HELLO!!! DONALD TRUMP; IRON METAL MAN ALIEN:

LAME NAUAL EX-MARINE LIED ... who & about what?

('lame' usually means the real Ventura, do they have to be a marine before they become "seals"?)

In other words, Trump and a Global Military Alliance has already taken the Deep State Cabal down, the general public just doesn't recognize it yet.

Trump has activated Emergency Powers and the Deep State never saw it coming!

While the media played distraction games, Trump triggered the real takeover—activating PEADs, invoking the Stafford Act, and enforcing EO 13848. FEMA, DHS, and the military are aligned under emergency law.

On January 11, 2021, President Donald J. Trump quietly signed the Stafford Act, triggering a state of emergency that unlocked the deepest levers of presidential authority. At that exact moment, the

The mass media response to Q is one of the most sophisticated, large-scale information warfare campaigns in modern history.

- ✓ Q's greatest threat was not its "wild theories" but its ability to make people question institutional narratives.
- ✓ The "QAnon" label was a fabricated term used to turn decentralized research into a singular extremist movement.
- ✓ The media did not investigate Q—they executed a strategic smear campaign to ensure public disengagement.
- ✓ The real psychological warfare was being waged by the media, not by the Q community.

Ultimately, the ferocity of the response confirms the very thing the media wanted to deny—Q hit a nerve, and those in power were terrified of what might happen if people truly started to think for themselves.

 We all know that this bible cannot be "1500" years old. Yet, it could be 1350 years old. Fifteen hundred off: 2025-1500= iulus 525

Staged Centuries Part 1: Fabricated Reality Invented History, Phantom Time - video

Just to drive us all crazy – here is an enigma that is the legitimate spanner thrown into the works of liars. This detail may in some way be the pointer to some kind of general Truth.

So far, in my re-searching, the LETTERS A.D. as a suffix, have not appeared until after pope Gregorius replaced his Julian "J" with a number "1" – adding A.D. after that date. He did this in January of the former J583 – making it 1,583. Yet here, in the media of the day of .i.527, 56 years prior, is an illustration clearly showing two letters after the "i" date. It is almost tempting to call the D 500 and the A "added". Joking. Who & Why displayed it this way- Albrecht Durer! Bigger question is this:– exactly when was the "M" forced onto the resisting public? By the time Nostradamus began publishing stuff – and his works did use the "M" – here is the connection- the added M (Great year) & the A.D. not a suffix, clearly before the 583 Gregorian Calendar made use of it.

“The reference is the New York Times, 3/9/2015, “*Protection Without a Vaccine.*”

It describes the frontier of research. Here are key quotes that illustrate the use of synthetic genes to “protect against disease,” while changing the genetic makeup of humans. This is not science fiction:

“By delivering synthetic genes into the muscles of the [experimental] monkeys, the scientists are essentially re-engineering the animals to resist disease.”

“The sky’s the limit,” said Michael Farzan, an immunologist at Scripps and lead author of the new study.”

“The first human trial based on this strategy — called immunoprophylaxis by gene transfer, or I.G.T. — is underway, and several new ones are planned.”

“I.G.T. is altogether different from traditional vaccination. It is instead a form of gene therapy. Scientists isolate the genes that produce powerful antibodies against certain diseases and then synthesize artificial versions. The genes are placed into viruses and injected into human tissue, usually muscle.”

Here is the punchline: “The viruses invade human cells with their DNA payloads, and the synthetic gene is incorporated into the recipient’s own DNA. If all goes well, the new genes instruct the cells to begin manufacturing powerful antibodies.”

Read that again: “the synthetic gene is incorporated into the recipient’s own DNA.” Alteration of the human genetic makeup.

Permanent alteration. The Times article taps Dr. David Baltimore for an opinion:

“Still, Dr. Baltimore says that he envisions that some people might be leery of a vaccination strategy that means altering their own DNA, even if it prevents a potentially fatal disease.”

Yes, some people might be leery. If they have two or three working brain cells.

Let’s take this further. Under the cover of preventing disease (and all good covert ops float a laudatory goal to conceal their true intent), **vaccines are ideal carriers for all sorts of genes that would be permanently incorporated into the human structure.**

The enormous tonnage of propaganda about vaccines, and the resultant mandatory laws that enforce vaccination, create a powerful channel along which re-engineering is eminently possible.

Synthetic genes injected into billions of humans would form a grand experiment to create an altered species. ^{C+F+}

This grand experiment could be compartmentalized.

For example, secretly, genes 1-6 would be injected into Group A in geo-location I.

Genes 7-12 would be injected into Group B in location II. And so on.

Vaccine recipients will be subjected to ongoing surveillance to gauge the results. On various pretexts, members of these groups will be brought into clinics for exams and tests, to discover markers that purportedly reveal their bodies’ responses to the genetic alterations. Are these people stronger or weaker? Do they exhibit signs of illness? Do they report behavioral changes?

Through surveillance and testing, all sorts of information can be compiled.

Of course, there is no informed consent. The human guinea pigs have no knowledge of what is being done to them.

And what would be the objectives of this lunatic research program? They would vary. On a simplified level, there would be two.

1. Create weaker and more docile and more obedient and more dependent humans.

2. On the other side, create stronger and healthier and more intelligent and more talented humans.

Obviously, the results of the latter experiments would be applied to the “chosen few.” And clearly, some of this research will be **carried on inside the military.** Secrecy is easier to maintain, and the aim to produce “**better soldiers**” is a long-standing goal of the Pentagon and its research arm, DARPA.

3. A global vaccine experiment of the type I’m describing here has another bonus for the planners:

those people who fall ill or die **can be written off as having suffered from various diseases and disorders** which

“have nothing to do with vaccines.” This is already SOP for the medical cartel.

The numbers of casualties, in this grand experiment, would be of no concern to the *Brave New World* shapers.

As I’ve documented extensively, the US medical system is already killing 2.25 million people per decade (a conservative estimate), as a result of FDA-approved drugs and mistreatment in hospitals.

Major media and government leaders, aware of this fact, have done nothing about it.

Here is a quote from Princeton molecular biologist, Lee Silver, the author of *Remaking Eden*. It gives you a window into how important geneticists are thinking about an engineered future: 1

“The GenRich—who account for ten percent of the American population—[will] all carry synthetic genes. All aspects of the economy, the media, the entertainment industry, and the knowledge industry are controlled by members of the GenRich class...”

“Naturals [unaltered humans] work as low-paid service providers or as laborers. [Eventually] the GenRich class and the Natural class **will become entirely separate species with no ability to crossbreed**, and with as much romantic interest in each other as a current human would have for a chimpanzee. [NOT TO BE CONFUSED WITH “BLACKWATER/ACADEMI” A PRIVATE ARMY]

“Many think that it is inherently unfair for some people to have access to technologies that can provide advantages while others, less well-off, are forced to depend on chance alone, [but] American society adheres to the principle that personal liberty and personal fortune are the primary determinants of what individuals are allowed and able to do.

“Indeed, in a society that values individual freedom above all else, it is hard to find any legitimate basis for restricting the use of repro[grammed]-genetics. I will argue [that] the use of reproductic technologies is inevitable.

[W]hether we like it or not, the global marketplace will reign supreme.”

Here is another gem, from Gregory Stock, former director of the program in Medicine, Technology, and Society at the UCLA School of Medicine:

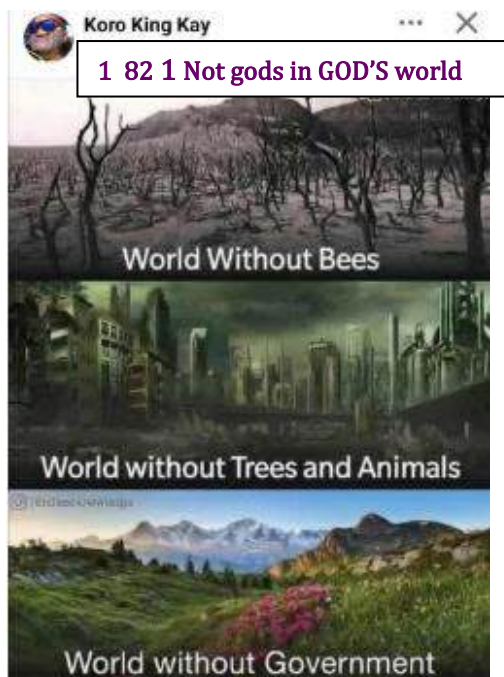

“Even if half the world’s species were lost [during genetic experiments], enormous diversity would still remain. When those in the distant future look back on this period of history, they will likely see it not as the era when the natural environment was impoverished, but as the age when a plethora of new forms—some biological, some technological, some a combination of the two—burst onto the scene. We best serve ourselves, as well as future generations, by focusing on the short-term consequences of our actions rather than our vague notions about the needs of the distant future.” Notice that these two well-known scientists are speaking about “ethics. A significant number of such experts have their own lunatic version of what is right and wrong.

With vaccines that permanently alter human genetic makeup on the horizon, and given the corporate and government-agency penchant for secrecy, we are already inhabiting the *Brave New World*. It’s not a distant prospect.

Every genetic innovation is aimed at bringing us closer to a stimulus-response world, and further away from freedom.

JON JNR'S UIIFE EAGER EXULT OUER DEFAMERS, IS TELL ISLAND LIFE T - MARE Celtic date MARE = July 8 - August 4
with Celtic T as the date July 8 - August 4. The plane crashed July 16 1999 !

Au jour extreme fils defniant les guiere At the extreme day sons barely trust-ing the ing is an inflection of grammar
fils : sons, plural. The "s" has been added by hand. Unless it meant son's distrust, but that would be modern
defniant: = desniant = desinence = inflection = (synonym for *tone is set*), a change in form, an event rising that
creates radical change in thinking, a turn in thinking. *desniant - desiant*: not trusting, without trust.

Mike and his co-author Peter Ziebelman define it as "an event that creates the potential
for radical change in how people think, feel, and act." An "inflection" is any event that
redefines what's possible — from smartphones with GPS enabling Uber to COVID

lockdowns normalizing telemedicine. 12 Aug 2025
What is the inflection theory?

les/plural guiere: barely, hardly, scarcely. gueret = to balk. les guerre = battles with, with battles.

10 15 obeying the directive that the English must rhyme too:

today is 19th September 2025.

1. President father old within & choked by thirst,

Constant Fatigue Syndrom, Addisons

2. At the extreme day sons barely trust

were they told the truth, that JFK SNR survived?

3. Plunged within then seems dead will alive come,

4. Senate to son & the death bequeathed long. That one son had to evade assassination July 1999

SO, IT SEEMS, THE WORD "SON" /SPLURAL. EVEN IF THERE HAD BEEN A SWITCH OF BOYS, THE IMPORTANT ONE
IS THE ONE TARGETED BY HILLARY CLINTON TO PREVENT HIM WINNING HER SEAT. THE ONE SENT ON WITNESS
PROTECTION WITH HIS NEW WIFE AND HER SISTER, AND WHO IS AT THIS MOMENT OUR REAL 20TH VICE PRESIDENT.

From centuries gone by, in art, if we look closely we often can find the Galactic Elohim Sphere Alliances, orbiting in Watchful but Action-ready stance. That the BADDIES know they are there, respect if not fear them, yet try to do damage regardless, shows us how desperate they are!

PUT IN HER PLACE	UNDER A DIMMED SUN, A ROYAL AGENDA	TRUMP has been C.I.C. ever since	Trump with NINGISHZIDDA And Valiant Thor

The public think it was disgraceful, how Trump walked in front of Elizabeth & Charles. They do not realize that both were executed, she died July 2016 and lay in State, discovered by SkyNews, then her clone was executed and Charles in April 2021. That time the Coat of Arms was taken down off Buckingham Palace gates, and no Cavalry seen for months. The Queen was in reality the Parasite beyond description. Found guilty in the Hague of kidnapping 11 Canadian children who were never seen again. SO. WHEN WE SEE MONARCHY USURPED FOR GOOD REASON, AND TRUMP AT THE HELM; THEN KNOW THAT TRUMP HAS LITERALLY BECOME “KING OF THE WORLD” JUST AS MANY QUATRINS HAVE TOLD US. TAKING THE COMMONWEALTH FROM BRITISH MONARCHY IS A HIGH PROPORTION OF EARTH. THE “LAND UPON WHICH THE SUN NEVER SET” FROM THE QUEEN VICTORIAN ERA. There is also a quatrain regarding “king of the universe” – that would be Ningishzidda, under whose guidance Trump has been operating.

CONFIRMED! Trump Activates Full GESARA – IRS Dismantled, Taxes Abolished, Gold-Backed QFS Takes Over! The Global Reset Has Begun!

This isn't just policy—it's the collapse of the Deep State's financial enslavement system. Trump has launched the final phase of GESARA, obliterating the corrupt structures that kept you in chains. The IRS is DONE. Federal taxes on Americans making under \$150,000? ABOLISHED. The rigged system is over!

March 13, 2025 – Commerce Secretary Howard Lutnick confirms it: The global transition is LIVE. This is the moment they feared. The cabal's control grid is falling apart. The Quantum Financial System (QFS) is online, backed by gold, secured by military oversight, and immune to their corruption.

The IRS was never about funding America. Every stolen tax dollar fueled wars, human trafficking, black budgets, and Deep State offshore accounts. You were their livestock. That ends NOW.

Trump's Gold Card is the gateway to the new system. This isn't just a financial tool—it's the QFS access key, tying wealth to gold, not debt. No Deep State seizures, no surveillance, no rigged markets. The Trump-led military alliance has been running QFS in the background since 2023. Now it's GOING PUBLIC.

GESARA is GLOBAL. The entire world is shifting. Central banks scrambling, emergency monetary resets in Europe, hidden military movements securing gold reserves. The media blackout is real—because they DON'T WANT YOU TO KNOW.

Debt forgiveness is next. Student loans? Wiped out. Mortgage fraud? Exposed. Predatory banking? Dismantled. Wealth stolen for centuries is coming back to the people. They called it a conspiracy—NOW IT'S HAPPENING.

Redemption Centers are real. NDAs are real. The Global Currency Reset is HAPPENING. They told you it was fantasy—because they knew once the public saw the truth, their control was OVER.

This is the final takedown of the cabal's financial stranglehold. Trump's tax plan wasn't a political move—it was the IGNITION of GESARA PROTOCOLS. The locks are breaking, the chains are shattering, and GITMO awaits the traitors who tried to stop it.

They know it's too late. America has fired the first shot. The world follows. The cabal is falling.

GESARA IS HERE. Are you ready?

I risked everything so you could know the truth. Don't turn away now! Join my channel immediately!

Where the video says “ and it lasted seven years” keep in mind that the alphabet agencies admit they alter times, events, details, and even past tense so it seems. Because what we have here is this video telling us they came in 1346/2022, that they will be here for 7 years until 2028 (“approximately” for all of 2022/1346 to end of 2028/into 2029/1353 so when they say “years” they will be speaking of thirteen month years – hence “approximately”). You will recall Eisenhower’s grand daughter always saying the term of the E.T. “treaty” is seven years, this is where she is getting it from. This is not accurate. The term of the treaty is every ninth year for ratification. Hence the movie title PLAN NINE FROM OUTER SPACE which was treaty Nine in 2014. Ninth from 1933. Nine times nine years from 1933 is 2014.

Moniquee Lawson I need to admit that when I first saw a video from Korea a couple years ago - showing Saturn in our naked eye vicinity - I debunked it, being in my eighth decade and no way had anyone ever been able to capture Saturn on an ordinary camcorder before... THEN ONE NIGHT WHILE I WAS TAKING SHOTS OF OUR GUYS RIGHT OVER MY ROOF - VOILA! RIGHT NEXT TO OUR GUYS IN MY OWN PHOTOGRAPH WAS THE PRODIGAL SATURN!!!! THE TEXTS HAVE BEEN SAYING SINCE I FIRST BEGAN WRITING THEM UP, THAT SATURN WILL REPLACE OUR SUN "GONE BRONZE" AND BECOME OUR SUN "ONCE AGAIN".

¹ 800 years ago. Meaning 1348 minus 800 = 548 the year Filippo was born.

There are many coincidences that measure ca800. It is recommended that this period be taken from before 1348/9 and not 2024

The Tulli Papyrus 1486 BCE Winged Aten orbit had been 1506 BC to 706 BC = 800. Great Year

706.BC.Winged Disc Hezekiah coin (ROME repair to CRUCIFIXION and Pompeii) to 1 anno domo (j80) ca 786 years. The actual impact felt is the date named (706 BCE) but the lead up to that impact can be decades, as we have seen for ourselves with 2 suns in our own skies since 2010.

Celumbo returns 499.. From 499 to now 1349 is at least 800 years that North America has of unknown mystery history.

Vatican is "800 years" old. Using 2024 less 800 = 1224 a.d. seems an awful long time from crucifixion for them to get religious.

Let's go from 1349 minus 800 = ca.550 a.d. which actually is the timing for the Inquisition, and the adding of "domini" to "anno".

However - the significant date of "800" years backwards from now, 1348/2024 is around 548. The significant event in common remains the two years with no sun from 536, with the Blue Kachina most likely culprit. See tapestry below, knowing how long it is seen.

Then there is a group of petrified penguins dated to ca. 800 years ago. And do you know what happened 812 years ago?

The Blue Kachina 536 + 2 Anak Krakatoa episode, two years with no sun.

Using 1348/2024 minus j536 = 812 ago. An event that Heribert Illig had as j6j4 (i6i4) (thank you so much Arjan Kuiten) which Heribert was taking as anno domo, but we have been on the Julian timeline all the time. Even during Otto's fracas.

So Heribert needed to remove 79 from i6i4 to arrive at the end of iulus 535-6. The Anak Krakatoa event; his j6j4.

Plus his 911 event needs 79 removing too = C+F+i832 (I832). Of Krakatoa in I883 & great flooding worldwide.

My brother (boosted to the chin) got mum onto Statins to help lower her cholesterol – within a handful of weeks she had liver cancer, then declined into a form of dementia that improved every time she ate something. Nutritional dementia – because statins prevent the cholesterol your brain is composed of, to receive more cholesterol which is not forthcoming. Mum also went stone deaf due to the antibiotics she was barraged with. My sister was Medical Receptionist to Brisbane hospital. So *she* "knew" everything there is to know about how safe vaxenes, statins & "khemo therapy" are. ! According to the Quiakery Index...

About as safe as one can expect from a business (hospitals) that count on \$48,000 for every death gained by ventilators. These same businesses that depend on folk not realizing that there is no such thing as "brain dead" and the sooner the hospital/business can convince you that your loved one is not using their brain anymore, the sooner they can harvest living organs from a living human; with NO ANAESTHETIC provided, only paralyzing agents. You are thinking I am ranting. *Too right I am ranting. ! Learns best from one's own experiences.*

I was fact chuckled for this. A week later Trump posted it. When fact checkers did so it was Quoted from AAP as the source. AAP closed down June 2020.

IN A PREVIOUS ARTICLE, THE DISCUSSION REGARDING FINDING THE TOMB OF EITHER NIMROD OR GILGAMESH AND HILLARY CLINTON'S RESPONSE BY EMAIL WAS COVERED. HER PLAN WAS TO INTEGRATE DNA FROM THIS TOMB INTO THE "INOCULATIONS". SO WHEN WE SEE THE WORDS "ZOMBIE APOCALYPSE" POLISHED AND REDEFINED VIA THE DNA OF THE MOST EVIL, INSERTED INTO YOUR VEINS, KNOWING ABOUT IT WILL NOT HELP. RECALL PRINCE PHILLIP IN 1998 SAYING "I WOULD LIKE TO RETURN AS A DEADLY VIRUS..." YESTERDAY I CAME ACROSS A REEL THAT MADE MY HAIR STAND ON END. "SOMEONE" HAS GAINED DNA FROM MOLOCH AND REPRODUCED THE ENTITY... BRIEFLY COVERED IN A HIDDEN TEXTS ITEM WAS THE MENTION OF THE **De-EXTINCTION PROGRAM**, WHERE DNA FROM MAMMOTH HAS PRODUCED A MAMMOTH. THEIR PROTOCOL IS INCLUDED IN MANY DIFFERING PRE-HISTORY ANIMALS WHICH MAY OR MAY NOT SURVIVE IN CURRENT TIMES. SO, With some searching I chased up who owns COLOSSAL BIOSCIENCES (CEO Ben Lamm & George Church) which is parent to De-Extinction Protocol. Owned by TWG GLOBAL, BREYER CAPITAL, IN Q TEL. ABU DHABI MUBADALA put \$10billion into TWG GLOBAL founded by Guggenheim's Mark Walter and Thomas Tull (entertainment financier) and other "private investors". So. Just out of curiosity ... Mark Walter (TWG, Guggenheim, Palantir) has a personal stake in BEYOND MEAT. MOLOCH looks like this

President Donald Trump announced and filed a \$15 billion defamation and libel lawsuit against The New York Times on September 15, 2025, in the U.S. District Court for the Middle District of Florida. The suit also names four NYT reporters and publisher Penguin Random House as defendants, alleging a "decades-long pattern of intentional and malicious defamation" through articles, editorials, and a book titled *Lucky Loser: How Donald Trump Squandered His Father's Fortune and Created the Illusion of Success* (published by Penguin in 2024). Trump claims these publications caused "massive economic damage to his brand value," including a drop in Trump Media and Technology Group (TMTG) stock, and accuses the NYT of acting as a "virtual mouthpiece for the Radical Left Democrat Party," particularly citing its 2024 endorsement of Kamala Harris as the "single largest illegal campaign contribution, ever."

anyone recall the movie GLORIOUS 39 - which had been made unlegal in Australia - there are scenes in it attacking the paradigm of having pets and it all began with the vets rounding up pets... well that has begun now with a media push against dogs, saying a girl just died from a dog attack - now, we dont know what really caused her demise...

Banned in Australia because that is where they planned to initiate the Pet Destruction. The same which prefixed Nazi control in England in 1939.

A 17-year-old girl named Annalyse Blyton died in hospital after being attacked by a large, mixed-breed dog at a friend's house in Singleton, NSW, on September 4, 2025. The incident occurred at a private residence, and the dog was euthanised by police with the owner's consent. An investigation into the attack is ongoing, and a report will be prepared for the coroner.
The fatal attack has prompted the NSW government to review its dog control laws.

While there's no single "friendliest" breed, **Golden Retrievers** and **Labrador Retrievers** are consistently ranked as the most friendly due to their affectionate, sociable, and gentle nature, making them excellent family companions. Other breeds known for their friendly dispositions include **Beagles**, **Poodles**, **Boxers**, **Bichon Frisé**, and **Cavalier King Charles Spaniels**. However, any dog's friendliness depends on individual temperament and proper socialization from a young age.

IF YOU ARE WONDERING WHY A NON GOVERNMENT OFFICE (VETERINARY PRACTISES UNDER ORDERS) WOULD SET ABOUT REMOVING DOGS AND PETS FIRST. IT IS FOR TWO REASONS. FIRST IT IS AMAZING HOW DEMORALIZING THE HUMAN PERSON BECOMES WHEN DEPRIVED OF THEIR PET FAMILY. BEREAVED IS THE WORD. SECOND – ALLAH ABSOLUTELY HATES DOGS AND PIGS. We are told again & again that much technology derived from "back engineering" crashed unidentified flying objects. Read "brought down" for "crashed", and one wonders how-so between 1864 & the advent of the radar that they say did so? They omit to tell us that Off World Treaties in 1933 signed off by F.D.R. INCLUDED TRADING SUCH TECHNOLOGY FOR OUR CHILDREN. Meaning that by 1934, the elite had free energy for their homes, anti gravity (three types) for their flying taxis, leading eventually to scalar sasar directed energy weapons. The same that brought down the Twin Towers and bridges, that start "wildfires", and the same that cull herds of ungulates by imploding their brains. What is there to stop them using these on the innocent folk?

These aliens as we have seen many times in these texts are *already here*. They are the same which F.D.R. signed us all away in a *treaty* in 1933 in exchange for technology. These are the **nine year** term “treaties” which are updated and ratified, the last being November 8 2014 (say the hidden texts) being the one with the Treaty 9 *trade in men* 2014 clause. The very one which is invalid because 2014 was not 2014. There are many articles regarding witnesses watching and even filming orbs ‘beaming’ naval craft which contained nuclear war heads, only to discover those warheads disarmed.

AND HERE THRU HIS WINDOW DAVID HUGGINS HAS PAINTED THE GALACTIC SPHERE ALLIANCE, THE SAME I SEE OVER MY HEAD THESE DAYS AND SINCE 1977. THE SOURCE OF THE WORKS OF NOSTRADAMUS! Where Nostradamus is now as a Younger Elder AND THE SAME JFK JNR HAD PUT ON THE FEB. 1990 GEORGE MAGAZINE. this was the "3rd brightest object in our skies" that late 1980s news was trying to tell us is the I.S.S.

Project Nightfall · 🌐

Above left the Galactic Elohim Sphere Alliances visit D Huggins Left they have been to John F Kennedy Jnr, as you can see that is not a moon which today a reel tried to say. Top right are several G.E.S.A. accompanying the Tau Cetian Dorean electron cigar ship won in battle and converted (the same over my farm 1977) Directly to the right are three of the electron cubes coming my direction having shed their spherical LUX shield. I have many such captures over the last ten years. Always in the count of three. There is a G.E.S.A. sphere in art Madonna & St. Giovanni, & one also appears on a copper plaque. C+F+copper

From the corner of my eye I managed to catch this on a video I know not the name nor the subject. It just made me jump. Copper plaques do that. If anyone knows where this is, what it is, I would be delighted to have us all enlightened.

We can see the Galactic Elohim Sphere Alliances top right, in exactly the same spot as they appear in the Madonna & Saint Giovanni painted about the exact period The Last Supper was being painted. 6 22 2 pg 44 “APPRAISING” crop circle with huge one Protecting booth Nibiru and Earth from the Nova wave

AN “EXPERT” stood in Congress last week flopping his mouth around saying he had “no idea how a cube could appear as a sphere”. Something the deep state has known about since the I.S.S. went up, when they proudly stated on TV that “the third brightest object in the skies now was the I.S.S.” When all along they were referring to the Electron Cubes snug in their Sphere.

Following will be more of their slanted mistruths. Even by crop circlemakers, their lies laid bare.

SIR X thank you for your concern, or was that a threat? but ppl need to know that the one percent have had anti gravity since 1922, and timegate travel since 1975. I just published the Stargate co.ordinates in a pdf which is pinned top of my wall, see the 1975 star map on pg 12 of that pdf.
 DID YOU KNOW THE NAME "SIR" IS ONE OF MANY USED BY MARDUK?

His post was about sending people to Mars in a rocket. Mars has a jump rooms base.

My comment outlined how many types of anti gravity is used and since when. 1922

@Americas Last Lines "800 leftists fired"

WHY IS IT IMPORTANT TO ESTABLISH THAT THERE ARE/IS ALWAYS FOUR PYRAMIDS EACH TIME? AND NOT TO LET THE SECRET SOCIETIES FOOL US INTO THINKING THAT IT WAS A 3 PYRAMID DESIGN? ANSWER:

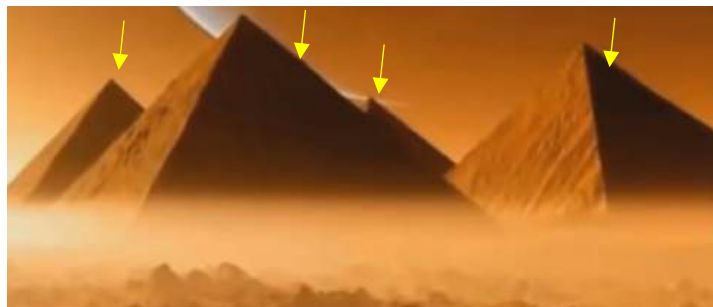

BECAUSE THERE IS NO CONNECTION BETWEEN PYRAMID CONSTRUCTION AND ORION OR DRAKO. THE ORION GROUP, WHICH INCLUDES SIRIUS, ARE OUR EARTHLY PROBLEM. THE MAIN SIGILS ARE BOTH THE GREAT CAPITAL 'G' AND THE SINGLE EYE OF THE FREE MASONS. THIS SINGLE EYE IS THE INDIVIDUAL WHO HOLDS HIERARCHY OVER THOSE "BENEATH" ITS LEVEL. THIS IS A SOCIETY OF NO FREE WILL, OF "COMMANDERS" OF "ORDERS". WITH NO FREE SPEECH NOR DISCOURSE, OF COMPLETE KONTROL. HERE SITS MY CONCERN REGARDING ODIN, THE ONE EYED. WHY HAS TRUMP TITLED ONE OF HIS AGENDAE THE "ODIN PROJECT"? WHY DO HIS MINIONS REFER TO "VALHALLA" – A WARRIORS WET DREAM. YES, VALHALLA IS A PLACE ON THE MAP, BUT WHY ALLOW THE SECRECY OF THAT DESTINATION OPEN TO PUBLIC AWARENESS?

ALL OF THAT IS A FORM OF MANIPULATION.\SOMETHING THE MEDIA HAS HONED TO A FINE DEGREE.

IF WE STUDY THE CULTISM OF EGYPT AS FAR AS WE CAN, WE FIND THERE IS A FLIP, A "REVERSAL" IN TIME OR TERM PERIODS. FIRST WE SEE BENNU BIRD (SOUTHERN HEMISPHERE CRANE-HERON-IBIS AND NOW GRUS. THEN WE SEE CYNGUS, OR "THE GOOSE RETURNING". IN WHICH I NOTICED THE PHARAOH IS A COMMONER. THE BENNU/GRUS CULT HAS NOT APPEARED AS BENEVOLENT AS THE COMMONER PHARAHOES' OF CYGNUS, THE NORTHERN CROSS. BENNU-GRUS IS ALSO A CROSS, RIGHT NEXT TO THE "SOUTHERN CROSS" ONCE CALLED CRUX.

AND THE COMMON DENOMINATOR BETWEEN THE TWO SEPARATE CULT STYLES IS THE WORD "RESET". AS IN, EARTHLY RESET, FOLLOWING EACH VOLATILE APPROACH OF EITHER THE RED KACHINA-NIBIRU-ZHA.AM.I OR THE BLUE KACHINA-SARRU. FROM WHERE COME THE SARAN OF DA VINCI, WE KNOW THEM AS MESSIAH, OR SOBEK, OR CUSTODIANS.

EVERY 7TH CENTURY, RED KACHINA PRECEDED BY THE LAZY CHAOTIC ORBIT OF BLUE KACHINA. THE LATTER TRAVELLING BETWEEN 114 TO 224 YEARS PRIOR TO RED KACHINA. BOTH ARE INHABITED.

FOUR STRAIGHT SIDED PYRAMIDS

MULLUMBIMBY N.S.W.

MULLUMBIMBY – I WROTE TO THE PHOTOGRAPHER ASKING WHICH SIDE WAS HE STANDING ON, THE SOUTHERN OR NORTHERN. I HAD A REASON FOR ASKING. HE NEVER ANSWERED ME.

DEPENDING ON WHICH HEMISPHERE THE LAYOUT WAS CONSTRUCTED, THE FOURTH CAN BE SEEN TO BE SITUATED TO EITHER LEFT AT THE END OR TO THE RIGHT AT THE END OF THE 3. These N.S.W. groups are truly ancient, at least over one great Millwheel of Ages. Travelling down the Blue Mountains I caught photos of two Bent Pyramids, one leaving Tamworth area towards Condobolin & the other close to arriving at Condobolin. The others are all by four. When I say “which hemisphere”: I mean which way was Earth turned at the time of design. The purist in you will jump straight on the co-ordinates band wagon, and rightly so. That speed of light co-ordinate means the *perfect placement*, each time, after Earth had turned! The emphasis here is on the word **PLACEMENT**.

It follows then, Who was capable of such precision?

It tells you in the first line of Genesis – which on its own is a description of one of those Resets, the Fifth Sun consequences. The wording is **ABBA Father In Heaven, Elohim Creators**. Those very Alliances who seem to spend most of their time dwelling in the Golden Host of the Sphere Alliances Electron cubes. Those, who each donated their DNA attributes to the idea of perfecting we humans. Despite our Thoughtlessness, our failure to Nurture the Living Library as we were employed to do.

This corruption of our T’ask began with the adulteration of the word Elohim, by Orion Group, and the Vatican’s Sirius group, adding *beni Elohim* to make it seem bad. *Beni* means ‘sons of’.

SINCE he WAS BORN BEFORE the 10 days fiddled by Gregorius in j582 or j582 as he wrote it in j562 – then his birthdate **WAS the 14th**

Do we have a hint here of having been to the year 2503? The number 2 is not a prefix such as .i. or .j. In his Presages he did use the J in Colonna on Presage J562. Being policed by the Inquisition of the Vatican under The three popes who eventually arranged their New Millenium Calendar 16 years later. Due to Blue Kachina.

Victoire incerte trois grads couroneront,
Aigle, coq, lune, lyon, foleil, en marque.

524 Charlemagne invented the swash for J, with two other kings

So, now we have a problem. According to Wikidpedia, the letter j was introduced 524. The added swash was invented by Charlemagne. Yet Wikidpedia has Charlemagne crowned emperor in 800, dying 814. OF The three kings involved in this agreement, one died according to Wikidpedia, a hundred years before he was reading the Epistle addressed to him.

HENRY 4th IIII not yet IV 399 – 413 of England/Ngliterra (still on maps at 562)

HENRY V^{5th of Ngliterra} 413 – 422 took Agincourt ending 100 years wars, became Henri II of France to 453. 4 53 j555 as Henri II FATHER OF EDWARD IIII. Not IV/ =As Henri II of France. *SUCCEEDED BY CHARLES ? ~~W~~

He was the king Nostradamus wrote his Epistle for. Problem is this – The Epistle is dated 100 YEARS LATER. Karolignian Charles/Charlemagne with two other kings inserted the letter J into the alphabet to replace the second letter .i. It was CHARLEMAGNE WHO ADDED THE SWASH TO THE LETTER .i. TO MAKE IT A J – HENRI 6th VI 421 - 471 See the WIKIDPEDIA image saying 524 for LETTER J.

*Not IVth but IIII, because the IV was not introduced & accepted publicly until 598, & Henry IIII died '413' At first glance, knowing 1000 was added to 583, among dodging calendars based on the tangled web they weave – it looks like someones' maths has gone awry, not just having Charlemagne The Great in both the 400s and the 800s, but also having Henri II who reigned over Nostradamus, living in different centuries.

Wikidpedia can't even keep Queen Edyghe of The Longbow Tapestry and her three sons in their own century!

The letter "j" was introduced and distinguished from "i" in 524 by the Italian grammarian Gian Giorgio Trissino, though the distinct uppercase and lowercase forms weren't widely adopted in English until later, with first English books clearly separating them appearing around 1629-1633. AnkhesenAmun, sister & wife to TutAnkhAmun. She being forced to Exodus from Egypt as a direct consequence of a visit by either the Red Kachina (Nibiru-Zha.am.i) or the Blue Kachina, Sarru' – from where come the Sobek Messssiah "custodians". You will never hear the truth regarding measurements of the planets in the approaching mini solar systems. Your beloved government wants you to think you are to blame for climate events caused by passing mini solar systems !

The crop circle straddling Stonehenge shows you all their planets alongside Earth (the tiny one with an atmosphere & a moon). Earth is 60,000 miles around, not the 25,000 Google would have you believe. Nibiru is 14 (fourteen) times the size of Earth. That makes Nibiru 840,000 miles around. Its dead comet sun is just under half the size of Sol, our old sun, or around 50 times Earth. The visit in question regarding Scota – sister to king Tut – refers to the 1486 ^{Tulli Papyrus} arrival of the Hyksos or Hittites into Egypt to 1440BCE; looking for non volcanic polluted grazing. The timing here is that historical « ca 1500 BCE » period. This is because Santorini had erupted in response to the Kachina passing.

The 1440 BCE period also happened to be the new Age of Aries, and along with it, Marduk as Snefru – according to these texts. In this manner Scota had good reason to leave – heading in the opposite direction to the Effects of Santoprini – to Ireland, Skye and Scotland. First having to vanquish the Picts.

You will see « historians » bring the Picts and their defeats against their conquerors, named as the Romans – *forward* by 1000 years. We KNOW Scota had to leave following the Ten Plagues and a Passing Over, we KNOW the Hyksos or Hittites took hold of Egypt roughly circa 1500 BC, and we are told King Tut was in the 1300s BCE – when by these accounts it was 1000 years earlier. That pesky 1000 years ! Maybe the Vatican was thinking to repair this timeline by adding a 1 to January 583 making a fiscal 1,583 The Romans were scared enough of the Picts to build Hadrian's Wall. It does not seem it was the Greco Romans who did defeat the Picts, just by a Wall... making THAT event a thousand years earlier too. According to the arrival of Queen Scota – she did not spend a thousand years fighting or integrating the Irish, did she! She took Skye because she was of Skythian blood. We see the mercenary Skythian defenses worn by warriors at Hastings in iulus.66. We see the giant Artur on the door lintel at Modena church on his way to a crusade – wearing Skythian armory. Answer me this – WHO WAITS A THOUSAND YEARS TO GO ON A CHRISTIAN CRUSADE? This is where the word "Greco" comes in. It never really went away, because the Ptolemys were GRECO ROMAN too. Scota took Scotland, she & her pharaonic kilts were not put off by Roman, Pict nor Boadicca.

CONTINUING THE BADDIES

For many years you have seen us as lights in the skies. We speak to you now in peace and wisdom as we have done to your brothers and sisters all over this, your planet Earth.

■ Real alien broadcast ■

This is in order that you may share in the great awakening, as the planet passes into the New Age of Aquarius. The New Age can be a time of great peace and evolution for your race, but only if your rulers are made aware of the evil forces that can overshadow their judgments.

TRANSCRIPT

We come to warn you of the destiny of your race and your world so that you may communicate to your fellow beings the course you must take to avoid the disaster which threatens your world, and the beings on our worlds around you.

The New Age came at a time of great peace and evolution WHAT A FIB!! AT THE TIME OF THE SUPPOSED ***DAWNING OF THE NEW AGE OF AQUARIUS*** ~ VIETNAM WAS IN FULL SWING, GOVERNMENT SPENT ITS ENTIRE MEDIA TIME LYING ABOUT ROSWELL, HOW TO RAISE BABIES (DR SPOCK and HIS WARPED IDEAS ABOUT A HAPPY BABY), CONSTANT UNTRUTHS REGARDING HEALTH, FOOD, OUR SKIES, NON ANTI GRAVITY, OVERPOPULATION, THE INTRODUCTION OF DEPOPULATION METHODS BY OF ALL PEOPLE- THE MILITARY. THE MISTRADING OF DOCTORS WHO'RE NEVER TAUGHT NUTRITION YET IT IS THE FIRST THINGS VETERINARY STUDENTS LEARN. THAT OF ALL THINGS OUR STUDENTS HAD SUCH CLASSES AS HOUSEKEEPING AND COOKING REMOVED. TO BE REPLACED BY TRANSGENDER. LET US SUMMARIZE ONE LESSON NOSTRADAMUS HAS TAUGHT US HERE IN "***MILLWHEEL OF THE AGES***" WHICH IS THAT EACH AGE IS NOT 2,160 YEARS, NONE OF THEM ARE. IT TAKES OUR SUN 72 YEARS TO CROSS ONE ASTRONOMICAL DEGREE. ARIES IS A SHORT ASTERISM – TAKING 1440 YEARS, BUT LEO SPRAWLS ACROSS THE SKIES TAKING 2,808 YEARS FOR OUR SUN TO CROSS. AND PISCES, THE ONE WE LIVE IN NOW, BEGAN JULIAN 80 AND TAKES 2,590 YEARS. WITH US IN 1,350. EITHER WAY – EVEN IF WE USED THE FALSE 2160, WE ARE THOUGHT TO BE ONLY AT 2025 OF THOSE YEARS. WE ARE AT NEITHER. OF THE 2,590 PERIOD, WE ARE AT 1,350 YEARS, JUST OVER HALF WAY. EVEN AT 2025, WITH AN AGE AT 2,160 YEARS, WE WOULD STILL HAVE 135 YEARS TO GO. SO MUCH FOR WHAT **VRILLON** KNOWS ! HE DID ACTUALLY PICK THE ONLY TIMING IN THE PAST CENTURY THAT HAD SOME FLOWER POWER PEACE – 1977. FOR ABOUT TWENTY THREE YEARS. ~ 9/11 NOT EVEN 23 YEARS IF YOU INCLUDE THE ADVENT OF AIDS AND OTHER INVENTED DISEASES.

THE VRILLON LIE IS PROVEN IN THESE WORDS - NEW AGE *A CIA PROJECT), THE WORD AQUARIUS, BECAUSE THE AGE OF PISCES IS 2590 YEARS, STILL CENTURIES TO GO BEFORE AQUARIUS, AND THE WORD EVOLUTION. WE DID NOT EVOLVE - WE WERE ASSISTED OVER THE ICE AGES BY A NEW TWEAK OF DNA - "AT LEAST 20" AND THERE HAS BEEN "AT LEAST 20 ICE AGES

Moniquee Lawson there is much more than first level deception (not meant for us, meant for minions). Have faith. Once we realize who it is actually behind Trump and company, then we can comprehend all of the who where what how when and why. you have seen the Feb. 1990 George Magazine front page. IF THOSE BEHIND TRUMP WERE NOT THE CREATORS, THEY WOULD NOT HAVE BOTHERED TO:

- a) save us from the Nova August 2022
- b) they would not have diverted the Dead Comet Sun from a too close call end of April 2020
- 3) they would not have protected much of the planet from the Peru Slip 2015
- 4) they would not have sasared the Mars jump room base Oct 2014... and
- 5) they would not have arranged our elongated orbit which keeps reptiles below... 6) nor would they have changed our spin June 2010 so that everyone was 20 minutes late in the Mediteranean, so that the "days were made shorter"(Matthew 20:24) so that Teutatis the 7 stadia around asteroid missed us St. Lucy's Day Dec 13 2012.

The reason I named the "doctor" who injected me. contrast dye (plutonium) is that he went ahead doing it even after being told I am allergic to iodine, penicillin and sulphur. From then onwards without relenting, living has been a battle. This is the dictionary of illnesses suffered by Chuck Norris' wife and at which he threw two million dollars simply trying to get the case into a court.

I now think some form of demon has attempted to stop the work in this way. There has been another attempt to warn me off; using a helicopter and a mutilated sheep.

Had I not been with Uncle Ray Dickens [park ranger & Secretary of the Flora & Fauna Protection Society] at Kariong (Brisbane Waters National Park, at the time) as a 10 year old in 1958, there is a good chance I would not have known what this was. When experts display this; they have it on its side and call it Orion Sky Hero [reversed]. The serendipity here by any other name is simply breathtaking. Uncle Ray did not know what the hieroglyphs were, but he took this as a bear, & an astronomical one. That I should have been shown a path to the Triple Method Ophers (Star Alchemy, Runic & Keltic code) some 50 years later cannot be a coincidence. The Ladder means stargate direct to Ursa Major.

Food for deep thought here. These are PHOTOGRAPHS
 This One is Kalends 902 Nov. But which Kalends?
 The dates here are 902, 912 and the 937 coin was a Natzl coin = therefore they have been the Original of the 1902, 1912 and 1937. The "Gregorian" false 1582 was not recognized by anyone other than those who are perverting the course of history, the same which own most media – including Encyclopædias. It was not until 1922, that the world grudgingly accepted the extra number 1 on their calendars. Source: Encyclopedia Britannica.

Two photos with a date of 912 and 902 Not being Coptic, Gregorian nor Gotique but B R E: Byzantin Roman Empire. The word "kalends" used by Julius too. It means "the first" or the "New Age" in the sense of new & sudden climatic differences. Which it was for both of them and for the same reason. RESET is the word.

RECONCILES: 7531 = "2023" = 1,347 C.E.

that's what I'm seeing. You understand these better.

I have quite a few other examples.

3 APR 2023 AT 7:03 AM

Easy.

We are in 7531
Take off 7292

Noting that is a capital i.
Saying 784 is Adamic 7292
(Genesis date).

"2024" = 1,348.C.E. = 7532

C.E. if Current Era means Julian. If Christian Era = a.d.

QUESTION IS THIS. IS C.E. a.d.?

Or the 79 years older Julian

Image from

Clear to see is the J for Julian – the year prior to the pamphlet top left. there is thought the J stands for Justinian – will get to that shortly

J783 in other words – 783 in United States.

Not, as was pointed out by the narrator, *The United States*.

And not 1,783, but 565 years ago.

Noting NO a.d. suffix. Just the Julian prefix. Or J for jahre/year.

Noting that is a capital i.

Saying 784 is Adamic 7292
(Genesis date).

3 APR 2023 AT 7:21 AM

So here is the equation

7531 this year. Minus

7292 leaves

239 years ago.

Viz

784 iulus (back then) add

239 becomes

1023.

The missing 324 years lost in

676 when Otto freaked at

Danube freezing solid July 676

Leaving him (relative of

Constantine) making New Age

in July 676 calling it 1,000.

Simply deleting 324 years.

This 324 years has to be added
back.

1023, add back

324 removed =

1347. Where we are now

In 2023

Do you recall this – *the entire library* in Europe;
all books bound and printed by printing press.
Not in the 1570s. Nor the 1440s. Gutenberg press
was up and running in iulus.440, Caxton not far
behind in .i.474. Meaning books similar to these
had been produced for a hundred years already.

How Gutenberg's Printing Press Revolutionized Literacy | Britannica

Ironically, all encyclopedias were owned by Rothschilds, so
they could distort history from 1920 – including forcing the
Gregorian Calendar onto the public, not accepted worldwide
until 1922. In 1813 Rothschilds leant Vatican enough to buy it.

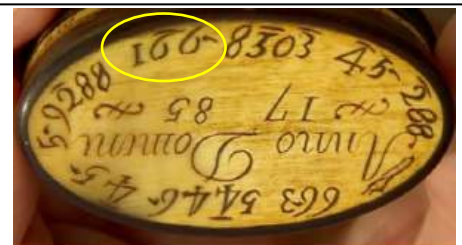

Thankyou forever Gunnar D Hiptmair !
The confusion between two letters “i”: had Charlemagne
invent a swash on one, turning it into this “i”: j in 524
Nostradamus was living at this time. He left us Presage J562

Presage J562 can be seen in UNDER THE YEAR in OCTOBRE, NOVEMBRE published 2017
When the 458 cipher is added to 1562 we get 2020 – the year of ESTOMACHE bellyful

AI Overview

The letter “j” was introduced and distinguished from “i” in 1524 by the Italian grammarian Gian Giorgio Trissino, though the distinct uppercase and lowercase forms weren't widely adopted in English until later, with first English books clearly separating them appearing around 629.

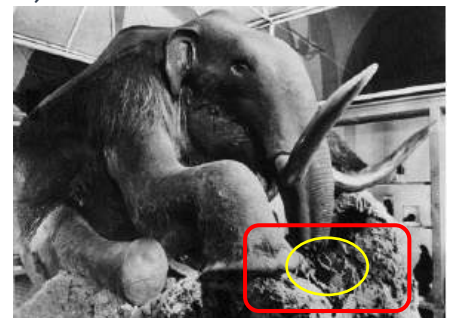

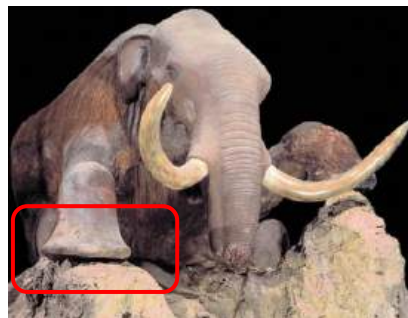

The year iulus.524 never had a 1 prefix
Not until iulus.583 did Vatican add the 1
making 583 into 1,583, with us in
1,350 as of July 2025.
Saying the real 1,583 has not yet arrived.
Charlemagne gave us the swash on
letter i to make j or j.

The 1785 snuffbox here will have an entire chapter for itself. It is in its own way a Rosetta stone, because each date nominated refers to an im portant histoprical event. The 45 is 45/6 BCE year one of Julius. Year 1 of a.d.= i.80. The 166 is HASTINGS. Folk knew in 785. They resisted the calendar Vatican added 1000 to. See 820 & 823

CHANGING THE SUBJECT ~ because at first glance my former information appears incorrect. The Siberian frozen-in-one-night of a 4,000 – 6,000.kg. (and I can't even say "pacyderm") animal; due to so many details relating. Not even gender, because the mammoth/mastodon is sitting down so well that no hint of gender is obvious. The female mastodon can have tusks, but we can't establish that. Even the number of its toenails is not clear to be seen. Mammoth have 5 toenails on the front and sometimes five but mostly 4 on the back. Mastodon can have 3 to be seen on front & back. One detail is on view and that is the "fingers" at the end of the trunk are two. Yes, most mammoths have none.

So far, two details seem established: 1. *can't see* toes, genitals nor mammarys. 2. CAN see 2 fingers on a trunk. So now we will note slight hairiness, attributed to winter just leaving because there are supposed to be in the palate, buttercups/ranunculae. These have a ten day window of flower growth . The last ten days of winter or the first ten days of spring. The sloping forehead, tiny ears, and curve of tusks points to a male mastodon. The buttercups point to a grazer, yet those tusks look well used as a browser would. Unable to see the teeth means certainty cannot be established which way this species leans – to a woolly mammoth ? or to be a winter coated mastodon. Those tusks, generally, should belong to a mammoth, but the forehead & hairless ears say no to that. How many years had this animal been using those tusks? I am going for third year into four years. Not quite adult. Let us look at another option, relating to where Siberia had been until Dec. jahre.689 – when Wormwood came.

Two fingers on trunk.
At least four toes, 3 on view, both front and back.
So far everything points to browsing, except for the plants in the palate, the much lauded "buttercups".
There is one answer.

African elephants have five toes on their front feet and four toes on their back feet. However, not all toes have visible toenails, as the number of toenails varies by species. African forest elephants have 5 front toenails and 4 back toenails, while African savanna elephants may have 4 or 5 front toenails and 3 back toenails.

Fun Facts Friday: Elephant Feet: African vs. Asian ... - Facebook

5 Apr 2024 — Elephant - Fun Facts Friday: Elephant Feet: African vs. Asian African and...

Right at this moment we are going back to look at the countryside. If you have been following these pdf articles you will have seen that Earth has turned, in j.689, in the years between 54BCE (Ethiopian Calendar) & 45/6 BC; in which Julius Caesar made his new calendar due to spring turning up in April. Before that, spring had been in Virgo (Denderah Zodiac) – Leo morphs into Virgo/spring. Aka the Sphinx. We have seen various maps that were all sideways before j.592. Vallard, Gadoury's finds, Ahmed Hadjid with his Antarctica at equator j.559 – clear of sea ice. Followed by Newton describing new star ordinates, Hevelius with Sagittarius reversed (Uffington White Horse), and Nostradamus with his letter to his 3 year old son – describing “the revolting astronomies”. Before that, all his vignette astronomies were in reverse to how we see those stars today. Keeping in mind of course, that the Docteur died j.566, a century before Wormwood arrived. Yet he lived throughout the Blue Kachina 496 to 582 effects, plague, no sun & others.

HERE, I MUST ASK YOU TO IMAGINE THE COUNTRYSIDE OF SIBERIA SITUATED WHERE FLORIDA IS NOW.

THEN IN YOUR MINDS EYE, WATCH EARTH TURN, PLACING SIBERIA WHERE IT IS NOW.

DO BUTTERCUPS GROW IN SIBERIA?

FAR RIGHT the map we have today, but only since December j.689/690. When Earth turned, the Latitudes also turned. One moment our Mastodon is in Florida climes; the next moment the spot it was using became Siberia.

LATITUDES

Before that turn I wonder what the lands were named – would it have simply then become Tartaria? So, buttercups and all found themselves as “Asiatic”. Speaking of ASIATIC – did you know there is an ‘elephant’ species living still in forests between China and India? THESE have adapted to mixed feeds.

AND THEY ARE NOT RELATED TO MAMMOTH

per day (Vancuytenberg, 1977; Sukumar, 2006). As mixed feeders, Asian elephants consume both grasses and browse (Sukumar and Ramesh, 1995; Sukumar, 2003), and their diet and foraging strategy can differ greatly with landscape and seasonal conditions (e.g., Sukumar, 1990; Chen et al., 2006; Joshi and Singh, 2008). With their prehensile trunk, body strength, and tusks (absent in Asian elephant females), elephants manipulate plants skillfully, being very versatile in processing the plants and plant parts they consume. Elephants handle plants by stripping out leaves from branches, debarking trees, breaking off trunks and branches, uprooting saplings, pulling down lianas, or shaking trees to harvest fruits (Ishwaran, 1983; Pradhan et al., 2007).			Asian elephant also known as the Asiatic elephant, is the only living <i>Elephas</i> species. It is the largest living land animal in Asia and the second largest living elephantid in the world. It is characterised by its long trunk with a single finger-like processing; large tusks in males; laterally folded large ears and wrinkled grey skin that is partly depigmented on the trunk, ears or neck. Adult males average in weight and females. It has a large and well developed neocortex of the brain, is highly intelligent and self-aware being able to display behaviours associated with grief, learning and greeting. The animal found sitting down, (night of the actual lead up to Wormwood arrival was July 2nd. j.676) frozen overnight, was neither a Mammoth nor Mastodon. There are remnants of a nearby similar species living today which eats both by grazing and by browsing (pushing down smaller trees).

Yes, the hermit Agafya said the "Year of our lord Adam 7522" which she said in 2014 before she passed.
7530/2022 minus 7171 = making Peter 359 years ago with us really in 1346 - 359 = the year i 987 for Peter.

Pay attention to the date imprinted on the opening, Summer 7171.

The "year of our lord Adam" of which Agafya spoke, for those who have not realized – is the beginning of the history relating to that part of Genesis which describes the advent of the slave human race.* Dated to the day we stand in as 7, 530 years gone by. Up to J680, that was two Fifth Suns ago.

So, if we take December J680 which was Ison-WORMWOOD, from 1346CE, we get 666.

This explains SO MUCH about the Satanic Agenda. Those who work by numbers and where the stars sit, which is why they fiddled calendars in order to bring the Age of Aquarius forward, with over 1200 yet to go.

The word "medallion" is probably not the correct description. It looks more like a manhole cover...

Recall that all "monarchy" are run by off techno-world trade interests, and have done for millennia, which is why there are griffen and space craft appearing on the Hastings-Bayeux Tapestry of i495-6.

The other parallel timeline (to Julius and Gregorius) which left us with photographs taken 902 and 912.

Pg 36 >

If you look closely at the 902 you will see the word Ka.

This tells us the kalends (first measurement) begun by lulus/julian were used by the B.R.E. Byzantin Roman Empire too.

Otto in July 676 simply "lost" 324 years when he made July 3rd 676 as the New Kalends Millennium 1000.

So, we need to add 324 to 902 and 912 to see where they sat in relation to where we are in 1348

902 + 324 = 1226

912 + 324 = 1236

We are in 1348 - deduct 1236/ = 112 years ago

1348 = 2024. 1349 = 2025. 1350 = 2026

2024 minus 112 = 1,912 (912) and the difference is = the extra 1000 of pope Gregory.

ONE THOUSAND needs removing. Vatican added a 1 to Janus 583 making it 1583, and now we cant seem to break away from that. Can be proved by tiny things such as on the tomb of Edward the IIIJ (not IV) because the Roman number IIIJ, XXXX and CCCC stopped being used around 598 (iulus 598). the likes of Wikipedia term it as Edward IV, but it could not have been, when his tomb clearly tells us IIIJ,

If people could get their head around this, the entire plandemic would collapse. The genetic sequences used in PCRs to detect suspected C0vid19 and to diagnose cases of illness and death attributed to C0vid19 are present in dozens of sequences of the human genome itself and in those of about a hundred microbes.

So this CASEDEMIC is based on a test that amplifies molecules from within you that prove you are in fact human and have normal, healthy, human microbes. That's it. The world is being shut down and dreadful genetic engineering therapies which will decimate humanity are being willfully injected upon hundreds of millions of manipulated people with no idea what is going on. And for what? For being a human. It is the greatest crime against humanity ever committed.
