WHAT TO SAY ? * it is September 13 2020 today...
It is ~~July 14 2020~~ today,* and all these years the closest ever coming to comprehend St. Germain was to learn he was the third party in the orbs swooping by the twin towers. Da Vinci, Nostradamus and St. Germain.

All three recognized world wide just by their surname.

Only to have a video sent by a valued fb 'friend' that near made a person jump out of the chair.

Two important features of this video in quick succession, that grabbed me by my collar were:

The foundation of the Q movement¹⁰⁷⁷¹ albeit not stated so, and that St. Germain was involved.

Phoen cross armor screams 1300s which we know is 300s, but hairstyle?

Elizabethan Neck ruff which was up to turn of the J 600's

Looking very James Cook-ish, so sometime in the late J 700s. Did he still have his mason's hammer?

I did read a long while ago that St. Germain did not wear wigs

The first image here, in armor – bothers me date-wise, Templars being time framed up to early 1300s, so if we remove the number 1 which had been replanted in J583, we get say 300, then add back the 324 years deleted in 676, we arrive at around the 625 area. Thus making the Elizabethan statue the earlier in this line up. Queen Elizabeth 1 died J603. Not forgetting the inhabitants at Court were often wont to dress up. Picture number three would most definitely have been how Voltaire had seen him. Then there is Voltaire's letter. Dating in reality at J761 making the mid 20th century he referred to a very long way off, 1,190 years. Even for us, in 1344, the mid 20th century (1950) is still over 600 years away. The mid 20th century events for us would have been the end of WWII, Operation Paperclip, Admiral Byrd's ufo encounters and the likes of Roswell which included time travel. Unless, of course it means the REAL mid 20th century – still over 600 years away. The mind boggles at that thought. The Age of Aquarius will be just reaching into its cusp by then.

"Count Richard Jiamfre gave Eugenio Siragusa a strange handwritten letter from Voltaire.

It was addressed to the legendary Count of St. Germain.

The letter has phrases that fit perfectly with the idea of an alleged ET presence in human history.

The date on the handwritten letter was June 6, 1761.

"Your long road through time will be illuminated by my friendship for you – even at the time of your revelations about the middle of the 20th century..... [Being the origins of Treaty 9 in 1933]

Because of time, the talking pictures will not be able to be stored in its memory.

May your wonderful flying machines [space craft] bring you back to me."

Well!

There you have it!

Dressed in 19th Century British Raj attire

although it looks military, it is more probably noble

It is a pity Diana Gabaldon gave him a bad rap...

she is forgiven of course

Although some of the Germain information began to appear (at last) in the third part of ABBA the book, there transpired to be both too much for that book and enough for a forum of his own. The most mysterious man of all times – he who visited Voltair showing Voltaire a tablet from his future – an I Pod tablet!

These have not been categorized into their topics nor their various context determined, when more than one topic.

These are ready to have their quatrains line and its English translation found, checked, and added.

Change On The Horizon; Saint Germain's Trust Fund

"Many powerful groups have tried to stop the announcement and implementation of the NESARA law 18 months after NESARA became law, the Justices had the current Congress pass resolutions "approving" NESARA on **September 9, 2001**. On September 10, 2001 George Bush Sr. moved into the White house to steer his son on how to block the announcement.

The next day NESARA was set to be announced at 10 a.m. EDT on September 11, 2001 9/11 Attacks

Groups opposing NESARA arranged for the attacks to occur on 9/11 to keep NESARA from being announced.

Just before the announcement, Bush Snr. ordered the demolition of World Trade Center to stop the international banking computers on floors one and two, in the North Tower from initiating the new U.S. Treasury Bank system.

George Bush Snr decapitated any hopes of returning this government back to the people.

Despite the fact the Bush family was to be paid off \$300 trillion dollars to cooperate with NESARA, they choose instead to maintain control over us.

Ultimately in the end the Bush's will end up with nothing.

Without a gold backed treasury system our country is headed to economic collapse, and eventual civil war."

COMTE DE ST. GERMAIN

The story of how this change will occur, takes us back to Tudor England.

There was an enigmatic character by the name of Saint Germain. He learned the secrets of alchemy by studying ancient esoteric knowledge into the occult he was literally able to turn lead into gold, rocks into diamonds, and later was able to transmute his mortal body into an immortal angel conquering death itself.

With his "elixir of life" and positive thinking he never aged at all.

According to Germain "It is the activity of our nerves, the flame of our desire, the acid of our fears, which daily consume our organism. He who succeeds in raising himself above his emotions, in suppressing in himself anger and the fear of illness, is capable of overcoming the attrition of the years and attaining an age at least double that at which men now die of old age."

Notation: his elixir of life is ormus, alloyed with colloidal silver, giving him that pale bluish appearance. There is a collection of Hidden Texts VOLTAIRE information in the Template as well. Template is published on Folio7

Comte de Saint Germain

"A man who knows everything and who never dies," – Voltaire

Comte de Saint Germain was noted for rubbing elbows with the monarchies. Many of which commented on his elaborate shoes studded with \$40,000 diamonds and pearls. No one knew the source of his income. Then around 1727 he shared his secret money making techniques to certain German bankers in hopes that they would use the money to help humanity. Using his techniques, they along with the monarchies choose to squander the money for themselves. Even to this day, these bankers have continued to keep this knowledge secret.

Eventually Saint Germain realized the money was never going to be used for benevolent purposes so he pulled his money out and in 1729 he put it into his own "World Trust." At the founding of the trust it was stipulated that this money would be released in the year 2000.

Notation: we have learned the year known as 1729 was actually Julian 729

Bank Roll Programs

Around the turn of the century, the children of robber barons, and "banksters" began to see the error in their parent's evilness and their use of wealth. These 100 children are known as "wealthy visionaries". Together they invested some of their families money into secret money roll programs, to be used for humanitarian purposes.

The bank roll programs, allow wealthy investors to make insane profits by ripping off the assets and resources from third world nations. The profits from these programs are utterly astronomical as monthly returns can be in excess of 1:100,000 and 1:500,000. The name "roll programs" comes from a method of rolling money over and over in short periods of time.

At the end of each cycle investors then reinvest or "roll" the principle and interest earned over into the next cycle. In the late 1990's the bank roll programs finally ceased.

Money earned from these bank roll programs became known as the "Prosperity Programs" Over time the programs were secretly opened up to small investors so that one could invest as little as one hundred dollars at a time. These small amounts were handled by trustees, who collected the money and kept records, and combined the small investments into the large amount, let's say, one million dollars, that was required in order to enter a "roll".

The news of these programs spread by word of mouth and especially via multi-level marketers.

Thousands of people invested and great wealth was generated, but little, if anything was ever paid back to the investors. Trustees such as Clyde Hood and Mike Kadoski were sent to jail under false charges. Then corruption, greed, and fraud became wide spread among the bankers, government, and even some trustees who wanted to steal the money for themselves.

Even the Bush family had their hands in the pot, using Promis Software they could transfer stolen funds without being traced. Many have died because of this wealth, but God has another plan for humanity.

The time has now come to release these Prosperity Funds and the funds from Saint Germain's, World Trust.

This money will be used to buy out all oil corporations, banks, pharmaceutical cartels, and zero out all debt. 250 years of compound interest has mushroomed the World Trust into a net worth in excess of one quattuordecillion dollars, or \$1,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000.

That's 1 with 40 zeros behind it.

This is enough money to buy a gold cube the size of the orbit of Saturn.

So astronomical most people will not believe it!

The money from the World Trust will be distributed in the following manner.

Level One — World Trust.

This is under the trusteeship of Master St. Germain.

At his direction The World Trust can only be activated for payout at only two times during any given year, Easter and Christmas.

At St. Germain's orders the World Court activates the funding process. This process continues down through the four lower levels of trusts to the people, and under certain conditions the funding window remains open until the next holiday funding window begins. For example, if the Easter window is activated, the window can remain open until December 24, the day before Christmas, at which time it closes. The window remains open only if significant funds are moved to certain designated trusts during a set period of time. If not, the funding window is closed when such deadlines are not met.

Level Two —

These are the **180 Royal Trusts** under the control of trustees in various sovereign countries. Examples are The French Trust, The Russian Trust, and the **Vatican Trust**.

Notation: Around and during March 2020 those who would keep the worlds gold to themselves had it removed from their grasp. The Monarchy and the Vatican. Probably more important than the 650 planeloads of gold transported to Trump's administration would be the access to Vatican Library.

Most cardinals were executed, and the so called queen and her household and troops are no more.

Level Three —

These are the Family Trusts under the control of trustees of the world's wealthiest families. Examples are Bronfman, Warburg, Morgan, Rothschild, and Rockefeller.

Level Four —

These are the 250 plus Corporate Trusts under the control of trustees from powerful companies and corporations. Examples are General Electric, Lockheed, General Motors, Boeing, Carnegie, Ford, Marriott and AT&T. There are 4-5 trustees per trust which means that approximately 1200 trustees must sign documents to move money through these trusts.

Level Five —

These are the Prosperity Program Trusts which represent the various 70-75 bank roll programs which are under the control of designated program trustees. Again, there are 4-5 trustees per trust or some 350 persons who must sign documents to activate these trusts. Some examples include Bergevene, SBC, ITI, Savage, Morgan, Omega, and Freedom. The largest trust is Freedom and it must be funded first.

It is these trust's that hold the wealth from the enlightened robber baron children.

Then finally the funds will be released to the common man.

As the funds pass through each trust, the trustee must use only certain designated "safe" banks and sign the proper documents with only certain designated banking personnel at those banks. Should this process be activated and then be stalled by deceitful bankers, deceitful trustees, etc. and the deadlines for funding to reach certain trusts are not met, the funding window is then closed.

This is the problem members of the Bush family are blocking the release of these funds.

Notation: was the problem.

The Bush family has been excluded permanently by Trump's Executive Order December 2017 relating to criminals judged for crimes against humanity. Executed by military Tribunals and their assets confiscated back to where those assets were originally intended.

NESARA

Change is on the horizon, and it begins with NESARA.

There is much disinformation on the Internet pertaining to this law.

Sources such as quatloos.com which is a CIA front, nesara.org which is owned by the Bush family, the 33rd Zion Lodge, the NSA, Sherry Shriner, and various Internet channeling's straight out of CIA Langley have been spouting much disinformation and confusion on the subject.

The information on Wikipedia even has its facts wrong.

Wikipedia gives you the history of Harvey Barnard NESARA law.

If you look closely this law it stands for **National Economic Stabilization and Recovery Act**, which would reform the economy and replace the income with a national sales tax.

This law was rejected by congress in the 1990's. However there is another NESARA law on the books.

This NESARA, stands for the **National Economic Security and Reformation Act**. It's the most ground breaking reformation to sweep not only this country but our planet in its entire history.

The act does away with the Federal Reserve Bank, the IRS, the secret government, and much more.

Notation: the Federal Reserve Bank, a privately owned business, was placed into bankruptcy in the first quarter of 2020

History of NESARA

To understand NESARA's origins we must go back to the early years of the **American Republic**.

Ever since England lost her most prized jewel the "American Colonies," the royal crown was looking for ways to take back what was once theirs. The pioneers of our new republic knew the threat that faced the young nation. To ensure its survival a nobility amendment was passed to prevent anyone who had loyalties to the crown from holding public office.

The 13th Amendment was approved by congress and the House of Representatives in 1810.

It was ratified by all the necessary states into law on March 12, 1819. It reads as follows.

Notation: in 1871 "royalty" managed to coerce leaders of America into agreeing to the Incorporation of The United States along with its own Constitution. This Constitution rode over that of the Constitution Of and For the People of These United States. This was how prince William who owns Serco, (and Serco owns the particle colliders) was able to insert Obamacare under the umbrella of his Serco. Lending new meaning to "where there is a Will there is a Way". Will-I-Am.

13th Amendment

"If any citizen of the United States shall accept, claim, receive or retain, any title of nobility or honour, or shall, without the consent of Congress, accept and retain any present, pension, office or emolument of any kind whatever, from any emperor, king, prince or foreign power, such person shall cease to be a citizen of the United States, and shall be incapable of holding any office of trust or profit under them, or either of them."

This amendment was unacceptable for the British crown because this would essentially cut off all meddling into the affairs of the new republic's government. It would also mean anyone who is a member of the BAR (Lawyer) association would not be allowed to hold public office.

Remember the B.A.R. is short for the British Accredited Registry.

This amendment is technically still in effect today and therefore all the laws that have been made by lawyers remains unconstitutional, as they are not allowed to be US citizens.

This is why England fought in a war with us in 1812. Washington D.C. was burned to the ground and the original documents which proved this was indeed a law, were destroyed.

The British monarchy knew the American people would never tolerate British rule again, so they offered back the republic to the people with one exception, the 13th amendment was to be removed from the constitution.

Nearly 200 years have now since passed, we have been conquered and yet we don't know it.

Then we had the civil war which was really about the Rothschild family trying to gain control of the south's cotton industry. Then we had the Federal Reserve Act of 1913 which put America into slavery.

Finally in the early 1990's we started to see a change.

Notation: research the judgement made on Queen Elizabeth II and her consort husband by the High Court of Europe relating to the disappearance of ten Canadian school children taken by these two 'people' for a 'picnic' and never seen again. Pronounced guilty of crimes against humanity, this began the recognition publicly of several details regarding the legitimacy of the "royal" family.

NESARA

The beginnings of NESARA takes us back to the early 1970's when the banks were foreclosing on farmers mortgages all over the United States. The Willie Nelson "Live Aid" concerts were one of the fund raisers that helped these farmers. The farmers soon realized the banks were not only charging exorbitant and illegal amounts of interest, but they were illegally foreclosing on their homes.

When these farmers began to seek legal action against the banks they soon realized that the government and banks were working in collusion with each other. So in the early 1990's, they sought the help of the Farmers Union and did in depth research on all the banks illegal activities. A series of lawsuits were initiated against the banks and the government.

Over 336,000 Farm Claims filed for fraud against the U.S. Federal Government with an average of \$20 million dollars per claim. This amounts to \$6.6 trillion total.

In retaliation the banks and the government sent the IRS against the farmers.

When the farmers realized they were being unfairly targeted by the IRS they began looking for ways to fight back. They requested help from military generals such as General Ray Swasinger, to sit in the court room to ensure the bribed judges would vote according to constitutional law.

These court cases ran up and down various state and federal courts from 1970's till the 1990's. Then in 1992-1993, the farmers appealed their case to the US supreme court.

Almost unanimously the U.S. Supreme Court Justices ruled that the Farmers Union claims were VALID and that the U.S. federal government and the banks had seriously defrauded the farmers, and all U.S. citizens, out of vast sums of money and property. Furthermore, *the court ruled the shocking truth that the IRS and the Federal Reserve were unlawful*, that the *income tax amendment was never ratified* by the US states, and that the US government had illegally foreclosed on farmers homes with the help of federal agencies. Irrefutable proof of such was presented by a retired CIA agent. He provided testimony and records of the banks illegal activity, to lead further evidence that the Farmers' Union claims were legitimate. The Justices recognized that to remedy this situation, massive reformations would be required.

Notation: <https://www.youtube.com/watch?v=sAL0exvL45Y&feature=youtu.be&fbclid=IwAR0q7NgmOx4-iI0sR15y0RMrQUifshRz4vFUEKTWH16qPqAUhyhy8zebkes> 58:56

Now, when rulings are made by the U.S. Supreme Court, one or more Justices are assigned to monitor the progress on how the rulings are carried out. In this case, five Justices were assigned to a committee to develop steps to implement required government and banking reformations. As the Justices went about developing the required reformations they enlisted the help of experts in economics, monetary systems, banking, Constitutional government and law, and many other related areas. The Justices built coalitions of support and assistance with thousands of people worldwide; these thousands of people working to bring us NESARA have been named "White Knights".

This term "White Knights" was borrowed from the world of big business hostile takeovers.

It refers to how a vulnerable company is "rescued from a hostile takeover by a White Knight" corporation or wealthy person. This term is a most accurate term for these "White Knights" are working behind the scenes to stop the madness. After the trial, the damages process name was changed to Bank Claims. From 1993 through 1996, U.S. citizens filed Bank Claims against the banks and the federal government through the U.S. Treasury Department to obtain payment for the damages as specified by the U.S. Supreme Court. (This process CLOSED in 1996.)

Gag Order

Due to the ground breaking changes required, an extremely strict gag order was placed on everyone, directly involved and the court case records. Anyone who broke this gag order would receive the death penalty. Furthermore all court records were sealed until after all the reforms are completed.

To maintain this secrecy, the case details for the docket number assigned to the Farmers' Union case were changed.

As a result doing a search for this case will fail to reflect the correct information until after the reformations are made public.

At every step of the process, anyone directly involved has been required to sign an agreement to keep the U.S. Supreme Court's process of implementing the required reformations "secret", or face charges of Treason which are punishable by death. This gag order was placed on all media personnel, government officials, and bank employees.

This is why Alex Jones or TV news anchors will not talk about this on air.

Nor will wikipedia tell you the truth behind the law.

Nor will Sherry Shriner who is nothing more than a CIA stooge. Minnesota Senator Paul Wellstone, was about to break the gag order, but before he could his small passenger plane crashed killing his wife, daughter, and himself.

Accords

To implement the required changes, the five Justices spent years negotiating how the reformations would occur.

These agreements, known as "Accords" were made with the U.S. government, the **Federal Reserve Bank owners**, the International Monetary Fund, the World Bank, and with numerous other countries including the United Kingdom and countries of the Euro Zone.

The U.S. banking system reformations require the Federal Reserve Bank system be absorbed by the U.S. Treasury Department and the banks' fraudulent activities stopped.

Plus remedies will need to be made to U.S. citizens for past harm due to fraud.

The U.S. banking reformations will impact the entire world and therefore the IMF, World Bank, and other countries had to be involved.

As the years began to pass, the military generals who originally helped the farmers soon realized that the government had no intentions of implementing the "Accords." So, the Justices authorized the reformations be put into the form of a 75 page document known as the **National Economic Security and Reformation Act (NESARA)**.

NESARA implements the following changes;

1. Zeros out all credit card, mortgage, and other bank debt due to illegal banking and government activities
2. Abolishes income tax
3. Abolishes IRS; creates 14% flat rate non-essential "new items only" sales tax revenue for government
4. Increases benefits to senior citizens
5. Returns Constitutional Law to all our courts and legal matters.
6. Establishes new Presidential and Congressional elections within 120 days after NESARA's announcement
7. Monitors elections and prevents illegal election activities of special interest groups
8. Creates new US Treasury currency, "rainbow currency," backed by gold, silver, and platinum precious metals
- 9.. Initiates new U.S. Treasury Bank System in alignment with Constitutional Law
10. **Eliminates the Federal Reserve System**
11. Restores financial privacy
12. Retrains all judges and attorneys in Constitutional Law
13. **Ceases all aggressive, US government military actions worldwide**
14. Establishes peace throughout the world
15. Initiates first phase of worldwide prosperity distribution of vast wealth which has been accumulating for many decades. Every American citizen over the age of 21 will receive \$100,000 a month for 11 years. The law requires that the farmers claims to be paid first before the general public receives funds. Remember, these funds will come from the Level 5 Trust, bank roll programs.
16. Releases enormous sums of money for humanitarian purposes
17. *Enables the release of new technologies such as free energy devices, pollution cleanup, and sonic healing machines. This law was passed secretly on March 9, 2000 by Congress. It was voted on by seven members congress, which were the only ones constitutionally allowed to hold office. This is because the nobility amendment prevents anyone with ties to the crown from holding office.*

Plus, NESARA requires all congress members to resign immediately, so all the corrupt members of congress refused to vote. From its very inception Bush Snr., the false congress, and major bank houses, and the Carlyle group opposed NESARA. Secrecy was maintained by revising the official congressional registry.

The details of the bill number for NESARA were revised to reflect a commemorative coin and revised again more recently. Our members of congress will not tell us any of this because they have been ordered by the U.S. Supreme Court Justices to "deny" the existence of NESARA or face charges of Treason punishable by death; and some members of Congress have actually been charged with "obstruction" and threatened with Treason charges. Therefore, all members of Congress pretend that NESARA has not been passed in order to comply with the Justices' gag order. This [is] why there are no public Congressional Records!

The unelected cloned President Bill Clinton and his puppet masters, had no interest in signing NESARA into law.

So, the military generals enlisted the help of the elite Naval Seals and the Delta Force. Together they stormed the White House and under gunpoint forced Bill Clinton to sign NESARA into law. This occurred on October 10, 2000.

Before NESARA is announced to the public it is stipulated that the original farm claims must be paid out first in with gold or precious metals backed currency as stipulated by the constitution. Therefore they cannot be paid in Federal Reserve notes which is not money anyway. The \$6.6 trillion is to be distributed in the form of ATM debit cards from the new gold back US Treasury system. This money will come from the bank roll programs originally set up by **benevolent** illuminati families. The only catch is to release these funds they must first be released by Goldman Sacs and Bank of America which are owned by the Rockefeller and Bush cabals.

To prevent the funds from being released the banking documents, which contains instructions on how to access the funds, are being transported 24/7 between warehouses in Charlotte, NC and Washington D.C. The drivers of these Fed Ex trucks are heavily bribed and many are afraid of reprisals from the Bush family if they deliver their payload as required by law. One time when these packets where returned to Washington D.C., Bush placed them under military guard. Federal judges ordered him to release the funds, G.W. Bush replied. "You will never receive these packages, they belong to me".

The judge answered "I can do no more, he is President of the U.S."

The news media were called and refused to film the guards saying "He is the President and we are afraid of what he will do." (code for we also work for the Illuminati)

This has been going on for some time, so the IMF, and World Bank got together along with the Rothschild family to set up a new global banking system backed by gold. This will ultimately kill the Federal Reserve System which is worthless fiat money. It was approved by congress on September 19, 2007. On October 19, 2007, at midnight the U.S. treasury of the Republic went on-line with the Global Banking System.

The next step is announcing this to the public, but it's not an easy task to do.

Many powerful groups have tried to stop the announcement and implementation of the NESARA law. 18 months after NESARA became law, the Justices had the current Congress pass resolutions "approving" NESARA on September 9, 2001.

On September 10, 2001 George Bush Sr. moved into the White house to steer his son on how to block the announcement.

The next day NESARA was set to be announced at 10 a.m. EDT on September 11, 2001.

9/11 Attacks

Groups opposing NESARA arranged for the attacks to occur on 9/11 to keep NESARA from being announced.

Just before the announcement, Bush Snr. ordered the demolition of World Trade Center to stop the international banking computers on floors one and two, in the North Tower from initiating the new U.S. Treasury Bank system.

George Bush Snr decapitated any hopes of returning this government back to the people.

Despite the fact the Bush family was to be paid off \$300 trillion dollars to cooperate with NESARA, they choose instead to maintain control over us.

Ultimately in the end the Bush's will end up with nothing.

Without a gold backed treasury system our country is headed to economic collapse, and eventual civil war."

Although some of the Germain information began to appear (at last) in this third part of ABBA the book, there transpired to be both too much for the book, and enough for a forum of his own. The most mysterious man of all times – he who visited Voltaire showing Voltaire a tablet from his future – an I Pod tablet!

The date on the handwritten letter was June 6, 1761.

"Your long road through time will be illuminated by my friendship for you – even at the time of your revelations about the middle of the 20th century
..... [Being the origins of Treaty 9 in 1933]

Because of time, the talking pictures will not be able to be stored in its memory. May your wonderful flying machines [space craft] bring you back to me."

The "flying machines" mentioned are the time travelling orbs witnessed at the Twin Towers tragedy, one of which carried St. Germain.

On this day at this event there were 28 you tube videos showing these orbs.

Some managed to catch one or two, but this one is clear enough to raise questions.

Who was in these?

Why are they here?

Where did they come from?

Somewhere in the hidden texts the mention of "single named persons" brought to mind those ego filled enough to name themselves "Madonna" or "Prince" and so on.

But these guys are simply Da Vinci, Nostradamus & St Germain.

The texts say that these three orbs had carried Da Vinci, Nostradamus and St. Germain time travelling.
