NAUGHTY BEAVER AND THE NOSTRADAMUS PROPHECIES

FIRST: the lady with bald head and light blue scarf has been “sweated the quill”
In other words – a walk in. She has vestiges of the mini lobotomy to the left eye and she actually has a male skull

Her first statement is the “trauma because we cant accept ourlseves” by which she means that we are a superficial society. But it has been worded to sound “new age” wisdom. That on its own is superficial.

Both Billy Meier and Dr Fred Bell stated very clearly (with Bell dying 2 days after having made it public) that “the Pleiadians – none of them – can contact earth humans IN ANY WAY AT ALL – because our “AIRIC STENCH” affects their own [DNA} Aura. Permanently. Thus in no way can they even communicate with us. This detail has been kept a secret by the Fallen Ones from Atlas, Alcyone and Maia in order that we become fooled by their “messages”, including a so called approach by Taygeta.

I will spend some time in the Template of the Hidden Texts of Nostradamus seeking what ever I can find about Taygeta – from memory, I do not recall that name appearing whereas the others do.

My own suspicions are that over the last seven years since I first published the Triple Method (named in Letter #32 of the Latin correspondences from Nostradamus) and given to me late 2012, published March 2013 – has provided enough information to the alphabet agencies that run all the New Age-Gaia, Galactic Federation etcetera misinformation – so that they will avoid referencing anything the Hidden Texts of Nostradamus warn us about. There are pdfs on the Hidden Texts website that have been “red flagged” AFTER they were put on the web site BY these alphabet agencies. In this way they are showing their hand.

4:32 – minutes

while the narrator with the false accent is saying “we have been a free civilization for about 850,000 human years,”... shown in the back ground are images of the KUR (mobile cargo ship planetoid) of the negative Zha.am.i... “The planets Avalon (possibly a planet) and LyRa (a star system so not a planet).

The word/description “Avalon” was a Peter Farley concept/source. He was a front man in the same framework as Greer, Goode, Wilcock Fulford, DeLonge etc.

“They ended up fleeing to save themselves [from reptilian invasion] – problem with that is, as she says, they were “innocents” and the method of invasion used by reptilians has not changed. We are experiencing it right now. They take over using our own DNA. Both by inter breeding using walk ins, shape shifters, and clones – until the only thing left is the husk of the being that was invaded.

This was why the biblical “Fallen Ones” are still beautiful to look at but not what we think they are.

Admiral Byrd wrote in his diary describing them under Antarctica – naming thm as ARIEN (Aryan)

The Hidden Texts calls them the “EUNUCHIZED” adding that some of them “STILL KNOW LOVE” – which would explain the visits to Billy Meier. How do we know his visitors are/were the fallen ones?

ANSWER: they arrived in Vrill craft. The Aryan under Antarctica are members of a triad.

Those from Sirius (not human), Those from Pleiades, and those from Aldebaran “SEXUAL ROGUES” the Hidden Texts said. (this detail is backed up by James Casbolt in his article MANNEQUIN – if you want a copy I can send it.)

“The first LyRans landed on the planet around 40,000 years ago...”
This magical figure of “40,000 years ago” is one often used by the Establishment to fool us into not discovering just how long ago and with what technology humans have actually lived on Earth. See the pdf LEMURIA by Richard Shaver who had been taken underground for two years and published what he learned in 1945. This pdf is on Folio 7 of The Hidden Texts website – titled DERO LEMURIA www.hiddentextsofnostradamus.com
Then she goes on to say (after naming “40,000 years ago”), that these “are old pre- Atlantean civilization – yet according to Edgar Cayce Atlantean like civilizations (encompassing Lemuria) were in full flower before 50,000 BCE. Not just Cayce, but geological discoveries (see Cremo) and even the Clay Tablets of Endubsar, written around five to four thousand years gone by.

12:21
Taygetan, Valerian (?) in co operation living on Earth.
It is possible that the TERO under Shasta were this race. Too gentle in nature to ward off the negatives’ forces surrounding them underground. According to the Hidden Texts (see the DERO pdfs).
“That Taygetan base was on a continent called Oceania”. If that is the case – what happened to the “40,000 years” because Oceania is - was MUCH MUCH older than 40,000 years ago!

14:43
Circa 12,000 “years ago” (In Leo Rising) the Moon arrived from Canis Minor along with the Younger Dryas. Much destruction including the Great Flood – causing the need to rebuild the four Giza Pyramid Mother board in entirety. Repairs such as constructing causeways 7 and a half thousand years later (around 2500 BCE) were again needed because Lake Moeris had dried up and the Nile had moved away. This need for water raises questions. There is an Ostrich Egg scrimshawed showing the four pyramids with Lake Moeris. This egg is around 6,500 years old, about the same timing that Antarctica left the Equator and went south.
Noting again – that 7,500 years (give and take a century) is two Destructive shars

C2 Q 8 reference to the words supposedly spoken by Nostradamus – although one set of words did ring true –
“expelling, but not altogether – the worship of saints...”

Stating that in the old testament “a person” should be read as a race and not an individual – Just as the Hidden Texts have shown – or rather, from documents such as the Epistle to Henri II, where five times Nostradamus referred to both the “second peoples from before christ” and “the third peoples from ante christ” – so not an individual “antichrist” but a race.

“When a messenger would come, they would kill that messenger...” this is what “sweating the quill” does

Here is an example of the thing I dislike the most, and a good sign this was put here to misinform you about the Orion Group. Cropped image I will explain myself.
 The full vignette is the Phoenix, meaning Phoenixoptera constellation which became Benu-Crane-Heron-Ibis and now Grus from where derive the chameleon reptilians – the same which “spin the reptiloid greys” one of which is shown as a saint above.
 (“SPUN IN CRANE” – see 82 EXTRATERRESTRIALS
<http://www.hiddentextsofnostradamus.com/wp-content/uploads/2015/01/84-EXTRA-TERRESTRIALS.pdf>

This vignette is telling us

- 1) Top right – 5 stars means Casseopea and they are in the Golden Cube, the “ark at foot of our moon” which appears round due to its light. There are many crop circles explaining this.
- 2) Because the subject is reptilian, this has been cropped to look like a serpent. An outright lie
- 3) This is a Phoenix, it refers to reincarnation, the numbers of stars showing three for Orion’s Belt, 7 along its spine for Ursa Major, nine inside the tail meaning Pleiades
- 4) BUT the MOST IMPORTANT part cropped out is the PILE under its tail with a SWORD in it. The sword is Orion, cross breeding with the “Pile” (under the tail of Taurus) which is the Pleiades group. PILE and HEAP are obsolete names for Pleiades. In days when MANURE was an important product. Hence the Hidden Texts also use MANURE for the Pleiades.

Further explanation of 3:2 the “Ark at the foot” is shown here, Golden Cube in front of our moon. I have caught photos of this and I am not the only one to do so, plus there are three crop circles showing the same.
 BUT – here you can see what was cropped – the fire under the Phoenix (human head is Nostradamus) – he returned as a “Younger Elder”
 The Pile can be seen with the sword in it, referring to DNA breeding.
 The ears on the face (and FACE is a date for Scorpio), are possibly Ass-Mule ears (refers to Auriga- Aldebaran)

Here are the crop circles showing the “Ark at the foot”
 And one of the shots I got Oct. 25 2008
 Mine is shaky because it was fearful to me at the time

VOICE ACTIVATION. V CONFERS MATERIAL MATTER

V is the Andromeda Council, said to be dimensional beings, therefore "conferring material matter" indicates they must "pass on" duties which are of a material format, such as handing to the Procyons the job of clearing out the reptilian bases worldwide. This was done by sonics

23:20 REVELATION 12

"twelve stars on her head" – first, the number 12 is a reptilian base number.

EPHESIANS 6:12 KJV "For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers..." Ephesians 6:12 "For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places."

24:20 ANOTHER LIE

Saying the Sumerian Tablets are false because humans were not created by the gods of Sumer.

This is a twisting of words and intentions that were in the clay tablets!

When reading the tablets, they **do not say they created** man – they say they took a hominid ALREADY HERE – and tweaked its DNA – more than once.

The Hidden Texts say the same as Alex Collier – that current humans on Earth have had at least 22 "tweaks" of DNA – and it seems, one following each major ice age (of which there has been "at least 20" Richard Alley).

26:06 RA

Did you notice how Ra ignored the Questioner regarding the term YHWH?'

That is because it was NOT YHWH who was our "genetic father". EnLil/YHWH is the Chief Pilot. Lord of Airways. It was E'Yah, who is "Father In Heaven".

Go read the Clay Tablets of Endubsar.

26:20 - "to produce further genetic changes in consciousness"

The LAST thing EnLil/YHWH wanted was for EnKi's slaves to be highly conscious.

This was a pet project of EnKi – giving higher consciousness to humans – so the two of them agreed to shorten our life spans. In this debate, or deal, EnKi won the consciousness idea but we lost our immortality.

And see the reference to YHWH preferring us to be clones

27:09 – Circumcision

E'Yah designed humans perfect.

The reptilian YHWH made circumcision an invented problem knowing that the pain at that young age ALTERS THE BRAIN pattern of children.

JEHOVAH and YHWH are one and the same.

CONFederation = a Federation of UNION allies based on TRADE – WITH POLITICAL POWER vested in a CENTRAL AUTHORITY

Define FEDERATION - a group of allied factions, within which the smaller have some degree of autonomy.

STOPPED PLAYING THE VIDEO AT THIS JUNCTURE

Those who provided the Hidden Texts information TO Nostradamus are members of the Elohim Alliances. CHANI (a Younger Elder), Valgrind (a cat eyed Dahl) mentioned in the Eddur, as are the Ran (LyRan) plus a little blue-grey from Scheatt in Pegasus.

There are twenty members in the Elohim Alliances

. The word Nostradamus can be taken to mean OUR GIFT and WE CONVEY.

Whereas NAUGHTYBEAVER means prostitute

To continue with my critique was making me feel ill, the rest of the video will test your own discernment
