with Marcabians (the Tall Whites of Charles Hall) which are making supersoldiers, cloned "leaders" negative agendas (towards the Earth, which includes us) and the A.I. agenda - mooted to connect young minds to the Blue Mouse Project thus losing the entire generation...

Figure 1a (left): Dr. Steven Greer. Figure 1b (right): Dr. Richard Boylan

There are no "bad" or "good" ETs, of course, only different imperatives. What's a good imperative for one race may not be a good imperative for us, though. However, more often than not, imperatives can be combined and worked out to the best for two species. This doesn't mean, like Dr. Boylan says, that we should turn on our flashlights, metaphorically speaking, point them to the sky and shout: **"Welcome all star visitors. Here we are!"** Dr. Boylan in particular is inviting both the Zeta Reticulian Grays, the Verdants, the Tall Whites, the Anunnaki, respectively, without exceptions, calling them all star visitors and "good hearted". Both Greer's team and Boylan agree that all the negative ETs have left near Earth space and there are only positive ETs left!

This is extremely naive; but not only that -- it's dangerous and a liability for the rest of mankind. Not all ETs have our best interests in mind, as we shall see, but Dr. Boylan and **Dr. Greer don't seem to care and are very aggressively making their point.** If someone brings up that there are ETs with clashing imperatives with us, we are immediately put on Dr. Boylan's black list as being government agents, disinformation agents or worse^[6] (after I've published this, I'd be surprised if he doesn't put me on there too). Boylan and Greer are opening up a can of worms if they don't become more selective; it's like a channeler allowing any entities to come into their body. Dr. Greer is not any less aggressive than Dr. Boylan; when I suggested there may be those who don't have our best interest in mind, he (or his staff, rather) became very hostile and refused to discuss the matter and told me it is self-evident that all ETs are good and advised me to watch "The Disclosure Project" video again (from 2001). Greer is even calling one of his projects **"The Orion Project"**. * One may wonder, why? Orion doesn't have a particularly good reputation here on Earth. Also, he has sponsors in "high places", like within the Rockefeller family, and he's open with it. He justifies it by saying that branches of the banking/oil family are now ready for disclosure and support the North Carolina Emergency doctor on his quest.

***NOT FORGETTING HIS -GREER'S- SIRIUS NAMED DISCLOSURE. THE SIRIACS AND THE ORION COPIESTS GROUP, AND "LEVERON" ARE ALL ONE AND THE SAME**

Both Greer and Boylan have a huge amount of almost cultish followers, and this is the danger. I have been in contact with people who are otherwise very intelligent and spiritually aware, but like one of them said: **"When Dr. Boylan speaks, I'm all ears"**.

This is concerning and quite discouraging in my opinion.

We have to be more selective and mindful than that if we are going to make it."

THE TEXTS SAY TO DISCERN VIA THE TYPE OF CRAFT AND ITS PROPULSION, that the "goodies" have been shot from the skies since at least 1864 in the western hemisphere, and any craft that do land safely, are under the protection of the "baddies" – such as COMMANDER VALIANT THOR/EnLil; are therefore suspect. And by omission the MAIN reason we cannot believe any of those frontmen puppets is they do not seem to know (or care in that case) about the "Treaties" since 1933 which exchange "trade in men/children" for their greedy need of technology

"About a week ago, from this point in early September, 2011, when I am editing this paper, Dr. Richard Boylan did a reading, and also had support from his "star visitors", saying that a series of Earthquakes were going to hit **North Carolina and Virginia**. He gave us the exact dates times of the day, and said that many people would die at this juncture.

ABOUT 60,000 SOLDIERS DIED WHEN THE UNDERGROUND BASES IN BOTH THESE AREAS WERE "NUKED" CAUSING QUAKES, SAME FOR NEPAL^{endnote} IN LATER YEARS, not that I am championing Boylon, I also suffered at his egotistic thoughtlessness.

He has allegedly about 1 million people on his list, so I'm sure at least a few of them are from these mentioned areas. I read it and shook my head in wonder. Have can the man do this? Does he not realize how much fear and terror he is creating? Did anyone leave their home, or sell it? Did they leave the target areas? Not for a moment did I think he would be correct. When, predictably enough, the first earthquake didn't happen, Dr. Boylan wrote a new email to the list, saying that the Cabal had changed their minds (this was supposed to be a manmade earthquake) and decided to hold that one earthquake back and let the Virginia earthquake hit first just to make him and the star visitors look stupid. He said that now it had been changed to so and so time. I shook my head again in wonder. I asked myself, are people really listening to this guy?

However, none of the two earthquakes happened (of course). Boylan then came back on the list, saying that the Cabal had held both quakes back to build them up to 8.4 on the Richter-scale or something of the sort, just to make them more potent. Still, they were going to happen on so and so date at so and so time.

THE NEPAL QUAKE APRIL 2015 WAS ALMOST A 9.^{C+F+NEPAL} CONSEQUENT TO A 72 DEGREE MASON ACQUIRING THE GIANTS BASE UNDER BUCEGI (Peter Moon videos)

Nothing happened. Silence. Then Dr. Boylan came online again, after people had held their breaths in wait for this miracle man to come with his new predictions. This time he responded to a reader, who said that maybe they should do a mass prayer on the earthquakes. Boylan said no, because then the Cabal would accuse them to create quakes. Then silence again. No earthquakes. Then someone on the list said that the earthquakes *will* happen, but not at this time, and Dr. Boylan responded with something unintelligible and that was it.

Nothing heard from Dr. Boylan since, and this was a few days ago.

After all this clowning around, people on his list are still supporting him and thanking him for what he's doing. That's mind control when it's really effective. Dr. Boylan is looked upon by his member as a very nice, older man (who predicts earthquakes that never happen, scaring people shitless [excuse my language]). Where were the benevolent star visitors when he needed them? Out to lunch? (This information comes from Dr. Boylan's mailing list, "*DrRichBoylanReports*", between **August 30 - September 8, 2011**). I would be happy to be on his "bad list". If he would put me on his "good list" I would have to go through my material with a toothcomb, because then I must be doing something wrong.

This is very disturbing. Either Dr. Boylan is extremely gullible and easily manipulated, or he is working *for the Cabal* he is so fast to blame for every mistake he makes. Oh, I almost forgot, Dr. Boylan thinks that Obama is a star visitor, too, and will be so kind to help Dr. Boylan out and disclose to the world that these wonderful star visitors are here! Doesn't all this create chills down your spine? It does mine. Just recently, President Obama told people they could ask him questions online, and Dr. Boylan advised his followers to do so, like if it would make any difference. I am stunned.

THE HIDDEN TEXTS SAID OBAMA WAS A "STAR VISITOR" BY BLOOD. (VIA THE HOUSE OF AMENHEMCHAT) JUST NOT THE KIND ONE REALLY NEEDS

But the most disturbing part is not Dr. Boylan himself, but those who are following him in spite of these catastrophic errors and contradictions.

And his whole "star visitor" agenda is breath taking. You see drawings of all these star visitors we know about, holding hands in friendship with cute smiles on their faces. Well, the thought is good, but don't tell us that all aliens out their, without discrimination, are saint-like, and we are ready to embrace them all. And don't put people who disagree with ONE word you're saying, Dr. Boylan, on some government disinformation black list. This is very counter-productive and outright dangerous. It also delays our mission, we who are working on revealing what is really happening.

Don't get me wrong; most species out there are friendly towards us and have our best interests in mind, but they have not yet revealed themselves to us en masse for a purpose. And why is that? Because we have to overcome our greatest weaknesses first. We can't just chaotically stumble into the galactic community while fighting each other and being overly egotistical and ignorant, thus bringing our problems to their vicinity. We need to grow up first, and there are those who are patiently watching us doing just that. The only time they

would interfere would be if we are literally destroying our planet (which we actually are close to doing). **This is the Living Library**, and there are those who **would never let us go so far that we destroy their creation**. They are also monitoring us and our nuclear activities and how we handle negative energy (more about that later). These are very concerning matters for them. More than once, the ETs have stopped nuclear missiles from going off; something that has baffled Military forces and even been mentioned in the Media.

and this means we have a warrior stroke inside of us which we have to overcome & grow out of. **ACCORDING TO THE HIDDEN TEXTS THE ADRENALIN IN HALAL KILLED MEAT NOT ONLY SHORTENS OUR LIFESPAN, BUT DAMAGES OUR DNA, RAISING THE 'HATRED" FACTOR. VAL THOR MENTIONED THIS EARLY IN HIS VISIT, KNOWING IT WOULD BE IGNORED. A MODERN GAOL PUT THIS MEAT-FREE DIET TO THE TEST AND IT PROVED CORRECT ON VIOLENT PRISONERS, TURNING THEM PEACEFUL.**

I believe we are waking up to this fact, and the nano-second (1987-2012), when time is speeding up and the information is hitting us via gamma rays from the Sun and the Galactic Center, is strengthening our DNA and connecting the so-called 'junk DNA' to our double helix to create a wiser, more peaceful *Homo Futurus*.

I am not overly convinced that disclosure is the medicine right now. On the other hand, it's a matter of what we mean by disclosure. There are so many good, intelligent people out there who are working hard on disclosure projects of different kinds, but we need to **understand that the Government, no matter what they say, are run by malevolent beings who don't have our best interest in mind**. The Disclosure supporters say that the Govern-ment has come to a point where they have no choice but to tell the truth about the alien visitors, and that many people in the Military would be relieved if everything would be disclosed, **but if the Government is disclosing the ET issue**, it's going to be [using the likes of GAIA TV and its puppet ilk] on their terms, **and it's not going to be the truth.**

THE REASON IS SIMPLE: SINCE 1933 A CLONE F.D.R. MADE FALSE TREATIES WITH THREE E.T.s. FALSE BECAUSE IT WAS NOT 1933, FALSE BECAUSE HE WAS A CLONE PUPPET, AND FALSE BECAUSE THERE WAS NO LEGAL REPRESENTATION PRESENT. The supposed extra terrestrials were not really from off planet either. They were the fallen ones (the second peoples from ante-christ) the Arvan under Antarctica. The false 'treaties' named our children as CARGO, introduced BERTH CERTIFICATES and many new 'laws' such as taxation, and included "exchanging technology for humans, mostly children". Those who received that technology (DEEP STATE "SHADOW GOVERNMENT") lined their own pockets, and kept the technology secret from the public, including free energy, which the elite had in 1934. Hitler went to the moon in 1939, and Val Thor took ten years before he gave the May 1967 anti-gravity space craft blueprints to the pentagon.

Disclosure *will* happen, but more on an individual basis at first. The benevolent ETs will not expose themselves through the Government, whom they certainly do not trust.

The only "Disclosure" I would find valuable is to get more information from groups like LPG-C and others who sit on info regarding different ET races; who they are, where they come from, their imperatives, and who is working together with whom? We need to categorize them and find out whom to trust and whom to stay away from.

THE HIDDEN TEXTS, PROVIDED BY CHANI, GAVE US 82 VARIOUS OFF WORLD VISITORS WHO HAVE AN AFFECT ON US OR THE PLANET. THE AFFECT CAN BE EFFECTED AS 'GOOD' AND 'BAD' TO KEEP IT SIMPLE. MEANING THE LIST OF THE 82 INCLUDES THE 'GOOD' ONES (FOR THE LIVING LIBRARY) AND THEIR EFFORTS TO SAVE HER AGAINST THE 'BAD'. IN AMONG THIS MIX IS ARTIFICIAL INTELLIGENCE WHICH NEEDS NO ATMOSPHERE NOR BIOSPHERE. THOSE OTHER RACES ADDITION--AL TO US SHOULD TAKE HEED OF THIS. The defoliation agenda points this way

Anyone can show themselves off as saints, but behind the veil being very dark beings. Dr. Bordon, just like me, is interested in intelligence gathering on different ET species to find out more about their relationship with each other, but he refuses to reveal what he knows about the group he belongs to. This is very unfortunate, in my opinion, because with-holding this information could be potentially dangerous in the long run. Ed Komarek, known UFO researcher, made the comment why the LINK group is so secretive if they have nothing to hide?

Carol Rosin, Greer's right hand, said in an interview recently that she is absolutely certain there are no ETs with malevolent intents left in Earth near space; they have all left, including the Grays (The Guardians said, before this statement, that if anyone tells you the Grays are no longer here, watch out). Her rationale is that if they were here, they had already taken over or destroyed us, and obviously, we (meaning we humans) are still here. This, in my opinion, with all the information that is out there which she is discarding, is quite naive at best.

THE HIDDEN TEXTS WARNED THAT THE "DYING" VON BRAUN WAS ACTUALLY A CLONE, SO ASK YOURSELF "WHY". TO FEED CAROL ROSIN FALSE INFORMATION. THE GREYS THAT ARE ON EARTH ARE "MORE FROM THE LITHOSPHERE"

4. The Exodus of the Anunnaki Earth-Bound"

In the 1400s CE, King Anu of the Ša.A.M.i. stepped down from the position as King of Nibiru.^[7] This, however, did not come as a surprise, but something the King had prepared for hundreds of years, in our terms. For political reasons, he was forced to, apparently.

The lobbying during this time was apparently intense, and both clans, the RAM clan (the Enlil bloodlines) and the Serpent Clan (the Enki's bloodlines) were as usual in competition for power and both clans wanted to put their people on the throne. Anu, who wanted the transition to be as peaceful as possible for the Nibiruan people, tried to calm things down. He announced that his successor would be judged due to his performance down on Earth before the Sinai nuclear disaster.

How do we know this? According to the Life Physics Group (LPG-C), they come our of LINK meetings with these alien groups. These meetings have either taken place in exotic and secret places here on Earth, or onboard one of their crafts. The human faction of this group has been organizing these meetings only twice.

The story about Anu stepping down, and the rest of it, was told to them by the Nibiruan representatives at these same meetings to give a briefing to us earthlings, so we can make more knowledge based decisions in the future, so they said. In addition to this, the LPG-C members are referring to witnesses (whom they call "Informants"), with whom they spoke over a few years time. What these Informants said, supposedly independent from each other in most cases, can be read in A.R. Bordon and J.W. Barber's:

"Journal of End Time Studies Vol 1: January-June 2007:

"Between the Devil and the Incoming Rock".^[8]

These witnesses are either scientists, (ex) military, or (ex) government agents on middle and higher levels. And lastly, I have my own experiences with LPG-C, from having been in contact with them for over 8 months as of this writing. They have shared a lot of inside information that will be released in increments (where parts of my own info is some of it). I've seen things unfold within the organizations and their struggles with coming to terms with the Intel and information they have regarding the Ša.A.M.i. and other present and future ET issues, **and natural disasters.**

A few decades before the beginning of the Common Era (CE), the announcement that King Anu was stepping down was made. This resulted in a fast exodus of the Anunnaki still on Earth, and they immediately returned to Nibiru to be part of the lobbying. Both Nammur and Ea (now calling himself Ankur) left Earth to be with their father on the home planet. Ankur's sons, Marduk and Ningishzidda, and their families went back as well, causing the closure of the smelting operations in Bolivia. Others that returned were reportedly Nergal, Ankur's son, and his consort, Nammur's grand-daughter Ereškigal; King Anu's grandson Ninurta and consort. Other Anunnaki, members of the RAM clan who returned were Nannar and his wife were; Iškur, Inanna, Ašnan, Nanše, and a few more. Nannar, so we're told, and his consort did return to Earth for a short time after that, to northern Syria, only to return to the platform to wait for transport to the home planet.

SO SAYING THAT E'A AS AN.KUR WAS ALSO AN OCCUPANT OPERATOR OF A KUR.

Figure 2: Sacsahuaman - A side view of the complex

Then, in the later part of the second century CE, Nannar was instructed by his father and King Anu to return to Altiplano of southeastern Peru, to help **Nannar's son Uti*** with closing down the smelters of Sacsahuaman and stop the runaway operations in the Nazca area of southern Peru.^[9] The smelters continued to process gold, tin and silver for a while, managed remotely from Turkey, but by the sixth century, Sacsahuaman was no longer in use and the pre-Incan civilizations from northern Peru through the north of the Atacama desert in northern Chile were left to fend for themselves; the Anunnaki were gone.

Other colonies, to cite Dr. Bordon again^[10], like North American Midwest, southeastern and southwestern native groups who came in contact with and taught by the Anunnaki how to manage agriculture, animal husbandry, and other basic matters, were also abandoned by the Anunnaki by the 7th and 8th centuries CE. For a couple of hundred years, we humans were more or less left alone on the planet for the first time since the Anunnaki created *homo sapiens sapiens*, about 300,000 years ago. **But they would return!**

5. The Announcement of the New King!

The transition between King Anu stepping down and the announcement of the new King over the Kingdom (Nibiru) was a slow one and took about 600 years. Anu was very careful with whom he chose as his successor, because reportedly, he wanted the new king to be a person who once again could unite the Ša.A.Mi. (the Nibiruans), and stop the feud between the clans. Knowing how strong the polarity between the clans were, it was certainly not an easy task. For a while, he wanted to choose Ankur (Ea), but he knew he couldn't, because he was not the legal heir of the throne, according to Nibiruan law, and that would upset the RAM clan and only add fuel to the fire.

As mentioned earlier, Anu also took into consideration the performance of certain royal candidates while on Earth, and didn't really find a proper candidate, as most of them had been involved in raging wars and disasters. No one seemed to have a clean resume. As a side note, I find it remarkable how King Anu could be so judgmental, when he was the one who, according to Sitchin, allowed Ala-lu's nuclear missiles to fall over the Sinai Spaceport and Sodom and Gomorrah, knowing that thousands of earthlings would die horrible deaths and parts of the planet become radioactive for thousands of years. This speaks tons about the morals and ethics of this species, or the lack thereof, from our perspective. Too many destructive actions and decisions makes a person blind. We can argue that they have other imperatives than we do, and look at us as ants or unintelligent apes, but I don't think that justifies the cruel actions taken against us humans in the past. And aside from that, we need to think about our own imperatives in relation to this group of aliens, whom obviously think they own us because they manipulated our genes. They were never our *creators*; they were imposters who manipulated an already highly developed DNA/RNA. However, we will discuss this a little bit later on.

When the exodus happened in the 6th-8th century CE, there were about 400 Anunnaki on our planet, and 3/4 of them were supporting Marduk, obeying him as their King of Earth or the Nibiru Kingdom, and were *not* recognizing King Anu as their king. This was a big problem for the real Kingdom, and Marduk had always been, and still was, a time bomb and a great concern.

None of Marduk's followers could of course be considered as King Anu's successor.

Figure 3: Nannar, to the right, while still on Earth during Sumerian times.

Eventually, Ningishzidda came up with the solution. He suggested Nannar, the Enlil's son. He reasoned that, Nannar was the only one who could really succeed in uniting the Ša.A.Mi. again, and additionally, Ningishzidda said that Nannar had the *vital force* of his grandfather, King Anu himself. Ningishzidda had actually himself been considered by King Anu as his successor, but politely declined, again saying that Nannar would be the better choice. After a lot of pondering, Anu agreed, and Nannar, son of **Nammur, the Enlil**, and grandson of Anu, became the king of Nibiru in the 1400s CE. After hundreds of thousands of years (at least), King Anu stepped down from the throne. He was apparently happy that the transition could be done without bloodshed. From our point of view, the leadership had been changed from the Serpent clan (Ea's bloodline) to the RAM clan (the Enlil's bloodline). Metaphorically, that would be a shift from the Democrats to the Republicans.

6. Marduk Returns to Earth

We know from face-to-face and mind-to-mind communications between members of the LPG-C and those from the Kingdom (Nibiru) that Marduk left Earth by the 8th Century CE, but what happened next? Marduk, obviously, was not wanted on Nibiru and was not allowed to stay there.

RELATION TO EARTH ?– answering J Muller

To pillage, plunder and mine resources for making their craft, for making their ormus (so they can time travel) and for making red gold (arsenate of mercury alloy gold, for their beehive type solar panels) which contain their atmosphere.

They had asked the Andromeda Council for permission to return to retrieve equipment and plant. The deal was made. The Andromedans (who oversee the Elohim – Casseopean Alliances) were fully aware of the likelihood of the arrangement being broken. This was the very reason Nannar was executed on the spot August 18, 2018. For “Contempt of Court”. Marduk was put under house arrest at the same time because he said he was “repentant”.

An excerpt from RESETS:

“ ONE really needs to be patient when working with these prognostications between the alert and the event, yet on many occasions the predictions have been found as briefly as the day before the event. Except the one being mentioned right now is the cause and effect of the execution of Nannar, king of the Anu. Personally I am just glad I lived long enough to explain this, because had I not, no one would have ever known! This was published in the original *Hidden Text of Nostradamus* website, December 9th 2009, writing now at February 5th 2020.

Close to a tad over ten years between the *consequences* and the *publication* of the prediction speaking of Andromeda Council giving permission to the Anu to return to Earth ostensibly in order to retrieve equipment. Imagine my astonishment when watching an early video dating back in around 1994 or so by Alex Collier, where Alex describes the exact same set of details! With my watching it 15 years later (1994 – 2009) shortly after finding this line, which turns out (after 1994 to 2020, or really August 2018, has elapsed) to have been a test for the Anu. Giving them enough rope to hang themselves.

To be explicit – the execution of Nannar 18th August 2018 for *Contempt of Council*.

Exploded on the spot. One wonders what happens to the “id”, the soul, in cases like this.

Following death of their king, Ningishizzida was made king. At the same Hearing Marduk was placed under house arrest because he claimed he would redeem himself (and there has been a line recently about that).

I feel, however, that he also is being handed that same length of rope.

Simply because the Council knows the future.

Whereas Marduk, like Allah-Lu, thinks he can dodge death using time-gates – so there right away we can see what “house arrest” means for Marduk.

This is speaking of the subject Alex Collier stated: that the Anu (as we call them) approached the Andromeda Council for permission to return to Earth ostensibly to retrieve plant and equipment from their gold mining enterprises. As Sitchin wrote, they need the gold and other minerals to make the SAFEGUARD MANTLE which they constructed around their entire planet as a solar power and safety unit.

“SAFEGUARDED ENDANGERED QUARTERS UP”

As we have seen throughout these forums, factions of the Anu have other agendas, and one would wonder why the Andromeda Council has allowed them to approach Earth which the Anu see as their own private “zoo”.

It seems the Council is waiting for them to “mature” and to see the consequences of their actions.

NOT ELOHIM GRAND FATHER (Enki). PARAGRAPH EXPECTED ANU'S TURN-OFF veer URAS – EARTH

In 2001, the LPG-C was informed that Marduk and approximately 300 Anunnaki returned to Earth again around the turn of the millennium (1000 CE), and has been here ever since, some of them taking control over the Earth population by force and by creating his own Pyramid Power Structure, with Marduk placing himself on top as the only God and King of the Universe. Marduk easily fits the picture as the Biblical Satan, if we are to believe Sitchin's story, and also fits right into the biblical prophecies, such as The Book of Revelation and The Book of Daniel, and him and Satan seem to be one and the same. He also took control over all major religions to use in efforts to manipulate the growing Earth population and to divide and conquer.

Figure 4: Marduk

The first thing he did was an attempt to rewrite history to erase all the knowledge humans had of their own history and origins, putting himself in the position as God Almighty. He even took on the task to rewrite the Babylonian Enuma Elish (Sitchin 1985).

He is still worshipped as God in many secret societies, such as the Freemasons, unbeknownst by most members, except those few at the very top level, above the 33rd degree, Scottish Rite. Marduk is the "All Seeing Eye" on top of the Freemasonic Pyramid, and the "Eye of Ra" (Marduk Ra, whom later became Amen Ra when he was in hiding after the pyramid incident, previously covered in:

["Anunnaki Paper #3: After the Deluge"](#) (Penre 2011) and my previous book, ["The Myth Around Supriem David Rockefeller"](#)^[11]

(more about Supriem later as well). Marduk changing history to give himself more power is mentioned both by Zecharia Sitchin in his *"Earth Chronicles"*, Robert Morning Sky's *"The Terra Papers"* (which go into even more details about it) and comes from the Ša.A.M.i. themselves, through conversations during the annual LINK meetings between ET groups and the LPG-C, as mentioned earlier.

Figure 5: Marduk Ra's Pyramid with the All-Seeing Eye. This can be found on the back of the one-dollar bill. Marduk is in charge of the banking cartel -- or at least most of it. There are more ETs involved behind the scenes, to whom some people in power have made an alliance with in more recent times.

By rewriting history and secret and occult instruction manuals, he could convert all these secret groups (secret societies) into Intelligence cells working for him, and thus be ahead of those who opposed him. Presently, he is also attempting to reconstruct a six-stage ziggurat "strong enough to support a landing platform at its apex."^[12] This, becoming his new spaceport instead of the Tilmun (Sinai Spaceport) that was nuked by the Ša.A.M.i. and the "fallen ones" before they left a couple of millennia prior to the Common Era.^[13]

It's easy to see how Marduk in an almost childish revolt and rebellion towards his own people for not giving him the power he deserved in the first place (from his perspective), not only created (and still does) havoc here on Earth, but is also magnifying the ancient struggle between the two clans. The RAM clan of course doesn't accept his behavior, and he also puts his father, Ankur (Ea) in an almost impossible position. Ankur wants to support his son, but has to be as diplomatic as he possibly can; a wrong move or a wrong word can potentially start another war. The situation, from what I can imagine, is quite tense. After all, Ankur is the one who has felt the most compassion towards mankind, much due to that he looks upon us as his own creation; his own children. It was his sperm which created the first Anunnaki/human hybrids. Ankur, sitting on the original earthly Council of 12, whom decided about big issues and problems that needed to be solved here on Earth, had many times supported his son, or "protected him" from the rest of the Council.

Now, however, when both Nammur and Ankur have left Earth, Marduk has set up his own Council (in the WingMakers "mythology" called "*The Corteum*"^[14]), with himself on top with the rank of 60, something that is reserved for the King of Nibiru, only. By giving himself this rank, Marduk announces himself being both King of Earth (Satan), and that of Nibiru; thus not acknowledging the sitting King and the Kingdom.

SATAN MEANS "ADVERSARIAL" AND "THE ACCUSER"

By giving himself the rank of King, and his refusal to give his obedience to the Kingdom in general, made the Nibiruan Council decide to put Marduk in the equivalent to quarantine here on Earth.^[15] What this means, exactly, is not known to me, and I haven't yet been able to find out. Does it mean that Marduk is not allowed to leave Earth (which has been vaguely indicated to me), or is the picture bigger than that, something to the effect of what Robert Morning Sky wrote in *The Terra Papers*? According to Morning Sky's research, and from what the Star Elder told him, the whole Earth was put under quarantine, and humans, too, are not allowed or able to travel very far out in space. The Pleiadians, on the other hand, just like David Icke, are talking about a frequency quarantine (as mentioned earlier), where our DNA was tampered with to the extent that we have been stuck in this 3-D frequency range for pretty much 300,000 years. A similar thing is brought up in the Ra Material, where the Ra people are telling us we are put under quarantine by the Council of Saturn^[16], which pretty neatly corresponds to the Nibiruan Council.

This whole quarantine issue is going to be discussed in another paper as well, but it seems plausible that "quarantine" can mean different things here.

It is clear that Marduk has a stronghold over most institutions, banking cartels, educational systems, religions, entertainment etc., in the world of today. However, he does not have the monopoly many researchers think. Besides the two factions of Anunnaki, fighting each other (the RAM clan and the Serpent Clan), there are at least two or three other major ET races competing over total control of Earth and mankind. This makes things even more complicated, and we will discuss all these challenges in separate papers, but will concentrate on Marduk for now.

7. Marduk's Council of 12 -- The Corteum

At this point in time, we don't know all the names in Marduk's Council of 12 (also called the "*Olympians*" according to two of LPG-C's informants), but LPG-C has been able to find out at least a few of them, and their rank. It looks like the current hierarchy of the top Anunnaki on Earth are as follows:

Table 1 – Probable membership and ranking order of Earthbound Anunnaki Council of Twelve Membership

Male Order	Rank Order	Female	Rank
Marduk	60	Zarpanit	55
Nabu	50	Unknown	45
Gibil	40	Unknown	35
Unknown	30	Unknown	25
Unknown	20	Unknown	15
Nuskum	10	Unknown	5

Figure 7: Council of 12 Members as far as we know (2007)

These twelve members are then pulling the strings of the following Power Centers:

Figure 8: Probable meta-organization of earthbound Anunnaki influence/control (click to enlarge)

Like the Organization Board shows in Fig. 8, there are 10 Power Centers all together. Like twelve spiders in the net sit the top rank Anunnaki, delegating their power downwards to the leaders of each Power Center, which are all supposedly humans (and/or hybrids). Those ten leaders are then reporting directly to the 12 Anunnaki (the Council of 12, or C-12). Logically, the C-12 members then report to Marduk in person, either in board meetings or on an immediate basis, depending on the urgency (not being totally convinced that Marduk is dead, I am still going to proceed as if he is alive. If he is not, what I am describing pertains to his successor; one of both of his two sons, Nabu and Gibil).

After doing some research and made contact with appropriate sources, members of the LPG-C managed to identify the 10 Power Centers with what seems to be quite some accuracy. They are:

1. The American/NATO group
2. The Russia/Mafia group
3. The Japan, Inc. group
4. The China, Inc. group
5. The OPEC group
6. The Cartel/Triad councils group
7. The supply margin economic/political groups in Latin America and Africa headed by Brazil (Latin America) and South Africa (Africa)
8. The seven members of the ecumenical community led by the Roman Pope
9. The two trigger states, Iran and North Korea (as a wild card group)
10. The economic/political group known as G8. ^[17]

Please take note here, because what the LPG-C actually say in "*Between the Devil and the Incoming Rock*" is that the above is the Anunnaki pyramidal meta-structure on Earth, not that the Anunnaki is the *only* alien power force which controls the planet from the ground or beyond. I just want to emphasize this clear again, so the reader can keep it in mind for future reference.

8. The Earth-Bound Anunnaki: How They Look Like and Their Whereabouts

Before we start talking about the whereabouts of the earth-bound, I'm sure the reader is curious if there are any photos of real Anunnaki, besides from Sumerian clay tablets. The answer would be that there most certainly are, but they are not on the Internet. However, I have in my possession a photo of a first- or second generation Anunnaki female hybrid, taken in Puerto Rico. This is how they apparently look like (at least in our 3-D reality, I may add. More on this later):

Figure 9a: Earth-bound Anunnaki female hybrid of the first- or second generation; photo taken in Puerto Rico.

Figure 9b: Same hybrid female, manipulated in Photoshop for better details.

This particular photo has a story behind it, which I need to tell. It was taken by Dr. Bordon in a meeting in Puerto Rico. This particular LPG-C member, whom of course knew about their existence from earlier annual meetings, was surprised to meet four of these beings in the Puerto Rico gathering. Bordon told me that these beings were taller than humans, but not tremendously taller; somewhere between 6 to 7 feet. They look like albinos, with white, kinky hair, which they sometimes wear long and sometimes short (like in *Figures 9a and 9b*). Their eyes are red when seen in certain light, and the red eyes in this picture is the only thing that has been manipulated, according to LPG-C. The picture was not meant to come in public domain, and certainly not on the Internet; only for circulation between the LPG-C scientists. The eye color was enhanced to emphasize their real eye color, which did not come out well on the original photo.

Although I felt I had established a relationship with the LPG-C, and especially with Dr. A.R. Bordon, I was skeptic at first when I saw the photo, because I did a search on the Internet and could easily find the photo on different websites. Some even suggested it was a photoshop job of the Polish model, Anja Rubic (*fig. 10*).

Figure 10: The Polish model, Anja Rubic

I decided to send the alleged Anunnaki female photo to two different photoshop experts. The first one wants to be anonymous, but the second one was Barbara Brown, aka Wiolawa (<http://wiolawapress.com>), of Native Indian descent, whom in my opinion has done amazing research into the exopolitical scene, mostly by using Photoshop as a tool. More often than not, she's been right on! I didn't mention anything about what I'd been told about this photo.

In both cases they came back with the same answer: this person is not totally human, but a hybrid. Wiolawa even said she seemed to have some kind of "overlay". Reptilian? We'll see... Anja Rubic, on the other hand, having quite some similarities in looks with the Anunnaki female, is not the same person. The observant reader can see that if s/he looks carefully, but one may ask if Ms. Rubic may actually be an Anunnaki hybrid as well? I will left that question hanging, and if someone wants to look into that, it may be worth the effort.

LPG-C guarantees that this is how the earth-bound females look like, and they tell me they know this from face-to-face encounters, and also by using Extra Neurosensing (ENS) remote viewing.

To complete the story about the photo of the Anunnaki female, it was stolen (and I know this to be fact) from LPG-C by an impostor, who joined the group, pretending to do so with the best of intentions. He joined under the name Roy W. Gordon. The photo was supposedly taken in 2006, and some time in 2008, Roy Gordon stole it (and other sensitive information) and escaped. The photo was later posted on the Internet by the organization that Gordon was/is a member of: S.A.A.L.M. or the ACIO/NSA (National Security Agency), located in Pine Gap, Australia, known for its huge amount of Reptilian sightings^[18], and also one of the major bases for Marduk associated Intelligence Agencies.

S.A.A.L.M. stands for "Supreme Annunaki Assembly of Lord Marduk".

Fig. 11 below is showing the S.A.A.L.M. version of the Anunnaki female:

Figure 11: The S.A.A.L.M. publication of the same Anunnaki female, stolen from LPG-C (click on image to enlarge).

The information added to this photo in form of text is inaccurate and part of a disinformation campaign by Marduk's Pine Gap faction, according to LPG-C. S.A.A.L.M., a department of NSA, was also involved in a smear campaign against James Casbolt, the MI6 whistle-blower and mind controlled slave, when he decided to go public. They managed to discredit him to such an extent that Casbolt had to pull his website, casbolt.com, a few years ago. We will spend more time on S.A.A.L.M. and their possible connection with the top secret Labyrinth Group within the NSA in a special section of this paper.

We have already talked about Pine Gap, Australia, but where else can we find the earth-bound Anunnaki and their first and second generation hybrids? LPG-C did some research on this, and had great help from their Informants. Informants one, three, and four (2005, 2006) led them to Puerto Rico and the Ngongoro region of the Great Rift Valley, in the Serengeti National Park of Tanzania, Africa (see Map 1, fig. 12a, and Map 2, fig. 12b [areas are circled]).

Figure 12b: Map2 -- Serengeti and Ngorongoro crater area.

Informants three and four, independent of each other, confirmed that there indeed is Anunnaki presence in the Tanzania area, including UFO activity.

When comes to the Puerto Rico, the LPG-C:

"were not able to confirm any of the reports received concerning the El Yunque region, near the U.S. naval base at Roosevelt Roads, in northeast Puerto Rico; except for a number of confirmed "disappearances" of people in the Experimental Forest area near the naval base, and the unusual number of albinos in the area."^[19]

However, Dr. Bordon knew about the Anunnaki activity in Puerto Rico, at least as early as 2006, when the photo of the female was taken.

Apparently, he decided to exclude that from the evidence at the point of the writing of his essay in 2007.^[20] Most likely, it had to do with the embarrassment of Roy W. Gordon's infiltration which led to the theft of the photo. I really don't know the real reason for Bordon excluding his own encounters with the earth-bound in his essay, though, but the above is a qualified guess. Dr. Bordon is not very fond of talking about the Roy Gordon incident, and he gets easily aggravated when discussing the subject with me.

I want to add some more detailed background information on Dr. Bordon's encounter with the four Anunnaki hybrids, because it could be of interest to the reader and our further research on the earth-bound.

Dr. Bordon told me that they (Bordon and others) (whomever "they" are, however, is not clear) did some work as subcontractors for a contractor in 2006, which led them to go down from California to Puerto Rico.

Here is the story in Dr. Bordon's own words:

Now, the event that led to the photo from my end. In 06, we had an opportunity to do some work for a contractor as subcontractors, which required two of us to head down under for pressing the flesh and drying the ink on paper. The photo in question was one I took of a female, approximately 6'2" dressed in a very white dress draped over one shoulder - in other words, the female in the photo in question. The photo was taken at exactly 41 degrees inclination to the plane on which she was (i.e., the ground floor of a large building/structure that housed a research center of sorts at an underground facility). The picture was taken with an old SLR and developed on site by people from the installation. Four shots were taken of her, two of which were overexposed with one of those somewhat blurry. All upstairs pictures of her were taken with a tele lens. The other one is one taken at the same level and there are people around her. The occasion was a party/reception in our honor, and there were four of them, three males and this female. We were not allowed to take any pictures of the males, but I was told that I could take no more than five pictures of her, but that all of the background images of the setting in which the subject was had to be changed. This was done subsequently, in digitized form, putting a blank background, which it is visible and evident on the picture. Her eyes were red at close range, but even the clearest augmentation of the digitized original did not show her eyes clearly, so color was augmented manually. That was the only touch given to the original.

[...]

The other three almost immediately joined us. I know she had called them over via mind-on-mind communication, and asked her if she had done so. She acknowledged she had, and this surprised her even more. On that occasion, in fact that evening, my party and I learned these four were members of the ground group and that their homesite was in Puerto Rico. The one clear picture of her was retouched and background-changed, leaving her form intact but with the eye color accentuated in red. I did not make the changes but I can say that the picture of the female I met is the likeness of the individual depicted on the photograph in question. My question, given the likeness between Anja and this female, is whether there is a biological connection between them I raise that question because it is known that pure SAM[*Ša.A.M.i., Wes' comment*] and SAM hybrid females are known to engage in intercourse with human males and to conceive children who are then 2nd and 3rd generation hybrids. Same with SAM males of the ground group.

This photo was not release [*sic*] to anyone by us, according to agreement with the contractor of record. We believe we were invited to come as a way of establishing bona fides that the contractor was indeed in direct contact and had access to SAMs. We were satisfied that this was indeed the case, and the case was closed. We then proceeded to perform the work for the contractor, were paid for our work, and that was the end of it. Except for the RWG affair[*Roy W. Gordon, Wes's note*], which began to unravel shortly after our return from down under. Things got quite nasty with the man who had been planted in our midst, and who had gone down with us. We are certain in hindsight that the man who returned back was not the same man who went down. I am also aware of the Casbolt case, as James came to us for possible deprogramming. Nothing came of it, and contact with him was broken.

Now, in appearance, those who are from the home planet are taller than those who belong to the ground group here. The three male individuals we ran across were 7 feet in height or over, but not as tall as those whom we met during Link sessions, nor like those who picked me and my dad up in 1956 in South America during a fishing trip on a River between Brazil and Paraguay.

All of this happened about 4 years ago. from 2011

In the aftermath of the RWG affair, we did a thorough housecleaning of the disaster he brought to our doors. We have a working relationship with many people and used every contact known to us in finding out who and what was this man doing and representing. Among the things he left behind was a clean picture of this female without the poorly done description of her on the lower left hand corner. I have no doubt this picture you showed me has been doctored and that we were not the only ones in possession of the digitized form now circulating. However, I was the one taking the picture and the picture is not taken at same level and it is not a frontal picture of her. She is gazing slightly to one side of the camera, as Ed argues in his video study of the photo. ^[21]

After I'd asked Dr. Bordon some additional questions, the details became even clearer. He was very generous with explaining this to us (UFO researcher Ed Komarek and me)

[\[http://exopolitics.blogspot.com/\]](http://exopolitics.blogspot.com/). I am publishing this, because I think it's important, due to that it gives credibility to Dr. Bordon's claims of having taken the photo of the female. I will not include information here which is of a personal nature, currently off limit for publication, or off subject. The occluded sections between the included ones will be marked like this: [...] . The rest is word for word.

There were four, not five viable pictures. I remember taking five, which is why I said five. Again, the pictures of her I took with an SLR in color from about 80 feet distance, a little less than 30 meters. I was on a first or second mezzanine up, which made for the angle of view, which in the first picture I took (she had just come through a door that was to her right in the photo you sent. Again, all photos were developed on site and given to us before departure. The fifth I was told did not come out. I did not pursue it.

Her eyes were, well, have you ever seen someone who was suffering of pink eyes, conjunctivitis, it is something of a pinkish-red from a distance, and the color remained pinkish on closer view - about 6 feet. We were never allowed to touch or be closed [*sic*] to them. Yes, there are pictures of her, one overexposed, the other with spots on her. These pictures were not "sanitized" (i.e., background removed). There was an additional photo taken the angle of which made her be at profile from me. These photos are in the possession of the contractor, all of them were retrieved when R.W.'s thing began to unravel. However, I am not going back to them to ask for these pictures. That's one dog I am going to let stay sleep. What really happen is a black mark on the contractor and on us, and revisiting the R.W. affair just ain't going to happen. Some of your and Ed's suppositions about Gordon are not farfetched at all and are closer to what happened. But that's all I will say about it.

Obviously, there are problems with this photo. We had no reasons to distrust the product given to us at the time. Only one was photoshoped; none of the others were changed in any way.

One of the things I would suggest is to not use that photo at all. There are better ones out there. When meeting the informants for the information XXXX [name excluded] and I reported in essay, pictures surfaced corroborating their likeness, although some at simple viewing of the photo told us the objects of the photo were hybrids. There are also photos taken by a fellow I know, who is photographically pursuing them around the world, and there are some taken by him or by one of his collaborators from either Argentina or Chile showing SAMs up in the mountains of the Andes [*my emphasis*]. I have not seen them, but I trust his word, since he's provided images of the skeletons of giants that are not in the public domain which we've been able to verify with LPG-C members from Russia that these were indeed viable (real) photos. Then there are photos of SAMs living in northern Wisconsin [*my emphasis*] we know about, photos of which are harder to come by, so XXXXXXXX (my friend) has been making personal attempts at getting one or more. There is also a retired master sergeant [*sic*] who was stationed in San Antonio, TX [*my emphasis*], who had taken distance photos of two of them in military uniform without insignias. So there are photos. With patience we will get to them. [...]

Witness what is happening in South America. I'm staying in touch with a Chilean, an Argentinian and a Paraguayan, all of them working with video as the medium of capture. There are technical problems with video - they never worked for us in person with any of them. Digital photography is best. It does not lie and it does not change the subject. Now, let me address something that, once either or both of you come in ftf[face-to-face, editor's note] contact with any one of them, and become familiar with these folks, the last thing you think about is photographing them. There are too many other things on focuses on while this is happening. There is also the issue that some will not allow you to take pictures of them. Then there are some whose body electrostatic and electromagnetic fields is so high that it distorts even a digital picture. Or, better said, the digital photo comes out distorted, like as if the space around the body is broken up. And, Ed, wordy as this may be, until YOU have been in front of any one of these people, that's all I have to explain the experience. [...]

...Please hear this as well: this is NOT about disclosure; this IS about connecting. [22]

So, first of all, a few new locations are exposed to us in the above email: Argentina and Chile (and up in the Andes), Wisconsin and Texas. Dr. Bordon also tells me in a letter dated, December 2, 2010, that the faction living in the Andes come from the Cydonia planes on Mars, and moved to the Chile mountain range just a few decades ago. Some of them can also be found along the Peruvian/Ecuadorian border.

And here is some recent information I heard on a Pleiadian lecture from the summer of 2011; they say there are underground bases in the Middle East where some of the Anunnaki reside.

They have lots of technology available to them down there and they pretty much steer the major events in the Middle East from under ground; partly by changing the brain frequencies on humans living on the surface, putting beliefs and ideas into their heads, which people think are their own. This is done with the intention to create and fuel conflicts of choice. A similar thing was done in Egypt during the uproar in the beginning of 2011.

To summarize, these are the sites the Anunnaki have been spotted on Earth in present time with quite some certainty:

(And you will notice the underground ongoing battles at April May etc 2020 include these places ^{C+F+PATIENCE})

1. Pine Gap, Australia

Secondly, Dr. Bordon (and the LPG-C in general) are not for ET disclosure, but for connection. It sounds pretty black and white when we read it like this, out of context, but there is much more to that statement; something we will discuss in the "*Solution Papers*". I actually believe that they is correct, but to understand what I mean by that, we *do* have to dig into the issue much deeper, which we will.

9. Marduk's Challenges

Although Marduk is using ancient techniques to control us via networks of secret societies, businesses, religion, banking etc., his problem is, and has always been, numbers. The latest [2011] Intel on him and his pure Anunnaki followers is telling us that they are about 330 in numbers, and every once in a while, they have been the target of snipers. That, and other reasons, have been what has reduced the numbers of the "Fallen" and the Nephilim.

Hence, they have been said to have been forced to do two things; fine tuning their networks in attempts to have them work more efficiently, and reduce the numbers of Lulu's ^(we humans).

The second is supposedly done, among other things, by creating wars, famine, disease, poisoning our food etc. The latter is doubtful. I know that it has been in circulation amongst researchers for perhaps 20 years now (I was one of them), that the Global Elite want to reduce the population down to perhaps 500,000,000 people.

That's a huge reduction! If they'd wanted to do that with the technologies which they have available, they would have done so by now.

Instead the population has increased to 7 billion.

My personal thought is that the PTB (Powers That Be) is just waiting out the natural catastrophes ahead, and they can help the disaster by adding their own weapon of mass destruction to the soup.

The manmade disasters and weather changes they have already orchestrated fill other purposes, like inducing fear in the population, and **biological warfare** and to make duller people, easier to manipulate. The wars, on the other hand, are just the old never-ending wars between the gods. That's where the "fine tuning" comes in.

Marduk knows about the increase of energies from the Galactic Center and our own Sun, which brings information on gamma rays to us here on Earth.

It's happened before; the last time we were lined up with the Galactic Center (the "Womb of the Mother", as the Pleadians call it), about 26,000 ago, and in a lesser degree 13,500 years ago, when our solar system was lining up with the Central Sun the last time.

This time around, during the nano-second, between 1987-2012, many people are prepared and ready to "download" the information from the Galactic Center, our own Sun, and the Universe in general. This is a big thing where numbers count again.

EXCEPT THOSE DATES ARE OUT BY AROUND 676 YEARS

Marduk knows he can't do much about the mass awakening, unless he kills off an incredible amount of people, and the question is if he actually would succeed anyway. There are ways (mentioned above) he can reduce the population,^[23] but the question is if he will succeed.

Some may think that the Global Elite is united, but they are far from it. There are serious conflicts and disagreements on higher levels, which may be fortunate for us, as it delays any major actions against us, and gives us more time to get the job done on our end. The major challenges I see Marduk facing today are:

1. **Disagreements within his own circle of people** (at **18th August 2018** Marduk was placed under house arrest and Nannar executed for Contempt of Council)
The ancient conflict between the RAM Clan and his own Serpent Clan.
(HUH? Marduk is the RAM clan?)
2. **There are still those loyal to the Kingdom residing here on Earth, making life harder for Marduk. We may ask ourselves if we should line up with them to fight Marduk and his cohorts, but I would definitely say no to that. We don't want to be involved in more massive wars that no one can win.**
And "violence always feeds violence", "if you kill with the sword, you shall die by the sword" etc. Basic karma is what it is.
3. **The mass awakening of the Lulus. This is a major factor he may, or may not, know how to deal with successfully. However, as mentioned above, that part may take care of itself, similar to when the Enlil just let the lulus die in the Deluge. In my book, Marduk if not, is worse than the Enlil (YHVH).**
4. **The Incoming Nibiru. He soon has to face his nemesis, King Nannar, whom reportedly is here to destroy Marduk and his network. In all his pride, Marduk may still think he can beat them, which will probably be his Achilles Heal. If we are to believe Bible prophecies, Marduk/Satan will not succeed, but there will be a big battle of Armageddon, where many people will die in the so-called "final"(?!) War of the Gods. Of course, humans will once again be used as foot soldiers...**

What Marduk has done is to take advantage *of time speeding up* during the nano-second. He is forcing us humans to work harder and harder, multi-tasking to the extent that we can no longer think, because we don't have time. The Pleiadians call this *"functional insanity"*, which I think is a great description of the situation. The result, however, is that many people get so caught up in the fast pace of life, which is intentionally created, that we don't have time to think about deeper issues that would actually help solving our problems. The immediate resolution is to slow down! We need to stay calm, meditate, and calm down the frantic energies, or we'll succumb. This trap is very cleverly set up, and on the surface it seems like pure insanity, but if we look at it from Marduk's point of view, it's ingenious. There are many challenges ahead of us, and the Anunnaki problem is only one of many, as we shall see. Humankind needs to be prepared, or we stand no chance of survival. Of course, as always, mankind *will* survive as a species, but our numbers will be significantly reduced! Still, there are things we can do, and we have help behind the scenes; both from here and "above", so to speak. And I'm not talking only about ETs, but our own Higher Selves/Oversouls/Sovereign Integral; whatever we want to call it.

We have a lot to go through in the *"Solution Papers"*.

I have another diagram I want to show you, which is included in Bordon's *"Journal of End Time Studies Vol 1: January-June 2007: "Between the Devil and the Incoming Rock"*, and that is another pyramid power structure, looked at from a slightly different angle, showing the information flow going in two directions; downward and upward, where the latter is meant to be a "clear flow", where all information goes from down to the top, while the downward flow is restricted and on a "need to know basis". This also has to do with more off-world policies and this structure is being implemented as we speak, if the interpretation of the situation is correct. As usual, when a picture is not clear, click on it to enlarge.

Figure 13: LPG-C's interpretation of the USA/transnational "crisis mode" space security, intelligence, and event response grid at present.

The ultimate challenges for Marduk and his human and not-so-human underdogs will be the incoming planet, Nibiru. The arrival is still a few generations in the future, but if we are to believe what old prophecy says (and we should), the Ša.A.M.i. from the home planet will defeat Marduk and his Global Elite and then rule us for another 3,600 years in something that can be described as Paradise on Earth, or "Heaven of Earth".

But who gave us these prophecies? Who gave the information to John the Divine and Daniel? It should be quite obvious to the reader by now. If we study the chain of events here, we can quite easily see who is who. Marduk being Satan, Nannar and his people from the Home Planet being our Savior(s) ("Second Coming" of Nibiru). Nammur, the Enlil, is the primary YHVH (Jehovah), although YHVH/YHWH is a composite of different Anunnaki, and Ea (Ankur/the Enki) is Lucifer, who gave Adam and Eve wisdom in the Garden of Eden (Edin). According to the Bible, the prophecies written therein are of divine origin, and if we look at the information I shared here a few sentences ago, we can see who the "Divine" ("God") is. I have always been fascinated by the early WingMakers material, and how accurate much of it is after some 13 odd years under scrutiny. James, the writer and interpreter of the material, writes regarding the Anunnaki and the Ša.A.M.i.:

"The genetic library that thrives upon earth is a form of currency that has no price tag. All I can say is that its value far exceeds anything that human thought could imagine. And with this incredible value, our planet attracts interest from a wide-range of extraterrestrial races, and this is as true today as it was a thousand years ago or a hundred thousand years ago. "Objects of inestimable value and rarity, such as earth, attract beings from outside our planetary system that desire to control them, which makes earth an extraordinary object of attraction. It's precisely this attraction that has brought the concepts of evil to our psyche."^[24] LPG-C has discussed this matter with those from the Home Planet, so what does this species have to offer? LPG-C, on behalf of humankind, came with the following suggestion: What we are suggesting, instead, is the development of a network of canton-like like-minded and like-disposed peoples who accept, realize, choose to, and develop means to open themselves to possibilities. We know the Kingdom is coming back, and the Kingdom and humankind are bound to each other by genetic makeup and past, some of which must be unlearned and undone in the present so that a peaceful future could be possible for both; them and us.^[25]

Dr. Bordon of LPG-C ends his essay with the following:

What we are suggesting is not a war or even resistance to Marduk or those who carry out his plans and objectives. This would be, indeed, futile (to borrow a phrase from Roddenberry and his *Star Trek Next Generation* paradigm).

Then there is the matter of the dedicated human said to be returning with them, who is to assume the combined offices of EN.KI. and EN.LIL. as First Lord of Earth – or something like that – in some kind of direct democracy. It would be nice to know what his sixty epithet names will be;^[26] this will tell us a great deal of what to expect from what he is to offer to the remnant humankind left after the forecast defeat and imprisonment of Marduk, following some final confrontation of forces prophesied in biblical sources.

THE ARREST OF MARDUK HAS BEEN ACCOMPLISHED, SENTENCED PENDING HIS "REPENTENCE"

All of the preceding would require of us that we change our views of what is to come and face them, not in religious or doctrinal ways, but rather in well-informed and thoughtful exopolitical and scriptural ways. Why scriptural as well? We also need to know what is required of us in the dedicated human's program for a post-Marduk Earth. We contend it is not an accident that much of what written patrimony left to us has been altered and in some cases changed completely to suit doctrinal and institutional hegemonies and power. We are also not suggesting a naive, Pollyanna-like worldview of what is to come; quite the contrary, we suggest we must become informed not just about Marduk and his program, but also about the Kingdom and the dedicated human's paradigm of an Earth seemingly patterned after what NI.BI.RU. sees 25 working for them. Will it also work for us? We are not suggesting it will not. We are asking that we begin a dialogue on these two seemingly diametrically opposed options, and learn what we may already know deep within us all that is best for us. [27]

Is prophecy set in stone? Is it totally pre-determined? Of course not. Is it likely to happen? Yes, some, if not most of it, because it's planned that way. By getting people hooked to world religions and their offspring and cults and sects, via priests, religious leaders, mass media *et al*, we are constantly bombarded with religious propaganda, which makes it easier for the prophecies to stick. To our favor is the mass awakening that's going on as I write this. Prophecy, however, is always slippery, because humans are very unpredictable. When comes to Bible Prophecy and other ancient prophecies, much of that is more likely to stick, because humankind is secretly steered in the direction of fulfilling these old predictions (there are those behind the scenes who work furiously to make these prophecies come true), but they are also determined by the plans of off-planet beings, over whom we have little control.

I can empathize with Dr. Bordon's statements above, seeing it from his, and LPG-C's, perspective. However, as they mention in so many places in their different essays, the Ša.A.M.i. and the Anunnaki are just a small faction of ETs in near Earth space, and they all have their imperatives. We know the history of the Ša.A.M.i., and their mindset, and this is evidence we can't discard. If someone says "they have changed now", I wouldn't take that as face value. Anybody can say that, or that "they're working on unity".

The 60 epithets of Nannar would indeed be nice to see.

First of all, there are other ways to get rid of Marduk and his followers, and that is to educate ourselves (reading material like this), make it our own, work on our spiritual wholeness (spirit/mind/body), and our fear will diminish considerably. It has worked for me, astoundingly so. Knowing what I know and working on myself has left me with very little fear left inside. This is the stage we want to reach. This is a 100th monkey syndrome we want to achieve. Because remember, even Marduk and any other negative visitors, in our terms, are here because they perceive our fear. Those who have read "Hidden Hand" know *exactly* what I'm talking about. You who haven't, here is the link again;

<http://illuminati-news.com/00363.html>, and I advise you to read it now. Stop here and read it first before you move on in this text if you haven't read it before. Then come back here and continue. It's that important!

All challenges we are meeting now and in the future have a purpose. They are mirrors

THE HIDDEN HAND

MOTHER * TEACHER * DESTROYER

Figure 14: "Hidden Hand", a self-proclaimed Power Elite Insider gave us a lesson in late 2008 which became a catalyst for many thousands of people.

of our own fears and weaknesses as individuals and as a humanity, and they come into our existence to teach us lesson so we can grow; they are catalysts.

How well will you and I survive? Well, it depends on how well we master fear and have taken care of our karma. The timelines are opening up and we are becoming more multi-dimensional. This means we also need to face our own fears and overcome them.

We need to forgive ourselves and others, create a positive environment in our local universe and always work on having good thoughts about self, others, and the environment, and feel unconditional love towards everybody and everything. Unconditional love and service-to-others are the big keys. Listen to your heart; it's always telling you something important. Then, but first then, can you connect with your Higher Self and become an island in a stormy ocean. The waves may whip against your shores, but they won't penetrate the island. You can watch them, see the beauty in them, and do nothing else but that, then the waves will stop right there and conform into what you want them to be; a manifestation of beauty, not of fear. Think like this sounds too simplistic and too naive? Think again. If a solution is not simple, it's not the best of solutions. Everything is simple in its core; we are the ones who complicate things with our "logical" minds. The Multiverse isn't just "logical"; it's fluid and ever-changing. And who is changing it? We are!

This doesn't mean it's easy to change old patterns, beliefs and paradigms that are no longer working in our favor; we need to work on this one by one and face our limitations and fears, see them for what they are and overcome them. Not by fighting them, but to understand them, accept them and let the negativity and fear connected to them, go. That's how we grow, because our positive energies are contagious and spread like a wildfire. Be a positive example, and others will follow; they have no choice, because you show them who they *really* are. When Marduk and his Global Elite have no reasons to be catalysts for us anymore, and their terror doesn't bite, their difficult job is finished. The real so(u)lution is not "out there", but "in here", "inside".

When we look at things, we need to understand that whatever it is, it has more layers to it; always! Make it a rule to always look at things from the highest possible level, and you will have a much greater understanding for things happening around you. Instead of being frustrated or afraid, think: "how can this serve me? What is the learning lesson in all this?" Only then will you become more enlightened. I can't emphasize enough how much this kind of thinking has helped me!

In the same manner, we need to look at Marduk, the Global Elite and others, whom apparently have not our best interests in mind; at least not from our 3rd Density level perspective. They are doing a job that you and I didn't want to do. In that sense; deep inside themselves, within their energetic hearts, there is a tremendous love for us humans and everything else living. They manifest this by being our "opposites" (catalysts). Would you like to play the role of the "evil guys"? Not if you know what karma that would bring onto you. On the highest level, they are here to help us grow. They may have forgotten that on a conscious level (some of them have not), but they are still playing out their role. It's up to us to recognize this and overcome our worst enemy - FEAR!

And the "evil ones" feed from it. When there is no fear, there is no longer any place for them. It may be a rude awakening, but this is how it is. It's up to us!

The interesting thing is that the earlier creator gods, like the Pleiadians and the Vegans, whom, being the original creator gods of mankind, have better reasons to govern us, instead want to teach us to govern ourselves, *without* much help from outside forces (including themselves, except for giving practical advice when asked for). We need to think about if maybe this is what would be preferred. Unfortunately, the scientific community; even the rouge ones; have a hard time accepting the metaphysical beings that are here to guide us in these times. Yes, the best of the scientists are acknowledging them and may even say that the metaphysical entities may have their ducks in a row, but don't understand the dynamics. I would say, maybe they do? Maybe they *really* do; at least the most advanced of them. More of this in the "*Solution Papers*".

10. Supriem David Rockefeller and the Thule Order

Almost exactly 2 years ago (June 2009) I published the last version of the e-book online about Supriem David Rockefeller and the Thule Gesellschaft (Thule Order, Thule Society). It was a blockbuster on the Internet. When I published the first version in the beginning of 2009, I had more than 500,000 visitors in a week. However, as information came in and things were revealed, the first version, with all its flaws and misinterpretations, later matured into "*The Myth of David Supriem Rockefeller*"^[28], which became the last, and much more accurate version of the book, published, as I said, in June of 2009.

Figure 15a: Supriem David Rockefeller in 2009

Even today, 2 years later, many people are probably wondering who he really is and what the Thule Society was all about. So let's try to put it more in perspective, and start with Supriem David Rockefeller (SDR). There is something very mystical about him, which attracts a lot of people. *"No smoke without a fire"*, as the saying goes.

Figure 15b: Supriem Rockefeller in late 2010

10.1 Supriem Rockefeller in Review

There was a lot of debate whether this man is legitimate or not. He was (and still is) claiming that he has the manisola of both Marduk, ~~Lucifer-(Ea)~~, YHWH (the Enlil), and more. What does he mean by this? Does it mean that he *is* all these beings?

First we once again have to explain what "manisola" is.

I am going to quote myself here from the Supriem book:

Manisola means Mani (moon) and Sola (sol, sun). It can also be called "moon-sun". It is the term for the lunar and solar principle. The lunar principle is the female, and the solar principle is the male fertilizing the female.

**ACTUALLY, MANI IS MANU – ORION, AND E'A IS NOT LUCIFER. ALLAH-LU IS LUCIFER
ALLAH – HALAL KILLING – ADRENOCHROME- CHILD KILLING IS NOT WHAT E'A DOES.**

It is also the story of the Holy Grail. The Grail itself is the lunar principle, the female vagina.
AGAIN, NO.

THE "CUP" OF THE "GRAAL" IS CASSIOPEA. THE "V" OF THE "VULVA" IS ANDROMEDA

Now, in a nutshell, a Manisola as is spoken of in this chapter, is that only of the superior deities. It is the life force and looks like a bright blue orb. Once it enters the womb, that life force can be reborn and the child will have the same physical characteristics from the past and the memories as well.

Wilhelm Landig, an esoteric writer, most probably a Thule member, wrote about Manisola in his book, *Gotzen gegen Thule* (Godlets Against Thule):

They are living, intelligent bio-mechanical entities with a complex life cycle that begins as a circle of light and continues through a metallic form before reaching the reproductive stage. Through a regenerative process, a new Manisola grows within the womb of the adult. The regenerated part is expelled by the remaining mother-nucleus as a new energetic circle of light, corresponding to a birthing technique. This new circle enters on the same seven developmental stages, while the expelling maternal element rolls itself into a ball, which then explodes. The metallic remains contain particles of copper. The optical impressions that eyewitnesses of these Manisolas have had up to now are basically quite uniform.

In the daytime they display an extremely bright gold or silver luminescence, sometimes with traces of rose-colored smoke which then often condense into grayish-white trails. At night the disks shine in glowing or glossy colors, showing on occasion long flames at the edges and red and blue sparks, which can grow so strong as to wreath them in fire. Most remarkable is their power of reaction against pursuers, like that of a rational creature, far exceeding any possible electronic self-steering or radio control.

Landig goes on to describe how, throughout the ages, all mythologies refer in one way or another to the Manisolas, which are seen as symbols of spiritual potency, unity and love.

[...]

These Manisolas and their accompanying manifestations are a representation of the morphogenetic grid in all its aesthetic glory. According to Landig's book, they have been interpreted in various ways by different cultures. This also has something to do with the thought forms being projected. If one studies the third and fourth dimensional aspects of sacred geometry, one can see that these Manisolas are cabalistic vessels of creation.

The Manisolas, or "bio-machines", are primarily fourth dimensional interfaces with the life force itself.^[29]

My first mistake, when writing about SDR was that I thought he was saying that he actually *was* all these deities. He never did. He said he had the **manisola of all of them**. Is that possible? Hypothetically, yes!

After you, the reader now hopefully has become familiar with the Ša.A.M.i. and the Anunnaki from my previous papers, you are aware of the different major players on the Anunnaki stage. If you look at the beings Supriem says he's got the manisola from, most of them are Anunnaki and related by blood. Now add to the picture that the Anunnaki are/were master geneticists, they could easily create something like Supriem; very easily. They take a little piece of the life force off all these named beings and blend them together. Then they are able to "program" their creation so that certain traits become more prominent than others, and we have the personality the creator gods want; in this case, Supriem Rockefeller with the primary personality of Marduk Ra. But is he even human? I would say he is half-human, half machine. That's what the above definition of manisola explains. He is artificial intelligence, of sorts.

This is one option, which is more plausible than many people may think. And this is what Supriem himself says he believes he is. So let us stay with this thought for a while, pretending this is the case and see what develops:

If SDR has the manisola of all these Anunnaki entities (and a few reptilian traits as well), who would do that, and why? Obviously someone who wants the world to believe that SDR is Marduk Ra, or the current presentation of him. Of all the known players, who would have an interest in this, and why? Basically, only one, as I can see it, and that would be Marduk Ra himself. By creating someone like Supriem, he would have a forerunner and a distraction. For many, it's a double-edged sword. Those who believe SDR is a manifestation of Marduk of some sort will keep their focus on him instead of the real deal. Those who write him off as a hoax will be less likely to believe it when the real Marduk enters the stage (or his successors, in case he actually *is* deceased). Another hoax, they think.

So Supriem, whether he is aware of this or not, would work pretty well as a forerunner and a distraction.

Some people say he's just a prankster and a hoax. This is to simplify it to the extreme. There is more to the picture than meets the eye--always. This whole Supriem/Marduk issue started on the Internet already in 2001; very subtly in the beginning, but it was there. Supriem was then 26-27 years old, born on December 22, 1974, which is normally the Winter solstice, but the solstice was off one day that year, so he is *almost* born on the solstice, which makes it close enough. Ten years later, he is 36 years old (going towards his 37th birthday) and is still playing out the same story. Doesn't it get old after a while? Doesn't he grow up, and gets tired of this game if it's a hoax? One would think so.

There are those saying he is using it to get to the girls in the many bars he is visiting (he is a chronic alcoholic), but which girl in her right mind would follow a guy home who says he is Marduk Ra? If he needs to use something to get girls interested in him, that would certainly be repelling. And besides, SDR is very verbal, intelligent, and has no problem getting girls without such cover story. I doubt he even mentions it to them when he works on seducing them. Only a few, close friends know about it, apparently. The rest have no idea whom he claims he is. So that explanation does not hold water, either.

The other side of Supriem is the well-dressed business man, who travels around the world, supposedly meeting with people from the Global Elite. He very sophisticatedly uses his FaceBook to keep people updated on his whereabouts, but in his role, that wouldn't come as a surprise. Still, is he really meeting with these "important" people? We don't know; he could just be a world traveler, using money from the profits from suspect business deals.

Or he could actually be doing what he claims he does.

Supriem has always trusted me, except when I published my second e-book about him, which I co-wrote with another person; a book I later withdrew from the Internet due to that it was not accurately painting the picture of Supriem. It is still available at scribd.com for those who are interested. Just keep in mind that I withdrew it and am of the mindset that it should never have been published. My co-author, however, is of another opinion, but I, as the major writer, had the last say in the decision to take it down.

The trust SDR has found in me has led to that he has revealed a few things to me which I've promised to keep between us. I am still holding on to my word and will not publish anything I've promised not to. All I want to say with this is that he has been more open to me sometimes than he would if he thought I would publish what he told me. One thing he reluctantly agreed to that I could say is that he wishes he doesn't have to do what he is doing. It's like a curse, but he can't just stop it; it's his destiny. I asked him if that's why he drinks a lot. The answer to that was...silence. However, he said this in a context that makes me believe that he was not kidding me; he meant what he was saying, it was one of his "buddy to buddy" moments of confession. And this means that he is not totally in control of his own destiny; someone else is running the show.

If so, we already know the purpose with the Supriem character; to distract and attract, in an effort from his handlers to displace our attention from the real deal. But what will be Supriem's end goal?

If we listen to what he is saying in public, he will become the World Leader, the Maitreya, the Messiah that the world has been waiting for. He is the Second Coming, the Jewish Messiah, but in new clothing, meaning that he now wants to unite all races and religions into one. And he is promoting the Urantia Book as a reference to how the Universe is structured (similar to the WingMakers, who are also talking about 7 superuniverses), and gives special emphasis to the chapter about Lucifer's Rebellion, which is a metaphor of Marduk's rebellion against (the) god(s); the ones from Nibiru. Furthermore, he is supporting the rebuilding of Solomon's Temple, which is another part of Bible Prophecy of the End Times, and this will be his Temple, where he rules a united world. SDR's vision pretty much coincides with that of the real Marduk Ra, doesn't it?

RĀ IS A TITLE THAT IS EARNED, MARDUK SIMPLY PURLOINED THE TITLE, TO ADD ICING TO THE CAKE, E'A, YAH, EN.KI HAS ACTUALLY BECOME A TRUE RĀ

Of course, we know that Supriem is well read on the occult, ancient history (especially that of Sumer, old Babylon and Egypt, the two latter being Marduk's old domains), but why this obsession with Marduk? Because there is something to it, of course.

A year ago or so, after I'd withdrawn my second e-book about him, Supriem said that the world will soon see him rise to power. I doubted it, and still does, of course (it will not happen), but I was curious as to what steps he would take. What happened was that he started traveling the world, intensively. Quite an odd thing to do for a poor man, like some people have portrayed him. I have also seen pictures (not photoshopped) with SDR together with a few prominent people of the Power Elite, which I have promised not to publish at this time. Still, I can mention their existence, and I am sure they *will* be posted in due time. So he is not an innocent hoaxer, although he is not whom he says he is, either. He is *not* the coming Messiah or the AnitChrist; these epithets are reserved for the Nibiruan Śa.A.M.i. and the real Marduk, respectively.

Whether people believe the above explanation about who Supriem is or not, one thing is certain; the man is possessed. He has all the signs of being so.

The major signs of entity possession are:

1. destructive and self-destructive behavior,
2. irrational behavior,
3. sudden extreme mood swings,
4. drug- and/or alcohol abuse,
5. sexual obsession,
6. sexual perversion (including pedophilia),
7. pathological liar,
8. violent behavior (including beating up a partner or a friend or a stranger on the street),
9. being threatening or even violent when someone opposes him/her, whether in opinion or in action.

There is more, but this will do for now. If a person has one or two of these traits, or more on rare occasion doesn't mean s/he necessarily is possessed, but if it's repetitive and extreme in nature, stay away. And don't fight these entities, because they are often more powerful than humans are in their current state.^[30] Instead, if this happens to someone you know, work with it in dream state. Before you go to sleep, decide that your dreams are going to be about healing this other person. Doing so consistently may help tremendously.^[31]

Back to our topic now. Before we discuss Supriem in these terms, let's compare with someone else, whom we know for a fact was possessed, and even admitted to it. I am talking about the late singer, Jim Morrison.

Jim told us that he got possessed when he was very young and his family was driving in the deserts, and they saw a dead Native Indian by the road.

This affected the young Morrison so much that he unwittingly attracted and took on the spirit of this Indian, who showed to be a shaman. This empowered him a lot and helped him become the charismatic singer and songwriter the world appreciates. However, the price he had to pay was mental disorders, most of them listed above. He died at the age 27, in 1971 of heart failure due to extreme intake of alcohol, opiates and cocaine.

Figure 16: Jim Morrison, close to the end of his short life

He said that by the end of his life, the shaman left his body and he felt like an empty shell, not capable of doing anything of what he did before. So he simply went on a fast, drug related suicide trip.

If we now look at Supriem, we see a very similar pattern. It's enough to look at the list above to recognize these traits in him; including the same self-destructive behavior he shares with people like Jim Morrison and so many others; especially in the music and movie industries. I am going to leave it with that and continue with a, in my opinion, more interesting subject-- Jarl Vidar and the Thule Society.

10.2 The Thule Society, Fulfillment of Prophecy, and the Gateway to the Gods

When I wrote the Supriem book, I learned as I went along. I did not have the same knowledge as I have now, two years later. Still, the Supriem book is something I am quite proud of, because it fills a very important purpose and is a springboard to these papers. There is a lot of valuable information in this earlier piece of work.

Figure 17: Thule Emblem

Likewise, I knew very little about the Thule Society, their goals, and why they are doing what they are doing. I simply knew too little about our ancient history and the visits of the gods. Yes, I had read the "Gods of Eden" by William Bramley, and Sitchin's "The 12th Planet", but now I have plowed through more or less the whole "Earth Chronicles" by Sitchin, and studied other sources as well on the subject, and believe I've nailed it down quite well. This new knowledge puts the Thule in a whole new perspective. So let us contemplate a little bit on this.

Figure 18: Jarl Vidar of the Thule Society
this is the person a Journalist sent me an image

Jarl Vidar, the German Thule member, at one time wanted to use me because I am a musician. He wanted me to create a piece of music within certain guidelines and frequencies to open up the stargate to let the gods in. He was of course talking about the Anunnaki "gods", who come from Nibiru. One of the purposes of the Thule Order is to help with the transition of the gods when they leave their home planet and come down to Earth; giant beings, armed and ready. Then, Vidar is talking about the Battle of Armageddon, which will happen so that the Earth can be cleansed. He further told me that many, many people will die in the process, but when it's over, there will be Paradise on Earth, where a selected few of the Nibiruans will rule us for another 1,000 years, in peace and harmony, so we

can learn how to govern ourselves.

As we can see, this is very similar to LPG-C's perspective, although the Thule is supporting both sides of the conflict, and I will tell you why in a moment.

Hitler saw this whole Nibiru/Marduk issue coming; he was in contact with them mind-to-mind, and he saw how they looked like, and he was terrified. He worked towards the goal of creating the Anunnaki Kingdom, but it was too much for him to handle. It drove him insane and he started acting out in a very destructive manner (some say that Hitler worked with the Dracos and the Grays, and it may very well be that those who showed themselves to him were Reptilian in nature, but still working for the Anunnaki).

Jarl Vidar, who is presently working in tight connection with Michael Noel Prescott, and together they have started a new branch of the Thule, which will embrace the New Aeon of the Anunnaki, is determined to follow the original protocols of the old prophecies. Jarl told me that the old Thule is still stuck in the Old Aeon, but he and Michael are here to introduce the new one.

Jarl is often talking about Shamballa, the old city underground.

He says he's been there several times and met with the beings down there. He describes them as very gentle and loving, and they have lived there for a long time. They now need help, in different ways, from humans to support them in their mission; some of them are reptoids. They probably also need strong, psychic humans, who can survive the End Times (Thule is all about Prophecy). This is the reason for the Triple Helix program; it's one way of connecting with the gods, and communicate with them. There are other, better ways, but it requires a lot of training, and the Triple Helix will probably do as surrogate until better ways of communicating can be established.

We will talk about "Topological Thinking" in another Paper.

Jarl recently wrote on my FaceBook wall that J.R.R. Tolkien was well aware of what is going on, and had actually been to Shamballa himself and met with the gods. I wouldn't be surprised, because it reflects in his Middle Earth books. Jarl also wants to take me down there whenever we get the chance, but I may opt out on that one.

Jarl's only concern is to have the prophecies fulfilled. When I wrote the Supriem book, people were wondering why Jarl didn't care whether those he worked with supported Marduk or the incoming Ša.A.M.i., but it makes sense, because he wants to bring about the Battle of Armageddon so that the world can be cleansed. He *wants* the war to happen, because he believes it's imperative for us to be able to create the New Aeon; the New Earth, which will be Paradise, where the "gods" will rule for 1,000 years in peace and harmony. Jarl is purposely trying to create the conflict necessary before the Nibiruans arrive and the Battle can begin. Those who survive the "wrath of the gods" will be highly rewarded. A new Phoenix will rise from the ashes.

NONE OF THIS CAN HAPPEN UNTIL WE ARE CLOSER TO THE AGE OF HUMANITARIAN AQUARIUS – NOT DUE FOR SEVERAL HUNDRED EARTH YEARS YET. THE AGE OF DECEPTIVE PISCES IS 2,590 OF OUR YEARS AND WE ARE ONLY IN I344 AT 2020. See the pdf forum MILLWHEEL OF THE AGES

And we are still supposed to believe the incoming Ša.A.M.i. are here for us?

Jarl, loyal to his mission, is hooking up with Michael Prescott, who is a very dark person, because he believes Prescott is important for prophecy to be fulfilled. Prescott is using Mardukian Magic when he is trying to achieve their goals (Mardukian Magic being that given to us by Aleister Crowley, John Dee and others).

The Thule and Jarl Vidar are not the only ones working furiously to make prophecy fulfilled; most secret societies are, in their own way.

We know from my LPG-C sources that the incoming Ša.A.M.i. can be very loving and gentle, but also quite cruel. They have no second thoughts about killing off anybody who is not supporting the Kingdom, or is on Marduk's side. It sounds reasonable, perhaps, for many who have suffered because of Global Elite policies and suppressive acts like war, mind control, torture, rape, and all the rest of it. But the Nibiruans also make it very clear **that if you side with Marduk in any shape or form, you will not be forgiven and killed when they come; and your future generations will be punished for your deeds!**

Why do you think that is? Because they want to free us from Marduk's suppression? No, these gods want to implement their own laws, rules and policies on us humans here on Earth and make us part of the Kingdom. They are conquerors, and by "cleansing" the Earth, killing off anyone who opposes them, what remains is a new generation of obedient sheep. Do they want to terminate the bloodlines of those who supported Marduk, because their future generations can become future rebels? I am not signing up for that even though I'm not supporting Marduk.

SEE IMAGE OF TEN FOOT PERSON STANDING NEXT TO AIR FORCE ONE – THE NEW KING NINGHIZZIDA April 18 2020 – and lurking in the crowd taking photos is a person "just under 8 ft tall" who is very likely Valiant Thor/Enlil

Now, it doesn't impress me when we talk about "imperatives" here. When I discuss this matter with LPG-C scientists, they are not foreign to the idea, saying that this is the Ša.A.M.i. way of handling things, because it's in their nature. That doesn't make them "evil". In a sense, this is true; it's enough to look at our own human race to see how we solve our own problems, but the question is in that case, what *are* their imperatives? To me it's quite obvious. However, I am looking forward to a future in peace and harmony, where people slowly but surely raise their frequencies to overcome urges like war, revenge, and killing, for any given reason. If we welcome a species who are using the same violent policies that we do now, here on Earth, it is not helpful for humanity's growth. And it's certainly not in our interest to be part of the Kingdom.

Apparently, we are facing a war of huge proportions, where the Mardukian Anunnaki, together with the Global Elite and their foot soldiers (which could be you, your brother or your neighbor), **will be furiously fighting the Giants who are coming down here, fully armed, perhaps even with nuclear power ...** see front page. see Putin's army fighting

THE NUCLEAR EVENT/S HAS BEEN RELEGATED TO NUCLEAR HOLOGRAMS AND FALSE ASTEROIDS PER/BECAUSE OF OFF WORLD AGREEMENTS JULY 16 2019.

We humans, as usual, are caught between, and we are the ones who are going to suffer the most; speaking of population reduction! It really doesn't matter if the war between the incoming and Marduk's branch are real opponents or if it's just staged, we humans are still caught in between.

Then comes the execution patrol. If you sided with the Global Elite and fought on the wrong side, wittingly *or* unwittingly, you're going to be killed, and your future generations will be punished. Can you believe what kind of karma all this will create here on Earth? And we thought the old Atlantean karma is bad? Not mentioning all the trauma it will create in everyone living here; we all will lose people we love and know well in this final *Battle of the Gods*. In other words; once again, they bring down their wars here on Earth—
"as above, so below".

I am told there is not much we can do about the fact the Nibiruans are coming! And that they are angry! Not at us, supposedly, but at the ones who enslaved us the last couple of millennia. Yes, the incoming are siding with us, but what are the end game? We know what the Bible prophecy says and that's what is played out before our eyes. However, we need to realize that prophecy is either "predictions" made by those who want to enslave us so that we think it's predestined and set in stone, and sometimes prophecy is to warn us about what is ahead if we don't change our ways of acting and thinking. We will discuss workable solutions in the *"Soulution Papers"*.

The Pleiadians said we are a very unpredictable race, so let's prove them right! Because of Prophecy, Jarl became very interested in Supriem. He knew Supriem was not Marduk, but had the manisola of all these different gods. And for any given reason, those who put the manisola (the life force) in Supriem's body, gave him a choice which faction of the Anunnaki to side with. Supriem has gone back and forth on his decision whom to serve, but has more recently sided with Marduk again, as it seems. For Jarl's purposes, as we discussed earlier, it doesn't matter which side SDR (Supriem David Rockefeller) is on. Jarl Vidar probably means well, but he is playing with inter-dimensional forces he doesn't fully understand, and in his effort to fulfill prophecy, he needs to get in touch with the black arts.

After a while, a person who plays both sides in a game where these both sides are destructive, it will certainly cloud one's mind and will backfire. Jarl says that the stargate is open and ready for the gods to enter. I don't know if this is true or not, but it doesn't matter. The gods *are* coming within the next 50-90 years.

YES- ArmMargEddan

We are living through the introduction stage of the "Tribulation" right now, waiting for the gods to arrive (The Battle of Armageddon), and after that we are facing a 1000 years of "Heaven on Earth" (some say 3,600 years, which is not according to prophecy), but Heaven on Earth, in my opinion, can only be achieved *without* the gods.

Figure 19: An Anunnaki holding a pine corn, representing the pineal gland (symbolic for genetic engineering)

In the ancient past, while the original Anunnaki were still here on Earth, in charge of we humans, there were periods where there was peace on Earth and people lived happily and in harmony with these creator gods, but it never lasted. The warrior instinct, the jealousy, the power hunger, the great egos of the gods always came to the surface sooner or later, and conflicts and wars broke out again. Personally, I am tired of this kind of past/present/future. I want something better for mankind--I want total sovereignty. We can do it without having the gods show us how to change our own diapers. I know I can do it (and I'm human), so why can't you, and the rest of us? Yes, we have warrior instincts, too, because we are of the same genetics as the gods, but we are still different. We have something they don't have; we have strong emotions. We need to learn how to tame them, but once we do, we are heading for the stars all by ourselves, by connecting via thought and emotion to our Oversouls. The strength and the answers how to become a galactic citizen doesn't come from warrior races. Already before we were tampered with by this Sirian race, we had something they lacked; something Ea apparently was quite impressed by: we had compassion! Perhaps the reader remembers from a previous paper, how the early, "primitive"(?) apes (homo erectus) sneaked up on Ea and opened his traps, so captured animals that were meant for food for Ea could run free again.

HERE IS PROOF PENRE IS BEING LED ASTRAY. THIS IS NOT A PINE CONE. IT IS OLD WORLD MAIZE, ALMOST EQUAL TO ORMUS FOR DNA REPAIR (IN PORTALS) and HAS PENRE EVER MENTIONED THE SARAN-MESSSSSIAH?

Even though the Anunnaki genes are added to these compassionate forefathers of ours, compassion is a strong trait still in humans; it is even pre-dominant! It never left us, and it is there to serve us into becoming multi-dimensional and galactic citizens. Maybe one day we can turn this around and be the teachers instead of the students. Perhaps we have a lot of traits we need to teach the Sirian Ša.A.M.i.? Technologically, we are far behind them, but spiritually we are ahead of them. Do they need us? Perhaps. After all, for Ea to distinguish the emotion of compassion in us he must have felt compassion too, deep inside. Perhaps it was we who taught *him* how to be more compassionate, and that's why he saved mankind on a few occasions?

But in general, do we need them? Not at this point.

EXCEPT THAT E'YAH IS NOW DEFECTED TO THE ELOHIM ALLIANCES FOR THE LIVING LIBRARY

What about the Global Elite? Yes, they are here because we need to manage our fear. I have grown out of them. I don't fear them at all; I don't fear Marduk, and I don't fear the Incoming. But I love this planet, and I love the idea of a Living Library. I am also willing to welcome peaceful ETs to visit and trade with us. They give us what we need and we give them what they need. I am not talking about a TTP (Technology Transfer Program) which the government has set up with certain ETs today; I am talking about resources. Food we're growing; minerals, water, supplies. This is what is already happening out there in the Universe every day. But we are not included, because we haven't learned how to manage our fear. We are still in the destructive hands of the few, and as long as we are, we will stay in quarantine to protect the off-planet species.

A new planet, which vibrates on a much higher frequency than the old Earth? Is that possible? Yes, Jarl, it is! Absolutely! But it can't be achieved by fulfilling prophecies that were made up by the gods who have power and control as their main attribute with intentions to absorb us into their Kingdom. No, we need to claim sovereignty over our biokind and this planet. We do so by creating a new one by our own efforts; not to play out the gods against each other--again(!)

The Pleiadian said in one of their more recent lectures that there are groups here on Earth who are working with, around, or alongside with prophecy, and some of these groups are **working hard to make these prophecies come true**. I am aware of 5 groups working with any of the above. They are, The Thule; LPG-C; the WingMakers;* The Corteum and the Labyrinth Group; and S.A.A.L.M.

The three latter groups we will cover in detail as well in the few upcoming papers.

***AL BIELEK WARNED IN HIS LAST LONG UNCUT VIDEO. THAT THE WINGMAKERS HAD BEEN INFILTRATED, (AS IS THE ASHTAR COMMAND)**

What the human race needs is education. We can't gather around certain imperatives if we don't know the options. This is the sole reason I am writing all these papers. Mankind needs to know what's going on so we can make proper decisions, or we'll be caught up in something which will be our demise as a species **in the long run—**

we will end up as cyborgs in a high tech Machine Kingdom!
