

# MISLEADING INFORMATION FROM A CABAL FRONTLINE

NOT THAT IT REALLY MEANS ANYTHING TO ANYONE IN EVERY-DAY REALITY

Mysterious blast of light is a black hole pointing straight at Earth, scientists say

[Article appeared in Nexus magazine mid December 2022](#)

The deceptions are right in our faces and here above contradict almost all of Miss Howe's honest and magnificent early works.

Yet, once influential people spend a weekend at the Rockefeller ranch, they return as a "different person", in much the same way presidents have done. Please read up on cloning.

**SIRIUS A & B** - water living Oannes (see Lake Baikal, Antarctica) and the Subnasal Grayles which gave us the Jesus kontrol systems

**ALDEBAREN** part of the Triad under Antarctica. The entities that turn angelic Pleiadians into the fallen ones via their DNA - then send out decoy Vril ships to the likes of Nikola Tesla, Billy Meier & George Adamski. <sup>Good cop-bad cop</sup> Attacking Admiral Bird in the same craft.

Allied with the same off world interests which Putin and Trump have been battling in the Arctic since 2017. These Aldebarenese are the "sexual rogues" with bases in South America. The same of the Article by James Michael Prince<sup>pen name</sup> titled MANNEQUIN.

If it uses military words such as **COMMAND, ORDER, REIGN** they belong with these.

**PROCYONESE** - "the merry ones" having defected to the Elohim Alliances for the Living Library **EPSILON ERIDANI, Footstool of Orion**, in the Orion/Sirius MIMIC Group... see Jesus kontrol

**EARTH:** Subnasal Grayles of Phil Schneider and the N W O, under Antarctica

**ERIDANI 82G** a recent invention

**TAU CETI:** for Earth people, sends us a kind of *police department* of tall Swede humans working with the Elohim Alliances for the Living Library. The "red haired" are negatives to Earth people, come from Bernard's Star, not Tau Ceti.

Keep in mind that every star system produces both benevolent and negative entities. Those from the incoming mini solar system which affects Earth every 700 years or so, (having diverged into five different planetary factions); along with another celestial body incoming (Blue Kachina) between each of those 700 year visits. Such as the 536 event. Are part of it/

## OMITTED:

**ALPHA CENTAURI** Greys that hover and "walk like Donald Duck" influence in pen.tag.on. These are the **Caeneus** that remotely control people such as D. Canon and the two "Pleiadian" contact "channeller" Barbaras, and most others - almost ALL channellers in western hemisphere.

**MARCABIAN** Humans as Tall Whites from 'Shoulder' of Pegasus, the same of T. Hall.

**SARAN** from Sarru' by whatever other name in the crocodilian *Messsssianic* money control system

**DRAKO** dragons and reptiloid dinosaurids... genetic experts.

**LEONINE** faction of the Zha.am.i, also known as Nibiru, free mason influence, allied Sirius agenda

## NO MENTION OF THE BENEVALENT ONES FROM:

**Gliese 876C** and **Apis/Musca/Vespa**, the two brained He Rod

**Insectoids** from Argos, the Mantid Overseer which have been copied by the Sirius Group to fool us **Scheatt** in the 'Leg of Pegasus', smallish greys wearing blue suits

Among the **twenty members** of the Elohim Alliances, ten of which are in human format and ten are not. These are overseen by the Elders in the Andromeda **Counsel** in alliance with the Casseopean.

These 22 types are all represented within our own DNA, and one of the Zha.am.i crew has defected over to these Alliances to assist with the Balance of Nature on Earth. He was generally known as EnKi but is now a Ra... you may hear negative things regarding any of the members within those

trying to save the Nature of Earth - but those negative inventions are from the Satanic minions. Ever since LMH went to the Rockefeller Ranch (see pdf GUNS & DECEPTIONS Folio 7) along with Steven Greer and a

handful of useful others, her information has changed tack and become misleading. Corey Goode, David Wilcock, & the Gaia media group likewise, are being brought out into the open as well.

## THE DECEPTION & LIES HERE ARE:

"Targeting Alpha Centauri" - they already KNOW because they are RUN by these entities

"3 Primary Species" - [www.hiddentextsofnostradamus.com](http://www.hiddentextsofnostradamus.com) on Folio 7 "84 EXTRA-TERRESTRIALS"

"Studied Middle Ages" - there *were no* Middle Ages. On Folio 7 see pdfs DINOSAURS & FALSE AGES

"No Intention of taking over the planet" - then what is the *One World Order* agenda if not taking over?

"from the ORION system"... radiates light... - and who is it "radiates light"? Lucifer. Lord of fire. ALL Orion

Group agendæ are for removing nature in all its forms; including the human one.

"Greys are a gardening race" - Gardening is part of *Nurturing Nature* and these greys are NOT

"ANTARCTICA ICE COVER IS MILLIONS OF YEARS" ~ THE *ABSOLUTE* LIE from LMH... There are MANY maps from the 705BCE to j717CE era which show Antarctica at the equator, not forgetting tropical proof! GAIA media group including you tube/wikidpedia has one intention - to hide the real truth from everyone.
